INTRODUCTION

- I, the Chairman of the Department-related Parliamentary Standing Committee on Science and Technology, Environment, Forests and Climate Change, having been authorised by the Committee to present the Report on its behalf, present this 'Three Hundred Sixty Fifth Report' on 'The Wild Life (Protection) Amendment, Bill, 2021'.
- 2. The Report of the Committee is in two Volumes, wherein Volume I contains the recommendations of the Committee on the Bill and Volume II contains the written memoranda on the subject matter, submitted before the Committee, by individuals/experts/institutions.
- 3. The Committee wishes to express its thanks to the Secretary and other officers of the Ministry of Environment, Forest and Climate Change and the representatives of Ministry of Law and Justice for placing before the Committee the material and information desired in connection with the examination of the Bill. The Committee also acknowledges the contribution of all those who deposed before the Committee and also those who gave their valuable suggestions on the provisions of the Bill to the Committee through their written submissions.
- 4. The Committee considered and adopted the Report in its meeting held on the 18th April, 2022.

JAIRAM RAMESH

NEW DELHI; 21st April, 2022 Vaisakha 01, 1944 (Saka)

Chairman,
Department-related Parliamentary Standing Committee on Science
and Technology, Environment, Forests and Climate Change,
Rajya Sabha.

REPORT

CHAPTER 1

INTRODUCTION

- 1.1 The Wild Life (Protection) Amendment Bill, 2021 was introduced in the Lok Sabha on December 17th, 2021. The Bill (annexed at the end of the Report- at Annexure V) was referred to the Department-related Parliamentary Standing Committee on Science and Technology, Environment, Forests and Climate Change on December 25, 2021 for consideration and report within three months, i.e. by March 24, 2021. On the request made by the Chairman of the Committee, Hon'ble Chairman, Rajya Sabha granted one month's extension of time upto 24th April, 2022 for presentation of Report.
- 1.2 In pursuance of the task at hand, the Committee held one meeting with officials of the Ministry of Environment, Forests and Climate Change on January 31, 2022. It met with noted experts on wild life conservation on February 1, 2022 and with officials of eight State Governments on March 8, 2022. The Chairman of the Committee held an informal virtual consultation with a number of experts and institutions on February 13, 2022, details of which are in Annexure I. The Chairperson has also held quite a few informal consultations with officials of the Ministry of Environment, Forests and Climate Change.
- 1.3 An Advertisement was published in major national Hindi and English daily newspapers on 27th January, 2022, calling for written representations by individuals/experts/NGOs on the Bill. In response, the Committee received around sixty representations from various individuals and institutions on the Bill. The list is at Annexure II. A number of these representations are very substantive and detailed.
- 1.4 The Committee urges the Ministry of Environment, Forests and Climate Change to study these representations carefully for they contain many valuable suggestions for making the Wild Life Protection Act, 1972 (hereinafter referred to as the principal Act) more effective especially in terms of its implementation. The entire set of these representations is contained in Volume II of this Report.

BACKGROUND TO 'THE WILD LIFE (PROTECTION) AMENDMENT BILL, 2021'

- 2.1 The Ministry of Environment, Forests and Climate Change, in its background note, submitted before the Committee that the Wild Life (Protection) Act, 1972 (53 of 1972), provides legal framework for the protection of various species of wild animals and plants, management of their habitat and the regulation and control of trade in wild animals, plants and their parts and products. The Act has been amended several times as per requirements, and the last amendment to the Act was made in the year 2006.
- 2.2 It was submitted before the Committee that India is a Party to the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES) which requires that Parties take appropriate measures to enforce its provisions and prohibit trade in violation thereof. CITES regulates trade in over 38,700 species of wild animals and plants. Currently 183 countries are Party to CITES. Non-compliance by a country to adopt appropriate legislation to implement CITES may result in a recommendation to suspend trade in CITES-listed species with such country. Such a recommendation was made in respect of India in December 2004 but was withdrawn in March 2005 following assurances by India.
- 2.3 Further, the Ministry informed that India has been implementing CITES through the Customs Act 1962, Foreign Trade (Development and Regulation) Act, 1992 the Exim Policy, and the Wild Life (Protection) Act 1972. However, the CITES Secretariat has noted certain gaps in India's implementation of the CITES. India has been identified by the CITES Standing Committee as one of the Parties requiring attention as a matter of priority regarding its national legislation. A recommendation to suspend trade with India for CITES-listed species would affect India's exports and imports of such species which include Agarwood, Sheesham, Red Sanders, medicinal and aromatic plants, wood and wood products, etc.
- 2.4 Elaborating on the contents and the purpose of 'the Wild Life (Protection) Amendment Bill, 2021', the Ministry in its background note stated that a process for incorporating the CITES provisions in Wild Life (Protection) Act, 1972 was started earlier and the Wild Life (Protection) Amendment Bill was introduced in Parliament in 2013 along with some other amendments. However, the 2013 Bill was withdrawn in 2015 for undertaking comprehensive review. The Wild Life (Protection) Amendment Bill, 2021 proposes to amend the Wild Life (Protection) Act, 1972 so as to incorporate the necessary changes to appropriately implement CITES in India.

AN OVERVIEW OF AMENDMENTS PROPOSED IN BILL

- 3.1 The total number of amendments proposed in the Bill are fifty including eleven amendments to definitions. The number of significant amendments are twenty-eight and the number of consequential amendments are sixteen. Six amendments are procedural in nature. In addition, one altogether new chapter (with fifteen Sections plus six amendments to existing Sections) is included in the Bill.
- The six major objectives of the Bill as presented by the Ministry of Environment, Forests and Climate Change, before the Committee, are as follows:
 - Ensuring international trade in wildlife is legal, sustainable and traceable by implementing the Convention of International Trade in Endangered Species of Wild Fauna and Flora (CITES).
 - Protection of native Indian gene pool¹.
 - Improved management of protected areas.
 - Improved care for seized and surrendered wild animals
 - Ensuring deterrence by enhancing fines.
 - Rationalization of Schedules to the existing Act.

'wild' would, in the view of the Standing Committee distinguish between the two.

¹ There are many Indian domesticated species as well that are not included. Therefore, the addition of the word

OBSERVATIONS AND RECOMMENDATIONS OF THE COMMITTEE ON MAJOR OBJECTIVES OF THE BILL

CITES

- 4.1 The most important reason given by the Ministry of Environment, Forests and Climate Change for introducing the Bill is the urgent need to provide legislative backing to commitments made by India over the past many years to the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES). The Committee is in full agreement that such domestic legislation has now become essential to demonstrate India's long-standing commitment to implement in letter and spirit, the provisions of CITES. The most appropriate way to do so would have been to bring amendments in the Biological Diversity Act, 2002 and not in the Wild Life (Protection) Act, 1972 since the mandate of CITES is the sustainable use of bio-diversity. But that has not been the route adopted by the Ministry of Environment, Forests and Climate Change, eventhough other amendments to the Biological Diversity Act, 2002 contained in the Biological Diversity (Amendment) Bill, 2021 are presently being examined by a Joint Committee of Parliament on the Biological Diversity (Amendment) Bill, 2021.
- 4.2 Even assuming that the amendments to the Wild Life (Protection) Act, 1972 are needed, the Committee is of the opinion that the approach adopted by the Ministry of Environment, Forests and Climate Change to provide legislative sanctity to India's commitments to CITES in the Bill, is not very convenient. The approach proposed in the Bill will make the principal Act too unwieldy and complicated and could introduce contradictions since the basic construct of the 1972 Act has always been prohibitive whereas the underlying theme of CITES is facilitative or enabling.
- 4.3 There are two other options available for giving legislative sanctity to our CITES commitments. First is to have a separate law for CITES itself. Second, is to introduce amendments in the relevant Sections of the principal Act without necessarily having an elaborate Chapter VB in the principal Act as proposed in the Bill. This particular option has very strong support in the larger professional wild life conservation community in the country many of whom have an international name and recognition as well. This would involve simple amendments to the principal Act in Sections 2(5), 2 (18A), 2 (19), 2 (27), 2 (36), 3(1), 3(2), 3A, 9, 40, 40A(1), 41(1b), 48 (bii), 49A, 51(1A), 51A and 57 and shall ensure India's commitment to the Convention without disturbing the basic structure of the principal Act.
- 4.4 The Committee has discussed both these options in detail with the Ministry of Environment, Forests and Climate Change. The Ministry has given a detailed response on the second option which is provided in Annexure III. At the request of the Committee's chairperson, this response has been critiqued by two eminent experts, which is provided in Annexure IV. The Committee urges the Ministry of Environment, Forests and Climate Change to give the most careful consideration to this critique and engage in a direct conversation with the experts.
- 4.5 While it believes that the second option is the most desirable to take, with the objective of building a consensus on this contentious issue without getting into a prolonged debate the Committee suggests a third alternative.

- 4.6 In this alternative the unwieldy and complicated Schedule IV which clutters up the principal Act is eliminated and all references to Schedule IV in the Bill are replaced by the words "the CITES Appendices". A new definition for "CITES Appendices" will then have to be inserted that reads thus:
 - "CITES Appendices shall mean Appendices I, II and III of the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES) as they apply to India as notified by the Government of India from time to time".
- 4.7 In addition, there is need for absolute clarity that nothing contained in the proposed Chapter VB could facilitate breeding and trade of native Indian species listed in the revised Schedule I and II of the principal Act. Hence, the proposed Section 49R needs to be modified to read as follows:
 - "49R.- (1) Nothing in Sections 49M, 49N, or 49O of this Chapter shall apply to a species listed in Schedule I or Schedule II if the same species is also listed in the CITES Appendices.
 - (2) The provisions of this Chapter shall be subject to the provisions of Chapters III, IIIA, IVA, V, and VA of this Act and without prejudice to anything contained therein."
- 4.8 The Committee would also like to suggest that the Ministry of Environment, Forests and Climate Change revisit Clause 30 in the Bill in its entirety and see which of its provisions must necessarily form part of the principal Act and which can be made part of the Rules. For instance, while the establishment of a Management Authority and a Scientific Authority mandated by CITES should be in the principal Act, there are other provisions in Clause 30 which are of a procedural nature that could be part of the Rules so that the principal Act is not seen to be just CITES-centric.

PROTECTION OF NATIVE INDIAN GENE POOL

4.9 The Committee is in broad agreement with the amendments proposed for the protection of native Indian gene pool. However, it would also like to point out that species could be alien and invasive as far as a particular ecosystem *within* the country is concerned. Invasive alien species may not be just restricted to those from outside India. There must be a well-considered scientific and transparent process for proposing, evaluating, listing (and delisting as well) invasive alien species, along with enabling provisions directing the formulation of specific management measures.

IMPROVED MANAGEMENT OF PROTECTED AREAS

4.10 While reiterating the imperative to keep protected areas truly protected, the Committee is broadly in agreement with the amendments proposed for improved management of protected areas, especially the provision for fulfilling the *bona fide* use of drinking and household water by local communities. However, the Committee believes that clarifications will be needed in the Rules on what constitutes 'drinking and household water by local communities' since any activity can get justified for this use if no details are stipulated. The Rules should clarify which water-related activities are allowed on Government lands and on private lands in protected areas.

- 4.11 One specific amendment that has caused considerable anguish in the wild life conservation community is the one relating to the creation of a Standing Committee of the State Board for Wild Life (SBWL). The reason given by the Ministry of Environment, Forests and Climate Change for this provision is to make the functioning of the SBWL more purposive. The legitimate worry is that such a Standing Committee with no more than twelve members will be packed with official members, exercise all powers of the SBWL and take decisions independent of the SBWL itself and end up being a rubber stamp for faster clearances of projects.
- 4.12 At present the SBWL is chaired by the Chief Minister and it was the view of all state governments that appeared before the Committee that the Chief Minister should continue to do so. This Committee is of the view that if a Standing Committee of the SBWL is to be formed, then it must *mandatorily* have as its members:
 - a) at least one-third of the non-official members of the SBWL;
 - b) at least three institutional members (like ICFRE, NTCA, etc); and
 - c) the Director of the Wildlife Institute of India or his/her nominee.

The same composition should be applicable to the National Board for Wild Life (NBWL) as well.

IMPROVED CARE FOR SEIZED AND SURRENDERED WILD ANIMALS

- 4.13 The Committee is in broad agreement with the amendments being proposed for improved care for seized and surrendered wild animals. However, one specific amendment in this regard that provides for transfer or transport of live elephants, although with conditions prescribed by the Central Government, has raised serious concern in the wild life conservation community including amongst some State Governments.
- 4.14 The Committee is deeply conscious of the fact that a number of religious and cultural institutions in some States own elephants which play a crucial role in daily worship and rituals. That is why it has attempted to strike a careful balance to ensure that age-old traditions are not interfered with while at the same time addressing widespread concerns that nothing should be done to even give an impression that private ownership of elephants and trade in them is going to be encouraged.
- 4.15 Hence, the Committee strongly recommends the deletion of Clause 27 as proposed in the Bill. However, in order to ensure a future pathway of acquisition of elephants by religious institutions, the Committee recommends the insertion of the following proviso after sub-Section (2) of Section 43 of the principal Act:
 - "Provided that the Central Government, may if it considers appropriate, prescribe such additional terms and conditions as may be necessary, subject to which any transfer or transport of an existing captive elephant for a religious institution may be conducted by a person having a valid certificate of ownership.
- 4.16 The Committee expresses the hope that such additional terms and conditions will be finalized after consultations with individuals and institutions that are active in the field of elephant conservation, protection and welfare. These rules should also have clear provisions for remedial action if the additional terms and conditions are not fulfilled.

ENSURING DETERRENCE BY ENHANCING FINES

- 4.17 The Committee is in broad agreement with the amendments proposed for ensuing deterrence by enhancing fines. In this connection it would also like to point out the need for far stricter enforcement of the law. Reports appear periodically on how the law is being circumvented. For instance, star turtles are one of the most valued and sought after species from India. There is rampant smuggling from India and the Wild life Crime Control Bureau has made seizures at airports. But surveillance needs to be intensified not only for this species but for many others also. The Bureau has also to become more alert, as part of an international coalition, to the growing use of digital and social media platforms for trafficking and illegal trade in wild life.
- 4.18 The Committee also would like to point out that there should be a distinction between a criminal act and possible erroneous breach of the law, especially regarding permissions granted for education, science and research. The latter should attract fines undoubtedly but not imprisonment.

RATIONALIZATION OF SCHEDULES IN PRINCIPAL ACT

- 4.19 'The Wild Life (Protection) Amendment Bill, 2021', proposes to replace the existing six Schedules in the principal Act, with three Schedules- Schedule I for species that will enjoy the highest level of protection, Schedule II for species that will be subject to a lesser degree of protection and Schedule III that covers plants.
- 4.20 The Committee is in agreement with this proposal. However, it finds a number of species missing in all the three Schedules. It also finds species that should be in Schedule I but have been placed in Schedule II. There are species missing altogether both in Schedules I and II as well as in Schedule III. Schedules I and II as proposed in the Bill will also not be able to be referenced easily by those entrusted with the responsibility of implementing the amended Act since they are arranged according to their scientific names in Latin.
- 4.21 Hence, the Committee recommends major changes in all the three Schedules and also restructured Schedules I and II in a manner that makes them easy to read and look up. For instance, the species are arranged under broad groups (in scientific language called taxa) and listed by common names of species in alphabetical order which is not the case in the Bill.
- 4.22 The Committee would also like to point out that due to the reduction in the number of Schedules in the Bill, many species fail to appear in either Schedule I or Schedule II. In the principal Act this was addressed by including the broad family (taxa) in the schedules other than Schedule I and Schedule II where there were no/minor penalties associated with hunting these species but the species were defined as wild life, thereby offering them protection. This anomaly needs to be addressed by the Ministry of Environment, Forests and Climate Change by having a separate schedule for all species that do not feature in Schedules I and II. Currently, the Schedules I, II and III are having most of the bird species, but the same cannot be said for mammals, reptiles, amphibians, fish, invertebrates, and plants.
- 4.23 Schedules I, II and III *revised* by the Committee based on extensive feedback received from various institutions and experts are appended to this Report. The Committee urges the Ministry of Environment, Forests and Climate Change to consult the Botanical Survey of India (BSI) to make Schedule III more comprehensive.

RECOMMENDATIONS OF THE COMMITTEE ON TWO ISSUES NOT CONTAINED IN THE BILL

Human-Animal Conflict

- 5.1 Although an advisory was issued on January 6th, 2021 by the Ministry of Environment, Forests and Climate Change to State Governments, the Bill does not contain any specific provisions to deal with the concerns raised by members of the Committee on the issue of human-animal conflict which, in many ways, reflects on the success of conservation and protection programmes for which India has been a pioneer and has emerged as a world-leader. Given these concerns the Committee has made some suggestions in this regard which it hopes will be considered seriously by the Ministry of Environment, Forests and Climate Change before the Bill is brought back to Parliament.
- 5.2 Subject experts who appeared before the Committee and others who submitted detailed memoranda have also sought for specific provisions in the law. The Committee has also considered the question as to why another Statutory Committee is required when the law already empowers constitution of the State Board for Wild Life and the justification is as follows:
 - a) That Human-Animal Conflict (HAC) is a complex issue as serious as hunting and therefore needs legislative backing in order to effectively manage the situation;
 - b) That HAC requires to be disaggregated into those conflicts that endanger human life and property (as in the case of elephants and large carnivores) and those that damage human property for example, crop damage.
 - c) That the HAC Advisory Committee will be headed by the Chief Wild Life Warden who is the sole authority under Section 11 (1) (a) of the principal Act to take decisions in respect of Schedule I animals and can now consult the said committee under the proposed Section 33C of the principal Act, so that all aspects pertaining to the issue can be discussed which will enable the Chief Wild Life Warden in proper decision making, particularly in contentious situations involving huge media & public outcry;
 - d) That a specialized committee, having limited members with in-depth technical knowledge for evolving effective site-specific plans/ mitigation strategies including recommendations on changing cropping patterns and for taking critical decisions at short notice, empowered under the law is necessary;
 - e) That the recommended Committee with over 10 members chaired by the Minister in charge of Ministry of Environment, Forests and Climate Change may not have the specialized knowledge in terms of technical issues like chemical immobilization and specialized capture techniques, translocation, identification of corridors for long-term resolution etc.;
 - f) That in order to deal with law & order situations which erupt in most HAC situations, a senior police officer empowered under the law has been recommended so

that appropriate orders, to Superintendents of Police to effectively control law & order and ensure protection to forest staff and property, can be issued;

Wild life Science

5.3 Over the past half a century since the Wild Life (Protection) Act, 1972 came into being; India has built up impressive capabilities in wild life science. Indian institutions and individuals have acquired global standing. The Committee believes that this infrastructure needs to be mobilized more meaningfully in the cause of wild life conservation, protection and management. The Committee has made some initial suggestions in this regard. A detailed memorandum on this specific subject has been received from a group of wild life scientists and forms part of volume II of the Committee's Report. The Committee recommends that the Ministry of Environment, Forests and Climate Change think more on this issue before coming back to Parliament with a new Bill. The Wildlife Institute of India in Dehradun also needs significant strengthening and expansion which must be supported fully from the budget of the Ministry of Environment, Forests and Climate Change.

RECOMMENDATIONS OF THE COMMITTEE FOR INSERTION OF ADDITIONAL CLAUSES (NOT CONTAINED IN THE BILL) IN THE PRINCIPAL ACT

6.1 Before giving its Clause-by-Clause recommendations, the Committee recommends the following additional insertions in the principal Act, which are not contained in the Wild Life (Protection) Amendment Bill, 2021.

Insertion in Section 5B (2) of principal Act

6.2 The Committee recommends the following insertion in Section 5B (2) of the principal act:

For the words "and not more than ten members to be nominated by the Vice-Chairperson from amongst the members of the National Board", the words "and at least one-third of the non-official members of the National Board to be nominated by the Vice-Chairperson, at least three institutional members of the National Board to be nominated by the Vice -Chairperson and the Director of the Wildlife Institute of India or his/her nominee" shall be substituted.

Insertion in Section 12 of principal Act

6.3 The Committee recommends the following insertion in Section 12 of the principal act:

For the words "to hunt", the words "to capture, snare, trap, bait, tranquilize, radio tag, dart and collect" shall be substituted.

Insertion as Section 12(e) of principal Act

- 6.4 The Committee recommends the following insertion as Section 12(e) of the principal act:
 - (1) The Director, Wild Life Preservation, may grant permits for special purpose under this Section, in writing, on species listed under Schedule I. The Central Government shall process and respond to permit requests within a period not exceeding ninety days. Issuance of permits will be accompanied by a set of terms and conditions under which the special permits are issued. Rejection of the permit shall be accompanied with specific reasons in writing after giving an opportunity for the applicant to be heard or to submit a revised proposal.
 - (2) The Chief Wild Life Warden shall grant permits for special purpose under this Section, in writing, on wild animals, except for those included under Schedule I, within a time period which shall in no case exceed sixty days. Rejection of the permit shall be accompanied with specific reasons in writing after giving an opportunity for the applicant to be heard or to submit a revised proposal.

Insertion in Section 17B of principal Act

- 6.5 The Committee recommends the following insertion in Section 17B of the principal act:
 - (e) The Chief Wild Life Warden shall grant permit for special purposes under this Section, in writing, on specified plants within a time period which shall in no case

exceed sixty days. Rejection of the permit shall be accompanied with specific reasons in writing after giving an opportunity for the applicant to be heard or to submit a revised proposal.

Insertion in Section 33 in principal Act

6.6 The Committee recommends the following insertion in Section 33 of the principal act:

For the words "manage and maintain all sancturies" the words "manage and protect all sancturies" shall be substituted

Insertion as Section 33C in principal Act

6.7 The Committee recommends the following insertion as Section 33C of the principal act:

33C Constitution of Human-Animal Conflict Management Advisory Committee –

- (1) The State Government shall constitute a Human-Animal Conflict Management Advisory Committee for ensuring planning, monitoring and mitigation of human-wildlife conflict within the State
- (2) The Human-Animal Conflict Management Advisory Committee shall consist of
 - (a) The Chief Wildlife Warden Chairperson;
 - (b) an officer of the State Police Department not below the rank of an Inspector General in charge of Law & Order Vice Chairperson.
 - (c) two eminent wildlife ecologist with specific expertise in human-wildlife conflict solutions;
 - (d) a wild life veterinarian with specific expertise in chemical immobilization and translocation of conflict prone species;
 - (e) a representative of a non-governmental organization with experience in mitigation of human-wildlife conflict;
 - (f) a sociologist with experience in mitigation of human-animal conflict;
- (3) The term of office of the members other than those who are members ex officio and the manner of filling up of vacancies and the procedure to be followed shall be such, as may be prescribed.
- (4) The Human-Animal Conflict Management Advisory Committee shall perform the following functions, namely:-
 - (a) assess the extent of human-animal conflict and finalize an adaptive action plan covering all aspects including equipment, trained personnel, allocation of funds and advice on quantum of compensation to affected people;
 - (b) formulate site-specific plans including creation of viable wildlife corridors to ensure long-term resolution of conflict;
 - (c) develop specific protocols and Standard Operating Procedures, including prescription of scientific capture, translocation and population management techniques based on best practices, in

- compliance of Section 12 including maintenance of law & order in the affected local area or location and related subjects;
- (d) convene and meet at, at short notice, to monitor and evaluate emergency situations that require timely action to be taken under Section 11.

Insertion in Section 38C (a) of principal Act

6.8 The Committee recommends the following insertion in Section 38C (a) of the principal act:

After the word "zoo;" the words "in case of conservation breeding centres minimum standards will be species-specific and decided in consultation with experts or institutions breeding the species" shall be added.

Insertion in Section 38C (b) of the principal Act

6.9 The Committee recommends the following insertion in Section 38C (b) of the principal act:

After the words "the norms" the words "including disease surveillance" shall be added.

Insertion in Section 38C (d) of principal Act

6.10 The Committee recommends the following insertion in Section 38C (d) of the principal act:

After the word "zoo" the words "or a specialized agency "shall be added.

Insertion in Section 38 I(2) in principal Act

6.11 The Committee recommends the following insertion in Section 38 I(2) of the principal act:

After the words "recognized zoo" the words "This shall not apply to registered conservation breeding centers." shall be added.

Insertion as proviso after sub-Section (2) of Section 43 of the principal Act

6.12 The Committee recommends the following insertion as proviso after sub-Section (2) of Section 43 of the principal act:

Provided that the Central Government, may if it considers appropriate, prescribe such additional terms and conditions as may be necessary, subject to which any transfer or transport of an existing captive elephant for a religious institution may be conducted by a person having a valid certificate of ownership.

Insertion in Section 50(4) of principal Act

6.13 The Committee recommends the following insertion in Section 50(4) of the principal act:

After the words "before a Magistrate" the words "after registering a Wildlife Offence Report duly entered in such book and form along with the Case Diary as prescribed" be inserted.

Insertion in Section 50(3A) of principal Act

6.14 The Committee recommends the following insertion in Section 50(3A) of the principal act:

After the words "Assistant Conservator of Forests" the words "or an Officer in charge of a Police Station" be inserted

Insertion in Section 51 (1) of principal Act

6.15 The Committee recommends the following insertion in Section 51(1) of the principal act:

After the words and figures "except Chapter VA," the words and figures "Section 12, Section 17B" shall be inserted.

Insertion in Section 51 (1A) of principal Act

6.16 The Committee recommends the following insertion in Section 51(1A) of the principal act:

After the words and figures "Chapter VA" the words and figures "Chapter VB" shall be inserted.

Insertion of new sub-section (1BB) in Section 51 of principal Act

6.17 The Committee recommends the following insertion as new subsection (1BB) in Section 51 of the principal act:

Notwithstanding anything contained elsewhere in this Act, any person who contravenes the provisions of Section 12, Section 17B and Clause(c) of sub-Section (1) of Section 28, shall be punishable with fine which may be extendable to fifty thousand rupees:

Provided that in case of a second or subsequent offence the fine may extend to one lakh rupees.

Provided further that for an offence committed in relation to clause (d) of Section 12, the penalty prescribed in the first proviso of sub-Section (1) of Section 51 shall apply.

Insertions in Section 55 and Section 55 (b) of principal Act

6.18 The Committee recommends the following insertions in Section 55 and Section 55 (b) of the principal act:

After the words 'or any other officer' the words "or any Police officer" be inserted

Insertion to Section 61 in principal Act

- 6.19 The Committee recommends the following insertion in Section 61 of the principal act:
 - (5) The Central and State Governments shall develop and implement species recovery programmes for species notified in Schedules I and III to be decided by the National Board for Wild Life and concerned State Board for Wild Life.

CLAUSE-BY-CLAUSE RECOMMENDATIONS OF THE COMMITTEE ON THE BILL

7.1 The Committee is in agreement with a majority of the Clauses as mentioned in the proposed Wild Life (Protection) Amendment Bill, 2021. However, the Committee recommends the changes to some of the Clauses on the Bill as mentioned in the succeeding paras.

