Application deadline: **26 May 2023**

Application for Summer Music Nights at Dyffryn Gardens

Dyffryn welcomes everyone to a place of beauty and sensory delight. Ever-changing, the gardens and arboretum offer grand vistas and intimate spaces that surround the Cory family home. Dyffryn's essence can be found in its historical beginnings, but more so in the growing sense of wonder where tradition and experimentation meet. Depending on the path you take, you may experience tranquillity, find freedom or be inspired in equal measure.

Following the pandemic, Dyffryn is undergoing lots of work to revive the gardens and house. The South Front and stonework will be undergoing work, where visitors can expect to see conservation work and scaffolding around the mansion. As a conservation charity we rely on income from admissions and memberships to support the upkeep and revival of our 55-acre estate.

Our annual event, Summer Music Nights is a programme of musical performances presented in our beautiful grounds. It delivers a fantastic visitor experience alongside our vital restoration work.

We are seeking musicians to perform from 6.30pm - 7.30pm on Friday 14 July, Friday 28 July and Friday 11 August. We invite you to complete the form overleaf and will begin shortlisting after applications close on Friday 26 May 2023. Musicians selected as part of our shortlisting will be contacted by a member of the Visitor Experience team to confirm a booking. If you are not selected, we will keep your details on file for future programming.

Please note that in inclement weather we may take the decision to cancel performances. We regret that we are not able to accommodate groups of more than five performers. We do not have equipment for amplification but can run extension cables to provide power. We thank you for your interest and aim to reply to all submissions before the end of June 2023.

Yours sincerely,

Tesni Owens
