### Fast, reliable scanning for precise results

- Get fast results with two-sided, single-pass scanning. Automatically remove blank pages from scans.
- Reliably capture information—HP EveryPage ultrasonic technology helps you avoid missed pages in scanned files.
- Produce clean, readable scans, using auto-orientation, auto-page-crop, auto-tone, and auto-deskew tools.
- Manage big jobs easily with a 100-sheet automatic document feeder that handles mixed paper sizes and weights.

### Easy, accurate data entry with outstanding color

- Easily enter data using a large, pull-out keyboard. Manage jobs directly on the 8-inch color touchscreen.
- Preview and edit scans, adjust images, and launch standard processes—all at the 8-inch color touchscreen.
- Optimize color settings with HP EasyColor. Get vivid results from HP ColorSphere toner, at up to 1200 dpi.
- Get the color output you intended with Pantone® matching. Optimize your workspace with this desktop device.

### High-performance document processing and sharing

- Enhance productivity without adding software—scan directly to SharePoint®, email, fax, or a network folder.
- Get more from your data. Use built-in OCR to turn scans into editable text, and save in multiple file types.
- Expand features as needs grow. Easily add content processing and routing solutions from HP and partners.<sup>2</sup>
- Use optional HP Digital Sending Software to enable advanced document capture and routing.<sup>6</sup>

### In control, more secure, future-ready

- Help regulate color costs, using HP Color Access Control.<sup>4</sup> Easily update features and add solutions.
- Help protect data—in storage or in transit—using robust encryption, authentication, and security management.
- HP ePrint—print from a smartphone or tablet.<sup>3</sup> Save time with a large paper capacity and built-in stapler.
- Energy-saving features help conserve resources. Manage environmental policies using HP EcoSMART Fleet.<sup>5</sup>

### ecoHIGHLIGHTS

HP LaserJet Enterprise color flow MFP M575c

- Save energy—HP Auto-On/Auto-Off Technology turns your printer on when you need it, off when you don't.<sup>1</sup>
- Monitor, manage, and control the impact of your printing environment with HP EcoSMART Fleet.<sup>2</sup>
- Reduce waste—scan, store and distribute documents digitally.
- Reduce paper use by up to 50%, using automatic two-sided printing.

HP LaserJet Enterprise color flow MFP M575c Product Number: CD646A

ENERGY STAR<sup>®</sup> qualified models; see <http://www.hp.com/go/energystar>

<sup>1</sup>Measured using ISO/IEC 24734, excludes first set of test documents. For more information see <http://www.hp.com/go/printerclaims>. Exact speed varies depending on the system configuration, software application, driver, and document complexity. <sup>2</sup>Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPS to satisfy the demands of connected individuals or groups. <sup>3</sup>HP recommends that the number of pages per month of imaged output be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.

<sup>4</sup>First Copy Out and Copy Speed measured using ISO/IEC 29183, excludes first set of test documents. For more information see <http://www.hp.com/go/printerclaims>. Exact speed varies depending on the system configuration, software application, driver, and document complexity. <sup>5</sup>Based on standard ITU-T test image #1 at standard resolution. More complicated pages or higher resolution will take longer and use more memory. <sup>6</sup>available at <http://www.hp.com/go/laserjetfonts>. <sup>7</sup>Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty. Power consumption value in Auto-Off mode is for Auto-Off/Wake on network and depends on customer network switch capability, user configuration and network activity and may require a firmware upgrade. Off-mode power may vary while checking network packets for print jobs. <sup>8</sup>See <http://www.microsoft.com>. <sup>9</sup>See <http://www.apple.com>. <sup>10</sup>Measured according to ISO 7779 and declared in accordance with ISO 9296; values are subject to change. For current information, see <http://www.hp.com/support>. Configuration tested: HP LaserJet Enterprise 500 color MFP M575f printing simplex on A4 paper. <sup>11</sup>Declared yield value in accordance with ISO/IEC 19798. Actual yields vary considerably based on images printed and other factors. For more information, visit <http://www.hp.com/go/learnaboutsupplies>.
