## DATES TO PUT IN YOUR DIARY

### North Shore's dates

**St Ives Orchid Fair** set-up on Thursday 17<sup>th</sup> August. The Fair is on Friday Saturday & Sunday 18<sup>th</sup> – 20<sup>th</sup> August. The society needs your plants for their display and they need to be at the showground by 9am on Thursday morning complete with a list (see attachment) with any species, novice or seedling plants clearly marked on your list.

We now have helpers for security, sales and to help man the doors but could always do with help on the day prior to help prepare the hall for the vendors. If you can help please let some-one on the committee know so we do not waste your time by getting there too early.

### Other dates

**National Orchid Extravaganza** Friday, Saturday & Sunday 11<sup>th</sup> – 13<sup>th</sup> August organised by the Cymbidium Club of Australia. This show is mainly a cymbidium show but it does incorporate the Paphiopedilum Society's show and does have classes for all orchid genera. It is held at the Centre, 1 Pellitt Lane, Dural and is open from 9am – 4pm Friday & Saturday and from 12noon till 4 pm Sunday. There is plenty of parking at or near the centre and a small entry charge to go in.

### Welcome to New Member

\*\*\*\*\*

A warm welcome to our new member, Gemma Katz. We hope you enjoy our society and please feel free to ask any of the committee or general members if you want to know anything about the society.

## **Congratulations to our prize winners at our Winter Show in the Gordon Shopping Centre.**

We will have the prize giving at the start of our next meeting, and thank you to all the members who helped by entering the show and helping with security and on the sales bench.

## North Shore Orchid Society needs an Editor

The society still needs an editor to help with the bulletin. While you may not be used to this job the committee will help in any way possible, all you need to do is be willing to learn. Until we get an editor the bulletin will no longer contain extra articles.
