Hon Tjorn Sibma MLC to the Minister for Emergency Services representing the Minister for Environment

I refer to the Department of Biodiversity, Conservation and Attraction's (DBCA's) management of threatened species and ecological communities, and I ask:

1. How many existing recovery plans have been reviewed by DBCA since 2017?
2. Regarding question one, please advise which plans were reviewed and when?
3. How many new recovery plans have been drafted by DBCA since 2017?
4. Regarding question three, please advise which plans and when?
