BRANDS HATCH

Your guide to the viewing options available. See map for locations.

PH PADDOCK HILL

Paddock Hill grandstand provides an ideal location to watch the start line action, as the field jostle for position heading into the first corner. The sweeping curves of Paddock Hill and Druids Hairpin are key places for breath-taking manoeuvres and dramatic incidents!

HW HAILWOODS

This grandstand provides superb views of Paddock Hill Bend, and the run up Hailwoods Hill to Druids - a key overtaking point. You'll also see the pack filter down into Graham Hill Bend. This stand benefits from having a big TV screen directly opposite.

PS PIT STRAIGHT

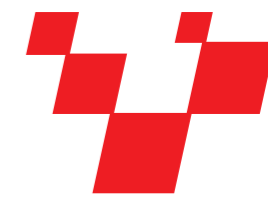

This grandstand offers a prime position to soak up the pre-race atmosphere and podium ceremonies as well as the racing action itself. You will also have a bird's eye view of any pit lane drama during the weekend.

DW DESIRE WILSON

Desire Wilson grandstand brings you tantalisingly close to the start line drama, as it offers fantastic views down the start/finish straight and into Paddock Hill Bend.
