This does not affect any Securities issued before the date of this Base Prospectus. This Base Prospectus constitutes a base prospectus for the purpose of Article 5.4 of Directive 2003/71/EC (the "**Prospectus Directive**")

Under the terms of the Warrant and Certificate Programme (the "**Programme**"), each of BNP Paribas Arbitrage Issuance B.V. ("**BNPP B.V.**") and BNP Paribas ("**BNPP**" or the "**Bank**" and, together with BNPP B.V., the "**Issuers**" and each an "**Issuer**") may from time to time issue warrants ("**Warrants**") or certificates ("**Certificates**") and, together with the Warrants, "**Securities**") of any kind including, but not limited to, Warrants or Certificates relating to a specified index or a basket of indices, a specified share or a basket of shares, a specified debt instrument or a basket of debt instruments, a specified currency or a basket of currencies or a specified commodity or a basket of commodities. Only BNPP may issue U.S. Securities (as defined below). Each issue of Warrants will be issued on the terms set out herein which are relevant to such Warrants under "**Terms and Conditions of the Warrants**" (the "**Warrant Conditions**") and each issue of Certificates will be issued on the terms set out herein which are relevant to such Certificates under "**Terms and Conditions of the Certificates**" (the "**Certificate Conditions**") and together with the Warrant Conditions, the "**Conditions**") and, in each case, on such final terms as will be set out in the final terms to be issued in respect of such Securities (the "**Final Terms**") a form of which is contained in this Base Prospectus. References herein to the Final Terms may include, in the case of U.S. Securities, (x) a supplement to the Base Prospectus under Article 16 of the Prospectus Directive or (y) a prospectus.

The Securities shall be governed by either English law ("**English Law Warrants**" or "**English Law Certificates**", as the case may be, and, together, the "**English Law Securities**") or French law ("**French Law Warrants**" or "**French Law Certificates**", as the case may be, and, together, the "**French Law Securities**"), as specified in the relevant Final Terms, and the corresponding provisions in the Conditions will apply to such Securities. Only English Law Securities will be U.S. Securities.

Except in the case of U.S. Securities, each of BNPP B.V. and BNPP has a right of substitution as set out herein.

A description of the Final Terms (which for the avoidance of doubt may be issued in respect of more than one series of Warrants or Certificates) is set out herein on page 25 and will specify with respect to each issue of Securities to which it relates, *inter alia*, the specific designation of the Securities, the aggregate number and type of the Securities, the date of issue of the Securities, the issue price, the underlying asset, index or other item(s) to which the Securities relate the exercise period or date (in the case of Warrants), the redemption date and whether they are interest bearing (in the case of Certificates), the governing law of the Securities, whether the Securities are eligible for sale in the United States and certain other terms relating to the offering and sale of the Securities. With respect to issues of English Law Securities, the Final Terms relating to such issue of Securities will be attached to the Global Security or Private Placement Definitive Securities (each as defined below).

Each issue of Securities will entitle the holder thereof on due exercise (in the case of Warrants) or on the Redemption Date (in the case of Certificates) either to receive a cash amount (if any) calculated in accordance with the relevant terms or to receive physical delivery of the underlying assets (against payment of a specified sum in the case of Warrants), all as set forth herein and in the applicable Final Terms.

Prospective purchasers of Securities should ensure that they understand the nature of the relevant Securities and the extent of their exposure to risks and that they consider the suitability of the relevant Securities as an investment in the light of their own circumstances and financial condition. Securities involve a high degree of risk and potential investors should be prepared to sustain a total loss of the purchase price of their Securities. See "Risk Factors" on page 14.

In particular, the Securities and the Guarantees and, in the case of Physical Delivery Certificates or Physical Delivery Warrants (each as defined below) (together, the "Physical Delivery Securities"), the Entitlement (as defined herein) to be delivered upon the exercise (in the case of Physical Delivery Warrants) or the redemption (in the case of Physical Delivery Certificates) of such Securities have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws and trading in the Securities has not been approved by the Commodity Futures Trading Commission under the United States Commodity Exchange Act, as amended. Neither Issuer has registered as an investment company pursuant to the United States Investment Company Act of 1940, as amended (the "Investment Company Act"). Unless otherwise specified in the applicable Final Terms, the Securities are being offered and sold pursuant to the registration exemption contained in Regulation S under the Securities Act. No Securities of such series, or interests therein, may at any time be offered, sold, resold, traded, pledged, exercised, redeemed, transferred or delivered, directly or indirectly, in the United States or to, or for the account or benefit of, a U.S. person (as defined in Regulation S under the Securities Act) and any offer, sale, resale, trade, pledge, exercise, redemption, transfer or delivery made, directly or indirectly, within the United States or to, or for the account or benefit of, a U.S. person will not be recognised. The Securities of such series may not be legally or beneficially owned at any time by any U.S. person (as defined in the "Offering and Sale" section below) and accordingly are being offered and sold outside the United States to non-U.S. persons in reliance on Regulation S.

Certain issues of Securities of BNPP only may also be offered and sold in the United States to (i) persons reasonably believed to be qualified institutional buyers ("QIBs") as defined in Rule 144A under the Securities Act ("Rule 144A") and (ii) certain accredited investors ("AIs") as defined in Rule 501(a) under the Securities Act.

Each purchaser of U.S. Securities within the United States is hereby notified that the offer and sale of such Securities is being made in reliance upon an exemption from the registration requirements of the Securities Act. For a description of certain further restrictions on offers and sales of the Securities and on the distribution of this Base Prospectus, see "*Offering and Sale*" below.

FORWARD-LOOKING STATEMENTS

The sections of this Base Prospectus from, and including “*BNP Paribas Group*” to, but excluding, “*Clearing Systems*” below, as well as the Information Statement (defined below) and the other documents incorporated by reference (such sections being the “**BNP Paribas Disclosure**”) contain forward-looking statements. Forward-looking statements speak only as of the date they are made, and the Bank and the Group undertake no obligation to update publicly any of them in light of new information or future events.

PRESENTATION OF FINANCIAL INFORMATION

Most of the financial data presented in the BNP Paribas Disclosure are presented in euros. The Group began presenting its financial information in euros as of the advent of the euro on 1 January 1999.

Any reference in the BNP Paribas Disclosure to the “Financial Statements” is to the audited consolidated financial statements, including the notes thereto, of the Bank and its consolidated subsidiaries as of and for the years ended December 31, 2004, 2003 and 2002. The Financial Statements are prepared in accordance with generally accepted accounting principles in France (“French GAAP”). French GAAP differs in certain significant respects from generally accepted accounting principles in the United States (“U.S. GAAP”). For a narrative discussion of certain differences between French GAAP and U.S. GAAP with respect to the

Financial Statements, see “Summary of Certain Differences Between French GAAP and U.S. GAAP” in the Information Statement incorporated by reference herein. The Group has made no attempt to quantify the impact of those differences. In making an investment decision, investors must rely upon their own examination of the BNP Paribas Group, the terms of any offering and the financial information. Potential investors should consult their own professional advisors for an understanding of the differences between French GAAP and U.S. GAAP, and how those differences might affect the information herein. The Group’s fiscal year ends on December 31, and references in the Information Statement incorporated by reference herein to any specific fiscal year are to the twelve-month period ended December 31 of such year.

The Group, like all companies with securities listed on European securities exchanges, was required by European Union directives to adopt international financial reporting standards (“**IFRS**”) as of 1 January 2005, with retroactive effect to 1 January 2004. The Group has prepared and published financial statements with respect to the year ended 31 December 2004 in accordance with IFRS then in effect, and has published a simulation of the effect on its 2004 financial statements of the application of IFRS as endorsed by the European Union (which applies to financial statements for periods subsequent to 1 January 2005). See the “Reference Consolidated Financial Statements” in the Information Statement incorporated by reference herein.

The Group has also prepared and published unaudited consolidated financial statements, including notes thereto, of the Bank and its consolidated subsidiaries as of and for the six months ended June 30, 2005 and June 30, 2004. The six-month financial statements are prepared in accordance with IFRS. However, there are material differences between IFRS applicable in 2004 (“2004 IFRS”) and IFRS applicable in 2005 (“EU-IFRS”). Accordingly, the Group’s results for the first half of 2005 are not directly comparable to its results for the first half of 2004. For a summary of the material differences between 2004 IFRS and EU-IFRS, investors should refer to the “Reference Consolidated Financial Statements” included in the Information Statement incorporated by reference herein.

IFRS also differs in certain significant respects from U.S. GAAP. For a narrative discussion of certain differences between IFRS and U.S. GAAP, see “Summary of Material Differences Between IFRS and U.S. GAAP” included in the Information Statement incorporated by reference herein. The Group has made no attempt to quantify the impact of those differences. In making an investment decision, investors must rely upon their own examination of the BNP Paribas Group, the terms of any offering and the financial information. Potential investors should consult their own professional advisors for an understanding of the differences between IFRS and U.S. GAAP, and how those differences might affect the information herein.

In the BNP Paribas Disclosure, all references to “billions” are references to one thousand million. Due to rounding, the numbers presented throughout the BNP Paribas Disclosure may not add up precisely, and percentages may not reflect precisely absolute figures.

Description of the Programme	Warrant and Certificate Programme
Risk Factors (Issuers)	There are certain factors that may affect each Issuer’s ability to fulfil its obligations under Securities issued under the Programme. These include the following risk factors related to the Bank, its operations and its industry:

- (i) Four main categories of risks are inherent to the Bank's activities:
- Credit Risk;
 - Market and Liquidity Risk;
 - Operational Risk; and
 - Insurance Risk.
- (ii) Adverse market or economic conditions may cause a decrease in net banking income or profitability.
- (iii) The Bank may incur significant losses on its trading and investment activities due to market fluctuations and volatility.
- (iv) The Bank may generate lower revenues from brokerage and other commission- and fee-based businesses during market downturns.
- (v) Protracted market declines can reduce liquidity in the markets, making it harder to sell assets and possibly leading to material losses.
- (vi) Significant interest rate changes could adversely affect the Bank's net banking income or profitability.
- (vii) A substantial increase in new provisions or a shortfall in the level of previously recorded provisions could adversely affect the Bank's results of operations and financial condition.
- (viii) The Bank's risk management policies, procedures and methods may leave it exposed to unidentified or unanticipated risks, which could lead to material losses.
- (ix) The Bank's hedging strategies may not prevent losses.
- (x) The Bank may have difficulty in identifying and executing acquisitions, which could materially harm the Bank's results of operations.
- (xi) Intense competition, especially in the Bank's home market of France, where it has the largest single concentration of businesses, could adversely affect the Bank's net banking income and profitability.
- (xii) The Bank's competitive position could be harmed if its reputation is damaged.
- (xiii) The Bank is subject to extensive supervisory and regulatory regimes in the countries in which it operates; regulatory actions and changes in regulatory regimes could adversely affect the Bank's business and results.
- (xiv) An interruption in or a breach of the Bank's information systems may result in lost business and other losses.
- (xv) Unforeseen events can interrupt the Bank's operations and cause substantial losses and additional costs.

The following risk factors relate to BNPP B.V.: BNPP B.V. is not an operating company. BNPP B.V.'s sole business is the raising and borrowing of money by issuing Securities or other obligations. BNPP B.V. has, and will have, no assets other than fees payable to it, or other assets acquired by it, in each case in connection with the issue of Securities or entry into other obligations relating to the Programme from time to time. The net proceeds from each issue of Securities issued by the Issuer will become part of the general funds of BNPP B.V. BNPP B.V. may use such proceeds to maintain positions in certain Hedging Agreements. The ability of BNPP B.V. to meet its obligations under Securities issued by it will depend on the receipt by it of payments under the relevant Hedging Agreements. Consequently, BNPP B.V. is exposed to the ability of counterparties in respect of such Hedging Agreements to perform their obligations under such Hedging Agreements.

Risk Factors (Securities)

There are also certain factors which are material for the purpose of assessing the risks related to the Securities issued under the Programme, any of which may affect the value and/or liquidity of the relevant Securities, including:

- (i) **High degree of risk:** the Securities involve a high degree of risk, which may include, among others, interest rate, foreign exchange, time value and political risks. Prospective purchasers of Securities should recognise that their Securities may expire worthless.
- (ii) **Securities are Unsecured Obligations:** the Securities are unsubordinated and unsecured obligations of the relevant Issuer and will rank *pari passu* with themselves. The obligations of BNPP under the Guarantees are unsubordinated and unsecured obligations of BNPP and will rank *pari passu* with all its other present and future unsubordinated and unsecured obligations, subject as may from time to time be mandatory under French law.
- (iii) **Risks with regard to interim value of Securities:** The interim value of the Securities varies with the price level of the relevant Underlying Reference, as well as by a number of other interrelated factors.
- (iv) **Certain Considerations Regarding Hedging:** it may not be possible to purchase or liquidate securities in a portfolio at the prices used to calculate the value of any relevant Underlying Reference.
- (v) **Effect of Credit Rating Reduction:** a reduction in the rating, if any, accorded to outstanding debt securities of BNPP B.V. or BNPP by any rating agency could result in a reduction in the trading value of the Securities.
- (vi) **Additional Risk Factors Associated with Currency Securities:** fluctuations in exchange rates may affect the

value of Currency Securities. Purchasers of Currency Securities risk losing their entire investment if exchange rates of the relevant currency do not move in the anticipated direction.

- (vii) **Possible Illiquidity of the Securities in the Secondary Market:** a decrease in the liquidity of an issue of Securities may cause an increase in the volatility of the price of such issue of Securities. If an issue of Securities becomes illiquid, an investor may have to exercise (in the case of Warrants) or wait until redemption of such Securities to realise value.
- (viii) **Potential Conflicts of Interest:** BNPP B.V., BNPP and their affiliates may engage in activities which could present certain conflicts of interest and could influence the price of Securities.
- (ix) **Market Disruption Events:** if a Market Disruption Event occurs or exists on a specified date, any consequential postponement of such date or any alternative provisions for valuation provided in any Securities may have an adverse effect on the value and liquidity of such Securities and may result in the postponement of the relevant Settlement Date or Redemption Date.
- (x) **Adjustment Events:** if a relevant Index/Commodity Price is (i) not calculated and announced by the Index Sponsor in respect of the Index or the Exchange in respect of the Commodity but is calculated and announced by an acceptable successor sponsor or successor entity, as the case may be, or (ii) replaced by a permitted successor index/commodity price, then in each case that index/commodity price will be deemed to be the Index/Commodity Price. If an Index/Commodity Adjustment Event occurs, except as may be limited in the case of U.S. Securities:
 - (a) the relevant Settlement Price may be calculated on a modified basis; or
 - (b) the Securities may be cancelled or redeemed (“**terminated**”) and the fair market value of a Security or a Unit shall be payable, taking into account the Index/Commodity Adjustment Event, less the cost to the Issuer and/or its Affiliates of unwinding any underlying hedging arrangements.
- (xi) **Potential Adjustment Events:** in the case of Share Securities, following the declaration by the Basket Company or Share Company, as the case may be, of the terms of any Potential Adjustment Event, a corresponding adjustment may be made to any one or more of the terms

of the Terms and Conditions and/or the applicable Final Terms.

- (xii) **Other Events relating to Share Securities:** in the case of Share Securities, if a Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency occurs in relation to a Share:
 - (a) an adjustment may be made to any of the Terms and Conditions and/or the applicable Final Terms to account for such occurrence; or
 - (b) the Securities may be cancelled in whole or in part. See (xvi) below for a description of reinvestment risk.
- (xiii) **Settlement Disruption Events:** in the case of Physical Delivery Securities, if a Settlement Disruption Event occurs or exists on the Settlement Date or the Redemption Date, as the case may be, settlement will be postponed until the next Settlement Business Day in respect of which there is no Settlement Disruption Event. The relevant Issuer in these circumstances may, except in the case of U.S. Securities, also have the right to pay the Disruption Cash Settlement Price in lieu of delivering the Entitlement. The Disruption Cash Settlement Price may be less than the fair market value of the Entitlement and may be zero.
- (xiv) **Option to Vary Settlement:** the Issuers may be entitled to vary the settlement of the Securities, by (i) delivering or procuring delivery of the Entitlement instead of making payment of the Cash Settlement Amount on the Settlement Date or, as applicable, (ii) making payment of the Cash Settlement Amount on the Settlement Date instead of delivering or procuring delivery of the Entitlement.
- (xv) **Option to Substitute Assets or to Pay the Alternate Cash Settlement Amount:** the Issuers may, if any Relevant Asset comprises assets which are not freely tradable, elect either (i) to substitute a Substitute Asset for the Relevant Asset or (ii) not to deliver or procure the delivery of the Entitlement or the Substitute Asset, but in lieu thereof to make payment on the Settlement Date of the Alternate Cash Settlement Amount.
- (xvi) **Certificates Subject to Optional Redemption or Cancellation:** an optional or other early termination feature is likely to limit the market value of the Certificates. In the case of Certificates having an optional termination feature, prior to or during any period when the relevant Issuer may elect to terminate such Certificates, the market value of those Certificates generally will not rise substantially above the price at which they can be terminated. The Final Terms may provide that the relevant

Certificates shall be terminated early in specified circumstances. Following an optional or early termination, a Holder may not be able to reinvest any termination proceeds at an effective interest rate as high as the interest rate on the relevant Certificates being terminated and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

- (xvii) **Conditional Interest: no Interest Amount may be payable on any Interest Payment Date:** if any interest amount is payable in respect of any Certificates, investors may not be entitled to receive any such interest amount on the relevant dates in certain specified circumstances so indicated in the Final Terms.
- (xviii) **Interest linked to a Relevant Factor:** the relevant Issuer may issue Certificates with interest determined by reference to any Relevant Factor and/or payable in any currency which may be different from the currency in which the Certificates are denominated and:
 - (a) the market price of such Certificates may be volatile;
 - (b) payment of interest may occur at a different time or in a different currency than expected;
 - (c) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
 - (d) if the exposure to a Relevant Factor is leveraged in any respect, the effect of changes in the Relevant Factor on interest payable will be magnified; and
 - (e) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations.
- (xix) **Timing of Observation Dates:** amounts, formulae and other provisions relating to Securities may be calculated by reference to specific Observation Dates and which may be postponed if certain events occur. The timing of such dates may affect the value of the relevant Securities such that the Holder may receive a lower Cash Settlement Amount, Interest Amount or other amount than otherwise would have been the case.
- (xx) **Limited Exposure to Underlying Reference:** if the exposure of the relevant Securities to one or more Underlying References is limited or capped to a certain level or amount, the relevant Securities will not benefit from any upside in the value of any such Underlying References beyond such limit or cap.
- (xxi) **The Final Cash Settlement Amount or Redemption Amount May Be Significantly Less than the Value of**

an Investment in the Securities: each Holder may receive a Cash Settlement Amount or Redemption Amount and/or physical delivery of specified securities together with cash for roundings. The aggregate value of such specified securities and cash may be significantly less than the value of the Holder's investment in the relevant Securities.

(xxii) **Post-issuance Information:** applicable Final Terms may specify that the relevant Issuer will not provide post-issuance information in relation to the Underlying Reference.

(xxiii) **Limitations on Exercise of Warrants:** the Issuer may have the option to limit the number of Warrants exercisable on any date (other than the final exercise date) to the maximum number specified in the Final Terms and to limit the number of Warrants exercisable by any person or group of persons on such date.

(xxiv) **Minimum Exercise Amount of Warrants:** a holder may be required to tender or hold a specified number of Warrants in order to exercise. Holders with fewer than the specified minimum number of Warrants will either have to sell their Warrants or purchase additional Warrants, incurring costs in each case, to realise their investment. Holders of such Warrants incur the risk that there may be differences between the trading price of such Warrants and the Cash Settlement Amount or the Physical Settlement Value of such Warrants.

(xxv) **Time Lag after Exercise of Warrants:** in the case of any exercise of Warrants, there will be a time lag between the time a holder gives instructions to exercise and the time the applicable Cash Settlement Amount relating to such exercise is determined. The applicable Cash Settlement Amount may change significantly during any such period, and such movement could decrease the Cash Settlement Amount of the relevant Warrants and may result in such Cash Settlement Amount being zero.

Securities

Securities may be issued as Index Securities, Share Securities, Debt Securities, Currency Securities, Commodity Securities or any other or further type of warrants or certificates.

Taxation

A holder of Securities must pay all specified expenses relating to the Securities.

Neither the Issuer nor the Guarantor shall be liable for or otherwise obliged to pay any tax, duty, withholding or other payment which may arise as a result of the ownership, transfer, exercise or enforcement of any Security and all payments made by the relevant Issuer or the Guarantor shall be made subject to any such tax, duty, withholding or other payment which may be

required to be made, paid, withheld or deducted.

Governing Law

The Securities and any related Guarantee will be governed by English or French Law as specified in the applicable Final Terms.

RISK FACTORS

Prospective purchasers of the Securities offered hereby should consider carefully, among other things and in light of their financial circumstances and investment objectives, all of the information in this Document and, in particular, the risk factors set forth below (which each Issuer, in its reasonable opinion, believes represents or may represent the risk factors known to it which may affect such Issuer's ability to fulfil its obligations under the Securities) in making an investment decision. Investors may lose the value of their entire investment in certain circumstances.

FACTORS RELATING TO THE BANK, ITS OPERATIONS AND THE BANKING INDUSTRY

There are four main categories of risks inherent in the Bank's activities. The following risk factors elaborate on or give specific examples of these different types of risks, and describe certain additional risks faced by the Bank.

- *Credit Risk.* Credit risk is the risk of financial loss relating to the failure of an obligor to honour its contractual obligations. Credit risk arises in lending activities and also in various other activities where the Bank is exposed to the risk of counterparty default, such as its trading, capital markets and settlement activities.
- *Market and Liquidity Risk.* Market risk is the risk related to earnings, which arises primarily from adverse movements of trading and non-trading market parameters. Trading market parameters include, but are not limited to, foreign exchange rates, bond prices, security and commodity prices, derivatives prices and prices of other marketable assets such as real estate or cars. Trading market parameters also include derivations of the items previously mentioned, such as interest rates, credit spreads, implied volatility or implied correlation. Non-trading market parameters include parameters based on assumptions or on statistical analysis, such as models and statistical correlation, respectively.

Liquidity is also an important component of market risk. In instances of little or no liquidity, a market instrument or transferable asset may not be negotiable at its estimated value. A lack of liquidity can arise due to a lack of volume, legal restrictions or a one-way market.

Market risk arises in trading portfolios and in non-trading portfolios. In non-trading portfolios, it encompasses:

- The risk associated with asset and liability management, which is the risk to earnings arising from asset and liability mismatches in the banking book or in the insurance business. This risk is driven primarily by interest rate risk.
- The risk associated with investment activities, which is directly connected to changes in the value of invested assets within equity portfolios.
- The risk associated with certain other activities, such as real estate or car leasing, which is indirectly affected by changes in the value of negotiable assets held during the normal course of business.

Liquidity risk, which is also referred to as funding risk, is the inability of the Bank to meet its obligations at an acceptable cost in a given currency and location.

- *Operational Risk.* Operational risk corresponds to the risk of losses due to inadequate or failed internal processes, or due to external events, whether deliberate, accidental or natural occurrences. Internal

processes include, but are not limited to, human resources and information systems. External events include floods, fires, earthquakes or terrorist attacks.

- *Insurance Risk.* Insurance risk is the risk to earnings due to mismatches between expected and actual claims. Depending on the insurance product, this risk is influenced by macroeconomic changes, changes in customer behaviour, changes in public health, pandemics and catastrophic events (earthquake, industrial disaster, terrorism, etc.).

Adverse market or economic conditions may cause a decrease in net banking income or profitability.

As a global player in financial services, the Bank's businesses are materially affected by conditions in the financial markets and economic conditions generally in Europe, the U.S. and elsewhere around the world. Despite geopolitical uncertainties in 2004 and to date in 2005, market conditions were favorable overall in this period. Adverse changes in market or economic conditions could, however, create a challenging operating environment for financial services companies in the future. Such adverse changes could result, in particular, from increases in raw material prices (including oil), increases in interest rates and adverse geopolitical events (such as natural disasters, acts of terrorism and military conflicts).

The Bank faces a number of specific risks, as highlighted in the following paragraphs, with respect to adverse future market or economic conditions. In summary and for example, financial markets in Europe, the U.S. and elsewhere may decline or experience increased volatility, which could lead to a decline in merger and acquisition (and related financing) activity and capital markets transactions, and adverse economic conditions could reduce credit demand by corporate borrowers. These developments would adversely affect the Bank's net banking income, and, if it were unable to reduce expenses commensurately, its profitability. Revenues and profitability could also be depressed by marking to market losses from the Bank's securities portfolio or the recognition of goodwill impairments, all resulting from adverse market or economic developments.

The Bank may incur significant losses on its trading and investment activities due to market fluctuations and volatility.

The Bank maintains trading and investment (other than trading) positions in the debt, currency, commodity and equity markets, and in private equity, real estate and other assets. These positions could be adversely affected by volatility in financial and other markets, that is, the degree to which prices fluctuate over a particular period in a particular market, regardless of market levels. Volatility can also lead to losses relating to a broad range of other trading and hedging products the Bank uses, including swaps, futures, options and structured products.

To the extent that the Bank owns assets, or has net long positions, in any of those markets, a downturn in those markets could result in losses from a decline in the value of its net long positions. Conversely, to the extent that the Bank has sold assets that it does not own, or has net short positions, in any of those markets, an upturn in those markets could expose it to potentially unlimited losses as it attempts to cover its net short positions by acquiring assets in a rising market. The Bank may from time to time have a trading strategy of holding a long position in one asset and a short position in another, from which it expects to earn net revenues based on changes in the relative value of the two assets. If, however, the relative value of the two assets changes in a direction or manner that the Bank did not anticipate or against which it is not hedged, the Bank might realize a loss on those paired positions. Such losses, if significant, could adversely affect the Bank's results of operations and financial condition.

The Bank may generate lower revenues from brokerage and other commission- and fee-based businesses during market downturns.

Market downturns are likely to lead to a decline in the volume of transactions that the Bank executes for its clients and, therefore, to a decline in its net banking income from this activity. In addition, because the fees

that the Bank charges for managing its clients' portfolios are in many cases based on the value or performance of those portfolios, a market downturn that reduces the value of its clients' portfolios or increases the amount of withdrawals would reduce the revenues the Bank receives from its asset management and private banking businesses.

Even in the absence of a market downturn, below-market performance by the Bank's mutual funds may result in increased withdrawals and reduced inflows, which would reduce the revenues the Bank receives from its asset management business.

Protracted market declines can reduce liquidity in the markets, making it harder to sell assets and possibly leading to material losses.

In some of the Bank's businesses, protracted market movements, particularly asset price declines, can reduce the level of activity in the market or reduce market liquidity. These developments can lead to material losses if the Bank cannot close out deteriorating positions in a timely way. This may especially be the case for assets the Bank holds for which there are not very liquid markets to begin with. Assets that are not traded on stock exchanges or other public trading markets, such as derivatives contracts between banks, may have values that the Bank calculates using models other than publicly-quoted prices. Monitoring the deterioration of prices of assets like these is difficult and could lead to losses that the Bank did not anticipate.

Significant interest rate changes could adversely affect the Bank's net banking income or profitability.

The amount of net interest income earned by the Bank during any given period significantly affects its overall net banking income and profitability for that period. Interest rates are highly sensitive to many factors beyond the Bank's control. Changes in market interest rates could affect the interest rates charged on interest-earning assets differently than the interest rates paid on interest-bearing liabilities. Any adverse change in the yield curve could cause a decline in the Bank's net interest income from its lending activities. In addition, increases in the interest rates at which short-term funding is available and maturity mismatches may adversely affect the Bank's profitability.

A substantial increase in new provisions or a shortfall in the level of previously recorded provisions could adversely affect the Bank's results of operations and financial condition.

In connection with its lending activities, the Bank periodically establishes provisions for loan losses, which are recorded in its profit and loss account under cost of risk. The Bank's overall level of provisions is based upon its assessment of prior loss experience, the volume and type of lending being conducted, industry standards, past due loans, economic conditions and other factors related to the recoverability of various loans. Although the Bank uses its best efforts to establish an appropriate level of provisions, its lending businesses may have to increase their provisions for loan losses in the future as a result of increases in non-performing assets or for other reasons. Any significant increase in provisions for loan losses or a significant change in the Bank's estimate of the risk of loss inherent in its portfolio of non-impaired loans, as well as the occurrence of loan losses in excess of the provisions allocated with respect thereto, could have an adverse effect on the Bank's results of operations and financial condition.

