Price list 2021

The start of a new garden season! To enjoy a colorful garden again next spring, you could already choose from our new, extensive range of spring-flowering bulbs.

Tulips are hot and frankly, indispensable in the border and great in pots on the patio. Beautiful new double-flowered tulips such as 'Mariage', 'Red Princess' and the bizarre 'Violet Pranaa' have been added to the range. Elegant appearances are the new lily-flowered tulips, for example 'Ballade Lady', 'Merlot' and 'Je t'aime'. The greatest variation in color is in the group of Triumph tulips. New include 'Aquarel', 'Graceland' and 'Suncatcher'.

Also included are; new crocuses, daffodils and grape hyacinths, very striking is the Muscari 'Grape Ice' which is now widely available.

For lovers of special bulbs, this year there is a limited range of the Chilean crocus, Tecophilaea.

You can recognize these novelties and many more by the **N**.

Order online!

Discover benefits of ordering online at www.eurobulb.nl

You can see the current offer and whether the desired products are still available. After placing your order, the chosen products are immediately reserved for you in our stock. You receive important information such as the track & trace code and your invoice by e-mail.

Additional discounts

For larger quantities, we apply a discount to the list price:

- If you order ten times the quoted number, you will receive a **7%** discount.
- For more than 20 times the quoted number, the discount is **10%**.
- It is also possible to order smaller quantities than the quoted number, you will be charged an extra **10%** on the list price.
- In addition, we can offer an extra discount of **5%** if you pay your order in advance by direct debit or credit card. (It is important that you enter your method of payment correctly on the order form).

Ordering and delivery

The delivery of spring flowering bulbs is in the planting time; between the end of August and the end of November.

Many specialty bulbs are grown on a limited scale. To avoid disappointments, do not wait too long before submitting your order. Simply by filling in and sending the enclosed form, or even better: order via our webshop www.eurobulb.nl

If you enter your email address on the order form, we will send you an order confirmation by email. When you have received this, you know that your order is

being processed. You do not have to call or email us, your order will be delivered on time during the planting time. On the day of shipment you will receive the track & trace code of the shipment, so that you can track the parcel.

Orders are processed chronologically. On the order form you can specify the desired shipping date.

Please take into account that the delivery time can reach up to two to three weeks in the planting-season. None of the bulbs are pre-packed in our warehouse, the flower bulbs remain in better condition due to the storage in special bulb trays. On the day of shipment, your order is packed by hand (not mechanically), this way we can keep an eye on the quality of our product.

Free shipping for countries inside the EU

We shall bear the costs for shipping and handling for all shipments with a value of € 100,00 or more. For shipments below this amount we charge a small fee, see Terms of sale at the back of the price list or the page Shipping costs on our website. It is possible to pick up your pre-ordered bulbs in Heemstede, at Nijssen Tuin Heemstede, Sportparklaan 25 A, 2103 VR. Your order must be paid in advance before collection. You will receive a notification by e-mail when your order is ready to be picked up.

NEW EU VAT DIRECTIVES

Due to new EU VAT guidelines, the VAT rate of the country of destination must be calculated. If you order from outside the Netherlands, this will affect the total price of your order.

All prices stated in this pricelist include Dutch VAT. This is 9% for flower bulbs and 21% for other items. On your invoice, this VAT is calculated with the VAT of the country of destination.

Some examples of VAT rates per country are:

Belgium	VAT low 6%	VAT high 21%	(invoice will be lower)
Denmark	VAT 25%		(invoice will be higher)
Germany	VAT low 7%	VAT high 19%	(invoice will be lower)
Finland	VAT 24%		(invoice will be higher)
France	VAT low 10%	VAT high 20%	(invoice will be higher)
Sweden	VAT 25%		(invoice will be higher)

If you have a valid VAT number, and the delivery takes place outside of the Netherlands, the delivery falls under the ICP scheme and the above does not apply.

With many years of experience with flower bulbs, the knowledge we gained and our experienced employees, your order is in good hands. As usual we will do everything possible to carry out your assignment as desired.

Enjoy making your choice from our large range of products!

Cover image: Tulipa 'Slawa', see page 43.

Verberghe

Our special mixtures:

Showwinner Mix, early, low, red tulips combined with pink Glory-of-the-snow and large-flowered crocus. 100 p. 17,00

Composition: 20 Tulipa 'Showwinner', 40 large flowered blue crocus and 40 Chionodoxa 'Pink Giant'.

Fragrant wild tulips with Muscari, a fantastic mix of 40 Tulipa sylvestris with 60 Muscari latifolium. Wonderfully scented flowers, perfect for naturalizing. 100 p. 17,00

Crocus 'Swanbury Mix'[®], a beautiful mixture of large-flowered and small-flowered crocuses, which doubles the flowering period. 100 p. 19,00

Composition: 20% large flowered blue, 10% large flowered white, 10% large flowered striped, 5% large flowered yellow, 10% chrysanthus 'Goldilocks', 10% chrysanthus 'Ard Schenk', 10% chrysanthus 'Blue Pearl', 5% chrysanthus 'Fuscotinctus' and 20% tommasinianus 'Ruby Giant'.

Crocus 'Schothorst Mix purple/blue'[®], one of the mixes we have 100 p. 18,90

made especially for a new part of the Dutch city Amersfoort and now available for all customers. Just like our famous 'Swanbury Mix' it is a mixture of large flowered and small flowered crocuses to enlarge the flowering period. This is a mixture of the following crocuses: 'Flower Record', 'Remembrance', chrysanthus 'Blue Pearl', tommasinianus 'Barr's Purple', tommasinianus 'Ruby Giant' and tommasinianus 'Whitewell Purple'.

Muscari 'Magic Mix', a beautiful mix of three Magic Muscari: Blue 100 p. 19,00

Magic[®], Ocean Magic[®] and White Magic[®]. These Muscari make less foliage compared to the Muscari armeniacum and are very good for naturalizing.

Narcissus 'Mix Ice Follies Family', a sunny mixture of large-cupped 50 p. 21,50
and Double flowered daffodils. Composition: Narcissus 'Full House', 'Ice King', 'Raoul Wallenberg', 'Slim Whitman' and 'Ice Follies'.