Clause 2

7.2 The Committee recommends that after the word "protection," the word "research" shall be inserted and after the words "management of wild life" the words "enabled by science" shall be inserted.

Thus Clause 2 as recommended by the Committee would read as follows:

"In the preamble of the Wild Life (Protection) Act, 1972 (hereinafter referred to as the principal Act), for the words "protection of wild animals, birds and plants", the words "conservation, protection, research and management of wild life enbled by science" shall be substituted"

Clause 3 (a)

7.3 The Committee recommends that for the words and figures "Schedule I, Schedule II, Schedule III or Schedule IV", the words and figures "Schedule I or Schedule II or the CITES Appendices" shall be substituted.

Clause 3 (d)

7.4 The Committee recommends that for the words and figures "Schedules I to V", the words and figures "Schedules I or Schedule II or the CITES Appendices" shall be substituted.

Clause 3 (e)

7.5 The Committee recommends that for the words and figures "Schedules I to V and VI" the words and figures "Schedule I, II, III or the CITES Appendices" shall be substituted.

Clause 3 (i)

7.6 The Committee recommends that for the words "wild animal" the words and figures "wild animals specified in Schedule II and" shall be substituted.

Clause 5

7.7 The recommendation for deleting the words "on such terms and conditions as may be prescribed" in the Bill is being made since functions are already specified in Section 5C of the principal Act in detail. Thus, there is no lacunae that requires to be addressed by insertion of the amendment in Section 5B (3).

The Committee therefore recommends that Clause 5 shall be deleted.

Clause 6A (2)

7.8 The Committee recommends that for the words "not more than ten members to be nominated by the Vice-Chairperson from amongst the members of the Board" the

words "at least one-third of the non-official members of the State Board to be nominated by the Vice-Chairperson, at least three institutional members of the State Board to be nominated by the Vice Chairperson and the Director of the Wildlife Institute of India or his/her nominee" shall be substituted.

The Committee therefore recommends that the amended Clause 6A (2) may be read as follows

"(2) The Standing Committee shall consist of the Vice-Chairperson, the Member-Secretary, and at least one-third of the non-official members of the State Board to be nominated by the Vice-Chairperson, at least three institutional members of the State Board to be nominated by the Vice Chairperson and the Director of the Wildlife Institute of India or his/her nominee."

Clause 12(a)

7.9 The Committee recommends that for for the words "National Board" the words "State Board and National Board" shall be substituted.

Clause 12(b)

7.10 The Committee recommends that the Explanatory Clause 12(b) may be read as follows:

"Explanation.—For the purposes of this section, grazing or movement of livestock permitted under clause (d) of section 33, or hunting of wild animals under a permit granted under section 11 or hunting without violating the conditions of a permit granted under section 12, or the exercise of any rights permitted to continue under clause (c) of sub-section (2) of section 24, including the bona fide use of drinking and household water by local communities, until they are settled, shall not be deemed to be an act prohibited under this section."

Clause 13(a)

7.11 The Committee recommends that for the word "him" the word "him/her" shall be substituted.

Clause 27

7.12 The Committee recommends that Clause 27 be deleted.

Clause 30

7.13 The Wild Life (Protection) Amendment Bill, 2021 proposes to introduce, through Clause 30, a new Chapter VB thereby inserting Clause 49D to 49R in the principal Act. The Committee recommends that the following explainatory Clause be inserted after sub-clause clause 2(a) of the proposed Clause 49J:

"Explanation. - For the purposes of clause (a), the expression "commercial purposes" means display of any living specimen in a zoo or rescue centre which charges an entry fee."

- 7.14 The Committee also recommends the following be inserted after the proposed Clause 49R:
- "(1) Nothing in Sections 49M, 49N, or 49O of this Chapter shall apply to a species listed in Schedule I or Schedule II if the same species is also listed in the CITES Appendices.

(2) The provisions of this Chapter shall be subject to the provisions of Chapters III, IIIA, IVA, V, VA and VIA of this Act and without prejudice to anything contained therein."

Clause 31(ii)

- 7.15 The recommendation to empower officers of the Central Armed Police Forces is being made since such Forces that may include the Border Security Force (BSF), Sashastra Seema Bal (SSB), Indo Tibetan Border Police (ITBP) are deployed along land borders through which illegal trafficking of wildlife happens.
- 7.16 The Committee therefore recommends that the amended Clause 31(ii) may be read as follows:
- " after the words "a sub-inspector", the words "or any customs officer not below the rank of inspector or any officer of the coast guard or the central armed police forces not below the rank of an Assistant Commandant" shall be inserted."

Clause 31(iii)

7.17 The Committee recommends that Clause 31(iii) shall be deleted.

Clause 32

7.18 The Committee recommends the following amendment to Clause 32 (a)(ii)(B):

for the words and figures "Appendix I of Schedule IV" the words and figures "Appendix I of the CITES Appendices" shall be substituted.

Clause 36

- 7.19 The recommendation for redrafting Section 57 is being made in order to ensure that this important provision, which prescribes a reverse burden of proof, should also cover "wild animal" which for some reason is not included. The lacunae which has the potential of being exploited, is sought to be plugged.
- 7.20 The Committee recommends that Clause 36 may be redrafted as follows: "In Section 57 of the principal Act—
- (a) after the words "control of any" the words "wild animal" shall be inserted;
- (b) after the words "derivative thereof" at both the places where they occur, the words "or Scheduled specimen" shall be inserted;
- (c) after the words "control of such" the words "wild animal" shall be inserted."

Clause 40

7.21 The Wild Life (Protection) Amendment Bill, 2021, through Clause 40, proposes to amend Section 63 sub-section (1) and insert sub-clause (gviii) after clause (gvi) in the principal Act. The Committee recommends that the proposed insertion in the principal Act as Section 63 sub-section (1) (gviii), be deleted.

Clause 41

7.22 The Committee recommends that Clause 41 shall refer to revised Schedule I, II and III and not to Schedules I, II, III and IV as contained in Bill. The Committee also recommends that consequential changes shall be made correspondingly, in the entire Bill, wherever Schedules have been referred to. The revised Schedules as recommended by the Committee are as follows:

SCHEDULE I

PART A: MAMMALS

Sl. No.	Common name	Scientific name
	ANTELOPES	
1.	Blackbuck	Antilope cervicapra
2.	Chiru/ Tibetan Antelope	Pantholopshodgsonii
3.	Chowsingha/ Four-horned Antelope	Tetracerus quadricornis
4.	Chinkara/ Indian Gazelle	Gazella bennettii
5.	Goa/ Tibetan Gazelle BADGER	Procaprapicticaudata
6.	Greater Hog Badger	Arctonyxcollaris
7.	Northern Hog Badger BATS	Arctonyxalbogularis
8.	Andaman Horseshoe Bat	Rhinolophus cognatus
9.	Black-eared Flying Fox	Pteropusmelanotus
10.	Kolar Leafnosed Bat/ Leafletted Leaf-nosed Bat	Hipposideroshypophyllus
11.	Nicobar Flying Fox	Pteropusfaunulus
12.	Salim Ali's Fruit Bat	Latidenssalimalii
13.	Wroughton's Giant Mastiff Bat	Otomopswroughtoni
	BEARS	
14.	Asian Black Bear	Ursus thibetanus
15.	Brown Bear	Ursus arctos
16.	Sloth Bear	Melursus ursinus
17.	Sun Bear	Helarctosmalayanus
	BINTURONG	
18.	Binturong	Arctictis binturong
	CANIDS	
19.	Dhole	Cuonalpinus
20.	Grey Wolf	Canis lupus
	CAPRINES	
21.	Argali	Ovis ammon
22.	Himalayan Goral	Naemorhedus goral
23.	Himalayan Serow	Capricornissumatrensis thar
24.	Markhor	Capra falconeri
25.	Red Goral	Naemorhedus baileyi
26.	Red Serow	Capricornisrubidus
27.	Siberian Ibex	Capra sibirica
28.	Takin	Budorcastaxicolor
29.	Urial	Ovis vignei

CATS

	CAIS	
30.	Asiatic Golden Cat	Catopumatemminckii
31.	Asiatic Cheetah	Acinonyx jubatus venaticus
32.	Asiatic Lion	Panthera leo persica
33.	Caracal	Caracal caracal
34.	Clouded Leopard	Neofelisnebulosa
35.	Desert Cat/ Wild Cat	Felis silvestris
36.	Eurasian Lynx	Lynx lynx
37.	Fishing Cat	Prionailurusviverrinus
38.	Jungle Cat	Felis chaus
39.	Leopard	Panthera pardus
40.	Leopard Cat	Prionailurus bengalensis
41.	Marbled Cat	Pardofelis marmorata
42.	Pallas's Cat	Otocolobusmanul
43.	Rusty-spotted Cat	Prionailurusrubiginosus
44.	Snow Leopard	Panthera uncia
45.	Tiger	Panthera tigristigris
	CIVETS	
46.	Common Palm Civet	Paradoxurus hermaphroditus
47.	Small Indian Civet	Viverricula indica
48.	Large Indian Civet	Viverrazibetha
49.	Malabar Civet	Viveracivettina

SWIFTS	
1042. Alpine Swift	Tachymarptis melba
1043. Asian Palm Swift	Cypsiurusbalasiensis
1044. Blyth's Swift	Apus leuconyx
1045. Brown-backed Needletail	Hirundapus giganteus
1046. Common Swift	Apus apus
1047. Himalayan Swiftlet	Aerodramusbrevirostris
1048. Indian House Swift	Apus affinis
1049. Indian Swiftlet	Aerodramus unicolor
1050. Nepal House Swift	Apus nipalensis
1051. Pacific Swift	Apus pacificus
1052. Plume-toed Swiftlet	Collocalia affinis
1053. Silver-backed Needletail	Hirundapuscochinchinensis
1054. White-rumpedSpinetail	Zoonavena sylvatica

1055. White-throated Needletail	Hirundapuscaudacutus
SYLVIA WARBLERS AND ALLIES	_
1056. Asian Desert Warbler	Curruca nana
1057. Barred Warbler	Currucanisoria
1058. Common Whitethroat	Curruca communis
1059. Eastern Orphean Warbler	Currucacrassirostris
1060. Garden Warbler	Sylvia borin
1061. Lesser Whitethroat	Currucacurruca
THICK-KNEES	
1062. Beach Thick-knee	Esacusmagnirostris
1063. Great Thick-knee	Esacusrecurvirostris
1064. Indian Thick-knee	Burhinus indicus
THRUSHES AND ALLIES	
1065. Alpine Thrush	Zootheramollissima
1066. Black-breasted Thrush	Turdus dissimilis
1067. Black-throated Thrush	Turdus atrogularis
1068. Chestnut Thrush	Turdus rubrocanus
1069. Chinese Thrush	Otocichlamupinensis
1070. Dark-sided Thrush	Z ootheramarginata
1071. Dusky Thrush	Turdus eunomus
1072. Eyebrowed Thrush	Turdus obscurus
1073. Fieldfare	Turdus pilaris
1074. Grandala	Grandala coelicolor
1075. Green Cochoa	Cochoaviridis
1076. Grey-sided Thrush	Turdus feae
1077. Grey-winged Blackbird	Turdus boulboul
1078. Himalayan Forest Thrush	Zootherasalimalii
1079. Indian Blackbird	Turdus simillimus
1080. Japanese Thrush	Turdus cardis
1081. Kessler's Thrush	Turdus kessleri
1082. Long-billed Thrush	Zootheramonticola
1083. Long-tailed Thrush	Zootheradixoni
1084. Mistle Thrush	Turdus viscivorus
1085. Naumann's Thrush	Turdus naumanni
1086. Nilgiri Thrush	Zootheraneilgherriensis
1087. Orange-headed Thrush	Geokichlacitrina
1088. Pied Thrush	Geokichlawardii
1089. Purple Cochoa	Cochoa purpurea
1090. Red-throated Thrush	Turdus ruficollis
1091. Scaly Thrush	Zootheradauma
1092. Siberian Thrush	Geokichlasibirica
1093. Song Thrush	Turdus philomelos
1094. Tibetan Blackbird	Turdus maximus
1095. Tickell's Thrush	Turdus unicolor
1096. White-collared Blackbird	Turdus albocinctus
TITS	

1097	. Azure Tit	Cyanistes cyanus
1098	. Cinereous Tit	Parus cinereus
1099	. Coal Tit	Periparusater
1100	. Fire-capped Tit	Cephalopyrusflammiceps
	. Green-backed Tit	Parus monticolus
1102	. Grey-crested Tit	Lophophanesdichrous
	. Ground Tit	Pseudopodoces humilis
1104	. Himalayan Black-lored Tit	Machlolophusxanthogenys
	. Indian Black-lored Tit	Machlolophusaplonotus
1106	. Rufous-naped Tit	Periparusrufonuchalis
1107	. Rufous-vented Tit	Periparusrubidiventris
1108	. Sultan Tit	Melanochlorasultanea
1109	. White-naped Tit	Machlolophusnuchalis
1110	. Yellow-browed Tit	Sylviparusmodestus
1111	. Yellow-cheeked Tit	Machlolophusspilonotus
	TREE-CREEPERS AND ALLIES	1 1
1112	. Bar-tailed Treecreeper	Certhiahimalayana
1113	. Hodgson's Treecreeper	Certhiahodgsoni
1114	. Hume's Treecreeper	Certhiamanipurensis
1115	. Indian Spotted Creeper	Salpornisspilonota
1116	. Rusty-flanked Treecreeper	Certhianipalensis
1117	. Sikkim Treecreeper	Certhiadiscolor
	TREESWIFTS	
1118	. Crested Treeswift	Hemiprocnecoronata
	TROGONS	
1119		
	. Malabar Trogon	Harpactes fasciatus
	. Red-headed Trogon	Harpactes erythrocephalus
1122	. Ward's Trogon	Harpacteswardi
	TROPICBIRDS	
	. Red-billed Tropicbird	Phaethon aethereus
	. Red-tailed Tropicbird	Phaethon rubricauda
1125	. White-tailed Tropicbird	Phaethon lepturus
	WALLCREEPER	
1126	. Wallcreeper	Tichodromamuraria
	WAXWINGS	
1127	. Bohemian Waxwing	Bombycillagarrulus
	WEAVERS	
1128	. Baya Weaver	Ploceusphilippinus
_	. Black-breasted Weaver	Ploceusbenghalensis
1130	. Streaked Weaver	Ploceusmanyar
	WHISTLERS	
1131	. Mangrove Whistler	Pachycephala cinerea
	WHITE-EYES, YUHINAS AND ALLIES	
1132	. Black-chinned Yuhina	Yuhina nigrimenta

64

Zo sterops erythrop leurus

1133. Chestnut-flanked White-eye

1134. Indian White-eye	Zosteropspalpebrosus
1135. Rufous-vented Yuhina	Yuhina occipitalis
1136. Striated Yuhina	Staphidacastaniceps
1137. Stripe-throated Yuhina	Yuhina gularis
1138. Whiskered Yuhina	Yuhina flavicollis
1139. White-naped Yuhina	Yuhina bakeri
WOODPECKERS AND ALLIES	
1140. Andaman Woodpecker	Dryocopushodgei
1141. Bay Woodpecker	Blythipicuspyrrhotis
1142. Black-rumpedFlameback	Dinopiumbenghalense
1143. Brown-capped Pygmy Woodpecker	Yungipicus nanus
1144. Brown-fronted Woodpecker	Dendrocoptesauriceps
1145. Common Flameback	Dinopiumjavanense
1146. Crimson-breasted Woodpecker	Dryobatescathpharius
1147. Darjeeling Woodpecker	Dendrocoposdarjellensis
1148. Eurasian Wryneck	Jynx torquilla
1149. Freckle-breasted Woodpecker	Dendrocoposanalis
1150. Fulvous-breasted Woodpecker	Dendrocoposmacei
1151. Great Spotted Woodpecker	Dendrocopos major
1152. Greater Flameback	Chrysocolaptesguttacristatus
1153. Greater Yellownape	Chrysophlegmaflavinucha
1154. Grey-capped Pygmy Woodpecker	Yungipicuscanicapillus
1155. Grey-headed Woodpecker	Picuscanus
1156. Heart-spotted Woodpecker	Hemicircuscanente
1157. Himalayan Flameback	Dinopiumshorii
1158. Himalayan Woodpecker	Dendrocoposhimalayensis
1159. Lesser Yellownape	Picuschlorolophus
1160. Pale-headed Woodpecker	Gecinulusgrantia
1161. Rufous Woodpecker	Micropternusbrachyurus
1162. Rufous-bellied Woodpecker	Dendrocoposhyperythrus
1163. Scaly-bellied Woodpecker	Picussquamatus
1164. Sind Woodpecker	Dendrocoposassimilis
1165. Speckled Piculet	Picumnusinnominatus
1166. Streak-throated Woodpecker	Picusxanthopygaeus
1167. Stripe-breasted Woodpecker	Dendrocoposatratus
1168. White-bellied Woodpecker	Dryocopusjavensis
1169. White-browed Piculet	Sasiaochracea
1170. White-naped Woodpecker	Chrysocolaptesfestivus
1171. Yellow-crowned Woodpecker	Leiopicusmahrattensis
WOODSHDIKES AND ALLIES	

WOODSHRIKES AND ALLIES

1172. Bar-winged Flycatcher-shrike

1173. Common Woodshrike

1174. Large Woodshrike

1175. Malabar Woodshrike

Tephrodornisvirgatus

Tephrodornissylvicola

WOODSWALLOWS

1176. Ashy Woodswallow	Artamusfuscus
1177. White-breasted Woodswallow	Artamusleucorynchus
WREN BABBLERS	
1178. Nepal Wren Babbler	Pnoepygaimmaculata
1179. Pygmy Wren Babbler	Pnoepygapusilla
1180. Scaly-breasted Wren Babbler	Pnoepygaalbiventer
WRENS	
1181. Northern Wren/Eurasian Wren	Troglodytes troglodytes

Part C: REPTILES

Sl. No.	Common Name	Scientific Name	
	GECKOS		
1.	Clouded Indian Gecko	Cyrtodactylus nebulosus	
2.	East Indian Leopard Gecko	Eublepharishardwickii	
3.	Leopard Gecko	Eublepharismacularius	
4.	West Indian Leopard Gecko	Eublepharisfuscus	
	COBRAS		
5.	Andaman Cobra	Najasagittifera	
6.	Central Asian Cobra	Najaoxiana	
7.	Common Cobra/ Spectacled Cobra	Najanaja	
8.	Monocled Cobra/	Najakaouthia	
0.	Monocellate Cobra	1vajanao atma	
	OTHER SNAKES		
9.	Asiatic Water Snake/	Fowlea piscator	
	Checkered Keelback	-	
10.	Banded Krait	Bungarus fasciatus	
11.	Camel Snake	Spalerosophisdiadema	
12.	Dhaman/ Oriental Ratsnake	Ptyas mucosa	
13.	Glossy-bellied Racer	Platycepsventromaculatus	
14.	Mandarin Trinket Snake	Euprepiophismandarinus	
15.	Red-spotted Diadem Snake	Spalerosophisarenarius	
	TURTLES AND		
	TORTOISES	~ .	
16.	Assam Leaf Turtle	Cyclemysgemeli	
17.	Brown Roof Turtle	Pangshurasmithii	
18.	Indian Black Turtle	Melanochelystrijuga	

Part D:AMPHIBIANS

Sl. No.	Common Name	Scientific Name
	FROGS	
1.	Aloysi Skittering Frog	Phrynoderma aloysii
2.	Annandale's Frog/ Assam Hills Frog	Clinotarsusalticola
3.	Asian Brackish Frog/ Crabeating Frog, Mangrove Frog/ Rice Field Frog	Fejervaryacancrivora
4.	Chin Woodfrog	Sylviranalacrima
5.	Cope's Frog	Hydrophylaxleptoglossa
6.	Crab-eating Frog/ Mangrove Frog	Fejervaryamoodiei
7.	Ghosh's Frog/ Manipur Frog	Euphlyctisghoshi
8.	Giant Gliding Frog	Zhangixalussmaragdinus
9.	Golden Frog/ Bull Frog/ Indian Bull Frog/ Tiger Frog/ Tiger Peters Frog/ Indian Bullfrog	Hoplobatrachustigerinus
10.	Indian Five-fingered Frog/ Indian Pond Frog/ Indian Bullfrog/ Indian Green Frog	Phrynoderma hexadactylum
11.	Indian Flying Frog	Pteroranakhare
12.	Indian Skipping Frog	Euphlyctiscyanophlyctis
13.	Indoburman Torrent Frog	Amolopsindoburmanensis
14.	Jerdon's White-lipped Horned Frog	Megophrys major
15.	Karaavali Skittering Frog	Phrynoderma karaavali
16.	Kerala Skittering Frog	Phrynoderma kerala
17.	Litoral Bullfrog	Hoplobatrachuslitoralis
18.	Malabar Bull Frog/ Jerdon's Bull Frog/ South Indian Bullfrog	Hoplobatrachuscrassus
19.	Marbled Sucker Frog/ Marbled Cascade Frog/ Marbled Torrent Frog	Amolopsmarmoratus
20.	Orissa Frog	Fejervaryaorissaensis
21.	Perching Frog/ Six-Lined Tree Frog/ Terai tree frog	Polypedatesteraiensis
22.	Purple Frog	Nasikabatrachussahyadrensis
23.	Bompu Litter Frog	Leptobrachiumbompu
24.	Terai Wart Frog	Minervaryateraiensis
25.	The Kalasgram Skittering Frog	Euphlyctiskalasgramensis
26.	Twin-spotted Tree Frog	Rhacophorus bipunctatus
27.	Yellow-spotted White-lipped Horned Frog	Megophrysflavipunctata
28.	Sikkim Paa Frog	Nanoranaleibigii

Part E: FISHES

	Tarte. Fighes	
Sl. No.	Common Name	Scientific Name
	SNAKEHEAD	
1.	Orange-spotted Snakehead	Channaaurantimaculata
2.	Rainbow Snakehead	Channableheri
3.	Barca Snakehead	Channabarca
	CICHLID	
4.	Canara Pearlspot	Etropluscanarensis
	CARPS	TAT 11 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1
5.	Maharaja Barb	Waikhomiasahyadriensis
	LOACH	B
6.	Zebra Loach CATFISH	Botia striata
7	Ocellated Pufferfish	Leiodoncutcutia
7.	Ocenated I unernsii	Leiouoncuicuitu
	Part F: INSECTS	
	BUTTERFLIES	
Sl. No.	Common Name	Scientific Name
1.	Andaman Mormon Butterfly	Papilio mayo
2.	Archduke Butterfly	Lexias pardalis
3.	Blue Duchess Butterfly	Euthaliaduda
4.	Blue Oakleaf Butterfly	Kallimahorsfieldii
5.	Chain Swordtail Butterfly	Graphiumaristeus
6.	Chinese Yellow Sailer	Neptiscydippekirbariensis
7	Butterfly	Donath and a substant
7.	Clipper Butterfly	Parthenos sylvia
8.	Common Banded Peacock Butterfly	Papiliocrino
9.	Common Bluebottle Butterfly	Graphium Sarpedon
10.	Dark Blue Royal Butterfly	Pratapa icetasmishmia
11.	Elwes' Silverline Butterfly	Spindasiselwesi
12.	Fourbar Swordtail Butterfly	Graphiumagetes
13.	Glassy Bluebottle Butterfly	Graphiumcloanthus
14.	Golden Birdwing Butterfly	Troidesaeacus
15.	Great HockeystickSailer	Phaedyma Aspasia
4.5	Butterfly	
16.	Green Dragontail Butterfly	Lampropterameges
17.	Khaki Silverline Butterfly	Spindasis Rukmini
18.	Lister's Hairstreak Butterfly Mackwood's Hairstreak	Pamela dudgeon
19.	Mackwood's Hairstreak Butterfly	Strymonmackwoodi
20.	Malabar Banded Peacock	Papilio buddha
20.	Butterfly

Part G: CRABS

Class Malacostraca, Order **Superfamily Paguroidea**

All species of Hermit Crabs of Subphylum Crustacea, Class Decapoda, and

PART H: MOLLUSCA

Sl. No.	Common Name	Scientific Name
	CONCHES	
1.	Arthritic Spider Conch	Harpagoarthriticus
2.	Chiraga Spider Conch	Harpago chiragra
3.	Giant Spider Conch	Lambistruncatatruncata
4.	Millipede Spider Conch	Lambismillepeda
5.	Orange Spider Conch	Lambiscrocata
6.	Scorpion Spider Conch	Lambisscorpius
7.	Sibbald's Conch	<i>Amabiliplicatussibbaldi</i>
8.	Trapezium Horse Conch/	Pleuroploca trapezium
	Striped Ox Conch	
	COWRIES	
9.	Map Cowry	Leporicypraeamappa

10.	Mole Cowry/ Chocolate- banded Cowry	Talpariatalpa
11.	Slug-like Cowry	Staphylaealimacine
12.	OYSTER Capiz Shell/ Windowpane Oyster	Placuna placenta
13.	TOP SHELL Commercial Top Shell VOLUTE	Rochianilotica
14.	Gold-banded Volute	Harpulinaarausiaca

PART I: SPONGES

Sl. No.	Scientific Name
1.	All species of Demospongiae of Subclass Keratosa of the Orders and Families
2.	Order Dendroceratida: Family Dictyodendrillidae
3.	Order Dictyoceratida: Families Dysideidae, Irciniidae, Spongiidae, Thorectidae
4.	All species of Demospongiae of Subclass Heteroscleromorpha of the Orders and Families
5.	Order Axinellida: Families Axinellidae, Raspailiidae
6.	Order Biemnida: Family Biemnidae
7.	Order Bubarida: Family Dictyonellidae
8.	Order Clionaida: Family Clionaidae
9.	Order Haplosclerida: Families Callyspongiidae, Chalinidae, Niphatidae, Petrosiidae
10.	Order Poecilosclerida: Families Microcionidae, Latrunculiidae, Acarnidae, Chondropsidae, Myxillidae, Mycalidae
11.	Order Scopalinida: Family Scopalinidae
12.	Order Suberitida: Family Halichondriidae
13.	All species of Demospongiae of Subclass Verongimorpha of the Order and Family
14.	Order Verongiida: Family Pseudoceratinidae
15.	All species of Calcarea of Subclass Calcinea of the Order and Family
16.	Order Clathrinida: Family Leucettidae
17.	All species of Calcarea of Subclass Calcaronea

Part J: ARACHNIDA

TARANTULAS

	Common Name	Scientific Name
1.	Anantagiri Parachute Spider	Poecilotheriatigrinawesseli
2.	Bengal Ornamental/ Chota Nagpur Parachute Spider	Poecilotheriamiranda
3.	Indian Ornamental Spider/ Regal Parachute Spider	Poecilotheria regalis
4.	Mysore Ornamental Spider/ Striated Parachute Spider	Poecilotheria striata
5.	Peacock Tarantula/ Metallic Parachute Spider	Poecilotheriametallica
6.	Pederson's Ornamental Spider/ Ghost Ornamental Spider/ Magam Tiger Spider	Poecilotheriavittate
7.	Rameshwaram Ornamental/ Rameshwaram Parachute Spider	Poecilotheriahanumavilasumica
8.	Redslate Ornamental Spider/ Rufus Parachute Spider	Poecilotheriarufilata
9.	Salem Ornamental Spider/ Salem Parachute Spider	PoecilotheriaFormosa

SCHEDULE III.

