PCSD RESOLUTION NO. 15-521

“APPROVING THE 2014 UPDATED LIST OF TERRESTRIAL AND MARINE WILDLIFE IN PALAWAN AND THEIR CATEGORIES PURSUANT TO REPUBLIC ACT 9147, OTHERWISE KNOWN AS THE WILDLIFE RESOURCES CONSERVATION AND PROTECTION ACT OF 2001”

WHEREAS, on July 30, 2001, Republic Act No. 9147, otherwise known as the “Wildlife Resources Conservation and Protection Act of 2001” was enacted to conserve the country’s wildlife resources and their habitats for sustainability;

WHEREAS, Section 4 thereof defined the respective jurisdiction of the Department of Agriculture (DA) and the Department of Environment and Natural Resources (DENR) as implementing agencies over the terrestrial and aquatic species of wildlife in the country and expressly provides that in the Province of Palawan jurisdiction conferred to DENR and DA is vested with the Palawan Council for Sustainable Development (PCSD) pursuant to Republic Act No. 7611;

WHEREAS, Section 22 of RA 9147 provides for the implementing agencies to determine whether any wildlife species or subspecies is threatened, and classify them as critically endangered, endangered, vulnerable or other accepted categories based on the best scientific data and with due regard to internationally accepted criteria;

WHEREAS, Section 22 further provides that the categorized threatened wildlife reviewed and published shall be updated regularly or as the need arises. Provided, that a species listed as threatened shall not be removed therefrom within 3 years following its initial listing;

WHEREAS, in the special meeting on 12 September 2003 the PCSD passed Resolution No. 03-216, approving the joint DENR-DA-PCSD Administrative Order No. 1 entitled “Joint Implementing Rules and Regulations (IRR) pursuant to Republic 9147”, which is now as PCSD Administrative Order No. 9;

WHEREAS, Rule 4.2 of the aforementioned joint implementing rules and regulations provides that the “PCSD pursuant to RA 7611 and Section 4 of RA 9147 shall exercise jurisdiction over all wildlife species found in the Province of Palawan, in accordance with the paramount objectives stated in RA 7611 to conserve the species and protect their habitats, consistent with existing national policies on wildlife conservation, management and utilization such as, but not limited to Republic Act No. 8550 or the Fisheries Code of 1998, Republic Act No. 8485 or the Animal Welfare Act of 1998, and Republic Act No. 7586 or the NIPAS Act of 1992;

WHEREAS, on February 27, 2004, the PCSD passed Resolution No. 04-226, entitled “Adopting the List of Threatened Terrestrial and Marine Wildlife Species in Palawan and the List of Other Wildlife Species Pursuant to Section 4 and 22 of Republic Act 9147, which list had two (2) consecutive amendments as embodied in PCSD Resolution No. 06-309-A and PCSD Resolution No. 10-413;

WHEREAS, there is a need to update the present list approved under PCSD Resolution No. 10-413 because of the new published version of the Listings of species by the International Union for the Conservation of Nature and Natural Resources (IUCN), Convention on International Trade of Endangered Species of flora and fauna (CITES) and other authorities, both have de-listed or upgraded certain species from their respective listings, as well as added new species assessed to be threatened with extinction at different levels;

WHEREAS, upon research and study of the species in the province of Palawan by several experts and in accordance with the IUCN's new listings of species, an updated list for Palawan was prepared, to wit:

“THE UPDATED LIST OF THREATENED TERRESTRIAL AND MARINE WILDLIFE IN PALAWAN AND THEIR CATEGORIES PURSUANT TO REPUBLIC ACT 9147

or the WILDLIFE ACT” PER PCSD RESOLUTION NO. 15-521 Series of 2015.

WHEREAS, the Updated List will serve as guide for concerned government agencies, scientific authorities and NGOs, among others, on what species to prioritize in the implementation of wildlife conservation and protection programs;

WHEREAS, the PCSD, being mandated under Republic Act 9147, otherwise known as the Wildlife Resources Conservation and Protection Act, as the CITES (Convention on International Trade in Endangered Species of Flora and Fauna) Management Authority for Palawan and duly recognized by the CITES Secretariat, shall initiate to undertake the requirements and procedures necessary for elevating and including the species under the “Updated List” to the applicable CITES Appendices to ensure the regulation of trade at the international level;

WHEREAS, the PCSD shall coordinate and work with the Biodiversity Management Bureau of the Department of Environment and Natural Resources (BMB-DENR) regarding the requirements and procedures for consideration of the species under the “Updated List” to the listing of International Union for the Conservation of Nature and Natural resources (IUCN) to ensure the conservation of said species;

WHEREFORE, in consideration of the foregoing premises and on motion duly seconded, the Council resolves to approve, as it is hereby APPROVED, the “Updated List of Terrestrial and Marine Wildlife in Palawan and Their Categories Pursuant to Republic Act 9147 , otherwise known as the Wildlife Resources Conservation and Protection Act of 2001”, hereto attached as integral part of this resolution;

RESOLVED FURTHER, that copies of this resolution be furnished the DENR, DA and other concerned agencies for their information and guidance;

RESOLVED FINALLY, that copy of this resolution be filed with the Office of the National Administrative Registrar at the UP Law Center for publication in accordance with existing rules.

ADOPTED AND APPROVED this 26th day of February 2015 at Puerto Princesa City.

I hereby certify that the above-quoted resolution has been duly adopted by the PCSD on the 26th day of February 2015.
