

Micro SD cards

- 8 GB

FM08MP45B/10

Easy to store! Easy to transfer!

Philips MicroSDXC cards allow you to store photos, videos, music and data, and fit many slots thanks to their adapter. Also easy to carry with their small cases.

Benefits

Performance and capacity

- 8 GB storage capacity for large data files
- Super-fast transfer speeds with Class 10 SDHC cards

Convenient

- Connect to different devices with adapter
- Easy to carry with a small case

Features

8 GB storage capacity

A useful 8 GB gives you the capacity to swap and share much larger or more files via the USB port of your PC or laptop.

Connect with adapter

Thanks to the SD card adapter, a Micro SD card can be easily converted into a full-size SD card. You can transfer your photos, songs and videos to other devices and share with your friends.

A multi-purpose card

- Perfect for your cameras, mp3 players, games consoles
- Store your songs, photos and videos

Easy to carry

It is annoying to lose all your data and pictures together with your SD cards. Now you can carry your micro SD card in the included small case. You will never lose or break it again!

Perfect for your devices

Store your media

PHILIPS

Super-fast transfer speeds

Thanks to the Class 10 performance and fast transfer speeds of this SDHC card, you don't have to wait long for data transfer any more!
