

PRIVACY AT YOUR FINGERTIPS

Match sleek, contemporary dark finishes or bright white interiors with A-Series patio doors with blinds-between-the-glass. Cordless design easily raises, lowers or tilts the blinds for control of light and privacy, offering a modern alternative to traditional blinds or drapes.

Choose FSB® hinged door hardware in a black anodized aluminum finish for a more contemporary look.

FSB® HARDWARE

FSB hardware available in a black anodized aluminum or satin stainless steel finish.

For more information, visit andersenwindows.com/a-series

*Actual wood species is either Sapele or Sipo, both non-endangered species grown in Africa, with color and characteristics similar to Central American mahoganies.

**Hardware is sold separately.

†FSB style 1102 is not available in black anodized aluminum.

Tribeca and Albany hardware are zinc die cast with powder-coat durable finish. Yuma, Encino, Newbury and Anvers are solid forged brass. FSB is stainless steel or aluminum. Distressed bronze and oil rubbed bronze are "living" finishes that will change with time and use.

Bright brass and satin nickel finishes feature a 10-year limited warranty.

Matching hinges available in most finishes for inswing patio doors, excludes FSB.

Printing limitations prevent exact replication of colors and finishes. See your Andersen supplier for actual color and finish samples.
