AREAS OF SUPPORT

Before applying, review notes below about types of support considered in each county, and the eligibility guidelines on pages 2 and 3, to determine if your project may be a good fit for funding. This is a competitive grant cycle; therefore, no project is guaranteed funding.

Further grant cycle details, including funds available and links to past recipient lists, can be found on each county homepage under County Listing at www.swiowafoundations.org.

Defining Types of Support

Capital Support (Items of Permanence) – *Grants for capital support enable the purchase of equipment, completion of brick-and-mortar building projects, or physical renovations to a space.*

Program Support – *Grants for program support fund a specific, connected set of activities with a beginning and an end, explicit objectives, and a predetermined cost.*

Operating Support – *Grants for operating support overall activities at an organization, including operating expenses and overhead. This type of grant supports the organization's overall mission.*

Funding Priorities of Advisory Boards:

The Community Foundations of Southwest Iowa tend to provide funding for capital support, focusing on items of permanence. The advisory boards also have a strong record of funding programs in the region that are addressing important needs in the community.

Applications for operating support are typically a lower priority for our advisory boards. However, operating support may be considered for one-time, non-recurring circumstances that improve the capacity of the organization to fulfill its mission.

Growing good, together.

Grant Program Fact Sheet

Please review this document BEFORE starting the application.

The Community Foundations of Southwest Iowa's spring and fall grant programs aim to improve the quality of life in its nine-county footprint by supporting needs in the areas of civic engagement, culture, health, education, and social services. The objective of the foundations is to fund projects that will have a lasting impact in the supported county. All applications are reviewed by the Community Foundation Advisory Board in each specific county. These advisory boards make final funding determinations.

The grant calendar is as follows:

Spring Application Deadline* February 1	Decision Notification Late March/Early April	Evaluation Deadline** December 31 of award year
Fall Application Deadline* September 1	Decision Notification Late October/Early November	Evaluation Deadline** May 31 of following year

*Applications are due by 11:59 p.m. CST. As applications are submitted online only, there is no extension for deadlines falling on weekends or holidays. Crawford and Page Counties only accept proposals during the Spring Cycle.

**Awarded funds must be fully expended toward the project by this date.

Eligibility

Only Federally recognized and certified 501(c)(3) Public Charity organizations or municipal entities that serve the specified county are eligible to apply. An Iowa nonprofit status is insufficient.

Concerning the use of a Fiscal Sponsor:

- You may use a Fiscal Sponsor if your organization is not a verifiable 501(c)(3) Public Charity or local municipality.
- A Fiscal Sponsor is a nonprofit organization that holds an IRS letter of determination certifying they are a 501(c)(3) Public Charity, or a governmental entity such as a city or County Board of Supervisors.
- Prior to consideration for funding, a Fiscal Sponsor must verify approval of their sponsorship of your application by completing a fiscal sponsorship agreement form.
 - *Community Foundation staff will send the required form to the fiscal sponsor listed on your application **after** the submission period has ended.*
- If your grant request is awarded, the check will be made out to the Fiscal Sponsor. The Fiscal Sponsor is the entity that is accepting responsibility for the distribution of funds as outlined in the grant application.
- Applications requiring a Fiscal Sponsor that are submitted without the appropriate contact information will not be considered.

NOTE: Unless they hold their own public charity status, the following organizations are among those that typically REQUIRE a Fiscal Sponsor:

- Public Libraries
- Fire Departments
- County Extension
- County Conservation
- Fair Boards, etc.

In these cases, the City or County Board of Supervisors may be used as a Fiscal Sponsor.

Available Grant Money

Available amounts are posted on each county homepage at www.swiowafoundations.org.

How to Apply

Applications will only be accepted through our online application system. Please read through the Application Questions and FAQs on the following pages for further details.

What Projects Are Less Likely to Receive Funding? *

- Only one proposal per agency and/or per project will be accepted unless the agency is acting as a Fiscal Sponsor for another organization and the funder has approved additional applications.
- The County Community Foundation typically gives less consideration to applications from tax-supported organizations, individual churches, or similar religious groups.
- The County Community Foundation will not consider applications from cemetery associations, veteran and labor organizations, social clubs, or fraternal organizations unless fiscally sponsored.
- The County Community Foundation, except under unusual circumstances, does not make grants for endowment campaigns, deficit financing, annual fund drives, or fundraising activities.
- The County Community Foundation typically does not make grants for “consumables” such as salaries, food, gift/promotional items (i.e., T-shirts, contest prizes, etc.).
- The County Community Foundation does not make grants for band uniforms or Christmas/Holiday decorations.

Unless requested, do not send additional materials beyond the online application.

Additional contact, correspondence, or site visits with Foundation staff and county advisory board members, when necessary, will be conducted following preliminary review of proposals.

Note: If used to start the application, **this email is where all system notifications will be directed for your grant.** We suggest having your primary grant contact create the account with their preferred email address to ensure they receive all system notifications and any ongoing communications. If necessary, a grant writer can then be invited as a collaborator in the portal. More details on the collaboration process can be found [here](#).

Add notifications@email.submittable.com and the domain (@email.submittable.com) to your safe senders list to ensure you receive all system communications. Learn how to do that [here](#).

Q. After beginning an online application, can I save my work and come back later?

A. Yes. You can return to the grant portal by logging in to your account at <https://swiowafoundations.submittable.com/user/submissions>. Bookmark this link for quick access to saved drafts and submitted applications.

Q. Can I work on application questions or share them with colleagues before working in the online form?

A. Yes. Application questions and a sample budget are available on pages 4 and 5 of this document. Please note that this is for preparation purposes only and is not the application form itself.
