# 68 YEARS OF NON-STOP INNOVATION

In 1950, Hobie Alter shaped his first surfboard in his parents' garage in Laguna Beach, California. His visionary designs challenged the limits of watersports and inspired a culture of ingenuity and craftsmanship that lives on today.

From surfboards and world-class catamarans, to revolutionary kayaks and stand-up pedalboards, Hobie is driven by a passion for delivering the most advanced, enjoyable and accessible watersport products available. The Hobie brand continues to be synonymous with leading-edge adventure on the water.

Today, Hobie's passion for the water is built into every product we make. Based in Oceanside, CA, Hobie is steadfast in its unwavering commitment to unsurpassed quality, expert craftsmanship and superior performance. Built to go far and get you there fast. Live the Hobie way of life.

# MIRAGE ADVENTURE ISLAND

## THE HOBIE ADVENTURE ISLAND OFFERS A TICKET TO MULTI-SPORT-FUN

Pedal, paddle or sail: the Hobie Adventure Island easily converts from a capable kayak to a nimble trimaran, depending on the day's objective. Designed for singlehanded multi-sport fun, the Adventure Island sports a vertically battened, square-topped mainsail that can be roller-reefed in a breeze, as well as a pedal-powered Hobie MirageDrive® 180 that's equipped with brawny ST Turbo fins for light-air conditions. The comfortable Vantage CT seat, cleverly designed cockpit, retractable centerboard and sturdy rotomolded polyethylene hulls inspire solo or multi-boat exploits ranging from weekend escapes to playing-for-keeps events such as the Everglades Challenge.

### STANDARD FEATURES:

- Pedal-powered reversing MirageDrive 180 eases locomotion on light-air days
- Ama floats and aka crossbars are lightweight and color-coordinated
- Fully-battened, boomless mainsail features an easy-to-use roller-reefing system
- Carbon-composite spar reduces weight aloft
- Custom spar and sail storage bag keeps your kit shipshape
- Integral centerboard fully retracts for skinny-water exploration
- Kick-up rudder simplifies launchings and beachings
- Two-part fiberglass paddle delivers upper-body workouts
- Plush Vantage CT seating is ready-made for extended adventures
- Stern cargo area, large covered bow hatch, and dual 8" "Twist and Seal" hatches accommodate multi-day stowage
- Lowrance® Ready System allows you to easily add Lowrance fishfinders and/or chartplotters

### OPTIONS:

Livewell, aka trampoline kit, Hobie eVolve™ powered by Torqeedo electric motor kit, trailer, beach wheels/dolly

### SPECS:

Crew: 1  
Length: 16' 7" / 5.05 m  
Beam w/ Amas Out: 9' 6" / 2.90 m  
Beam w/ Amas Folded In: 44" / 1.12 m  
Capacity\*: 400 lbs / 181.44 kg  
Fitted Hull Weight\*: 102 lbs / 46 kg  
Fully Rigged Weight\*: 185 lbs / 84 kg  
Mast Length: 16' 6" / 5.03 m  
Sail Area: 65 ft² / 6.04 m²  
Hull Construction: Rotomolded Polyethylene  
\*Refer to website for complete details

# MIRAGE TANDEM ISLAND

## AMPLIFY YOUR ON-THE-WATER FUN WITH THE ONE-OR-TWO PERSON TANDEM ISLAND

When it comes to doubling down on the fun factor, it's almost impossible to beat the Tandem Island, an expedition-worthy kayak that quickly shape shifts into a nimble, two-person trimaran. The "TI" features three durable, rotomolded polyethylene hulls that encourage shallow-water exploration and enough watertight hatches and on-deck storage for a proper saline sabbatical. High-octane features include a two-part carbonfiber mast, a roller-reefing mainsail, a fully retractable centerboard, Harken blocks, dual MirageDrive 180's, and kick-up rudders. All running rigging is routed to both cockpits, and driving is a fingertip affair thanks to the boat's intuitive steerage controls.

### STANDARD FEATURES:

- Two pedal-powered reversing MirageDrive 180 and two two-part fiberglass paddles provide efficient locomotion on light-air days
- Ama floats and deck-mounted aka crossbars are lightweight and color-coordinated and easily retracted/removed
- Fully-battened, boomless mainsail features an easy-to-use roller-reefing system
- Carbon-composite spar reduces weight aloft
- Integral centerboard fully retracts for skinny-water exploration
- Kick-up rudder simplifies launchings and beachings
- Plush Vantage CT Seating is ready-made for extended adventures
- Stern cargo area, large covered bow hatch and three 8" "Twist and Seal" hatches accomodates multi-day stowage
- Fingertip steerage and sail controls in both cockpits streamline sailhandling and driving
- Molded-in rod (2) and cup/bottle (4) holders encourage long days afloat

### OPTIONS:

Livewell, aka trampoline kit, Hobie eVolve™ powered by Torqeedo electric motor kit, trailer, beach wheels/dolly

