

## Wednesday Walk – Tianjara Falls with roadside stops – 26 November 2014

We went via Tarago, Oallen Ford, Nerriga Road to Touga/Towlong Road for morning tea and found many things to look at. Some of the tea trees were flowering - *Leptospermum rotundifolium* was outstanding - all day. Huge flowers ranging from white to quite dark pink - some plants completely covered with flowers. We also saw *L. trinervium*, *L. polygalifolium* and *L. squarrosus* flowering. Also flowering were *Melaleuca capitata*, *Goodenia heterophylla*, *G. bellidifolia*, *Grevillea patulifolia*, *Phyllota phyllicoides*, *Laxmannia gracilis*, *Mitrasacme polymorpha*, *Thysanotus tuberosus*, *Dampiera stricta* and many other things. We then pushed on to Tianjara Falls. It took us forever to get out of the car park area! Flowering were *Melaleuca thymifolia*, *Isopogon anethifolius*, *Xyris ? juncea*, *Mirbelia rubiifolia*, *Tetratheca bauerifolia*, *Kunzea ambigua*, *Viminaria juncea*, *Dampiera stricta*, *Scaevola ramosissima* to name a few. Then we made it to the falls seeing some *Cryptostylis subulata*, *Daviesia alata*, *Thysanotus juncifolius*, *Anisopogon avanaceus* (a big grass that we've seen at the Big Hole) and then on to a rock platform for lunch. Walking further along the platform we found many flannel flowers - *Actinopus helianthi* - flowering beautifully, some duck orchids - *Caleana major* - and a number of interesting plants such as a *Zieria sp.*, *Platysace lanceolata*, *Boronia anemonifolia*, *Chloanthes parviflora*, *Olox stricta*, *Banksia serrata* and *Pomaderris andromedifolia*. We stopped twice on the way home - first at an area devoid of trees but with low shrubs which turned out to be because of a big rock formation underneath. Near here we found *Darwinia taxifolia* flowering. Our final stop was at the rock platform above Bulee Gap to see the view and a few things that we'd already seen.

For the images below: JG = Jean Geue, MB = Martin Butterfield, RF = Roger Farrow

*Leptospermum squarrosus* JG

*Leptospermum rotundifolium* MB

*Leptospermum polygalifolium* RF

*Bossiaea ensata* RF

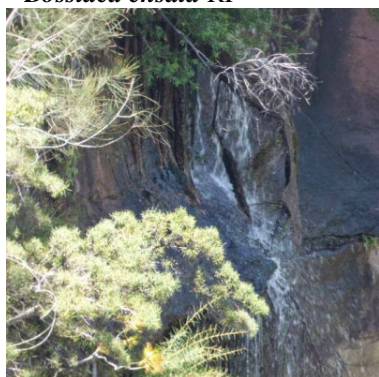

*Viminaria juncea* RF

*Drosera pygmaea* RF

*Melaleuca thymifolia* RF

Tianjara Falls MB

*Lambertia formosa* MB

*Isotoma axillaris* MB

*Scaevola ramosissima* JG

Lunch with a view JG

*Xyris* sp. RF

*Actinotus helianthi* RF

*Daviesia alata* RF

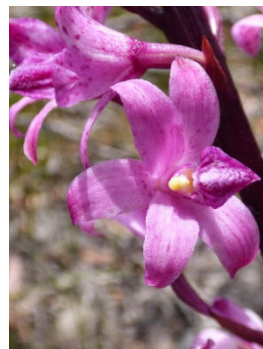

*Darwinia taxifolia* RF

*Kunzea ambigua* MB

*Caleana major* MB

*Dipodium roseum* MB

*Cryptostylis subulata* RF

## Plant List for Tianjara Falls Trip – 26 November 2014

? indicates that those present were unsure of the plant name

### Touga Rd – morning tea stop

Acacia brownii  
 Acacia elongata  
 Acacia rubida  
 Acacia terminalis  
 Allocasuarina distyla  
 Allocasuarina littoralis  
 Banksia ericifolia  
 Banksia paludosa  
 Billardiera scandens  
 Calytrix tetragona  
 Cassytha sp.  
 Caustis flexuosa  
 Dampiera stricta  
 Epacris microphylla  
 Eucalyptus sieberi  
 Eucalyptus stricta  
 Goodenia bellidifolia  
 Goodenia heterophylla ssp. heterophylla  
 Grevillea baueri ssp. asperula  
 Grevillea patulifolia  
 Hakea dactyloides

