

USFWS National List of Plant Species that Occur in Wetlands: Oregon

Combined 1988 Region 9 List & 1993 Supplement List of plant species that occur in wetlands (Region 9)

An asterisk (*) following a regional indicator identifies tentative assignments based on limited information or conflicting reviews. It is intended to encourage submission of additional field review information.

Change Column:
 1 - No change in 1988 indicator assignment
 2 - 1993 change in 1988 indicator assignment
 3 - Species added to list in 1993

SCL NAME	WIS	Year	Change	C_NAME	NAT_IND	AUTHOR