Narcissus 'Sailor's Choice'[®], a renewed mixture consisting of the 100 p. 21,00
Narcissus 'Sailboat' and Yellow Sailboat', both multi-flowering daffodils with an equal height and flowering time. A mixture of yellow and white daffodils that fit well together.

Narcissus 'Swanbury Yellow'[®], our best known and most successful 100 p. 21,00
mixture consisting of three different yellow trumpet daffodils, early, middle early and late to spread the flowering time over a longer period, all suitable for naturalizing. Bulb size 12/14.

Tulipa 'Clusiana Mix', a mixture of at least five different varieties of 100 p. 24,50
clusiana tulips. A mixture that matches well together and is also very suitable for naturalizing.

Tulipa 'Dynamic Change' [®] , a mix of two tulips (Purple Prince and Candy Prince) with the same flowering period and height, in a splendid color combination. Height 35 cm. The bulbs are manually mixed per order, so you get an equal amount from both colors.	100 p.	19,50
Tulipa 'Dynamic Change Completed' [®] , the successful mix of the tulips Purple Prince and Candy Prince, now complemented by the cream-white Tulip 'White Prince'. Here too we mix the bulbs manually for an even color ratio.	100 p.	21,50
Tulipa 'Fun Colors' [®] , a cheerful mixture of Greigii tulips. The following varieties are in the mix: 'Toronto', 'Orange Toronto', 'Quebec' and 'Winnipeg'.	N 50 p.	13,50
Tulipa 'Spryng Break Mix' [®] , a wonderfully scented mix of Tulipa 'Spryng Tide' and Tulipa 'Spryng Break'.	N 50 p.	17,00
Tulipa 'Tres Chic Festival' [®] , an elegant mix of three types of lily-flowered tulips, Tulipa 'Tres Chic', 'Florijn Chic' and 'Isaak Chic'.	N 50 p.	18,50

Special offers:

Crocus speciosus Mix (Autumn flowering) , nice mix of speciosus crocuses including the white C. speciosus 'Albus'. Free flowering and very suitable for naturalizing. Order early!	250 p.	30,00
Autumn flowering crocuses mixed , flowering this autumn and are well suited for naturalizing. Order early!	100 p.	19,50
Mixed hyacinths , mixture of five different colors, bulb size 15/16.	50 p.	19,00
Narcissus 'California' , classic yellow daffodil, suitable for naturalizing. Bulb size 12/14.	100 p.	18,00
Narcissus small flowered mix , a mixture of six or more small flowered varieties.	100 p.	18,00
Darwin hybrids tulips , a mixture of at least six different varieties. Bulb size 11/12.	50 p.	9,90
Triumph-tulips mixed , a mixture of at least six different varieties. Bulb size 11/12 and 12/+.	50 p.	10,50
Tulips for cutting , a splendid mix with Triumph tulips and Darwin hybrids, bulb sizes 11/12 and 12/+.	100 p.	18,50

Allium

General information: Most Alliums like a well-drained soil. Which makes this plant suitable for sandy soils, but unfortunately less for (moist) loam and peat soils.

Allium, large-flowered hybrids

a piece

altissimum 'Album' , white spherical flowers on tall stems are followed by decorative seed pods that remain attractive for a long time after flowering. Height 200 cm. Bulb size 18/+.	N 3,80
altissimum 'Goliath' , previously offered as A. 'Samson'. A special selection of A. altissimum with uniform flowers and equal height. The flowers are dark violet and 10 to 12 cm. large. Height 200 cm. Bulb size 20/+.	2,80
'Ambassador' ®, a large flowering violet blue Allium with very strong stems. Height 120 cm. Flowering period: June. Bulb size 28/+.	3,70
atropurpureum , purple-red, 60-80 cm. Bulb size 10/+.	4,40
basalticum 'Silver Spring' , half round, white flowers with a striking dark red ovary, 70-90 cm. Bulb size 12/+.	3,95
bulgaricum , see Nectaroscordum siculum.	
christophii , (syn. A. albopilosum), lilac, large flowered Allium. Excellent for drying. Height 40 cm. Bulb size 14/+.	0,46
'Firmament' , beautiful dark purple Allium with a metallic sheen, height 70 cm. Bulb size 12/+.	1,75
'Forelock' ®, maroon with a purple 'crest', striking flower. Height 60 cm. Bulb size 14/+.	2,50
giganteum , violet, large flowered Allium, height 150 cm. Bulb size 20/+.	2,90
'Gladiator' , early flowering, lilac purple Allium, with flowers larger than A. aflatunense. Height 100 cm. Bulb size 18/+.	1,25
'Globemaster' ®, very big lilac flowers on a approximately 1 meter high, firm stem. One of the most beautiful of the large flowered-Alliums with a flowering time of more than 5 weeks. Bulb size 24/+.	4,90
karataviense 'Red Giant' , selection with pink-red flowers, large gray-green foliage. Height 15-20 cm. Bulb size 12/+.	N 0,70
karataviense , pale lilac to white flowers and large gray-green foliage. Height 15-20 cm. Bulb size 10/+.	0,45
'Mercurius' , sturdy Allium, the straight stems bear a hemispherical purple umbel. Excellent cut flower. Bulbs size 12/+.	1,90

