Dear Ray:

On a recent visit to St. Michaels, our transportation people, White and Simpkins, surveyed the vehicles operated by St. Michaels Utilities. At that time you stated that several of the vehicles would be retained by the city of St. Michaels. Since the total number and description of vehicles to be retained was not clear, we have included all vehicles surveyed in our proposal to purchase.

Mr. Franklin R. Kilmon, Manager
St. Michaels Utilities Commission
St. Michaels, Maryland 21663

Dear Mr. Kilmon:

This is to confirm our arrangement by which I will purchase the 1965 3/4 Ton Ford ladder truck belonging to St. Michaels Utilities. I will be giving you a check for \$600.00, as the price of the truck, plus the inspection fee of \$20.00. I will also be responsible for any expenses needed to enable the truck to pass inspection.

You will arrange to send the Certificate of Inspection to me at Pickbourn, Route 1, Easton. When the transfer of ownership to Delmarva becomes effective, you will see that the truck is driven over to our farm, and will call Mr. Steve Moaney, 822-5545, so that he can take possession and tell the driver of the truck where to leave it. You will turn the keys and the title for the truck, made out to Lewis M. Dabney, over to Mr. Moaney.

My family and I are grateful to you and to St. Michaels Utilities for your help. If you need to, you can reach me at any time at (307) 745-9051, which is two hours behind your time.

Sincerely,

Lewis M. Dabney
