Sección 1 – Introducción

Este directorio de proveedores brinda una lista de los proveedores de la red de Brand New Day.

Use este directorio para encontrar proveedores de la red de Brand New Day para sus necesidades de atención. Los proveedores de la red son los médicos y otros profesionales de la salud, grupos médicos, hospitales y otros centros de atención médica que tienen un acuerdo con nosotros de aceptar nuestro pago y cualquier costo compartido del plan como pago en su totalidad. Hemos coordinado con estos proveedores de servicios de salud para que brinden los servicios cubiertos a los miembros de nuestro plan.

Los proveedores de la red enumerados en este directorio han acordado proporcionarle sus servicios de atención médica. Puede acudir a cualquiera de los proveedores de nuestra red que figuran en este directorio; sin embargo, algunos servicios pueden requerir una remisión. Si ha estado yendo a un proveedor de la red, no está obligado a seguir yendo a ese mismo proveedor. En algunos casos, es posible que reciba servicios cubiertos de proveedores fuera de la red.

Tendrá que elegir a uno de los proveedores de nuestra red enumerados en este directorio para que sea su Proveedor de Atención Primaria (PCP). Por lo general, usted debe obtener sus servicios de atención médica de su PCP. Su PCP es un médico que cumple con los requisitos estatales y está capacitado para proporcionarle atención médica básica. Su PCP le proporcionará la mayor parte de su atención y le ayudará a hacer los arreglos o coordinará el resto de los servicios cubiertos que usted obtenga como miembro del plan. Esto incluye: radiografías, pruebas de laboratorio, terapia, atención de médicos que son especialistas, admisiones hospitalarias y atención de seguimiento.

Brand New Day mantiene un estándar para los tiempos de espera de citas para todos los proveedores de la red. Los miembros deben recibir atención de proveedores de la red dentro de los siguientes plazos:

- Para atención de rutina o preventiva: 30 días hábiles
- Cuando necesite atención médica, pero no es una emergencia: 7 días hábiles
- Para atención de urgencia o emergencia: inmediatamente

¿Qué sucede si utiliza proveedores fuera de la red para obtener servicios cubiertos?

Es importante saber qué proveedores forman parte de nuestra red porque, con excepciones limitadas, mientras permanece inscrito en nuestro plan usted tiene que acudir a los proveedores de la red para obtener atención y servicios médicos. Las únicas excepciones son emergencias (incluida la atención después de la estabilización), atención de urgencia cuando la red no está disponible (generalmente cuando usted está fuera del área), diálisis renal (riñón) y cualquier servicio que se ordenó cubierto a través de un proceso de apelación.

Si ha estado yendo a un proveedor de la red, no está obligado a seguir yendo a ese mismo proveedor. Otros médicos/proveedores están disponibles en nuestra red. En algunos casos, es posible que reciba servicios cubiertos de proveedores que no son de la red.

Grupos médicos y Asociaciones de práctica independiente

La red de Brand New Day incluye proveedores asociados con Asociaciones de práctica independiente (Independent Practice Associations, IPA) y Grupos médicos. Una IPA es un grupo de médicos bajo contrato para proporcionar servicios a los miembros. Si selecciona un médico que pertenece a un IPA o grupo médico como su PCP, es posible que solo use médicos que pertenecen a ese IPA o grupo médico para recibir atención. Además, es posible que deba obtener autorización previa para recibir atención de la IPA o del grupo médico en lugar de Brand New Day.

¿Qué sucede si recibe una factura de un proveedor fuera de la red?

Si un proveedor fuera de la red le envía una factura por servicios cubiertos que usted considera que nuestro plan debe pagar, NO pague la factura. Comuníquese con Servicios al Miembro al 1-866-255-4795. Los usuarios de TTY pueden llamar al 711. Le solicitaremos que nos envíe la factura para que podamos procesar y determinar el monto que debe, si lo hubiera. Si ya pagó cualquier atención médica que cubramos, le reembolsaremos nuestra parte del costo.

¿Cómo obtener servicios cubiertos cuando tiene una emergencia?

Cuando tiene una "emergencia médica", usted considera que su salud está en grave peligro. Una emergencia médica puede consistir en un dolor intenso, una lesión grave, una enfermedad repentina o un problema médico que empeora rápidamente.

Si tiene una emergencia médica:

- Obtenga ayuda lo más pronto posible. Llame al 911 para pedir ayuda o vaya a la sala de emergencias u hospital más cercanos. Llame para solicitar una ambulancia si lo necesita. No es necesario que obtenga aprobación o una derivación primero de su PCP.
- Tan pronto como sea posible, asegúrese que nuestro plan haya sido informado sobre su emergencia. Debemos darle seguimiento a su atención de emergencia. Usted u otra persona deben llamar para informarnos acerca de su atención de emergencia, por lo general dentro de las siguientes 48 horas. Consulte la información que aparece en el reverso de su tarjeta de membresía para obtener instrucciones específicas y números de teléfono apropiados para llamar.
- Después de que la emergencia termina usted tiene derecho a recibir atención de seguimiento para estar seguro de que su condición continúa siendo estable. Nuestro plan cubrirá la atención de seguimiento. Si la atención de emergencia es proporcionada por proveedores que no forman parte de la red, trataremos de coordinar con los proveedores de la red para que se hagan cargo de su atención tan pronto como su condición médica y las circunstancias lo permitan.

¿Cómo obtener atención necesaria de urgencia?

"Atención necesaria de urgencia" es una situación que no es de emergencia cuando:

- Usted necesita atención médica de inmediato debido a una enfermedad, lesión o afección que no esperaba ni anticipaba, pero su salud no está en grave peligro.
- Debido a la situación, no es razonable que usted obtenga atención médica de un proveedor de la red.

Siempre que sea posible, debe utilizar a los proveedores de nuestra red cuando esté en el área de servicio del plan y tenga una necesidad urgente de atención. En la mayoría de los casos, si usted se encuentra en el área de servicio del plan, cubriremos la atención necesaria de urgencia solo si usted recibe esta atención de un proveedor de la red. Si las circunstancias son inusuales o extraordinarias, y los proveedores de la red no están disponibles o son inaccesibles, nuestro plan cubrirá la atención de urgencia que reciba de un proveedor fuera de la red.

Debe utilizar proveedores de la red excepto en situaciones de emergencia o de atención urgente, o para diálisis renal u otros servicios fuera del área. Si recibe atención de rutina por parte de proveedores fuera de la red, ni Medicare ni Brand New Day serán responsables de los costos.