The Bank's risk management policies, procedures and methods may leave it exposed to unidentified or unanticipated risks, which could lead to material losses.

The Bank has devoted significant resources to developing its risk management policies, procedures and assessment methods and intends to continue to do so in the future. Nonetheless, the Bank's risk management techniques and strategies may not be fully effective in mitigating its risk exposure in all economic market environments or against all types of risk, including risks that the Bank fails to identify or anticipate. Some of the Bank's qualitative tools and metrics for managing risk are based upon its use of observed historical market behavior. The Bank applies statistical and other tools to these observations to arrive at quantifications of its risk exposures. These tools and metrics may fail to predict future risk exposures. These risk exposures could,

for example, arise from factors the Bank did not anticipate or correctly evaluate in its statistical models. This would limit the Bank's ability to manage its risks. The Bank's losses could therefore be significantly greater than the historical measures indicate. In addition, the Bank's quantified modeling does not take all risks into account. The Bank's more qualitative approach to managing those risks could prove insufficient, exposing it to material unanticipated losses.

The Bank's hedging strategies may not prevent losses.

If any of the variety of instruments and strategies that the Bank uses to hedge its exposure to various types of risk in its businesses is not effective, the Bank may incur losses. Many of its strategies are based on historical trading patterns and correlations. For example, if the Bank holds a long position in an asset, it may hedge that position by taking a short position in an asset where the short position has historically moved in a direction that would offset a change in the value of the long position. However, the Bank may only be partially hedged, or these strategies may not be fully effective in mitigating the Bank's risk exposure in all market environments or against all types of risk in the future. Unexpected market developments may also affect the Bank's hedging strategies. In addition, the manner in which gains and losses resulting from certain ineffective hedges are recorded may result in additional volatility in the Bank's reported earnings.

The Bank may have difficulty in identifying and executing acquisitions, which could materially harm the Bank's results of operations.

The Bank considers external growth opportunities as part of its overall strategy. Even though the Bank reviews the companies it plans to acquire, it is generally not feasible for these reviews to be complete in all respects. As a result, the Bank may assume unanticipated liabilities, or an acquisition may not perform as well as expected. In addition, the Bank might have difficulty integrating any entity with which it combined its operations. Failure to complete announced business combinations or failure to integrate acquired businesses successfully into those of the Bank could materially adversely affect the Bank's profitability. It could also lead to departures of key employees, or lead to increased costs and reduced profitability if the Bank felt compelled to offer them financial incentives to remain.

Intense competition, especially in the Bank's home market of France, where it has the largest single concentration of its businesses, could adversely affect the Bank's net banking income and profitability.

Competition is intense in all of the Bank's primary business areas in France and the other countries in which it conducts large portions of its business, including other European countries and the United States. If the Bank is unable to respond to the competitive environment in France or in its other major markets with attractive product and service offerings that are profitable for the Bank, it may lose market share in important areas of its business or incur losses on some or all of its activities. In addition, downturns in the French economy could add to the competitive pressure, through, for example, increased price pressure and lower business volumes for the Bank and its competitors. In addition, new lower-cost competitors may enter the market, which may not be subject to the same capital or regulatory requirements or may have other inherent regulatory advantages and, therefore, may be able to offer their products and services on more favorable terms. An example of such a competitive threat in France is the proposed creation of the Post Office Bank (*la Banque Postale*), which has received regulatory approval to commence retail banking operations on January 1, 2006. The authorization enables the Post Office Bank to extend various types of credit, in particular mortgage loans, through its network of 17,000 post offices in France. A group of French banks, including the Bank, has filed a complaint with the European Commission, alleging that the creation of the Post Office Bank would distort competition in the French banking sector. The increase in competition in French retail banking resulting from the creation of the Post Office Bank could be significant over time.

The Bank's competitive position could be harmed if its reputation is damaged.

In the highly competitive environment arising from globalization and convergence in the financial services industry, a reputation for financial strength and integrity is critical to the Bank's ability to attract and maintain customers. The Bank's reputation could be harmed if it fails to promote and market adequately its products and services. The Bank's reputation could also be damaged if, as it increases its client base and the scale of its businesses, the Bank's comprehensive procedures and controls dealing with conflicts of interest fail, or appear to fail, to address conflicts of interest properly. The Bank's reputation could in the future be damaged by, among other things, employee misconduct, a decline in or a restatement of or other corrections to its financial results, adverse legal or regulatory action. The loss of business that could result from damage to the Bank's reputation could affect its results of operations and financial condition. An example of this risk is the UN Oil-for-Food program, in which the Bank's role has come under scrutiny.

The Bank is subject to extensive supervisory and regulatory regimes in France, elsewhere in Europe, the US, the Asia Pacific region and in the many countries around the world in which it operates; regulatory actions and changes in regulatory regimes could adversely affect the Bank's business and results.

Regulatory compliance risk arises from a failure or inability to comply fully with the laws, regulations or codes applicable specifically to the financial services industry. Non-compliance could lead to fines, public reprimand, damage to reputation, enforced suspension of operations or, in extreme cases, withdrawal of authorisation to operate.

The Group's businesses and earnings can be affected by the fiscal or other policies and other actions of various regulatory authorities of France, other European Union or foreign governments and international agencies. The nature and impact of future changes in such policies and regulatory action are not predictable and are beyond the Group's control. Such changes could include, but are not limited to the following:

- the monetary, interest rate and other policies of central banks and regulatory authorities;
- general changes in government or regulatory policy that may significantly influence investor decisions in particular markets in which the Group operates;
- general changes in regulatory requirement, for example, prudential rules relating to the capital adequacy framework;
- changes in the competition and pricing environment;
- changes in the financial reporting environment; and
- expropriation, nationalisation, confiscation of assets and changes in legislation relating to foreign ownership.

An interruption in or a breach of the Bank's information systems may result in lost business and other losses.

As with most other banks, the Bank relies heavily on communications and information systems to conduct its business. Any failure or interruption or breach in security of these systems could result in failures or interruptions in the Bank's customer relationship management, general ledger, deposit, servicing and/or loan organisation systems. The Bank cannot provide assurances that such failures or interruptions will not occur or, if they do occur, that they will be adequately addressed. The occurrence of any failures or interruptions could have a material adverse effect on the Bank's financial condition and results of operations.

Unforeseen events can interrupt the Bank's operations and cause substantial losses and additional costs.

Unforeseen events like severe natural catastrophes, terrorist attacks or other states of emergency can lead to an abrupt interruption of the Bank's operations and, to the extent not covered by insurance, can cause substantial losses. Such losses can relate to property, financial assets, trading positions and key employees. Such unforeseen events can also lead to additional costs (such as relocation of employees affected) and

increase the Bank's costs (such as insurance premiums). Such events may also make insurance coverage for certain risks unavailable and thus increase the Bank's risk.

RISK FACTORS RELATING TO BNPP B.V.

BNPP B.V. is not an operating company. BNPP B.V.'s sole business is the raising and borrowing of money by issuing Securities or other obligations. BNPP B.V. has, and will have, no assets other than such fees (as agreed) payable to it, or other assets acquired by it, in each case in connection with the issue of Securities or entry into other obligations relating to the Programme from time to time. The net proceeds from each issue of Securities issued by the Issuer will become part of the general funds of BNPP B.V. BNPP B.V. may use such proceeds to maintain positions in options or futures contracts or other hedging instruments ("**Hedging Agreements**"). The ability of BNPP B.V. to meet its obligations under Securities issued by it will depend on the receipt by it of payments under the relevant Hedging Agreements. Consequently, BNPP B.V. is exposed to the ability of counterparties in respect of such Hedging Agreements to perform their obligations under such Hedging Agreements.

RISK FACTORS RELATING TO SECURITIES

The Securities involve a high degree of risk, which may include, price risks associated with the Underlying Reference (as defined below), among others, interest rate, foreign exchange, time value and political risks. Prospective purchasers of Securities should recognise that their Securities may expire worthless or be redeemed for no value. Purchasers should be prepared to sustain a total loss of the purchase price of their Securities. This risk reflects the nature of a Security as an asset which, other factors held constant, tends to decline in value over time and which may become worthless when it expires or is redeemed. See "*Certain Factors Affecting the Value and Trading Price of Securities*" below. Prospective purchasers of Securities should be experienced with respect to options and option transactions, should understand the risks of transactions involving the relevant Securities and should reach an investment decision only after careful consideration, with their advisers, of the suitability of such Securities in light of their particular financial circumstances, the information set forth herein and the information regarding the relevant Securities and the particular reference index (or basket of indices), share (or basket of shares), debt instrument (or basket of debt instruments), currency (or basket of currencies), commodity (or basket of commodities) or other basis of reference to which the value of the relevant Securities may relate, as specified in the applicable Final Terms (such reference being the "**Underlying Reference**").

The risk of the loss of some or all of the purchase price of a Security upon expiration or redemption means that, in order to recover and realise a return upon his or her investment, a purchaser of a Security must generally be correct about the direction, timing and magnitude of an anticipated change in the value of the Underlying Reference which may be specified in the applicable Final Terms. Assuming all other factors are held constant, the lower the value of a Security and the shorter the remaining term of a Warrant to expiration or a Certificate to redemption, the greater the risk that purchasers of such Securities will lose all or part of their investment. With respect to Certificates and European-style Warrants, the only means through which a holder can realise value from the Warrant or Certificate, as the case may be, prior to its Exercise Date or Redemption Date in relation to such Warrant or Certificate, as the case may be, is to sell it at its then market price in an available secondary market. See "*Possible Illiquidity of the Securities in the Secondary Market*" below.

Fluctuations in the value of the relevant index or basket of indices will affect the value of Index Securities. Fluctuations in the price of the relevant share or value of the basket of shares will affect the value of Share Securities. Fluctuations in the price or yield of the relevant debt instrument or value of the basket of debt instruments will affect the value of Debt Securities. Fluctuations in the rates of exchange between the relevant

currencies will affect the value of Currency Securities. Also, due to the character of the particular market on which a debt instrument is traded, the absence of last sale information and the limited availability of quotations for such debt instrument may make it difficult for many investors to obtain timely, accurate data for the price or yield of such debt instrument. Fluctuations in the value of the relevant commodity or basket of commodities will affect the value of Commodity Securities. Purchasers of Securities risk losing their entire investment if the value of the relevant underlying basis of reference does not move in the anticipated direction.

Securities are Unsecured Obligations

The Securities are unsubordinated and unsecured obligations of the relevant Issuer and will rank *pari passu* with themselves. Each issue of Securities issued by BNPP B.V. will be guaranteed by BNPP pursuant to the English Guarantee, in the case of English Law Securities, or the French Law Guarantee, in the case of French Law Securities. The obligations of BNPP under the Guarantees are unsubordinated and unsecured obligations of BNPP and will rank *pari passu* with all its other present and future unsubordinated and unsecured obligations, subject as may from time to time be mandatory under French law.

Each Issuer may issue several issues of Securities relating to various Underlying References. However, no assurance can be given that the relevant Issuer will issue any Securities other than the Securities to which a particular Final Terms relates. At any given time, the number of Securities outstanding may be substantial. Securities provide opportunities for investment and pose risks to investors as a result of fluctuations in the value of the underlying investment. In general, certain of the risks associated with Warrants are similar to those generally applicable to other options or warrants of private corporate issuers. Options, warrants or certificates on shares or debt instruments are priced primarily on the basis of the value of underlying securities whilst Currency and Commodity Securities are priced primarily on the basis of present and expected values of the reference currency (or basket of currencies) or commodity (or basket of commodities) specified in the applicable Final Terms.

Certain Factors Affecting the Value and Trading Price of Securities

Either (1) the Cash Settlement Amount (in the case of Cash Settled Securities) or (2) (i) the difference in the value of the Entitlement and the Exercise Price (in the case of Physical Delivery Warrants) or (ii) the value of the Entitlement (in the case of Physical Delivery Certificates) ((2)(i) or (2)(ii), as applicable, the “**Physical Settlement Value**”) at any time prior to expiration or redemption is typically expected to be less than the trading price of such Securities at that time. The difference between the trading price and the Cash Settlement Amount or the Physical Settlement Value, as the case may be, will reflect, among other things, the “time value” of the Securities. The “time value” of the Securities will depend partly upon the length of the period remaining to expiration or redemption and expectations concerning the value of the Underlying Reference as specified in the applicable Final Terms. Securities offer hedging and investment diversification opportunities but also pose some additional risks with regard to interim value. The interim value of the Securities varies with the price level of the Underlying Reference as specified in the applicable Final Terms, as well as by a number of other interrelated factors, including those specified herein.

Before exercising (in the case of Warrants) or selling Securities, holders should carefully consider, among other things, (a) the trading price of the Securities, (b) the value and volatility of the Underlying Reference as specified in the applicable Final Terms, (c) the time remaining to expiration or redemption, as the case may be, (d) in the case of Cash Settled Securities, the probable range of Cash Settlement Amounts, (e) any change(s) in interim interest rates and dividend yields if applicable, (f) any change(s) in currency exchange rates, (g) the depth of the market or liquidity of the Underlying Reference as specified in the applicable Final Terms and (h) any related transaction costs.

Certain Considerations Regarding Purchasing Securities as Hedges

Prospective purchasers intending to purchase Securities to hedge against the market risk associated with investing in the Underlying Reference which may be specified in the applicable Final Terms, should recognise the complexities of utilising Securities in this manner. For example, the value of the Securities may not exactly correlate with the value of the Underlying Reference which may be specified in the applicable Final Terms. Due to fluctuating supply and demand for the Securities, there is no assurance that their value will correlate with movements of the Underlying Reference which may be specified in the applicable Final Terms. For these reasons, among others, it may not be possible to purchase or liquidate securities in a portfolio at the prices used to calculate the value of any relevant Underlying Reference. In addition, in certain cases, the ability of holders to use Securities for hedging may be restricted by the provisions of the Securities Act.

Effect of Credit Rating Reduction

The value of the Securities is expected to be affected, in part, by investors' general appraisal of the creditworthiness of the relevant Issuer and, if applicable, the Guarantor. Such perceptions are generally influenced by the ratings accorded to the outstanding securities of BNPP B.V. or BNPP by standard statistical rating services, such as Moody's Investors Service Limited ("**Moody's**"), Standard & Poor's Ratings Services, a division of The McGraw Hill Companies, Inc. ("**Standard & Poor's**") and Fitch Ratings Ltd. ("**Fitch**"). A reduction in the rating, if any, accorded to outstanding debt securities of BNPP B.V. or BNPP by one of these rating agencies could result in a reduction in the trading value of the Securities.

Certain Additional Risk Factors Associated with Currency Securities

Fluctuations in exchange rates of the relevant currency (or basket of currencies) will affect the value of Currency Securities. Furthermore, investors who intend to convert gains or losses from the exercise, redemption or sale of Currency Securities into their home currency may be affected by fluctuations in exchange rates between their home currency and the relevant currency (or basket of currencies). Currency values may be affected by complex political and economic factors, including governmental action to fix or support the value of a currency (or basket of currencies), regardless of other market forces. Purchasers of Currency Securities risk losing their entire investment if exchange rates of the relevant currency (or basket of currencies) do not move in the anticipated direction.

If additional warrants, securities or options relating to particular non-U.S. currencies or particular currency indices are subsequently issued, the supply of warrants and options relating to such non-U.S. currencies or currency indices, as applicable, in the market will increase, which could cause the price at which the Securities and such other warrants, securities and options trade in the secondary market to decline significantly.

Possible Illiquidity of the Securities in the Secondary Market

It is not possible to predict the price at which Securities will trade in the secondary market or whether such market will be liquid or illiquid. The Issuer may, but is not obliged to, list Securities on a stock exchange (application has been made to list the Securities on the Luxembourg Stock Exchange and to admit the Securities for trading described herein on the "*Bourse de Luxembourg*" (the "**Regulated Market**") and/or the EuroMTF Market, as the case may be). Also, to the extent Securities of a particular issue are exercised or redeemed, the number of Securities of such issue outstanding will decrease, resulting in a diminished liquidity for the remaining Securities of such issue. A decrease in the liquidity of an issue of Securities may cause, in turn, an increase in the volatility associated with the price of such issue of Securities.

Each Issuer and any Manager may, but is not obliged to, at any time purchase Securities at any price in the open market or by tender or private offer/treaty. Any Securities so purchased may be held or resold or surrendered for cancellation as further described herein. A Manager may, but is not obliged to, be a market-maker for an issue of Securities. Even if a Manager is a market-maker for an issue of Securities, the secondary market for such Securities may be limited. In addition, affiliates of each Issuer (including the relevant Manager as referred to above) may purchase Securities at the time of their initial distribution and from time to time thereafter. To the extent that an issue of Securities becomes illiquid, an investor may have to exercise or wait until redemption of such Securities, as applicable, to realise greater value than its then trading value.

Potential Conflicts of Interest

BNPP B.V., BNPP and their affiliates (including, if applicable, any Manager) may also engage in trading activities (including hedging activities) related to the Underlying Reference of any Securities and other instruments or derivative products based on or related to the Underlying Reference of any Securities for their proprietary accounts or for other accounts under their management. BNPP B.V., BNPP and their affiliates (including, if applicable, any Manager) may also issue other derivative instruments in respect of the Underlying Reference of Securities. BNPP B.V., BNPP and their affiliates (including, if applicable, any Manager) may also act as underwriter in connection with future offerings of shares or other securities related to an issue of Securities or may act as financial adviser to certain companies or companies whose shares or other securities are included in a basket or in a commercial banking capacity for such companies. Such activities could present certain conflicts of interest, could influence the prices of such shares or other securities and could adversely affect the value of such Securities.

Because the Calculation Agent (as defined below) may be an affiliate of the Issuers, potential conflicts of interest may exist between the Calculation Agent and holders of the Securities, including with respect to certain determinations and judgments that the Calculation Agent must make, including whether a Market Disruption Event or a Settlement Disruption Event (each, as defined below) has occurred. The Calculation Agent is obligated to carry out its duties and functions as Calculation Agent in good faith and using its reasonable judgment.

Market Disruption Events

If an issue of Securities includes provisions dealing with the occurrence of a Market Disruption Event on a Valuation Date (as defined below), an Averaging Date (as defined below) or an Observation Date (as defined below) and the Calculation Agent determines that a Market Disruption Event has occurred or exists on such Valuation Date, such Averaging Date or such Observation Date, any consequential postponement of the Valuation Date, Averaging Date or Observation Date or any alternative provisions for valuation provided in any Securities may have an adverse effect on the value and liquidity of such Securities. The occurrence of such a Market Disruption Event in relation to any Underlying Reference comprising a basket may also have such an adverse effect on Securities related to such basket. In addition, any such consequential postponement may result in the postponement of the relevant Settlement Date or Redemption Date.

Adjustment Events relating to Index/Commodity Securities

In the case of Index/Commodity Securities (as defined below), if a relevant Index/Commodity Price is (i) not calculated and announced by the Index Sponsor (as defined below) in respect of the Index or the Exchange in respect of the Commodity but is calculated and announced by a successor sponsor or successor entity, as the case may be, acceptable to the Calculation Agent, or (ii) replaced by a successor index/commodity price using, in the determination of the Calculation Agent, the same or a substantially similar formula for and

method of calculation as used in the calculation of that Index/Commodity Price, then in each case that index/commodity price will be deemed to be the Index/Commodity Price. In addition, if an Index Modification (as defined below), an Index Cancellation (as defined below) or an Index Disruption (as defined below), a Commodity Modification, a Commodity Change in Content or a Disappearance of Commodity Price occurs (each being an Index/Commodity Adjustment Event), then, except as may be limited in the case of U.S. Securities,

- (i) the Calculation Agent shall determine if such Index/Commodity Adjustment Event has a material effect on the Securities and, if so, shall calculate the relevant Settlement Price on a modified basis as set out in the Conditions; or
- (ii) the Issuer shall cancel or redeem, as the case may be, the Securities. If the Securities are so cancelled or redeemed, the amount payable to each Holder in respect of each Security or, if Units are specified in the applicable Final Terms, each Unit, as the case may be, held by it shall be the fair market value of a Security or a Unit, as the case may be, taking into account the Index/Commodity Adjustment Event, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion.

Any such adjustment may have an adverse effect on the value and liquidity of such Securities.

Potential Adjustment Events relating to Share Securities

In the case of Share Securities, except as may be limited in the case of U.S. Securities, following the declaration by the Basket Company or Share Company, as the case may be, of the terms of any Potential Adjustment Event, the Calculation Agent will, in its sole and absolute discretion, determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Shares and, if so, will (i) make the corresponding adjustment, if any, to any one or more of any Relevant Asset and/or the Entitlement and/or the Exercise Price and/or the Multiplier and/or any of the other terms of the Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate to account for that diluting or concentrative effect (provided that no adjustments will be made to account solely for changes in volatility, expected dividends, stock loan rate or liquidity relative to the relevant Share) and (ii) determine the effective date of that adjustment. Such adjustment may have an adverse effect on the value and liquidity of the affected Share Securities.

Other Events relating to Share Securities

In the case of Share Securities, if a Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency occurs in relation to a Share, the Issuer in its sole and absolute discretion may take the action described in (i) or (ii) below (except as may be limited in the case of U.S. Securities):

- (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of any Relevant Asset and/or the Entitlement and/or the Exercise Price and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms to account for the Merger Event (as defined below), Tender Offer (as defined below), De-listing (as defined below), Nationalisation (as defined below) or Insolvency (as defined below), as the case may be, and determine the effective date of that adjustment. Such adjustment may have an adverse effect on the value and liquidity of the affected Share Securities; and
- (ii) cancel or redeem, as the case may be, part (in the case of Share Securities relating to a basket of Shares) or all (in any other case) of the Securities. Following such cancellation, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the relevant Securities being redeemed and may only be able to do so at a significantly

lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Settlement Disruption Events

In the case of Physical Delivery Securities, if a Settlement Disruption Event occurs or exists on the Settlement Date (as defined below) or the Redemption Date (as defined below), respectively, settlement will be postponed until the next Settlement Business Day (as defined below) in respect of which there is no Settlement Disruption Event. If so indicated in the Final Terms, the relevant Issuer in these circumstances also has the right to pay the Disruption Cash Settlement Price (as defined below) in lieu of delivering the Entitlement. As further described below, the Disruption Cash Settlement Price may be less than the fair market value of the Entitlement.

Option to Vary Settlement

If so indicated in the Final Terms, the Issuers may, in their sole and absolute discretion, elect to vary the settlement of the Securities, by (i) in the case of Cash Settled Securities, delivering or procuring delivery of the Entitlement instead of making payment of the Cash Settlement Amount on the Settlement Date to the relevant Holders or (ii) in the case of Physical Delivery Securities, making payment of the Cash Settlement Amount on the Settlement Date to the relevant Holders instead of delivering or procuring delivery of the Entitlement.

Option to Substitute Assets or to Pay the Alternate Cash Amount

The Issuers may, in their sole and absolute discretion, if the Calculation Agent determines (in its sole and absolute discretion) that the Relevant Asset or Relevant Assets (as defined below), as the case may be, comprises assets which are not freely tradable, elect either (i) to substitute a Substitute Asset or Substitute Assets, as the case may be, for the Relevant Asset or Relevant Assets or (ii) not to deliver or procure the delivery of the Entitlement or the Substitute Asset or Substitute Assets (as defined below), as the case may be, to the relevant holders, but in lieu thereof to make payment to the relevant holders on the Settlement Date of the Alternate Cash Amount (as defined below).

Certificates Subject to Optional Redemption or Cancellation by the Relevant Issuer or Other Early Redemption or Cancellation

An optional or other early redemption (or cancellation) feature is likely to limit the market value of the Certificates. In the case of Certificates having an optional redemption (or cancellation) feature, during any period when the relevant Issuer may elect to redeem (or cancel) the relevant Certificates, the market value of those Certificates generally will not rise substantially above the price at which they can be redeemed (or cancelled). This also may be true prior to any redemption (or cancellation) period. In addition, the Final Terms may provide that the relevant Certificates shall be redeemed (or cancelled) early in specified circumstances. Following an optional or early redemption (or cancellation), a Holder generally would not be able to reinvest the redemption (or cancellation) proceeds (if any) at an effective interest rate as high as the interest rate on the relevant Certificates being redeemed (or cancelled) and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Conditional Interest: no Interest Amount may be payable on any Interest Payment Date

If any Interest Amount is payable in respect of any Certificates, investors may not be entitled to receive any such Interest Amount on the relevant dates in certain specified circumstances so indicated in the Final Terms.

Interest linked to a Relevant Factor

The relevant Issuer may issue Certificates with interest determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a “**Relevant Factor**”). In addition, the relevant Issuer may issue Certificates with interest payable in one or more currencies which may be different from the currency in which the Certificates are denominated. Potential investors should be aware that:

- (i) the market price of such Securities may be volatile;
- (ii) they may receive no interest;
- (iii) payment of interest may occur at a different time or in a different currency than expected;
- (iv) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- (v) if a Relevant Factor is applied to Certificates in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on interest payable will be magnified; and
- (vi) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

Timing of Observation Dates

Amounts, formulae and other provisions relating to Securities may be calculated by reference to specific observation dates occurring throughout the term of the relevant Securities and also that such dates may be postponed or otherwise adjusted upon the occurrence of certain events including as described under, but not limited to, “Market Disruption Events”, “Adjustment Events relating to Index Securities”, “Potential Adjustment Events relating to Share Securities” and “Other Events relating to Share Securities” above. The timing of such dates (as scheduled or as so postponed or adjusted) may affect the value of the relevant Securities such that the Holder may receive a lower cash settlement amount and/or interest amount or other payment under the relevant Securities than otherwise would have been the case.

Limited Exposure to Underlying Reference

If the applicable Final Terms provide that the exposure of the relevant Securities to one or more Underlying References is limited or capped to a certain level or amount, the relevant Securities will not benefit from any upside in the value of any such Underlying References beyond such limit or cap.

The Final Cash Settlement Amount or Redemption Amount May Be Significantly Less than the Value of an Investment in the Securities

Each Holder may receive a Cash Settlement Amount or Redemption Amount and/or physical delivery of specified securities together with cash for roundings. The aggregate value of such specified securities and cash may be significantly less than the value of the Holder’s investment in the relevant Securities. In particular, in the case of Securities exposed to the performance of a basket of Underlying References, the securities so delivered may relate to or, the cash settlement amount may be calculated by reference to, the worst performing Underlying Reference or any other formula specified in the applicable Final Terms.

Post-issuance Information

Applicable Final Terms may specify that the relevant Issuer will not provide post-issuance information in relation to the Underlying Reference. In such an event, investors will not be entitled to obtain such information from the relevant Issuer.

Certain Additional Risk Factors Associated with Warrants

Limitations on Exercise of Warrants

If so indicated in the Final Terms, the relevant Issuer will have the option to limit the number of Warrants exercisable on any date (other than the final exercise date) to the maximum number specified in the Final Terms and, in conjunction with such limitation, to limit the number of Warrants exercisable by any person or group of persons (whether or not acting in concert) on such date. In the event that the total number of Warrants being exercised on any date (other than the final exercise date) exceeds such maximum number and the Issuer elects to limit the number of Warrants exercisable on such date, a holder may not be able to exercise on such date all Warrants that such holder desires to exercise. In any such case, the number of Warrants to be exercised on such date will be reduced until the total number of Warrants exercised on such date no longer exceeds such maximum, such Warrants being selected at the discretion of the Issuer or in any other manner specified in the applicable Final Terms. Unless otherwise specified in the Final Terms, the Warrants tendered for exercise but not exercised on such date will be automatically exercised on the next date on which Warrants may be exercised, subject to the same daily maximum limitation and delayed exercise provisions.

