

Checklist of Montana Vascular Plants

June 1, 2011

By
Scott Mincemoyer
Montana Natural Heritage Program
Helena, MT

This checklist of Montana vascular plants is organized by Division, Class and Family. Species are listed alphabetically within this hierarchy. Synonyms, if any, are listed below each species and are slightly indented from the main species list. The list is generally composed of species which have been documented in the state and are vouchered by a specimen collection deposited at a recognized herbaria. Additionally, some species are included on the list based on their presence in the state being reported in published and unpublished botanical literature or through data submitted to MTNHP. The checklist is made possible by the contributions of numerous botanists, natural resource professionals and plant enthusiasts throughout Montana's history. Recent work by Peter Lesica on a revised Flora of Montana (Lesica 2011) has been invaluable for compiling this checklist as has Lavin and Seibert's "Grasses of Montana" (2011). Additionally, published volumes of the Flora of North America (FNA 1993+) have also proved very beneficial during this process. The taxonomy and nomenclature used in this checklist relies heavily on these previously mentioned resources, but does not strictly follow anyone of them.

The Checklist of Montana Vascular Plants can be viewed or downloaded from the Montana Natural Heritage Program's website at: <http://mtnhp.org/plants/default.asp>

This publication will be updated periodically with more frequent revisions anticipated initially due to the need for further review of the taxonomy and nomenclature of particular taxonomic groups (e.g. *Arabis s.l.*, *Crataegus*, *Physaria*) and the need to clarify the presence or absence in the state of some species. Please send comments and suggested revisions to the author.

Number of Taxa Recognized

Families: 133
Genera: 724
Species: 2557
Infraspecific Taxa: 264
Hybrid Taxa: 14
Unique Taxa: 2720
Native: 2275
Exotic: 437

10 Largest Families in Flora

Asteraceae: 377 species
Poaceae: 247
Cyperaceae: 173
Brassicaceae: 140
Fabaceae: 132
Rosaceae: 102
Caryophyllaceae: 70
Plantaginaceae: 70
Ranunculaceae: 68
Amaranthaceae: 58

10 Largest Genera in Flora

Carex: 129 species
Astragalus: 49
Erigeron: 37
Salix: 35
Penstemon: 32
Juncus: 31
Senecio: 29
Potentilla: 28
Ranunculus: 27
Polygonum: 24

*The number of Native and Exotic Taxa may not equal the number of Unique Taxa due to the uncertain origin of some taxa and due to some taxa, which are only reported for Montana, being categorized as undetermined.

Additional Data Columns

Global and State Status Ranks as assigned by NatureServe and the Montana Natural Heritage Program are included for each species.

Origin refers to the status of the species in Montana. For species in which there is uncertainty as to its origin in the state, a value of Unknown/Undetermined is given.

State Status: This column shows the status of each species in the state, if any. Status designations include Species of Concern, Potential Species of Concern, Status Under Review and Reported taxa. Status Under Review is a designation that highlights those species which are in need of additional information to reliably assign a State Rank or Status or that may be of questionable taxonomic status.

Wetland Indicator Status will be added for each species pending completion of the national and regional revisions of wetland Indicator Status values, which are expected to be finalized late in 2011.

Coefficients of Conservatism values are from Jones (2005). These values are used in Floristic Quality Assessments and are a ranking of a species' ability to tolerate disturbance or conversely, a species fidelity to high-quality natural areas.

