

Fuchsia 'Coralle'

Height 1.2m
Spread 1m

FULL SUN

PART SHADE

CONTAINER

ATTRACTIVE FOLIAGE

MIXED BORDERS

FEATURES:

- Long flowering period of clusters of long, tubular, salmon-orange flowers through warmer months.
- Upright form of fuchsia with attractive matt, dark blue-green foliage with purplish overlay.
- Easy to grow with fast results.

SUGGESTED USES:

- Containers or general garden use.
- Colour for low light situations.
- Edging or for front of mixed borders.
- Small gardens or spaces.

CULTURAL CARE

Grows well in most soil types which are moist but well draining.

Prefers a semi shade position and will tolerate morning sun. Provide regular water over extended periods of heat.

Prune established plants to shape in early spring and apply a slow release fertiliser at this time. Mulch well to help retain moisture during dry periods.