Minimum Exercise Amount of Warrants

If so indicated in the Final Terms, a holder must tender or, in the case of automatic exercise, hold, a specified number of Warrants at any one time in order to exercise. Thus, holders with fewer than the specified minimum number of Warrants will either have to sell their Warrants or purchase additional Warrants, incurring transaction costs in each case, in order to realise their investment. Furthermore, holders of such Warrants incur the risk that there may be differences between the trading price of such Warrants and the Cash Settlement Amount (in the case of Cash Settled Warrants) or the Physical Settlement Value (in the case of Physical Delivery Warrants) of such Warrants.

Time Lag after Exercise of Warrants

In the case of any exercise of Warrants, there will be a time lag between the time a holder gives instructions to exercise and the time the applicable Cash Settlement Amount (in the case of Cash Settled Warrants) relating to such exercise is determined. Any such delay between the time of exercise and the determination of the Cash Settlement Amount will be specified in the applicable Final Terms or the applicable Terms and Conditions. However, such delay could be significantly longer, particularly in the case of a delay in exercise of Warrants arising from any daily maximum exercise limitation, the occurrence of a Market Disruption Event or failure to open of an exchange or related exchange (if applicable) or following the imposition of any exchange controls or other similar regulations affecting the ability to obtain or exchange any relevant currency (or basket of currencies) in the case of Currency Warrants. The applicable Cash Settlement Amount may change significantly during any such period, and such movement or movements could decrease the Cash Settlement Amount of the relevant Warrants and may result in such Cash Settlement Amount being zero.

TERMS AND CONDITIONS OF THE WARRANTS

The following is the text of the Terms and Conditions of the Warrants which, in the case of English Law Warrants (as defined in Condition 4 below), will be attached to each Clearing System Global Warrant, Private Placement Definitive Warrant or Registered Global Warrant (each as defined below). The applicable Final Terms (as defined below) in relation to any issue of Warrants may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the following Terms and Conditions, replace or modify the following Terms and Conditions for the purpose of such Warrants. In the case of English Law Warrants, the applicable Final Terms (or the relevant provisions thereof) will be attached to each Clearing System Global Warrant, Private Placement Definitive Warrant or Registered Global Warrant, as the case may be. The provisions in respect of Registered Warrants and U.S. Warrants below relate to English Law Warrants only.

The series of Warrants described in the applicable Final Terms (in so far as it relates to such series of Warrants) (such Warrants being hereinafter referred to as the “**Warrants**”) are issued by whichever of BNP Paribas Arbitrage Issuance B.V. (“**BNPP B.V.**”) or BNP Paribas (“**BNPP**”) is specified as the Issuer in the applicable Final Terms (the “**Issuer**”) and references to the Issuer shall be construed accordingly. Only BNPP may issue U.S. Warrants. The Warrants are issued pursuant to an Agency Agreement dated 18 January 2006 (as amended and/or supplemented from time to time, the “**Agency Agreement**”) between BNPP B.V. as issuer, BNPP as issuer and (where the Issuer is BNPP B.V.) guarantor (in such capacity, the “**Guarantor**”), BNP Paribas Securities Services, Luxembourg Branch as agent (if specified in the applicable Final Terms as Agent in respect of the Warrants, the “**Principal Warrant Agent**”), BNP Paribas Arbitrage SNC as agent (if specified in the applicable Final Terms as Agent in respect of the Warrants, the “**Principal Warrant Agent**”), The Bank of New York as New York warrant agent (the “**New York Warrant Agent**”), The Bank of New York as definitive warrant agent (the “**Definitive Warrant Agent**”) (each, a “**Warrant Agent**” and collectively, the “**Warrant Agents**”) and BNP PARIBAS Securities (Japan) Limited as registrar in respect of Registered Warrants (the “**Registrar**”). The expression “**Warrant Agent**” shall include any additional or successor warrant agent in respect of the Warrants. BNP Paribas or BNP Paribas Arbitrage SNC (as specified in the applicable Final Terms) shall undertake the duties of calculation agent (the “**Calculation Agent**”) in respect of the Warrants as set out below and in the applicable Final Terms unless another entity is so specified as calculation agent in the applicable Final Terms. The expression Calculation Agent shall, in relation to the relevant Warrants, include such other specified calculation agent. The Agency Agreement will be governed by English Law in the case of English Law Warrants (the “**English Law Agency Agreement**”) and by French Law in the case of French Law Warrants (the “**French Law Agency Agreement**”).

English Law Warrants (as defined in Condition 4 below) are constituted by a clearing system global warrant (the “**Clearing System Global Warrant**”) or a registered global warrant (the “**Registered Global Warrant**”) or a warrant in definitive registered form (a “**Private Placement Definitive Warrant**”) as specified in the applicable Final Terms. Except as provided herein, no Warrants in definitive form will be issued.

In the event that the applicable Final Terms specify that Warrants are eligible for sale in the United States (such eligibility to be pursuant to an exemption from the registration requirements of the Securities Act of 1933, as amended (the “**Securities Act**”), (A) the Warrants sold in the United States to qualified institutional buyers (“**QIBs**”) within the meaning of Rule 144A (“**Rule 144A**”) under the Securities Act (“**Rule 144A Warrants**”) will be represented by one or more Rule 144A global warrants (each, a “**Rule 144A Global Warrant**”), (B) the Warrants sold in the United States to certain accredited investors (“**AIs**”) (as defined in Rule 501(a) under the Securities Act) will be constituted by private placement definitive warrants (“**Private Placement Definitive Warrants**”), and (C) in either such case, the Warrants sold outside the United States to non-U.S. persons under the exemption contained in Regulation S (“**Regulation S**”) under the Securities Act will be represented by one or more Regulation S global warrants (each, a “**Regulation S Global Warrant**”).

References herein to a Clearing System Global Warrant include, as the context so requires, a Rule 144A Global Warrant and a Regulation S Global Warrant. In the event that the Final Terms does not specify that Warrants are eligible for sale in the United States or to U.S. persons, the Warrants offered and sold outside the United States to non-U.S. persons under the exemption contained in Regulation S will be represented by a Clearing System Global Warrant or a Registered Global Warrant, as the case may be.

In the event that the Warrants are constituted by a Clearing System Global Warrant (such Warrants being hereinafter referred to as “**Clearing System Warrants**”), the Clearing System Global Warrant will be deposited with a depository (the “**Common Depository**”) common to Clearstream Banking, société anonyme (“**Clearstream, Luxembourg**”) and Euroclear Bank S.A./N.V. as operator of the Euroclear System (“**Euroclear**”) and/or any other relevant Clearing System (as defined below). Warrants represented by a Rule 144A Global Warrant will be either (i) deposited with a custodian (a “**Custodian**”) for, and registered in the name of a nominee of, The Depository Trust Company (“**DTC**”) or (ii) issued and deposited with a Common Depository on behalf of Clearstream, Luxembourg and Euroclear and/or any other relevant Clearing System.

In the event that the Warrants are constituted by a Registered Global Warrant (such Warrants being hereinafter referred to as “**Registered Warrants**”), the Registered Global Warrant will be held by the Registrar on behalf of the holders.

Interests in a Rule 144A Global Warrant and Regulation S Global Warrant may be exchanged for interests in the other Clearing System Global Warrant and for Private Placement Definitive Warrants and Private Placement Definitive Warrants may be exchanged for an interest in a Rule 144A Global Warrant or Regulation S Global Warrant only as described herein. Interests in a Clearing System Global Warrant or a Private Placement Definitive Warrant may not be exchanged for interests in a Registered Global Warrant and interests in a Registered Global Warrant may not be exchanged for interests in a Clearing System Global Warrant or a Private Placement Definitive Warrant.

Each of the Clearing System Global Warrant and the Registered Global Warrant is referred to in these Terms and Conditions as a “**Global Warrant**”. The applicable Final Terms (or the relevant provisions thereof) will be attached to such Global Warrant.

In the case of Warrants represented by a Rule 144A Global Warrant held by a Custodian on behalf of DTC, if DTC notifies BNPP that it is unwilling or unable to continue as a depository for that Global Warrant or if at any time DTC ceases to be a “clearing agency” registered under the U.S. Securities Exchange Act of 1934, as amended, and a successor depository is not appointed by BNPP within 90 days of such notice, BNPP will deliver Warrants in definitive registered form (bearing such legends as may be required by BNPP) in exchange for that Rule 144A Global Warrant. Except in these circumstances, owners of beneficial interests in a Rule 144A Global Warrant held by a Custodian on behalf of DTC will not be entitled to have any portion of such Warrants registered in their name and will not receive or be entitled to receive physical delivery of registered Warrants in definitive form in exchange for their interests in that Rule 144A Global Warrant. Transfer, exercise, settlement and other mechanics related to any Warrants issued in definitive form in exchange for Warrants represented by such Rule 144A Global Warrant shall be as agreed between BNPP and the New York Warrant Agent.

French Law Warrants (as defined in Condition 4 below) are issued in dematerialised form (au porteur) (such Warrants hereinafter also referred to as “**Clearing System Warrants**”). No physical document of title (including certificats représentatifs pursuant to Article R.211-7 of the French *Code Monétaire et Financier*) will be issued in respect of French Law Warrants.

The applicable Final Terms for the Warrants supplements these Terms and Conditions and may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with these Terms and Conditions, supplement, replace or modify these Terms and Conditions for the purposes of the Warrants.

References herein to the applicable Final Terms are to the Final Terms or two or more sets of Final Terms (in the case of any further warrants issued pursuant to Condition 13 and forming a single series with the Warrants) (which, for the avoidance of doubt, may be issued in respect of more than one series of Warrants) insofar as they relate to the Warrants.

Subject as provided in Condition 3 and in the Guarantees (as defined below), where the Issuer is BNPP B.V. the obligations of BNPP B.V. with respect to physical delivery (if applicable) and/or the payment of amounts payable by BNPP B.V. are guaranteed by BNPP (in such capacity, the “**Guarantor**”) pursuant to the Guarantee (as defined in Condition 4). The original of each Guarantee is held by BNP Paribas Securities Services, Luxembourg Branch on behalf of the Holders at its specified office.

Copies of the Agency Agreement, will be available for inspection at the specified office of the relevant Warrant Agent and the Registrar (in the case of Registered Warrants), copies of the Guarantees will be available for inspection at the specified office in Luxembourg of the relevant Warrant Agent and the Registrar and copies of the applicable Final Terms may be obtained from the specified office of the relevant Warrant Agent and the Registrar (in the case of Registered Warrants), save that if the Warrants are unlisted, the applicable Final Terms will only be obtainable by a Holder and such Holder must produce evidence satisfactory to the relevant Warrant Agent as to identity.

Words and expressions defined in the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated.

The Holders (as defined in Condition 1(B)) are entitled to the benefit of and are deemed to have notice of and are bound by all the provisions of the Agency Agreement (insofar as they relate to the Warrants) and the applicable Final Terms, which are binding on them.

1 Type, Title and Transfer

(A) Type

The Warrants relate to a specified Index or basket of Indices (“**Index Warrants**”), a specified Share or basket of Shares (“**Share Warrants**”), a specified debt instrument (“**Debt Security**”) or basket of Debt Securities (“**Debt Warrants**”), a specified currency (“**Currency**”) or basket of Currencies (“**Currency Warrants**”), a specified commodity (“**Commodity**”) or basket of Commodities (“**Commodity Warrants**”) or any other or further type of warrants as is specified in the applicable Final Terms. Warrants related to a specified currency or basket of currencies, a specified commodity or basket of commodities or a specified interest rate or basket of interest rates may not at any time be offered, sold, resold, held, traded, pledged, exercised, redeemed, transferred or delivered, directly or indirectly, in the United States or to, by or for the account or benefit of, persons that are U.S. persons as defined in Regulation S under the Securities Act or that are not non-United States Persons as defined in Rule 4.7 under the United States Commodity Exchange Act, as amended. Certain terms which will, unless otherwise varied in the applicable Final Terms, apply to Index Warrants, Share Warrants, Debt Warrants, Currency Warrants or Commodity Warrants are set out in Condition 16.

The applicable Final Terms will indicate whether the Warrants are American style Warrants (“**American Style Warrants**”) or European style Warrants (“**European Style Warrants**”), Registered Warrants or such other type as may be specified in the applicable Final Terms, in the case of Cash Settled Warrants whether automatic exercise (“**Automatic Exercise**”) applies to the Warrants, whether settlement shall be by way of cash payment (“**Cash Settled Warrants**”) or physical delivery (“**Physical Delivery Warrants**”), whether the Warrants are call Warrants (“**Call Warrants**”) or put Warrants (“**Put Warrants**”), or such other type as may be specified in the applicable Final Terms, whether the Warrants may only be exercised in units (“**Units**”) and whether Averaging (“**Averaging**”)

will apply to the Warrants. If Units are specified in the applicable Final Terms, Warrants must be exercised in Units and any Exercise Notice which purports to exercise Warrants in breach of this provision shall be void and of no effect. If Averaging is specified as applying in the applicable Final Terms the applicable Final Terms will state the relevant Averaging Dates and, if an Averaging Date is a Disrupted Day, whether Omission, Postponement or Modified Postponement (each as defined in Condition 4 below) applies.

References in these Terms and Conditions, unless the context otherwise requires, to Cash Settled Warrants shall be deemed to include references to (a) Physical Delivery Warrants, which include an option (as set out in the applicable Final Terms) at the Issuer's election to request cash settlement of such Warrant pursuant to Condition 5(D)(i) and where settlement is to be by way of cash payment, and (b) Physical Delivery Warrants where settlement is to be automatically varied to be by way of a cash payment pursuant to Condition 5(D)(ii). References in these Terms and Conditions, unless the context otherwise requires, to Physical Delivery Warrants shall be deemed to include references to Cash Settled Warrants which include an option (as set out in the applicable Final Terms) at the Issuer's election to request physical delivery of the relevant underlying asset in settlement of such Warrant pursuant to Condition 5(D)(ii) and where settlement is to be by way of physical delivery. Unless otherwise specified in the applicable Final Terms, BNPP does not have the option to vary settlement in respect of the U.S. Warrants pursuant to Condition 5(D)(i).

Warrants may, if specified in the applicable Final Terms, allow Holders to elect for settlement by way of cash payment or by way of physical delivery or by such other method of settlement as is specified in the applicable Final Terms. Those Warrants where the Holder has elected for cash payment will be Cash Settled Warrants and those Warrants where the Holder has elected for physical delivery will be Physical Delivery Warrants. The rights of a Holder as described in this paragraph may be subject to the Issuer's right to vary settlement as indicated in the applicable Final Terms and will be subject to the Issuer's right to substitute assets or pay the Alternate Cash Amount (as defined below) in lieu of physical delivery in accordance with Condition 5(E).

in the jurisdiction of the Issuer or in any other jurisdiction where the Registrar's specified office is located.

Registered Warrants and interests therein may not be transferred at any time, directly or indirectly, in the United States or to or for the benefit of a U.S. person, and any such transfer shall not be recognized.

2 Status of the Warrants and Guarantee

The Warrants are unsubordinated and unsecured obligations of the Issuer and rank *pari passu* among themselves.

Where the Issuer is BNPP B.V., the relevant Guarantee is an unsubordinated and unsecured obligation of BNPP and will rank *pari passu* with all its other present and future unsubordinated and unsecured obligations subject to such exceptions as may from time to time be mandatory under French law.

3 Guarantee

Where the Issuer is BNPP B.V., subject as provided below and in the relevant Guarantee, BNPP has unconditionally and irrevocably (a) guaranteed to each Holder all obligations of the Issuer in respect of such Holder's Warrants as and when such obligations become due and (b) agreed that if and each time that the Issuer fails to satisfy any obligations under such Warrants as and when such obligations become due, BNPP will not later than five Paris Business Days (as defined in the relevant Guarantee) after a demand has been made on BNPP pursuant thereto (without requiring the relevant Holder first to take steps against the Issuer or any other person) make or cause to be made such payment or satisfy or cause to be satisfied such obligations as though BNPP were the principal obligor in respect of such obligations provided that (i) in the case of Physical Delivery Warrants that are Call Warrants, notwithstanding that the Issuer had the right to vary settlement in respect of such Physical Delivery Warrants in accordance with Condition 5(D) and exercised such right or failed to exercise such right, BNPP will have the right at its sole and unfettered discretion to elect not to deliver or procure delivery of the Entitlement to the holders of such Physical Delivery Warrants, but in lieu thereof, to make payment in respect of each such Physical Delivery Warrant of an amount equal to the Guaranteed Cash Settlement Amount calculated pursuant to the terms of the relevant Final Terms (the "**Guaranteed Cash Settlement Amount**") and (ii) in the case of Warrants where the obligations of the Issuer which fail to be satisfied by BNPP constitute the delivery of the Entitlement to the Holders, BNPP will as soon as practicable following the failure by the Issuer to satisfy its obligations under such Warrants deliver or procure delivery of such Entitlement using the method of delivery specified in the applicable Final Terms provided that, if in the opinion of BNPP, delivery of the Entitlement using such method is not practicable by reason of (x) a Settlement Disruption Event (as defined in Condition 5(C)(2)) or (y) if "Failure to Deliver due to Illiquidity" is specified as applying in the applicable Final Terms, a Failure to Deliver (as defined in Condition 5(C)(3)), in lieu of such delivery BNPP will make payment in respect of each such Warrant of, in the case of (x) above, the Guaranteed Cash Settlement Amount or, in the case of (y) above, the Failure to Deliver Settlement Price (as defined in Condition 5(C)(3)). Any payment of the Guaranteed Cash Settlement Amount or the Failure to Deliver Settlement Price, as the case may be, in respect of a Warrant shall constitute a complete discharge of BNPP's obligations in respect of such Warrant. Payment of the Guaranteed Cash Settlement Amount as the Failure to Deliver Settlement Price, as the case may be, will be made in such manner as shall be notified to the Holders no later than 10.00 a.m. (London time) on the second Business Day following the Actual Exercise Date and in accordance with Condition 11.

“**Actual Exercise Date**” means the Exercise Date (in the case of European Style Warrants) or, subject to Condition 7(A)(2), the date during the Exercise Period on which the Warrant is actually or is deemed exercised or, if Automatic Exercise is specified in the applicable Final Terms, is automatically exercised (in the case of American Style Warrants (as more fully set out in Condition 5(A)(1)));

“**Affiliate**” means in relation to any entity (the “**First Entity**”), any entity controlled, directly or indirectly, by the First Entity, any entity that controls, directly or indirectly, the First Entity or any entity directly or indirectly under common control with the First Entity. For these purposes control means ownership of a majority of the voting power of an entity;

“**Averaging Date**” means, in respect of an Actual Exercise Date, each date specified as an Averaging Date in the applicable Final Terms or, if any such date is not a Scheduled Trading Day, the immediately following Scheduled Trading Day unless, in the opinion of the Calculation Agent any such day is a Disrupted Day. If any such day is a Disrupted Day, then:

- (a) If “Omission” is specified as applying in the applicable Final Terms, then such date will be deemed not to be an Averaging Date for the purposes of determining the relevant Settlement Price provided that, if through the operation of this provision no Averaging Date would occur in respect of such Actual Exercise Date, then the provisions of the definition of “Valuation Date” will apply for purposes of determining the relevant level, price or amount on the final Averaging Date with respect to that Actual Exercise Date as if such Averaging Date were a Valuation Date that was a Disrupted Day; or
- (b) if “Postponement” is specified as applying in the applicable Final Terms, then the provisions of the definition of “Valuation Date” will apply for the purposes of determining the relevant level, price or amount on that Averaging Date as if such Averaging Date were a Valuation Date that was a Disrupted Day irrespective of whether, pursuant to such determination, that deferred Averaging Date would fall on a day that already is or is deemed to be an Averaging Date; or
- (c) if “Modified Postponement” is specified as applying in the applicable Final Terms then:
 - (i) where the Warrants are Index Warrants relating to a single Index or Share Warrants relating to a single Share, the Averaging Date shall be the first succeeding Valid Date (as defined below). If the first succeeding Valid Date has not occurred as of the Valuation Time on the eighth Scheduled Trading Day immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, would have been the final Averaging Date in respect of such Actual Exercise Date, then (A) that eighth Scheduled Trading Day shall be deemed to be the Averaging Date (irrespective of whether that eighth Scheduled Trading Day is already an Averaging Date), and (B) the Calculation Agent shall determine the relevant level or price for that Averaging Date in accordance with sub-paragraph (a)(ii) of the definition of “Valuation Date” below;
 - (ii) where the Warrants are Index Warrants relating to a basket of Indices or Share Warrants relating to a Basket of Shares, the Averaging Date for each Index or Share not affected by the occurrence of a Disrupted Day shall be the originally designated Averaging Date (the “**Scheduled Averaging Date**”) and the Averaging Date for an Index or Share affected by the occurrence of a Disrupted Day shall be the first succeeding Valid Date (as defined below) in relation to such Index or Share. If the first succeeding Valid Date in relation to such Index or Share has not occurred as of the Valuation Time on the eighth Scheduled Trading Day immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, would have been the final Averaging Date in respect of such Actual Exercise Date, then (A) that eighth Scheduled Trading Day shall be deemed the Averaging Date (irrespective of whether that eighth Scheduled Trading Day is already an Averaging Date) in respect of such Index or Share, and (B) the Calculation Agent shall determine the relevant level,

price or amount for that Averaging Date in accordance with sub-paragraph (b)(ii) of the definition of “Valuation Date” below; and

 - (y) in the case of Share Warrants, Debt Warrants or Commodity Warrants, in accordance with its good faith estimate of the Settlement Price as of the Valuation Time on that eighth Scheduled Trading Day; or
- (b) where the Warrants are Index Warrants relating to a basket of Indices, Share Warrants relating to a basket of Shares, Debt Warrants relating to a basket of Debt Securities or Commodity Warrants relating to a basket of Commodities, the Valuation Date for each Index, Share, Debt Security or Commodity, as the case may be, not affected by the occurrence of a Disrupted Day shall be the Scheduled Valuation Date, and the Valuation Date for each Index, Share, Debt Security or Commodity affected, as the case may be, (each an “**Affected Item**”) by the occurrence of a Disrupted Day shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day relating to the Affected Item

unless each of the eight Scheduled Trading Days immediately following the Scheduled Valuation Date is a Disrupted Day relating to the Affected Item. In that case, (i) that eighth Scheduled Trading Day shall be deemed to be the Valuation Date for the Affected Item, notwithstanding the fact that such day is a Disrupted Day, and (ii) the Calculation Agent shall determine the Settlement Price using, in relation to the Affected Item, the level or value as applicable, determined in the manner set out in the applicable Final Terms, and, in the case of a Share, Debt Security or Commodity a price determined in the manner set out in the applicable Final Terms or, if not set out or if not practicable, using:

- (x) in the case of an Index, the level of that Index as of the Valuation Time on that eighth Scheduled Trading Day in accordance with the formula for and method of calculating that Index last in effect prior to the occurrence of the first Disrupted Day using the Exchange traded or quoted price as of the Valuation Time on that eighth Scheduled Trading Day of each security/commodity comprised in that Index (or, if an event giving rise to a Disrupted Day has occurred in respect of the relevant security/commodity on that eighth Scheduled Trading Day, its good faith estimate of the value for the relevant security/commodity as of the Valuation Time on that eighth Scheduled Trading Day); or
- (y) in the case of a Share, Debt Security or Commodity, its good faith estimate of the value for the Affected Item as of the Valuation Time on that eighth Scheduled Trading Day,

and otherwise in accordance with the above provisions; and

“**Valuation Time**” means the Relevant Time specified in the applicable Final Terms or, in the case of Index Warrants or Share Warrants, if no Relevant Time is specified, the Scheduled Closing Time on the relevant Exchange on the relevant Valuation Date or Averaging Date, as the case may be, in relation to each Index or Share to be valued. If the relevant Exchange closes prior to its Scheduled Closing Time and the specified Valuation Time is after the actual closing time for its regular trading session, then the Valuation Time shall be such actual closing time.

If the Warrants are Cash Settled Warrants and Automatic Exercise is specified as applying in the applicable Final Terms, any such European Style Warrant with respect to which no Exercise Notice has been delivered in the manner set out in Condition 6, at or prior to 5.00 p.m., New York City time, on the Business Day in New York immediately preceding the Actual Exercise Date, shall be automatically exercised on the Actual Exercise Date and the provisions of Condition 6(H) shall apply.

(B) Cash Settlement

If the Warrants are Cash Settled Warrants, each such Warrant or, if Units are specified in the applicable Final Terms, each Unit entitles its Holder, upon due exercise and subject, in the case of Warrants represented by a Clearing System Global Warrant, other than a Rule 144A Global Warrant, or a Registered Warrant, to certification as to non-U.S. beneficial ownership, and, in the case of Warrants represented by Rule 144A Global Warrants and Private Placement Definitive Warrants, to such certifications as to compliance with U.S. securities laws as BNPP shall require or as shall be set out in the applicable Final Terms, to receive from the Issuer on the Settlement Date a Cash Settlement Amount calculated by the Calculation Agent (which shall not be less than zero) equal to:

- (i) where Averaging is not specified in the applicable Final Terms:
 - (a) if such Warrants are Call Warrants,
(Settlement Price less Exercise Price) multiplied by, in the case of Debt Warrants only, the nominal amount;
 - (b) if such Warrants are Put Warrants,
(Exercise Price less Settlement Price) multiplied by, in the case of Debt Warrants only, the nominal amount; and
 - (c) if such Warrants are not Call Warrants or Put Warrants, settlement will be as specified in the applicable Final Terms;

- (ii) where Averaging is specified in the applicable Final Terms:
 - (a) if such Warrants are Call Warrants,
(the arithmetic mean of the Settlement Prices for all the Averaging Dates less Exercise Price) multiplied by, in the case of Debt Warrants only, the nominal amount;
 - (b) if such Warrants are Put Warrants,
(Exercise Price less the arithmetic mean of the Settlement Prices for all the Averaging Dates) multiplied by, in the case of Debt Warrants only, the nominal amount; and
 - (c) if such Warrants are not Call Warrants nor Put Warrants, settlement will be as specified in the applicable Final Terms.

Any amount determined pursuant to the above, if not an amount in the Settlement Currency, will be converted into the Settlement Currency at the Exchange Rate specified in the applicable Final Terms for the purposes of determining the Cash Settlement Amount. The Cash Settlement Amount will be rounded to the nearest two decimal places in the relevant Settlement Currency, 0.005 being rounded upwards, with Warrants exercised at the same time by the same Holder being aggregated for the purpose of determining the aggregate Cash Settlement Amounts payable in respect of such Warrants or Units, as the case may be. In such cases, the formula for determining the Cash Settlement Amount may include a deduction for sales tax in the manner specified in the applicable Final Terms.

(C) Physical Settlement

(1) Exercise Rights in relation to Physical Delivery Warrants

If the Warrants are Physical Delivery Warrants, each such Warrant or, if Units are specified in the applicable Final Terms, each Unit, as the case may be, entitles its Holder, upon due exercise and subject, in the case of Warrants, represented by a Clearing System Global Warrant, other than a Rule 144A Global Warrant, or a Registered Warrant, to certification as to non-U.S. beneficial ownership, and, in the case of Warrants represented by a Rule 144A Global Warrant or a Private Placement Definitive Warrant, to such certifications as to compliance with U.S. securities laws as BNPP shall require or as shall be set out in the applicable Final Terms, to receive from the Issuer on the Settlement Date the Entitlement subject to payment of the relevant Exercise Price and any other sums payable. The method of delivery of the Entitlement is set out in the applicable Final Terms.

Warrants or Units, as the case may be, exercised at the same time by the same Holder will be aggregated for the purpose of determining the aggregate Entitlements in respect of such Warrants or Units, as the case may be, provided that the aggregate Entitlements in respect of the same Holder will be rounded down to the nearest whole unit of the Relevant Asset or each of the Relevant Assets, as the case may be, in such manner as the Calculation Agent shall determine. Therefore, fractions of the Relevant Asset or of each of the Relevant Assets, as the case may be, will not be delivered and no cash adjustment will be made in respect thereof.

Following exercise of a Share Warrant which is a Physical Delivery Warrant, all dividends on the relevant Shares to be delivered will be payable to the party that would receive such dividend according to market practice for a sale of the Shares executed on the relevant Actual Exercise Date and to be delivered in the same manner as such relevant Shares. Any such dividends to be paid to a Holder will be paid to the account specified by the Holder in the relevant Exercise Notice as referred to in Condition 6(A)(2)(f).

