# DESCRIPTION OF THE ELECTRONIC DIRECTORY

<http://whoiswho.europa.eu>

Whoiswho enables you to consult the directory online in three ways:

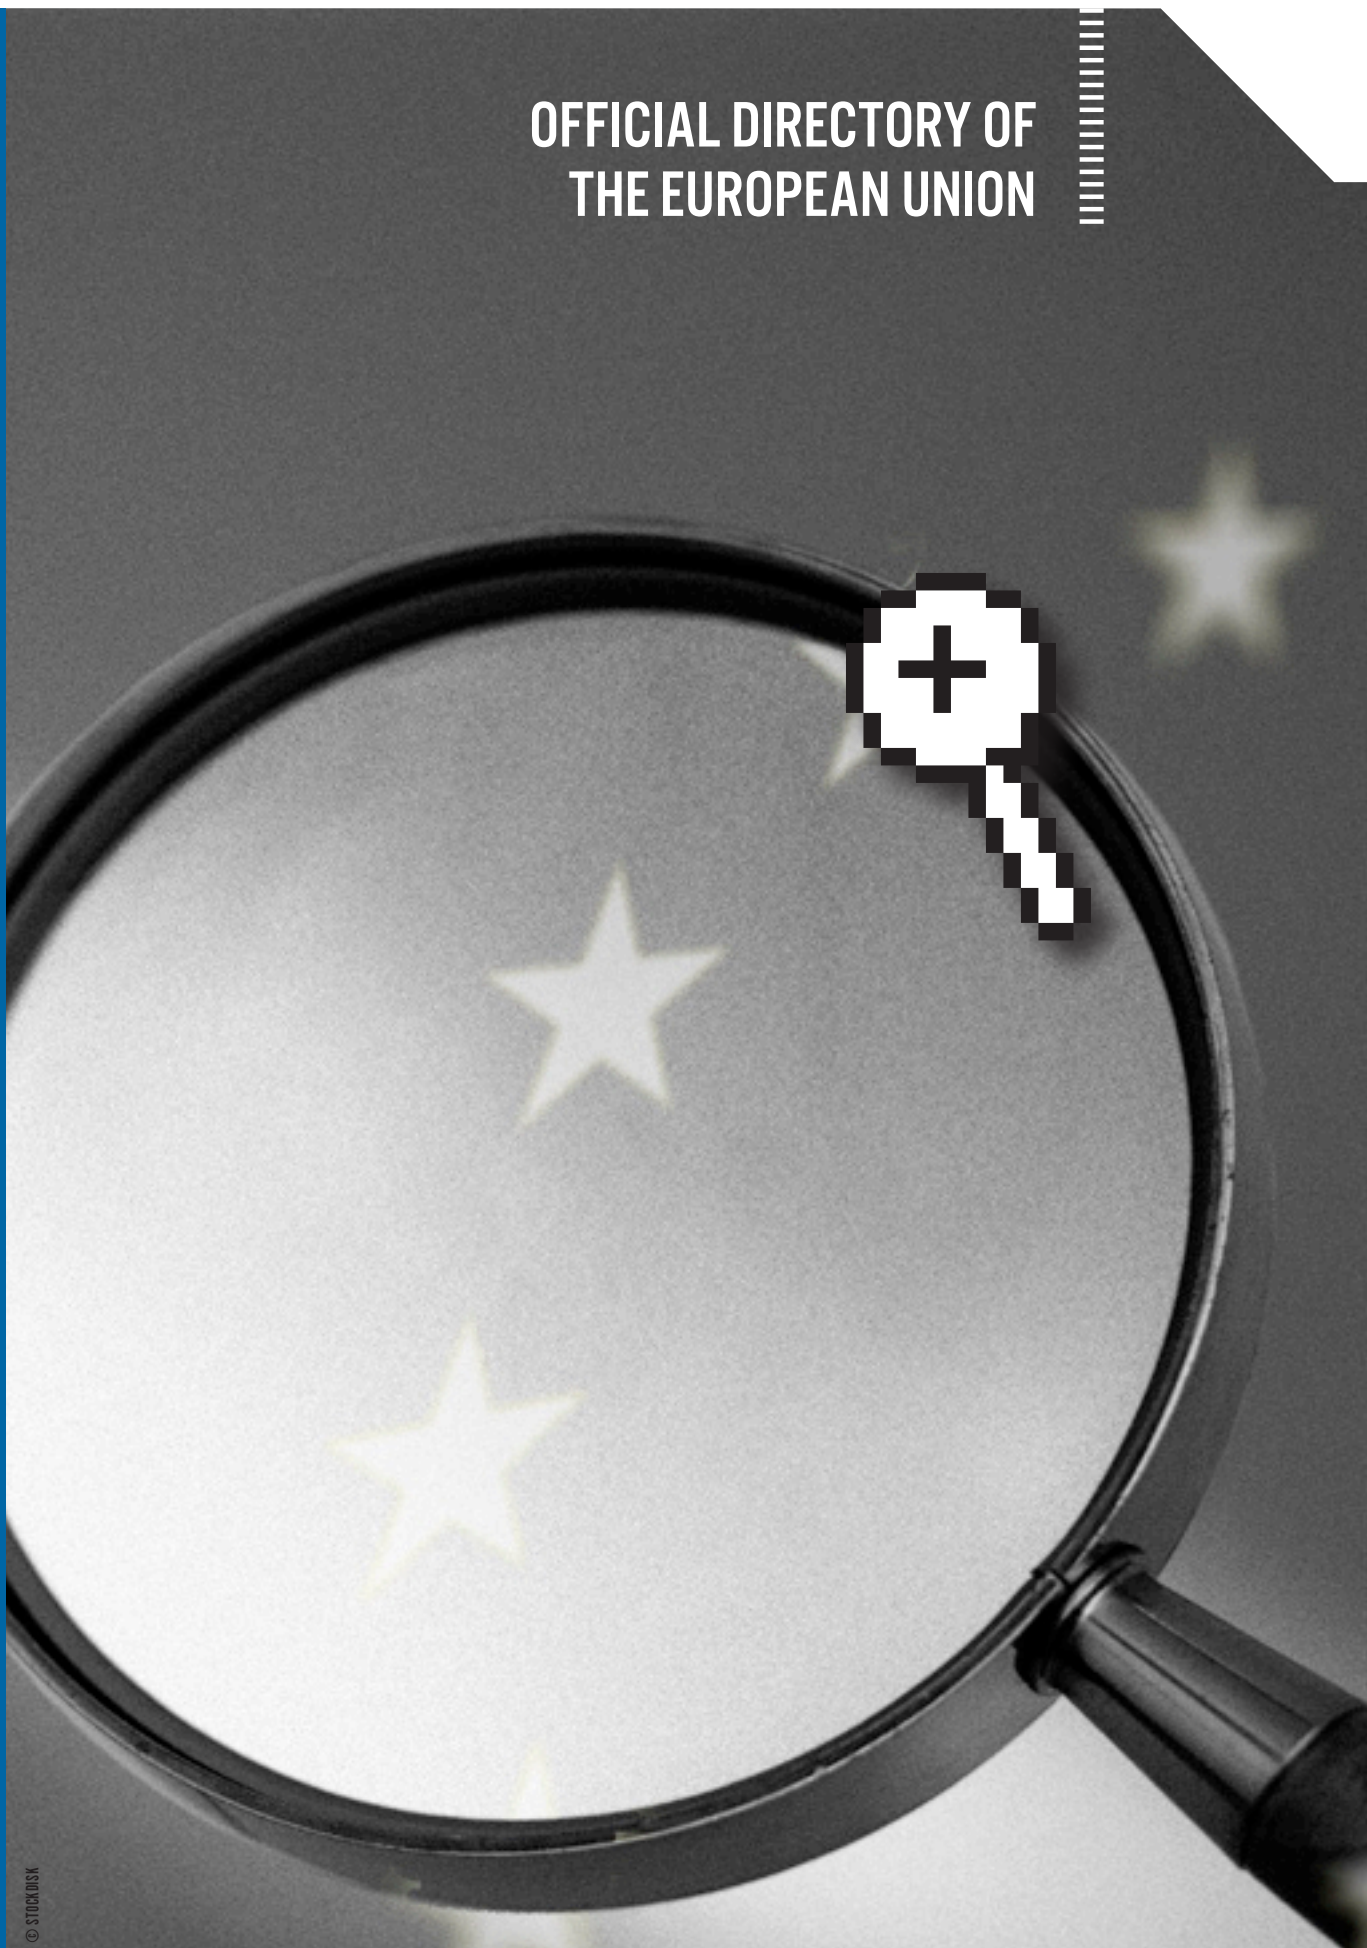

- search by organisational entities (directorate or department),
- search by persons,
- hierarchical search.

The Whoiswho website is updated every day. The site is available in 24 languages.

The screenshot displays the EU Whoiswho website interface. At the top, it identifies itself as a part of Europe and provides navigation links for Help, Contact, and Legal notice. The main header features the EU flag and the text 'EU Whoiswho - The official directory of the European Union', with a language dropdown set to English (en). Below the header, there is a search bar and a sidebar with search options: Search by person, Search by entity, and Search by hierarchy. The main content area shows an 'Individual profile' for Martin Schulz, including his title as President of the European Parliament, his role as President of the Conference of Presidents, and his position as a Member of the European Parliament. A portrait photo of Martin Schulz is shown, along with contact information: Tel: +32 22841503, Fax: +32 22849503, and Email: martin.schulz@europarl.europa.eu. The footer states that the website is managed by the Publications Office.