Sl. No.	Scientific Name	Common Name	Family	Distribution
1	Aconitum heterophyllum	Atish	Ranunculaceae	Central Himalaya
2	Aenhenrya rotundifolia	Roundleaf Henry-Orchid	Orchidaceae	South India
3	Amentotaxusassamic a	Assam catkin- yew	Taxaceae	Assam, Arunachal Pradesh
4	Anoectochilus spp.	Jewel Orchids	Orchidaceae	Many parts of India
5	Aponogetonbruggeni i		Aponogetonaceae	Western India
6	Aponogetonnateshii		Aponogetonaceae	Maharashtra
7	Aquilaria khasiana	Khasi Agarwood	Thymelaeaceae	Assam (S Meghalaya)
8	Arisaema ghaticum	Western Ghats' Cobra Lilly	Araceae	NW Ghats
9	Athyrium kumaonicumSyn. Athyrium anisopterum		Athyriaceae	Many parts of India
10	Ceropegiaspp.	Ceropegia, Kandilphool (Marathi), Haman Batata (Marathi)	Apocynaceae	Many parts of India
11	Coptisteeta.	Yunan Goldthread	Rannunculaceae	Arunachal Pradesh (Mishmi Hills)
12	Crepidiumspp.	Spur Orchids	Orchidaceae	Himalaya, Western Ghats
13	Crinum malabaricum	Malabar Crinum	Amaryllidaceae	Kerala
14	Cycas spp.	Cycads	Cycadaceae	Many parts of India
15	Cypripedium spp.	Lady Slipper Orchids	Orchidaceae	Himalaya; Many parts of India
16	Dactylorhizaspp.	Himalayan Marsh Orchid, Hatajari, Salam Panja	Orchidaceae	Himalaya
17	Dendrobium spp.	Dendrobium	Orchidaceae	North-East India
18	Diclipteraabuensis		Acanthaceae	Rajasthan
19	Dipcadireidii	Reid's Dipcadi	Liliaceae	Uttarakhand (Kali Valley)
20	Distimakerhyncorhiz a		Convolvulaceae	India (SW Maharashtra to NW Karataka)
21	Drimiarazii		Asparagaceae	Maharashtra
22	Farsetiamacrantha		Brassicaceae	NW Rajasthan

23	Fritillaria cirrhosa	Himalayan Fritillary	Liliaceae	Western Himalaya
24	Gentiana kurrooSyn. Gentiananodeskurro o	Kadu, Karu	Gentianaceae	Western Himalaya
25	Gymnadenia spp.	Himalayan Fragrant Orchid	Orchidaceae	Himalaya
26	Gymnocladusassami cus	Himalayan Soap Pod Tree	Fabaceae	Arunachal Pradesh
27	Habenariaspp.	Habenaria	Orchidaceae	Himalaya
28	Hopeashingkeng		Dipterocarpaceae	E. Arunachal Pradesh
29	Indopiptadeniaoudhe nsisSyn. Piptadeniaoudhensis	Gainti	Fabaceae	West & Central Himalaya
30	Lilium polyphyllum	White Himalayan Lilly	Liliaceae	Himalaya
31	Lilium wallichianum	Wallich's Himalayan Lilly	Liliaceae	S India, Himalaya
32	Litsealigustrina		Lauraceae	SW India
33	Madhucadiplostemon		Sapotaceae	Kerala
34	Mappianimmoniana	Ghanera (Mar), Narkya (Mar), Corilai (Tamil)	Icacinaceae	Assam, S India
35	MeizotropispellitaSy n. Butea pellita	Patwa	Fabaceae	Central Himalaya
36	Nardostachysjatama nsi	Jatamansi	Caprifoliaceae	Himalaya
37	Odontochilus spp.	Jewel Orchids	Orchidaceae	Many parts of India
38	Paphiopedilum spp.	Lady Slipper Orchids	Orchidaceae	Many parts of India
39	Paris polyphylla	Himalayan Paris, Love Apple	Melanthiaceae	Himalaya
40	Phlomoides superba	Golden Himalayan Spike	Lamiaceae	West Himalaya
41	Pterocarpus santalinus	Red Sander, Rakta-Chandan	Leguminosae	South India
42	Renanthera imschootiana	Red Vanda	Orchidaceae	Arunachal Pradesh
43	Rotalasahyadrica		Lythraceae	Maharashtra
44	Salacia oblonga		Celastraceae	South India
45	Saussureaobvallata	Bramhakamal	Asteraceae	Himalaya
46	Selaginella adunca	Spikemoss	Selaginellaceae	Central Himalaya

47	Trachycarpustakil	Kumaon Palm, Himalayan Windmill Palm	Arecaceae	Himalaya
48	Tribulus terrestris var. rajasthanensis		Zygophyllaceae	Arid regions of Rajasthan
49	Trillium govanianumSyn.Trill idiumgovanianum	Nag Chhatri (Hindi)	Melanthiaceae	Western Himalaya
50	Urariapicta	Dabra, Shankaraja	Fabaceae	Sub-tropical areas
51	Valerianaleschenault ii	Leschenault's valerian	Caprifoliaceae	SW India
52	Vanda coerulea	Blue Vanda	Orchidaceae	NE India
53	Withaniacoagulans		Solanaceae	Arid regions of Rajasthan
54	Zeuxine spp.	Jewel Orchids	Orchidaceae	Many parts of India

ANNEXURE-I

INDIVIDUALS/EXPERTS WHO DEPOSED BEFORE THE COMMITTEE

- 1. The following Non-official Expert Witnesses appeared before the Committee on 01st February, 2022
 - i. Shri Ravi Singh, Trustee, WWF-India
 - ii. Shri MK Ranjitsinh, Retired Senior Bureaucrat
- iii. Shri BivashPandav, Director, Bombay Natural History Society
- iv. Shri M.D. Madhusudan, National Institute of Biological Science
- 2. The following Non-official Expert Witnesses attended an informal virtual consultation with the Chairperson of the Committee on 13th February, 2022:
 - i. Shri Ravi Singh, Trustee, WWF-India
 - ii. Shri MK Ranjitsinh, Retired Senior Bureaucrat
- iii. Shri BivashPandav, Director, Bombay Natural History Society
- iv. Shri M.D. Madhusudan, National Institute of Biological Science
- v. Shri H.S. Pabla, Retired Senior Bureaucrat
- vi. Shri Yadvendradev Jhala, Dean and Scientist-G, Wildlife Institute of India
- vii. Shri Praveen Bhargava, Trustee & Former Member-National Board for Wildlife
- viii. Shri TR Shankar Raman, Nature Conservation Foundation, Mysore
- ix. Shri Sanjay Molur. Executive Director, Zoo Outreach Organisation (ZOO)
- x. Shri Romulus Whitaker, Noted Herpetologist & Conservationist
- xi. Smt Vidya Athreya, Director, Wildlife Conservation Society India
- xii. Shri Varun R. Goswami, Director & Senior Scientist, Conservation Initiatives
- xiii. Smt Divya Vasudev, Senior Scientist, Conservation Initiatives
- xiv. Shri Suparna Ganguly, President, Wildlife Rescue & Rehabilitation Centre (WRRC)
- xv. Shri Alok Hisarwala Gupta, Animal Rights lawyer

LIST OF INSTITUTIONS AND INDIVIDUALS WHO HAVE SUBMITTED WRITTEN COMMENTS ON THE WILD LIFE (PROTECTION) AMENDMENT BILL, 2021

Individuals on behalf of institutions

- 1. Shri Praveen Bhargav, Wildlife First, Bengaluru
- 2. Shri Ritwick Dutta, Legal Initiative for Forest & Environment, New Delhi
- 3. Shri T.R. Shankar Raman et al, Nature Conservation Foundation, Mysuru
- 4. Shri Sanjay Molur, Zoo Outreach Organisation, Coimbatore
- 5. Shri Varun Goswami, Conservation Initiatives, Guwahati
- 6. Smt. Vidya Athreya, Wildlife Conservation Society-India, Bengaluru
- 7. Shri M.D. Madhusudan, NCBS, Bengaluru
- 8. Shri Bivash Pandav, BNHS, Mumbai
- 9. Shri Ravi Singh, WWF India, New Delhi
- 10. Smt. Suparna Ganguly, WRRC, Bengaluru
- 11. Shri Shibaji Charan Nayak, Wild Orissa, Bhubaneswar
- 12. Shri Abi Tamim Vanak, ATREE, Bengaluru
- 13. Shri Debaditya Sinha, Vidhi Centre for Legal Policy, New Delhi
- 14. Shri Samir Kumar Sinha, Wildlife Trust of India, New Delhi
- 15. Shri Shubhobroto Ghosh, World Animal Protection, New Delhi
- 16. Shri Alok Hisarwala Gupta, Justice for Animal India,
- 17. Smt. Debi Goenka, Conservation Action Trust, Mumbai
- 18. Humane Society International India, Hyderabad
- 19. Shri Shailendra Singh, Turtle Survival Alliance-India, Lucknow
- 20. True Conservation Alliance Foundation,
- 21. Elsie Gabriel, Young Environmentalists Programmes Trust, Mumbai
- 22. Smt. Nikita Dhawan, Youth for Animals

RATIONALE OF MINISTRY OF ENVIRONMENT, FORESTS AND CLIMATE CHANGE FOR NOT ACCEPTING THE RECOMMENDATIONS OF THE COMMITTEE FOR INCORPORATING CITES COMMITMENTS IN THE WILD LIFE PROTECTION ACT, 1972 THROUGH SIMPLE AMENDMENTS IN RELEVANT SECTIONS

REGARDING THE DELETION OF CHAPTER VB

The amendments suggested by the Committee will in no significant way improve India's implementation of CITES. On the other hand, they will result in application of very strict domestic regulations to CITES listed species which are not required by the Convention.

According to the CITES Secretariat's analysis, the following shortfalls exist in India's implementation of CITES: a) that the roles and functions of the Management Authority and Scientific Authorities are not clearly defined; b) that there is no legal instrument designating the Scientific Authorities and providing for their independence from the Management Authority; c) that implementation of Articles II, III, IV, V, VI and VII of the Convention through the Foreign Trade Policy rather than through legislation is not sufficient; d) that the legislation does not cover "introduction from the sea" which is one of the elements of international trade regulated by CITES; and e) that it does not cover disposal of confiscated specimens as per the requirements of Article VIII of the Convention. All of these shortfalls have been addressed in the new Chapter VB proposed in the Wild Life (Protection) Amendment Bill, 2021.

The amendments suggested by the Committee do not address most of the shortfalls mentioned above. In particular:

- a. they do not address the most important aspect of the Convention, which is the implementation of Articles III, IV, and V (i.e., the rules/conditions of trade for Appendix I, II, and III species respectively) in legislation;
- b. they do not address "introduction from the sea" which is one of the categories of trade regulated by CITES and which does not form any part of the current Act or the Foreign Trade Policy; and
- c. they do not address disposal of confiscated specimens as per the requirements of Article VIII of the Convention.

These provisions are substantive in nature and should find place in the principal Act rather than Rules made thereunder.

CITES is a technical Convention and it cannot be implemented adequately by simply making minor changes to the existing Wild Life (Protection) Act, 1972. The new Chapter VB and the amendments suggested in the Amendment Bill will result in proper implementation of CITES.

REGARDING APPARENT CONFLICT BETWEEN THE PROPOSED CITES PROVISIONS AND THE CURRENT ACT

The provisions of Chapter VB lay down the regulations based on which international trade may be conducted in CITES listed species. They also provide regulations for the possession, transfer, etc. of CITES-listed live animals, and the breeding / artificial propagation of Appendix-I listed animals and plants. These regulations do not exist in legislation currently and are being introduced for the first time. Therefore, the argument that the provisions are "enabling" rather than "regulatory" is simply not true. It is also worth mentioning that the Act already contains provisions which allow for licensed dealerships for animal articles, captive animals, etc. for species listed on Schedule III and Schedule IV. Therefore, there is no inherent conflict between the Act and the object sought to be achieved by the CITES provisions.

Comments have been received indicating a fear that the provisions of the new Chapter VB may allow for breeding and trade of native Indian species listed in Schedules I and II. The proposed new Sections 49M, 49N, and 49O, which provide for registration of possession, licensing of breeding, etc., of CITES-listed species will not apply to native species listed in Schedules I and II. This is already addressed in the proposed Section 49R of the Amendment Bill which states that where "the same species is listed in Schedule I or II and Schedule IV, then, the provisions of this Act applicable to such species listed in Schedule I or II and the rules made thereunder shall apply."

However, if there is a need, this Section may be made clearer so as to avoid any doubt.

A suggestion would be that the proposed Section 49R be modified to read as follows:

- "49R.- (1) Nothing in Sections 49M, 49N, or 49O of this Chapter shall apply to a species listed in Schedule I or Schedule II if the same species is also listed in Schedule IV.
- (2) The provisions of this Chapter shall be subject to the provisions of Chapters III, IIIA, IVA, V, and VA of this Act and without prejudice to anything contained therein."

REGARDING INCLUSION OF ALL CITES SPECIES AS SPECIFIED PLANTS

The suggestion by the Committee to include CITES species within specified plants will have far-reaching and undesirable consequences. The provisions of Chapter III-A, which apply to specified plants, are very strict regulations which should not apply to all CITES-listed plants. Moreover, the inclusion of all CITES listed plants as specified plants will not in any meaningful way improve India's implementation of CITES.

Chapter III-A includes the following provisions:

- a. Section 17A(a) prohibits the picking or uprooting of specified plants without a license.
- b. Section 17A(b) prohibits the possession, sale, transfer, etc. of specified plants or derivatives thereof without a licence.
- c. Section 17C prohibits the cultivation of specified plants without a license.

d. Section 17D prohibits dealing in specified plants or parts or derivatives thereof without a license.

CITES lists thousands of species of plants with an aim to regulate international trade in these species. It does not prohibit or regulate the domestic cultivation, trade, usage and consumption of these species. The application of the provisions in Chapter IIIA to these species will result the Act becoming un-implementable.

Some examples of the undesirable results of inclusion of all CITES species as specified plants are as follows:

- a. Wood and wood products from CITES-listed tree species will be hit by the prohibitions on possession, sale, purchase, transfer etc. in Chapter III-A. CITES lists valuable timber species both native to India and imported from abroad which are used for making furniture and other wood products. Some examples of these include sheesham (*Dalbergia sissoo*) and Indian rosewood (*Dalbergia latifolia*), and foreign species such as African cherry (*Prunus Africana*), and bubinga (*Guibourtiaspp.*).
- b. Traditional and Ayurvedic medicines which contain CITES-listed flora will become subject to the prohibitions on possession, sale, purchase, transfer etc. in Chapter III-A. CITES lists several medicinal plants including native species such as kutki (*Picrorhizakurroa*) and Indian snakeroot (*Rauvolfia serpentina*).
- c. Food products and cosmetics made from CITES-listed orchids will become subject to the prohibitions on possession, sale, purchase, transfer etc. in Chapter III-A.
- d. products made from aromatic plants such as agarwood (*Aquilaria malaccensis*) will become subject to the prohibitions on possession, sale, purchase, transfer etc. in Chapter III-A.

REGARDING INCLUSION OF ALL CITES SPECIES AS "WILD ANIMALS", "CAPTIVE ANIMALS", ETC.

Inclusion of CITES species as "wild animals" will not in any way result in implementation of the CITES conditions for international trade of such species (Articles III, IV and V of the Convention). CITES regulates import, export, re-export, and introduction from the sea, of CITES listed species. As per CITES, permits are required to be issued for such activities only on the fulfillment of certain conditions (non-detriment findings, legal acquisition findings, etc.). None of these matters are currently provided for in the Act or the Foreign Trade Policy. The proposed Sections 49H, 49-I, 49J, 49K and 49L in the Amendment Bill clearly incorporate the CITES requirements for trade of such species and are an absolutely essential requirement of CITES implementation.

The provisions of the Act applicable to Schedule I and II species are a stricter domestic measure than CITES which are intended primarily for protection of Indian wild animals. They create prohibitions and regulations on the following activities: hunting (Section 9), possession (for Schedule I animals in Sections 40 and 42 of the Act), domestic trade (regulation or prohibition based on the respective Schedule in Sections 40, 43, 44, and Chapter VA of the Act), transport (Section 48A), and purchase (Section 49). These activities are not specifically regulated by CITES, and inclusion of CITES species in such regulations will not result in better implementation of the Convention. Instead, Section 49M has been

proposed in the Amendment Bill so as to ensure legality and traceability of domestic trade of live CITES-listed animal species.

CITES does not regulate the hunting of species and the suggested amendment to include CITES in Section 9 doesn't contribute towards CITES implementation. Native Indian species which require protection from hunting will be listed in Schedules I and II. There is no advantage in prohibiting hunting of species which do not occur in the wild in India.

Inclusion of all Appendix I and Appendix II CITES listed animal species in Section 40 may have many undesirable consequences.

Two examples of this are:

- a. fishing, consumption and domestic trade of CITES-listed marine species, which are currently legal, and in which many fishing communities are involved, will become illegal. Examples of CITES-listed marine species which are landed and consumed in India are oceanic white tip (*Carcharhinus longimanus*), hammerhead sharks (*Sphyrna lewini*, *Sphyrna mokarran* and *Sphyrna zygaena*) and silky shark (*Carcharhinus falciformis*).
- b. Articles made from exotic CITES-listed species (such as leather goods made from exotic reptile skins, vicugna wool, etc.) which are currently legally possessed and traded in the country will become subject to very strict regulation. All these items will have to be declared and ownership certificates will have to be obtained for them. Possession of such items without ownership certificates will be illegal. Transfer will be possible only through inheritance.

Similarly, Chapter VA prohibits all commercial trade in the species to which it applies. Such a strict level of regulation is undesirable for many CITES listed species, especially marine species and exotic species.

LETTER TO THE CHAIRMAN OF THE COMMITTEE FROM EXPERTS IN RESPONSE TO THE NOTE OF THE MINISTRY (in ANNEXURE III)

09.04.2022

Shri Jairam Ramesh- M.P Hon'ble Chairman Standing Committee on S&T, Environment, Forests & Climate Change

Dear Sir:

Sub: Comments on the Rationale Note with Recommendations

Ref: Your E-mail dated 08.04.2022

We thank you for seeking our comments on the Note titled "Rationale for not accepting CITES changes proposed by the Standing Committee" In response to your request, we are pleased to share our comments along with specific recommendations for your kind consideration.

A bare reading of the said Note reveals that the reasons as to why the CITES Chapter VB ought to be included in the Act have been elaborated. Based on our understanding of the CITES issue and the related intricacies pertaining to implementation of the Wildlife (Protection) Act, 1972 that we are acutely aware of due to our long-term work on this subject, we wish to responsibly submit as under -

- 1. At the outset, it has been stated in the Rationale Note that the amendments suggested by the Standing Committee will in no significant way improve India's implementation of CITES. We are of the considered view that this appears to be an incorrect reading of the amendments suggested which is substantiated by the following
 - 1.1 On the official website of CITES and on the webpage "What is CITES" https://cites.org/eng/disc/what.php it is stated that "Although CITES is legally binding on the Parties in other words they have to implement the Convention it does not take the place of national laws... each Party, which has to adopt its own domestic legislation to ensure that CITES is implemented at the national level". This makes it amply clear that if India opts to ensure stricter protection and curb the illegal trade in CITES species where potential for laundering is high, it is free to do so. Thus, it would be incorrect to infer that the Convention is insisting on enacting an enabling law or amendments to the Wildlife Act which will enable extensive trade in CITES species.
 - 1.2 It is also clear that the objective and scope of CITES and the implementation of the regulations is to primarily prevent illegal and unsustainable trade and extinction of species and not to actively promote trade in such species. However, an analysis of the provisions of Chapter VB in the Bill, makes it clear that it is enabling in nature in order to promote trade and facilitate the import of CITES species for large private zoos, aviaries, dolphinariums etc.

- 1.3 In the current geo-political situation, co-operation between many range states in respect of species whose range spans several countries, is challenging and therefore tighter restrictions are certainly necessary.
- 1.4 The Management Authority, based at Delhi has no independent mechanism to track issues pertaining to laundering of CITES species, piggy backing on legal trade which will increase exponentially if Chapter VB becomes law. Data pertaining to seizures etc. by different law enforcement agencies are invariably in different silos which makes it difficult to track the illegal cartels who would be applying for CITES permits. In other words, an individual who has cases registered by the Local Police will still get further permits from the Management Authority and continue to operate, as is the case today.

We are of the clear opinion that all these serious issues can only be addressed by the stricter provisions.

- 2. The note also lists five specific shortfallsthat exist in India's implementation of CITES. In response, we would like to state that we had in our submissions to the Standing Committee presented a template for amendment of certain sections in the Principal Act in order to ensure the Nation's commitments to the Convention. The specific arguments on how each of these stated shortfalls have been carefully addressed has been drawn from our submissions and presented as follows-
 - "a) that the roles and functions of the Management Authority and Scientific Authorities are not clearly defined in the recommendations of the Standing Committee;"

Response: That this issue has been clearly addressed by our suggested additional insertion in Section 3A of Principal Act, carefully drawing from Clause 30 in Bill.

"b) that there is no legal instrument designating the Scientific Authorities and providing for their independence from the Management Authority;"

Response: That this has been adequately dealt with by our suggested insertion of subsections (5), (6) & (7) in Section 3A.

c) that implementation of Articles II, III, IV, V, VI and VII of the Convention through the Foreign Trade Policy rather than through legislation is not sufficient;

Response: That nowhere is it insisted by the Convention that CITES should only be dealt with in a separate chapter in the Wildlife Act. On the contrary, it is the stated position of CITES that "...each Party, which has to adopt its own domestic legislation to ensure that CITES is implemented." Thus, the insistence that Chapter VB alone will satisfy the Convention, has no grounding, particularly when the recommendations on amendment of various sections of the Principal Act, if adopted, not only take care of the stated shortfalls but also provide for a stronger legislative backing as desired by the Convention.

"d) that the legislation does not cover "introduction from the sea" which is one of the elements of international trade regulated by CITES; and"

Response: Introduction from Sea (IFS) is defined in Article 1 of the Convention as "transportation into a State of specimens of any species which were taken in the marine

environment not under the jurisdiction of any State". Resolution Conf. 14.6 (Rev. CoP16) mandates that after new marine species get added to the Appendices at each meeting of the CoP, correct and effective implementation of the provisions on introduction from the sea becomes increasingly important for the conservation of these species.

To illustrate this – if a new marine species has been caught by a trawler in the high seas outside the territorial waters of India and then brought in and further landed at a port/base, the amendments to Section 2(36) "wild animal", Section 9 and the amendment to Section 50 in the Bill [clause 31 sub-clause (ii)] and related amendments will actually ensure enforcement to regulate illegal trade which will ensure better protection and conservation which CITES is insisting.

"e) that it does not cover disposal of confiscated specimens as per the requirements of Article VIII of the Convention. All of these shortfalls have been addressed in the new Chapter VB proposed in the Wild Life (Protection) Amendment Bill, 2021".

Response: Sub-section (1) of Section 49Q in Chapter VB states that when an offence is committed against any CITES species / scheduled specimen it becomes Government Property as specified in Section 39 of the Principal Act. However, sub-section (2) states that when a living specimen of a CITES species is seized for contravention of the WLPA, the Management Authority, can either return the specimen to the country of export (somewhat similar to deportation of an illegal immigrant) or "ensure that it is cared for" by a recognized zoo or rescue centre, in case it cannot be returned.

In our considered view, this creates a major loophole by which seized specimens can be handed over to a private zoo or rescue centre on the grounds that it will be "cared for". What is surprising to us is that there is no mention of mandatorily handing it over to a Government owned Zoo even though it is Government property.

On the contrary, the inclusion of CITES species in the Section 2(5) & (36) "captive animal" & "wild animal ensures that Section 39 of the Principal Act will apply to such Government Property. This will greatly reduce the scope of private zoos acquiring such seized animalswhich surely should be the intent of the legislation.

However, the issue of returning the specimen to the country of export can be dealt with by the introduction of sub-section (4) in Section 39 and we can, if sought, submit our suggestion on this separately.

3. It is stated in the note that "Inclusion of CITES species as "wild animals" will not in any way result in implementation of the CITES conditions for international trade of such species... It is further argued that CITES does not regulate the hunting of species and the suggested amendment to include CITES in Section 9 doesn't contribute towards CITES implementation. Native Indian species which require protection from hunting will be listed in Schedules I and II. There is no advantage in prohibiting hunting of species which do not occur in the wild in India.

In our view, this appears to be a completely erroneous reading of the law which is substantiated by the following –

i. That there is a thriving illegal trade in wildlife including exotic birds which includes species listed in the CITES appendices that are kept trapped in cages in pet animal

markets across the country. Enforcement currently is floundering due to the fact that CITES species are not defined in Section 2(36) as "wild animal";

- ii. Several migratory birds which are listed in CITES appendices but not specified currently in Schedule I-IV in the Principal Act, are winter visitors to India and are found in many wetlands, water bodies, grasslands etc which are not notified Protected Areas. It is widely known that such species, some of which are in the RET category, are often hunted by local gangs. The suggested inclusion of CITES species in Section 9 is, therefore, a well thought out recommendation to deal with such incidents.
- iii. Marine species listed in the CITES appendices hunted within or outside the territorial waters will come within the ambit of the Wildlife Act and offenders can be prosecuted effectively based on the suggested amendments to Sections 2 (36), 9, 51(1A), 57 etc.
- 4. The Rationale note states that "fishing, consumption and domestic trade of CITES-listed marine species, which are currently legal, and in which many fishing communities are involved, will become illegal. Examples of CITES-listed marine species which are landed and consumed in India are oceanic white tip (Carcharhinus longimanus), hammerhead sharks (Sphyrna lewini, Sphyrna mokarran and Sphyrna zygaena) and silky shark (Carcharhinus falciformis)".

We have spoken to our colleagues in the conservation community who have extensive experience on this subject and they have clearly opined that the facts and the ground reality pertaining to this issue are different. The following are the important facts-

- i. Sharks are considered 'Tigers of the Sea'. There are scientific studies that have documented the overhunting of Sharks leading to serious population declines;
- ii. Hunting of Sharks is primarily for the lucrative shark fin trade and not for consumption of meat;
- iii. There are several species of sharks that are specified in the Schedules of the Principal Act;
- iv. The practice of de-finning sharks at the landing base is very poorly monitored;
- iv. Once the fins are removed, it becomes extremely difficult to identify whether the fins are from a protected species or not. This is currently being exploited majorly to launder fins of protected species along with fins from other shark species and exported to China and the Far east for them to feast on shark fin soup. The CITES Management Authority sitting in Delhi just does not have the capacity or resources to monitor and maintain strict vigil. They are currently providing certificates for export of shark fins which is used in shark fin soup.

