Please note:

All our palms are Hawaii certified (grown in sterile medium on benches), certified "burrowing nematode free" and are cleared for world export. All foreign orders are charged for a phytosanitary certificate. Cycads are certified for domestic orders only. Some substitutions may be necessary. Please list second choices and include your telephone number and date on the order form. All orders are shipped bareroot in moist sphagnum via UPS, U.S. Express Mail or Air Cargo. Payment is required before shipping. All shipping charges will be billed to the customer at time of shipment. Included in the shipping charge is a packing and handling charge, which varies according to the order size. We offer discounts on quantity orders of single species. Please inquire!