### SPECS:

Crew: 1-2  
Length: 18' 6" / 5.64 m  
Beam w/ Amas Out: 10' / 3.05 m  
Beam w/ Amas Folded In: 4' / 1.22 m  
Capacity\*: 600 lbs / 272 kg  
Fitted Hull Weight\*: 130 lbs / 59 kg  
Fully Rigged Weight\*: 240 lbs / 109 kg  
Mast Length: 18' / 5.49 m  
Sail Area: 90 ft<sup>2</sup> / 8.4 m<sup>2</sup>  
Hull Construction: Rotomolded Polyethylene  
Lowrance ready system included\*  
\*Refer to website for complete details

# ROTOMOLDED BRAVO

## FROM BEGINNERS TO EXPERTS, THE BRAVO DELIVERS GOOD TIMES

The Hobie Bravo is ideal for beginners on moderate days while still offering an entertaining ride for skilled hands on breezy days. Its unique hard deck attaches directly to the hulls. Sturdy rotomolded polyethylene construction makes the Bravo an ideal candidate for beach launchings and wind-day docking lessons, and its user-friendly, boomless mainsail twists off in puffs while remaining stiff enough to capture gentle breezes. Should the wind machine really start piping, the Bravo's sail, which flies off of an easy-to-step A-frame mast, is easily reefed.

### STANDARD FEATURES:

- Impact-resistant rotomolded polyethylene hulls offer year of service
- Boomless square-top Dacron mainsail twists off in gusts for power control; angled full battens allow for easy reefing and furling
- A-frame mast is quick to rig
- EZ Loc Rudder System makes lowering or raising the rudder a quick task
- Four corner-mounted carrying handles and dual under-deck handles offer solid grips
- Single 8" "Twist and Seal" hatch keeps small items dry
- Six-scuppers cockpit drains quickly
- Padded hiking straps provide windy-day relief
- Non-conductive Comptip mast helps ensure safety
- "Hobie Bob" mast float and a dedicated righting line ease capsizing recovery

### OPTIONS:

Aluminum trailer, Boom, beach wheels/dolly

### SPECS:

Crew: 1-2  
Length: 12' / 3.65 m  
Beam: 4' 5" / 1.35 m  
Capacity: 400 lbs. / 160 kg  
Weight: 195 lbs. / 88.45 kg  
Draft w/ Rudder Up: 9" / 0.23 m  
Mast Length: 19' / 5.79 m  
Sail Area: 87 ft<sup>2</sup> / 7.99 m<sup>2</sup>  
Hull Construction: Rotomolded Polyethylene

# ROTMOLDED WAVE

## SPORTY, STABLE AND SPEEDY, THE WAVE OFFERS IMPRESSIVE MISSION FLEXIBILITY

The minimal-maintenance Wave has earned its reputation as a fun and versatile beach cat thanks to its impressive buoyancy. While the Wave makes for a great social platform, it's also a sporty, performance-minded catamaran that boasts symmetrically shaped keels that create lift, without the need for daggerboards. The boat's rotomolded polyethylene hulls are safe, sturdy and encourage island exploration, while its sailplan can tackle everything from light airs to days when the wind is blowing dogs off chains. Additionally, the Wave stands ready to serve schools, resorts or charter fleets.

### STANDARD FEATURES:

- Impact-resistant, rotomolded polyethylene hulls are positively buoyant and beaching-friendly
- Molded-in centerline keels replace daggerboards
- EZ Loc Rudder System simplifies raising and lowering rudder
- Fully-battened, multi-colored square top Dacron mainsail is boomless and features a safety view window (available in Martinique color)
- 3-piece mesh trampoline that's fitted using a system of laces and grommets
- Non-conductive Comptip mast bolsters safety around wires
- Comfortable padded seat cushions provide all-day comfort
- "Hobie Bob" mast float and a dedicated righting line ease capsize recovery

### OPTIONS:

Aluminum trailer, jib kit, spinnaker kit, padded backrests, beach wheels/dolly

### SPECS:

Crew: 1-4  
Length: 13' / 3.96 m  
Beam: 7' / 2.13 m  
Draft w/ Rudder Up: 11" / 0.28 m  
Mast Length: 20' / 6.09 m  
Sail Area: 95 ft<sup>2</sup> / 9 m<sup>2</sup>  
Weight: 245 lbs / 111 kg  
Capacity: 800 lbs / 362 kg  
Hull Construction: Rotomolded Polyethylene

**SPECS:**

Crew: 1-6  
 Length: 17' / 5.18 m  
 Beam: 7' 8" / 2.34 m  
 Draft w/ Rudder Up: 10" / 0.25 m  
 Mast Length: 25' / 7.62 m  
 Sail Area: 180 ft<sup>2</sup> / 17 m<sup>2</sup>  
 Weight: 390 lbs / 176 kg  
 Capacity: 1000 lbs / 453 kg  
 Hull Construction: Rotomolded Polyethylene