Allium , large-flowered hybrids, cont.	a piece
'Miami' , the hemispherical umbel with its flat base is composed of glossy, star-shaped crimson flowers. Excellent cutflower. Bulb size 12/+.	0,38
'Mount Everest' , white, height 100 cm. The best large flowered white Allium. Bulb size 22/+.	2,20
nigrum , (syn. <i>A. multibulbosum</i>), white, height 70 cm. Bulb size 14/+.	0,38
obliquum , height 60-90 cm. Nice but rather small round flower heads in greenish yellow. Flowering time: June-July, bulb size I.	3,60
'Ostara' , a cross between <i>A. karataviense</i> and <i>A. atropurpureum</i> makes this cultivar to a 40 cm. high karataviense shaped plant with atropurpureum coloured flowers. Bulb size 14/+.	0,63
'Purple Rain' , powerful purple-red color, beautiful transparent sphere with shiny star-shaped flowers. Multiplies quickly. Height 90-100 cm. Bulb size 12/+.	0,40
'Purple Sensation' , purple, height 80 cm. Bulb size 12/+.	0,42
schubertii , violet-pink, large flower, rather strangely shaped. Excellent for drying. Height 40-50 cm. Bulb size 14/+.	1,60
'Summer Drummer' , late summer flowering, purple red Allium. Height 175 cm. Bulb size 12/+.	1,10
'Toabago' [®] , previously offered as Allium 'Spider'. A cross between <i>A. schubertii</i> and <i>A. atropurpureum</i> . The result is a <i>A. schubertii</i> like flower but a bit smaller and darker. The height of 60 cm. makes it a good cut flower. Bulb size 10/+.	0,85
'Violet Beauty' , a very nice violet Allium with an umbel of star shaped flowers, height 60 cm. Bulb size 12/+.	0,40
Allium , small flowered hybrids	per 10
amplectens 'Graceful Beauty' , round umbels with white flowers, height 40 cm. Bulb size 6/+.	3,50
caeruleum , (syn. <i>A. azureum</i>), blue, height 60 cm. Bulb size 5/+.	1,90
'Cameleon' [®] , white fading into pink at the top, height 20 cm. Bulb size 4/+.	2,50
carinatum subsp. pulchellum , pending purple-pink flowers, flowering-time: July-August. Height 40-50 cm. Bulb size I.	5,50
carinatum subsp. pulchellum 'Album' , pending white flowers, flowering-time: July-August. Height 40-50 cm. Bulb size I.	8,50

Allium , small flowered hybrids, cont.	per 10
carolinianum 'Rosy Dream' , strong flower stalk with a spherical inflorescence of about 3 cm, which is densely covered with dark pink, scented flowers. Height 35-40 cm. Bulb size 6/+.	N 4,50
cernuum , violet pink with pending flowers. Both leaves and flowers are edible. Height 40 cm. Bulb size I.	4,90
chloranthum 'Yellow Fantasy' , elegant umbel with numerous green-yellow flowers. Looks like A. flavum but flowering time is over a month earlier. Height 35-40 cm. Bulb size 6/+.	6,50
cowanii , snow-white flowers. The flowers appear in April-May. Height 40 cm. Bulb size 5/+.	1,30
flavum , golden yellow, pending flowers. Height 35 cm. Bulb size I.	6,20
'Hair' [®] , reddish-purple bulbils with unusual green blades, height 30-40 cm. Bulb size 5/+.	2,60
moly , (syn. A. luteum), golden yellow, height 30 cm. Bulb size 5/+.	0,80
oreophilum , (syn. A. ostrowskianum), purple-pink, height 15 cm. Bulb size 4/+.	0,80
roseum , satin-pink, height 40 cm. Bulb size 5/+.	0,90
scorodoprasum 'Art' [®] , green blades appearing between small purple bulbils. Height 100-110 cm. Bulb size 5/+.	2,70
sphaerocephalon , drumsticks, purple, excellent cut flower and good for drying, height 80 cm. Bulb size 7/+.	1,50
triquetrum , beautiful white Allium with a trihedral stalk. Height 40 cm. Bulb size 5/+.	5,30
unifolium , purple-pink, good cut flower, height 60 cm. Bulb size 5/+.	1,70
ursinum , wild garlic, the hemispherical umbel is composed of white star-shaped flowers. The leaves are edible. Native. Bulb size I.	4,20
zebdanense , white, height only 25 cm. Excellent for naturalizing. Bulb size I.	3,80

Allium , small flowered hybrids	per 5
'Millenium' , compact growing shape, solid gray-green leaves in which from July the numerous purple-red spherical inflorescences appear. Bulbs size I.	14,00
'Summer Beauty' , a rich- and exuberant growing selection. During the entire summer it shows many globular lilac purple flowers. Bulbs size I.	13,50

Fritillaria species

per 10

Flowering-period: April-May. The smaller Fritillaria must be planted at once because the bulbs are very susceptible to drying out.

acmopetala , the flowers are green with maroon-purple. Height 40-50 cm. Bulb size 8/+.	6,00
meleagris , white to purple with many shades in between, often with a speckled and/or block-shaped pattern. Bulb size 7/+.	2,10
meleagris 'Alba' , white, bulb size 6/+.	3,60
michailovskyi , purple-brown with a golden yellow edge. Height 15-20 cm. Bulb size 5/+.	5,00
uva-vulpis , chestnut brown edged yellow. Height 30 cm. Bulb size 7/+.	1,40

Fritillaria Crown

a piece

Crown Imperial, Flowering period: April-May. Height 80-100 cm.

'Aureomarginata' , (imperialis), an orange red Crown Imperial with variegated foliage, green with a yellow edge. Bulb size 20/+.	6,50
'Early Dream' [®] , (imperialis), orange-yellow, flowers a little bit earlier. Bulb size 20/+.	3,70
'Garland Star' , (imperialis), orange-red with a dark stalk. Bulb size 24/+.	3,40
'Helena' , (imperialis), soft yellow. Bulb size 16/+.	3,80
'Lutea' , (imperialis), yellow. Bulb size 24/+.	3,50
'Rubra' , (imperialis), dark orange-red. Bulb size 24/+.	3,20
-Striped- , (imperialis), new selection with fine brown veins on and in the flower. Bulb size 20/+.	N 3,90

Fritillaria species

a piece

Flowering-period: April-May. The smaller Fritillaries must be planted at once because the bulbs are very susceptible to drying out.

