

Wednesday Walk on Little Black Mountain from Frith Road – 5 September 2012

We started the walk from Frith Road and did a circuit of Little Black Mountain with a short detour to the saddle. We were very pleased to have Jean Egan and Tony Wood with us and they showed us some lovely orchids flowering - *Pterostylis nutans*, *Bunochilus umbrinus*, *Cyanicula caerulea*, *Cyrtostylis reniformis* and *Petalochilus fuscatus*. There were also some very good floral displays of other plants - masses of *Acacia genistifolia*, *A. buxifolia*, *A. gunnii*, *Pimelea linifolia*, *Pomaderris intermedia*, *Leucopogon attenuatus*, *L. fletcheri* ssp. *brevisepalus*, *L. virgatus*, *Hovea heterophylla*, *Hardenbergia violacea*, *Phyllanthus hirtellus*, a few *Dillwynia phyllicoides*, *Coronidium oxylepis* ssp. *lanatum*, *Xerochrysum viscosum*, *Stylidium graminifolium*, *Hibbertia obtusifolia*, *Clematis microphylla* and a few flowers on *Grevillea* sp. aka *G. alpina*.

Plant List for Black Mountain from Frith Road – 5 September 2012

? indicates that those present were unsure of the plant name

Acacia buxifolia	Hydrocotyle laxiflora
Acacia genistifolia	Indigofera australis
Acacia gunnii	Joycea pallida
Acacia implexa	Kunzea ericoides
Acacia mearnsii	Lepidosperma laterale
Acacia parramattensis	Leptospermum multicaule
Acacia penninervis	Leucopogon attenuatus
Astrotricha ledifolia	Leucopogon fletcheri ssp. brevisepalus
Austrostipa densiflora	Leucopogon virgatus
Billardiera scandens	Lomandra filiformis ssp. filiformis
Bossiaea buxifolia	Lomandra multiflora
Brachyloma daphnoides	Luzula sp.
Bunochilus umbrinus	Melichrus urceolatus
Bursaria spinosa	Microseris lanceolata
Cassinia longifolia	Mirbelia oxylobioides
Cassinia quinquefaria	Monotoca scoparia
Cassytha sp.	Olearia microphylla
Cheilanthes austrotenuifolia	Persoonia rigida
Choretrum pauciflorum	Petalochilus fuscatus
Chrysocephalum semipapposum	Phyllanthus hirtellus
Clematis microphylla var. leptophylla	Pimelea linifolia
Coronidium oxylepis ssp. lanatum	Poa meionectes
Cyanicula caerulea	Pomaderris intermedia
Cymbonotus lawsonianus	Pomax umbellata
Cyrtostylis reniformis	Poranthera microphylla
Daviesia mimosoides	Pterostylis nutans
Dianella revoluta	Pultenaea procumbens
Dichelachne sp.	Senecio hispidulus
Dillwynia phyllicoides	Senecio quadridentatus
Dillwynia sericea	Solanum sp.
Dipodium reflexum	Stackhousia monogyna
Diuris sp.	Stylidium graminifolium
Dodonaea viscosa ssp. spatulata	Stypandra glauca
Drosera auriculata	Thelymitra sp.
Einadia nutans	Themeda triandra
Eucalyptus macrorhyncha	Thysanotus patersonii
Eucalyptus mannifera	Veronica perfoliata
Eucalyptus polyanthemus	Viola betonicifolia
Eucalyptus rossii	Vittadinia muelleri
Exocarpos cupressiformis	Wahlenbergia stricta
Glossodia major	Xerochrysum viscosum
Glycine clandestina	
Gonocarpus tetragynus	
Goodenia hederacea	
Grevillea sp. (previously G. alpina)	
Hakea decurrens	
Hardenbergia violacea	
Hibbertia obtusifolia	
Hovea heterophylla