(2) Settlement Disruption

If, following the exercise of Physical Delivery Warrants, in the opinion of the Calculation Agent, delivery of the Entitlement using the method of delivery specified in the applicable Final Terms is not practicable by reason of a Settlement Disruption Event (as defined below) having occurred and continuing on any Settlement Date, then such Settlement Date for such Warrants shall be postponed to the first following Settlement Business Day in respect of which there is no such Settlement Disruption Event, provided that the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Warrant or Unit, as the case may be, by delivering the Entitlement using such other commercially reasonable manner as it may select and in such event the Settlement Date shall be such day as the Issuer deems appropriate in connection with delivery of the Entitlement in such other commercially reasonable manner. For the avoidance of doubt, where a Settlement Disruption Event affects some but not all of the Relevant Assets comprising the Entitlement, the Settlement Date for the Relevant Assets not affected by the Settlement Disruption Event will be the originally designated Settlement Date. In the event that a Settlement Disruption Event will result in the delivery on a Settlement Date of some but not all of the Relevant Assets comprising the Entitlement, the Calculation Agent shall determine in its discretion the appropriate *pro rata* portion of the Exercise Price to be paid by the relevant Holder in respect of that partial settlement. For so long as delivery of the Entitlement is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof, except in the case of U.S. Warrants (in which case another price or prices will be specified in the applicable Final Terms) the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Warrant or Unit, as the case may be, by payment to the relevant Holder of the Disruption Cash Settlement Price (as defined below) on the fifth Business Day following the date that notice of such election is given to the Holders in accordance with Condition 11. Payment of the Disruption Cash Settlement Price will be made in such manner as shall be notified to the Holders in accordance with Condition 11. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with Condition 11 that a Settlement Disruption Event has occurred. No Holder shall be entitled to any payment in respect of the relevant Warrant or Unit, as the case may be, in the event of any delay in the delivery of the Entitlement due to the occurrence of a Settlement Disruption Event and no liability in respect thereof shall attach to the Issuer or Guarantor (if any).

For the purposes hereof:

“**Disruption Cash Settlement Price**” in respect of any relevant Warrant or Unit, as the case may be, shall be the fair market value of such Warrant or Unit, as the case may be (taking into account, where the Settlement Disruption Event affected some but not all of the Relevant Assets comprising the Entitlement and such non-affected Relevant Assets have been duly delivered as provided above, the value of such Relevant Assets), less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Issuer in its sole and absolute discretion, plus, if already paid, the Exercise Price (or, where as provided above some Relevant Assets have been delivered, and a *pro rata* portion thereof has been paid, such *pro rata* portion);

“**Settlement Business Day**” in respect of each Warrant, has the meaning specified in the applicable Final Terms relating to such Warrant; and

“**Settlement Disruption Event**” means, in the opinion of the Calculation Agent or, if the proviso to Condition 3(B) applies, BNPP, an event beyond the control of the Issuer or, if the proviso to Condition 3(B) applies, BNPP as a result of which the Issuer or BNPP, as the case

may be, cannot make delivery of the Relevant Asset(s) using the method specified in the applicable Final Terms.

(3) Failure to Deliver due to Illiquidity

If “Failure to Deliver due to Illiquidity” is specified as applying in the applicable Final Terms and, following the exercise of Physical Delivery Warrants, in the opinion of the Calculation Agent, it is impossible or impracticable to deliver, when due, some or all of the Relevant Assets (the “**Affected Relevant Assets**”) comprising the Entitlement, where such failure to deliver is due to illiquidity in the market for the Relevant Assets (a “**Failure to Deliver**”), then:

- (a) subject as provided elsewhere in the Conditions, any Relevant Assets which are not Affected Relevant Assets, will be delivered on the originally designated Settlement Date in accordance with Condition 5(C)(1) and the Calculation Agent shall determine in its discretion the appropriate *pro rata* portion of the Exercise Price to be paid by the relevant Holder in respect of that partial settlement; and
- (b) in respect of any Affected Relevant Assets, in lieu of physical settlement and notwithstanding any other provision hereof, except in the case of U.S. Warrants (in which case another price or prices will be specified in the applicable Final Terms) the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Warrant or Unit, as the case may be, by payment to the relevant Holder of the Failure to Deliver Settlement Price on the fifth Business Day following the date that notice of such election is given to the Holders in accordance with Condition 11. Payment of the Failure to Deliver Settlement Price will be made in such manner as shall be notified to the Holders in accordance with Condition 11. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with Condition 11 that the provisions of this Condition 5(C)(3) apply.

For the purposes hereof:

“**Failure to Deliver Settlement Price**” in respect of any relevant Warrant or Unit, as the case may be, shall be the fair market value of such Warrant or Unit, as the case may be (taking into account, the Relevant Assets comprising the Entitlement which have been duly delivered as provided above), less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Issuer in its sole and absolute discretion, plus, if already paid, the Exercise Price (or, where as provided above some Relevant Assets have been delivered, and a *pro rata* portion thereof has been paid, such *pro rata* portion).

(D) *Variation of Settlement*

- (i) If the applicable Final Terms indicate that the Issuer has an option to vary settlement in respect of the Warrants (which, unless otherwise specified, will not apply to U.S. Warrants), upon a valid exercise of Warrants in accordance with these Terms and Conditions, the Issuer may at its sole and unfettered discretion in respect of each such Warrant or, if Units are specified in the applicable Final Terms, each Unit, elect not to pay the relevant Holders the Cash Settlement Amount or to deliver or procure delivery of the Entitlement to the relevant Holders, as the case may be, but, in lieu thereof to deliver or procure delivery of the Entitlement or make payment of the Cash Settlement Amount on the Settlement Date to the relevant Holders, as the case may be. Notification of such election will be given to Holders in accordance with Condition 11.
- (ii) If specified in the applicable Final Terms, following a valid exercise of Warrants in accordance with these Conditions, the Issuer shall, in respect of each such Warrant or, if Units are specified

in the applicable Final Terms, each Unit, in lieu of delivering or procuring the delivery of the Entitlement to the relevant Holders, make payment of the Cash Settlement Amount on the Settlement Date to the relevant Holders.

(E) *Issuer's Option to Substitute Assets or to pay the Alternate Cash Amount*

Following a valid exercise of Warrants in accordance with these Conditions, the Issuer may, in its sole and absolute discretion in respect of such Warrants, if the Calculation Agent determines (in its sole and absolute discretion) that the Relevant Asset or Relevant Assets, as the case may be, comprises shares which are not freely tradable, elect either (i) to substitute for the Relevant Asset or the Relevant Assets, as the case may be, an equivalent value (as determined by the Calculation Agent in its sole and absolute discretion) of such other shares which the Calculation Agent determines, in its sole and absolute discretion, are freely tradable (the "**Substitute Asset**" or the "**Substitute Assets**," as the case may be) or (ii) not to deliver or procure the delivery of the Entitlement or the Substitute Asset or Substitute Assets, as the case may be, to the relevant Holders, but in lieu thereof to make payment to the relevant Holders on the Settlement Date of an amount equal to the fair market value of the Entitlement on the Valuation Date as determined by the Calculation Agent in its sole and absolute discretion by reference to such sources as it considers appropriate (the "**Alternate Cash Amount**"). Notification of any such election will be given to Holders in accordance with Condition 11.

For purposes hereof, a "**freely tradable**" share shall mean (i) with respect to the United States, a share which is registered under the Securities Act or not restricted under the Securities Act and which is not purchased from the issuer of such share and not purchased from an affiliate of the issuer of such share or which otherwise meets the requirements of a freely tradable share for purposes of the Securities Act, in each case, as determined by the Calculation Agent in its sole and absolute discretion or (ii) with respect to any other jurisdiction, a share not subject to any legal restrictions on transfer in such jurisdiction.

(F) *General*

In relation to any Cash Settled Warrants where Automatic Exercise is specified as applying in the applicable Final Terms, the expressions "**exercise**", "**due exercise**" and related expressions shall be construed to apply to any such Cash Settled Warrants which are automatically exercised in accordance with the above provisions.

None of the Issuers, the Guarantor, the Calculation Agent and any Warrant Agent shall have any responsibility for any errors or omissions in the calculation of any Cash Settlement Amount or of any Entitlement.

The purchase of Warrants does not confer on any Holder of such Warrants any rights (whether in respect of voting, distributions or otherwise) attaching to any Relevant Asset.

All references in this Condition to "Luxembourg or Brussels time" or "New York Time" shall, where Warrants are cleared through an additional or alternative clearing system, be deemed to refer as appropriate to the time in the city where the relevant clearing system is located.

7 Minimum and Maximum Number of Warrants Exercisable

(A) *American Style Warrants*

This paragraph (A) applies only to American Style Warrants.

- (1) The number of Warrants exercisable by any Holder on any Actual Exercise Date or, in the case of Automatic Exercise, the number of Warrants held by any Holder on any Actual Exercise Date, in each case as determined by the Issuer, must not be less than the Minimum Exercise Number specified in the applicable Final Terms and, if specified in the applicable Final Terms, if a number greater than the Minimum Exercise Number, must be an integral multiple of the number specified in the applicable Final Terms. Any Exercise Notice which purports to exercise Warrants in breach of this provision shall be void and of no effect.
- (2) If the Issuer determines that the number of Warrants being exercised on any Actual Exercise Date by any Holder or a group of Holders (whether or not acting in concert) exceeds the

Maximum Exercise Number (a number equal to the Maximum Exercise Number being the “Quota”), the Issuer may deem the Actual Exercise Date for the first Quota of such Warrants, selected at the discretion of the Issuer, to be such day and the Actual Exercise Date for each additional Quota of such Warrants (and any remaining number thereof) to be each of the succeeding Exercise Business Days until all such Warrants have been attributed with an Actual Exercise Date, provided, however, that the deemed Actual Exercise Date for any such Warrants which would thereby fall after the Expiration Date shall fall on the Expiration Date. In any case where more than the Quota of Warrants are exercised on the same day by Holder(s), the order of settlement in respect of such Warrants shall be at the sole discretion of the Issuer.

(B) European Style Warrants

This paragraph (B) applies only to European Style Warrants.

Any Exercise Notice which purports to exercise Warrants in breach of this provision shall be void and of no effect.

8 Illegality

If the Issuer determines that the performance of its obligations under the Warrants has become illegal in whole or in part for any reason, the Issuer may cancel the Warrants by giving notice to Holders in accordance with Condition 11.

Should any one or more of the provisions contained in these Terms and Conditions be or become invalid, the validity of the remaining provisions shall not in any way be affected thereby.

If the Issuer cancels the Warrants then the Issuer will, if and to the extent permitted by applicable law, and except as may be limited in the case of U.S. Warrants, pay an amount to each Holder in respect of each Warrant or, if Units are specified in the applicable Final Terms, each Unit, as the case may be, held by such Holder, which amount shall be the fair market value of a Warrant or Unit, as the case may be, notwithstanding such illegality less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements plus, if already paid by or on behalf of the Holder, the Exercise Price, all as determined by the Calculation Agent in its sole and absolute discretion. Payment will be made in such manner as shall be notified to the Holders in accordance with Condition 11.

9 Purchases

The Issuer may, but is not obliged to, at any time purchase Warrants at any price in the open market or by tender or private treaty. Any Warrants so purchased may be held or resold or surrendered for cancellation; provided, however, that Warrants so purchased may only be resold pursuant to an exemption from the registration requirements of the Securities Act provided by Rule 144A, Regulation S, or otherwise thereunder.

(A) Warrant Agents and Registrar

The specified office of each of the Warrant Agents Agent and the Registrar is as set out at the end of these Terms and Conditions.

Each of the Issuer and the Guarantor, if any, reserves the right at any time to vary or terminate the appointment of any Warrant Agent or the Registrar and to appoint further or additional Warrant Agents or a further or additional Registrar, provided that no termination of appointment of the Warrant Agent

or the Registrar, as the case may be, shall become effective until a replacement Warrant Agent or a replacement Registrar, as the case may be, shall have been appointed and provided that, so long as any of the Warrants are listed on a stock exchange, there shall be a Warrant Agent having a specified office in each location required by the rules and regulations of the relevant stock exchange and, if the Warrants are Registered Warrants, there shall be a Registrar. Notice of any termination of appointment and of any changes in the specified office of any of the Warrant Agents or the Registrar will be given to Holders in accordance with Condition 11. In acting under the Agency Agreement, the Agent and the Registrar act solely as agents of the Issuer and the Guarantor, if any, and do not assume any obligation or duty to, or any relationship of agency or trust for or with, the Holders and any determinations and calculations made in respect of the Warrants by the Warrant Agent or the Registrar shall (save in the case of manifest error) be final, conclusive and binding on the Issuer, the Guarantor, if any, and the Holders.

All calculations and determinations made in respect of the Warrants by the Calculation Agent shall (save in the case of manifest error) be final, conclusive and binding on the Issuer, the Guarantor and the Holders, if any. Because the Calculation Agent may be an affiliate of the Issuers, potential conflicts of interest may exist between the Calculation Agent and the Holders, including with respect to certain determinations and judgments that the Calculation Agent must make.²³ The Calculation Agent may, with the consent of the Issuer, delegate any of its obligations and functions to a third party as it deems appropriate.

(C) Determinations by the Issuer or the Guarantor

Any determination made by the Issuer or the Guarantor, if any, pursuant to these Terms and Conditions shall (save in the case of manifest error) be final, conclusive and binding on the Issuer, the Guarantor and the Holders.

(D) Modifications

The Issuer may modify these Terms and Conditions and/or the Agency Agreement without the consent of the Holders in any manner which the Issuer may deem necessary or desirable provided that such modification is not materially prejudicial to the interests of the Holders or such modification is of a formal, minor or technical nature or to correct a manifest or proven error or to cure, correct or supplement any defective provision contained herein and/or therein. Notice of any such modification will be given to the Holders in accordance with Condition 11 but failure to give, or non-receipt of, such notice will not affect the validity of any such modification.

11 Notices

All notices to Holders shall be valid if (i) (a) in the case of Clearing System Warrants (other than Warrants represented by a Rule 144A Global Warrant held by a Custodian on behalf of DTC), delivered to the relevant Clearing System, (in the case of English Law Warrants) or the relevant Account Holder (in the case of French Law Warrants) for communication by them to the Holders, (b) in the case of Warrants represented by a Rule

If the Warrants are listed and admitted to trading on the Luxembourg Stock Exchange, and so long as the rules of the Luxembourg Stock Exchange so require, notices shall be published in a daily newspaper with general circulation in Luxembourg which is expected to be *d'Wort* or notices shall be made available on the website of the Luxembourg Stock Exchange ("www.bourse.lu"). Any such notice shall be deemed to have been given on the second Business Day following such delivery or, if earlier, the date of such publication or, if published more than once, on the date of the first such publication.

 - (iii) the Substitute becoming party to the Agency Agreement, (unless the Substitute is a party to the Agency Agreement) with any appropriate consequential amendments, as if it had been an original party to it;
 - (iv) each stock exchange on which the Warrants are listed shall have confirmed that, following the proposed substitution of the Substitute, the Warrants will continue to be listed on such stock exchange;
 - (v) if appropriate, the Substitute shall have appointed a process agent as its agent in England (in the case of English Law Warrants) or France (in the case of French Law Warrants) to receive service of process on its behalf in relation to any legal action or proceedings arising out of or in connection with the Warrants; and
 - (vi) the Issuer shall have given at least 30 days' prior notice of the date of such substitution to the Holders in accordance with Condition 11.

- (B) Where the Issuer is BNPP B.V., BNPP or any previous substituted company may, at any time, without the consent of the Holders, substitute for itself as guarantor in respect of the Warrants any company (the “**Substitute Guarantor**”), being BNPP or any other company, subject to:
- (i) the creditworthiness of the Substitute Guarantor at such time being at least equal to the creditworthiness of BNPP (or of any previous substitute under this Condition), as determined in the sole and absolute discretion of the Calculation Agent by reference to, *inter alia*, the long-term senior debt ratings (if any) assigned by Standard & Poor’s Ratings Services, a division of The McGraw Hill Companies, Inc. and/or Moody’s Investors Service Limited and/or Fitch Ratings Limited, or any successor rating agency or agencies thereto, to the Substitute Guarantor or, as the case may be, to BNPP (or to any previous substitute under this Condition);
 - (ii) the Substitute Guarantor having entered into a guarantee (the “**Substitute Guarantee**”) in respect of the Warrants in substantially the same form as the Guarantee and such other documents (if any) as may be necessary to give full effect to the substitution (the “**Documents**”) and (without limiting the generality of the foregoing) pursuant to which the Substitute Guarantor shall undertake in favour of each Holder to be bound by these Terms and Conditions and the provisions of the Agency Agreement as fully as if the Substitute Guarantor had been named in these Terms and Conditions, the Documents and the Agency Agreement as the Guarantor in respect of the Warrants in place of BNPP (or of any previous substitute under this Condition);
 - (iii) the Substitute Guarantee and the Documents having been delivered to BNP Paribas Securities Services, Luxembourg Branch to be held by BNP Paribas Securities Services, Luxembourg Branch for so long as any Warrants remain outstanding and for so long as any claim made against the Substitute Guarantor or the Issuer by any Holder in relation to the Warrants, the Substitute Guarantee or the Documents shall not have been finally adjudicated, settled or discharged;

- (ii) This Condition is for the benefit of the Holders of English Law Warrants only. Subject as provided below, the courts of England shall have exclusive jurisdiction to settle all disputes that may, directly or indirectly, arise out of or in connection with the English Law Warrants and the English Law Guarantee and consequently each of the Issuer and the Guarantor submits to the exclusive jurisdiction of the English courts to hear all suits, actions or proceedings (together hereafter termed the “**Proceedings**”) relating to such dispute. Each of the Issuer and the Guarantor waives any objection to the courts of England on the grounds that they are an

inconvenient or inappropriate forum. Nothing in this clause shall limit the right of the Holders to take any Proceedings against the Issuer and/or the Guarantor in any other court of competent jurisdiction and concurrent Proceedings in any number of jurisdictions.

- (iii) Each of the Issuer and the Guarantor hereby appoints BNP Paribas, London branch at its registered office at 10 Harewood Avenue, London NW1 6AA, as its agent in England to receive service of process in any Proceeding in England relating to the English Law Warrants and the Guarantee, as the case may be. If for any reason such process agent ceases to act as such or no longer has an address in England, each of the Issuer and the Guarantor agrees to appoint a substitute process agent and to notify the Holders of English Law Warrants of such appointment. Nothing in these provisions shall affect the right to serve process in any other manner permitted by law.

(B) *French Law Warrants*

- (i) The French Law Warrants and the French Law Guarantee are governed by, and construed in accordance with, French law, and any action or proceeding in relation thereto (“**Proceedings**”) shall be submitted to the jurisdiction of the competent courts within the jurisdiction of the Paris Court of Appeal (*Cour d’Appel de Paris*). 16 Terms for Index Warrants, Share Warrants, Debt Warrants and Commodity Warrants

(A) *Index Warrants*

For the purposes of this Condition 16(A):

“**Indices**” and “**Index**” mean, subject to adjustment in accordance with this Condition 16(A), the indices or index specified in the applicable Final Terms and related expressions shall be construed accordingly; and

“**Index Sponsor**” means, in relation to an Index, the corporation or other entity that (a) is responsible for setting and reviewing the rules and procedures and the methods of calculation and adjustments, if any, related to such Index and (b) announces (directly or through an agent) the level of such Index on a regular basis during each Scheduled Trading Day, which as of the issue date of the Warrants is the index sponsor specified for such Index in the applicable Final Terms.

(1) Market Disruption

“**Market Disruption Event**” means, in relation to Warrants relating to a single Index or basket of Indices, in respect of an Index:

- (a) the occurrence or existence at any time during the one hour period that ends at the Valuation Time:
 - (i) of any suspension of or limitation imposed on trading by the relevant Exchange or Related Exchange or otherwise and whether by reason of movements in price exceeding limits permitted by the relevant Exchange or Related Exchange or otherwise:
 - (A) on any relevant Exchange(s) relating to securities that comprise 20 per cent. or more of the level of the relevant Index; or

- (B) in futures or options contracts relating to the relevant Index on any relevant Related Exchange;
- (ii) of any event (other than an event described in (b) below) that disrupts or impairs (as determined by the Calculation Agent) the ability of market participants in general (A) to effect transactions in, or obtain market values for, on any relevant Exchange(s) securities that comprise 20 per cent. or more of the level of the relevant Index, or (B) to effect transactions in, or obtain market values for, futures or options contracts relating to the relevant Index on any relevant Related Exchange,

which in either case the Calculation Agent determines is material; or

- (b) the closure on any Exchange Business Day of any relevant Exchange(s) relating to securities that comprise 20 per cent. or more of the level of the relevant Index or any Related Exchange(s) prior to its Scheduled Closing Time unless such earlier closing time is announced by such Exchange(s) or such Related Exchange(s), as the case may be, at least one hour prior to (A) the actual closing time for the regular trading session on such Exchange(s) or such Related Exchange(s) on such Exchange Business Day or, if earlier, (B) the submission deadline for orders to be entered into the Exchange or Related Exchange system for execution at the Valuation Time on such Exchange Business Day.

For the purposes of determining whether a Market Disruption Event in respect of an Index exists at any time, if a Market Disruption Event occurs in respect of a security included in the Index at any time, then the relevant percentage contribution of that security to the level of the Index shall be based on a comparison of (i) the portion of the level of the Index attributable to that security and (ii) the overall level of the Index, in each case immediately before the occurrence of such Market Disruption Event.

The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with Condition 11 of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day would have been an Averaging Date or a Valuation Date.

(2) Adjustments to an Index

(a) Successor Index Sponsor Calculates and Reports an Index

If a relevant Index is (i) not calculated and announced by the Index Sponsor but is calculated and announced by a successor sponsor acceptable to the Calculation Agent, or (ii) replaced by a successor index using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Index, then in each case that index (the “**Successor Index**”) will be deemed to be the Index.

(b) Modification and Cessation of Calculation of an Index

If (i) on or prior to a Valuation Date or an Averaging Date, the relevant Index Sponsor makes or announces that it will make a material change in the formula for or the method of calculating a relevant Index or in any other way materially modifies that Index (other than a modification prescribed in that formula or method to maintain that Index in the event of changes in constituent stock and capitalisation, contracts or commodities and other routine events) (an “**Index Modification**”), or permanently cancels a relevant Index and no Successor Index exists (an “**Index Cancellation**”), or (ii) on a Valuation

Date or an Averaging Date, the Index Sponsor or (if applicable) the Successor Index Sponsor fails to calculate and announce a relevant Index (an “**Index Disruption**” and, together with an Index Modification and an Index Calculation, each an “**Index Adjustment Event**”), then, except as may be limited in the case of U.S. Warrants,

- (i) the Calculation Agent shall determine if such Index Adjustment Event has a material effect on the Warrants and, if so, shall calculate the relevant Settlement Price using, in lieu of a published level for that Index, the level for that Index as at the Valuation Time on that Valuation Date or that Averaging Date, as the case may be, as determined by the Calculation Agent in accordance with the formula for and method of calculating that Index last in effect prior to the change, failure or cancellation, but using only those securities/commodities that comprised that Index immediately prior to that Index Adjustment Event; or
- (ii) the Issuer shall cancel the Warrants by giving notice to Holders in accordance with Condition 11. If the Warrants are so cancelled the Issuer will pay an amount to each Holder in respect of each Warrant or, if Units are specified in the applicable Final Terms, each Unit, as the case may be, held by him which amount shall be the fair market value of a Warrant or a Unit, as the case may be, taking into account the Index Adjustment Event, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with Condition 11.

(c) Notice

The Calculation Agent shall, as soon as practicable, notify the relevant Warrant Agent or the Registrar, as the case may be, of any determination made by it pursuant to paragraph (b) above and the action proposed to be taken in relation thereto and such Warrant Agent or the Registrar, as the case may be, shall make available for inspection by Holders copies of any such determinations.

(3) Correction of Index

With the exception of any corrections published after the day which is three Exchange Business Days prior to the due date for any payment of a Cash Settlement Amount, if the Index published on a given day and used or to be used by the Calculation Agent to determine any Cash Settlement Amount, is subsequently corrected and the correction published by the relevant Index Sponsor within 30 days of the original publication, the level to be used shall be the level of the Index as so corrected. Corrections published after the day which is three Exchange Business Days prior to the relevant Settlement Date will be disregarded by the Calculation Agent for the purposes of determining any Cash Settlement Amount.

(B) *Share Warrants*

For the purposes of this Condition 16(B):

“**Basket Company**” means a company whose shares are included in the basket of Shares and “**Basket Companies**” means all such companies;

“**Shares**” and “**Share**” mean, subject to adjustment in accordance with this Condition 16(B), in the case of an issue of Warrants relating to a basket of Shares, each share and, in the case of an issue of

- (a) the occurrence or existence any time during the one hour period that ends at the Valuation Time for such Share:
 - (i) of any suspension of or limitation imposed on trading by the relevant Exchange or Related Exchange or otherwise and whether by reason of movements in price exceeding limits permitted by the relevant Exchange or any Related Exchange or otherwise:
 - (A) relating to the Share on the Exchange; or
 - (B) in futures or options contracts relating to the Share on any relevant Related Exchange; or
 - (ii) of any event (other than as described in (b) below) that disrupts or impairs (as determined by the Calculation Agent) the ability of market participants in general (A) to effect transactions, in or obtain market values for, the Share on the Exchange or (B) to effect transactions in, or obtain market values for, futures or options contracts on or relating to the Share on any relevant Related Exchange, which in either case the Calculation Agent determines is material; or
- (b) the closure on any Exchange Business Day of the relevant Exchange or any Related Exchange(s) prior to its Scheduled Closing Time unless such earlier closing time is announced by such Exchange(s) or such Related Exchange(s), as the case may be, at least one hour prior to (A) the actual closing time for the regular trading session on such Exchange(s) or such Related Exchange(s) on such Exchange Business Day or, if earlier, (B) the submission deadline for orders to be entered into the Exchange or Related Exchange system for execution at the Valuation Time on such Exchange Business Day.

The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with Condition 11 of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day, would have been an Averaging Date or a Valuation Date.

(2) Potential Adjustment Events, Merger Event, Tender Offer, De-listing, Nationalisation and Insolvency

- (a) “**Potential Adjustment Event**” means any of the following:

Company, as the case may be, equally or proportionately with such payments to holders of such Shares or (c) share capital or other securities of another issuer acquired or owned (directly or indirectly) by the Basket Company or Share Company, as the case may be, as a result of a spin-off or other similar transaction or (d) any other type of securities, rights or warrants or other assets, in any case for payment (in cash or in other consideration) at less than the prevailing market price as determined by the Calculation Agent;

- (iii) an extraordinary dividend as determined by the Calculation Agent;
- (iv) a call by a Basket Company or Share Company, as the case may be, in respect of relevant Shares that are not fully paid;
- (v) a repurchase by the Basket Company or its subsidiaries or Share Company or its subsidiaries, as the case may be, of relevant Shares whether out of profits or capital and whether the consideration for such repurchase is cash, securities or otherwise;
- (vi) in respect of a Basket Company or Share Company, as the case may be, an event that results in any shareholder rights being distributed or becoming separated from shares of common stock or other shares of the capital stock of such Basket Company or Share Company, as the case may be, pursuant to a shareholder rights plan or arrangement directed against hostile takeovers that provides upon the occurrence of certain events for a distribution of preferred stock, warrants, debt instruments or stock rights at a price below their market value as determined by the Calculation Agent, provided that any adjustment effected as a result of such an event shall be readjusted upon any redemption of such rights; or
- (vii) any other event that may have, in the opinion of the Calculation Agent, a diluting or concentrative effect on the theoretical value of the relevant Shares.

Except as may be limited in the case of U.S. Warrants, following the declaration by the Basket Company or Share Company, as the case may be, of the terms of any Potential Adjustment Event, the Calculation Agent will, in its sole and absolute discretion, determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Shares and, if so, will (i) make the corresponding adjustment, if any, to any one or more of any Relevant Asset and/or the Entitlement and/or the Exercise Price and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate to account for that diluting or concentrative effect (provided that no adjustments will be made to account solely for changes in volatility, expected dividends, stock loan rate or liquidity relative to the relevant Share) and (ii) determine the effective date of that adjustment. The Calculation Agent may, but need not, determine the appropriate adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Shares traded on that options exchange.