bucharica 'Giant' , about eight to ten white flowers with a grayish haze, height 20-30 cm. Bulb size 6/+.	5,75
davisii , dark purple flowers with some green and yellow spots and stripes. Dwarf growing. Height 15 cm. Bulb size 5/+.	1,10
eduardii , soft orange nodding bell-forming flowers. Height 70-80 cm. Bulb size 20/+.	N 4,80
elwesii , pending, purple brown bells with bright green stripes. Up to 40 cm. high stem, bulb size 5/+.	1,00
olivieri , green bell-shaped flowers with chocolate purple stripes. Height 30-35 cm. Bulb size I.	N 0,95
pallidiflora , large yellow-green flowers, the foliage is green with a blue shade. Height 35 cm. Bulb size 10/+.	2,75
persica , the flowers are blackish purple and form a 30 cm. long cluster. Height 90 cm. Bulb size 20/+.	3,30
persica 'Green Dreams' , full flower spikes, with greenish-purple, bell-shaped flowers. Height 80-100 cm. Bulb size 24/+.	4,75
persica 'Ivory Bells' [®] , a creamy-white form of the <i>F. persica</i> , Height 80-100 cm. Bulb size 24/+.	6,50
persica 'Minarette' , black-purple flowers, densely packed in compact racemes. Höhe 70-80 cm. Bulb size 24/+.	4,75
persica 'Purple Dynamite' , the glossy flowers are blackish purple and form a 30 cm. long cluster. Height 90 cm. The leaves are glossy dark green. Bulb size 24/+.	6,25
persica 'Twin Tower Tribute' , dark purple, two stems per bulb. Height 80-100 cm. Bulb size 24/+.	3,75
pontica , light green turning purplish brown towards the edge. Bulb size 6/+.	1,70
raddeana , greenish yellow, the same type of flowers as the Crown Imperials (<i>Fritillaria imperialis</i>), but flowers earlier. Height 60 cm. Bulb size 18/+.	5,50
reuteri , resembles a floriferous <i>F. michailovskyi</i> , but the flowers are shorter and slimmer and the flower stem is longer. The flowers are dark brown with a yellow edge.	4,20
stenanthera , soft pink to almost white flowers. Flowers early. Height 20 cm. Bulb size 6/+.	9,90

Galanthus

per 10

Snowdrops, February-March flowering, height 10-15 cm. Snowdrops needs early planting for a good result in the first year. Planting after the middle of September gives most of the time a poor flowering-result. We like to send only bulb size 5/+ or more but if the price is more important to you than a good result in the first year, than size 4/5 is a very good alternative. CITES bulbs. Not available for customers outside the EU.

'Dionysus' , Greatorex-Double, a higher plant and bigger flowers compared to <i>G. nivalis</i> 'Flore Pleno'. Bulb size I.	17,50
elwesii , large flowering Snowdrops. Early flowering. Bulb size 7/+.	3,80
elwesii , Bulb size 4/5.	2,10
'Hippolyta' , Greatorex-Double with green flowers and a small white edge. Slightly smaller. Bulb size 6/+.	14,00
'Mount Everest' , firm, uniform selection from <i>Galanthus elwesii</i> . Large snowdrop with greygreen, broad, upright leaves. Bulb size 8/+.	5,30
nivalis 'Flore Pleno' , double-flowered. Bulb size 5/+.	5,00
nivalis , the commonly known Snowdrop, bulb size 5/+.	3,80
nivalis , Bulb size 4/5.	2,10
'S. Arnott' , beautiful, honey-scented snowdrops, rare. Bulb size I.	15,50
'Viridapice' , white with clear green marks. Bulb size 5/+.	10,50

Geranium

per 10

A tuberous Geranium.

tuberosum , pink, flowering time: May. Height only 20 cm. Bulb size I.	2,50
---	------

Gladiolus

per 10

Flowering time: May-June. In contrast to the large-flowered gladiolus, these varieties are hardy. (Cover the bulbs in an extremely cold winter.) The plant structure creates beautiful vertical accents in the floral border. Also great to use as a cut flower. Height 70 cm. Bulb size 10/+.

colvillei 'Albus' , white, mid-early flowering.	2,30
communis subsp. byzantinus , (syn. <i>G. byzantinus</i>), violet-pink, height 50 cm. Bulb size 7/+.	1,70
nanus 'Amanda Mahy' , red.	N 2,60
nanus 'Nymph' , white with cerise signs.	2,40
nanus 'Vulcano' , fuchsia Pink mit dunklem Lila.	2,60
nanus -mix-	2,10

Hermodactylus

per 10

Very unusual Iris-like flowers. Flowering time: April-May.

tuberosus, (syn. *Iris tuberosa*), pale green with purple black markings. 3,10
Height 25-30 cm. Bulb size I.

Hyacinthoides

per 10

Previously listed as *Scilla (campanulata)*. Flowering time: April-May,
Height 20-30 cm. Suitable for naturalizing. Bulb size 8/+.

hispanica 'Alba Maxima', white. 2,70

hispanica 'Bakkum's Blue', blue. 3,80

hispanica blue. 2,50

hispanica 'Miss World', violet-pink, good cut flower. 3,20

hispanica -mix- 2,40

non-scripta, (syn. *H. nutans*), the real "English Blue Bell", blue. 2,70

Bulb size 7/+. Dutch grown.

non-scripta 'Alba', (syn. *H. nutans* 'Alba'), the white form of the "Blue
Bell". Bulb size 7/+. 3,80

non-scripta 'Rosea', (syn. *H. nutans* 'Rosea'), the pink form of the
"Blue Bell". Bulb size 7/+. 3,80

Ipheion

per 10

(Syn. *Triteleia*), starflower, spring starflower, dwarfgrowing. Suitable for naturalizing.
Bulb size I. Height 10-15 cm.

uniflorum, pale blue. 0,80

uniflorum 'Alberto Castillo'[®], white, large flowers, Height 15 cm. 2,40

uniflorum 'Rolf Fiedler', velvet blue, very beautiful. 1,70

uniflorum 'Tessa', pink. 1,80

uniflorum 'Wisley Blue', violet-blue. 1,50

Iris hollandica

per 10

Dutch Iris, the well-known bulbous Iris. Mostly used as a cut flower, but in small
groups excellent in the garden. Flowering time: May. Height 60 cm. Bulb size 8/+.

