KX-UDT121 CORDLESS COMPACT PHONE KX-UDT131 CORDLESS RUGGED PHONE

The NEW KX-UDT121 and KX-UDT131 fully featured cordless phones are supported by the KX-TGP600 SIP cordless phone system. Both models feature a full duplex hands-free mode and headset support, giving the user plenty of options to continue working during a conversation. For demanding environments, the KX-UDT131 is a rugged phone that provides IP65-level dust and water resistance.

In addition to the KX-TPA60 phone already included with the KX-TGP600 system, a KX-UDT121/131 phone can work alongside any combination of up to seven additional Panasonic cordless or desktop DECT phones.*
