

Wednesday Walk – Monga Forest Drive including Woodleigh Fire Trail – 12 November 2014

We started off on Monga Mountain Rd, shortly after turning off the highway at River Forest Road. We had an unscheduled stop before we got to the forest to look at many *Spyridium scortechinii* flowering as well as *Patersonia sericea* and *Aotus ericoides*. Also flowering here were *Pimelea linifolia*, *Hibbertia obtusifolia* (green form), *Gompholobium minus*, *Goodenia hederacea*, *Stylidium graminifolium*, *Billardiera mutabilis*, *Thelionema caespitosa*, *Tetratea bauerifolia* and a number of *Lomandra multiflora* and *L. longifolia*. We then moved on to our first stop from the previous trip and had morning tea while scouts ranged about bringing back samples. We managed to put some names to some of them - *Schelhammera undulata* (flowering), *Choretrum candollei*, *Oxylobium ilicifolium* (flowering beautifully) *Notolaea* sp., *Parsonsia straminea*, *Tasmannia lanceolata*, *Hibbertia aspera* - before doing the short walk we'd done previously noting *Goodia lotifolia* (a couple of flowers), *Tetratea thymifolia*, *Cyathea australis*, *Persoonia linearis* and many other things although not many flowering. We then started on the Woodleigh fire trail, noting good displays of *Tetratea*, *Gompholobium* and *Hibbertia* as we drove and had a short stop for *Epacris impressa* flowering. We had lunch in the forest before exploring the open area which was full of things. Highlights were *Conospermum taxifolium*, *Isopogon prostratus*, *Caesia parviflora*, *Thelionema caespitosa*, *Gompholobium minus*, *Patersonia sericea*, *Pimelea linifolia*, *Kunzea parvifolia*, *Dampiera stricta*, *Pomaderris phyllicifolia*, *Stackhousia viminea* all flowering well. A purple donkey orchid - *Diuris punctata* - was spotted. Other orchids flowering were *Diuris monticola*, *D. sulphurea*, *D. semilunulata*, *Microsits* sp. and *Thelymitra ixioides*. We added substantially to our previous plant list. We then drove on to the creek area where we found an incredible number of *Hakea microcarpa* in full flower, attracting many insects and emitting a honey smell. We also found *Leptospermum lanigerum*, *Pultenaea altissima* and *Epacris breviflora* flowering and *E. paludosus* just finished. Some spotted *Utricularia dichotoma* flowering.

For the photos below: JG = Jean Geue, MB = Martin Butterfield, RF = Roger Farrow.

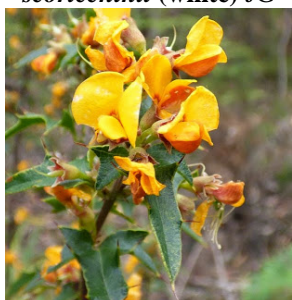

1st stop showing *Spyridium scortechinii* (white) JG

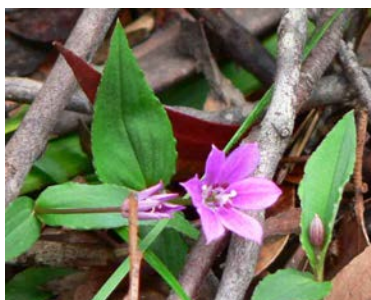

Spyridium scortechinii MB

Aotus ericoides RF

Oxylobium ilicifolium MB

Schelhammera undulata JG

Blechnum nudum JG

Epacris impressa JG

Gompholobium minus JG

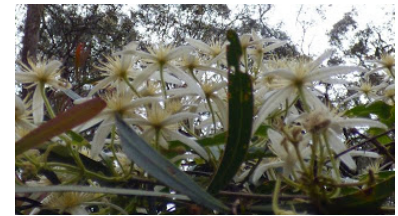

Hibbertia aspera RF

Isopogon prostrata MB

Petrophile canescens MB

Clematis aristata MB

Thelionema caespitosa MB

Notelaea venosa

Dampiera stricta RF

Mitrasacme serpyllifolia RF

Diuris monticola RF

Diuris punctata MB

Hakea microcarpa JG

Lomandra longifolia MB

Caesia parviflora MB

Conospermum taxifolium RF

Hibbertia diffusa RF

Plant List for Monga Forest Drive including Woodleigh Fire Trail – 12 November 2014