'Alaska'[®], white. 1,50

'Autumn Princess'[®], bronze colored. 2,20

'Discovery'[®], blue. 1,60

'Golden Beauty'[®], golden-yellow. 1,70

'Miss Saigon'[®], blue with yellow. N 1,70

'Mystic Beauty'[®], multicolored, with blue striping. 1,90

Iris hollandica, cont.

per 10

'Red Ember' [®] , brown-red.	2,40
'Silvery Beauty' [®] , multicolored, white-blue.	2,20
'Tigereye' [®] , (syn. l. 'Eye of the Tiger') deep purple, with a nicely veined brown black slip.	2,20
-mix- , a mix of at least 5 different varieties.	1,60

Iris dwarf growing varieties

per 10

Flowering time: February-March, Height 15 cm. Bulb size 6/+.

danfordiae , yellow, very early.	2,50
'Katharine Gold' , pale yellow with white.	4,00
'Katharine Hodgkin' , blue with a green shade, very beautiful.	2,40
reticulata , violet-blue.	1,60
reticulata 'Alida' , light blue with orange-yellow marks on the lips.	1,80
reticulata 'Blue Hill' , violet-blue flowers with a yellow blush on the lip. N	2,00
reticulata 'Blue Note' , violet blue, very beautiful.	1,90
reticulata 'Frozen Planet' , white with light blue glow on the lips.	2,70
reticulata 'Harmony' , sky-blue.	1,60
reticulata 'Natascha' , almost white, bulb size 5/+.	3,90
reticulata 'Painted Lady' , white with light- and dark blue stripes.	2,00
reticulata 'Pauline' , purple with a white glow on the lips.	1,80
reticulata 'Polar Ice' , ice white, fine light blue veins. N	4,80
reticulata 'Purple Hill' , purple with a yellow glow on the lips. N	2,00
reticulata -mix- , including l. danfordiae. Bulb size 5/+.	1,70
'Sheila Ann Germaney' , white with a blue shade and blue marks on the lips.	3,00

Ixia

per 10

Ixia paniculata is native to moist sand plains in the northwest and southwest of the Cape. The bulbs can be planted in autumn and have proven to be hardy. Blooms in July, height 50 cm.

paniculata 'Eos' , each stem produces at least 15 soft apricot yellow flowers. The star-shaped flowers sprout from a purple stem. Bulb size 4/+.	1,60
---	------

Ixiolirion

per 10

Blue funnel-shaped flowers, 2,5 - 4 cm. A good cut flower. *Ixiolirion* needs a dry and warm period in the summer for a good blossoming the second year. Height 40 cm.

tataricum , (syn. l. <i>pallasii</i>), flowering time: May-June. Bulb size 4/+.	1,10
---	------

Leucojum

per 10

Summer snowflake or Loddon lily, pending bell-shaped flowers, white with green dots. The bulbous flower resembles the well-known snowflake. But is larger and flowers in April-May.

aestivum, (summer snowflake), flowering time: May. Plant the bulb in moist soil 15-20 cm. deep. Height 50 cm. Bulb size 14/+ 4,50

aestivum 'Gravetye Giant', a higher English selection, in the right circumstances the height is up to 75 cm. Bulb size 14/+ 4,80

autumnale 'September Snow', see *Acis* under autumn flowering bulbs.

vernum, spring snowflake, April-May flowering, height 20-25 cm. 8,00
Needs a cool, moist place in the shadow. These bulbs need to be planted immediatly after receipt. Bulb size I.

Lilium

a piece

candidum, Madonna lily, fragrant, needs early planting (August). 4,50
Suitable for naturalizing. Bulb size 24/+.

martagon, Turkish Lily, species with purple hanging flowers. 6,00
Height 100-140 cm. Bulb size I.

Plant trays

A perfect way to a superb flowering display as it offers the following advantages:

- Can be used indoors or in the garden
- Bulbs can be moved easily avoiding damage
- Allows quick and easy retrieval of bulbs
- Can also be used as a mesh bowl for larger aquatic plants
- Made of strong synthetic material

Round trays in 4 sizes: per 3

Ø 18 cm. € 3,00
Ø 22 cm. € 3,30
Ø 26 cm. € 3,60
Ø 30 cm. € 3,90

Rectangular trays in 2 sizes: per 3

18 cm. x 15 ½ cm. € 3,00
23 ½ cm. x 21 cm. € 3,60

Lilium Martagon-type

per 5

Descendants produced by crossing work with the Turkish lily, *Lilium martagon*. Airy flower clusters formed by 'loose hanging' flowers with the typical Turkish hat shape. The flowers spread a wonderful wild flowers fragrance. Height 100-140 cm. Bulb size 16/+. Dutch grown.

martagon 'Arabian Knight' , red with yellow.	11,50
martagon 'Claude Shride' , purple-red.	11,50
martagon 'Orange Marmalade' , soft orange.	11,50
martagon 'Sunny Morning' , yellow with brown dots.	11,50

Muscari

per 10

Grape hyacinth, flowering time: April-May. Height 10-20 cm.

armeniacum , the most common grape hyacinth, bulb size 8/+.	1,00
armeniacum 'Artist' , beautiful, regularly filled, soft blue flowers. Bulb size 9/+.	1,70
armeniacum 'Fantasy Creation' [®] , green-blue, double-flowered. Bulb size 9/+.	1,80
armeniacum 'Manon' [®] , light blue with white, bulb size 9/+.	N 2,00
aucheri 'Blue Magic' [®] , blue, early flowering. Bulb size 8/+.	1,50
aucheri 'Ocean Magic' [®] , pale blue, early flowering. Bulb size 8/+.	1,80
aucheri 'White Magic' [®] , white, early flowering. Bulb size 9/+.	3,10
azureum , blue, the flowers are smaller but more beautiful comparing to <i>Muscari armeniacum</i> . Bulb size 6/+.	1,80
botryoides 'Album' , white grape hyacinth with slim flowers. Bulb size 6/+.	2,20
botryoides 'Superstar' , cornflower-blue grape hyacinth. Bulb size 8/+.	2,40
comosum , violet with a purple 'crest'. Bulb size 8/+.	2,50
comosum 'Plumosum' , violet, unusual shape for a <i>Muscari</i> . Flowering time: May. Bulb size 10/+.	2,40
'Double Beauty' , a double flowered form of <i>Muscari 'Peppermint'</i> , light blue flowers. Bulb size 7+.	3,80
latifolium , dark blue with a sky-blue top. Bulb size 8/+.	1,30
latifolium 'Grape Ice' , Grape hyacinth with a special flower color: the underside is violet-blue, the top is white. Bulb size 5/+.	N 4,20
macrocarpum 'Golden Fragrance' [®] , greenish yellow with a violet top, scented. Bulb size 9/+.	10,50
neglectum , (syn. <i>M. racemosum</i>), very dark blue with a small white edge, excellent for naturalizing. Bulb size 5/+.	2,80
'Night Eyes' , very dark blue with a small white edge, excellent for naturalizing. Bulb size 7/+.	2,00