# ROTMOLDED GETAWAY

## FUN WITH A FRIEND - THE GETAWAY IS EVEN BETTER WITH THE WHOLE GANG

One of sailing's greatest pleasures is sharing it with your loved ones, and the Getaway stands ready to help you mint indelible memories. While a shorthanded crew can handle the Getaway in modest breezes, this capable catamaran can carry up to six sailors, making it a versatile family pleaser. The boat's newly redesigned rotomolded polyethylene hulls feature reverse bows and an additional six inches of length (15 cm), improving the Getaway's playful performance. Enjoy impromptu picnic lunches, multi-boat raft-ups, and learn-to sail sessions. The Getaway's spacious nets provide ample seating, and optional wing seats bolster comfort and righting moment.

### STANDARD FEATURES:

- Rotomolded-polyethylene hulls are positively buoyant and impact-resistant
- Integrated keels make beaching a breeze and eliminate the need for daggerboards
- EZ Loc Rudder System simplifies rudder operations
- Brightly colored, fully battened, boomless mainsail features a high-cut foot for easy tacks/gybes and ample visibility
- Forward and main mesh trampolines provide seating options
- Roller-furling jib streamlines headsail setup
- Integrated cooler/dry-storage chamber on both hulls provides storage options
- Comptip mast increases safety around power lines
- "Hobie Bob" mast float and righting line simplify capsizing recovery

### OPTIONS:

Wing seats, single trapeze system, beach wheels/dolly

**SPECS:**

Crew: 1-4  
 Length: 16' 7" / 5.04 m  
 Beam: 7' 11" / 2.41 m  
 Mast Length: 26' 6" / 8.07 m  
 Total Sail Area: 218 ft<sup>2</sup> / 20 m<sup>2</sup>  
 Weight: 320 lbs / 145 kg  
 Capacity: 800 lbs/362 kg  
 Hull Construction: Fiberglass/Foam Sandwich

# FIBERGLASS HOBIE 16

## SETTING INTERNATIONAL STANDARDS FOR MULTIHULL FUN SINCE 1970

Forget stuffy yacht clubs and overcooked nautical pageantry: The beach-launched Hobie 16 redefines international paradigms by offering high-performance sailing without the straw hats and stuffed shirts. The Hobie 16 uses a double-trapeze rig to tame its powerful sailplan, and its lift-generating asymmetrical fiberglass hulls eliminate the need for crew-work intensive daggerboards. The result is a sporty thrill machine that has introduced a myriad of sailors to evolving apparent-wind angles and multi-hull fun. More than a hundred thousand boats later, the Hobie 16 commands respect thanks to its ability to fly hulls and generate grins.

### STANDARD FEATURES:

- Asymmetrically shaped fiberglass hulls eliminate daggerboards and facilitate easy beach launchings and landings
- Kick-up rudder system makes for easy landings on beaches and boat ramps
- Powerful, brightly colored Dacron mainsail and jib are race-ready and internationally iconic
- Double-trapeze rig allows you to control the boat's powerful sailplan
- Ball-bearing Harken blocks dramatically reduce line-handling friction
- Black anodized-aluminum spar is stiff and lightweight and features a Comptip mast for increased safety margin when sailing near power lines
- Elevated trampoline helps ensure a dry ride and great footing while weighting the trapeze wires
- Carbon-fiber rudder foils are strong and lightweight

### OPTIONS:

2 piece mast, reef points in the main sail, trumpet spinnaker kit, gennaker kit on furler, cover kit (trampoline / rudders / spinnaker trumpet), righting kit, mast float, aluminium beach dolly

# ACCESSORIES

**HOBIE EDGE** by Stohlquist  
An innovative, high mobility, low profile boating vest for kayaking, SUP, and wetsailing. Styles and colors vary.

S6120xxx (xxx = size)

**TRAPEZE HARNESS**  
Enhance your on-the-wire experience with this comfortable harness. Available in several styles to match your taste.

**DELUXE SAIL BAG**  
Keep your parts and sails safe, clean and well-protected in this compartmented, expandable sail bag. Fits any size Hobie sail.

3121 Deluxe Hobie Sail Bag

**TRAILERS**  
Full line of trailers, from the stripped-down to the tricked-out, to solve your transportation needs.

## HOBIE POLARIZED SUNGLASSES

True to the values set forth by Hobie Alter many years ago: build high quality, high functioning polarized sunglasses that will make getting on the water more fun. Check Parts and Accessories catalog for various models.

## BEACH WHEELS/DOLLY

Easily roll to any beach, braving mud, sand or rocks. Makes launching easier and more fun. Check Parts and Accessories catalog for various models.

## HOBIE SMALL ROLL TOP DRY BAG

8" Diameter x 14". This dry bag is built of tough materials. Seals tight to keep your stuff dry.

71703001 8" Hobie Dry Bag