Upon the making of any such adjustment by the Calculation Agent, the Calculation Agent shall give notice as soon as practicable to the Holders in accordance with Condition 11, stating the adjustment to any Relevant Asset and/or the Entitlement and/or the Exercise Price and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms and giving brief details of the Potential Adjustment Event.

- (b) “**De-Listing**” means, in respect of any relevant Shares, the Exchange announces that pursuant to the rules of such Exchange, such Shares cease (or will cease) to be listed, traded or publicly quoted on the Exchange for any reason (other than a Merger Event or Tender Offer) and are not immediately re-listed, re-traded or re-quoted on an exchange or quotation system located in the same country as the Exchange (or, where the Exchange is within the European Union, in a member state of the European Union).

“**Insolvency**” means that by reason of the voluntary or involuntary liquidation, bankruptcy, insolvency, dissolution or winding-up of or any analogous proceeding affecting the Basket Company or Share Company, as the case may be, (i) all the Shares of that Basket Company or Share Company, as the case may be, are required to be transferred to a trustee, liquidator or other similar official or (ii) Holders of the Shares of that Basket Company or Share Company, as the case may be, become legally prohibited from transferring them.

“**Merger Date**” means the closing date of a Merger Event or, where a closing date cannot be determined under the local law applicable to such Merger Event, such other date as determined by the Calculation Agent.

“**Nationalisation**” means that all the Shares or all or substantially all the assets of the Basket Company or Share Company, as the case may be, are nationalised, expropriated or are otherwise required to be transferred to any governmental agency, authority, entity or instrumentality thereof.

“**Tender Offer**” means a takeover offer, tender offer, exchange offer, solicitation, proposal or other event by any entity or person that results in such entity or person

purchasing, or otherwise obtaining or having the right to obtain, by conversion or other means, greater than 10 per cent. and less than 100 per cent. of the outstanding voting shares of the Basket Company or Share Company, as the case may be, as determined by the Calculation Agent, based upon the making of filings with governmental or self-regulatory agencies or such other information as the Calculation Agent deems relevant.

If a Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency occurs in relation to a Share, the Issuer in its sole and absolute discretion may take the action described in (i), (ii), (iii) or (iv) below (except as may be limited in the case of U.S. Warrants):

- (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of any Relevant Asset and/or the Entitlement and/or the Exercise Price and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms to account for the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, as the case may be, and determine the effective date of that adjustment. The relevant adjustments may include, without limitation, adjustments to account for changes in volatility, expected dividends, stock loan rate or liquidity relevant to the Shares or to the Warrants. The Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency made by any options exchange to options on the Shares traded on that options exchange;
- (ii) in the case of Share Warrants relating to a basket of Shares cancel part of the Warrants by giving notice to Holders in accordance with Condition 11. If the Warrants are so cancelled in part the portion (the “**Cancelled Amount**”) of each Warrant or if Units are specified in the applicable Final Terms each Unit representing the affected Share(s) shall be cancelled and the Issuer will (i) pay to each Holder in respect of each Warrant or Units, as the case may be, held by him an amount equal to the fair market value of the Cancelled Amount, taking into account the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, as the case may be, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion; and (ii) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of any Relevant Asset and/or the Entitlement and/or the Exercise Price and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms to account for such cancellation in part. For the avoidance of doubt the remaining part of each Warrant or Unit, as the case may be, after such cancellation and adjustment shall remain outstanding with full force and effect. Payments will be made in such manner as shall be notified to the Holders in accordance with Condition 11. For the avoidance of doubt, the remaining part of each Warrant or Unit, as the case may be, after such cancellation and adjustment shall remain outstanding with full force and effect;
- (iii) cancel the Warrants by giving notice to Holders in accordance with Condition 11. If the Warrants are so cancelled the Issuer will pay an amount to each Holder in respect of each Warrant or, if Units are specified in the applicable Final Terms,

each Unit, as the case may be, held by him which amount shall be the fair market value of a Warrant or a Unit, as the case may be, taking into account the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, as the case may be, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements plus, if already paid, the Exercise Price, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with Condition 11; or

(iv) following such adjustment to the settlement terms of options on the Shares traded on such exchange(s) or quotation system(s) as the Issuer in its sole discretion shall select (the “**Options Exchange**”), require the Calculation Agent to make a corresponding adjustment to any one or more of any Relevant Asset and/or the Entitlement and/or the Exercise Price and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms, which adjustment will be effective as of the date determined by the Calculation Agent to be the effective date of the corresponding adjustment made by the Options Exchange. If options on the Shares are not traded on the Options Exchange, the Calculation Agent will make such adjustment, if any, to any one or more of any Relevant Asset and/or the Entitlement and/or the Exercise Price and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate, with reference to the rules and precedents (if any) set by the Options Exchange to account for the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, as the case may be, that in the determination of the Calculation Agent would have given rise to an adjustment by the Options Exchange if such options were so traded.

(c) Upon the occurrence of a Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, the Issuer shall give notice as soon as practicable to the Holders in accordance with Condition 11 stating the occurrence of the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, as the case may be, giving details thereof and the action proposed to be taken in relation thereto.

Corrections published after the day which is three Exchange Business Days prior to the relevant Settlement Date will be disregarded by the Calculation Agent for the purposes of determining any Cash Settlement Amount.

(C) Debt Warrants

- (ii) of any event (other than an event described in (b) below) that disrupts or impairs (as determined by the Calculation Agent) the ability of market participants in general (A) to effect transactions in, or obtain market values for, the relevant Commodity on the Exchange, or (B) to effect transactions in, or obtain market values for, futures or options contracts relating to the relevant Commodity on the Exchange,

- (i) the Calculation Agent shall determine if such Commodity Adjustment Event has a material effect on the Warrants and, if so, shall calculate the relevant Settlement Price using, in lieu of a published price for that Commodity, the price for that Commodity as at the Valuation Time on that Valuation Date or that Averaging Date, as the case may be, as determined by the Calculation Agent taking into consideration the latest available quotation for such Commodity and any other information that in good faith it deems relevant; or

With the exception of any corrections published after the day which is three Exchange Business Days prior to the due date for any payment of a Cash Settlement Amount, if the Commodity Price published on a given day and used or to be used by the Calculation Agent to determine any Cash Settlement Amount, is subsequently corrected and the correction published by the relevant Exchange within 30 days of the original publication, the price to be used shall be the price of the relevant Commodity as so corrected. TERMS AND CONDITIONS OF THE CERTIFICATES

The following is the text of the Terms and Conditions of the Certificates which, in the case of English Law Certificates (as defined in Condition 4), will be attached to each Global Certificate or Private Placement Definitive Certificate (each as defined below). The applicable Final Terms in relation to any issue of Certificates may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the following Terms and Conditions, replace or modify the following Terms and Conditions for the purpose of such Certificates. In the case of English Law Certificates, the applicable Final Terms (or the relevant provisions thereof) will be attached to each Global Certificate of Private Placement Definitive Certificate.

The series of Certificates described in the applicable Final Terms (in so far as it relates to such series of Certificates) (such Certificates being hereinafter referred to as the “**Certificates**”) are issued by whichever of BNP Paribas Arbitrage Issuance B.V. (“**BNPP B.V.**”) or BNP Paribas (“**BNPP**”) is specified as the issuer in the applicable Final Terms (as defined below) (the “**Issuer**”) and references to the Issuer shall be construed accordingly. Rule 144A Certificates and Private Placement Definitive Certificates (each, as defined below) may be issued by BNPP only. The Certificates are issued pursuant to an Agency Agreement dated 18 January 2006 (as amended and/or supplemented from time to time, the “**Agency Agreement**”) between BNPP B.V. as issuer, BNPP as issuer and, where the Issuer is BNPP B.V., as guarantor (in such capacity, the “**Guarantor**”), BNP Paribas Securities Services, Luxembourg Branch as agent (if specified in the applicable Final Terms as Agent in respect of the Certificates, the “**Principal Certificate Agent**”, BNP Paribas Arbitrage SNC as agent (if specified in the applicable Final Terms as Agent in respect of the Certificates, the “**Principal Certificate Agent**”), The Bank of New York as New York certificate agent (the “**New York Certificate Agent**”), The Bank of New York as definitive certificate agent (the “**Definitive Certificate Agent**”) (each, a “**Certificate Agent**” and collectively, the “**Certificate Agents**”) and BNP PARIBAS Securities (Japan) Limited as registrar. The expression “Certificate Agent” shall include any additional or successor certificate agent in respect of the Certificates. BNP Paribas or BNP Paribas Arbitrage SNC (as specified in the applicable Final Terms) shall undertake the duties of calculation agent (the “**Calculation Agent**”) in respect of the Certificates as set out below and in the applicable Final Terms unless another entity is so specified as calculation agent in the applicable Final Terms. The expression Calculation Agent shall, in relation to the relevant Certificates, include such other specified calculation agent. The Agency Agreement will be governed by English Law in the case of English Law Certificates (the “**English Law Agency Agreement**”) and by French Law in the case of French Law Certificates (as defined in Condition 4 below) (the “**French Law Agency Agreement**”).

English Law Certificates are constituted by an English Law clearing system global certificate (each, a “**Global Certificate**”), as specified in the applicable Final Terms. Except as provided herein, no Certificates in definitive form will be issued.

In the event that the applicable Final Terms specify that Certificates are eligible for sale in the United States (such eligibility to be pursuant to an exemption from the registration requirements of the Securities Act of 1933, as amended (the “**Securities Act**”), (A) the Certificates sold in the United States to qualified institutional buyers (“**QIBs**”) within the meaning of Rule 144A (“**Rule 144A**”) under the Securities Act (“**Rule 144A Certificates**”) will be represented by one or more Rule 144A global certificates (each, a “**Rule 144A Global Certificate**”), (B) the Certificates sold in the United States to certain accredited investors (“**AIs**”) (as defined in Rule 501(a) under the Securities Act) will be constituted by private placement definitive certificates (the “**Private Placement Definitive Certificates**”), and (C) in either such case, the Certificates sold outside the United States to non-U.S. persons under the exemption contained in Regulation S (“**Regulation S**”) under the Securities Act will be represented by one or more Regulation S global certificates (each, a “**Regulation S Global Certificate**”). References herein to a Global Certificate include, as the context so requires, a Rule 144A Global Certificate and a Regulation S Global Certificate. In the event that the Final

Terms does not specify that Certificates are eligible for sale in the United States or to U.S. persons, the Certificates offered and sold outside the United States to non-U.S. persons under the exemption contained in Regulation S will be represented by a Global Certificate.

In the event that the Certificates are constituted by a Global Certificate, the Global Certificate will be issued and deposited with a common depository (the “**Common Depository**”) on behalf of Clearstream Banking, société anonyme (“**Clearstream, Luxembourg**”) and Euroclear Bank S.A./N.V. as operator of the Euroclear System (“**Euroclear**”) and/or any other relevant Clearing System (as defined below).

Certificates represented by a Rule 144A Global Certificate will be either (i) deposited with a custodian (a “**Custodian**”) for, and registered in the name of a nominee of, The Depository Trust Company (“**DTC**”), or (ii) issued and deposited with the Common Depository on behalf of Clearstream, Luxembourg and Euroclear. Certificates represented by a Regulation S Global Certificate will be issued and deposited with the Common Depository on behalf of Clearstream, Luxembourg and Euroclear and/or any other relevant Clearing System.

Interests in a Rule 144A Global Certificate and a Regulation S Global Certificate may be exchanged for interests in the other Global Certificate only as described herein. Interests in a Global Certificate may be exchanged for Private Placement Definitive Certificates and Private Placement Definitive Certificates may be exchanged for an interest in a Global Certificate only as described herein.

In the case of Certificates represented by a Rule 144A Global Certificate held by a Custodian on behalf of DTC, if DTC notifies BNPP that it is unwilling or unable to continue as a depository for that Global Certificate, or if at any time DTC ceases to be a “clearing agency” registered under the U.S. Securities Exchange Act of 1934, as amended, and a successor depository is not appointed by BNPP within 90 days of such notice, BNPP will deliver Certificates in definitive registered form (bearing such legends as may be required by BNPP) in exchange for that Rule 144A Global Certificate. Except in these circumstances, owners of beneficial interests in a Rule 144A Global Certificate held by a Custodian on behalf of DTC will not be entitled to have any portion of such Certificates registered in their name and will not receive or be entitled to receive physical delivery of registered Certificates in definitive form in exchange for their interests in that Rule 144A Global Certificate. Transfer, exercise, settlement and other mechanics related to any Certificates issued in definitive form in exchange for Certificates represented by such Rule 144A Global Certificate shall be as agreed between BNPP and the New York Certificate Agent.

French Law Certificates (as defined in Condition 4) are issued in dematerialised form (*au porteur*). No physical document of title (including *certificats représentatifs* pursuant to Article R.211-7 of the French *Code Monétaire et Financier*) will be issued in respect of French Law Certificates.

The applicable Final Terms for the Certificates is attached to each Global Certificate and each Private Placement Definitive Certificate and supplements these Terms and Conditions and may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with these Terms and Conditions, supplement, replace or modify these Terms and Conditions for the purposes of the Certificates.

References herein to the “applicable Final Terms” are to the Final Terms or two or more sets of Final Terms (in the case of any further certificates issued pursuant to Condition 13 and forming a single series with the Certificates) (which, for the avoidance of doubt, may be issued in respect of more than one series of Certificates) insofar as they relate to the Certificates.

Subject as provided in Condition 3 and in the Guarantees (as defined below), where the Issuer is BNPP B.V., the obligations of BNPP B.V. with respect to physical delivery (if applicable) and/or the payment of amounts payable by BNPP B.V. are guaranteed by BNPP pursuant to the Guarantee (as defined in Condition 4). The original of each Guarantee is held by BNP Paribas Securities Services, Luxembourg Branch on behalf of the Holders at its specified office.

Copies of the Agency Agreement and the Guarantees will be available for inspection at the specified office of BNP Paribas Securities Services, Luxembourg Branch, and copies of the applicable Final Terms may be obtained from the specified office of the relevant Certificate Agent, save that if the Certificates are unlisted, the applicable Final Terms will only be obtainable by a Holder and such Holder must produce evidence satisfactory to the relevant Certificate Agent as to identity.

Words and expressions defined in the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated.

The Holders (as defined in Condition 1(B)) are entitled to the benefit of and are deemed to have notice of and are bound by all the provisions of the Agency Agreement (insofar as they relate to the Certificates) and the applicable Final Terms, which are binding on them.

1 Type, Title and Transfer

(A) Type

The Certificates relate to a specified Index or basket of Indices (“**Index Certificates**”), a specified Share or basket of Shares (“**Share Certificates**”), a specified debt instrument (“**Debt Security**”) or basket of Debt Securities (“**Debt Certificates**”), a specified currency (“**Currency**”) or basket of Currencies (“**Currency Certificates**”), a specified commodity (“**Commodity**”) or basket of Commodities (“**Commodity Certificates**”) or any other or further type of Certificates as is specified in the applicable Final Terms. Certificates related to a specified currency or basket of currencies, a specified commodity or basket of commodities or a specified interest rate or basket of interest rates may not at any time be offered, sold, resold, held, traded, pledged, exercised, redeemed, transferred or delivered, directly or indirectly, in the United States or to, by or for the account or benefit of, persons that are U.S. persons as defined in Regulation S under the Securities Act or that are not non-United States Persons as defined in Rule 4.7 under the United States Commodity Exchange Act, as amended. Certain terms which will, unless otherwise varied in the applicable Final Terms, apply to Index Certificates, Share Certificates, Debt Certificates, Currency Certificates or Commodity Certificates are set out in Condition 16.

The applicable Final Terms will indicate whether settlement shall be by way of cash payment (“**Cash Settled Certificates**”) or physical delivery (“**Physical Delivery Certificates**”) and whether Averaging (“**Averaging**”) will apply to the Certificates. If Averaging is specified as applying in the applicable Final Terms, the applicable Final Terms will state the relevant Averaging Dates and, if an Averaging Date is a Disrupted Day, whether Omission, Postponement or Modified Postponement (each as defined in Condition 4 below) applies. If so specified in the applicable Final Terms, interest shall be payable in respect of the Certificates.

References in these Terms and Conditions, unless the context otherwise requires, to Cash Settled Certificates shall be deemed to include references to (a) Physical Delivery Certificates which include an option (as set out in the applicable Final Terms) at the Issuer’s election to request cash settlement of such Certificate pursuant to Condition 7(C)(i) and where settlement is to be by way of cash payment, and (b) Physical Delivery Certificates where settlement is to be automatically varied to be by way of cash payment pursuant to Condition 7(C)(ii). References in these Terms and Conditions, unless the context otherwise requires, to Physical Delivery Certificates shall be deemed to include references to Cash Settled Certificates which include an option (as set out in the applicable Final Terms) at the Issuer’s election to request physical delivery of the relevant underlying asset in settlement of such Certificate pursuant to Condition 7(C)(ii) and where settlement is to be by way of physical delivery.

Unless otherwise specified in the applicable Final Terms, BNPP does not have the option to vary settlement in respect of the U.S. Certificates pursuant to Condition 7(C)(i).

Certificates may, if specified in the applicable Final Terms, allow Holders to elect for settlement by way of cash payment or by way of physical delivery or by such other method of settlement as is specified in the applicable Final Terms. Those Certificates where the Holder has elected for cash payment will be Cash Settled Certificates and those Certificates where the Holder has elected for physical delivery will be Physical Delivery Certificates. The rights of a Holder as described in this paragraph may be subject to the Issuer's right to vary settlement as indicated in the applicable Final Terms and will be subject to the Issuer's right to substitute assets or pay the Alternate Cash Amount (as defined below) in lieu of physical delivery in accordance with these Conditions.

(B) *Title to Certificates*

In the case of Certificates represented by a Global Certificate held by a Common Depository on behalf of a relevant Clearing System and French Law Certificates, each person who is for the time being shown in the records of the relevant Clearing System (in the case of English Law Certificates) or whose name appears in the account of the relevant Account Holder (in the case of French Law Certificates) as the Holder of a particular amount of Certificates (in which regard any certificate or other document issued by the relevant Clearing System or, as the case may be, Account Holder as to the amount of Certificates standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall (except as otherwise required by law) be treated by the Issuer, the Guarantor, if any, and the relevant Certificate Agent as the Holder of such amount of Certificates for all purposes (and the expressions “**Holder**” and “**Holder of Certificates**” and related expressions shall be construed accordingly).

In addition, title to French Law Certificates will be evidenced in accordance with Article L.211-4 of the French Code monétaire et financier by book-entries (*inscription en compte*). No document of title (including *certificats représentatifs* pursuant to Article R.211-7 of the French *Code Monétaire et Financier*) will be issued in respect of such Certificates. Certificates will, upon issue, be inscribed in the books of Euroclear France which will credit the accounts of the relevant Account Holders.

For the purpose of these Conditions, “**Account Holder**” means any authorised financial intermediary institution entitled to hold accounts, directly or indirectly, on behalf of its customers with Euroclear France, and includes the depository bank for Clearstream, Luxembourg and Euroclear.

In the case of Certificates represented by a Rule 144A Global Certificate held by a Custodian on behalf of DTC, the Rule 144A Global Certificate will be registered in the name of Cede & Co., as nominee of DTC, but this does not confer any rights or benefits on Cede & Co. or any other nominee of DTC in whose name a Rule 144A Global Certificate may be registered. Transfers of such Rule 144A Global Certificate by such nominee of DTC shall be limited to transfers of such Global Certificate, in whole but not in part, to another nominee of DTC or to a successor of DTC or such successor's nominee. Rights conferred by the Rule 144A Global Certificate are only enforceable by the Holders (as defined below) as provided therein. Subject as set forth in Condition 1(C) below, each person who is for the time being shown in the records of DTC as the Holder of a particular amount of Certificates shall (except as otherwise required by law) be treated by the Issuer and the New York Certificate Agent as the Holder of such amount of Certificates for all purposes (and the expressions “**Holder**” and “**Holder of Certificates**” and related expressions shall be construed accordingly).

In the case of Private Placement Definitive Certificates, BNPP shall cause to be kept at the principal office of the Definitive Certificate Agent, a register (the “**Private Placement Register**”) on which shall be entered the names and addresses of all holders of Private Placement Definitive Certificates, the amount and type of Private Placement Definitive Certificates held by them and details of all transfers

of Private Placement Definitive Certificates. Subject as set forth in Condition 1(C) below, the persons shown in the Private Placement Register (each a “**Holder**”) shall (except as otherwise required by law) be treated as the absolute owners of the relevant Private Placement Definitive Certificates for all purposes (regardless of any notice of ownership, trust, or any interest in it, any writing on it, or its theft or loss) and no person will be liable for so treating such person.

(C) *Transfers of Interests in Global Certificates*

The Certificates are unsubordinated and unsecured obligations of the relevant Issuer and rank *pari passu* among themselves.

Where the Issuer is BNPP B.V., the Guarantee is an unsubordinated and unsecured obligation of BNPP and will rank *pari passu* with all its other present and future unsubordinated and unsecured obligations subject to such exceptions as may from time to time be mandatory under French law.

3 Guarantee

Where the Issuer is BNPP B.V., subject as provided below and in the relevant Guarantee, BNPP has unconditionally and irrevocably (a) guaranteed to each Holder all obligations of the Issuer in respect of such Holder’s Certificates as and when such obligations become due and (b) agreed that if and each time that the Issuer fails to satisfy any obligations under such Certificates as and when such obligations become due, BNPP will not later than five Paris Business Days (as defined in the relevant Guarantee) after a demand has been made on BNPP pursuant to clause 11 thereto (without requiring the relevant Holder first to take steps against the Issuer or any other person) make or cause to be made such payment or satisfy or cause to be satisfied such obligations as though BNPP were the principal obligor in respect of such obligations provided that (i) in the case of Physical Delivery Certificates, notwithstanding that the Issuer had the right to vary settlement in respect of such Physical Delivery Certificates in accordance with Condition 7(C) and exercised such right or failed to exercise such right, BNPP will have the right at its sole and unfettered discretion to elect not to deliver or procure delivery of the Entitlement to the Holders of such Physical Delivery Certificates, but in lieu thereof, to make payment in respect of each such Physical Delivery Certificate of an amount equal to the Guaranteed Cash Settlement Amount calculated pursuant to the terms of the relevant Final Terms (the “**Guaranteed Cash Settlement Amount**”) and (ii) in the case of Certificates where the obligations of the Issuer which fail to be satisfied by BNPP constitute the delivery of the Entitlement to the Holders, the BNPP B.V. Guarantor will as soon as practicable following the failure by the Issuer to satisfy its obligations under such Certificates deliver or procure delivery of such Entitlement using the method of delivery specified in the applicable Final Terms provided that, if in the opinion of BNPP, delivery of the Entitlement using such method is not practicable by reason of (x) a Settlement Disruption Event (as defined in Condition 7(B)(5)) or (y) if “Failure to Deliver due to Illiquidity” is specified as applying in the applicable Final Terms, a Failure to Deliver (as defined in Condition 7(B)(6), in lieu of such delivery BNPP will make payment in respect of each such Certificate of, in the case of (x) above, the Guaranteed Cash Settlement Amount or in the case of (y) above, the Failure to Deliver Settlement Price (as defined in Condition 7(B)(6)). Any payment of the Guaranteed Cash Settlement Amount or the Failure to Deliver Settlement Price, as the case may be, in respect of a Certificate shall constitute a complete discharge of BNPP’s obligations in respect of such Certificate. Payment of the Guaranteed Cash Settlement Amount or the Failure to Deliver Settlement Price, as the case may be, will be made in such manner as shall be notified to the Holders in accordance with Condition 11.

If the first succeeding Valid Date in relation to such Index or Share has not occurred as of the Valuation Time on the eighth Scheduled Trading Day immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, would have been the final Averaging Date, then (A) that eighth Scheduled Trading Day shall be deemed the Averaging Date (irrespective of whether that eighth Scheduled Trading Day is already an Averaging Date) in respect of such Index or Share, and (B) the Calculation Agent shall determine the relevant level, price or amount for that Averaging Date in accordance with sub-paragraph (b)(ii) of the definition of “**Valuation Date**” below; and

If a Holder fails to give an Asset Transfer Notice as provided herein with a copy to the Principal Certificate Agent, on or prior to the Cut-Off Date, then the Entitlement will be delivered as soon as practicable after the Redemption Date (in which case, such date of delivery shall be the Delivery Date) at the risk of such Holder in the manner provided below. For the avoidance of doubt, in such circumstances such Holder shall not be entitled to any payment, whether of interest or otherwise, as a result of such Delivery Date falling after the Redemption Date and no liability in respect thereof shall attach to the Issuer or the Guarantor, if any.

The Issuer shall at the risk of the relevant Holder, deliver or procure the delivery of the Entitlement for each Certificate, pursuant to the details specified in the Asset Transfer Notice or in such commercially reasonable manner as the Calculation Agent shall in its sole discretion determine and notify to the person designated by the Holder in the relevant Asset Transfer Notice. All Expenses arising from the delivery of the Entitlement in respect of such Certificates shall be for the account of the relevant Holder and no delivery of the Entitlement shall be made until all Expenses have been paid to the satisfaction of the Issuer by the relevant Holder.

(4) General

Certificates held by the same Holder will be aggregated for the purpose of determining the aggregate Entitlements in respect of such Certificates, provided that, the aggregate Entitlements in respect of the same Holder will be rounded down to the nearest whole unit of the Relevant Asset or each of the Relevant Assets, as the case may be, in such manner as the Calculation Agent shall determine. Therefore, fractions of the Relevant Asset or of each of the Relevant Assets, as the case may be, will not be delivered and no cash adjustment will be made in respect thereof.

Following the Delivery Date of a Share Certificate all dividends on the relevant Shares to be delivered will be payable to the party that would receive such dividend according to market practice for a sale of the Shares executed on the Delivery Date and to be delivered in the same manner as such relevant Shares. Any such dividends to be paid to a Holder will be paid to the account specified by the Holder in the relevant Asset Transfer Notice as referred to in Condition 7(B)(1).

For such period of time after delivery of the Entitlement as the Issuer or any person acting on behalf of the Issuer shall continue to be the legal owner of the securities comprising the Entitlement (the “**Intervening Period**”), none of the Issuer, the Guarantor, if any, the Calculation Agent nor any other person shall at any time (i) be under any obligation to deliver or procure delivery to any Holder any letter, certificate, notice, circular or any other document or, except as provided herein, payment whatsoever received by that person in respect of such securities or obligations, (ii) be under any obligation to exercise or procure exercise of any or all rights attaching to such securities or obligations or (iii) be under any liability to a Holder in respect of any loss or damage which such Holder may sustain or suffer as a result, whether directly or indirectly, of that person being registered during such Intervening Period as legal owner of such securities or obligations.

(5) Settlement Disruption

If, in the opinion of the Calculation Agent, delivery of the Entitlement using the method of delivery specified in the applicable Final Terms or such commercially reasonable manner as the Calculation Agent has determined is not practicable by reason of a Settlement Disruption Event (as defined below) having occurred and continuing on the Delivery Date, then the Delivery Date shall be postponed to the first following Settlement Business Day in respect of which there is no such Settlement Disruption Event, provided that, the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Certificate by delivering the Entitlement using such other commercially reasonable manner as it may select and in such event the Delivery Date shall be such day as the Issuer deems appropriate in connection with delivery of the Entitlement in such other commercially reasonable manner. For the avoidance of doubt, where a Settlement Disruption Event affects some but not all of the Relevant Assets comprising the Entitlement, the Delivery Date for the Relevant Assets not affected by the Settlement Disruption Event will be the originally designated Delivery Date. For so long as delivery of the Entitlement is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof, except in the case of U.S. Certificates (in which case another price or prices will be specified in the applicable Final Terms) the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Certificate by payment to the relevant Holder of the Disruption Cash Settlement Price (as defined below) on the fifth Business Day following the date that notice of such election is given to the Holders in accordance with Condition 11. Payment of the Disruption Cash Settlement Price will be made in such manner as shall be notified to the Holders in accordance with Condition 11. The Calculation Agent shall give notice as soon as practicable to the Holders

in accordance with Condition 11 that a Settlement Disruption Event has occurred. No Holder shall be entitled to any payment in respect of the relevant Certificate in the event of any delay in the delivery of the Entitlement due to the occurrence of a Settlement Disruption Event and no liability in respect thereof shall attach to the Issuer or the Guarantor.