Muscari, cont.

per 10

'Peppermint' [®] , pale blue fading into white at the top. Bulb size 9/+.	1,70
'Pink Sunrise' [®] , pale pink. Bulb size 5/+.	9,00
'Valerie Finnis' [®] , pale blue. Bulb size 9/+.	1,70

Nectaroscordum

Very good for the mixed border. Height 50 -100 cm, depending on the kind of soil.
Flowering time: late spring-early summer flowering.

siculum (per 10) , umbels with up to 30 flowers in a combination of green, white and brownish-pink. Bulb size 10/+. Also known under the old names: <i>Allium bulgaricum</i> and <i>Allium siculum</i> .	2,80
tripedale (per piece) , umbels with up to 30 satin pink flowers. Height 100-130 cm. Bulb size 9/+.	10,00

Ornithogalum

per 10

Star-of-Bethlehem, flowering time: April-May, height 10 cm.

balansae , Broad-leaved star-of-Bethlehem, the white flowers have broad green stripes on the outside. Good for naturalizing. Height 10-12 cm. Bulb size 7/+.	N	1,50
nutans , drooping star of Bethlehem, green with white, height 30 cm. Bulb size 6/+.		1,80
ponticum 'Sochi' , white, very suitable as a cut flower. Height 60 cm. Bulb size 12/+.		7,50
pyramidale , white with a green stripe. Very suitable as a cut flower. Bulb size 8/+.		13,50
umbellatum , common star of Bethlehem, white star shaped flowers. Height 20 cm. Bulb size 7/+.		1,90

Oxalis

per 10

Shamrock, the bulbs are not completely hardy, needs a cover in winter.

adenophylla , silver shamrock, pink with a white center. Height only 5-8 cm. Bulb size 6/+.	3,10
--	------

A larger range of Oxalis you will find in our catalog of summer flowering bulbs, which will be published in January 2022.

Puschkinia

per 10

Flowering time: March-April, height 10 cm.

scilloides var. libanotica , pale blue with light blue stripes. Bulb size 7/+.	1,10
scilloides var. libanotica 'Alba' , pure white. Bulb size 6/+.	1,50

Ranunculus

per 10

Buttercup, commonly known as a suitable flower for cutting. Height 35-40 cm. First soak before planting. Buttercups need a sunny place in the garden. Flowering time: April-May. Not completely hardy. Bulb size 6/+.

asiaticus 'Aviv' , mixed.	1,60
asiaticus 'Aviv' , pink.	1,80
asiaticus 'Aviv' , purple.	N 2,00
asiaticus 'Aviv' , red.	1,80
asiaticus 'Aviv' , yellow.	1,80
asiaticus 'Aviv' , white.	1,80
asiaticus 'Aviv Picotee' -café- , mixture of warm shades of brown, orange, yellow and beautiful intermediate colors.	2,80
asiaticus 'Aviv Picotee' -orange- , mixture of orange, red and pink tones and beautiful intermediate colors.	2,80
asiaticus 'Aviv Picotee' -rose- , mixture of pink, white and white-pink flowers.	2,80

Saxifraga

per 10

This naturalizing bulb still occur sporadically in the Netherlands. The most striking is the full flower. Height 25-30 cm.

granulata 'Plena' , white, bulb size I.	5,30
--	------

Scilla

per 10

Squill, suitable for naturalizing.

bifolia , Alpine squill, violet-blue, early flowering (March), height 10 cm. Bulb size 5/+.	2,00
bifolia 'Alba' , white, early flowering (March), height 10 cm. Bulb size 5/+.	2,00
bifolia 'Rosea' , pink, early flowering (March), height 10 cm. Bulb size 5/+.	2,20
litardierei , (syn. <i>S. amethystina</i> , <i>S. pratensis</i>), unusual muscari-shaped blue flowers. Late flowering, end of May. Height 10-20 cm. Bulb size 6/+.	2,70
mischtschenkoana 'Tubergeniana' , Tubergen squill, delicate blue with darker blue stripes. Flowers early, February. Height 10 cm. Bulb size 8/+.	3,50
siberica , sky-blue. Height 15-20 cm. Bulb size 8/+.	1,90
siberica 'Alba' , pure white, height 10-15 cm. Bulb size 8/+.	2,00

Scilla	a piece
hyacinthoides 'Blue Arrow' , beautiful high Star Hyacinth with large blue pyramidal flower clusters. Perfect perennial for in a border. Height 60 cm. Bulb size 14/+.	3,00
peruviana , beautiful blue Scilla, the round petals are slightly pointed at the top. Not completely hardy. Height 25 cm. Bulb size 20/+.	3,30

Tecophilaea	a piece
Chilean crocus, for the enthusiast, plant in a cold greenhouse just in case. The gentian blue flowers appear in the spring. Height 15 cm. Bulbs size I.	
cyanocrocus , blue.	N 3,30

Triteleia (Brodiaea)	per 10
Nice cut flower, also for naturalizing on a sunny spot. Height 50 cm. Flowering time: July.	
hyacinthina , pure white. Bulb size 5/+.	1,10
'Koningin Fabiola' , violet-blue. Bulb size 6/+.	1,00
'Pink Heaven' , delicate light pink flowers, bulb size 5/+.	N 3,00

Zantedeschia (Calla)	a piece
Arum lily, not completely hardy, but in most winters they will survive under a light cover. Height 70 cm.	
aethiopica , white, bulb size 16/+.	3,30

Picking up your order

Pre-ordered bulbs and plants may also be collected (when you mention this on your order) at:

Address:
Nijssen Tuin Heemstede
Sportparklaan 25A
2103 VR Heemstede

Your order must be paid in advance before collection. You will receive a notification by e-mail when your order is ready to be picked up.

