EXTREME TECHNOLOGY

Extreme performance comes from extreme technology.

No bat takes technology to the extreme like the Triton™ and H2™ Hybrid. These two power hitters gain their performance from maximum handle stiffness. A stiffer handle produces more barrel flex, giving you greater trampoline effect for heightened performance.

The Triton Composite utilizes aerospace-grade graphite and 3X composite technology, the most advanced bat technology in the game today. Our exclusive computer-designed pattern precisely positions the angles of graphite layers, resulting in an extra-long barrel with a huge sweet spot.

The H2 Hybrid represents the next step in hybrid design. Its unique design bonds the ST+20 barrel and 3X composite seamlessly, providing the performance of a 1-piece, stiff handle design.

Take your game to the extreme. Get your hands on the extreme technology of the Triton and H2 Hybrid today.

ARTICLE III.

Members

Section 1. Classes. The NFCA shall have members in three classes.

a. Active Members.

- 1) Definition. Coaches who are actively engaged in coaching fastpitch softball (four-year colleges and universities, two-year colleges, junior colleges, high schools, travel ball programs, and professional teams).
- 2) Privileges. Active members are entitled:
 - a) To attend all meetings (annual, special, committee).
 - b) To make motions and to vote on all issues facing the Association. (One active head coach per institution may participate in the All-Region and All-American process.)
 - c) To be eligible for elected or appointed positions within the organization.
 - d) To receive a copy of NFCA publications, including but not limited to the NFCA Directory and *Fastpitch Delivery* newspaper.
- 3) Groups. The NFCA shall recognize that active members represent institutions that fall into the following 10 groups:
 - a) NCAA Division I Head Coach
 - b) NCAA Division II Head Coach
 - c) NCAA Division III Head Coach
 - d) NAIA Head Coach
 - e) NJCAA Head Coach
 - f) California Community College Head Coach
 - g) High School Head Coach
 - h) Travel Ball Head Coach
 - i) Other Head Coaches as defined in the above definition.
 - j) Assistant Coach (of the above-mentioned groups)

Each active member shall declare group classification upon membership application. Each group with over 40 members shall be entitled to elect one active member, from within its ranks, to represent the group on the Executive Board.

b. Affiliate Members.

- 1) Definition. Any other persons who are interested in women's fastpitch softball and who support the purposes and objectives of the NFCA.
- 2) Privileges. Affiliate members are entitled:

 - c) To be eligible for specified elected or appointed positions within the organization.
 - d) To receive a copy of NFCA publications, including but not limited to the NFCA Directory and *Fastpitch Delivery* newspaper.
- 3) Groups. The NFCA shall recognize that affiliate members represent the following five (5) groups:

 - e) Instructors not actively coaching

c. Honorary Members.

- 1) Definition. Those persons who have rendered notable service to the NFCA, been recommended by one member, seconded by another member, and elected by a three-fourths vote by ballot at the annual meeting.
- 2) Privileges. Honorary members are entitled:
 - a) To attend annual and special meetings of the membership.

- b) To address issues at any membership meeting. (Voice, but no vote.)
 - c) To be eligible for specified elected or appointed positions within the organization.
 - d) To receive a copy of NFCA publications, including but not limited to the NFCA Directory and *Fastpitch Delivery* newspaper.
- 3) Honorary members include past presidents and retired members of the NFCA Hall of Fame.

Section 2. Admission to Membership.

- a. Application. Application for membership shall be made to the Executive Director. The applicant shall furnish information sufficient to determine the class and group of membership to which she/he is entitled. The application shall be accompanied by applicable membership dues. The Executive Director shall accept membership dues, process membership applications, and stipulate the class and group of members to which applicants will be admitted. The Executive Director's determination as to admission and classification shall be final. No person shall be rejected membership solely based on the determinants put forth in the NFCA Nondiscrimination policy. All memberships shall be for a one-year term, renewable each year.
- b. Dues and Fees. Dues and fees for Active Members and Affiliate Members shall be determined by a majority vote of the Executive Board, subject to the approval of the voting membership. Honorary Members shall be exempt from the payment of dues. The annual dues shall be payable anytime, and are delinquent after the renewal date. Note: The annual dues shall be payable in advance on or before March 15 in order to participate in the All-Region, All-American, and Coaching Staff of the Year selection process. If, as of March 15, membership of a group reaches 15 percent, All-Region, All-Americans, and Coaching Staffs of the Year shall be named. High school and travel ball All-Region, All-Americans, and Coaching Staffs of the Year can be named when group membership reaches 100. Recognized education-based governing body members who do not have their own NFCA group would be eligible for All-Region, All-American and Coaching Staff of the Year awards when members in the NFCA reach 15 percent of the total number of softball-sponsoring schools in the respective governing organization. In addition, divisions of groups or organizations that do not already have their own awards also will be eligible for these awards when reaching 15 percent membership in the NFCA. Dual members of two organizations would have to declare which awards they wish to be eligible for by March 15.
- c. Renewals. The Executive Director shall notify, within thirty (30) days prior to the renewal date, those members who have not renewed their memberships. A membership shall be considered lapsed if dues have not been paid on or before the renewal date. A member whose membership has lapsed shall immediately be dropped from the membership rolls and loses all rights of membership including the right to make motions, vote, and hold office. A former member may terminate the lapse and rejoin NFCA upon filing an application with the Executive Director, and upon paying the current year's dues. Appeals may be directed to the Executive Board.
- d. New Members. Application for new membership may be made to the Executive Director at any time.

