\*\*Must be ordered and installed with control knobs and Gaggenau BLDC remote fan unit **Total price\*** \$4,398

Downdraft ventilation 200 series

**VL 200 120** \$3,299

Vario downdraft ventilation 200 series, 15cm wide, 3 power levels plus 1 intensive mode, sensor controlled power adjustment and run out function, grease filter saturation indicator, dishwasher-safe filters with grease drip tray, illuminated control knobs, black anodised aluminium body and control panel, motorless\*\*

\*\*Must be installed and ordered with Gaggenau BLDC remote fan unit

Remote fan units 400 series and 200 series

**AR 401 142** \$2,699

Remote fan unit 400 and 200 series, air extraction (outside wall installation), up to 910m<sup>3</sup>/h, BLDC motor technology, 1 x DN 200 air intake, suits AL 400, VL 414 and VL 200

**AR 403 122** \$2,299

Remote fan unit 400 and 200 series, air extraction (inside), up to 890m<sup>3</sup>/h, BLDC motor technology, 1 x DN 150 air intake, plinth installation (10cm high), suits AL 400, VL 414 and VL 200

**AR 413 122** \$2,299

Remote fan unit 400 and 200 series, air recirculation (inside), up to 760m<sup>3</sup>/h, BLDC motor technology, 1 x DN 150 air intake, plinth installation (10cm high), suits AL 400, VL 414 and VL 200

**AR 410 110** \$2,299

Remote fan unit 400 and 200 series for air recirculation (inside), up to 665m<sup>3</sup>/h, BLDC motor technology, 1 x DN 150 flat duct air intake, for installation option behind drawers, suits VL 414 and VL 200

(Refer to page 12 for accessories)

Q Home Connect. ■ New model. Please check availability.

\*Special order only. Delivery time is approx. 5-6 months from order date.

\*Total price includes one cooktop and one set of control knobs.

## Wall mounted rangehood 200 series

**AW 240 191** **\$3,999**

Wall mounted hood 200 series, 90cm, 3 power levels plus 1 intensive mode, touch control operation, air extraction up to 970m<sup>3</sup>/h, BLDC motor operating at 44dB/64dB (min/max. normal mode), automatic sensor controlled power adjustment, grease filter saturation indicator, dishwasher-safe filter, 3 dimmable LED lights, stainless steel with glass control panel in Gaggenau anthracite, Home Connect

## Slide out rangehoods 200 series

**AF 210 192****\$2,699**

Slide out rangehood 200 series, 90cm, 3 power levels plus 1 intensive mode, air extraction up to 965m<sup>3</sup>/h, BLDC motor operating at 42dB/57dB (min/max. normal mode), automatic sensor controlled power adjustment, grease filter saturation indicator, dishwasher-safe filters, 3 dimmable LED lights, patented lowering frame\*, stainless steel

**AF 210 162****\$2,299**

Slide out rangehood 200 series, 60cm, 3 power levels plus 1 intensive mode, air extraction up to 953m<sup>3</sup>/h, BLDC motor operating at 41dB/57dB (min/max. normal mode), automatic sensor controlled power adjustment, grease filter saturation indicator, dishwasher-safe filters, 2 dimmable LED lights, patented lowering frame\*, stainless steel

\*Patented lowering frame available as an accessory

## Integrated rangehoods 200 series

**AC 200 191****\$2,399**

Integrated rangehood 200 series, 86cm wide, 3 power levels plus 1 intensive mode, air extraction up to 800m<sup>3</sup>/h, BLDC motor operating at 41dB/64dB (min/max. normal mode), grease filter saturation indicator, dishwasher-safe filters, 2 dimmable LED lights, stainless steel and glass

**AC 200 161****\$1,999**

Integrated rangehood 200 series, 52cm wide, 3 power levels plus 1 intensive mode, air extraction up to 730m<sup>3</sup>/h, BLDC motor operating at 44dB/64dB (min/max. normal mode), grease filter saturation indicator, dishwasher-safe filters, 2 dimmable LED lights, stainless steel and glass