HYACINTHS

For in the garden. Flowering time: April-May. We give you the most suitable bulb size for the garden. Of course we can deliver larger bulb sizes but the flowers of these bulbs need a strong support.

Single-flowered Hyacinths

per 10

Bulb size 15/16.

'Aiolos' , white.	4,50
'Blue Tango' , pale blue.	4,50
'Dark Dimension' [®] , very dark blue, almost black.	27,50
'Jan Bos' , red.	4,50
'Odysseus' , salmon orange.	5,20
'Pink Pearl' , dark pink.	3,80
'Purple Sensation' [®] , purple.	4,80
'Royal Navy' , dark blue.	4,80
'Woodstock' [®] , dark wine-red, striking color.	4,60
'Yellow Queen' [®] , yellow.	4,80

Double-flowered Hyacinths

per 10

For garden planting, a nice selection of these pretty scarce hyacinths.

Bulb size 15/16.

'Crystal Palace' , blue.	8,50
'Eros' , pink with a little bit of white, unusual shaped flowers.	8,50
'Madame Sophie' , white.	8,50
'Red Diamond' , red.	N 8,80
'Rosette' , dark pink.	8,50

Multiflora-Hyacinths

per 10

Blooming with a number of stems with much looser clusters and make a natural impression in the border. Bulb size 17/+.

'Anastasia' , blue.	N 7,70
----------------------------	--------

NARCISSUS, Daffodils

In general, daffodils are very suitable for naturalization and are therefore often used in gardens and parks. Flowering time: March-April. A few late varieties flower in May.

Narcissus, Trumpet	per 10
Division 1. Trumpet daffodils usually bloom in March-April.	
'Arctic Gold' , deep yellow daffodil, very suitable for naturalizing. Height 40 cm. Bulb size 14/+.	6,20
'Arkle' , yellow Trumpet-daffodil, Height 45 cm. A very good substitute for older varieties like N. 'Golden Harvest' and N. 'Exception'. Bulb size 14/+.	4,70
'Broughshane' , a strong white Trumpet-daffodil, weather resistant. Height 40 cm. Limited available. Bulb size I.	14,00
'Dutch Master' , yellow, early flowering. Bulb size 12/14.	2,80
'Elka' , nice little trumpet daffodil, at first ivory-white with a pale-yellow trumpet, later on completely white. Height 15-20 cm. Bulb size 8/+.	3,00
'Holland Sensation' , white with a large yellow trumpet, large flowers. Bulb size 16/+.	6,60
'Mount Hood' , Creamy-white. Later on fading into totally white. Height 45 cm. Bulb size 12/+.	3,90
'Orange Sunset' , white with wide-ranging orange trumpet, golden to the base, good sun-resistant. Wonderfully scented. Height 40 cm. Bulb size 14/+.	6,00
'Pink Parasol' , white with a pale pink trumpet. Height 40-50 cm. Bulb size 14/+.	N 8,20
'Rijnveld's Early Sensation' , very early flowering Trumpet-daffodil, pale yellow with a mid-size trumpet. Bulb size 12/+.	4,00
'Topolino' , cream white with yellow trumpet daffodil, great for naturalising. Height 15-20 cm. Bulb size 10/+.	N 3,70
'W.P. Milner' , a miniature daffodil for the first time listed in 1884, sulphur yellow with a pale yellow trumpet. Height 15 cm. Bulb size 10/+.	3,00

Narcissus, large-cupped

per 10

Division 2. Early to medium early flowering.

'Bella Vista', white with a deep orange cup, the best replacement for the well-known but vulnerable N. 'Flower Record'. Height 40 cm. 5,80

Bulb size 14/+.

'Bright Sun', large flowered, white with a bright yellow corolla. 7,90

Height 35 cm. Bulb size I.

'California', classic yellow large cupped daffodil. Very suitable for naturalizing. Height ca. 35 cm. Bulb size 14/+ N 3,80**'Chromacolor'**, white with a coral pink cup, strong daffodil, mid-late flowering. Height 35-40 cm. Bulb size 14/+ 5,30**'Coral Crown'**, golden yellow with a beautiful orange corolla. 4,90

Height 30-35 cm. Bulb size 12/+.

'Fortissimo', large-flowering, yellow with an orange red cup. 5,20

Height 45 cm. Bulb size 14/+.

'Hawaiian Skies', white with a yellow crown with an orange-red edge. N 7,50

Height 30 cm. Bulb size 12/+.

'Ice Follies', creamy-white, yellow cup fading to creamy-white. 4,00

Height 40 cm. Bulb size 16/+.

'Pink Charm', an ivory white daffodil, the cup is coral pink towards the edge. Height 40-45 cm. Bulb size 14/+ 4,50**'Precocious'**, white with a fringed apricot-pink cup. Height 35-40 cm. 5,20

Bulb size 14/+.

'Roulette', a white daffodil with a yellow cup, edged orange. 6,50

Height 40 cm. Bulb size 14/+.

'Snow Frills', yellow with a white cup. Height 45 cm. Bulb size 14/+ 8,00**'Sophie Girl'**, white with a soft, silky-pink crown. Height 30 cm. 3,80

Bulb size 12/+.

'Velasques', creamy-white with an orange corolla, darker towards the edge. Long lasting flowers, late-flowering. Height 40 cm. Bulb size II. 6,50**'White Plume'**, beautiful white daffodil with a slender crown, initially lime green at the base. Height 40-50 cm. Bulb size I. 7,00**Narcissus, small-cupped**

per 10

Division 3. Flowering time April-May.

'Brook Ager', white with a deep orange-red cup. Height 40 cm. Bulb size 12/+ 4,70**'Mint Julep'**, soft yellow with green-yellow cup. Height 40 cm. N 9,50

Bulb size 12/+.

'Polar Ice', pure white, with a small green/white cup, scented, late flowering. Very suitable for naturalizing. The white N. 'Recurvus'. 12,50

Height 40 cm. Bulb size I.