Section 3. Meetings.

- a. Annual Business Meeting. An overall business meeting will be held at the beginning of the convention to handle any overall NFCA business. If bylaw changes are proposed, one-third of the active members registered at the Annual Convention shall constitute a quorum for the transaction of business.
- b. Individual Group Annual Business Meetings. Each individual group (except the assistant coaches) will hold annual business meetings at the convention during their scheduled caucus time for items. One-third of the active members regis-

tered at the Annual Convention for each group shall constitute a quorum for the transaction of business. When voting on proposals that will be forwarded to other organizations for consideration, only one vote per school/team will be allowed.

- c. Softball Summit. For the purpose of sharing of ideas and debate of those ideas across all group categories, a Softball Summit will be held at the Annual Meeting.
- d. Special. Special meetings may be called by the President, with the approval of the Executive Board (majority vote); by the Board itself (majority vote); and by the membership upon the request of at least 20 percent of the active members. The time, place, and exact purpose of the special meeting shall be stated in the call, which must be e-mailed to all members a minimum of thirty (30) days in advance. A quorum of one-fifth of the total active membership shall be necessary to convene a special meeting of the membership. A majority of the active members registered shall be necessary to continue to conduct business until the scheduled time of adjournment. With the possible exception of details of very minor importance, only business mentioned in the call of a special meeting can be transacted at such a meeting.

ARTICLE IV.

Officers

Section 1. Titles. The elected officers of the NFCA shall be a Past President, a President, a First Vice-President, a Second Vice-President, nine active Group Representatives — NCAA Division I, NCAA Division II, NCAA Division III, NAIA, NJCAA, California Community College, High School, Travel Ball and Assistant Coach. The other active group — Professional and Other College Head Coaches not in the above-mentioned groups, can add a board representative once its group reaches 40 members.

Section 2. Eligibility.

- a. Past-President. The President of NFCA shall, upon completion of one or two two-year terms, succeed to the office of Past President. The Past President shall remain a member, in good standing, through the term of office.
- b. President. To be eligible for the office of President, candidates shall be natural persons at least eighteen (18) years old who have been active members in good standing for a period of two (2) consecutive years, who are employed by an educational institution, and who shall remain in good standing on the date of election and through the term of office.
- c. First and Second Vice-President. To be eligible for the offices of First and Second Vice-President, candidates shall be natural persons at least eighteen (18) years old who have been active members in good standing for a period of one full year and who shall remain in good standing on the date of election and through the term of office.
- d. Group Representatives. To be eligible to be an elected Group Representative, candidates shall be natural persons at least eighteen (18) years old who have been active members in good standing for a period of one full year and who shall remain in good standing on the date of election and through the term of office.

Section 3. Nominations. A list of each of the offices to be filled prior to each Annual Convention shall be sent to the membership. Any eligible member who desires to be a candidate for a vacant office has 14 days within which to present her/his name to the Nominating Committee. The Nominating Committee shall then develop a slate of at least one candidate for each of the offices to be filled. The Nominating Committee shall contact each person whom it wishes to nominate in order to obtain her/his acceptance of nomination — that is, her/his assurance that she/he will serve in the specified office if elected. Each nominee shall provide the Nominating Committee with a brief factual statement of her/his service and qualifications, and of her/his objectives in seeking office. A voting ballot shall be mailed to the membership. Votes must be cast and returned to the Executive Director within the time frame stipulated on the voting ballot.

Section 4. Elections.

- a. The President, First Vice-President, and Second Vice-President shall be elected by the affirmative vote of the majority of the active members casting email ballots.
- b. Each Group Representative shall be elected by majority vote of the active members of its group casting email ballots. Consequently, each of the nine groups of active members in the NFCA elects its own Group Representative. An active member within a particular group may only vote for a candidate listed on that group's slate of nominees. The candidates for Group Representative who receive the second highest number of total votes cast shall be Alternate Group Representatives.