<i>Trisetum cernuum</i>	Tall Trisetum	GNR	S4	Native			
<i>Trisetum spicatum</i>	Narrow False Oats	G5	S4	Native			
<i>Trisetum wolfii</i>	Beardless Oats	G4	S4	Native			
<i>Trisetum x orthochaetum</i>	Missoula County Oats	GNA	SNA	Native	Review		
<i>Triticum aestivum</i>	Cultivated Wheat	GNR	SNA	Exotic			0
<i>Ventenata dubia</i>	Ventenata	GNR	SNA	Exotic			0
<i>Vulpia bromoides</i>	Brome Fescue	GNR	SNA	Exotic			0
<i>Festuca bromoides</i>							
<i>Vulpia microstachys</i>	Small Six-weeks Fescue	G5	SU	Unkn/Undt	Review		
<i>Festuca microstachys</i>							
<i>Vulpia myuros</i>	Foxtail Fescue	G5	SNA	Exotic			0
<i>Festuca megalura</i>							
<i>Vulpia megalura</i>							
<i>Vulpia octoflora</i>	Six-weeks Fescue	G5	S4?	Native			
<i>Festuca octoflora</i>							
<i>Zizania aquatica</i>	Eastern Wild Rice	G5	SNA	Exotic			0
<i>Zizania palustris</i>							
Pontederiaceae							
<i>Heteranthera dubia</i>	Water Star-grass	G5	S1S2	Native	SOC		
Potamogetonaceae							
<i>Potamogeton alpinus</i>	Northern Pondweed	G5	SNR	Native			7
<i>Potamogeton amplifolius</i>	Largeleaf Pondweed	G5	SNR	Native			10
<i>Potamogeton crispus</i>	Curly Pondweed	G5	SNA	Exotic			0
<i>Potamogeton diversifolius</i>	Water-thread Pondweed	G5	SNR	Native			
<i>Potamogeton epihydrus</i>	Nuttall's Pondweed	G5	SNR	Native			
<i>Potamogeton filiformis</i>	Slender Pondweed	G5	SU	Native			
<i>Stuckenia filiformis</i>							
<i>Potamogeton foliosus</i>	Leafy Pondweed	G5	SNR	Native			
<i>Potamogeton friesii</i>	Fries' Pondweed	G4	SNR	Native			7
<i>Potamogeton gramineus</i>	Grassy Pondweed	G5	SNR	Native			6
<i>Potamogeton illinoensis</i>	Illinois Pondweed	G5	SNR	Native			
<i>Potamogeton natans</i>	Floating Pondweed	G5	SNR	Native			
<i>Potamogeton nodosus</i>	Longleaf Pondweed	G5	SNR	Native			
<i>Potamogeton obtusifolius</i>	Blunt-leaved Pondweed	G5	S3	Native	SOC		8
<i>Potamogeton pectinatus</i>	Sago Pondweed	G5	SNR	Native			5
<i>Stuckenia pectinata</i>							
<i>Potamogeton praelongus</i>	White-stem Pondweed	G5	SNR	Native			
<i>Potamogeton pusillus</i>	Slender Pondweed	G5	SNR	Native			7
<i>Potamogeton berchtoldii</i>							
<i>Potamogeton richardsonii</i>	Richardson's pondweed	G5	SNR	Native			6
<i>Potamogeton robbinsii</i>	Flatleaf Pondweed	G5	SNR	Native			
<i>Potamogeton strictifolius</i>	Straightleaf Pondweed	G5	SU	Native	Review		
<i>Potamogeton vaginatus</i>	Sheathed Pondweed	G5	SNR	Native			
<i>Stuckenia vaginata</i>							
<i>Potamogeton zosteriformis</i>	Flatstem Pondweed	G5	SNR	Native			9
Ruppiaceae							
<i>Ruppia maritima</i>	Ditch-grass	G5	SNR	Native			8

Scientific Name	Common Name	Global Rank	State Rank	Origin	State Status	Wetland Ind. Status	C Of C Value
<i>Ruppia cirrhosa</i>							
<i>Ruppia spiralis</i>							
Scheuchzeriaceae							
<i>Scheuchzeria palustris</i>	Pod Grass	G5	S3	Native	SOC		10
Smilacaceae							
<i>Smilax lasioneura</i>	Herbaceous Greenbrier	G5	SNR	Native	Review		8
<i>Smilax herbacea</i>							
Sparganiaceae							
<i>Sparganium angustifolium</i>	Narrowleaf Bur-reed	G5	S4	Native			7
<i>Sparganium emersum</i>							
<i>Sparganium eurycarpum</i>	Large Bur-reed	G5	SNR	Native			7
<i>Sparganium natans</i>	Small Bur-reed	G5	S4	Native			6
<i>Sparganium minimum</i>							
Typhaceae							
<i>Typha angustifolia</i>	Narrow-leaved Cattail	G5	SU	Native			7
<i>Typha latifolia</i>	Broadleaf Cattail	G5	S5	Native			3
Zannichelliaceae							
<i>Zannichellia palustris</i>	Horned Pondweed	G5	S4	Native			8