Narcissus , small-cupped, cont.		per 10
'Sabine Hay' , orange colored petals with a small dark-orange corolla. Scarce. Height 50 cm. Bulb size 14/+.		15,00
'Segovia' , a small cupped Narcissus, ivory white with a golden yellow cup, height 20-25 cm. Bulb size 12/+.		4,80
Narcissus , double-flowered		per 10
Division 4. The flowering period is in the months March to May.		
'Albus Plenus Odoratus' , white, nicely scented little daffodil, double-flowered. Height 35 cm. Bulb size 12/+.		7,70
'Ascot' , yellow and orange Narcissus, long lasting, beautiful double flowers. Height 40 cm. Bulb size 16/+.		6,20
'Bridal Crown' , white with a yellow shade, multi-flowered, scented. Well-known daffodil that is often offered in pots in the spring. Height 30 cm. Bulb size 16/+.	N	3,60

Ø 30 cm. € 3,90

Rectangular trays in 2 sizes: per 3

18 cm. x 15 ½ cm. € 3,00
23 ½ cm. x 21 cm. € 3,60

FLOWER BULBS FOR INDOORS

Hippeastrum (Amaryllis). Our advice is don't plant these bulbs before the beginning of November as the preparation and the resting period of the bulbs is fulfilled.

Most Hippeastrums flower within 8 weeks at 20 °C.

IMPORTANT: Delivery of Amaryllis (Hippeastrum) not before September.

A new classification has been published since 2007. The relevant group is listed after the group name.

More information about this can be found on our website.

Hippeastrum large-flowered, Galaxy group

a piece

Bulb size 34/36, unless otherwise stated. The bulb sizes offered on this list guarantee two stems.

'Ambiance' , white with red stripes.		5,20

New EU VAT Directives

Due to new EU VAT guidelines, the VAT rate of the country of destination must be calculated. If you order from outside the Netherlands, this will affect the total price of your order.

Hyacinths on glass

per 5

Prepared, for indoors on glass. Bulb size 18/19. Delivery: in the second half of September. Hyacinths for indoors should first be kept in a dark, cool place (9 °C. or less) until the flower bud is clearly visible. The growing point on the bulb then becomes slightly thinner on the bottom. At that point, the bulbs can be placed on a warm and light spot. Hyacinths prepared by mid-September will usually reach that point in early December.

'Blue Star' , blue.	4,40
'Pink Pearl' , dark pink.	4,40
'White Pearl' , white.	4,40

Special glasses for hyacinths

A small vase specially made for Hyacinths, clear (transparent) thin glass. Can also be used as a small floral vase.
a piece € 2,25

Paperwhite-Narcissus

per 10

Tazetta-Narcissus these multi-flowering Narcissus for indoors can be planted directly in a flowerpot or in a pot with fine gravel. Flowers after 6 to 8 weeks.

Quality tools from the Netherlands

SNEEBOER Onkruidschopje RVS - € 44,05 a piece

The weed trowel is mainly used for tap roots in sandy and peat soil or as a narrow transplanting trowel. Also useful for planting small bulbs.

SNEEBOER Handcultivator RVS - € 46,90 a piece

A three-tined hand tool designed to loosen the soil before planting. Also useful for removing weeds and other unwanted greenery.

SNEEBOER Pootstok gebogen RVS - € 40,10 a piece

Because the planter is designed to quickly make a hole with the desired depth and width, it is ideal for planting multiple seeds and bulbs.

SNEEBOER Planttroffel Oud Hollands Model RVS - € 55,70 a piece

Ideal for planting bulbs and perennials, but also for tearing small perennials. All bulbs (millions) in Keukenhof are placed with this trowel.

SNEEBOER Wrotter RVS - € 33,25 a piece

Tool for removing weeds from borders, in places where weed control is almost impossible.

SNEEBOER Verplantschopje RVS - € 44,05 a piece

The ideal transplanting trowel: Strong and sharp, does not break or bend. The shape and position of the handle is designed in such a way that the force is transferred as efficiently as possible to the soil.

Terms of sale:

- The Dutch Courts in Haarlem will settle any dispute under this contract in connection with any question of law.
- Minimum shipment per delivery date € 40,00.
- The costs of freight and package are not included.
- For orders over € 100,00 the costs of freight and packing are included for countries inside the E.U.
- We guarantee a good flowering-result, unless you order smaller bulbs than recommended by us. If any complaint be made touching the description or quality or condition of any goods delivered by the seller under this contract the seller undertakes either to replace within reasonable time, so much of the goods delivered as may be proved to have been defective as regards description, quality or condition when delivered or at his option to make a fair allowance of the price of so much of the goods delivered. The buyer shall have made his complaint to the seller within 10 days of receipt at the buyer's premises. He shall have forwarded with his complaint a written statement with full particulars.
- Neither party is to be held liable for any failure to carry out this contract caused by circumstances beyond that party's control.
- All accounts are due two weeks after date of invoice. On overdue accounts 12% interest per annum will be charged, together with the collection expenses. Ownership of goods is reserved until all obligations have been fulfilled.
- Previous editions will be invalid with the publication of this pricelist.
- Prices are valid until November 30, 2021.
- Due to new EU VAT guidelines, the VAT rate of the country of destination must be calculated. If you order from outside the Netherlands, this will affect the total price of your order.
All prices stated in this pricelist include Dutch VAT. This is 9% for flower bulbs and 21% for other items. On your invoice, this VAT is calculated with the VAT of the country of destination.
- The flower bulb is a living product, therefore it is impossible to guarantee the prices for the whole season. Better or worse crops than expected have a strong influence on our purchasing price. However, only extreme circumstances can force us to change our selling price.

The costs of freight and packing for countries in the E.U.

For orders under € 100,00 these are the prices for freight and packaging, orders above that amount will be free of shipping costs:

Belgium and Germany	€ 9,95
Austria, Denmark, France, Luxemburg and Italy	€ 15,00
Finland, Sweden	€ 17,00
Czech Republic, Hungary, Ireland, Poland, Slovenia, Slovakia and Spain	€ 20,00
For Croatia, Cyprus, Malta and Switzerland the price for freight and packaging is € 25,00, regardless of the order size.	

For the time being, no deliveries are possible to the United Kingdom.
Consult our website for the current costs for other countries.