Section 2. Powers. The Executive Board shall have general supervision of the affairs of the NFCA between its business meetings, fix the hour and place of meetings, make recommendations to the NFCA, and shall perform such other duties as are specified in these Bylaws. The Board shall be subject to the orders of the NFCA, and none of its acts shall conflict with action taken by the NFCA. The Board can appoint committees to work under its supervision or according to its specific instructions. Such committees of the Board always report to the Board. In such cases, the committees are genuinely subordinate to the Board and must report back to it for authority to act. Each member of the Executive Board is entitled to one vote.

Section 3. Duties. The Executive Board shall:

- a. Be committed to the purposes of the NFCA, and keep current on fastpitch softball issues and events.

 - s. Perform such other duties as are specified in these Bylaws and as are usually assumed by such a governing body.

Section 4. Regular Meetings. The Executive Board shall transact business in a regular or properly called meeting or at an adjournment thereof, of which every Board member has been notified and at which a quorum (a majority of the members of the Board) is present. The Executive Board shall meet at least three times a year. One meeting shall be the day before the Annual Convention, another shall be the day during the Annual Convention, and the third shall be some time about midway between Annual Conventions. The date, time, and site of each meeting shall be determined by the Executive Director. Written notice of the date, time, and site of each meeting shall be mailed, by the Executive Director, to all Board members a minimum of thirty (30) days in advance.

Additional regular meetings of the Board may be held as deemed necessary by resolution of the Board at a duly convened meeting, or by two-thirds of the Board members giving written consent. Notice of each additional regular meeting of the Board shall be written, shall specify the date, place and hour of the meeting, and shall be delivered to each Board member at least eight (8) days before the meeting, either personally, by mail, or by telegram.

Section 5. Special/Emergency Meetings. Special/Emergency meetings of the Board shall be called upon the request of three (3) members of the Board. The date, time, place, and exact purpose of the special/emergency meeting shall be stated in the call, which must be delivered to all Board members a minimum of twenty-four (24) hours in advance. A majority of the members of the Executive Board shall constitute a quorum. With the possible exception of details of very minor importance, only business mentioned in the call of a special/emergency meeting can be transacted at such a meeting. If, at a special/emergency meeting, it becomes urgent to take action for which no notice was given, that action, to become legal, must be:

- a. Ratified at the next regular Board meeting.
- b. Ratified at a special Board meeting properly called for that purpose.
- c. Ratified during a properly scheduled and conducted telephone conference.

Section 6. Telephone Conferences. Special/emergency meetings of the Executive Board may be conducted through telephone conferences, coordinated by the President, if all of the Board members have been notified of the issue and of the call at least twenty-four (24) hours before the call is made; if two-thirds of the Board members agree to the conduct of business through a telephone conference; and if a quorum (majority) of the Board members can participate in the discussion.

Section 7. Polls. The President may poll members of the Executive Board for their vote on certain issues if all of the Board members have been notified of the issue and of the poll at least twenty-four (24) hours before the poll is taken. The personal approval of a proposed action obtained separately by telephone or individual interview however, even from every member of the Board, is not the approval of the Board, since the members were not present in one room where they could mutually debate the matter. If action on such a basis is necessary in an emergency, it must (in order to become an official act of the Board) be:

- a. Ratified at the next regular Board meeting.
- b. Ratified at a special Board meeting properly called for that purpose.
- c. Ratified during a properly scheduled and conducted telephone conference.

An emergency presentation of facts or recommendations made merely upon separate consultation with every member of the Board must be described thus to the parent assembly, and not as an official report of the Board.

Section 8. Actions Without Meetings. Any action that may be taken at a meeting of the Executive Board may be taken without a meeting if a consent or consents in writing setting forth the action so taken shall be signed by all of the Board members and shall be filed with the Executive Director.

NFCA History

The idea for a softball coaching association first developed from discussions at the National Collegiate Women's Softball Championships in the early 1980's, with Judy Martino of the University of North Carolina credited with the initial thought. Collegiate coaches wanted awards programs, a forum to discuss issues affecting their sport, a means to better educate coaches and update them on softball-related actions, and representation of the group's views in organizations such as the NCAA and ASA.

Shortly thereafter in April of 1983, the National Softball Coaches Association (NSCA) was founded. It was organized by Martino, with Susan Craig, Connie Claussen, June Walker, Hank Dicke, Bonnie Koch and Lorene Ramsey serving as the first officers.

