

BCS Hot Lunch

eFunds Quick Reference for 2021-22

1. Although lunches will be free again this year to all students, we strongly encourage you to set up an eFunds account with a minimal balance for your student.
2. Our Hot Lunch Program uses a scanner system to charge students for hot lunch options: main entree, additional lunch (7th-8th grades), pre-made salad & sandwich (4th-8th grades), or milk (ala carte) consumed each day. The student's ID card is scanned at the beginning of the lunch line.

As with any business, the logistics of this system are much easier when your student's lunch account is maintained with a positive monetary balance. To eliminate the need to send cash/checks to school which can be misplaced or lost, we ask that you please utilize the eFunds system that is set up for our school. **Exceptions must be requested through the school office.**

The eFunds system provides you the convenience of funding your student's account at home on-line. A transaction fee and/or credit card fee will be assessed with every transaction.

3. New students to BCS will be mailed information regarding the setup of an eFunds account with a unique ID number.
4. If your student chooses to purchase an additional lunch (7th-8th grades) or a milk with a cold lunch, you must have an eFunds account set up, activated, and funded **BEFORE** the school year begins, and a balance must be maintained for those purchases.
5. Once you have set up your student's eFunds account, the most efficient method to maintain a positive monetary balance is to designate a set amount of money to be automatically deposited every month or set up the auto-replenish option when your student's account reaches a certain threshold. A transaction fee and/or credit card fee will be assessed with every transaction.

** Be sure to turn off these options for the summer months at the end of the school year.

6. If your student loses his or her ID card, another ID card must be purchased for \$5 at the school office.
7. The eFunds link to log in is:
<https://payments.efundsforschools.com/v3/districts/55560>
This link can be found on both the Catholic Central and Burlington Catholic websites.
8. Matt DeLorme is the contact for **eFunds** for Catholic Central and Burlington Catholic Schools. Email Mr. DeLorme with any questions or issues at mdelorme@cchsnet.org

NOTICE: You must have an eFunds account set up, activated, and funded **BEFORE** the school year begins.