For the purposes hereof:

“**Disruption Cash Settlement Price**”, in respect of any relevant Certificate, shall be the fair market value of such Certificate (taking into account, where the Settlement Disruption Event affected some but not all of the Relevant Assets comprising the Entitlement and such non-affected Relevant Assets have been duly delivered as provided above, the value of such Relevant Assets), less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Issuer in its sole and absolute discretion;

“**Settlement Business Day**”, in respect of each Certificate, has the meaning specified in the applicable Final Terms relating to such certificate; and

“**Settlement Disruption Event**” means, in the opinion of the Calculation Agent or, if the proviso to Condition 3(B) applies, BNPP, an event beyond the control of the Issuer or, if the proviso to Condition 3(B) applies, BNPP as a result of which the Issuer or BNPP, as the case may be, cannot make delivery of the Relevant Asset(s) using the method specified in the applicable Final Terms.

(6) Failure to Deliver due to Illiquidity

If “Failure to Deliver due to Illiquidity” is specified as applying in the applicable Final Terms and in the opinion of the Calculation Agent, it is impossible or impracticable to deliver, when due, some or all of the Relevant Assets (the “**Affected Relevant Assets**”) comprising the Entitlement, where such failure to deliver is due to illiquidity in the market for the Relevant Assets (a “**Failure to Deliver**”), then:

- (i) subject as provided elsewhere in the Conditions, any Relevant Assets which are not Affected Relevant Assets, will be delivered on the originally designated Redemption Date in accordance with Condition 6; and
- (ii) in respect of any Affected Relevant Assets, in lieu of physical settlement and notwithstanding any other provision hereof, except in the case of U.S. Certificates (in which case another price or prices will be specified in the applicable Final Terms) the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Certificate by payment to the relevant Holder of the Failure to Deliver Settlement Price (as defined below) on the fifth Business Day following the date that notice of such election is given to the Holders in accordance with Condition 11. Payment of the Failure to Deliver Settlement Price will be made in such manner as shall be notified to the Holders in accordance with Condition 11. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with Condition 11 that the provisions of this Condition 7(B)(6) apply.

For the purposes hereof:

“**Failure to Deliver Settlement Price**” in respect of any relevant Certificate shall be the fair market value of such Certificate (taking into account, the Relevant Assets comprising the Entitlement which have been duly delivered as provided above, the value of such Relevant Assets), less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Issuer in its sole and absolute discretion.

(C) *Variation of Settlement*

- (i) If the applicable Final Terms indicate that the Issuer has an option to vary settlement in respect of the Certificates (which, unless otherwise specified, will not apply to U.S. Certificates), the Issuer may at its sole and unfettered discretion in respect of each such Certificate, elect not to pay the relevant Holders the Cash Settlement Amount or to deliver or procure delivery of the Entitlement to the relevant Holders, as the case may be, but, in lieu thereof to deliver or procure delivery of the Entitlement or make payment of the Cash Settlement Amount on the Redemption Date to the relevant Holders, as the case may be. Notification of such election will be given to Holders in accordance with Condition 11.
- (ii) If specified in the applicable Final Terms, the Issuer shall, in respect of each Certificate, in lieu of delivering or procuring the delivery of the Entitlement to the relevant Holders, make payment of the Cash Settlement Amount on the Redemption Date to the relevant Holders.

(D) *Issuer's Option to Substitute Assets or to pay the Alternate Cash Amount*

Following a valid redemption of Certificates in accordance with these Conditions, the Issuer may, in its sole and absolute discretion in respect of such Certificates, if the Calculation Agent determines (in its sole and absolute discretion) that the Relevant Asset or Relevant Assets, as the case may be, comprises shares which are not freely tradable, elect either (i) to substitute for the Relevant Asset or the Relevant Assets, as the case may be, an equivalent value (as determined by the Calculation Agent in its sole and absolute discretion) of such other shares which the Calculation Agent determines, in its sole and absolute discretion, are freely tradable (the “**Substitute Asset**” or the “**Substitute Assets**”, as the case may be) or (ii) not to deliver or procure the delivery of the Entitlement or the Substitute Asset or Substitute Assets, as the case may be, to the relevant Holders, but in lieu thereof to make payment to the relevant Holders on the Settlement Date of an amount equal to the fair market value of the Entitlement on the Valuation Date as determined by the Calculation Agent in its sole and absolute discretion by reference to such sources as it considers appropriate (the “**Alternate Cash Amount**”). Notification of any such election will be given to Holders in accordance with Condition 11.

For purposes hereof, a “**freely tradable**” share shall mean (i) with respect to the United States, a share which is registered under the Securities Act or not restricted under the Securities Act and which is not purchased from the issuer of such share and not purchased from an affiliate of the issuer of such share or which otherwise meets the requirements of a freely tradable share for purposes of the Securities Act, in each case, as determined by the Calculation Agent in its sole and absolute discretion or (ii) with respect to any other jurisdiction, a share not subject to any legal restrictions on transfer in such jurisdiction.

(E) *Rights of Holders and Calculations*

None of the Issuer, the Guarantor, the Calculation Agent and the Certificate Agents shall have any responsibility for any errors or omissions in the calculation of any Cash Settlement Amount or of any Entitlement.

The purchase of Certificates does not confer on any holder of such Certificates any rights (whether in respect of voting, distributions or otherwise) attaching to any Relevant Asset.

(F) *Prescription*

Claims against the Issuer or the Guarantor, if any, for payment of principal or interest in respect of the Certificates shall become void unless made within 60 months from the Redemption Date and no claims shall be made after such date.

8 Illegality

If the Issuer determines that the performance of its obligations under the Certificates has become illegal in whole or in part for any reason, the Issuer may, on giving notice to Holders in accordance with Condition 11, redeem all but not some only of the Certificates.

If the Issuer redeems the Certificates early then the Issuer will, if and to the extent permitted by applicable law, and except as may be limited in the case of U.S. Certificates pay to each Holder in respect of each Certificate held by such Holder an amount equal to the fair market value of a Certificate, notwithstanding such illegality less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements as determined by the Calculation Agent in its sole and absolute discretion. Payment will be made in such manner as shall be notified to the Holders in accordance with Condition 11.

Should any one or more of the provisions contained in these Terms and Conditions be or become invalid, the validity of the remaining provisions shall not in any way be affected thereby.

9 Purchases

The Issuer may, but is not obliged to, at any time purchase Certificates at any price in the open market or by tender or private treaty. In the case of BNPP B.V., any Certificates so purchased may be held or resold or surrendered for cancellation; provided, however, that Certificates so purchased may only be resold pursuant to an exemption from the registration requirements of the Securities Act provided by Rule 144A, Regulation S or otherwise thereunder. In the case of BNPP, any Certificates so purchased will forthwith be cancelled and accordingly may not be re-issued or resold.

All calculations and determinations made in respect of the Certificates by the Calculation Agent shall (save in the case of manifest error) be final, conclusive and binding on the Issuer, the

Guarantor, if any, and the Holders. Because the Calculation Agent may be affiliate of the Issuers, potential conflicts of interest may exist between the Calculation Agent and the Holders, including with respect to certain determinations and judgments that the Calculation Agent must make.²⁴

11 Notices

- (i) where the Substitute is not BNPP, BNPP unconditionally and irrevocably guaranteeing in favour of each Holder the performance of all obligations by the Substitute under the Certificates;

- (B) Where the Issuer is BNPP B.V., BNPP or any previous substituted company may, at any time, without the consent of the Holders, substitute for itself as guarantor in respect of the Certificates any company (the “**Substitute Guarantor**”), being BNPP or any other company, subject to:
- (i) the creditworthiness of the Substitute Guarantor at such time being at least equal to the creditworthiness of BNPP (or of any previous substitute under this Condition), as determined in the sole and absolute discretion of the Calculation Agent by reference to, *inter alia*, the long-term senior debt ratings (if any) assigned by Standard & Poor’s Ratings Services, a division of The McGraw Hill Companies, Inc. and/or Moody’s Investors Service Limited and/or Fitch Ratings Limited, or any successor rating agency or agencies thereto, to the Substitute Guarantor or, as the case may be, to BNPP (or to any previous substitute under this Condition);
 - (ii) the Substitute Guarantor having entered into a guarantee (the “**Substitute Guarantee**”) in respect of the Certificates in substantially the same form as the Guarantee and such other documents (if any) as may be necessary to give full effect to the substitution (the “**Documents**”) and (without limiting the generality of the foregoing) pursuant to which the Substitute Guarantor shall undertake in favour of each Holder to be bound by these Terms and

- (i) This Condition is for the benefit of the Holders of English Law Certificates only. Subject as provided below, the courts of England shall have exclusive jurisdiction to settle all disputes that may, directly or indirectly, arise out of or in connection with the English Law Certificates and the English Law Guarantee and consequently each of the Issuer and the Guarantor submits to the exclusive jurisdiction of the English courts to hear all suits, actions or proceedings (together hereafter termed the “**Proceedings**”) relating to any such dispute. Each of the Issuer and the Guarantor waives any objection to the courts of England on the grounds that they are an inconvenient or inappropriate forum. Nothing in this clause shall limit the right of the Holders to take any Proceedings against the Issuer and/or the BNPP B.V. Guarantor in any other court of competent jurisdiction and concurrent Proceedings in any number of jurisdictions.
- (ii) Each of the Issuer and the Guarantor hereby appoints BNP Paribas, London branch at its registered office at 10 Harewood Avenue, London NW1 6AA, as its or their agent in England to receive service of process in any Proceedings in England relating to the English Law Certificates and the English Law Guarantee, as the case may be. If for any reason such process agent ceases to act as such or no longer has an address in England, each of the Issuer and the BNPP B.V. Guarantor agrees to appoint a substitute process agent and to notify the Holders of English Law Certificates of such appointment. Nothing in these provisions shall affect the right to serve process in any other manner permitted by law.

(B) *French Law Certificates*

The French Law Certificates, the French Law Agency Agreement and the French Law Guarantee are governed by, and construed in accordance with French law, and any action or proceeding in relation thereto (“**Proceedings**”) shall be submitted to the jurisdiction of the competent courts in Paris within the jurisdiction of the Paris Court of Appeal (*Cour d’Appel de Paris*). BNPP B.V. elects domicile at the registered office of BNP Paribas currently located at 16 boulevard des Italiens, 75009 Paris.

16 Terms for Index Certificates, Share Certificates, Debt Certificates and Commodity Certificates

(A) *Index Certificates*

For the purposes of this Condition 16(A):

“**Indices**” and “**Index**” mean, subject to adjustment in accordance with this Condition 16(A), the indices or index specified in the applicable Final Terms and related expressions shall be construed accordingly; and

“**Index Sponsor**” means, in relation to an Index, the corporation or other entity that (a) is responsible for setting and reviewing the rules and procedures and the methods of calculation and adjustments, if any, related to such Index and (b) announces (directly or through an agent) the level of such Index on a regular basis during each Scheduled Trading Day, which as of the issue date of the Certificates is the index sponsor specified for such Index in the applicable Final Terms.

(1) Market Disruption

“**Market Disruption Event**” means, in relation to Certificates relating to a single Index or basket of Indices, in respect of an Index:

- (a) the occurrence or existence at any time during the one hour period that ends at the Valuation Time:
 - (i) of any suspension of or limitation imposed on trading by the relevant Exchange or Related Exchange or otherwise and whether by reason of movements in price exceeding limits permitted by the relevant Exchange or Related Exchange or otherwise:
 - (A) on any relevant Exchange(s) relating to securities that comprise 20 per cent. or more of the level of the relevant Index; or
 - (B) in futures or options contracts relating to the relevant Index on any relevant Related Exchange;
 - (ii) of any event (other than an event described in (b) below) that disrupts or impairs (as determined by the Calculation Agent) the ability of market participants in general (A) to effect transactions in, or obtain market values for, on any relevant Exchange(s) securities that comprise 20 per cent. or more of the level of the relevant Index, or (B) to effect transactions in, or obtain market values for, futures or options contracts relating to the relevant Index on any relevant Related Exchange,

which in either case the Calculation Agent determines is material; or

- (b) the closure on any Exchange Business Day of any relevant Exchange(s) relating to securities that comprise 20 per cent. or more of the level of the relevant Index or any Related Exchange(s) prior to its Scheduled Closing Time unless such earlier closing time is announced by such Exchange(s) or such Related Exchange(s), as the case may be, at least one hour prior to (A) the actual closing time for the regular trading session on such Exchange(s) or such Related Exchange(s) on such Exchange Business Day or, if earlier, (B) the submission deadline for orders to be entered into the Exchange or Related Exchange system for execution at the Valuation Time on such Exchange Business Day.

For the purposes of determining whether a Market Disruption Event in respect of an Index exists at any time, if a Market Disruption Event occurs in respect of a security included in the Index at any time, then the relevant percentage contribution of that security to the level of the Index shall be based on a comparison of (i) the portion of the level of the Index attributable to that security and (ii) the overall level of the Index, in each case immediately before the occurrence of such Market Disruption Event.

The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with Condition 11 of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day would have been an Averaging Date or a Valuation Date.

(2) Adjustments to an Index

(a) Successor Index Sponsor Calculates and Reports an Index

If a relevant Index is (i) not calculated and announced by the Index Sponsor but is calculated and announced by a successor sponsor acceptable to the Calculation Agent, or (ii) replaced by a successor index using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Index, then in each case that index (the “**Successor Index**”) will be deemed to be the Index.

(b) Modification and Cessation of Calculation of an Index

If (i) on or prior to a Valuation Date or an Averaging Date, the relevant Index Sponsor makes or announces that it will make a material change in the formula for or the method of calculating a relevant Index or in any other way materially modifies that Index (other than a modification prescribed in that formula or method to maintain that Index in the event of changes in constituent stock and capitalisation, contracts or commodities and other routine events) (an “**Index Modification**”), or permanently cancels a relevant Index and no Successor Index exists (an “**Index Cancellation**”), or (ii) on a Valuation Date or an Averaging Date, the Index Sponsor or (if applicable) the Successor Index Sponsor fails to calculate and announce a relevant Index (an “**Index Disruption**” and, together with an Index Modification and an Index Calculation, each an “**Index Adjustment Event**”), then except as may be limited in the case of U.S. Certificates,

- (i) the Calculation Agent shall determine if such Index Adjustment Event has a material effect on the Certificates and, if so, shall calculate the relevant Settlement Price using, in lieu of a published level for that Index, the level for that Index as at the Valuation Time on that Valuation Date or that Averaging Date, as the case may be, as determined by the Calculation Agent in accordance with the formula for and method of calculating that Index last in effect prior to the

change, failure or cancellation, but using only those securities/commodities that comprised that Index immediately prior to that Index Adjustment Event; or

- (ii) on giving notice to Holders in accordance with Condition 11, the Issuer shall redeem all but not some only of the Certificates, each Certificate being redeemed by payment of an amount equal to the fair market value of a Certificate taking into account the Index Adjustment Event, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with Condition 11.

(c) Notice

The Calculation Agent shall, as soon as practicable, notify the relevant Certificate Agent of any determination made by it pursuant to paragraph (b) above and the action proposed to be taken in relation thereto and such Certificate Agent shall make available for inspection by Holders copies of any such determinations.

(3) Correction of Index

With the exception of any corrections published after the day which is three Exchange Business Days prior to the due date for any payment of a Cash Settlement Amount and/or Interest Amount, if the Index published on a given day and used or to be used by the Calculation Agent to determine any Cash Settlement Amount and/or Interest Amount, is subsequently corrected and the correction published by the relevant Index Sponsor within 30 days of the original publication, the level to be used shall be the level of the Index as so corrected. Corrections published after the day which is three Exchange Business Days prior to the relevant Redemption Date or, as the case may be, Interest Payment Date will be disregarded by the Calculation Agent for the purposes of determining any Cash Settlement Amount and/or Interest Amount.

(B) *Share Certificates*

For the purposes of this Condition 16(B):

“**Basket Company**” means a company whose shares are included in the basket of Shares and “**Basket Companies**” means all such companies;

“**Shares**” and “**Share**” mean, subject to adjustment in accordance with this Condition 16(B), in the case of an issue of Certificates relating to a basket of Shares, each share and, in the case of an issue of Certificates relating to a single Share, the share, specified in the applicable Final Terms and related expressions shall be construed accordingly; and

“**Share Company**” means, in the case of an issue of Certificates relating to a single Share, the company that has issued such share.

(1) Market Disruption

“**Market Disruption Event**” means, in relation to Certificates relating to a single Share or a basket of Shares, in respect of a Share:

- (a) the occurrence or existence any time during the one hour period that ends at the Valuation Time for such Share:

- (i) of any suspension of or limitation imposed on trading by the relevant Exchange or Related Exchange or otherwise and whether by reason of movements in price exceeding limits permitted by the relevant Exchange or any Related Exchange or otherwise:
 - (A) relating to the Share on the Exchange; or
 - (B) in futures or options contracts relating to the Share on any relevant Related Exchange; or
- (ii) of any event (other than as described in (b) below) that disrupts or impairs (as determined by the Calculation Agent) the ability of market participants in general
 - (A) to effect transactions, in or obtain market values for, the Share on the Exchange or
 - (B) to effect transactions in, or obtain market values for, futures or options contracts on or relating to the Share on any relevant Related Exchange;

which in either case the Calculation Agent determines is material; or

- (b) the closure on any Exchange Business Day of the relevant Exchange or any Related Exchange(s) prior to its Scheduled Closing Time unless such earlier closing time is announced by such Exchange(s) or such Related Exchange(s), as the case may be, at least one hour prior to (A) the actual closing time for the regular trading session on such Exchange(s) or such Related Exchange(s) on such Exchange Business Day or, if earlier, (B) the submission deadline for orders to be entered into the Exchange or Related Exchange system for execution at the Valuation Time on such Exchange Business Day.

The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with Condition 11 of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day, would have been an Averaging Date or a Valuation Date.

(2) Potential Adjustment Events, Merger Event, Tender Offer, De-listing, Nationalisation and Insolvency

- (a) **“Potential Adjustment Event”** means any of the following:
 - (i) a subdivision, consolidation or reclassification of relevant Shares (unless resulting in a Merger Event) or a free distribution or dividend of any such Shares to existing Holders by way of bonus, capitalisation or similar issue;
 - (ii) a distribution, issue or dividend to existing Holders of the relevant Shares of (a) such Shares or (b) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the Basket Company or Share Company, as the case may be, equally or proportionately with such payments to Holders of such Shares or (c) share capital or other securities of another issuer acquired or owned (directly or indirectly) by the Basket Company or Share Company, as the case may be, as a result of a spin-off or other similar transaction or (d) any other type of securities, rights or certificates or other assets, in any case for payment (in cash or in other consideration) at less than the prevailing market price as determined by the Calculation Agent;

- (vi) in respect of a Basket Company or Share Company, as the case may be, an event that results in any shareholder rights being distributed or becoming separated from shares of common stock or other shares of the capital stock of such Basket Company or Share Company, as the case may be, pursuant to a shareholder rights plan or arrangement directed against hostile takeovers that provides upon the occurrence of certain events for a distribution of preferred stock, certificates, debt instruments or stock rights at a price below their market value as determined by the Calculation Agent, provided that any adjustment effected as a result of such an event shall be readjusted upon any redemption of such rights; or
- (vii) any other event having, in the opinion of the Calculation Agent, a diluting or concentrative effect on the theoretical value of the relevant Shares.

Except as may be limited in the case of U.S. Certificates, following the declaration by the Basket Company or Share Company, as the case may be, of the terms of any Potential Adjustment Event, the Calculation Agent will, in its sole and absolute discretion, determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Shares and, if so, will (i) make the corresponding adjustment, if any, to any one or more of any Relevant Asset and/or the Entitlement and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate to account for that diluting or concentrative effect (provided that no adjustments will be made to account solely for changes in volatility, expected dividends, stock loan rate or liquidity relative to the relevant Share) and (ii) determine the effective date of that adjustment. The Calculation Agent may, but need not, determine the appropriate adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Shares traded on that options exchange.

Upon the making of any such adjustment by the Calculation Agent, the Calculation Agent shall give notice as soon as practicable to the Holders in accordance with Condition 11, stating the adjustment to any Relevant Asset and/or the Entitlement and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms and giving brief details of the Potential Adjustment Event.

- (b) “**De-Listing**” means, in respect of any relevant Shares, the Exchange announces that pursuant to the rules of such Exchange, such Shares cease (or will cease) to be listed, traded or publicly quoted on the Exchange for any reason (other than a Merger Event or Tender Offer) and are not immediately re-listed, re-traded or re-quoted on an exchange or quotation system located in the same country as the Exchange (or, where the Exchange is within the European Union, in a member state of the European Union).

“**Insolvency**” means that by reason of the voluntary or involuntary liquidation, bankruptcy, insolvency, dissolution or winding-up of or any analogous proceeding affecting the Basket

Company or Share Company, as the case may be, (i) all the Shares of that Basket Company or Share Company, as the case may be, are required to be transferred to a trustee, liquidator or other similar official or (ii) Holders of the Shares of that Basket Company or Share Company, as the case may be, become legally prohibited from transferring them.

“**Merger Date**” means the closing date of a Merger Event or, where a closing date cannot be determined under the local law applicable to such Merger Event, such other date as determined by the Calculation Agent.

“**Merger Event**” means, in respect of any relevant Shares, any (i) reclassification or change of such Shares that results in a transfer of or an irrevocable commitment to transfer all of such Shares outstanding to another entity or person, (ii) consolidation, amalgamation, merger or binding share exchange of a Basket Company or Share Company, as the case may be, with or into another entity or person (other than a consolidation, amalgamation, merger or binding share exchange in which such Basket Company or Share Company, as the case may be, is the continuing entity and which does not result in a reclassification or change of all of such Shares outstanding), (iii) takeover offer, tender offer, exchange offer, solicitation, proposal or other event by any entity or person to purchase or otherwise obtain 100 per cent. of the outstanding Shares of the Basket Company or Share Company, as the case may be, that results in a transfer of or an irrevocable commitment to transfer all such Shares (other than such Shares owned or controlled by such other entity or person), or (iv) consolidation, amalgamation, merger or binding share exchange of the Basket Company or its subsidiaries or the Share Company or its subsidiaries, as the case may be, with or into another entity in which the Basket Company or Share Company, as the case may be, is the continuing entity and which does not result in a reclassification or change of all such Shares outstanding but results in the outstanding Shares (other than Shares owned or controlled by such other entity) immediately prior to such event collectively representing less than 50 per cent. of the outstanding Shares immediately following such event, in each case if the Merger Date is on or before (a) in the case of Cash Settled Certificates, the last occurring Valuation Date or where Averaging is specified in the applicable Final Terms, the final Averaging Date in respect of the relevant Certificate or (b) in the case of Physical Delivery Certificates, the relevant Maturity Date.

“**Nationalisation**” means that all the Shares or all or substantially all the assets of the Basket Company or Share Company, as the case may be, are nationalised, expropriated or are otherwise required to be transferred to any governmental agency, authority, entity or instrumentality thereof.

“**Tender Offer**” means a takeover offer, tender offer, exchange offer, solicitation, proposal or other event by any entity or person that results in such entity or person purchasing, or otherwise obtaining or having the right to obtain, by conversion or other means, greater than 10 per cent. and less than 100 per cent. of the outstanding voting shares of the Basket Company or Share Company, as the case may be, as determined by the Calculation Agent, based upon the making of filings with governmental or self-regulatory agencies or such other information as the Calculation Agent deems relevant.

If a Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency occurs in relation to a Share, the Issuer in its sole and absolute discretion may take the action described in (i), (ii), (iii) or (iv) below (except as may be limited in the case of U.S. Certificates):

- (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of any Relevant Asset and/or the Entitlement and/or the Multiplier and/or any of the other terms of these Terms

and Conditions and/or the applicable Final Terms to account for the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, as the case may be, and determine the effective date of that adjustment. The relevant adjustments may include, without limitation, adjustments to account for changes in volatility, expected dividends, stock loan rate or liquidity relevant to the Shares or to the Certificates. The Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency made by any options exchange to options on the Shares traded on that options exchange; or

- (ii) in the case of Share Certificates relating to a basket of Shares redeem the Certificates in part by giving notice to Holders in accordance with Condition 11. If the Certificates are so redeemed in part the portion (the “**Redeemed Amount**”) of each Certificate representing the affected Share(s) shall be redeemed and the Issuer will (i) pay to each Holder in respect of each Certificate held by him an amount equal to the fair market value of the Redeemed Amount, taking into account the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, as the case may be, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion; and (ii) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of any Relevant Asset and/or the Entitlement and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms to account for such redemption in part. For the avoidance of doubt the remaining part of each Certificate after such cancellation and adjustment shall remain outstanding with full force and effect. Payments will be made in such manner as shall be notified to the Holders in accordance with Condition 11;
- (iii) on giving notice to Holders in accordance with Condition 11, redeem all but not some only of the Certificates, each Certificate being redeemed by payment of an amount equal to the fair market value of a Certificate taking into account the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, as the case may be, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with Condition 11; or
- (iv) following such adjustment to the settlement terms of options on the Shares traded on such exchange(s) or quotation system(s) as the Issuer in its sole discretion shall select (the Options Exchange), require the Calculation Agent to make a corresponding adjustment to any one or more of any Relevant Asset and/or the Entitlement and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms, which adjustment will be effective as of the date determined by the Calculation Agent to be the effective date of the corresponding adjustment made by the Options Exchange. If options on the Shares are not traded on the Options Exchange, the Calculation Agent will make such adjustment, if any, to any one or more of any Relevant Asset and/or the Entitlement and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate, with reference to the rules and precedents (if any) set by the Options Exchange to account for the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, as the case may be, that

in the determination of the Calculation Agent would have given rise to an adjustment by the Options Exchange if such options were so traded.

- (c) Upon the occurrence of a Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, the Issuer shall give notice as soon as practicable to the Holders in accordance with Condition 11 stating the occurrence of the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, as the case may be, giving details thereof and the action proposed to be taken in relation thereto.

(3) Correction of Share Price

With the exception of any corrections published after the day which is three Exchange Business Days prior to the due date for any payment of a Cash Settlement Amount and/or Interest Amount, if the price of relevant Share published on a given day and used or to be used by the Calculation Agent to determine any Cash Settlement Amount and/or Interest Amount, is subsequently corrected and the correction published by the relevant Exchange or Related Exchange, as the case may be, within 30 days of the original publication, the price to be used shall be the price of the relevant Share as so corrected. Corrections published after the day which is three Exchange Business Days prior to the relevant Redemption Date or, as the case may be, Interest Payment Date will be disregarded by the Calculation Agent for the purposes of determining any Cash Settlement Amount and/or Interest Amount.

(C) *Debt Certificates*

The Issuer shall give notice as soon as practicable to the Holders in accordance with Condition 11 that a Market Disruption Event has occurred.

Correction of Debt Security Price

With the exception of any corrections published after the day which is three Exchange Business Days prior to the due date for any payment of a Cash Settlement Amount and/or Interest Amount, if the price of the relevant Debt Security published on a given day and used or to be used by the Calculation Agent to determine any Cash Settlement Amount and/or Interest Amount, is subsequently corrected and the correction published by the relevant exchange within 30 days of the original publication, the price to be used shall be the price of the relevant Debt Security as so corrected. Corrections published after the day which is three Exchange Business Days prior to the relevant Redemption Date or, as the case may be, Interest Payment Date will be disregarded by the Calculation Agent for the purposes of determining any Cash Settlement Amount and/or Interest Amount.

(D) *Commodity Certificates*

For the purpose of this Condition 16 (D):

“**Commodity**” means, subject to adjustment in accordance with this Condition 16(D), the commodity (or commodities) or futures contract on a commodity (or commodities) specified in the applicable Final Terms and related expressions shall be construed accordingly.