The first meeting of the NSCA directors was held in Durham, North Carolina, in December of that year. The first set of bylaws was adopted, Susan Craig was elected as the first president and Martino was confirmed as the executive director of the NSCA, a position she held for five years. Martino and NSCA lawyer Roger Bernholtz had written the first set of bylaws, based largely on those of other coaches associations.

It was determined that the purpose of the National Softball Coaches Association was "to educate softball coaches and the public in the game of softball, including coordinating the relationship between softball team membership and other educational endeavors through the development of softball in all its aspects as an amateur sport, including maintaining communication of new ideas and discussion of issues involving softball and education." The NSCA planned to achieve these goals by initiating softball clinics, hosting national softball conventions, conducting regional meetings, and by providing official publications to all members. The major sources of income were expected to come from membership dues, corporate sponsors, and clinics.

NFCA Timeline

A proud past ... A promising future

1983

April 1983 - National Softball Coaches Association was founded.

1984

1984 - Became an affiliate member of the NCAA.

1985

1985 - NSCA holds first National Convention.

1988

April 1988 - Became an allied member of the Amateur Softball Association.

1991

1991 - Hired Rayla Allison as first full-time executive director.

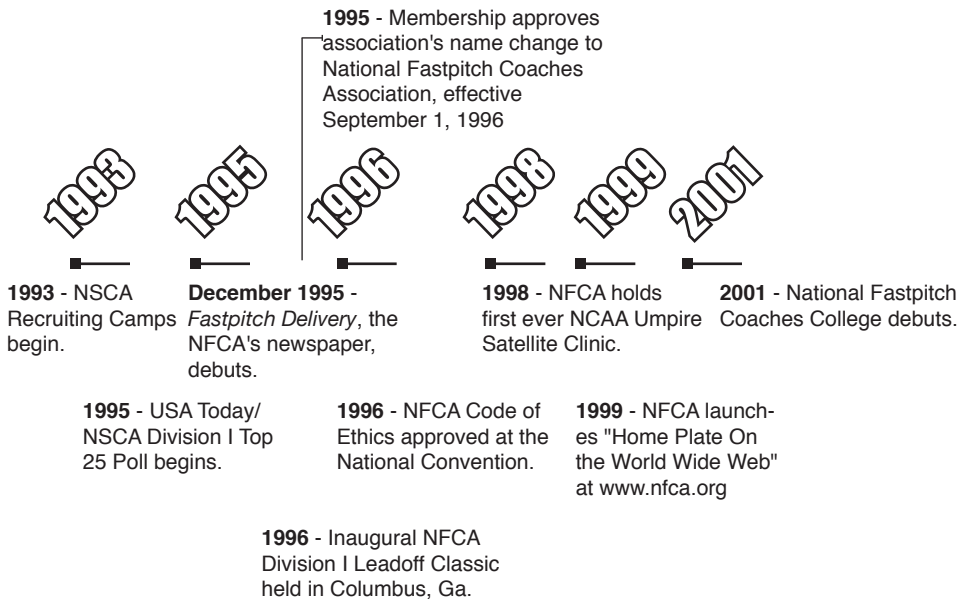

December 1983 - First meeting of the NSCA directors held in Durham, N.C., where first set of bylaws were adopted and a president and executive director were elected.

At that time, dues were \$35 a year, and the 1984 budget showed income of \$17,375.00 and expenses of \$14,529.00.

Since then, the organization's college coaches have welcomed high school coaches, travel ball coaches and affiliate members, which consist of umpires, foreign coaches, professional coaches, former coaches and those persons generally interested in softball.

In December of 1995, attendees at the NSCA National Convention voted in the name change to the National Fastpitch Coaches Association (NFCA). It went into effect on September 1, 1996.

Today, the NFCA has grown from 40 members in 1983, to close to 4,700 members in 2010. Revenues exceed \$600,000 a year, and the NFCA has a full-time staff of nine people. Major programs run by the NFCA include awards programs (All-American, coaching staff of the year, victory club, scholar-athlete and top 10 academic teams), a national convention, recruiting camps, Leadoff Classic tournaments for NCAA Division I, Division II, Division III, NAIA and junior college, and USA Today coaches polls for NCAA Division I, Division II, Division III and high school. The NFCA's newspaper, *Fastpitch Delivery*, has become one of the nation's best softball publications, and its Web site, Home Plate on the World Wide Web (www.nfca.org), is one of the fastest-growing softball-oriented sites in the country. The National Fastpitch Coaches College, a coaching school for all competitive coaches, continues to grow each year.