? indicates that those present were unsure of the plant name

1st stop (roadside bank)

Amperea xiphoclada
Aotus ericoides
Arrhenechthites mixta

Billardiera mutabilis
Chrysocephalum apiculatum
Dianella revoluta
Dianella tasmanica

Epacris microphylla
Gompholobium minus
Goodenia bellidifolia
Hovea heterophylla
Lagenophora stipitata
Lomandra longifolia
Lomatia ilicifolia
Mitrasacme serpyllifolia
Patersonia sericea
Persoonia chamaepeuce
Pimelea linifolia
Rhytidosporum procumbens
Spyridium scortechinii
Stylidium graminifolium
Tetratheca sp.
Thelionema caespitosa
Thelymita sp.

2nd stop (morning tea & short walk)

Acacia falcata
Acacia trachyphloia
Amperea xiphoclada
Arrhenechthites mixta
Banksia spinulosa
Billardiera mutabilis
Billardiera scandens
Blechnum nudum
Cassytha sp.
Choretrum candollei
Clematis aristata
Cyathea australis
Daviesia ulicifolia
Dianella tasmanica
Dichondra repens
Eucalyptus obliqua
Eucalyptus radiata
Eustrephus latifolius
Gahnia sp.
Geranium sp.
Gleichenia dicarpa
Glycine tabacina
Gonocarpus micranthus ssp. micranthus
Goodenia hederacea ssp. alpestris
Goodia lotifolia
Hakea eriantha
Hibbertia aspera
Hibbertia diffusa
Hibbertia obtusifolia (green form)
Hypericum gramineum
Lagenophora gracilis
Lagenophora stipitata
Lepidosperma sp.
Leucopogon lanceolatus
Lindsaea linearis

Lomandra longifolia
Microlaena stipoides
Notelaea venosa
Opercularia sp.
Oxylobium ilicifolium
Parsonia straminea
Patersonia glabrata
Persoonia linearis
Poranthera microphylla
Pratia purpurascens
Pteridium esculentum
Rhytidosporum procumbens
Schelhammera unudulata
Smilax australis
Stackhousia viminea
Tasmania lanceolata
Tetratheca thymifolia
Veronica calycina
Viola hederacea
Xanthorrhoea concava

3rd stop (lunch)

Acacia falcata
Acacia melanoxylon
Banksia spinulosa
Blechnum cartilagineum
Cassytha sp.
Cyathea australis
Daviesia ulicifolia
Elaeocarpus reticulatus
Epacris impressa
Eucalyptus radiata
Gleichenia dicarpa
Lepidosperma sp.
Lomandra cylindrical
Lycopodium deuterodensum
Oxylobium ilicifolium
Patersonia glabrata
Persoonia linearis
Schoenus melanostachys
Smilax australis
Sticherus lobatus
Stylidium graminifolium
Viola hederacea

4th stop (open grassland)

Acacia melanoxylon
Acacia trachyphloia
Actinotus gibbonsii
Allocasuarina littoralis
Allocasuarina paludosa
Amperea xiphoclada
Banksia marginata
Banksia spinulosa