It is on the basis of these well-grounded facts that stricter provisions are necessary in order to curb the large-scale hunting of sharks.

5. Lastly it is stated that — "Chapter VA prohibits all commercial trade in the species to which it applies. Such a strict level of regulation is undesirable for many CITES listed species, especially marine species and exotic species"

We have carefully analysed this aspect and after due application of mind, suggested inclusion of only Appendix I & II species in Chapter VA of the Principal Act. Surely species in Appendix I & II do require better protection which can be ensured by the suggested amendments to the Principal Act.

Conclusion:

In 2020, the Central Government issued an advisory for dealing with import of exotic live species in India and declaration of stock. This is currently on the Parivesh single window clearance portal.

Vide this Advisory, a Voluntary Disclosure Scheme has been announced. Under this VDS, the declarer would not be required to produce any documentation in relation to the exotic live species if the same has been declared within six months of the date of issue of the advisory. Thus, this has opened up a major opportunity to "regularize" all illegally held exotic species which may be in the CITES appendices. The advisory is also silent on whether the prior consent of CITES has been obtained for this as the VDS can be easily exploited to launder illegal stocks.

With the infiltration of many exotic species, the danger of zoonotic diseases spreading is high, notwithstanding the claim of ensuring disease surveillance. Surely, it would be in supreme National Interest, and after the horrendous impact of Covid-19 to ensure that we take all necessary precautions in this regard.

Recommendations:

Therefore, after careful analysis and in order to ensure that the objective of providing legislative backing to CITES, without disturbing the prohibitive structure of Wildlife (Protection) Act, 1972 is achieved, we would like to make the following specific recommendations –

- i. That Chapter VB in the Wildlife (Protection) Amendment Bill 2021 be deleted completely and instead, a separate law pertaining to CITES be enacted, which would include provisions from the deleted Chapter VB, with appropriate amendments thereto to ensure safeguards and make the Act self-sustaining with appendices as required by CITES, along with an overriding provision to the effect that the Wildlife (Protection) Act, 1972 would prevail, in case of anything inconsistent contained in the CITES Act; <a href="mailto:and-en-alpha-e
- ii. That the suggested amendments to sub-sections (5), (19), (27) and (36) of Section 2, Sections 9, 40, 40A(1), 41(1b), 48 (bii), 49A, 51(1A) and 57 be carried out in the Principal Act as well, to ensure that law enforcement agencies will have jurisdiction to prosecute offences against CITES species.

Sd/-**Dr. M.K. Ranjithsinh**Former Secretary
Government of India

Sd/-**Praveen Bhargav**Former Member
National Board for Wildlife

ANNEXURE V

AS INTRODUCED IN LOK SABHA

Bill No. 159 of 2021

THE WILD LIFE (PROTECTION) AMENDMENT BILL, 2021

A

BILL

further to amend the Wild Life (Protection) Act, 1972.

BE it enacted by Parliament in the Seventy-second Year of the Republic of India as follows:---

1. (*I*) This Act may be called the Wild Life (Protection) Amendment Act, 2021.

Short title and commencement.

(2) It shall come into force on such date as the Central Government may, by notification in the Official Gazette, appoint.

53 of 1972.

2. In the preamble of the Wild Life (Protection) Act, 1972 (hereinafter referred to as the Amendment of principal Act), for the words "protection of wild animals, birds and plants", the words preamble. "conservation, protection and management of wild life" shall be substituted.

Amendment of section 2.

- 3. In section 2 of the principal Act,—
- (a) in clause (5), for the words and figures "Schedule I, Schedule II, Schedule III or Schedule IV", the words and figures "Schedule I or Schedule II" shall be substituted;
- (b) in clause (15), after the words "wild animal", the words "or specified plant" shall be inserted;
 - (c) after clause (16), the following clause shall be inserted, namely:—
 - '(16A) "invasive alien species" means a species of animal or plant which is not native to India and whose introduction or spread may threaten or adversely impact wild life or its habitat;';

5

2.0

25

30

- (*d*) in clause (18A), for the words and figures "Schedules I to V", the words and 10 figures "Schedules I, II and IV" shall be substituted;
- (e) in clause (19), for the words and figures "Schedules I to V and VI", the words and figures "Schedules I, II and III" shall be substituted;
 - (f) for clause (24), the following clause shall be substituted, namely:—
 - '(24) "person" shall include any firm or company or any authority or 15 association or body of individuals whether incorporated or not;';
 - (g) after clause (26), the following clause shall be inserted, namely:—
 - '(26A) "Schedule" means a Schedule appended to this Act;';
- (h) in clause (27), for the word and figures "Schedule VI", the word and figures "Schedule III" shall be substituted;
 - (i) for clause (34), the following clause shall be substituted, namely:—
 - '(34) "vermin" means any wild animal notified under section 62;';
- (*j*) in clause (*36*), for the words and figures "Schedules I to IV", the words and figures "Schedule I or Schedule II" shall be substituted;
 - (k) for clause (39), the following clause shall be substituted, namely:—
 - '(39) "zoo" means an establishment whether stationary or mobile, where captive animals are kept for exhibiting to the public or ex-situ conservation and includes a circus and off-exhibit facilities such as rescue centres and conservation breeding centres, but does not include an establishment of a licensed dealer in captive animals.'.

Amendment of section 5A.

- **4.** In section 5A of the principal Act, in sub-section (I), for clause (d), the following clause shall be substituted, namely:—
 - "(d) Member, NITI Aayog in-charge of Environment, Forest and Climate Change;".

Amendment of section 5B.

5. In section 5B of the principal Act, in sub-section (*3*), for the words "in proper discharge of functions assigned to it", the words "on such terms and conditions as may be 35 prescribed for proper discharge of functions assigned to it under the Act" shall be substituted.

Insertion of new section 6A.

6. After section 6 of the principal Act, the following section shall be inserted, namely:—

Standing Committee of Board.

- "6A. (1) The Board may constitute a Standing Committee for the purpose of exercising such powers and performing such duties as may be delegated to it by the 40 Board.
- (2) The Standing Committee shall consist of the Vice-Chairperson, the Member-Secretary, and not more than ten members, to be nominated by the Vice-Chairperson, from amongst the members of the Board.

(3) The Board or its Standing Committee referred to in sub-section (1) may, constitute committees, sub-committees or study groups, as may be necessary, from time-to-time, for proper discharge of the functions assigned to it.".

7. In section 9 of the principal Act, for the words and figures "Schedules I, II, III and 5 IV", the words and figures "Schedules I and II" shall be substituted.

Amendment of section 9.

8. In section 11 of the principal Act, in sub-section (1), in clause (b), the words and figures ", Schedule III, or Schedule IV," shall be omitted.

Amendment of section 11.

1 of 1894. 30 of 2013. 10 **9.** In section 24 of the principal Act, in sub-section (2), in clause (*b*), for the words and figures "Land Acquisition Act, 1894", the words and figures "Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013" shall be substituted.

Amendment of section 24.

10. In section 25 of the principal Act, in sub-section (1),—

Amendment of section 25.

1 of 1894.

30 of 2013. 15

- (a) in clause (a), for the words and figures "Land Acquisition Act, 1894", the words and figures "Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013" shall be substituted;
- (b) in clauses (b) and (c), for the word and figure "section 9", the word and figures "section 21" shall be substituted;
- (c) in clause (d), for the words and figures "section 18" and "Part III", the words and figures "section 64" and "Chapter VIII" shall respectively be substituted;
- (d) in clause (e), for the words "the Court", the words "the Authority" shall be substituted;
 - (e) after clause (f), the following Explaination shall be inserted, namely:—

'Explanation.—The expression "Authority" referred to in clause (e), shall mean the Land Acquisition, Rehabilitation and Resettlement Authority established under section 51 of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013.'.

25 30 of 2013.

20

30

11. In section 28 of the principal Act, in sub-section (I), in clause (b), after the word "photography", the words "and film-making without making any change in the habitat or causing any adverse impact to the habitat or wild life" shall be inserted.

Amendment of section 28.

12. In section 29 of the principal Act,—

Amendment of section 29.

- (a) for the word "Board", the words "National Board" shall be substituted;
- (b) for the $\it Explanation$, the following $\it Explanation$ shall be substituted, namely:—

"Explanation.—For the purposes of this section, grazing or movement of livestock permitted under clause (*d*) of section 33, or hunting of wild animals under a permit granted under section 11 or hunting without violating the conditions of a permit granted under section 12, or the exercise of any rights permitted to continue under clause (*c*) of sub-section (2) of section 24, or the *bona fide* use of drinking and household water by local communities, shall not be deemed to be an act prohibited under this section."

40

45

35

13. In section 33 of the principal Act,—

Amendment of section 33.

(a) after the words "manage and maintain all sanctuaries", the words, brackets and figures "in accordance with such management plans for the sanctuary approved by him as per the guidelines issued by the Central Government and in case the sanctuary also falls under the Scheduled Areas or areas where the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 is applicable, in accordance with the management plan for such sanctuary prepared after due consultation with the Gram Sabha concerned" shall be inserted;

2 of 2007.

(b) in clause (a), in the proviso, for the words "commercial tourist lodges", the words "tourist lodges, including Government lodges, for commercial purposes" shall be substituted.

Amendment of section 34.

- **14.** In section 34 of the principal Act, after sub-section (*3*), the following sub-section shall be inserted, namely:—
 - "(4) No renewal of any licence under the Arms Act, 1959, shall be granted to any 54 of 1959. person residing within ten kilometres of a sanctuary except under the intimation to the Chief Wild Life Warden or the authorised officer."

Amendment of section 35.

15. In section 35 of the principal Act, in sub-section (8), for the words and figures "sections 27 and 28", the words, figures and letter "sections 18A, 27 and 28" shall be 10 substituted.

Amendment of section 36D.

- **16.** In section 36D of the principal Act, in sub-section (2),—
- (a) for the words "five representatives", the words "not less than five representatives" shall be substituted;
 - (b) after sub-section (2), the following sub-section shall be inserted, namely:— 15
 - "(2A) Where a community reserve is declared on private land under sub-section (1) of section 36C, the community reserve management committee shall consist of the owner of the land, a representative of the State Forests or Wild Life Department under whose jurisdiction the community reserve is located and also the representative of the Panchayat concerned or the tribal community, 20 as the case may be."

Amendment of section 38.

- 17. In section 38 of the principal Act,—
- (a) in the marginal heading, after the words "National Parks", the words "or conservation reserves" shall be inserted;
 - (b) after sub-section (2), the following sub-section shall be inserted, namely:— 25
 - "(2A) The Central Government may, if it is satisfied that the conditions specified in sub-section (I) of section 36A are fulfilled in relation to any area referred to in sub-section (I), declare such area, by notification, to be a conservation reserve and the provisions of sections 36A and 36B shall apply in relation to such conservation reserve as they apply in relation to a conservation 30 reserve declared by the State Government.";
 - (c) in sub-section (3),—
 - (i) after the words "or National Park", the words "or conservation reserve" shall be inserted;
 - (ii) for the words, brackets and figures "sub-sections (I) and (2)", the 35 words, brackets, figures and letter "sub-sections (I), (2) and (2A)" shall be substituted.

40

Amendment of section 38L.

18. In section 38L of the principal Act, in sub-section (2), in clause (o), for the words "Inspector General of Forests or an officer of the equivalent rank", the words "an officer not below the rank of Inspector General of Forests" shall be substituted.

Insertion of new section 38XA.

19. After section 38X of the principal Act, the following section shall be inserted, namely:—

Provisions of Chapter to be in addition to provisions relating to sanctuaries and National Parks "38XA.The provisions contained in this Chapter shall be in addition to, and not in derogation of, the provisions relating to sanctuaries and National Parks (whether included and declared, or are in the process of being so declared) included in a tiger 45 reserve under this Act.".

20. In Chapter IVC of the principal Act, in the heading, for the words "TIGER AND OTHER ENDANGERED SPECIES", the words "WILD LIFE" shall be substituted.

of heading of Chapter IVC.

21. In section 38Y of the principal Act,—

5

15

30

35

40

45

Amendment of section 38Y.

- (a) in the marginal heading, for the words "Tiger and other Endangered Species", the words "Wild Life" shall be substituted;
- (b) in the opening portion, the words "Tiger and other Endangered Species Crime Control Bureau to be known as the" shall be omitted;
- (c) in clause (e), for the words "Central Excise", the words "Central Goods and Services Tax" shall be substituted.
- 22. In section 39 of the principal Act, after sub-section (3), the following sub-sections Amendment of 10 shall be inserted, namely:-

section 39.

- "(4) Where any such Government property is a live animal, the State Government shall ensure that it is housed and cared for by a recognised zoo or rescue centre where it can not be released to its natural habitat.
- (5) Any such animal article, trophy or uncured trophy or meat derived from any wild animal, as referred to in sub-sections (1) and (2) may be disposed of by the State Government or the Central Government, as the case may be, in such manner as may be prescribed by the Central Government:

Provided that such disposal shall not include any commercial sale or auction and no certificate of ownership shall be issued for such disposal.". 20

23. In section 40 of the principal Act, the words and figures "or Part II of Schedule II" wherever they occur shall be omitted.

Amendment of section 40.

24. In section 40A of the principal Act, in sub-section (1), the words and figures "or Part II of Schedule II" shall be omitted.

Amendment of section 40A.

2.5 **25.** In section 41 of the principal Act, in sub-section (1), in clause (b), the words and figures "and Part II of Schedule II" shall be omitted.

Amendment of section 41.

26. After section 42 of the principal Act, the following section shall be inserted, namely:-

Insertion of new section 42A.

"42A. (1)Any person having a certificate of ownership in respect of any captive animal, animal article, trophy or uncured trophy, meat or ivory imported into India or an article made from such ivory, and who is not desirous of keeping it in his control, custody or possession may, after giving notice of seven working days to the Chief Wild Life Warden, surrender the same to him and any such certificate of ownership shall stand cancelled from the date of such surrender.

Surrender of captive animals. animal article,

- (2) No compensation shall be payable to any person for surrender of any such animal, article, trophy, meat or ivory to the Chief Wild Life Warden under sub-section (1).
- (3) Any such animal, article, trophy, meat or ivory surrendered under this section shall become the property of the State Government and the provisions of section 39 shall apply.".
- 27. In section 43 of the principal Act, after sub-section (3), the following sub-section Amendment of shall be inserted, namely:—

section 43.

"(4) This section shall not apply to the transfer or transport of any live elephant by a person having a certificate of ownership, where such person has obtained prior permission from the State Government on fulfilment of such conditions as may be prescribed by the Central Government.".

Amendment of section 48.

28. In section 48 of the principal Act, in clause (*b*), in sub-clause (*ii*), the words and figures "or Part II of Schedule II" shall be omitted.

Amendment of section 49A.

29. In section 49A of the principal Act, the words and figures "or Part II of Schedule II" at both the places where they occur, shall be omitted.

Insertion of new Chapter VB.

30. After Chapter VA of the principal Act, the following Chapter shall be inserted, 5 namely:—

'CHAPTER VB

REGULATION OF INTERNATIONAL TRADE IN ENDANGERED SPECIES OF WILD FAUNA AND FLORA AS PER CONVENTION ON INTERNATIONAL TRADE IN ENDANGERED SPECIES OF WILD FAUNA AND FLORA

Definitions.

- 49D. In this Chapter, unless the context otherwise requires,—
- (a) "artificially propagated" means plants which have been grown under controlled conditions from plant materials grown under similar conditions;
 - (b) "bred in captivity" means produced from parents in captivity;

10

25

30

45

- (c) "Convention" means the Convention on International Trade in Endangered Species of Wild Fauna and Flora signed at Washington D.C., in the United States of America on the 3rd of March, 1973, and amended at Bonn on the 22nd of June, 1979, its appendices, decisions, resolutions and notifications made thereunder and its amendments, to the extent 20 binding on India;
- (d) "export" means export from India to any other country of a specimen;
- (e) "import" means import into India from any other country of a specimen;
- (f) "introduction from the sea" means transportation into India of specimens of any species which were taken from the marine environment not under the jurisdiction of India or any other country;
- (g) "Management Authority" means the Management Authority designated under section 49E;
- (h) "plant" means any member, alive or dead, of the plants listed in Schedule IV including seeds, roots and other parts thereof;
- (i) "readily recognisable part or derivative" includes any specimen which appears from an accompanying document, the packaging or a mark or label, or from any other circumstances, to be a part or derivative of an 35 animal or plant of a species listed in Schedule IV;
- (j) "re-export" means export of any specimen that has previously been imported;
- (k) "Scientific Authority" means a Scientific Authority designated under section 49F:
- (1) "scheduled specimen" means any specimen of a species listed in Appendices I, II or III of the Convention and incorporated as such in Schedule IV;
- (m) "species" means any species, sub-species, or geographically separate population thereof;

- (n) "specimen" means—
 - (i) any animal or plant, whether alive or dead;
 - (ii) in the case of an animal,—
 - (A) for species included in Appendices I and II of Schedule IV, any readily recognisable part or derivative thereof;
 - (*B*) for species included in Appendix III of Schedule IV, any readily recognisable part or derivative thereof specified in Appendix III of Schedule IV in relation to the species; and
 - (iii) in the case of a plant,—
 - (A) for species included in Appendix I of Schedule IV, any readily recognisable part or derivative thereof;
 - (B) for species included in Appendices II and III of Schedule IV, any readily recognisable part or derivative thereof specified in Appendices II and III of Schedule IV in relation to the species;
- (o) "trade" means export, re-export, import and introduction from the sea.
- 49E. (1) The Central Government shall, by notification, designate an officer not below the rank of an Additional Director General of Forests as the Management Authority for discharging the functions and exercising the powers under this Act.

Designation of Management Authority.

- (2) The Management Authority shall be responsible for issuance of permits and certificates for trade of scheduled specimens in accordance with the Convention, submission of reports, and shall perform such other functions as may be necessary to implement the provisions of the Convention.
- (3) The Management Authority shall prepare and submit annual and biennial reports to the Central Government.
- (4) The Central Government may appoint such officers and employees as may be necessary to assist the Management Authority in discharging its functions or exercising its powers under this Chapter, on such terms and conditions of service including salaries and allowances as may be prescribed.
- (5) The Management Authority may, with the prior approval of the Central Government, delegate its functions or powers, to such officers not below the rank of the Assistant Inspector General of Forests, as it may consider necessary for the purposes of this Chapter.
- 49F. (1) The Central Government shall, by notification, designate one or more institutes engaged in research on species as Scientific Authority for the purposes of this Chapter, for fulfilling the functions under the Convention.

Designation of Scientific Authority.

- (2) The designated Scientific Authority shall advise the Management Authority in such matters as may be referred to it by the Management Authority.
- (3) The Scientific Authority shall monitor the export permits granted for specimens of species listed in Appendix II of Schedule IV and the actual export of such specimens.
- (4) Whenever a Scientific Authority is of the opinion that the export of specimens of such species requires to be limited in order to maintain that species throughout its range at a level consistent with its role in the ecosystems in which it occurs and well above the level at which that species might become

5

10

15

20

25

30

35

40

45

eligible for inclusion in Appendix I of the Convention, it shall advise the Management Authority to take such appropriate measures to limit the grant of export permits for specimens of that species as the Scientific Authority may deem necessary for said purpose.

Directions of Central Government. 49G. The Management Authority and the Scientific Authorities, shall, while 5 performing their duties and exercising powers under this Chapter, be subject to such general or special directions, as the Central Government may, from time to time, give.

International trade in scheduled specimen and restriction in respect thereof.

- 49H. (I) No person shall engage in trade of scheduled specimens except as provided for under this Chapter.
- (2) The Central Government shall prescribe the conditions and procedures by which the exemptions contained in Article VII of the Convention may be availed.
- (3) Every person engaging in trade of a scheduled specimen shall report the details of the scheduled specimen and the transaction to the Management 15 Authority or the officer authorised by it in such manner as may be prescribed.
- (4) Every person engaging in trade of a scheduled specimen, shall present it for clearance to the Management Authority or the officer authorised by it or a customs officer only at the ports of exit and entry as may be specified by the Central Government.

Conditions for export of scheduled specimens.

- 49-I. (1) The export of any specimen of species included in Appendices I or II of Schedule IV shall require the prior grant and presentation of an export permit.
- (2) The export of any specimen of species included in Appendix III of Schedule IV shall require the prior grant and presentation of an export permit if 25 the species has been listed in Appendix III of the Convention by India or a certificate of origin in other cases.
 - (3) An export permit shall not be granted unless—
 - (a) the Management Authority is satisfied that the specimen concerned has not been obtained in contravention of any law for the time 30 being in force relating to protection of fauna and flora;
 - (b) the Management Authority is satisfied that any living specimen will be so prepared and shipped as to minimise the risk of injury, damage to health or cruel treatment;
 - (c) in the case of a specimen of a species listed in Appendices I or II 35 of Schedule IV, the Scientific Authority has advised that the export will not be detrimental to the survival of that species; and
 - (d) in the case of specimens of species listed in Appendix I of Schedule IV, an import permit has been granted by the competent authority of the country of destination.

49J. (1) The import of any specimen of a species included in Appendix I of Schedule IV shall require the prior grant and presentation of an import permit and either an export permit or a re-export certificate from the country of export.

Conditions for import of scheduled specimens.

40

10

2.0

9 (2) An import permit for a specimen of a species listed in Appendix I of Schedule IV shall not be granted unless— (a) the Management Authority is satisfied that the specimen concerned will not be used for primarily commercial purposes; (b) the Scientific Authority has advised that the import will be for purposes which are not detrimental to the survival of the species; and (c) the Scientific Authority is satisfied that the proposed recipient of a living specimen is suitably equipped to house and care for it. (3) The import of any specimen of a species included in Appendix II of Schedule IV shall require the prior presentation of either an export permit or a re-export certificate issued by the country of export. (4) The import of any specimen of a species included in Appendix III of Schedule IV shall require the prior presentation of— (a) a certificate of origin; or (b) in the case where the import is from a country which has included the species in Appendix III of the Convention, an export permit; or (c) a re-export certificate granted by the country of re-export. 49K. (1) The re-export of any specimen of species included in Conditions for re-export of Appendices I or II of Schedule IV shall require the prior grant and presentation

5

15

20

25

30

35

40

(2) A re-export certificate shall not be granted unless—

of a re-export certificate.

- (a) the Management Authority is satisfied that any specimen to be re-exported was imported in accordance with the provisions of this Chapter and of the Convention;
- (b) the Management Authority is satisfied that any living specimen will be so prepared and shipped as to minimise the risk of injury, damage to health or cruel treatment; and
- (c) in the case of any living specimen of species listed in Appendix I of Schedule IV, the Management Authority is satisfied that an import permit has been granted.
- 49L. (1) The introduction from the sea of a specimen of a species included in Appendices I or II of Schedule IV shall require the prior grant and presentation of a certificate of introduction from the sea.

scheduled specimens.

scheduled

specimens.

Conditions for introduction

from sea of

- (2) A certificate of introduction from the sea shall not be granted unless—
- (a) the Scientific Authority has advised that the introduction of any specimen will not be detrimental to the survival of the species;
- (b) in the case of a specimen of a species listed in Appendix I of Schedule IV, the Management Authority is satisfied that it is not to be used for primarily commercial purposes and that the proposed recipient of any living specimen is suitably equipped to house and care for it; and
 - (c) in the case of a living specimen of a species listed in Appendix II

Possession, transfer and breeding of living scheduled animal species. of Schedule IV, the Management Authority is satisfied that it will be so handled as to minimise the risk of injury, damage to health or cruel treatment.

49M. (*I*) Every person possessing a living specimen of an animal species listed in Schedule IV shall report the details of such specimen or specimens in his possession to the Management Authority or the authorised officer:

Provided that the Central Government may exempt one or more specimens of any animal species included in Schedule IV from such declaration for such quantity and for such period as it may deem fit.

- (2) The Management Authority or the authorised officer may, on being satisfied that a person was in possession of a living specimen of an animal species listed in Schedule IV which had not been obtained in contravention of any law relating to protection of fauna and flora, issue a registration certificate allowing the owner to retain such specimen.
- (3) Any person who transfers possession, by any means whatsoever, of any living specimen of an animal species listed in Schedule IV shall report the 15 details to the Management Authority or the authorised officer.
- (4) The Management Authority or the authorised officer shall register all transfers of living specimens of animal species listed in Schedule IV and issue the transferee with a registration certificate.
- (5) Any person in possession of any living specimen of an animal species 20 listed in Schedule IV which bears any offspring shall report the birth of such offspring to the Management Authority or the authorised officer.
- (6) The Management Authority or the authorised officer shall on receipt of the report under sub-section (5) register any offspring born to any living specimen of an animal species listed in Schedule IV and issue the owner with a 25 registration certificate.
- (7) Any person in possession of any living specimen of an animal species listed in Schedule IV which dies shall report such death to the Management Authority or the authorised officer.
- (8) No person shall possess, transfer or breed any living specimen of any animal species listed in Schedule IV except in conformity with this section and the rules made by the Central Government in this behalf.
- (9) The form, manner and period for reporting possession, transfers, and births, deaths, and registration of the same under this section shall be as prescribed by the Central Government.

49N. (1) Every person who is engaged in breeding in captivity or artificially propagating any scheduled specimen listed in Appendix I of Schedule IV shall make, within a period of ninety days of the commencement of the Wild Life (Protection) Amendment Act, 2021, an application for registration to the Chief Wild Life Warden.

(2) The form and manner of the application to be made to the Chief Wild Life Warden under sub-section (I), the fee payable, the form of certificate of registration, the procedure to be followed in granting or cancelling the certificate of registration shall be such as may be prescribed by the Central Government.

Application for registration by breeders of Appendix I species.

40

35

5

49-O. (1) On receipt of application under sub-section (1) of section 49N, Registration the Chief Wild Life Warden shall, if-

of breeders of Appendix I species.

(a) the application is in the prescribed form;

(b) the resolutions of the Convention relating to breeding in captivity or artificial propagation of species listed in Appendix I of Schedule IV are satisfied; and

(c) the provisions of the Act and rules made thereunder have been duly complied with,

record an entry of the statement in a register and grant the applicant a certificate of registration.

- (2) The Chief Wild Life Warden shall, if the provisions or resolutions of the Convention or this Act and any rules made hereunder have not been complied with, or if a false particular is furnished, refuse or cancel the registration as the case may be after providing the applicant with an opportunity of being heard.
- (3) The certificate of registration under sub-section (1) shall be issued for a period of two years and may be renewed after two years on payment of such fee as may be prescribed.
- (4) Any person aggrieved by the refusal of the Chief Wild Life Warden or cancellation of registration under sub-section (2) may prefer an appeal to the State Government within a period of sixty days in such manner as may be prescribed.
- 49P. No person shall alter, deface, erase or remove a mark of identification Prohibition on affixed upon the scheduled specimen or its package.

alteration, etc.