(1) Market Disruption

“**Market Disruption Event**” means, in respect of a relevant Commodity:

- (a) the occurrence or existence:
 - (i) of any suspension of or limitation imposed on trading by the Exchange or otherwise and whether by reason of movements in price exceeding limits permitted by the Exchange or otherwise:
 - (A) on the Exchange relating to the relevant Commodity; or
 - (B) in futures or options contracts relating to the relevant Commodity on the Exchange;
 - (ii) of any event (other than an event described in (b) below) that disrupts or impairs (as determined by the Calculation Agent) the ability of market participants in general (A) to effect transactions in, or obtain market values for, the relevant Commodity on the Exchange, or (B) to effect transactions in, or obtain market values for, futures or options contracts relating to the relevant Commodity on the Exchange,

which in either case the Calculation Agent determines is material; or

- (b) the closure on any Exchange Business Day of the Exchange prior to its Scheduled Closing Time unless such earlier closing time is announced by such Exchange, as the case may be, at least one hour prior to (A) the actual closing time for the regular trading session on such Exchange on such Exchange Business Day or, if earlier, (B) the submission deadline for orders to be entered into the Exchange system for execution at the Valuation Time on such Exchange Business Day.

The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with Condition 11 of the occurrence of a Disrupted Day, in respect of any relevant Commodity, on any day that, but for the occurrence of a Disrupted Day, would have been a Valuation Date or an Averaging Date.

(2) Adjustments to a Commodity

(a) Successor Entity Calculates and Reports a Commodity Price

If a relevant price of a Commodity (the “**Commodity Price**”) is (i) not calculated and announced by the Exchange but is calculated and announced by a successor entity acceptable to the Calculation Agent, or (ii) replaced by a successor commodity price calculated using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Commodity Price, then in each case that commodity price (the “**Successor Commodity Price**”) will be deemed to be the Commodity Price.

(b) Modification of Calculation and Disappearance of a Commodity Price

If (i) on or prior to a Valuation Date or an Averaging Date, the relevant Exchange makes or announces that it will make a material change in the formula for or the method of calculating a relevant Commodity Price or in any other way materially modifies that Commodity Price (other than a modification prescribed in that formula or any other routine events) (a “**Commodity Modification**”), or a material change in the content, composition or constitution of the Commodity (a “**Commodity Change in Content**”) or (ii) on or prior to a Valuation Date or an Averaging Date, in the case of permanent discontinuation of trading in, disappearance of, or of trading in, the Commodity, disappearance or permanent discontinuance or unavailability of a

Commodity Price and no Successor Commodity Price exists (a “**Disappearance of a Commodity Price**” and, together with a Commodity Modification and a Commodity Change in Content, each a “**Commodity Adjustment Event**”), then

- (i) the Calculation Agent shall determine if such Commodity Adjustment Event has a material effect on the Certificates and, if so, shall calculate the relevant Settlement Price using, in lieu of a published price for that Commodity, the price for that Commodity as at the Valuation Time on that Valuation Date or that Averaging Date, as the case may be, as determined by the Calculation Agent taking into consideration the latest available quotation for such Commodity and any other information that in good faith it deems relevant; or
- (ii) on giving notice to Holders in accordance with Condition 11, the Issuer shall redeem all but not some only of the Certificates, each Certificate being redeemed by payment of an amount equal to the fair market value of a Certificate, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with Condition 11.

(c) Notice

The Calculation Agent shall, as soon as practicable, notify the relevant Certificate Agent of any determination made by it pursuant to paragraph (b) above and the action proposed to be taken in relation thereto and such Certificate Agent shall make available for inspection by Holders copies of any such determinations.

(3) Correction of Commodity Price

With the exception of any corrections published after the day which is three Exchange Business Days prior to the due date for any payment of a Cash Settlement Amount and/or Interest Amount, if the Commodity Price published on a given day and used or to be used by the Calculation Agent to determine any Cash Settlement Amount and/or Interest Amount is subsequently corrected and the correction published by the relevant Exchange within 30 days of the original publication, the price to be used shall be the price of the relevant Commodity as so corrected. Corrections published after the day which is three Exchange Business Days prior to the relevant Redemption Date or, as the case may be, Interest Payment Date will be disregarded by the Calculation Agent for the purposes of determining any Cash Settlement Amount and/or Interest Amount.

determines in its sole and absolute discretion that (X) it has become illegal to hold, acquire or dispose of any relevant Share (in the case of Share Certificates) or any relevant security/commodity comprised in an Index (in the case of Index Certificates) or (Y) it will incur a materially increased cost in performing its obligations in relation to the Certificates (including, without limitation, due to any increase in tax liability, decrease in tax benefit or other adverse effect on the tax position of the Issuer and/or any of its Affiliates).

“**Hedging Disruption**” means that the Issuer and/or any of its Affiliates is unable, after using commercially reasonable efforts, to (A) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity or other price risk of the Issuer issuing and performing its obligations with respect to the Certificates, or (B) realise, recover or remit the proceeds of any such transaction(s) or asset(s).

“**Hedging Shares**” means the number of Shares (in the case of Share Certificates) or securities/commodities comprised in an Index (in the case of Index Certificates) that the Issuer deems necessary to hedge the equity or other price risk of entering into and performing its obligations with respect to the Certificates.

“**Increased Cost of Stock Borrow**” means that the Issuer and/or any of its Affiliates would incur a rate to borrow any Share (in the case of Share Certificates) or any security/commodity comprised in an Index (in the case of Index Certificates) that is greater than the Initial Stock Loan Rate.

 - (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of any Relevant Asset and/or the Entitlement and/or the Multiplier and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms to account for the Additional Disruption Event and determine the effective date of that adjustment; or
 - (ii) on giving notice to Holders in accordance with Condition 11, redeem all but not some only of the Certificates, each Certificate being redeemed by payment of an amount equal to the fair market value of a Certificate taking into account the Additional Disruption Event less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with Condition 11.
- (c) Upon the occurrence of an Additional Disruption Event, the Issuer shall give notice as soon as practicable to the Holders in accordance with Condition 11 stating the occurrence of the Additional Disruption Event, giving details thereof and the action proposed to be taken in relation thereto.

18 Contracts (Rights of Third Parties) Act 1999

The English Law Certificates do not confer on a third party any right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of such Certificates but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

FORM OF THE ENGLISH LAW GUARANTEE

THIS GUARANTEE is made by way of deed on [●] by BNP Paribas (“**BNPP**”) in favour of the holders for the time being of the Securities (as defined below) (each a “**Holder**”).

WHEREAS:

- (A) BNP Paribas Arbitrage Issuance B.V. (“**BNPP B.V.**”) and BNPP have entered into an Amended and Restated Agency Agreement (the “**Agency Agreement**”, which expression includes the same as it may be amended, supplemented or restated from time to time) dated [●] with BNP Paribas Securities Services, Luxembourg Branch as agent, BNP Paribas Arbitrage SNC as [calculation] agent and BNP Paribas Securities (Japan) Limited, Tokyo Branch as registrar (the “**Registrar**”) under which, *inter alia*, BNPP B.V. proposes to issue from time to time warrants and certificates governed by English law (the “**Securities**”) of any kind including, but not limited to, Securities relating to a specified index or a basket of indices, a specified share or a basket of shares, a specified debt security or basket of debt securities, a specified currency or basket of currencies or a specified commodity or basket of commodities. BNPP intends to guarantee the obligations of BNPP B.V. under the Securities.
- (B) Terms defined in the Terms and Conditions of the Securities, as amended and/or supplemented by the applicable Final Terms (the “**Conditions**”) and/or the Agency Agreement and not otherwise defined in this Deed of Guarantee shall have the same meanings when used in this Guarantee.

NOW THIS DEED WITNESSES as follows:

1 Guarantee

Subject as provided below, BNPP unconditionally and irrevocably guarantees by way of deed poll to each Holder that, if for any reason BNPP B.V. does not pay any sum payable by it or perform any other obligation in respect of any Security on the date specified for such payment or performance BNPP will, in accordance with the Conditions pay that sum in the currency in which such payment is due in immediately available funds or, as the case may be, perform or procure the performance of the relevant obligation on the due date for such performance. In case of the failure of BNPP B.V. to satisfy such obligations as and when the same become due, BNPP hereby undertakes to make or cause to be made such payment or satisfy or cause to be satisfied such obligations as though BNPP were the principal obligor in respect of such obligation after a demand has been made on BNPP pursuant to clause 8 hereof PROVIDED THAT (A) in the case of Physical Delivery Securities where BNPP B.V. has the obligation, pursuant to the terms and conditions of the relevant Security, to deliver the Entitlement, notwithstanding that BNPP B.V. had the right to vary settlement in respect of such Physical Delivery Securities in accordance with Condition 5(D) (in the event that the relevant Securities are Warrants) and Condition 7(C) (in the event that the relevant Securities are Certificates) and exercised such right or failed to exercise such right, BNPP will have the right at its sole and unfettered discretion to elect not to deliver or procure delivery of the Entitlement to the Holders of such Physical Delivery Securities, but in lieu thereof, to make payment in respect of each such Physical Delivery Securities of an amount equal to the Guaranteed Cash Settlement Amount calculated pursuant to the terms of the relevant Final Terms (the “**Guaranteed Cash Settlement Amount**”) and (B) in the case of Securities where the obligations of BNPP B.V. which fall to be satisfied by BNPP constitute the delivery of the Entitlement to the Holders, BNPP will as soon as practicable following BNPP B.V.’s failure to satisfy its obligations under such Securities deliver or procure delivery of such Entitlement using the method of delivery specified in the applicable Final Terms provided that, if in the opinion of BNPP, delivery of the Entitlement using such method is not practicable by reason of (i) a Settlement Disruption Event (as defined in Condition 5(C)(2) (in the event that the relevant Securities are Warrants) or Condition 7(B)(5) (in the event that the relevant Securities are Certificates) or (ii) a Failure to Deliver (as defined in Condition 5(C)(3) (in the event that the

relevant Securities are Warrants) or Condition 7(B)(6) (in the event that the relevant Securities are Certificates)) (if “Failure to Deliver due to Illiquidity” is specified as applying in the applicable Final Terms), in lieu of such delivery BNPP will make payment in respect of each such Security of, in the case of (i) above, the Guaranteed Cash Settlement Amount or, in the case of (ii) above, the Failure to Deliver Settlement Price (as defined in Condition 5(C)(3) (in the event that the relevant Securities are Warrants) or Condition 7 (in the event that the relevant Securities are Certificates)). Any payment of the Guaranteed Cash Settlement Amount or the Failure to Deliver Settlement Price, as the case may be, in respect of a Security shall constitute a complete discharge of the BNPP’s obligations in respect of such Security.

2 BNPP as Principal Obligor

As between BNPP and the holder of each Security but without affecting BNPP B.V.’s obligations, BNPP will be liable under this Guarantee as if it were the sole principal obligor and not merely a surety. Accordingly, it will not be discharged, nor will its liability be affected, by anything which would not discharge it or affect its liability if it were the sole principal obligor (including (1) any time, indulgence, waiver or consent at any time given to BNPP B.V. or any other person, (2) any amendment to any of the Conditions or to any security or other guarantee or indemnity, (3) the making or absence of any demand on BNPP B.V. or any other person for payment or performance of any other obligation in respect of any Security, (4) the enforcement or absence of enforcement of any Security or of any security or other guarantee or indemnity, (5) the release of any such security, guarantee or indemnity, (6) the dissolution, amalgamation, reconstruction or reorganisation of BNPP B.V. or any other person, or (7) the illegality, invalidity or unenforceability of or any defect in any provision of the Conditions, the Agency Agreement or any of BNPP B.V.’s obligations under any of them).

3 BNPP’s Obligations Continuing

BOOK-ENTRY CLEARANCE SYSTEMS

The information set out below is subject to any change in or reinterpretation of the rules, regulations and procedures of DTC, Clearstream, Luxembourg or Euroclear (together, the “Clearing Systems”) currently in effect and subject as provided in the applicable Final Terms. Investors wishing to use the facilities of any of the Clearing Systems are advised to confirm the continued applicability of the rules, regulations and procedures of the relevant Clearing System. None of BNPP B.V., BNPP, or any agent party to the Agency Agreement will have any responsibility or liability for any aspect of the records relating to or payments or deliveries made on account of beneficial ownership interests in the Securities held through the facilities of any Clearing System or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Book-entry Systems

DTC

DTC has advised BNPP that it is a limited purpose trust company organised under the New York Banking Law, a banking organisation within the meaning of the New York Banking Law, a clearing corporation within the meaning of the New York Uniform Commercial Code and a clearing agency registered pursuant to Section 17A of the Exchange Act. DTC holds securities that its participants (“**Direct Participants**”) deposit with DTC. DTC also facilitates the settlement among Direct Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerised book-entry changes in Direct Participants accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organisations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc. and the National Association of Securities Dealers, Inc., Access to the DTC system is also available to others such as securities brokers and dealers, banks and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“**Indirect Participants**”).

Under the rules, regulations and procedures creating and affecting DTC and its operations (the “**Rules**”), DTC makes book-entry transfers of Securities represented by Rule 144A Global Securities held by a Custodian on behalf of DTC among Direct Participants on whose behalf it acts with respect to Securities accepted into DTC’s book-entry settlement system (“**DTC Securities**”) as described below and receives and transmits payments on DTC Securities. The Rules are on file with the Securities and Exchange Commission. Direct Participants and Indirect Participants with which beneficial owners of DTC Securities (“**Beneficial Owners**”) have accounts with respect to the DTC Securities similarly are required to make book-entry transfers and receive and transmit such payments on behalf of their respective Beneficial Owners. Accordingly, although Beneficial Owners who hold DTC Securities through Direct Participants or Indirect Participants will not possess definitive Securities, the Rules, by virtue of the requirements described above, provide a mechanism by which Direct Participants will receive payments and will be able to transfer their interest in respect of the DTC Securities.

Purchases of DTC Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the DTC Securities on DTC’s records. The ownership interest of each Beneficial Owner is in turn to be recorded on the Direct and Indirect Participant’s records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct Participant or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the DTC Securities are to be accomplished by entries made on

the books of Direct Participants or Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in DTC Securities, except in the event that use of the book-entry system for the DTC Securities is discontinued.

To facilitate subsequent transfers, all DTC Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or any other nominee as may be requested by an authorised representative of DTC. The deposit of DTC Securities with DTC and their registration in the name of Cede & Co. or any other nominee effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the DTC Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such DTC Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Clearstream, Luxembourg and Euroclear

Clearstream, Luxembourg and Euroclear each hold securities for their customers and facilitate the clearance and settlement of securities transactions by electronic book-entry transfer between their respective account holders. Clearstream, Luxembourg and Euroclear provide various services including safekeeping, administration, clearance and settlement of internationally traded securities and securities lending and borrowing. Clearstream, Luxembourg and Euroclear also deal with domestic securities markets in several countries through established depository and custodial relationships. Clearstream, Luxembourg and Euroclear have established an electronic bridge between their two systems across which their respective participants may settle trades with each other.

Clearstream, Luxembourg and Euroclear customers are world-wide financial institutions, including underwriters, securities brokers and dealers, banks, trust companies and clearing corporations. Indirect access to Clearstream, Luxembourg and Euroclear is available to other institutions that clear through or maintain a custodial relationship with an account holder of either system.

Book-entry Ownership of and Payments in respect of DTC Securities

If a Rule 144A Global Security is to be registered in the name of a nominee of DTC, the Issuer will apply to DTC in order to have the Securities represented by such Rule 144A Global Security accepted in its book-entry settlement system. Upon the issue of any Rule 144A Global Security to be held by a Custodian on behalf of DTC, DTC or the Custodian will credit, on its internal book-entry system, the respective nominal amounts of the individual beneficial interests represented by such Rule 144A Global Security to the accounts of the relevant Direct Participants. Ownership of beneficial interests in any such Rule 144A Global Security will be limited to Direct Participants or Indirect Participants, including the respective depositories of Clearstream, Luxembourg and Euroclear. Ownership of beneficial interests in any such Rule 144A Global Security held by a Custodian on behalf of DTC will be shown on, and the transfer of such ownership will be effected only through, records maintained by DTC or its nominee (with respect to the interests of Direct Participants) and the records of Direct Participants (with respect to interests of Indirect Participants).

Payments in U.S. dollars in respect of a Rule 144A Global Security registered in the name of DTC's nominee will be made to the New York Warrant Agent or New York Certificate Agent, as the case may be, to the order of such nominee as the registered Holder. In the case of any payment in a currency other than U.S. dollars, payment will be made to the New York Warrant Agent or New York Certificate Agent, as the case may be, on

behalf of DTC's nominee and the New York Warrant Agent or New York Certificate Agent, as the case may be, will (in accordance with instructions received by it) remit all or a portion of such payment for credit directly to the beneficial Holders of interests in the Rule 144A Global Security held by a Custodian on behalf of DTC in the currency in which such payment was made and/or cause all or a portion of such payment to be converted into U.S. dollars and credited to the applicable Direct Participants' account, provided that (a) the New York Warrant Agent or New York Certificate Agent, as the case may be, shall not be obligated to convert any currency whose conversion the New York Warrant Agent or New York Certificate Agent, as the case may be, in its sole discretion, deems impracticable, and (b) the New York Warrant Agent or New York Certificate Agent, as the case may be, has received notice by 11:00 a.m. two Business Days prior to the Settlement Date, Redemption Date or Interest Payment Date, as the case may be, of the currency and the amount thereof to be converted into U.S. dollars. Conversion of a currency other than U.S. dollars into U.S. dollars will be carried out by the New York Warrant Agent or New York Certificate Agent, as the case may be, based on the actual exchange rate received in the currency conversion, which will occur at the New York Warrant Agent's or New York Certificate Agent's, as the case may be, bid quotation for U.S. dollars at or prior to 11:00 a.m. on the Settlement Date, Redemption Date or Interest Payment Date, as the case may be. The costs of conversion will be deducted from the amount of the payment credited to the applicable Participants' account. Except in the case of its gross negligence or wilful misconduct, the New York Warrant Agent or New York Certificate Agent, as the case may be, shall not be liable to any holder of Securities for any delay in conversion or for any amounts in excess of the amounts actually received by it upon conversion of a currency other than U.S. dollars into U.S. dollars, or for its inability to convert any such currency into U.S. dollars at a commercially reasonable rate or at any rate.

BNPP expects that payments by Direct Participants to Beneficial Owners of Securities will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers, and will be the responsibility of such Direct Participant and not the responsibility of DTC, any Warrant Agent or Certificate Agent, as the case may be, or BNPP. Payments on Securities to DTC is the responsibility of BNPP.

Transfers of Securities Represented by Global Securities

Transfers of any interests in Securities represented by a Global Security within DTC, Clearstream, Luxembourg and Euroclear will be effected in accordance with the customary rules and operating procedures of the relevant clearing system. The laws in some States within the United States require that certain persons take physical delivery of securities in definitive form. Consequently, the ability to transfer Securities represented by a Global Security to such persons may depend upon the ability to exchange such Securities for Securities in definitive form. Similarly, because DTC can only act on behalf of Direct Participants in the DTC system who in turn act on behalf of Indirect Participants, the ability of a person having an interest in Securities represented by a Rule 144A Global Security held by a Custodian on behalf of DTC to pledge such Securities to persons or entities that do not participate in the DTC system or otherwise to take action in respect of such Securities may depend upon the ability to exchange such Securities for Securities in definitive form. The ability of any person having a beneficial interest in Securities represented by a Rule 144A Global Security held by a Custodian on behalf of DTC to resell, pledge or otherwise transfer such Securities may be impaired if the proposed transferee of such Securities is not eligible to hold such Securities through a Direct Participant or Indirect Participant in the DTC system.

Subject to compliance with the transfer restrictions applicable to Rule 144A Global Securities described under "Notice to Purchasers and Holders of U.S. Securities and Transfer Restrictions", crossmarket transfers between DTC, on the one hand, and direct or indirect account holders of Clearstream, Luxembourg or Euroclear, on the other, will be effected by the relevant Clearing System in accordance with its rules and

through action taken by the relevant Warrant Agent or Certificate Agent and any custodian with whom the relevant Global Securities have been deposited.

On or after the issue date for any Securities, transfers of such Securities between account Holders in Clearstream, Luxembourg and Euroclear and transfers of such Securities between Direct Participants in DTC will generally have a settlement date three business days after the trade date (T+3). The customary arrangements for delivery versus payment may apply to such transfers.

Cross-market transfers between accountholders in Clearstream, Luxembourg or Euroclear and DTC participants will need to have an agreed settlement date between the parties to such transfer. Because there is no direct link between DTC, on the one hand, and Clearstream, Luxembourg or Euroclear, on the other, transfers of interests in the relevant Global Securities will be effected through relevant Warrant Agent or Certificate Agent receiving instructions (and where appropriate certification) from the transferor and arranging for delivery of the interests being transferred to the credit of the designated account for the transferee. In the case of cross-market transfers, settlement between Clearstream, Luxembourg or Euroclear accountholders and Direct Participants cannot be made on a delivery versus payment basis. The securities will be delivered on a free delivery basis and arrangements for payment must be made separately.

DTC, Clearstream, Luxembourg and Euroclear have each published rules and operating procedures designed to facilitate transfers of beneficial interests in Global Securities among participants and accountholders of DTC, Clearstream, Luxembourg and Euroclear. However, they are under no obligation to perform or continue to perform such procedures, and such procedures may be discontinued or changed at any time. None of the Issuer, any Warrant Agent or any Certificate Agent will be responsible for any performance by DTC, Clearstream, Luxembourg or Euroclear or their respective direct or indirect participants or accountholders of their respective obligations under the rules and procedures governing their operations and none of them will have any liability for any aspect of the records relating to or payments made on account of beneficial interests in the Securities represented by Global Securities or for maintaining, supervising or reviewing any records relating to such beneficial interests.

TAXATION

The statements herein regarding taxation are based on the laws in force in France, The Netherlands, the Grand Duchy of Luxembourg, Belgium, Spain, the United Kingdom, Italy, Germany and the United States, as applicable, as of the date of this Base Prospectus and are subject to any changes in law. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to purchase, own or dispose of the Securities. Each prospective holder or beneficial owner of Securities should consult its tax advisor as to each of the French, the Dutch, the Luxembourg, the Belgium, the Spanish, the UK, the Italian, the German and the U.S. federal income tax consequences, as applicable, of any investment in or ownership and disposition of the Securities.

EU DIRECTIVE ON THE TAXATION OF SAVINGS INCOME

On 3 June 2003, the European Council of Economics and Finance Ministers adopted a Directive (in this section “*Taxation*”, the “**Directive**”) on the taxation of savings income under which Member States will be required, if a number of important conditions are met and from a date not earlier than 1 July 2005, to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State, except that, for a transitional period, Belgium, Luxembourg and Austria will instead be required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). On 7 June 2005, the Council of the European Union has stated that the conditions for the application of the Directive as from 1 July 2005 have been fulfilled.

DUTCH TAXATION

References in this section “Dutch Taxation” to (i) “Securities” shall be construed as references to Securities issued by BNP Paribas Arbitrage Issuance B.V., and (ii) the “Issuer” shall be construed as references to BNP Paribas Arbitrage Issuance B.V.

This is a general summary and the tax consequences as described here may not apply to a holder of Securities. Any potential investor should consult his own tax adviser for more information about the tax consequences of acquiring, owning and disposing of Securities in his particular circumstances.

This taxation summary solely addresses the principal Dutch tax consequences of the acquisition, the ownership and disposition of Securities. Where in this summary English terms and expressions are used to refer to Dutch concepts, the meaning to be attributed to such terms and expressions shall be the meaning to be attributed to the equivalent Dutch concepts under Dutch tax law. It does not consider every aspect of taxation that may be relevant to a particular holder of Securities under special circumstances or who is subject to special treatment under applicable law.

This summary is based on the tax laws of The Netherlands as they are in force and in effect on the date of this Base Prospectus. The laws upon which this summary is based are subject to change, possibly with retroactive effect. A change to such laws may invalidate the contents of this summary, which will not be updated to reflect any such change. This summary assumes that each transaction with respect to Securities is at arm’s length.

This summary does not describe the tax consequences for a holder of Securities that are redeemable in exchange for, or convertible into, shares of the exercise, settlement or redemption of such Securities and/or any tax consequences after the moment of exercise, settlement or redemption. This summary does not

describe the tax consequences for a holder of Securities if such Securities are redeemable in exchange for real property situated in The Netherlands.

Withholding Tax

All payments in respect of Securities may be made free from withholding or deduction of, for or on account of any taxes of whatever nature imposed, levied, withheld or assessed by The Netherlands or any political subdivision or taxing authority thereof or therein, except where Securities relate to shares, profit participating certificates (“*winstbewijzen*”) and/or debt instruments that actually function as equity within the meaning of article 10, paragraph 1, letter d, of the Netherlands Corporation Tax Act 1969 issued by any entity related to the Issuer.

Taxes on Income and Capital Gains

Resident holders of Securities

The summary set out in this Section “*Dutch Taxation - Taxes on income and capital gains - Resident holders of Securities*” only applies to a holder of Securities, who is a “Dutch Individual” or a “Dutch Corporate Entity”.

A holder of Securities is a “Dutch Individual” if:

- (a) he is an individual;
- (b) he is resident, or deemed to be resident, in The Netherlands for Netherlands income tax purposes, or has elected to be treated as a resident of The Netherlands for Netherlands income tax purposes;
- (c) taking into consideration his rights under the Securities, the holder of Securities does not have a substantial interest (*aanmerkelijk belang*) or a deemed substantial interest (as defined below) within the meaning of Chapter 4 of the Netherlands Income Tax Act 2001 (*Wet inkomstenbelasting 2001*) in the Issuer or another entity to which the Securities relate; and
- (d) the Securities and income or capital gains derived therefrom have no connection with his past, present or future employment, if any.

If a holder of Securities is an individual and if he satisfies test (b), but does not satisfy test (c) and/or test (d), his Dutch income tax position is not discussed in this Base Prospectus.

Generally, if a person holds an interest in a company, such interest forms part of a substantial interest or a deemed substantial interest in that company if any one or more of the following circumstances is present.

- 1 Such person alone or, if he is an individual, together with his partner (*partner*), if any, has, directly or indirectly, the ownership of shares representing 5% or more of the total issued and outstanding capital (or the issued and outstanding capital of any class of shares) of a company, or rights to acquire, directly or indirectly, shares, whether or not already issued, that represent 5% or more of the total issued and outstanding capital (or the issued and outstanding capital of any class of shares) of a company, or the ownership of profit participating certificates (*winstbewijzen*) that relate to 5% or more of the annual profit or to 5% or more of the liquidation proceeds of a company, or has a membership interest in, or an equivalent right to the net assets of a co-operative society (*coöperatie*) or an association on a co-operative basis (*vereniging op coöperatieve grondslag*) that represents at least 5% of the voting rights in such co-operative society or association on a co-operative basis.

- 2 Such person's shares, profit participating certificates or rights to acquire shares or profit participating certificates have been acquired by him or are deemed to have been acquired by him under a non-recognition provision.
- 3 Such person's partner or any of his relatives by blood or by marriage in the direct line (including foster-children) or of those of his partner has a substantial interest (as described under paragraphs 1 and 2 above).

For purposes of the above:

- (i) a holder of Securities who is only entitled to the benefits from shares or profit participating certificates (for instance a holder of a right of usufruct) is deemed to be a holder of shares or profit participating certificates, as the case may be, and his entitlement to benefits is considered a share or profit participating certificate, as the case may be;
- (ii) a unit of a fund for joint account (*fonds voor gemene rekening*) as meant in article 4.5 of the Income Tax Act 2001 is deemed to be a share of a company; and
- (iii) a membership interest in, or an equivalent right to the net assets of a co-operative society (*coöperatie*) or an association on a co-operative basis (*vereniging op coöperatieve grondslag*) is deemed to be a profit participating certificate of a company.

A holder of Securities is a "Dutch Corporate Entity" if:

- it is a corporate entity (including an association that is taxable as a corporate entity) that is subject to Dutch corporation tax;
- it is resident, or deemed to be resident, in The Netherlands for Dutch corporation tax purposes;
- it is not an entity that, although in principle subject to Dutch corporation tax, is, in whole or in part, specifically exempt from that tax;
- the benefits derived from any shares and/or Securities held by it in the Issuer (or another entity to which the Securities relate) are not exempt under the participation exemption (as laid down in the Netherlands Corporation Tax Act 1969); and
- it is not an investment institution (*beleggingsinstelling*) as defined in the Netherlands Corporation Tax Act 1969.