Brachyloma daphnoides
 Bursaria spinosa
 Caesia parviflora
 Comesperma sphaerocarpum
 Chrysocephalum apiculatum
 Conospermum taxifolium
 Cryptandra amara
 Dampiera stricta
 Daviesia mimosoides
 Diuris monticola
 Diuris punctata
 Diuris semilunulata
 Diuris sulphurea
 Epacris microphylla
 Eucalyptus macrorhyncha
 Eucalyptus pauciflora
 Eucalyptus sieberi
 Eucalyptus viminalis
 Gompholobium minus
 Gonocarpus micranthus ssp. micranthus
 Gonocarpus tetragynus
 Goodenia hederacea
 Goodenia bellidifolia
 Hakea laevipes
 Helichrysum rutidolepis
 Hibbertia diffusa
 Hypoxis hygrometrica
 Isopogon prostratus
 Kunzea parvifolia
 Lagenophora gracilis
 Leptorhynchus squamatus
 Leptospermum brevipes
 Leptospermum continentale
 Leptospermum lanigerum
 Leucopogon fraseri
 Lomatia ilicifolia
 Lomatia myricoides
 Lomandra longifolia
 Lomandra multiflora
 Mirbelia platylobioides
 Mitrasacme serpyllifolia
 Patersonia sericea
 Persoonia chamaepeuce
 Persoonia mollis ? ssp. budawangensis
 Pimelea linifolia
 Petrophile canescens
 Polyscias sambucifolia (fern leaf)
 Polystichum proliferum
 Pomaderris phyllicifolia ssp. phyllicifolia
 Pratia pedunculata
 Pteridium esculentum
 Schoenus apogon
 Sphaerocarpum minus
 Spyridium scortechinii

Stylidium graminifolium
 Thelionema caespitosa
 Themeda triandra
 Thelymitra ixiodes
 Veronica gracilis
 Veronica plebeian
 Viola betonicifolia
 Viola hederacea

5th stop (across creek)
 Acaena novae-zelandiae
 Alternanthera sp.
 Amperea xiphoclada
 Bursaria spinosa
 Cassinia aculeata
 Cymbonotus lawsonianus
 Drosera peltata
 Eleocharis sphacelata
 Epacris breviflora
 Epacris microphylla
 Epacris paludosa
 Eucalyptus pauciflora
 Eucalyptus viminalis
 Exocarpos strictus
 Gompholobium minus
 Goodenia hederacea
 Hakea microcarpa
 Helichrysum rutidolepis
 Hibbertia diffusa
 Hibbertia obtusifolia (green form)
 Leptospermum lanigerum
 Lomandra longifolia
 Lomatia myricoides
 Mitrasacme serpyllifolia
 Patersonia sericea
 Persoonia silvatica
 Poa labillardierei
 Pomaderris phyllicifolia ssp. phyllicifolia
 Poranthera microphylla
 Prostanthera lasianthos
 Pteridium esculentum
 Pultenaea altissima
 Ranunculus lappaceus
 Solenogyne gunnii
 Stackhousia viminea
 Stylidium graminifolium
 Themeda triandra
 Utricularia dichotoma
 Veronica gracilis
 Veronica plebeia
 Xerochrysum bracteatum

Bird List
Monga Mountain Road

Fan-tailed Cuckoo
Laughing Kookaburra
Australian King-Parrot
Crimson Rosella
White-throated Treecreeper
Superb Fairy-wren
Red Wattlebird
Brown Thornbill
Eastern Whipbird
Pied Currawong
Black-faced Cuckooshrike
Rufous Whistler
Grey Fantail
Eastern Yellow Robin

Lunch Stop and Open Area

Nankeen Kestrel
Crimson Rosella
Superb Lyrebird
White-throated Treecreeper
Superb Fairy-wren
Yellow-faced Honeyeater
Brown Thornbill
Grey Currawong
Grey Shrike-Thrush
Rufous Whistler
Olive-backed Oriole
Grey Fantail
Black-faced Monarch
Scarlet Robin
Rose Robin
Silvereye

Creek Crossing

Pallid Cuckoo
Laughing Kookaburra
Yellow-faced Honeyeater
White-eared Honeyeater
Red Wattlebird
Grey Butcherbird