49Q. (1) Every species or scheduled specimen, in respect of which any offence against this Act or rules made thereunder has been committed, shall become the property of the Central Government and the provisions of section 39 shall, without prejudice to the Customs Act, 1962, apply, mutatis mutandis, in relation to species and scheduled specimens as they apply in relation to wild animals, captive animals and animal articles.

Species and scheduled specimens to Government property.

- (2) Where a living specimen of a species listed in Schedule IV has been seized under this Act or the Customs Act, 1962 or any other law for the time being in force as a result of import into India in contravention of this Act, the Management Authority shall, after consultation with the country of export, return the specimen to that country at the expense of that country, or ensure that it is housed and cared for by a recognised zoo or rescue centre in case it cannot be returned to the country of export.
- (3) The Management Authority may for such purposes consult the Scientific Authority as it deems appropriate.
- 49R. Where the same species is listed in Schedule I or II and Schedule IV, then, the provisions of this Act applicable to such species listed in Schedule I or II and the rules made thereunder shall apply.'.

Application of provisions of Act in respect of species listed in Schedule I or II and Schedule IV.

PART I: MOLLUSCA

Sl. No. Scientific Name

- 1. Cassis cornuta
- 2. Charoniatritonis

- 3. Conus milneedwardsi
- 4. Cypraecassisrufa
- 5. Hippopushippopus
- 6. Nautilus pompilius
- 7. Tridacna maxima
- 8. Tridacna squamosa
- 9. Tudiclaspirillus
- 10. Turbo marmoratus

PART J: HOLOTHURIANS

Sl. No. Scientific Name

- 1. Actinopygaechinites
- 2. Actinopygalecanora
- 3. Actinopygamauritiana
- 4. Actinopygamiliaris
- 5. Bohadschia argus
- 6. Bohadschiagraeffei
- 7. Bohadschiamarmorata
- 8. Holothuria coluber
- 9. Holothuria (Acanthotrapez) pyxis
- 10. Holothuria (Halodeima) atra
- 11. Holothuria (Halodeima) edulis
- 12. Holothuria (Mertensiothuria) fuscocinerea
- 13. Holothuria (Mertensiothuria) leucospilota
- 14. Holothuria (Mertensiothuria) pervicax
- 15. Holothuria (Metriatyla) scabra
- 16. Holothuria (Microthele) nobilis
- 17. Holothuria (Semperothuria) cinerascens
- 18. Holothuria (Thymiosycia) arenicola
- 19. Holothuria (Thymiosycia) hilla
- 20. Holothuria (Thymiosycia) impatiens
- 21. Labidodemassemperianum
- 22. Stichopuschloronotus
- 23. Stichopushermanni
- 24. Stichopushorrens
- 25. Stichopus vastus
- 26. Thelenota ananas
- 27. Pseudocolochirus violaceus
- 28. Stolusbuccalis
- 29. Phyllophorus (Phyllophorella) parvepides
- 30. Euaptagodeffroyi
- 31. Synaptamaculata
- 32. Acaudinamolpadioides

SCHEDULE II

(See sections 9, 11, 12, 38-I, 39, 44, 45, 46, 47, 48, 48A, 49, 50, 51, 54 and 57)

PART A: MAMMALS

Sl. No.	Common Name	Scientific Name
1.	Sambar	Cervus unicolor
2.	Spotted Deer/Chital	Axis axis
3.	Striped Hyena	Hyaena hyaena
4.	Bharal/Blue Sheep	Pseudoisnayaur
5.	Nilgai or Blue Bull	Boselaphustragocamelus
6.	Northern/Five-striped palm squirrel	Funambuluspennantii
7.	Wild Pig	Sus scrofa
8.	Andaman Wild Pig	Sus scrofa andamanensis
9.	Indian Hare	Lepus nigricollis
10.	Desert Hare	Lepus tibetanus
11.	Royle's Pika	Ochotona royleii
12.	Indian Long-eared Hedgehog	Hemiechinuscollaris
13.	Small Indian Mongoose	Herpestesauropunctatus
14.	Grey Mongoose	Herpestesedwardsii
15.	Brown Mongoose	Herpestesfuscus
16.	Javan Mongoose	Herpestesjavanicus
17.	Ruddy Mongoose	Herpestessmithii
18.	Crab-eating Mongoose	Herpestes urva
19.	Stripe-necked Mongoose	Herpestesvitticollis
20.	Small-toothed Palm Civet	Arctogalidiatrivirgata
21.	Masked Palm Civet	Pagumalarvata
22.	Asian Palm Civet	Paradoxurus hermaphroditus
23.	Jerdon's Palm Civet	Paradoxurus jerdoni
24.	Large Indian Civet	Viverrazibetha
25.	Small Indian Civet	Viverricula indica
26.	Chinese/Small-toothed Ferret Badger	Melogalemoschata
27.	Burmese/Large toothed Ferret Badger	Melogalepersonata
28.	Stone/Beech Marten	Martes foina
29.	Himalayan Yellow-throated Marten	Martes flavigula
30.	Nilgiri Marten	Martes gwatkinsii
31.	Ermineor Short-tailed Weasel	Mustela erminea
32.	Siberian Weasel	Mustela sibirica
33.	Yellow-bellied Weasel	Mustela kathiah
34.	Mountain Weasel	Mustela altaica
35.	Northern Plains Gray/Hanuman Langur	Semnopithecus entellus
36.	Assamese Macaque	Macaca assamensis
37.	Bonnet Macaque	Macaca radiata
38.	Rhesus Macaque	Macaca mulatta
39.	Indian/Bengal Fox	Vulpes bengalensis
40.	Asiatic Jackal	Canis aureus
41.	Jungle Cat	Felis chaus

PART B: BIRDS

Sl. No.	Common Name	Scientific Name
1.	House sparrow	Passer domesticus
2.	Red Munia	Amandava amandava
3.	Green Munia	Amandavaformosa
4.	Indian Silverbill	Euodicemalabarica
5.	White-rumped Munia	Lonchura striata
6.	Scaly-breasted Munia	Lonchurapunctulata
7.	Black-throated Munia	Lonchurakelaarti
8.	Tricoloured Munia	Lonchuramalacca
9.	Chestnut Munia	Lonchura atricapilla
10.	Pied Avocet	Recurvirostra avosetta
11.	Black-winged Stilt	Himantopus himantopus
12.	Rufous-throated Wren Babbler	Spelaeorniscaudatus
13.	Mishmi Wren Babbler	Spelaeornisbadeigularis
14.	Bar-winged Wren Babbler	Spelae ornistroglody to ides
15.	Naga Wren Babbler	Spelaeornischocolatinus
16.	Chin Hills Wren Babbler	Spelaeornisoatesi
17.	Grey-bellied Wren Babbler	Spelaeornisreptatus
18.	Tawny-breasted Wren Babbler	Spelaeornislongicaudatus
19.	Red-billed Scimitar Babbler	Pomatorhinusochraceiceps
20.	Coral-billed Scimitar Babbler	Pomatorhinusferruginosus
21.	Slender-billed Scimitar Babbler	Pomatorhinussuperciliaris
22.	Indian Scimitar Babbler	Pomatorhinushorsfieldii
23.	White-browed Scimitar Babbler	Pomatorhinusschisticeps
24.	Streak-breasted Scimitar Babbler	Pomatorhinus ruficollis
25.	Large Scimitar Babbler	Erythrogenyshypoleucos
26.	Rusty-cheeked Scimitar Babbler	Erythrogenyserythrogenys
27.	Spot-breasted Scimitar Babbler	Erythrogenysmcclellandi
28.	Grey-throated Babbler	Stachyrisnigriceps
29.	Sikkim Wedge-billed Babbler	Stachyrishumei
30.	Cachar Wedge-billed Babbler	Stachyrisroberti
31.	Snowy-throated Babbler	Stachyrisoglei
32.	Tawny-bellied Babbler	Dumetiahyperythra
33.	Dark-fronted Babbler	Rhopocichlaatriceps
34.	Chestnut-capped Babbler	Timaliapileata
35.	Pin-striped Tit Babbler Golden Babbler	Mixornisgularis
36.		Cyanodermachrysaeum
37.	Black-chinned Babbler Bufaya conned Babbler	Cyanodermapyrrhops
38.	Rufous-capped Babbler Buff-chested Babbler	Cyanodermaruficeps
39. 40.	Great Barbet	Cyanodermaambiguum Pailanaan vinana
	Brown-headed Barbet	Psilopogon virens
41. 42.	Lineated Barbet	Psilopogonzeylanicus Psilopogonlingatus
42.	White-cheeked Barbet	Psilopogonlineatus Psilopogonviridis
43. 44.	Golden-throated Barbet	Psilopogonfranklinii
44. 45.	Blue-throated Barbet	Psilopogon asiaticus
46.	Blue-eared Barbet	Psilopogonduvaucelii
+∪.	Diuc-carcu Daruct	1 suopogonauvauceiii

47. Malabar Barbet Psilopogonmalabaricus 48. Coppersmith Barbet Psilopogonhaemacephalus

49. Oriental Bay Owl Phodilus badius Sri Lanka Bay Owl Phodilusassimilis 50. 51. Eastern Grass Owl Tyto longimembris 52. Andaman Barn Owl Tyto deroepstorffi

53. Common Barn Owl Tyto alba

54. Eurasian Bittern Botaurus stellaris 55. Little Bittern *Ixobrychusminutus* 56. Yellow Bittern Ixobrychus sinensis 57. Cinnamon Bittern *Ixobrychuscinnamomeus* 58. Black Bittern *Ixobrychusflavicollis* 59. Malayan Night Heron Gorsachiusmelanolophus Black-crowned Night Heron 60. Nycticoraxnycticorax 61. Striated Heron Butorides striata 62. Indian Pond Heron Ardeolagrayii 63. Chinese Pond Heron Ardeolabacchus 64. Cattle Egret Bubulcus ibis 65. Grey Heron Ardea cinerea 66. Goliath Heron Ardea goliath 67. Purple Heron Ardea purpurea

Ardea alba 68. **Great Egret** 69. Intermediate Egret Ardea intermedia 70. Little Egret Egrettagarzetta 71. Western Reef Egret Egrettagularis 72. Pacific Reef Egret Egretta sacra 73. Chinese Egret Egrettaeulophotes 74. Brown Noddy Anousstolidus 75. Lesser Noddy Anoustenuirostris

77. White Tern Gygis alba 78. Indian Skimmer Rynchopsalbicollis 79. Black-legged Kittiwake Rissa tridactyla 80.

76.

Black Noddy

Sabine's Gull

81. Slender-billed Gull Chroicocephalusgenei

82. Brown-headed Gull Chroicocephalusbrunnicephalus 83. Black-headed Gull Chroicocephalus ridibundus Little Gull 84. Hydrocoloeus minutus 85. Franklin's Gull Leucophaeuspipixcan

Anousminutus

Xema sabini

White-eyed Gull Ichthyaetusleucophthalmus 86. 87. Sooty Gull Ichthyaetus hemprichii 88. Pallas's Gull *Ichthyaetusichthyaetus*

89. Mew Gull Larus canus 90. Lesser Black-backed Gull Larus fuscus 91. Caspian Gull Larus cachinnans

92. Mongolian Gull Larus smithsonianus mongolicus

93. Sooty Tern Onychoprion fuscatus 94. Bridled Tern Onychoprion anaethetus

95. Little Tern Sternulaalbifrons

96.	Saunders's Tern	Sternulasaundersi
97.	Gull-billed Tern	Gelochelidonnilotica
98.	Caspian Tern	Hydroprogne caspia
99.	Whiskered Tern	Chlidoniashybrida
100.	White-winged Tern	Chlidoniasleucopterus
101.	Black Tern	Chlidonias niger
102.	River Tern	Sterna aurantia
103.	Roseate Tern	Sterna dougallii
103.	Black-naped Tern	Sterna sumatrana
104.	Common Tern	Sterna hirundo
106.	White-cheeked Tern	Sterna repressa
100.	Arctic Tern	
107.	Black-bellied Tern	Sterna paradisaea Sterna acuticauda
100.	Lesser Crested Tern	
109. 110.	Sandwich Tern	Thalasseus bengalensis
		Thalasseussandvicensis
111.	Greater Crested Tern	Thalasseusbergii
112.	White-throated Bulbul	Alophoixusflaveolus
113.	Olive Bulbul	Ioleviridescens
114.	Ashy Bulbul	Hemixosflavala
115.	Nicobar Bulbul	Ixosnicobariensis
116.	Mountain Bulbul	Ixosmcclellandii
117.	Square-tailed Bulbul	Hypsipetesganeesa
118.	Black Bulbul	Hypsipetes leucocephalus
119.	Crested Finchbill	Spizixoscanifrons
120.	Striated Bulbul	Pycnonotusstriatus
121.	Flame-throated Bulbul	Pycnonotusgularis
122.	Black-crested Bulbul	Pycnonotusflaviventris
123.	Red-whiskered Bulbul	Pycnonotusjocosus
124.	Himalayan Bulbul	Pycnonotusleucogenis
125.	White-eared Bulbul	Pycnonotusleucotis
126.	Red-vented Bulbul	Pycnonotuscafer
127.	Yellow-throated Bulbul	Pycnonotusxantholaemus
128.	Flavescent Bulbul	Pycnonotusflavescens
129.	White-browed Bulbul	Pycnonotusluteolus
130.	Black-headed Bulbul	Brachypodius a triceps
131.	Andaman Bulbul	Brachypodius fusco flave scens
132.	Grey-headed Bulbul	Brachypodius priocephalus
133.	Yellow-browed Bulbul	Acritillas indica
134.	Crested Bunting	Emberizalathami
135.	Black-headed Bunting	Emberizamelanocephala
136.	Red-headed Bunting	Emberizabruniceps
137.	Chestnut-eared Bunting	Emberizafucata
138.	Rock Bunting	Emberizacia
139.	Godlewski's Bunting	Emberizagodlewskii
140.	Grey-necked Bunting	Emberizabuchanani
141.	Ortolan Bunting	Emberizahortulana
142.	White-capped Bunting	Emberizastewarti
143.	Yellowhammer	Emberizacitrinella

	36	
144.	Pine Bunting	Emberizaleucocephalos
145.	Striolated Bunting	Emberizastriolata
146.	Eurasian Reed Bunting	Emberizaschoeniclus
147.	Yellow-breasted Bunting	Emberizaaureola
148.	Black-faced Bunting	Emberizaspodocephala
149.	Chestnut Bunting	Emberizarutila
150.	Yellow-browed Bunting	Emberizachrysophrys
151.	Tristram's Bunting	Emberizatristrami
152.	Little Bunting	Emberizapusilla
153.	Little Bustard	Tetraxtetrax
154.	Macqueen's Bustard	Chlamydotismacqueenii
155.	Small Buttonquail	Turnixsylvaticus
156.	Yellow-legged Buttonquail	Turnixtanki
157.	Barred Buttonquail	Turnixsuscitator
158.	Golden-fronted Leafbird	Chloropsisaurifrons
159.	Jerdon's Leafbird	Chloropsisjerdoni
160.	Orange-bellied Leafbird	Chloropsishardwickii
161.	Blue-winged Leafbird	Chloropsis coch in chinens is
162.	Andaman Crake	Rallinacanningi
163.	Slaty-legged Crake	Rallinaeurizonoides
164.	Western Water Rail	Rallus aquaticus
165.	Eastern Water Rail	Rallus indicus
166.	Slaty-breasted Rail	Lewinia striata
167.	Corncrake	Crex crex
168.	Spotted Crake	Porzanaporzana
169.	Ruddy-breasted Crake	Zaporniafusca
170.	Brown Crake	Zaporniaakool
171.	Little Crake	Zapornia parva
172.	Baillon's Crake	Zaporniapusilla
173.	Black-tailed Crake	Zaporniabicolor
174.	White-breasted Waterhen	Amaurornisphoenicurus
175.	White-browed Crake	Amaurornis cinerea
176.	Watercock	Gallicrex cinerea
177.	Purple Swamphen	Porphyrioporphyrio
178.	Common Moorhen	Gallinula chloropus
179.	Common Coot	Fulicaatra
180.	Little Cormorant	Microcarboniger
181.	Great Cormorant	Phalacrocorax carbo
182.	Indian Cormorant	Phalacrocorax fuscicollis
183.	Greater Coucal	Centropus sinensis
184.	Andaman Coucal	Centropusandamanensis
185.	Lesser Coucal	Centropus bengalensis Taccocualeschenaultii
186.	Sirkeer Malkoha	
187.	Blue-faced Malkoha Green-billed Malkoha	Phaenicophaeusviridirostris
188. 189.	Pied Cuckoo	Phaenicophaeus tristis
189. 190.	Chestnut-winged Cuckoo	Clamatorjacobinus Clamatorcoromandus
190. 191.	Asian Koel	Eudynamysscolopaceus
171.	ASIAH KUCI	Бийунитувасоюрисейя

192. Asian Emerald Cuckoo Chrysococcyx maculatus 193. Violet Cuckoo Chrysococcyxxanthorhynchus 194. Banded Bay Cuckoo Cacomantis sonneratii 195. Plaintive Cuckoo Cacomantismerulinus 196. Grey-bellied Cuckoo Cacomantispasserinus 197. Fork-tailed Drongo Cuckoo Surniculusdicruroides 198. Square-tailed Drongo Cuckoo Surniculuslugubris 199. Large Hawk Cuckoo Hierococcyxsparverioides 200. Common Hawk Cuckoo Hierococcyxvarius 201. Whistling Hawk Cuckoo Hierococcyxnisicolor 202. Indian Cuckoo Cuculusmicropterus 203. Common Cuckoo Cuculuscanorus 204. Himalayan Cuckoo Cuculussaturatus 205. Lesser Cuckoo Cuculuspoliocephalus 206. Whimbrel Numenius phaeopus 207. **Eurasian Curlew** Numenius arquata 208. Bar-tailed Godwit Limosalapponica 209. Black-tailed Godwit Limosalimosa 210. Ruddy Turnstone Arenaria interpres 211. Great Knot Calidris tenuirostris Red Knot 212. Calidris canutus 213. SCHEDULE III (See Chapter IIIA and sections 50, 51, 54 and 57)

SPECIFIED PLANTS

S1.N	No. Scientific Name	Local name	Family	Distribution
1	Strobilantheskunthianus	Neel kurinji	Acanthaceae	S.W. Ghats
2	Coptisteeta	Gold threat, Mishmi teeta	Ranunculaceae	Arunachal Pradesh
3	Cosciniumfenestratum	Tree turmeric	Menispermaceae	S.W.Ghats
4	Taxus wallichiana	Common yew	Taxaceae	Himalayas
5	Vanda coerulea	Blue vanda	Orchidaceae	N.E. India
6	Nepenthes khasiana	Pitcher plant	Nepenthaceae	Meghalaya
7	Renanthera imschootiana	Red vanda	Orchidaceae	Eastern Himalaya
8	Cycads		Cycadaceae	Peninsular India, A & N
				Islands, N.E. India
9	Ceropegias		Apocynaceae	Peninsular India, N.E.
				India
10	Aenhenrya rotundifolia		Orchidaceae	Southern Western Ghats
11	Odontochilusgrandiflorus		Orchidaceae	N.E. India, West Bengal, Sikkim
12	Odontochilustetrapterus		Orchidaceae	Manipur
13	Rhomboda pulchra		Orchidaceae	N.E. India Eastern
				Himalayas
14	Vrydagzyneaviridiflora		Orchidaceae	Assam
15	Zeuxineandamanica		Orchidaceae	A.& N. Islands
16	Ipseamalabarica	Daffodil orchid	Orchidaceae	Silent Valley (Kerala)
17	Habenariabarnesii		Orchidaceae	Nilgiris- Shola, Tamil
				Nadu
18	Podophyllum hexandrum	Indian podohyllum	Podophyllaceae	Himalayas

SCHEDULE IV

Interpretation

(See Chapter VB and sections 39, 50, 51, 54 and 57)

- 1. Species included in these Appendices are referred to:
 - (a) by the name of the species; or
- (b) as being all of the species included in a higher taxon or designated part thereof.
- 2. The abbreviation "spp." is used to denote all species of a higher taxon.
- 3. Other references to taxa higher than species are for the purposes of information or classification only. The common names included after the scientific names of families are for reference only. They are intended to indicate the species within the family concerned that are included in the Appendices. In most cases this is not all of the species within the family.
 - 4. The following abbreviations are used for plant taxa below the level of species:
 - (a) "ssp." is used to denote sub-species; and
 - (b) "var(s)." is used to denote variety (varieties).
- 5. As none of the species or higher taxa of FLORA included in Appendix I is annotated to the effect that its hybrids shall be treated in accordance with the provisions of Article III of the Convention, this means that artificially propagated hybrids produced from one or more of these species or taxa may be traded with a certificate of artificial propagation, and that seeds and pollen (including pollinia), cut flowers, seedling or tissue cultures obtained *in vitro*, in solid or liquid media, transported in sterile containers of these hybrids are not subject to the provisions of the Convention.

- 6. The names of the countries in parentheses placed against the names of species in Appendix III are those of the Parties submitting these species for inclusion in this Appendix.
- 7. When a species is included in one of the Appendices, the whole, live or dead, animal or plant is included. In addition, for animal species listed in Appendix III and plant species listed in Appendix II or III, all parts and derivatives of the species are also included in the same Appendix unless the species is annotated to indicate that only specific parts and derivatives are included. The symbol # followed by a number placed against the name of a species or higher taxon included in Appendix II or III refers to a foot note that indicates the parts or derivatives of animals or plants that are designated as 'specimens' subject to the provisions of the Convention in accordance with Article I, paragraph (*b*), sub-paragraph (ii) or (*iii*).
- 8. The terms and expressions below, used in annotations in these Appendices, are defined as follows:

Extract

Any substance obtained directly from plant material by physical or chemical means regardless of the manufacturing process. An extract may be solid (e.g. crystals, resin, fine or coarse particles), semi-solid (e.g. gums, waxes) or liquid (e.g. solutions, tinctures, oil and essential oils).

Finished musical instruments

A musical instrument (as referenced by the Harmonized System of the World Customs Organization, Chapter 92; musical instruments, parts and accessories of such articles) that is ready to play or needs only the installation of parts to make it playable. This term includes antique instruments (as defined by the Harmonized System codes 97.05 and 97.06; Works of art, collectors' pieces and antiques).

Finished musical instrument accessories

A musical instrument accessory (as referenced by the Harmonized System of the World Customs Organisation, Chapter 92; musical instruments, parts and accessories of such articles) that is separate from the musical instrument, and is specifically designed or shaped to be used explicitly in association with an instrument, and that requires no further modification to be used.

Finished musical instrument parts

A part (as referenced by the Harmonized System of the World Customs Organisation, Chapter 92; musical instruments, parts and accessories of such articles) of a musical instrument that is ready to install and is specifically designed and shaped to be used explicitly in association with the instrument to make it playable.

Finished products packaged and ready for retail trade

Products, shipped singly or in bulk, requiring no further processing, packaged, labelled for final use or the retail trade in a state fit for being sold to or used by the general public.

Powder

A dry, solid substance in the form of fine or coarse particles.

Shipment

Cargo transported under the terms of a single bill of lading or air waybill, irrespective of the quantity or number of containers, packages, or pieces worn, carried or included in personal baggage.

Ten (10) kg per shipment

For the term "10 kg per shipment", the 10 kg limit should be interpreted as referring to the weight of the individual portions of each item in the shipment made of wood of the species concerned. In other words, the 10 kg limit is to be assessed against the weight of the individual portions of wood of Dalbergia/Guibourtia species contained in each item of the shipment, rather than against the total weight of the shipment.

Transformed wood

Defined by Harmonized System code 44.09: Wood (including strips, friezes for parquet flooring, not assembled), continuously shaped (tongued, grooved, v-jointed, beaded or the like) along any edges, ends or faces, whether or not planed, sanded or end-jointed.

Woodchips

Wood that has been reduced to small pieces.

APPENDIX I

FAUNA (ANIMALS)

PHYLUM CHORDATA CLASS MAMMALIA (MAMMALS)

ARTIODACTYLA

Antilocapridae Pronghorns

	Antilocapra americana (Only the population of Mexico is included in Appendix I. No other population is included in the Appendices.)
Bovidae	meradou in the Espperasous)
Antelopes, cattle, duikers,	
gazelles, goats, sheep, etc.	
	Addax nasomaculatus
	Bos gaurus (Excludes the domesticated form, which is referenced as Bos frontalis, and is not subject to the provisions of the Convention.)
	<i>Bos mutus</i> (Excludes the domesticated form, which is referenced as <i>Bos grunniens</i> , and is not subject to the provisions of the Convention.)
	Bos sauveli
	Bubalus depressicornis
	Bubalus mindorensis
	Bubalus quarlesi
	Capra falconeri
	Capricornismilneedwardsii
	Capricornisrubidus
	Capricornissumatraensis
	Capricornis thar
	Cephalophusjentinki
	Gazella cuvieri
	Gazella leptoceros
	Hippotragus nigervariani
	Naemorhedus baileyi
	Antelopes, cattle, duikers,

19		Naemorhedus caudatus
20		Naemorhedus goral
21		Naemorhedus griseus
22		Nangerdama
23		Oryx dammah
24		Oryx leucoryx
25		Ovis gmelini (Only the population of Cyprus; no other population is included in the Appendices)
26		Ovis hodgsoni
27		Ovis nigrimontana
28		Ovis vignei
29		Pantholopshodgsonii
30		Pseudoryxnghetinhensis
	Camelidae Camels, guanacos, vicunas	
31		Vicugna vicugna [Except the populations of: Argentina (the populations of the Provinces of Jujuy, Catamarca and Salta, and the semi-captive populations of the Provinces of Jujuy, Salta, Catamarca, La Rioja and San Juan), Chile (populations of the region of Tarapacá and of the region of Arica and Parinacota), Ecuador (the whole population), Peru (the whole population) and the Plurinational State of Bolivia (the whole population), which are included in Amendia III.
	Cervidae	which are included in Appendix II]
	Deer, huemuls, muntjacs, pu	dus
32		Axis calamianensis
33		Axis kuhlii
34		Axis porcinusannamiticus
35		Blastocerusdichotomus
36		Cervus elaphus hanglu
37		Damadamamesopotamica
38		Hippocamelus spp.
39		Muntiacuscrinifrons
40		Muntiacusvuquanghensis
41		Ozotocerosbezoarticus
42		Pudupuda
43		Rucervusduvaucelii
44		Rucervuseldii
	Giraffidae Giraffes Hippopotamidae Hippopotamuses Moschidae	
45	Musk deer	Moschus spp. [(Only the populations of Afghanistan, Bhutan, India, Myanmar, Nepal and Pakistan; all other populations are included in Appendix II)]

populations are included in Appendix II)]

	Suidae Babirusa, hogs, pigs	
46		Babyrousababyrussa

(*Vicugna vicugna*) and their derivative products, only if the fibre comes from the shearing of live vicuñas. Trade in products derived from the fibre may only take place in accordance with the following provisions:

- (a) Any person or entity processing vicuña fibre to manufacture cloth and garments must request authorisation from the relevant authorities of the country of origin (Countries of origin: The countries where the species occurs, that is, Argentina, Bolivia, Chile, Ecuador and Peru) to use the "vicuña country of origin" wording, mark or logo adopted by the range States of the species that are signatories to the Convention for the Conservation and Management of the Vicuña.
- (b) Marketed cloth or garments must be marked or identified in accordance with the following provisions:
 - (i) For international trade in <u>cloth</u> made from live-sheared vicuña fibre, whether the cloth was produced within or outside of the range States of the species, the wording, mark or logo must be used so that the country of origin can be identified. The VICUÑA [COUNTRY OF ORIGIN] wording, mark or logo has the format as detailed

This wording, mark or logo must appear on the reverse side of the cloth. In addition, the selvages of the cloth must bear the words VICUÑA [COUNTRY OF ORIGIN].