Isopogon anethifolius  
 Kunzea parvifolia  
 Laxmannia gracilis  
 Lepidosperma sp.  
 Leptospermum rotundifolium  
 Leptospermum squarrosus  
 Leptospermum trinervium  
 Lomandra longifolia  
 Lomandra obliqua  
 Melaleuca capitata  
 Microtis sp.  
 Mitrasacme polymorpha  
 Persoonia levis  
 Persoonia mollis  
 Phyllota phyllicoides  
 Pimelea linifolia  
 Styliidium lineare  
 Thelymitra sp.  
 Thysanotus tuberosus

### Tianjara Falls

Acacia brownii

Acacia elongata  
Acacia obtusifolia  
Acacia parramattensis  
Actinotus helianthi  
Actinotus minor  
Amperea xiphoclada  
Banksia paludosa  
Banksia serrata  
Banksia spinulosa  
Billardiera scandens  
Boronia anemonifolia  
Bossiaea ensata  
Caesia parviflora  
Caleana major  
Calytrix tetragona  
Caustis flexuosa  
Chloanthes parviflora  
Cryptostylis subulata  
Corymbia gummifera  
Dampiera stricta  
Daviesia alata  
Dianella caerulea  
Dillwynia ramosissima  
Drosera peltata  
Drosera pygmaea  
Gahnia sp.  
Gonocarpus micranthus ssp. micranthus  
Goodenia bellidifolia  
Grevillea patulifolia  
Haemadorum ?planifolium  
Hakea laevipes  
Isopogon anethifolius  
Isotoma axillaris  
Kunzea ambigua  
Kunzea sp.  
Lambertia formosa  
Laxmannia gracilis  
Leptospermum rotundifolium  
Leptospermum trinervium  
Lomandra filiformis ssp. filiformis  
Lomandra longifolia  
Lomandra obliqua  
Lomatia ilicifolia  
Melaleuca thymifolia  
Mirbelia rubiifolia  
Mitrasacme polymorpha  
Olx stricta  
Olearia ? viscidula  
Patersonia sericea  
Persoonia levis  
Persoonia mollis  
Petrophile sessilis  
Petrophile pedunculata  
Phyllota phyllicoides  
Pimelea linifolia

Platysace lanceolata  
Pomaderris andromedifolia  
Pomax umbellata  
Schoenus villosus  
Smilax sp.  
Stackhousia nuda  
Stylidium graminifolium  
Stylidium laricifolium  
Thelymitra sp.  
Thysanotus juncifolius  
Thysanotus tuberosus  
Viminea juncea  
Xanthorrhoea concava  
Xanthosia ? pilosa  
Xyris sp.  
Zeiria sp.

### **Stop on Nerriga Road**

Acacia elongata  
Acacia hamiltoniana  
Acacia obtusifolia  
Allocasuarina littoralis  
Darwinia taxifolia  
Calytrix tetragona  
Dampiera stricta  
Epacris microphylla  
Gahnia sp.  
Glycine tabacina  
Goodenia bellidifolia  
Gratiola sp.  
Hakea dactyloides  
Hakea teretifolia  
Isopogon anethifolius  
Kunzea parvifolia  
Leptospermum rotundifolium  
Mitrasacme polymorpha  
Pomaderris andromedifolia  
Thelymitra sp.  
Thysanotus tuberosus

### **Stop above Bulee Gap**

Acacia brownii  
Acacia elongata  
Acacia ? longifolia  
Acacia mearnsii  
Acacia terminalis  
Allocasuarina distyla  
Allocasuarina littoralis  
Banksia paludosa  
Banksia spinulosa  
Calytrix tetragona  
Dodonaea multijuga  
Dillwynia ramosissima  
Eucalyptus sieberi  
Grevillea baueri ssp. asperula

Grevillea patulifolia  
Hakea dactyloides  
Hakea sericea  
Isopogon anethifolius  
Kunzea sp.  
Kunzea parvifolia  
Lepidosperma sp.  
Leptospermum rotundifolium  
Lomandra multiflora  
Lomandra obliqua  
Pomax umbellata  
Persoonia linearis  
Persoonia mollis  
Polyscias sambucifolia  
Patersonia glabrata  
Platysace lanceolata  
Schoenus melanostachys  
Stypandra glauca  
Styphelia sp.  
Thelymitra sp.
