

## 2019 Remodeling Catalog

**Transform Your Ordinary Door Into A Grand Entrance With A Retrofit Double Door!**

### *The Peachtree Series*

#### **FIRST IMPRESSIONS ARE EVERYTHING!**

*First impressions start at the front door. A new front door ranks #1 in bringing the best return based on its cost and value added to your home.*

*Specifically crafted for the remodeling market to replace commonly found sidelight and double door systems, **The Peachtree Series retrofit double doors will instantly transform your outdated sidelight or double door unit into a grand entrance without the high cost of altering the existing door opening!***

# Replacing Your Front Door with one of the Finest Entry Doors in the World!

## MaxGreen™ Wood-Fiberglass Hybrid

Featuring mahogany veneer permanently bonded to the interior of a fiberglass door, our **patented** MaxGreen mahogany-fiberglass hybrid doors offer the **BEST OF BOTH WORLDS** by providing the beauty of natural mahogany and the performance of fiberglass. **These extraordinary HYBRID doors won't warp, bow or rot.**

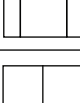

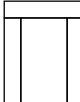

## American-Classic™ Fiberglass

Our flush-glazed American-Classic fiberglass doors are designed to stand up to harsh climate and extreme exposures with minimum maintenance. Available in Mahogany and Douglas Fir grains.

## IronMax-Classic™ Fiberglass

Our black smooth fiberglass IronMax-Classic doors with operable non rusting external grilles offer you a superb entry door that provides the luxury of wrought iron doors with the high performance of fiberglass doors.

### Quick Ship Doors

NOMINAL DOOR HEIGHT	BEFORE Your Existing Door Configuration	ACTUAL UNIT SIZE Before and After	AFTER Your New Double Door
6/8	 3/0 x 6/8 door with 2 x 10" sidelights	60 1/2" x 81 1/2"	 Existing sidelight system is replaced by a 6/8 retrofit double door
	 3/0 x 6/8 door with 2 x 12" sidelights	64 1/2" x 81 1/2"	
	 5/0 x 6/8 double door	62" x 81 1/2"	 Existing old 6/8 double door is replaced by a new 6/8 double door