- (ii) For international trade in garments made from live-sheared vicuña fibre, whether the garments were produced within or outside of the range States of the species, the wording, mark or logo indicated in paragraph (b) (i) must be used. This wording, mark or logo must appear on a label on the garment itself. If the garments are produced outside of the country of origin, the name of the country where the garment was produced should also be indicated, in addition to the wording, mark or logo referred to in paragraph (b) (i).
- (c) For international trade in handicraft products made from live-sheared vicuña fibre produced within the range States of the species, the VICUÑA [COUNTRY OF ORIGIN] ARTESANÍA wording, mark or logo must be used as detailed

TICUÑA PAÍS DE ORIGEN - ARTESANÍA

- (*d*) If live-sheared vicuña fibre from various countries of origin is used for the production of cloth and garments, the wording, mark or logo of each of the countries of origin of the fibre must be indicated, as detailed in paragraphs (b) (i) and (ii).
- (e) All other specimens shall be deemed to be specimens of species listed in Appendix I and the trade in them shall be regulated accordingly
- (2) Populations of Botswana, Namibia, South Africa and Zimbabwe (listed in Appendix II):

For the exclusive purpose of allowing:

(a) trade in hunting trophies for non-commercial purposes;

- (b) trade in live animals to appropriate and acceptable destinations, as defined in Resolution Conf. 11.20 (Rev. CoP18), for Botswana and Zimbabwe and for *in situ* conservation programmes for Namibia and South Africa;
 - (c) trade in hides;
 - (d) trade in hair;
- (e) trade in leather goods for commercial or non-commercial purposes for Botswana, Namibia and South Africa and for non-commercial purposes for Zimbabwe;
- (f) trade in individually marked and certified ekipas incorporated in finished jewellery for non-commercial purposes for Namibia and ivory carvings for non-commercial purposes for Zimbabwe;
- (g) trade in registered raw ivory (for Botswana, Namibia, South Africa and Zimbabwe, whole tusks and pieces) subject to the following:
 - (i) only registered government-owned stocks, originating in the State (excluding seized ivory and ivory of unknown origin);
 - (ii) only to trading partners that have been verified by the Secretariat, in consultation with the Standing Committee, to have sufficient national legislation and domestic trade controls to ensure that the imported ivory will not be re-exported and will be managed in accordance with all requirements of Resolution Conf. 10.10 (Rev. CoP18) concerning domestic manufacturing and trade:
 - (iii) not before the Secretariat has verified the prospective importing countries and the registered government-owned stocks;
 - (*iv*) raw ivory pursuant to the conditional sale of registered government-owned ivory stocks agreed at CoP12, which are 20,000 kg (Botswana), 10,000 kg (Namibia) and 30,000 kg (South Africa);
 - (ν) in addition to the quantities agreed at CoP12, government-owned ivory from Botswana, Namibia, South Africa and Zimbabwe registered by 31 January 2007 and verified by the Secretariat may be traded and despatched, with the ivory in paragraph (g) (iv) above, in a single sale per destination under strict supervision of the Secretariat;
 - (vi) the proceeds of the trade are used exclusively for elephant conservation and community conservation and development programmes within or adjacent to the elephant range; and
 - (vii) the additional quantities specified in paragraph (g) (v) above shall be traded only after the Standing Committee has agreed that the above conditions have been met; and
- (h) no further proposals to allow trade in elephant ivory from populations already in Appendix II shall be submitted to the Conference of the Parties for the period from CoP14 and ending nine years from the date of the single sale of ivory that is to take place in accordance with provisions in paragraphs (g) (i), (g) (ii), (g) (iii), (g) (vi) and (g) (vii). In addition such further proposals shall be dealt with in accordance with Decisions 16.55 and 14.78 (Rev. CoP16).

On a proposal from the Secretariat, the Standing Committee can decide to cause this trade to cease partially or completely in the event of non-compliance by exporting or importing countries, or in the case of proven detrimental impacts of the trade on other elephant populations.

All other specimens shall be deemed to be specimens of species included in Appendix I and the trade in them shall be regulated accordingly.

9.

Artificially propagated specimens of the following hybrids and/or cultivars are not subject to the provisions of the Convention:

- Hatiora x graeseri
- Schlumbergera x buckleyi
- Schlumbergerarusselliana x Schlumbergeratruncata
- Schlumbergeraorssichiana x Schlumbergeratruncata
- Schlumbergeraopuntioides x Schlumbergeratruncata
- Schlumbergeratruncata (cultivars)
- Cactaceae spp. colour mutants grafted on the following grafting stocks: Harrisia 'Jusbertii', Hylocereustrigonus or Hylocereusundatus
- Opuntia microdasys (cultivars).

10-

Artificially propagated hybrids of the following genera are not subject to the provisions of the Convention, if conditions, as indicated under a) and b), are met: *Cymbidium, Dendrobium, Phalaenopsis and Vanda*:

- (a) Specimens are readily recognizable as artificially propagated and do not show any signs of having been collected in the wild such as mechanical damage or strong dehydration resulting from collection, irregular growth and heterogeneous size and shape within a taxon and shipment, algae or other epiphyllous organisms adhering to leaves, or damage by insects or other pests; and
- (b) (i) when shipped in non-flowering state, the specimens must be traded in shipments consisting of individual containers (such as cartons, boxes, crates or individual shelves of CC-containers) each containing 20 or more plants of the same hybrid; the plants within each container must exhibit a high degree of uniformity and healthiness; and the shipment must be accompanied by documentation, such as an invoice, which clearly states the number of plants of each hybrid; or
- (ii) when shipped in flowering state, with at least one fully open flower per specimen, no minimum number of specimens per shipment is required but specimens must be professionally processed for commercial retail sale, e.g. labelled with printed labels or packaged with printed packages indicating the name of the hybrid and the country of final processing. This should be clearly visible and allow easy verification.

Plants not clearly qualifying for the exemption must be accompanied by appropriate CITES documents.

11-

Artificially propagated specimens of cultivars of *Cyclamen persicum* are not subject to the provisions of the Convention. However, the exemption does not apply to such specimens traded as dormant tubers.

12-

Artificially propagated hybrids and cultivars of *Taxus cuspidata*, live, in pots or other small containers, each consignment being accompanied by a label or document stating the name of the taxon or taxa and the text 'artificially propagated', are not subject to the provisions of the Convention.

#1-

All parts and derivatives, except:

(a) seeds, spores and pollen (including pollinia);

- (b) seedling or tissue cultures obtained in vitro, in solid or liquid media, transported in sterile containers;
 - (c) cut flowers of artificially propagated plants; and
- (d) fruits, and parts and derivatives thereof, of artificially propagated plants of the genus *Vanilla*.

#2-

All parts and derivatives except:

- (a) seeds and pollen; and
- (b) finished products packaged and ready for retail trade.

#3 -

Whole and sliced roots and parts of roots, excluding manufactured parts or derivatives, such as powders, pills, extracts, tonics, teas and confectionery.

#4 -

All parts and derivatives, except:

- (a) seeds (including seedpods of Orchidaceae), spores and pollen (including pollinia). The exemption does not apply to seeds from Cactaceae spp. exported from Mexico, and to seeds from *Beccariophoenix madagascariensis* and *Dypsisdecaryi* exported from Madagascar;
- (b) seedling or tissue cultures obtained in vitro, in solid or liquid media, transported in sterile containers;
 - (c) cut flowers of artificially propagated plants;
- (d) fruits, and parts and derivatives thereof, of naturalized or artificially propagated plants of the genus *Vanilla* (Orchidaceae) and of the family Cactaceae;
- (e) stems, flowers, and parts and derivatives thereof, of naturalized or artificially propagated plants of the genera *Opuntia* subgenus *Opuntia* and *Selenicereus* (Cactaceae); and
- (f) finished products of *Aloe ferox* and *Euphorbia antisyphilitica* packaged and ready for retail trade.

#5 -

Logs, sawn wood and veneer sheets.

#6-

Logs, sawn wood, veneer sheets and plywood.

#7 -

Logs, woodchips, powder and extracts.

#8 -

Underground parts (i.e. roots, rhizomes): whole, parts and powdered.

#9 -

All parts and derivatives except those bearing a label:

"Produced from *Hoodia* spp. material obtained through controlled harvesting and production under the terms of an agreement with the relevant CITES Management Authority of [Botswana under agreement No. BW/xxxxxx] [Namibia under agreement No. NA/xxxxxx] [South Africa under agreement No. ZA/xxxxxx]".

#10-

Designates logs, sawn wood and veneer sheets, including unfinished wood articles used for the fabrication of bows for stringed musical instruments.

#11 -

Logs, sawn wood, veneer sheets, plywood, powder and extracts. Finished products containing such extracts as ingredients, including fragrances, are not considered to be covered by this annotation.

#12-

Logs, sawn wood, veneer sheets, plywood and extracts. Finished products containing such extracts as ingredients, including fragrances, are not considered to be covered by this annotation.

#13 -

The kernel (also known as 'endosperm', 'pulp' or 'copra') and any derivative thereof, except finished products packaged and ready for retail trade.

#14 -

All parts and derivatives except:

- (a) seeds and pollen;
- (b) seedling or tissue cultures obtained in vitro, in solid or liquid media, transported in sterile containers;
 - (c) fruits;
 - (d) leaves;
- (e) exhausted agarwood powder, including compressed powder in all shapes; and
- (f) finished products packaged and ready for retail trade, this exemption does not apply to wood chips, beads, prayer beads and carvings.

#15 -

All parts and derivatives, except:

- (a) leaves, flowers, pollen, fruits, and seeds;
- (b) finished products to a maximum weight of wood of the listed species of up to 10 kg per shipment;
- (c) finished musical instruments, finished musical instrument parts and finished musical instrument accessories;
- (d) parts and derivatives of *Dalbergia cochinchinensis*, which are covered by Annotation # 4;
- (e) parts and derivatives of *Dalbergia* spp. originating and exported from Mexico, which are covered by Annotation # 6.

#16-

Seeds, fruits and oils.

#17 -

Logs, sawn wood, veneer sheets, plywood and transformed wood.

#18 -

Excluding parts and derivatives, other than eggs.'.

STATEMENT OF OBJECTS AND REASONS

The Wild Life (Protection) Act, 1972 (the Act) provides for the protection of wild animals, birds and plants and for matters connected therewith or ancillary or incidental with a view to ensuring the ecological and environmental security of the country.

- 2. India is a party to the Convention on International trade in Endangered Species of Wild Fauna and Flora (the Convention) which requires that appropriate measures are taken to enforce the provisions of the Convention. It is proposed to amend the Act to provide for the implementation of the Convention.
- 3. The Act broadly has two classes of animals, that is to say, (a) species listed in Schedule I and Part II of Schedule II; and (b) species listed in Part I of Schedule II, Schedule III, and Schedule IV, based on which their protections and penalties for contravention differ. Since, the Act essentially has only these two levels of protection for animals, the segregation of protected animals or species in four Schedule may not be appropriate and may cause confusion and be difficult for the public to understand. Therefore, it is proposed to rationalise and amend the Schedules.
- 4. Accordingly, the Wild Life (Protection) Amendment Bill 2021 proposes to amend the Wild Life (Protection) Act, 1972. The Bill, *inter alia*, proposes to—
 - (a) amend the preamble to the Act so as to include the aspects of "conservation" and "management" of wild life which are covered by the Act;
 - (b) rationalise and amend the Schedules to the Act for the purposes of clarity;
 - (c) insert a new Chapter VB in the Act for proper implementation of the provisions of the Convention in India;
 - (d) insert provisions to enable control of invasive alien species;
 - (e) insert a provision to allow the State Boards for Wild Life to constitute Standing Committees, etc.;
 - (f) make amendments for better management of protected areas;
 - (g) insert an explanation so as to provide that certain permitted activities such as, grazing or movement of livestock, *bona fide* use of drinking and household water by local communities, etc., shall be considered as non-prohibitive under section 29 of the Act;
 - (h) insert provisions for better care of seized live animals and disposal of seized wild life parts and products;
 - (*i*) insert a provision to allow for transfer or transport of live elephants by person having ownership certificates in accordance with conditions prescribed by the Central Government:
 - (j) insert a provision to enable the Central Government to call for information and issue directions for proper implementation of the Act; and
 - (k) make other consequential amendments in the Act.
 - 5. The notes on clauses explain in detail various provisions contained in the Bill.
 - 6. The Bill seeks to achieve the above objectives.

BHUPENDER YADAV.

New Delhi;

The 10th December, 2021.

Notes on clauses

Clause 1.—This clause relates to the short title and commencement of the proposed legislation.

Clause 2.—This clause seeks to amend the preamble of the Wild Life (Protection) Act, 1972 (hereinafter referred to as the principal Act). It proposes to include the aspects of "conservation" and "management" of wild life in the preamble in addition to the existing term "protection" since these broader actions are the need of the time and are to be provided for in the Act. Instead of using the terms wild animals, birds and plants separately, the term "wild life" is proposed to be included since as per the principal Act, wild animals include birds and wild life includes wild animals and plants.

Clause 3.—This clause seeks to amend section 2 of the principal Act which relates to definitions.

Clause 4.—This clause seeks to amend section 5A of the principal Act which relates to the constitution of the National Board for Wild Life. It proposes to replace the "Member, Planning Commission in-charge of Forests and Wild Life" with the "Member, NITI Aayog in-charge of Environment, Forest and Climate Change" as a member of the National Board since the Planning Commission has been replaced with NITI Aayog.

Clause 5.—This clause seeks to amend sub-section (3) of section 5B of the principal Act which relates to the Standing Committee of the National Board for Wild Life. It is proposed to provide that rules may be made to prescribe the terms and conditions of committees, sub-committees or study groups to be constituted by the National Board for proper discharge of functions assigned to it under the Act.

Clause 6.—This clause seeks to insert a new section 6A allowing the State Board for Wild Life to constitute a Standing Committee to exercise such powers and perform such duties as may be delegated to it by the Board. It provides for the membership of such Standing Committee to be the Vice-Chairperson, the Member-Secretary, and not more than ten members, to be nominated by the Vice-Chairperson, from amongst the members of the Board. It further provides for such Standing Committee to constitute committees, sub-committees or study groups as may be necessary.

Clause 7.—This clause seeks to substitute the words and figures "Schedules I, II, III and IV" with the words and figures "Schedules I and II" in section 9 which relates to prohibition on hunting. This is a consequential amendment in view of rationalisation of the Schedules to the principal Act.

Clause 8.—This clause seeks to omit the words and figures ", Schedule III, or Schedule IV," in clause (b) of sub-section (1) of section 11 which relates to hunting of wild animals to be permitted in certain cases. This is a consequential amendment in view of rationalisation of the Schedules to the principal Act.

Clause 9.—This clause seeks to amend section 24 of the principal Act which relates to acquisition of rights to substitute the reference to the Land Acquisition Act, 1894 (1 of 1894) with the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 (30 of 2013) since the Land Acquisition Act, 1894 has been repealed.

Clause 10.—This clause seeks to amend section 25 of the principal Act which relates to acquisition proceedings to substitute references to Land Acquisition Act, 1894 (1 of 1894) (hereinafter referred to as the Act, 1894) with the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 (30 of 2013) (hereinafter referred to as the Act, 2013) since the Land Acquisition Act, 1894 has been repealed.

It proposes, in sub-section (1) of section 25 of the principal Act, to—

- (i) substitute the Act, 1894 with the Act, 2013 in clause (a);
- (ii) substitute the reference to section 9 of the Act, 1894 with section 21 of the Act, 2013 in clauses (b) and (c);
- (*iii*) substitute the references to section 18 and Part III of the Act, 1894 with section 64 and Chapter VIII respectively of the Act, 2013 in clause (*d*);
- (*iv*) substitute the reference to the Court under the Act, 1894 with the Authority under the Act, 2013 in clause (*e*); and
- (v) insert an Explanation to the effect that the expression 'Authority' shall mean the Land Acquisition, Rehabilitation, and Resettlement Authority established under section 51 of the Act, 2013.

Clause 11.—This clause seeks to amend section 28 of the principal Act which relates to grant of permit. It proposes to include film-making without making any change in the habitat or causing any adverse impact to the habitat or wildlife as one of the purposes for which permits may be granted to enter or reside in a sanctuary.

Clause 12.—This clause seeks to amend section 29 of the principal Act which relates destruction, etc., in a sanctuary prohibited without a permit.

It proposes to substitute the reference to the State Board for Wild Life in the section with the National Board.

It further proposes to substitute the Explanation to section 29 of the principal Act so as to enhance the scope of the Explanation to exclude hunting of wild animals under a permit granted under section 11 or hunting without violating the conditions of a permit granted under section 12 or the exercise of any rights permitted to continue under clause (*c*) of sub-section (2) of section 24, and the *bona fide* use of drinking and household water by local communities from the scope of the prohibition in section 29.

Clause 13.—This clause seeks to amend section 33 of the principal Act which relates to control of sanctuaries. It proposes that the Chief Wild Life Warden shall control, manage and maintain all sanctuaries in accordance with the management plan prepared as per guidelines issued by the Central Government and in the case of sanctuaries falling in Scheduled Areas or areas where the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 is applicable, in accordance with the management plan prepared after due consultation with the concerned Gram Sabha. It further proposes to include Government lodges for commercial purposes within the purview of the proviso to clause (a) of section 33.

Clause 14.—This clause seeks to amend section 34 of the principal Act which relates to registration of certain persons in possession of arms. It seeks to insert a new sub-section (4) whereby no renewal of any arms licences shall be granted to any person residing within ten kilometres of a sanctuary except under the intimation to the Chief Wild Life Warden or the authorised officer.

Clause 15.—This clause seeks to amend section 35 of the principal Act which relates to declaration of National Parks. It proposes to extend section 18A of the principal Act which relates to protection to sanctuaries, which currently applies only to sanctuaries, to National Parks as well.

Clause 16.—This clause seeks to amend section 36D of the principal Act which relates to community reserve management committee. It proposes to change the representatives to be nominated to the committee by the Village Panchayat or Gram Sabha from "five" to "not less than five".

It further proposes to insert a new sub-section (2A) which provides that where a

community reserve is declared on private land under sub-section (1) of section 36C, the community reserve management committee shall consist of the owner of the land along with a representative of the State Forests or Wildlife Department under whose jurisdiction the community reserve is located.

Clause 17.—This clause seeks to amend section 38 of the principal Act which relates to power of the Central Government to declare areas as sanctuaries or National Parks. It proposes to amend section 38 so as to allow the Central Government to declare conservation reserves in areas leased or otherwise transferred to it by the State Government.

Clause 18.—This clause seeks to amend clause (*o*) of sub-section (2) of section 38L of the principal Act which relates to the constitution of the National Tiger Conservation Authority. It proposes to change the rank specified for the Member-Secretary of the National Tiger Conservation Authority from Inspector-General of Forests or an officer of equivalent rank to an officer not below the rank of Inspector-General of Forests.

Clause 19.—This clause seeks to insert a new section 38XA which provides that the provisions contained in Chapter IVB shall be in addition to, and not in derogation of, the provisions relating to the sanctuaries and National Parks (whether included and declared, or are in the process of being so declared) included in a tiger reserve under the principal Act.

Clause 20.—This clause seeks to amend the heading of Chapter IVC of the principal Act which relates to TIGER AND OTHER ENDANGERED SPECIES CRIME CONTROL BUREAU. It is proposed so as to change the name of the Chapter from "TIGER AND OTHER ENDANGERED SPECIES CRIME CONTROL BUREAU" to "WILD LIFE CONTROL BUREAU".

Clause 21.—This clause seeks to amend section 38Y of the principal Act which relates to the constitution of the Tiger and other Endangered Species Crime Control Bureau. It is proposed to amend the marginal heading and section so that the Bureau is referred to as the "Wild Life Crime Control Bureau". It is further proposed to change the reference from Additional Commissioner (Customs and Central Excise) to Additional Commissioner (Customs and Central Goods and Services Tax).

Clause 22.—This clause seeks to amend section 39 which relates to wild animals, etc., to be Government property.

It proposes to insert a new sub-section (4) to provide that where Government property is a live animal and it cannot be released to its natural habitat, the State Government shall ensure that it is housed and cared for by a recognised zoo or rescue centre.

It further proposes to insert a new sub-section (5) and proviso so as to enable the State Government or Central Government to dispose of animal articles, trophies or uncured trophies or meat derived from wild animals in the manner prescribed by the Central Government. The proviso to the sub-section provides that such disposal shall not include any commercial sale or auction and no certificate of ownership shall be issued.

Clause 23.—This clause seeks to amend section 40 of the principal Act which relates to declarations. It proposes to omit the words and figures "or Part II of Schedule II" from sub-sections (1), (2), (2A), and (4) of the principal Act. This is a consequential amendment proposed in view of rationalisation of the Schedules to the principal Act.

Clause 24.—This clause seeks to amend sub-section (1) of section 40A of the principal Act which relates to immunity in certain cases. It proposes to omit the words and figures "or Part II of Schedule II" from the sub-section. This is a consequential amendment proposed in view of rationalisation of the Schedules to the principal Act.

Clause 25.—This clause seeks to amend clause (b) of sub-section (1) of section 41 of the principal Act which relates to inquiry and preparation of inventories. It proposes to omit the words and figures "and Part II of Schedule II". This is a consequential amendment proposed in view of rationalisation of the Schedules to the principal Act.

Clause 26.—This clause seeks to insert a new section 42A in the principal Act wild to surrender of captive animals, animal articles, etc. The proposed section will allow persons with an ownership certificate to surrender any captive animal, animal article, trophy or uncured trophy, meat or ivory imported into India or an article made from such ivory to the Chief Wild Life Warden if they are not desirous of keeping it in their control, custody or possession. It provides that any such ownership certificate will stand cancelled and no compensation shall be payable for such surrender. It also provides that the surrendered animal, animal article, trophy, etc., shall be State Government property and the provisions of section 39 shall apply.

Clause 27.—This clause seeks to amend section 43 of the principal Act which relatesto regulation of transfer of animal, etc. It proposes to insert a new sub-section (4) which provides that the section will not apply to transfer or transport of a live elephant by a person having a certificate of ownership where prior permission of the State Government has been obtained, and on fulfilment of such conditions as may be prescribed by the Central Government.

Clause 28.—This clause seeks to amend sub-clause (ii) of clause (b) of section 48 of the principal Act which relates to purchase of animal, etc., by licensee. It proposes to omit the words and figures "or Part II of Schedule II" from the sub-clause. This is a consequential amendment proposed in view of rationalisation of the Schedules to the principal Act.

Clause 29.—This clause seeks to amend section 49A of the principal Act which relates to definitions. It proposes to omit the words and figures "or Part II of Schedule II" from clause (a) and sub-clause (ii) of clause (c) of the section. This is a consequential amendment proposed in view of rationalisation of the Schedules to the principal Act.

Clause 30.—This clause seeks to insert a new Chapter VB in the principal Act for Regulation of International Trade in Endangered Species of Wild Fauna and Flora (hereinafter referred to as the Convention).

The proposed new section 49D seeks to *inter alia*, define the words and expressions for the purposes of the proposed new Chapter.

The proposed new section 49E provides for the designation of Management Authority by the Central Government. It provides that such Management Authority shall be an officer not below the rank of an Additional Director General of Forests and shall be responsible for issuance of permits and certificates for trade of scheduled specimens (i.e. specimens of species listed in Schedule IV), submission of reports, and shall perform such other functions as may be necessary to implement the provisions of the Convention. It enables the Central Government to appoint officers and employees to assist the Management Authority and for the Management Authority to delegate its powers with the approval of the Central Government to officers not below the rank of Assistant Inspector General of Forests.

The proposed new section 49F provides for the designation of institutes engaged in scientific research as Scientific Authorities by the Central Government. It provides that the Scientific Authority shall advise the Management Authority on matters referred to it. It provides that the Scientific Authority shall monitor and advise on trade of species listed in Appendix II of Schedule IV so as to maintain such species throughout their range at a level consistent with their role in the ecosystems in which they occur.

The proposed new section 49G provides that the Management Authority and the Scientific Authority, while performing their duties and exercising powers, shall be subject to such general or special directions, as the Central Government may, from time to time, give.

The proposed new section 49H provides that no person shall engage in trade of scheduled specimens except as provided for under Chapter VB. It further provides that the Central Government shall prescribe by rues the conditions and procedures by which the exemptions provided in Article VII of the Convention may be availed. It also provides that every person engaging in trade of scheduled specimens shall report the details to the Management Authority or authorised officer in the manner prescribed. It also provides that

every person engaging in trade of scheduled specimen shall present it for clearance to the Management Authority or authorised officer or customs officer only at the ports of exit and entry as may be specified by the Central Government.

The proposed new section 49-I provides the conditions for export of scheduled specimen. It further provides for the permits or certificates that are required to be granted and presented for export of species listed in each Appendix of Schedule IV and the conditions to be satisfied for issue of export permits.

The proposed new section 49J provides the conditions for import of scheduled specimen. It further provides for the permits or certificates that are required to be granted and presented for import of species listed in each Appendix of Schedule IV and the conditions to be satisfied for issue of import permits.

The proposed new section 49K provides the conditions for re-export of scheduled specimen. It further provides for certificates that are required to be granted and presented for re-export of species listed in each Appendix of Schedule IV and the conditions to be satisfied for issue of re-export certificates.

The proposed new section 49L provides the conditions for introduction from the sea of scheduled specimen. It further provides that introduction from the sea of species listed in Appendix I and II of Schedule IV requires the prior grant and presentation of a certificate of introduction from the sea. It also provides the conditions to be satisfied for issue of certificates of introduction from the sea.

The proposed new section 49M provides that every person possessing a living specimen of an animal species listed in Schedule IV shall report details to the Management Authority and the Management Authority shall, if he is satisfied that it has not been obtained in contravention of any law relating to protection of fauna and flora, issue a registration certificate allowing the owner to retain such specimen. It further provides for reporting and registration of transfers, births, and deaths of such specimens in accordance with rules prescribed by the Central Government.

The proposed new section 49N provides that every person breeding or artificially propagating species listed on Appendix I of the Convention shall apply for registration to the Chief Wild Life Warden in the form and manner prescribed by the Central Government.

