OUR STORY

Miamiville is a charming community nestled between the
Little Miami Bike Trail and Little Miami Scenic River.
This wonderful area has been a hidden gem for bicyclers,
canoers, nature enthusiasts, history buffs and families,
young and old, for decades. It was no surprise that a local
family had the vision of a unique indoor-outdoor restaurant,
right ON the trail. Joining with a West-side family and an
East-side family, all with many years of restaurant experience,
their vision began to become reality.

As the East and West shared a dream, the planets
started to align! Miamiville Trailyard was born.
As a great destination, the Trailyard has a welcoming
atmosphere for everyone of all ages, including your
favorite four-legged friend, in the relaxing outdoor
"Yard on the Trail".