The proposed new section 49-O provides that when the required conditions, including the relevant resolutions of the Convention relating to breeding in captivity or artificial propagation of Appendix I species are satisfied, the Chief Wild Life Warden shall issue a certificate of registration to a person making an application under sub-section (I) of section 49N. It further provides that the certificate of registration shall be valid for two years, and also provides for an appeal to the State Government in case of refusal or cancellation of registration by the Chief Wild Life Warden.

The proposed new section 49P provides that no person shall alter, deface, erase or remove a mark of identification affixed on a scheduled specimen or its package.

The proposed new section 49Q provides that every scheduled specimen in respect of which any offence under the Act or rules has been committed shall become the property of the Central Government and the provisions of section 39 shall, without prejudice to the Customs Act, 1962, apply to it as they apply to wild animals, captive animals and animal articles. It further provides that when a living specimen of a species listed in Schedule IV has been imported into India in contravention of the Act, the Management Authority shall after consultation with the country of export, return the specimen to that country at the expense of that country or ensure it is housed and cared for by a recognised zoo or rescue centre. It also provides that the Management Authority may for such purposes consult the Scientific Authority as it deems appropriate.

The proposed new section 49R provides that where the same species is listed in Schedule IV and Schedules I or II, the provisions of the Act applicable to such species listed in Schedule I or II and the rules made thereunder shall apply.

Clause 31.—This clause seeks to amend section 50 of the principal Act which relates to power of entry, search, arrest and detention. It proposes to confer power of entry, search, arrest and detention on the Management Authority or any officer authorised by the Management Authority or any customs officer not below the rank of an inspector or any officer of the coast guard not below the rank of an Assistant Commandant. It further proposes to extend clauses (a) and (c) of sub-section (1) of the section to include scheduled specimen.

Clause 32.—This clause seeks to amend section 51 of the principal Act which relates to penalties. Sub-section (1) of section 51 provides penalties for contravention of any provision of the Act or any rule or order made thereunder or breach of any of the conditions of any licence or permit granted under this Act and such contravention is punishable currently with imprisonment for a term extending up to three years or with fine up to twenty-five thousand rupees or with both. This clause proposes to enhance fine for such offences to a maximum of one lakh rupees.

Presently, the first proviso to sub-section (*I*) of section 51 provides that offences committed in relation to any animal specified in Schedule I or Part II of Schedule II or the meat of any such animal or animal article, trophy or uncured trophy derived from such animal or where the offence relates to hunting in a sanctuary or a National Park or altering the boundaries of a sanctuary or a National Park are punishable with imprisonment for a term not less than three years and extending up to seven years and also with fine not less than ten thousand rupees. This clause proposes to enhance the minimum fine for such offences to twenty-five thousand rupees. It seeks to omit the words "or Part II of Schedule II" from this proviso as a consequential amendment in view of rationalisation of the Schedules to the principal Act. It further proposes to include offences relating to specimens of species listed in Appendix I of Schedule IV in this proviso.

Presently, the second proviso to sub-section (I) of section 51 provides that a second or subsequent offence of the nature mentioned in sub-section (I) is punishable with a term of imprisonment not less than three years and extending up to seven years and also with fine not less than twenty-five thousand rupees. This clause proposes to enhance the minimum fine for such offences to one lakh rupees.

Presently, sub-section (*1A*) of section 51 provides that offences in relation to Chapter VA are punishable with imprisonment for a term not less than three years and extending up to seven years and also with fine not less than ten thousand rupees. This clause proposes to enhance minimum fine for such offences to twenty-five thousand rupees.

Clause 33.—This clause seeks to amend section 51A of the principal Act which relates to certain conditions to apply while granting bail. It proposes to omit the words and figures "or Part II of Schedule II" from the section. This is a consequential amendment in view of rationalisation of the Schedules to the principal Act.

Clause 34.—This clause seeks to amend section 54 of the Principal Act which relates to the power to compound offences. Presently, the sum of money accepted or agreed to be accepted by way of compounding an offence as per sub-section (4) of this section cannot exceed the sum of twenty-five thousand rupees. This clause proposes to enhance the maximum compounding amount to five lakh rupees.

Clause 35.—This clause seeks to amend section 55 of the Principal Act which relates to cognizance of offences. This clause seeks to include a provision to empower the Management Authority or any officer, including an officer of the Wild Life Crime Control Bureau, authorised in this behalf by the Central Government, to file complaints in courts in respect of offences against the Act.

Clause 36.—This clause seeks to amend section 57 of the principal Act which relates to presumption to be made in certain cases. It seeks to extend the section to scheduled specimen as it currently applies to captive animals, animal articles, meat, etc.

Clause 37.—This clause seeks to amend section 61 of the Principal Act which relates to power to alter entries in Schedules. It seeks to substitute the word "add" with the words "amend any Schedule or add" so as to make it clear that the power provided by the section to the Central Government to alter the entries in the Schedules includes the power to amend a Schedule.

Clause 38.—This clause seeks to amend section 62 of the Principal Act which relates to declaration of certain wild animals to be vermin. The section empowers the Central Government to declare certain wild animals to be vermin for any area and for such period as may be specified by way of notification. The clause seeks to omit the references to Part II of Schedule II and Schedule V from the section. This is a consequential amendment in view of rationalisation of the Schedules to the principal Act.

Clause 39.—This clause seeks to insert new sections 62A and 62B in the Principal Act.

The proposed new section 62A will empower the Central Government to take necessary actions for control of invasive alien species. It will allow the Central Government to regulate or prohibit the import, trade, possession or proliferation of invasive alien species which pose a threat to the wild life or habitat in India by way of notification. It also seeks to empower the Central Government to authorise the Director or any other officer to seize and dispose of, including through destruction, such species.

The proposed new section 62B will empower the Central Government to call for any information or report from a State Government or any such other agency or body or issue any direction to a State Governments or any such other agency or body for effective implementation of the provisions of the Act for the protection, conservation and management of wild life in the country.

Clause 40.—This clause seeks to amend section 63 of the principal Act which relates to the power of the Central Government to make rules. It proposes to include the matters under the proposed legislation in respect of which the Central Government may make rules.

Clause 42.—This clause seeks to rationalise Schedules appended to the principal Act. Presently, the Act broadly has two classes of wild animal, that is—

- (a) species listed in Schedule I and Part II of Schedule II; and
- (b) species listed in Part I of Schedule II, Schedule III, and Schedule IV.

Species listed in Schedule I and Part II of Schedule II are provided more protection (for example commercial trade of these species is prohibited and possession of these species requires an ownership certificate) and penalties for offences involving these species are higher. Since the principal Act essentially has only these two levels of protection for animals, it is proposed to place the protected animal species in two Schedules, i.e., Schedule I and Schedule II.

Along with the reduction in number of Schedules for protected animal species, it is also proposed to delete the schedule in which vermin species are listed (currently Schedule V) and simply have such species notified. With the deletion of the Schedule for vermin, and the reduction in the number of Schedules for protected animal species from four to two, along with the addition of a Schedule for species listed on the Appendices to the Convention, this clause seeks to reduce the number of Schedules from present six to four as follows—

Schedule I specifies the animal species with the highest level of protection.

Schedule II specifies the animal species with a lesser level of protection.

Schedule III specifies the protected plant species.

Schedule IV specifies the species listed in the Appendices to the Convention.

FINANCIAL MEMORANDUM

Clause 30 of the Bill seeks to insert a new Chapter VB in the Wild Life (Protection) Act, 1972 so as to provide for the provisions to implement the Convention on International Trade in Endangered Species of Wild Fauna and Flora. The proposed new section 49E provides that the Central Government may designate an officer not below the rank of the Additional Director General of Forests as the Management Authority for discharging functions and exercising powers under the Act. Sub-section (4) thereof provides that the Central Government may appoint such officers and employees as may be necessary to assist the Management Authority in discharging its functions or exercising the powers under the proposed new Chapter, on such terms and conditions of service including salaries and allowances as may be prescribed. The salaries and allowances of the officers and employees to be appointed shall be met from the sanctioned budget of the Central Government under the Plan Scheme "Integrated Development of Wildlife Habitats".

2. The Bill, if enacted and brought into operation, is not likely to involve any other expenditure of recurring or non-recurring nature from and out of the Consolidated Fund of India.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Clause 40 of the Bill seeks to amend section 63 of the Wild Life (Protection) Act, 1972 which confers power upon the Central Government to make rules. The matters on which rules may be made, inter alia, relate to—(a) terms and conditions of the committee, sub-committees or study groups under sub-section (3) of section 5B; (b) the manner of disposal of Government property under sub-section (5) of section 39; (c) the registration and conduct of transfer or transport under sub-section (4) of section 43; (d) the terms and conditions of service including salaries and allowances for appointment of the officers and employees of the Management Authority under sub-section (4) of section 49E; (e) the conditions and procedures subject to which any exemption provided for in Article VII of the Convention may be availed under subsection (2) of section 49H; (f) the reporting of details of scheduled specimens and the transaction as per sub-section (3) of section 49H; (g) the matters provided for in subsections (8) and (9) of section 49M; (h) the form and manner of the application, the fee payable, the form of certificate of registration, and the procedure to be followed in granting or cancelling a certificate of registration as per sub-section (2) of section 49N; (i) the fee payable for renewal of certificates of registration as per sub-section (3), and manner of making appeal under sub-section (4), of section 49-O; (j) any other matter for proper implementation of the Convention as may be required under Chapter VB.

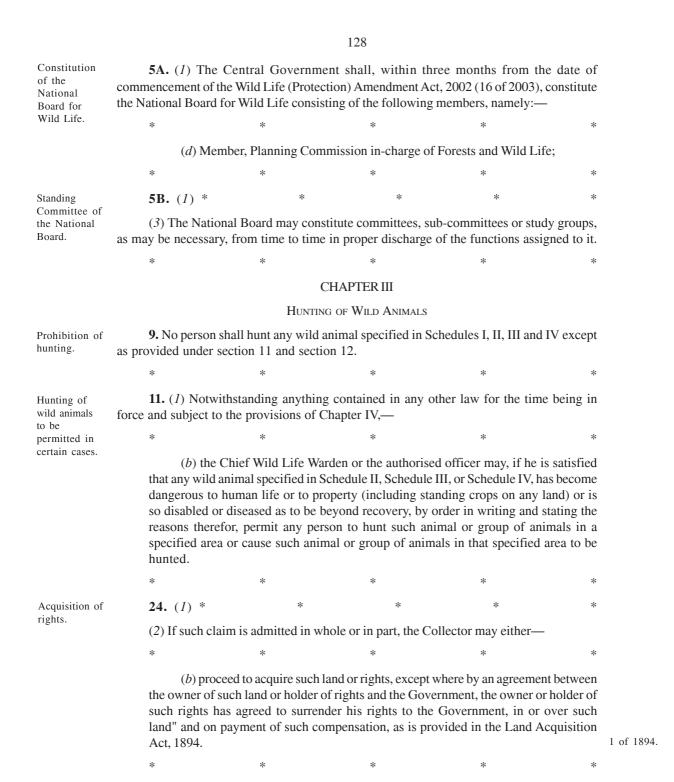

- 2. The rules made by the Central Government under section 63 of the Act, shall be laid as soon as they are made, before each House of Parliament.
- 3. The matters in respect of which rules may be made are matters of procedure or administrative details and it is not practicable to provide for them in the Bill itself. The delegation of legislative power is, therefore, of a normal character.

ANNEXURE

Extracts from the Wild Life (Protection) Act, 1972

(53 of 1972)

		(55 OF 1	912)			
:	*	*	*	*	*	
An Act to provide for the protection of wild animals, birds and plants and for matters connected therewith or ancillary or incidental thereto with a view to ensuring the ecological and environmental security of the country.						
:	*	*	*	*	*	
2	2. In this Act, unles	s the context otherwi	ise requires,—		Definition	
:	*	*	*	*	*	
(5) "captive animal" means any animal, specified in Schedule I, Schedule II, Schedule III or Schedule IV, which is captured or kept or bred in captivity;						
:	*	*	*	*	*	
	(15) "habitat" includes land, water or vegetation which is the natural home of any wild animal;					
:	*	*	*	*	*	
(18A) "livestock" means farm animals and includes buffaloes, bulls, bullocks, camels, cows, donkeys, goats, sheep, horses, mules, yaks, pigs, ducks, geese, poultry and their young but does not include any animal specified in Schedules I to V;						
(19) "manufacturer" means a person who manufactures articles from any animal or plant specified in Schedules I to V and VI, as the case may be;						
:	*	*	*	*	*	
((24) "person" includ	les a firm;				
:	*	*	*	*	*	
((27) "specified plan	t" means any plant sp	pecified in Schedule	VI;		
:	*	*	*	*	*	
((34) "vermin" mean	s any wild animal spe	ecified in Schedule V	<i>r</i> .		
:	*	*	*	*	*	
(36) "wild animal" means any animal specified in Schedules I to IV and found wild in nature;						
:	*	*	*	*	*	
(39) "zoo" means an establishment, whether stationary or mobile, where captive animals are kept for exhibition to the public and includes a circus and rescue centres but does not include an establishment] of a licensed dealer in captive animals.						

Acquisition proceedings.

- **25.** (1) For the purpose of acquiring such land, or rights in or over such land,—
- (a) the Collector shall be deemed to be a Collector, proceeding under the Land Acquisition Act, 1894;

1 of 1894.

- (b) the claimant shall be deemed to be a person interested and appearing before him in pursuance of a notice given under section 9 of that Act;
- (c) the provisions of the sections, preceding section 9 of that Act, shall be deemed to have been complied with;
 - (d) where the claimant does not accept the award made in his favour in the

matter of compensation, he shall be deemed, within the meaning of section 18 of that Act, to be a person interested who has not accepted the award, and shall be entitled to proceed to claim relief against the award under the provisions of Part III of that Act;

- (e) the Collector, with the consent of the claimant, or the court, with the consent of both the parties, may award compensation in land or money or partly in land and partly in money; and
- (f) in the case of the stoppage of a public way or a common pasture, the Collector may, with the previous sanction of the State Government, provide for an alternative public way or common pasture, as far as may be practicable or convenient.

28. (1) The Chief Wild Life Warden may, on application, grant to any person a permit to enter or reside in a sanctuary for all or any of the following purposes, namely:—

Grant of

(b) photography;

29. No person shall destroy, exploit or remove any wild life including forest produce Destruction, from a sanctuary or destroy or damage or divert the habitat of any wild animal by any act whatsoever or divert, stop or enhance the flow of water into or outside the sanctuary, except under and in accordance with a permit granted by the Chief Wild Life Warden, and no such permit shall be granted unless the State Government being satisfied in consultation permit. with the Board that such removal of wild life from the sanctuary or the change in the flow of water into or outside the sanctuary is necessary for the improvement and better management of wild life therein, authorises the issue of such permit:

etc., in a sanctuary prohibited without a

Provided that where the forest produce is removed from a sanctuary the same may be used for meeting the personal bona fide needs of the people living in and around the sanctuary and shall not be used for any commercial purpose.

Explanation.—For the purposes of this section, grazing or movement of livestock permitted under clause (d) of section 33 shall not be deemed to be an act prohibited under this section.

33. The Chief Wild Life Warden shall be the authority who shall control, manage and Control of maintain all sanctuaries and for that purpose, within the limits of any sanctuary,—

sanctuaries.

(a) may construct such roads, bridges, buildings, fences or barrier gates, and carry out such other works as he may consider necessary for the purposes of such sanctuary:

Provided that no construction of commercial tourist lodges, hotels, zoos and safari parks shall be undertaken inside a sanctuary except with the prior approval of the National Board.

National Parks

35. (1) *

Declaration of National Parks.

(8) The provisions of sections 27 and 28, sections 30 to 32 (both inclusive), and clauses (a), (b) and (c) of 4 [section 33, section 33A shall, as far as may be, apply in relation to a National Park as they apply in relation to a sanctuary.

Community reserve management committee.

36D. (1) * * * *

(2) The committee shall consist of five representatives nominated by the Village Panchayat or where such Panchayat does not exist by the members of the Gram Sabha and one representative of the State Forests or Wild Life Department under whose jurisdiction the community reserve is located.

* * * * *

Sanctuaries or National Parks declared by Central Government

Power of Central Government to declare areas as sanctuaries or National Parks.

Constitution of National

Tiger Conservation Authority. **38.** (1) * * * *

(3) In relation to a sanctuary or National Park declared by the Central Government, the powers and duties of the Chief Wild Life Warden under the sections referred to in subsections (1) and (2), shall be exercised and discharged by the Director or by such other officer as may be authorised by the Director in this behalf and references, in the sections aforesaid, to the State Government shall be construed as references to the Central Government and reference therein to the Legislature of the State shall be construed as a reference to Parliament.

CHAPTER IVC

TIGER AND OTHER ENDANGERED SPECIES CRIME CONTROL BUREAU

Constitution of Tiger and other Endangered Species Crime Control Bureau. **38Y.** The Central Government may, for the purposes of this Act, by order published in the Official Gazette, constitute a Tiger and other Endangered Species Crime Control Bureau to be known as the Wildlife Crime Control Bureau consisting of—

* * * * *

(e) the Additional Commissioner (Customs and Central Excise)-Joint Director; and

* * * * *

Declarations.

- 40. (I) Every person having at the commencement of this Act the control, custody or possession of any captive animal specified in Schedule I or Part II of Schedule II, or animal article, trophy or uncured trophy] derived from such animal or salted or dried skins of such animal or the musk of a musk deer or the horn of a rhinoceros, shall, within thirty days from the commencement of this Act, declare to the Chief Wild Life Warden or the authorised officer the number and description of the animal, or article of the foregoing description under his control, custody or possession and the place where such animal or article is kept.
- (2) No person shall, after the commencement of this Act, acquire, receive, keep in his control, custody or possession, sell, offer for sale or 420 otherwise transfer or transport any animal specified in Schedule I or Part II of Schedule II or any uncured trophy or meat derived from such animal, or the salted or dried skins of such animal or the musk of a musk deer or

the horn of a rhinoceros, except with the previous permission in writing of the Chief Wild Life Warden or the authorised officer.

16 of 2003.

- (2A) No person other than a person having a certificate of ownership, shall, after the commencement of the Wild Life (Protection) Amendment Act, 2002 acquire, receive, keep in his control, custody or possession any captive animal, animal article, trophy or uncured trophy specified in Schedule I or Part II of Schedule II, except by way of inheritance.
- (2B) Every person inheriting any captive animal, animal article, trophy or uncured trophy under sub-section (2A) shall, within ninety days of such inheritance make a declaration to the Chief Wild Life Warden or the authorised officer and the provisions of sections 41 and 42 shall apply as if the declaration had been made under sub-section (1) of section 40:

Provided that nothing in sub-sections (2A) and (2B) shall apply to the live elephant.

- (4) The State Government may, by notification, require any person to declare to the Chief Wild Life Warden or the authorised officer any animal or animal article or trophy (other than a musk of a musk deer or horn of a rhinoceros) or salted or dried skins derived from an animal specified in Schedule I or Part II of Schedule II in his control, custody or possession in such form, in such manner, and within such time, as may be prescribed.
- **40A.** (1) Notwithstanding anything contained in sub-sections (2) and (4) of Immunity in section 40 of this Act, the Central Government may, by notification, require any person to certain cases. declare to the Chief Wild Life Warden or the authorised officer, any captive animal, animal article, trophy or uncured trophy derived from animals specified in Schedule I or Part II of Schedule II in his control, custody or possession, in respect of which no declaration had been made under sub-section (1) or sub-section (4) of section 40, in such form, in such manner and within such time as may be prescribed.

41. (1) On receipt of a declaration made under section 40, the Chief Wild Life Warden Inquiry and

or the authorised officer may, after such notice, in such manner and at such time, as may be prescribed,—

preparation of inventories.

*

(b) make inquiries and prepare inventories of animal articles, trophies, uncured trophies, salted and dried skins and captive animals specified in Schedule I and Part II of Schedule II and found thereon; and

48. No licensee under this Chapter shall-

Purchase of animals, etc., by licensee.

(b) (i) capture any wild animal, or

(ii) acquire, receive keep in his control, custody or possession, or sell, offer for sale or transport, any captive animal specified in Schedule I or Part II of Schedule II or any animal article trophy, uncured trophy or meat derived therefrom or serve such meat, or put under a process of taxidermy or make animal article containing part or whole of such animal,

except in accordance with such rules as may be made tinder this Act;

CHAPTER VA

Prohibition of trade or Commerce in trophies, animal articles, etc., derived from Certain animals

Definitions.

49A. In this Chapter,—

(a) "Scheduled animal" means an animal specified for the time being in Schedule I or Part II of Schedule II;

* * * * *

(c) "Specified date" means—

* * * * *

(*ii*) in relation to any animal added or transferred to Scheduled I or Part II of Schedule II at any time after such commencement, the date of expiry of two months from such addition or transfer.

* * * * *

CHAPTER VI

PREVENTION AND DETECTION OF OFFENCES

Power of entry, search, arrest and detention. **50.** (1) Notwithstanding anything contained in any other law for the time being in force, the Director or any other officer authorised by him in this behalf or the Chief Wild Life Warden or the authorised officer or any forest officer or any police officer not below the rank of a sub-inspector, may, if he has reasonable grounds for believing that any person has committed an offence against this Act,—

(a) require any such person to produce for inspection any captive animal, wild animal, animal article, meat, trophy or trophy, uncured trophy, specified plant or part or derivative thereof in his control, custody or possession, or any licence, permit or other document granted to him or required to be kept by him under the provisions of this Act;

* * * * * *

(c) seize any captive animal, wild animal, animal article, meat, trophy or uncured trophy, or any specified plant or part or derivative thereof, in respect of which an offence against this Act appears to have been committed, in the possession of any person together with any trap, tool, vehicle, vessel or weapon used for committing any such offence and, unless he is satisfied that such person will appear and answer any charge which may be preferred against him, arrest him without warrant, and detain him:

Provided that where a fisherman, residing within ten kilometres of a sanctuary or National Park, inadvertently enters on a boat, not used for commercial fishing, in the territorial waters in that sanctuary or National Park, a fishing tackle or net on such boat shall not be seized.

* * * * *

Penalties.

51. (1) Any person who contravenes any provision of this Act (except Chapter VA and section 38J) or any rule or order made thereunder or who commits a breach of any of the conditions of any licence or permit granted under this Act, shall be guilty of an offence against this Act, and shall, on conviction, be punishable with imprisonment for a term which may extend to three years, or with fine which may extend to twenty-five thousand rupees, or with both:

Provided that where the offence committed is in relation to any animal specified in Schedule I or Part II of Schedule II or meat of any such animal or animal article, trophy or

uncured trophy derived from such animal or where the offence relates to hunting in a sanctuary or a National Park or altering the boundaries of a sanctuary or a National Park, such offence shall be punishable with imprisonment for a term which shall not be less than three years but may extend to seven years and also with fine which shall not be less than ten thousand rupees:

Provided further that in the case of a second or subsequent offence of the nature mentioned in this sub-section, the term of the imprisonment shall not be less than three years but may extend to seven years and also with fine which shall not be less than twentyfive thousand rupees.

51A. When any person accused of, the commission of any offence relating to Schedule I or Part II of Schedule II or offences relating to hunting inside the boundaries of National Park or wild life sanctuary or altering the boundaries of such parks and sanctuaries, is arrested under the provisions of the Act, then notwithstanding anything contained in the Code of Criminal Procedure, 1973 no such person who had been previously convicted of an offence under this Act shall, be released on bail unless-

2 of 1974.

Certain conditions to apply while granting bail.

54. (1) *

Power to compound offence.

(4) The sum of money accepted or agreed to be accepted as composition under sub-section (1) shall, in no case, exceed the sum of twenty-five thousand rupees:

Provided that no offence, for which a minimum period of imprisonment has been prescribed in section 51, shall be compounded.

57. Where, in any prosecution for an offence against this Act, it is established that a person is in possession, custody or control of any captive animal, animal article, meat, trophy, uncured trophy, specified plant, or part or derivative thereof it shall be presumed, until the contrary is proved, the burden of proving which shall lie on the accused, that such person is in unlawful possession, custody or control of such captive animal, animal article, meat, trophy, uncured trophy, specified plant, or part or derivative thereof.

Presumption to be made in certain cases.

61. (1) The Central Government may, if it is of opinion that it is expedient so to do, by notification, add or delete any entry to or from any Schedule or transfer any entry from one Part of a Schedule to another Part of the same Schedule or from one Schedule to another.

Power to alter entries in Schedules.

62. The Central Government may, by notification, declare any wild animal other than Declaration of those specified in Schedule I and Part II of Schedule II to be vermin for any area and for such period as may be specified therein and so long as such notification is in force, such wild animal shall be deemed to have been included in Schedule V.

animals to be vermin.

SCHEDULEI

(See sections 2, 8, 9, 11, 40, 41, 43, 48, 51, 61 and 62)

PART I

Mammals

- 1. Andaman Wild pig (Susandamanensis).
- 1-A. Bharal (Ovis nahura).
- 1-B. Binturong (Arctictis binturong).
- 2. Blackbuck (*Antelope cervicapra*)
- 3. Brow-antlered deer or Thamin (*Cervus eldi*.)
- 3-A. Himalayan Brown bear (*Ursus Arctos*).
- 3-B. Capped Langur (*Presbyx pileatus*).
- 4. Caracal (Felis caracal).
- 4A. Catecean spp.
- 5. Cheetah (Acinonyx jubatus).
- 5-A. Chinese Pangolin (Mainis pentadactyla).
- 5-B. Chinkara or Indian Gazelle (Gazella gazella bennetti).
- 6. Clouded leopard (Neofelis nebulosa).
- 6-A. Crab-eating Macaque (*Macaca irus umbrosa*).
- 6-B. Desert Cat (*Felis libyca*).
- 6-C. Desert fox (Vulpes bucapus).
- 7. Dugong (Dugong dugon).
- 7-A. Ermine (*Mustele erminea*).
- 8. Fishing Cat (*Felis viverrina*).
- 8-A. Four-horned antelope (Tetraceros quadricornis).
- 8-D. Gangetic dolphin (*Platanista gangetica*).
- 8-E. Gaur or Indian bison (*Bos gaurus*).
- 9. Golden cat (Felis temmincki).
- 10. Golden langur (*Presbytis geei*).
- 10-A. Giant squirrel (Ratufa macroura).
- 10-B. HimalayanIbex (*Capra ibex*).
- 10-C. Himalayan Tahr (Hemitragus jemlahicus).
- 11. Hispid Hare (Caprolagus hispidus).
- 11-A. Hog badger (Arctonyx collaris).
- 12. Hoolock(*Hylobates hoolock*).

- 12-B. Indian Elephant (*Elephas maximus*).
- 13. Indian lion (panthera leo persica).
- 14. Indian wild Ass (*Equus homionus khur*).
- 15. Indian wolf (Canis lupas pallipes).
- 16. Kashmir Stag (Cervus elaphus hanglu).
- 16-A. Leaf monkey (Presbytis phayrei).
- 16-B. Leopard or Panther (*Panthera pardus*).
- 17. Leopard Cat (Felis bengalensis).
- 18. Lesser or Red Panda (Ailurus fulgens).
- 19. Lion Tailed macaque (*Macaca silenus*).
- 20. Loris (Loris tardigradus).
- 20-A. Little Indian Porpoise (Neomeris phocenoides).
- 21. Lynx (Felis lynx isabellinus).
- 22. Malabar Civet (*Viverra megaspila*).
- 22-A. Malay or Sun bear (*Helarctos malayanus*).
- 23. Marbled cat (Felis marmorata).
- 24. Markhor (Capra falconeri).
- 24-A. Mouse Deer (Tragulus meminna).
- 25. Musk Deer (*Moschus moschiferus*).
- 25-A. Nilgiri Lungur (Presbytis johni).
- 25-B. Nilgiri Tahr (Hemitragus hylocrius).
- 26. Nyan or Great Tibetan sheep (Ovis ammon hodgsoni).
- 27. Pallas's cat (Felis manul).
- 28. Pangolin (*Manis crassicaudata*).
- 29. Pygmy Hog (Sus salvanius).
- 29-A. Ratel (Mellivora capensis).
- 30. Rhinoceros (*Rhinoceros unicornis*).
- 31. Rusty Spotted Cat (Felis rubiginosa).
- 31-A. Serow (Capricornis sumatraensis).
- 31-B. Clawless Otter (*Aonyx cinerea*).
- 31-C. Sloth Bear (*Melursus ursinus*).
- 32. Slow Loris (*Nyeticebus coucang*).
- 32-A. Small Travancore Flying Squirrel (*Petinomys fuscopapillus*).
- 33. Snow Leopard (Panthera uncia).
- 33-A. Snubfin Dolphin (Orcaella brevezastris).
- 34. Spotted Linsang (*Prionodon pardicolor*).
- 35. Swamp Deer (*All sub-species of Cervus duvauceli*).

- 36. Takin or Mishmi Takin (*Budorcas taxicolor*).
- 36-A. Tibetan Antelope or Chiru (*Panthelops hodgsoni*).
- 36-B. Tibetan Fox (Vulpes ferrilatus).
- 37. Tibetan Gazelle (*Procapra picticaudata*).
- 38. Tibetan Wild Ass (*Equus hemionus kiang*).
- 39. Tiger (*Panthera tigris*).
- 40. Urial or Shapu (*Ovis vignei*).
- 41. Wild Buffalo (*Bubalus bubalis*).
- 41-A. Wild Yak (Bos grunniens).
- 41-B. Tibetan Wolf (Canis lupus chanco).
- 42. Wroughton's free tailed bat (*Otomops wroughtoni*)
- 43. Salim Ali's fruit bat (*Latidens salimalii*)
- 44. Hog Deer (Axis Porcinus)

Part II

AMPHIBIANS AND REPTILES

- 1. Agra Monitor Lizard Varanus griseus (*Daudin*).
- 1-B. Audithia Turtle (Pelochelys bibroni).
- 1-C. Barred, Oval, or Yellow Monitor Lizard (*Varanus flavescens*).
- 1-D. Crocodiles (Including the Estuarine or saltwater crocodile) (*Crocodilus porusus and Crocodilus palustris*).
- 1-E. Terrapin (Batagur baska).
- 1-F. Eastern Hill Terrapin (*Melanochelys tricarinata*).
- 2. Gharial (*Gravialis gangeticus*).
- 3. Ganges Soft-shelled Turtle (*Trionyx gangeticus*).
- 3-A. Golden Gecko (Caloductyloides aureus).
- 4. Green Sea Turle (*Chelonia Mydas*).
- 5. Hawksbill Turtle (*Eretmochelys imbricata imbriscata*).
- 7. Indian Egg eating Snake (*Elachistodon westermanni*).
- 8. Indian Soft-shelled Turtle (*Lissemys punctata punctata*).
- 9. Indian Tent Turtle (*Kachuga tecta tecta*).
- 9-A. Kerala Forest Terrapin (*Hoesemys sylratica*).
- 10. Large Bengal Monitor Lizard (*Varanus bengalensis*).
- 11. Leathery Turtle (*Dermochelys coriacea*).
- 12. Logger Head Turtle (*Caretta caretta*).
- 13. Olive Back Logger Head Turtle (*Lepidochelys olivacea*).
- 14. Peacock-marked Solf-shelled Turtle (*Trionyx hurum*).

- 14-A. Pythons (Genus python).
- 14B. Sail terrapin (Kachuga kachuga).
- 14C. Spotted black Terrapin (Geoclemys hamiltoni).
- 17-A. Water Lizard (Varanus salvator).

PART IIA

FISHES

- 1. Whale Shark (*Rhincodon typus*).
- 2. Shark and Ray.
 - (i) Anoxypristis cuspidate
 - (ii) Carcharhinus hemiodon
 - (iii) Glyphis gangeticus
 - (iv) Glyphis glyphis
 - (v) Himantura fluviatilis
 - (vi) Pristis microdon
 - (vii) Pristis zijsron
 - (viii) Rhybchobatus djiddensis
 - (ix) Urogymnus asperrimus.
- 3. Sea Horse (All Sygnathidians).
- 4. Giant Grouper (*Ephinephelus lanceolatus*).

Part III

BIRDS

- 1. Andaman Teal (Anas gibberifrons allagularis).
- 1-A. Assam Bamboo Partridge (Bambusicola fytchii).
- 1-B. Bazas (Aviceda jeordone and Aviceda leuphotes).
- 1-C. Bengal Florican (Eupodotis bengalensis).
- $\hbox{1-D.} \qquad \hbox{Black-necked crane } (\textit{Grus nigriocollis}).$
- 1-E. Blood Pheasants (Ithaginis cruentus tibetanus, Ithagins Cruentus kuseri).
- 2. Cheer Pheasant (Catreus wallichi).
- 2-A. Eastern White Stork (Ciconia ciconia boyciana).
- 2-B. Forest spotted Owlet (Athene blewitti).
- 2-C. Frogmouths (Genus batrachostomus).
- 3. Great Indian Bustard (*Choriotis nigriceps*).
- 4. Great Indian Hornbill (*Buceros bicornis*).
- 4-A. Hawks (fam. Accipitridae).
- 4-B. Hooded Crane (Grus monacha).

- 4-C. Hornbills (*Ptilolaemus tickelli austeni, Aceros nipalensis, Rhyticeros undulates ticehursti*).
- 4-D. Houbara Bustard (Chlamydotis undulata).
- 4-E. Humes Bar-backed Pheasant (Syrmaticus humiae).
- 4-F. Indian Pied Hornbill (Anthracoceros malabaricus).
- 5. Jerdon's Courser (*Cursorius bitorquatus*).
- 6. Lammergeier (*Gypaetus barbatus*).
- 7. Large Falcons (Falco peregrinus, Falco biarmicus and Falco chicuera).
- 7-A. Large Whistling Teal (*Dendrocygna bicolor*).
- 7-B. Lesser Florican (*Sypheotides indica*).
- 7-C. Monal Pheasants (Lophophorus imperyanus, Lophophorus Sclateri).
- 8. Mountain Quail (*Ophrysia superciliosa*).
- 9. Narcondam Hornbill (*Rhyticeros* (*undulatus*) *marcondami*).
- 10. Nicobar Megapode (Megapodius freycinet).
- 10-A. Nicobar Pigeon (Caloenas nicobarica pelewensis).
- 10-B. Osprey or Fish-eating Eagle (*Pandion haliatetus*).
- 10-C. Peacock Pheasants (Polyplectron bicalcaratum).
- 11. Peafowl (*Pavo cristatus*).
- 12. Pink-headed duck (*Rhodonessa caryophyllacea*).
- 13. Scalater's Monal (Lophophorus sclateri).
- 14. Siberian White Crane (*Grus leucogeranus*).
- 14B. Tibetan Snow-Cock (Tetraogallus tibetanus).
- 15. Tragopan Pheasants (*Tragopan melanocephalus, Tragopan blythii, Tragopan satyra, Tragopan temminckii*).
- 16. White-bellied Sea Eagle (*Haliaetus leucogaster*).
- 17. White-eared Pheasant (Crossoptilon crossoptilon).
- 17-A. White Spoonbill (*Platalea leucorodia*).
- 18. White-winged Wood Duck (Cairina scutulata).
- 19. Swiftlets (Collocaliaunicolor and)
- 20. Hill myna (Gracula religiosa intermedia, Gracula religiosa peninsularis, Gracula religiosa indica and Gracula religiosa andamanesis)
- 21. Tibetan ear pheasant (Crossoptilon harmani)
- 22. Kalij pheasant (Lophurs leucomelana)
- 23. Lord Derby's parakeet (*Psittacula derbyana*)
- 24. Vultures (*Gyps indicus, Gyps bengalensis, Gypstenuirostris*)
- 25. White bellied hereon (*Ardea insignis*)

PART IV

CRUSTACEA AND INSECTS

1. Butterflies and Moths

Family Amathusildae Common English name

Discophora deo deo Duffer, banded
Discophora sondaica muscina Duffer, common
Faunis faunula faunuloides Pallid fauna

Family Danaidae

Danaus gautama gautamoides Tigers

Euploea crameri nicevillei Crow, spotted Black
Euploea midamus roepstorfti Crow, Blue-spotted

Family Lycaenidae

Allotinus drumila Darkie, crenulate/Great

Allotinus fabius penormis Angled darkie

Amblopala avidiena Hairstreak, Chinese

Amblypodia ace arata Leaf Blue

Amblypodia alea constanceae Rosy Oakblue

Amblypodia ammonariel Malayan Bush blue

Amblypodia arvina ardea Purple Brown tailless Oakblue

Amblypodia asopia Plain tailless Oakblue

Amblypodia comica Comic Oakblue

Amblypodia opalima Opal Oakblue

Amblypodia zeta Andaman tailless Oakblue

Biduanda melisa cyara Blue posy

Callophyrs leechii Hairstreak, Ferruginous

Catalius rosimon alarbus Pierrot, common

Charana cepheis Mandar in Blue, Cachar

Chiloria othona Tit, orchid

Deudoryx epijarbas amatius Cornelian, scarce Everes moorei Cupid, Moore's Gerydus biggsii Bigg's Brownie Gerydus symethus diopeithes Great Brownie Helipohorus hybrida Sapphires Horaga albimacula Onyxes Jamides ferrari Caeruleans Butterfly, Moth Liphyra brassolis Listeria dudgeni Lister's hairstreak Logania Watsoniana subfasciate Mottle, Watsen's Lycaenopsis binghami Hedge Blue

Lycaenopsis haraldus ananga Hedge Blue, Felder's
Lycaenopsis puspa prominens Common hedge Blue
Lycaenopsis quadriplaga dohertyi Naga hedge Blue

Nacaduba noreia hampsoni Lineblue, White-tipped Polymmatus oritulus leela Greenish mountain Blue

Pratapa lcetas mishmia Royal, dark Blue

Simiskina phalena harterti Brilliant, Broadlanded

Sinthusa Virgo Spark, Pale

Spindasis elwesi Silverline, Elwes's Spindasis rukmini Silverline, Khaki

Strymoni mackwoodi Hairstreak, Mackwood's

Tajuria ister Royal, uncertain
Tajuria luculentus nela Royal, Chinese

Tajuria yajna yajna Royal, Chestnut and Black
Thecla ataxus zulla Wonderful hairstreak
Thecla bleti mendera Indian Purple hairstreak
Thecla letha Watson's hairstreak
Thecla paona Paona hairstreak
Thecla pavo Peacock hairstreak

Virachola smilis Guava Blues

Family Nymphalidae

Apatura ulupi ulupi Emperor, Tawny

Argynnis hegemone Silver-washed fritillary

Callnaga buddha Freak

Chraxes durnfordi nicholi Rajah, chestnut

Cirrochroa fasciata

Yeomen

Diagora nicevillei

Siren, Scarce

Dillpa morgiana

Emperor, Golden

Doleschallia bisaltide andamana

Autuman leaf

Eriboea moori sandakanas

Malyan Nawab

Eriboea schreiberi

Blue Nawab

Eulaceura manipurensis

Emperor, Tytler's

Euthaila durga splendens Barons/Connis/Duchesses

Euthalia iva Duke, Grand Euthalia Khama Curvifascia Duke, Naga Euthalia tellchinia Baron, Blue
Helcyra hemina Emperor, White
Hypolimnas missipus Eggfly, Danaid
Limenitis austenia purpurascens Commodore, Grey

Limenitis zulema Admirals

Melitaea shandura Fritillaries/Silverstripes

Neptis antilope Sailer, variegated

Neptis aspasiaSailer, Great HockeystickNeptis columella kankenaSailer, Short-bandedNeptis cydippe kirbariensisSailer, Chinese yellow

Neptis ebusa Sailer/Lascar

Neptis jumbah binghami Sailer, chestnut-streaked
Neptis manasa Sailer, Pale Hockeystick
Neptis nycteus Sailer, Hockeystick
Neptis poona Lascar, tytler's

Neptis sankara Sailer, Board-banded Panthoporia jina jina Bhutan sergeant Panthorpria reta moorei Malay staff sergeant

Prothoc franckii regalis Begum, Blue Sasakia funebris Empress

Seophisa chandra Courtier, Eastern
Symbrenthia silana Jester, Scarce
Vanessa antiopa yedunula Admirable

Family Papilionidae

Chilasa clytea clytea f. commixtus Common mime

Papilio elephenor Spangle, yellow-crested

Papilio liomedon Swallowtail, Malabar Banded

Parnassius aeco geminifer Apollo

Parnassius delphius Banded apollo

Parnassius hannyngtoni Hannyngton's apollo

Parnassius imperator augustus Imperial apollo

Parnassium stoliezkanus Ladakh Banded Apollo

Polydorus coon sambilanga Common clubtail
Polydorus cerassipes Black windmill
Polydorus hector Crimson rose
Polydorus nevilli Nevill's windmill
Polydorus plutonius pembertoni Chinese windmill

Polydorus polla Deniceylle's windmill.

Family Pleridae

Aporia harrietae Black veins

Baltia butleri sikkima White butterfly

Colias colians thrasibulus Clouded yellows

Colias dubi Dwarf clouded yellow

Delias samaca Jezebel, pale

Pieris krueperi devta Butterfly cabbage/White II

Family Satyriidae

Coelitis monthis adamsoni Cat's eye, Scarce

Cyllogenes janetae Evening Brown, Scarce

Elymnias peali Palmfly, Peal's
Elymnias penanga philasis Palmfly, Painted
Erebia annada annada Argus, ringed
Erebia nara singha nara singha Argus, Mottled

Lethe, distans Forester, Scarce Red
Lethe dura gammiee Lilacfork, Scarce
Lethe europa tamuna Bamboo tree brown
Lethe gemina gafuri Tayler's tree brown

Lethe guluihal Forester, Dull

Lethe margaritae Tree brown, Bhutan
Lethe ocellata lyncus Mystic, dismal
Lethe ramadeva Silverstripe, Single
Lethe satyabati Forester, pallid
Mycalesis orseis nautilus Bushbrown, Purple

Pararge menava maeroides Wall dark

Yothima dohertyi persimisis Five ring, Great

1-A.Coconut or Robber Carb (Bigrus latro)

2. Dragon Fly (Epioplebia laidlawi)

PART IVA

Coelenterates

- 1. Reef Building Coral (All Scleractinians).
- 2. Black Coral (All Antipatharians).
- 3. Organ Pipe Coral (Tubipora musica).
- 4. Fire Coral (All Millipora Species).
- 5. Sea Fan (All Gorgonians).

143

PART IVB

Mollusca

- 1. Cassis cornuta
- 2. Charonia tritonis
- 3. Conus milneedwardsi
- 4. Cypraecassis rufa
- 5. Hippopus hippopus
- 6. Nautilus pompilicis
- 7. Tridacna maxima
- 8. Tridacna squamosa
- 9. Tudicla spirillus.

PART IVC

Echinodermata

Sea Cucumber (All Holothurians).

SCHEDULE II

(See sections 2, 8, 9, 11, 40, 41, 43, 48, 51, 61 and 62)

PART I

- 1-A. Assamese macaque (Macaca assamensis).
- 2. Bengal Porcupine (*Atherurus mecrourus assamensis*).
- 3-A. Bonnet macaque (Macaca radiata).
- 3-C. Cetatean spp. (other than those listed in Sch. I and Sch.II, Part II).
- 4-A. Common langur (*Presbytis entellus*).
- 7. Ferret Badgers (Melogale moschata, Melogale personata).
- 11. Himalayan Crestless Porcupine(*Hystrix hodgsoni*).
- 11-A. Himalayan Newtor Salamander (*Tyletotriton verrucosus*).
- 16. Pig-tailed macaque(Macaca nemestrina).
- 17-A. Rhesus macaque(Macaca mulatta).
- 19. Stump-tailed macaque (Macaca speciosa).
- 22. Wild dog or dhole (Cuon alpinus).
- 24. Chameleon (Chameleon calcaratus).
- 25. Spiny-tailed Lizard or Sanda (Uromastix hardwickii).

Part II

1. Beetles

Family Carabidae

Agonotrechus andrewesi

Amara brucei

Chlaenius championi

Chlaenius kanarae

Brachinus atripennis

Broscosoma gracile

Brosous bipillifer

- 1-A. Civets (all species of Viverridae except Malabar civet).
- 1-B. Common fox (Vulpesbengalensis).
- 1-C. Flying squirrels (all species of the genera Bulopetes, Petaurista, Pelomys and Eupetaurus).
- 1-D. Giant squirrels (*Ratufa indica*, and *Ratufabicolor*).
- 2. Himalayan brown bear (*Ursus arctos*).
- 2-A. Himalayan black bear (Selenarctos thibetanus).
- 2-B. Jackal (Canis aureus).
- 2-C. Jungle cat (Felis chaus).
- 2-D. Marmots (Marmota bobak himalayana, M. caudata).
- 2-E. Martens (Martes foria intermedia, Martes flovigule, Martes gwatkinsii).
- 4. Otters (*Luthra*, *L. perspicillata*).
- 4-A. Pole cats (Vormela peregusna, Mustila putorius).
- 4-B. Red fox (Vulpes vulpes, vulpes Montana, vulpes griffithi).
- 5A. Sperm whale (*Physeter macrocephalus*).
- 7. Weasels (Mustela Sibirica, Mustela Kathian, Mustela Altaica).
- 8. Checkered keelback snake (*Xenochrophis piscatar*).
- 9. Dhaman or rat snak (*Plyas mucosus*).
- 10. Dog-faced water snake (Cerberus rhynchopi).
- 11. Indian cobras (all sub-species belonging to genus Naja).
- 12. King cobra (Ophiophagus hannah).

- 13. Oliveceous keel back (*Artretium schistosum*).
- 14. Russel's viper (*Vipera ruselli*).
- 15. Varanus species (excluding yellow monitor lizard).
- 16. Mongooses (All species of genus Herpestes)
- 17. Grey jungle fowl (*Gallus sonnerati*)

SCHEDULEIII

(See sections 2, 8, 11 and 61)

- 2. Barking deer or muntjac (*Muntiacus muntjak*).
- 5. Chital (*Axix axis*).
- 7. Gorals (Nemorhaedus goral, Nemorhaedus hodgsoni).
- 12. Hyaena (Hyaena hyaena).
- 14. Nilgai (Boselaphus tragocamelus).
- 16. Sambar (*Cervus unicolor*).
- 19. Wild pig (Sus scrofa).
- 20. Sponges (All calcareans).

SCHEDULE IV

(See sections 2, 8, 9, 11 and 61)

- 3-A. Five-striped palm squirrel (Funambulus pennanti).
- 4. Hares (Black Naped, Common Indian, Desert, Himalayan mouse hare).
- 4-A. Hedge hog (Hemiechinus auritus).
- 4-E. Indian porcupine (*Hystrix indica*).
- 7-A. Pole cats (Vormela peregusna, Mustela putorius).
- 11. Birds (other than those which appear in other Schedules):
 - 1. Avadavat (Estrildinae);
 - 2. Avocet (Recurvirostridae);
 - 3. Babblers (Timaliinae);
 - 4. Barbets (Capitonidae);
 - 5. Barnowls (Tytonknae);
 - 6. Bitterns (Ardeidae);
 - 7. Brown-headed gull (*Larus brunnicephalus*);
 - 8. Bulbuls (Pycnonotidae).
 - 9. Buntings (Emberizidae).
 - 10. Bustorda (Otididae).
 - 11. Bustard-Qualis (Turnicidae).
 - 12. Chloropsis (Irendae).
 - 13. Comb duck (Sarkidiornis melanotos).
 - 14. Coots (Rallidae).
 - 15. Cormorants (Phalacrocoracidae).
 - 16. Cranes (Gruidae).
 - 17. Cuckoos (Cuculidae).
 - 17-A. Curlews (Scolopacinae).
 - 18. Darters (Phalacrocoracidae).
 - 19. Doves including the Emerald Dove (*Columbidae*).
 - 20. Drongos (Dicruridae).
 - 21. Duck (Anatidae).
 - 22. Egrets (Ardeidae).
 - 23. Fairy Blue Bird (*Irenidae*).
 - 24. Falcons (*Falconidae*), excepting the Shaheen and Peregrine falcons (*Falco peregrinus*), the saker or churrug, shankghar and lagger falcons (*F.biarmicus*), and the refheaded merlin (*F.chicquera*).
 - 25. Finches including the chaffinch (Fringillidae).

- 26. Falmingos (*Phoenicopteridae*).
- 27. Flowerpeckers (Dicaeidae).
- 28. Fleatchers (Muscicapidae).
- 29. Geese (Anatidae).
- 30. Goldfinch and allies (Carduelinae).
- 31. Grebes (Podicipididae).
- 32. Gerons (Ardeidae).
- 33. Ibises (*Thereskiomithidae*).
- 34. Iorars (Irenidae).
- 35. Jays (Corvidae).
- 36. Jacanas (Jacanidae).
- 36-A. Junglefowl (Phasianidae).
 - 37. Kingfishers (Alcedinidae).
 - 38. Larks (Alaudidae).
 - 39. Lorikeets (Psittacidae).
 - 40. Magpies including the Hunting magpie (*Corvidae*).
 - 41. Mannikins (Estrildinae).
 - 42. Megapodes (Megapodidae).
 - 43. Minivets (Campephagidae).
 - 44. Munias (Estrildinae).
 - 45. Mynas (Sturnidae).
 - 46. Nightjara (Caprimulgidae).
 - 47. Orioles (Oriolidae).
 - 48. Owls (Strigidae).
 - 49. Oysteractchers (Haematopodidae).
 - 50. Parakeets (Psittacidae).
 - 51. Partridges (Phasianidae).
 - 52. Pelicans (Pelecandae).
 - 53. Pheasants (*Phasianidae*).
 - 54. Pigeons (Columbidae) except the Blue Rock Pigon (Columba livia).
 - 55. Pipits (Motacillidae). 55-A. Pittas (Pittidae).
 - 56. Plovers (Charadriinae).
 - 57. Quails (*Phasinidae*)-except Coturnix japonica (*Japanese Quails*) of farm bred variety.
 - 58. Rails (Rallidae).
 - 59. Rollers or Blue Jays (Coraciidae).
 - 60. Sandgrouses (Pteroclididae).

- 61. Sandpipers (Scolopacinae).
- 62. Snipes (Scolopacinae).
- 63. Spurfowls (*Phasianidae*).
- 64. Starlings (Sturnidae).
- 65. Stone Curlew (Burhinidae).
- 66. Storks (Ciconiidae).
- 67. Stilts (Recurvirostridae).
- 68. Sunbirds (Nectariniidae).
- 69. Swans (Anatidae).
- 70. Teals (Anatidae).
- 71. Thurushes (Turadinae).
- 72. Tits (Paridae).
- 73. Tree pies (Corvidae).
- 74. Trogons (Trogonidae).
- 75. Vultures (Accipitridae).
- 76. Waxbills (Extrildinae).
- 77. Weaver Birds or Bayas (*Ploceidae*).
- 78. White-eyes (Zosteropidesa).
- 79. Woodpeckers (Picidae).
- 80. Wrens (Troglodytidae).
- 12. Snakes (other than those species listed in Sch.I,Pt.II; and Sch.II, Pt. II).
 - (i) Amblycaphalidae
 - (ii) Amilidae
 - (iii) Boldae
 - (iv) Colubridae
 - (v) Dasypeptidae (Egg-eating snakes)
 - (vi) Elapidae (Cobras, Kraits, and Coral Snakes)
 - (vii) Glauconidae
 - (viii) Hydrophidae (Fresh water and sea snakes)
 - (ix) Tlyscidae
 - (x) Leptotyphlopidae
 - (xi) Typhlopidae
 - (xii) Uropeltidae
 - (xiii) Viperidae
 - (xiv) Xenopeltidae.
- 13. Fresh Water Frogs (Rana spp.)
- 14. Three-keeled Turtle (Geocmydas tricarinata)

- 15. Tortoise (Testudinidae, Tryonychidae).
- 15A. Tokay geeko (Gekko geeko).
- 16. Viviparous toads (*Nectophyrynoides sp.*)
- 17. Voles
- 18. Butterflies and Moths

Family Danaidae

Euploca core simulatrix

Euploca crassa

Euploca dioeletianus ramsahai

Euploca mulciber

Family Hesperiidae

Baoris farri

Hasora vitta

Hyarotic adrastus

Oriens concinna

Pelopidas assamensis

Pelopidas sinensis

Polytrema discreta

Polytrema rubricans

Thoressa horiorei

Family Lycaenidae

Tarucus ananda

Family Nymphalidae

Eiuthalia lubentina

Family Pigeridae

Aporia agathon ariaca

Appians libythea

Appiasnero galba

Prioneris sita

19. Mollusca

- (i) Cypraea lamacina
- (ii) Cypraea mappa
- (iii) Cypraea talpa
- (iv) Fasciolaria trapezium
- (v) Harpulina arausiaca
- (vi) Lambis chiragra
- (vii) Lambis chiragra arthritica

- (viii) Lambis crocea
- (ix) Lambis millepeda
- (x) Lambis scorpius
- (xi) Lambis truncate
- (xii) Placenta placenta
- (xiii) Strombus plicatus sibbaldi
- (xiv) Trochus niloticus
- (xv) Turbo marmoratus.
- 20. Horeshoe Crabs (Tachypleaus gigas and Carcinoscopius rotundicauda).

SCHEDULEV

(See section 28, 61 and 62)

- 1. Common crow
- 3. Fruit bats
- 5. Mice
- 6. Rats

SCHEDULE VI

(See section 2)

- 1. Beddomes' cycad (*Cycas beddomei*).
- 2. Blue Vanda (*Vanda eoerulea*).
- 3. Kuth (Saussurea costus).
- 4. Ladies slipper orchids (*Paphiopedilium spp.*).
- 5. Pitcher plant (*Nepenthes khasiana*).
- 6. Red Vanda (Rananthera imschootiana).

LOK SABHA

A

BILL

further to amend the Wild Life (Protection) Act, 1972.

LOK SABHA

CORRIGENDA

to

THE WILD LIFE (PROTECTION) AMENDMENT BILL, 2021

[To be/As introduced in Lok Sabha]