If a holder of Securities is not an individual and if it does not satisfy any one or more of these tests, with the exception of the second test, its Dutch Corporation tax position is not discussed in this Base Prospectus.

Dutch Individuals deriving profits or deemed to be deriving profits from an enterprise

Any benefits derived or deemed to be derived from Securities including any gain realised on the disposal thereof, by a Dutch Individual that are attributable to an enterprise from which such Dutch Individual derives profits, whether as an entrepreneur (*ondernemer*) or pursuant to a co-entitlement to the net value of an enterprise (other than as an entrepreneur or a shareholder), are generally subject to Dutch income tax at progressive rates.

Dutch Individuals deriving benefits from miscellaneous activities

Any benefits derived or deemed to be derived from Securities, including any gain realised on the disposal thereof, by a Dutch Individual that constitute benefits from miscellaneous activities (*resultaat uit overige werkzaamheden*) are generally subject to Dutch income tax at progressive rates.

A Dutch Individual may, *inter alia*, derive benefits from Securities that are taxable as benefits from miscellaneous activities in the following circumstances:

- (a) if his investment activities go beyond the activities of an active portfolio investor, for instance in the case of the use of insider knowledge (*voorkennis*) or comparable forms of special knowledge; or
- (b) if he makes Securities available or is deemed to make Securities available, legally or in fact, directly or indirectly, to certain parties as meant in articles 3.91 and 3.92 of the Netherlands Income Tax Act 2001 under circumstances described therein.

Other Dutch Individuals

If a holder of Securities is a Dutch Individual, whose situation has not been discussed before in this section “*Dutch Taxation - Taxes on income and capital gains - Resident holders of Securities*”, benefits from his Securities are taxed as a benefit from savings and investments (*voordeel uit sparen en beleggen*). Such benefit is deemed to be 4% per annum of the average of his “yield basis” (*rendementsgrondslag*) at the beginning and at the end of the year, insofar as that average exceeds the “exempt net asset amount” (*heffingvrij vermogen*). The benefit is taxed at the rate of 30%. The value of his Securities forms part of his yield basis. Actual benefits derived from his Securities, including any gain realised on the disposal thereof, are not as such subject to Dutch income tax.

Dutch Corporate Entities

Any benefits derived or deemed to be derived from Securities, that are held by a Dutch Corporate Entity, including any gain realised on the disposal of such Securities are generally subject to Dutch corporation tax.

Non-resident holders of Securities

The summary set out in this section “*Dutch Taxation - Taxes on income and capital gains - Non-resident holders of Securities*” only applies to a holder of Securities who is a Non-Resident holder of Securities.

A holder of Securities is a Non-Resident holder of Securities if he satisfies the following tests:

- (a) he is neither resident, nor deemed to be resident, in The Netherlands for purposes of Dutch income tax or corporation tax, as the case may be, and, if he is an individual, he has not elected to be treated as a resident of The Netherlands for Dutch income tax purposes;
- (b) if he is an individual, his Securities and income or capital gains derived therefrom have no connection with his past, present or future employment, if any; and
- (c) taking into consideration his rights under the Securities, the holder of Securities does not have a substantial interest or a deemed substantial interest in the Issuer or another entity to which the Securities relate, and that is resident within The Netherlands for Dutch tax purposes, within the meaning of Chapter 4 of the Netherlands Income Tax Act 2001, unless such interest forms part of the assets of an enterprise.

See the section “*Taxes on income and capital gains - Resident holders of Securities*” for a description of the circumstances under which Securities form part of a substantial interest or a deemed substantial interest.

If a holder of Securities satisfies test (a), but does not satisfy test (b) and/or test (c), his Dutch income tax position or corporation tax position, as the case may be, is not discussed in this Base Prospectus.

Individuals

A Non-Resident holder of Securities who is an individual will not be subject to any Dutch taxes on income or capital gains in respect of any benefit derived or deemed to be derived from Securities, including any payment

under Securities and any gain realised on the disposal of Securities, provided that both of the following conditions are satisfied.

- (i) If he derives profits from an enterprise, whether as an entrepreneur (*ondernemer*) or pursuant to a co-entitlement to the net value of such enterprise, other than as an entrepreneur or a shareholder, which enterprise is either managed in The Netherlands or carried on, in whole or in part, through a permanent establishment or a permanent representative in The Netherlands, as the case may be, his Securities are not attributable to such enterprise.
- (ii) He does not derive benefits from Securities that are taxable as benefits from miscellaneous activities in The Netherlands (*resultaat uit overige werkzaamheden in Nederland*).

See the section “*Dutch Taxation - Taxes on income and capital gains - Resident holders of Securities*” for a description of the circumstances under which benefits derived from Securities may be taxable as benefits from miscellaneous activities, on the understanding that such benefits will be taxable in The Netherlands only if such activities are performed or deemed to be performed in The Netherlands.

Entities

A Non-Resident holder of Securities other than an individual will not be subject to any Dutch taxes on income or capital gains in respect of any payment under Securities or in respect of any gain realised on the disposal of Securities, provided that if such Non-Resident holder of Securities derives profits from an enterprise that is either managed in The Netherlands or carried on, in whole or in part, through a permanent establishment or a permanent representative in The Netherlands, whether as an entrepreneur (*ondernemer*) or pursuant to a co-entitlement to the net value of such enterprise (other than as an entrepreneur or as a holder of securities), Securities are not attributable to such enterprise.

General

Subject to the above, a Non-Resident holder of Securities will not be subject to income tax or corporation tax, as the case may be, in The Netherlands by reason only of the execution (*ondertekening*), delivery (*overhandiging*) and/or enforcement of the documents relating to the issue of Securities or the performance by the Issuer of its obligations thereunder or under the Securities.

Gift and inheritance taxes

A person who acquires Securities as a gift, in form or in substance, or who acquires or is deemed to acquire Securities on the death of an individual, will not be subject to Dutch gift tax or to Dutch inheritance tax, as the case may be, unless:

- (i) the donor is, or the deceased was resident or deemed to be resident in The Netherlands for purposes of gift or inheritance tax, as the case may be; or
- (ii) the Securities are or were attributable to an enterprise or part of an enterprise that the donor or the deceased carried on through a permanent establishment or a permanent representative in The Netherlands at the time of the gift or of the death of the deceased; or
- (iii) the donor made a gift of Securities, then became a resident or deemed resident of The Netherlands, and died as a resident or deemed resident of The Netherlands within 180 days after the date of the gift.

Other taxes and duties

No Dutch registration tax, transfer tax, stamp duty or any other similar documentary tax or duty, other than court fees, will be payable by a holder of Securities in The Netherlands in respect of or in connection with the

execution (*ondertekening*), delivery (*overhandiging*) and/or enforcement by legal proceedings (including the enforcement of any foreign judgment in the courts of The Netherlands) of the documents relating to the issue of Securities or the performance by the Issuer of its obligations thereunder or under the Securities, except that capital tax may be payable in respect of the issue of Securities that relate to shares in the relevant Issuer or any entity related to the Issuer.

FRENCH TAXATION

The tax treatment regarding withholding tax in relation to any Securities will depend on the nature and legal characterisation of such Securities. Potential purchasers of Securities are advised to consult their own appropriate, independent and professionally qualified tax advisors as to the tax consequences of any investment in, ownership of or transactions involving the Securities.

LUXEMBOURG TAXATION

The statements herein regarding taxation in Luxembourg are based on the laws in force in the Grand Duchy of Luxembourg as of the date of this Base Prospectus and are subject to any changes in law. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to purchase, own or dispose of the Securities. Each prospective holder or beneficial owner of Securities should consult its tax advisor as to the Luxembourg tax consequences of the ownership and disposition of the Securities.

Withholding tax

Luxembourg non-residents

Under Luxembourg tax laws currently in effect, and subject to the application of Directive 2003/48/EC regarding the taxation of savings income (see also “EU Directive on the taxation of savings income” above), there is no withholding tax for non-residents on payments of principal or interest, or on accrued but unpaid interest, in respect of the Securities, nor is there any Luxembourg withholding tax payable on payments received upon redemption, repurchase or exchange of the Securities.

On 3 June 2003, the European Union adopted the Directive, which has been implemented in Luxembourg by a law dated June 21, 2005. Under the Directive, a Luxembourg based paying agent (within the meaning of the Directive) is required since 1 July 2005 to withhold tax on interest and other similar income paid by it to (or under certain circumstances, to the benefit of) an individual resident in another EU Member State, unless the beneficiary of the interest payments elects for an exchange of information. The same regime applies to payments to individuals resident in certain dependent territories. The withholding tax rate is initially 15%, increasing steadily to 20% and to 35%. The withholding tax system will only apply during a transitional period, the ending of which depends on the conclusion of certain agreements relating to information exchange with certain other countries.

Luxembourg residents

A 10% withholding tax has been introduced, as from January 1, 2006 on interest payments made by Luxembourg paying agents (defined in the same way as in the Directive) to Luxembourg individual residents. Only interest accrued after July 1, 2005 falls within the scope of this withholding tax. Interest from current accounts is exempt from the withholding tax provided that the interest rate is not higher than 0,75%. Furthermore, interest which is accrued once a year on savings accounts (short and long term) and which does

not exceed €250 per person and per paying agent is exempt from the withholding tax. This withholding tax represents the final tax liability for the Luxembourg individual resident taxpayers.

BELGIAN TAXATION

Taxation in Belgium

The following summary describes the principal Belgian withholding tax considerations with respect to the holding of the Certificates and/ or Warrants obtained by an investor following this offer in Belgium.

This information is of a general nature and does not purport to be a comprehensive description of all Belgian tax considerations that may be relevant to a decision to acquire, to hold and to dispose of the Certificates and/ or the Warrants. In some cases, different rules can be applicable. Furthermore, the tax rules can be amended in the future, possibly implemented with retroactive effect, and the interpretation of the tax rules may change.

This summary is based on the Belgian tax legislation, treaties, rules, and administrative interpretations and similar documentation, in force as of the date of the publication of this offer in Belgium, without prejudice to any amendments introduced at a later date, even if implemented with retroactive effect.

This summary does not describe the tax consequences for a holder of Certificates and/ or Warrants that are redeemable in exchange for, or convertible into shares, of the exercise, settlement or redemption of such Certificates and/ or Warrants and/ or any tax consequences after the moment of exercise, settlement or redemption. It does neither describe the indirect taxes (including inter alia transfer taxes, stamp duties, stock exchange taxes, taxes on the physical delivery of bearer securities) that may be due following the acquisition, transfer or disposal of the Certificates and/ or Warrants. In addition, it does not cover Warrants issued in accordance with the rules set out in the Act of 26 March 1999 on the Belgian action plan for employment 1998 and other miscellaneous measures.

Each prospective holder of Certificates and/ or Warrants should consult a professional adviser with respect to the tax consequences of an investment in the Notes and/ or Warrants, taking into account the influence of each regional, local or national law.

1 Certificates

1.1 Individual private investors

Natural persons who are Certificate holders and who are Belgian residents for tax purposes, i.e. who are subject to Belgian personal income tax (“*Personenbelasting/ Impôt des personnes physiques*”), are in Belgium subject to the following tax treatment with respect to the Certificates. Other rules can be applicable in special situations, in particular when natural persons resident in Belgium acquire the Certificates for professional purposes or when their transactions with respect to the Certificates fall outside the scope of the normal management of their own private estate.

Any amount paid by the Issuer in excess of the issuance price of the Certificates at the maturity date or at early redemption, is taxable as interest.

Payments of interest on the Certificates made through a paying agent in Belgium will in principle be subject to a 15% withholding tax in Belgium (calculated on the interest received after deduction of any non-Belgian withholding taxes). The Belgian withholding tax constitutes the final income tax for natural persons. This means that they do not have to declare the interest obtained on the Certificates in their personal income tax return, provided withholding tax was levied on these interest payments.

However, if the interest is paid outside Belgium without the intervention of a Belgian paying agent, the interest received (after deduction of any non-Belgian withholding tax) must be declared in the personal income tax return and will be taxed at a flat rate of 15% (plus communal surcharges).

If the Certificates qualify as fixed income securities in the meaning of article 2, §4 Belgian Income Tax Code (ITC), in case of a realization of the Certificates between two interest payment dates, an income equal to the pro rata of accrued interest corresponding to the detention period must be declared and income tax at a flat rate of 15% to be increased with communal surcharges will be due if no Belgian withholding tax has been levied on the pro rata of accrued interest corresponding to the detention period. A security will be a fixed income security if there is a causal link between the amount of interest income and the detention period of the security, on the basis of which it is possible to calculate the amount of pro rata interest income at the moment of the sale of the Certificates during their lifetime.

Capital gains realised on the sale of the Certificates, except for the pro rata of accrued interest in the case of fixed income securities, are in principle tax exempt, unless the capital gains are realised outside the scope of the management of one's private estate or unless the Certificates are repurchased (whether or not on the maturity date) by the Issuer. In the latter case, the capital gain is taxable as interest.

1.2 Tax treatment of Belgian corporations

Corporations Certificate holders who are Belgian residents for tax purposes, i.e. who are subject to Belgian Corporate Income Tax ("Vennootschapsbelasting/ Impôt des sociétés") are in Belgium subject to the following tax treatment with respect to the Notes.

Interest derived by Belgian corporate investors on the Certificates and capital gains realised on the Certificates will be subject to Belgian corporate income tax of 33.99%. Capital losses are in principle deductible.

Interest payments on the Notes made through a paying agent in Belgium can under certain circumstances be exempt from withholding tax, provided a certificate is delivered. The withholding tax that has been levied is creditable conform the legal provisions.

1.3 Other legal entities

Legal entities Certificate holders who are Belgian residents for tax purposes, i.e. who are subject to Belgian tax on legal entities ("Rechtspersonenbelasting/ impôt des personnes morales") are in Belgium subject to the following tax treatment with respect to the Certificates.

Any amount paid by the Issuer in excess of the issuance price of the Certificates at the maturity day or at early redemption is taxable as interest.

Payments of interest on the Certificates made through a paying agent in Belgium will in principle be subject to a 15% withholding tax in Belgium and no further tax on legal entities will be due on the interest.

However, if the interest is paid outside Belgium without the intervention of a Belgian paying agent and without the deduction of Belgian withholding tax, the legal entity itself is responsible for the deduction and payment of 15% withholding tax.

If the Certificates qualify as fixed income securities in the meaning of article 2, §4 ITC, in case of a realization of the Certificates between two interest payment dates, Belgian legal entities have to pay a 15% withholding tax on the pro rata of accrued interest corresponding to the detention period. A security will be a fixed income security if there is a causal link between the amount of interest income

and the detention period of the security, on the basis of which it is possible to calculate the amount of pro rata interest income at the moment of the sale of the Certificates during their lifetime.

Capital gains realised on the sale of the Certificates whether or not on the maturity date, except for the prorata of accrued interest in the case of fixed income securities, are in principle tax exempt, unless the Certificates are repurchased by the Issuer. In such case, the capital gain is taxable as interest.

1.4 Non-resident investors

The interest income on the Certificates paid through a professional intermediary in Belgium will, in principle, be subject to a 15 per cent. withholding tax. However, if the investor is resident of a country that has entered into a double taxation agreement with Belgium, a reduction or an exemption of withholding tax may be applicable under specified circumstances.

Non-resident investors can obtain an exemption of Belgian withholding tax on interest from the Certificates if they deliver an affidavit confirming their non-resident status, provided the Certificates are held by the non-residents in open custody with a Belgian financial institution and are not used by the Certificate holder for carrying on a business in Belgium.

The non-residents who use the debt instruments to exercise a professional activity in Belgium through a permanent establishment are subject to the same tax rules as the Belgian resident companies.

1.5 The EU Savings Directive

On 3 June 2003, the Council of the European Union adopted the Council Directive 2003/48/EC regarding the taxation of savings income (hereafter, the “**Savings Directive**”), which has been implemented in Belgium by the law of 17 May 2004. The Savings Directive entered into force on 1 July 2005.

Under the Directive, Member States are since July 1, 2005 required to provide to the tax authorities of other Member States or the tax authorities of the Netherlands Antilles, Aruba, Guernsey, Jersey, the Isle of Man, Montserrat and the British Virgin Islands (hereafter, the “**Dependant and Associated Territories**”, each a “**Dependant and Associated Territory**”) details of payments of interest and other similar income paid by a paying agent (within the meaning of the Savings Directive) to (or under certain circumstances, to the benefit of) an individual resident in another Member State or resident in a Dependant and Associated Territory, except that Austria, Belgium and Luxembourg are instead required to impose a withholding system for a transitional period unless the beneficiary of the interest payments elects for the exchange of information. The withholding tax rate is initially 15%, increasing steadily to 20% and to 35%. The ending of such transitional period depends on the conclusion of certain other agreements relating to exchange of information with certain other countries.

Pursuant to the Savings Directive, Belgian paying agents will as of 1 July 2005 apply a taxation at source on interest payments to individual Certificate holders resident in another EU member state than Belgium or resident in a Dependant and Associated Territory. This taxation at source is levied in addition to the applicable Belgian withholding tax.

1.5.1 Individuals not resident in Belgium

A Belgian paying agent will withhold a tax at source (“*woonstaatheffing/prélèvement pour l’Etat de résidence*”, hereafter “**Source Tax**”) at the rate of 15% on the interest payments made to an individual, beneficial owner of the interest payments and resident in another EU Member State or resident in one of the Associated and Dependant Territories. The rate of the Source Tax will increase to 20% on 1 July 2008 and to 35% on 1 July 2011.

The Source Tax is levied in addition to the Belgian withholding tax which has been withheld.

The Source Tax is levied pro rata to the period of holding of the Certificates by the beneficial owner of the interest payments.

No Source Tax will be applied if the investor provides the Belgian paying agent with a certificate drawn up in his name by the competent authority of his state of residence for tax purposes. The certificate must at least indicate: (i) name, address and tax or other identification number or, in the absence of the latter, the date and place of birth of the beneficial owner; (ii) name and address of the paying agent; and (iii) the account number of the beneficial owner, or where there is none, the identification of the security.

1.5.2 Individuals resident in Belgium

An individual resident in Belgium will be subject to the provisions of the Savings Directive, if he receives interest payments from a paying agent (within the meaning of the Savings Directive) established in another EU Member State, Switzerland, Liechtenstein, Andorra, Monaco, San Marino, the Netherlands Antilles, Aruba, Guernsey, Jersey, the Isle of Man, Montserrat, the British Virgin Islands, the Cayman Islands, Anguilla or the Turks and Caicos Islands.

If the interest received by an individual resident in Belgium has been subject to a Source Tax, such Source Tax does not liberate the Belgian individual from declaring the interest income in the personal income tax declaration. The Source Tax will be credited against the personal income tax. If the Source Tax withheld exceeds the personal income tax due, the excessive amount will be reimbursed, provided it amounts to at least EUR 2.50.

2 Warrants

Payments with respect to the Warrants will in principle not be subject to Belgian withholding tax in the sense of article 261 ITC.

Other rules can be applicable in special situations, in particular with respect to Debt Warrants, when the return on the underlying basket of debt securities or single debt security is fixed, in which case the holders of Warrants could be subject to the tax regime applicable to the Certificates.

SPANISH TAXATION

The statements herein regarding withholding taxes in Spain are based on the laws in force in Spain as of the date of this Base Prospectus and are subject to any changes in law. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to purchase, own or dispose of the Securities. Each prospective holder or beneficial owner of Securities should consult its tax advisor as to the Spanish tax consequences of the ownership and disposition of the Securities.

Spanish resident individuals

1 Warrants

Following the criterion of the Spanish General Directorate of Taxes in several rulings (amongst others, rulings dated 4 August 2004, 14 October 2003 and 29 May 2001), income obtained by Spanish resident individuals under the Warrants should be regarded as capital gains, in which case no withholdings on account of the Personal Income Tax liability of the relevant Spanish Holder of the Warrants will have to be deducted from capital gains obtained by Spanish resident individuals under the Warrants.

2 Certificates

As regards income obtained by Spanish resident individuals under the Certificates, the withholding tax regime will be as follows:

- (i) Interest (if any) paid to Holders of Certificates who are Spanish resident individuals will be subject to Spanish withholding tax at 15% to be deducted by the depositary entity of the Certificates or the entity in charge of collecting the income derived thereunder, provided such entities are resident for tax purposes in Spain or have a permanent establishment in the Spanish territory.
- (ii) Income obtained upon transfer of the Certificates will be subject to Spanish withholding tax at 15% to be deducted by the financial entity acting on behalf of the seller, provided such entity is resident for tax purposes in Spain or have a permanent establishment in the Spanish territory.
- (iii) Income obtained upon redemption of Cash Settled Certificates will be subject to Spanish withholding tax at 15% to be deducted by the financial entity appointed by the Issuer (if any) for redemption of the Certificates, provided such entity is resident for tax purposes in Spain or have a permanent establishment in the Spanish territory.
- (iv) Income obtained upon redemption of Physical Delivery Certificates should not be subject to Spanish withholding taxes.

Spanish resident corporates

If the Securities are listed on an OECD market, income obtained by Spanish resident corporates will be exempt from Spanish withholding taxes.

Should the Securities not be listed on an OECD market, income obtained by Spanish resident corporates thereunder will be subject to Spanish withholding taxes in similar terms than those described above in respect of Spanish resident individuals.

UK TAXATION

1 Warrants

Warrants issued by BNP Paribas London Branch should be derivative contracts for the purposes of the Finance Act 2002 derivative contracts legislation. Under the provisions of this legislation there is no withholding tax due on payments that are made under the terms of a derivative contract and thus no UK withholding tax will arise on payments that are made by London Branch under the terms of the Warrants.

2 Payments of Interest on Certificates

The following sections consider whether UK income tax will be withheld from payments of interest on certificates that are issued by BNP Paribas London Branch.

2.1 Where Certificates are listed on a Recognised Stock Exchange

Where the Certificates are listed on a recognised stock exchange within the meaning of section 841 Income and Corporation Taxes Act 1988, at the time at which a payment of interest is made, the interest payment may be made without withholding or deduction for or on account of income tax. The London Stock Exchange is a recognised Stock Exchange for these purposes. Under an HM Revenue and Customs published practice, securities will be treated as listed on the London Stock Exchange if they are admitted to the Official List by the United Kingdom Listing Authority and are admitted to trading on the London Stock Exchange. HM Revenue and Customs have confirmed that securities that are admitted to trading on the Professional Securities Markets satisfy the condition of being admitted to trading on the London Stock Exchange.

2.2 Certificates Issued by a Bank

Provided BNP Paribas London Branch (i) is a “bank” for the purposes of section 840A Income and Corporation Taxes Act 1988, and (ii) issues the Certificates in the ordinary course of its business, there will be no withholding tax due on payments of interest made thereon even if the Certificates are not listed on a recognised stock exchange .

2.3 Other Cases

If the circumstances in 2.1 or 2.2 do not apply, interest will generally be paid under deduction of income tax at the lower rate (currently 20 per cent) unless:

- (i) when that interest is paid the company which makes the payment reasonably believes that the person beneficially entitled to the interest is:
 - (a) a company resident in the United Kingdom; or
 - (b) a company not resident in the United Kingdom which carries on a trade or vocation in the United Kingdom through a permanent establishment and which brings into account the interest in computing its United Kingdom taxable profits; or
 - (c) a partnership each member of which is a company referred to in (a) or (b) above or a combination of companies referred to in (a) or (b) above.

3 UK paying and Collecting Agents

Persons in the United Kingdom (i) paying interest to or receiving interest on behalf of another person who is an individual or (ii) paying amounts due on redemption of the Certificates which constitute deeply discounted securities as defined in Chapter 8 of Part 4 of the Income Tax (Trading and Other Income) Act 2005 to or

receiving such amounts on behalf of another person who is individual may be required to provide certain information to HM Revenue and Customs regarding the identity of the payee or person entitled to the interest and, in certain circumstances, such information may be exchanged with tax authorities in other countries. However, in relation to amounts payable on redemption of such Certificates HM Revenue and Customs published practice²⁷ indicates HM Revenue and Customs will not exercise its power to obtain information where such amounts are paid or received on or before 5 April 2006.

²⁷ See paragraph 19 of the Inland Revenue's section 18 Guidance Notes (<http://www.hmrc.gov.uk/esd-guidance/s18-guidance-notes-06.pdf>).

ITALIAN TAXATION

This summary does not describe the tax consequences for a holder of Securities that are redeemable in exchange for, or convertible into, shares.

Interest payments relating to the Securities received by an Italian resident beneficial owner thereof are subject to a withholding tax, levied at the rate of 27%, if such beneficial owner is: (i) an individual not engaged in a business activity to which the Securities are effectively connected, (ii) a non-commercial partnership; (iii) a real estate investment fund, (iv) a pension fund, (v) an investment fund (which includes *Fondo Comune d'Investimento*, or SICAV); or (vi) an entity exempt from corporate income tax. Such withholding tax is levied by the Italian intermediary intervening in the payment of the proceeds on the Securities or in the repurchase or transfer thereof.

Interest on the Securities paid to Italian resident holders which are (i) companies or similar commercial entities (including a permanent establishment in Italy of a foreign entity to which the Securities are effectively connected), and (ii) Italian resident commercial partnerships, is not subject to the 27% withholding tax, but would form part of their respective aggregate income subject to corporate income tax ("**IRES**"), currently applying at 33% rate. In certain cases, such interest may also be included in the taxable net value of production for the purposes of regional tax on productive activities ("**IRAP**"), generally applying at 4.25% rate.

Interest payments relating to the Securities received by non-Italian resident beneficial owners are generally not subject to tax in Italy.

There is no official interpretation from the Italian tax authorities and/or any case law directly regarding the Italian tax regime of payments in respect of securities made by a guarantor. Under a certain interpretation, such payments are subject to the same tax regime as payments made by the issuer thereof. Accordingly, payments made by the Guarantor with respect to the Securities would be subject to the same tax regime described above.

Pursuant to the prevailing interpretation capital gains realized on the Securities are not subject to Italian withholding tax. The applicable tax regime would vary depending on the holder of the Securities.

GERMAN TAXATION

The following comments are of a general nature and included herein solely for information purposes. These comments are limited to German withholding taxation as currently applicable and do not contain any statements as to German tax liability and tax consequences of the purchase, holding or disposal of the Securities. These comments are not intended to be, nor should they be construed to be, legal or tax advice. No representation with respect to the consequences to any particular prospective holder of a Securities is made hereby. Any prospective holder of a Security should consult their own tax advisers in all relevant jurisdictions.

The information contained in this section is not intended as tax advice and does not purport to describe all of the tax considerations that may be relevant to a prospective purchaser of the Securities. It is based upon German tax laws (including tax treaties) and administrative decrees as in effect as of the date hereof, which are subject to change, potentially with retroactive or retrospective effect.

PROSPECTIVE PURCHASERS OF THE SECURITIES ARE ADVISED TO CONSULT THEIR OWN ADVISORS AS TO THE TAX CONSEQUENCES OF AN INVESTMENT IN THE SECURITIES.

German tax residents

If the payments under the Securities qualify as investment income (Sec. 20 Income Tax Act, *Einkommensteuergesetz*), interest income and income similar to interest income are subject to a withholding tax of 31.65 per cent. If coupons etc. are presented at the counter of a domestic bank ("over the counter transactions"), the withholding tax is 36.925 per cent. The withholding tax may be credited or refunded within the tax assessment. No German withholding tax applies if the Notes are held with a non-German custodian bank.

If the Securities can be qualified as speculative income, no German withholding tax is imposed. Securities can be qualified as speculative income if the Securities neither guarantee or grant (i) a repayment of principal in total or in part (ii) nor any remuneration (especially no interest).

Non-tax residents

Foreign-resident holders of Securities who do not have a tax presence in Germany (e.g. permanent establishment, fixed place of business or an appointed permanent representative in the Federal Republic of Germany) are subject to German taxation only with regard to over-the-counter transactions. Withholding tax at a rate of 36.925 per cent. is levied which might be refundable in total or in part.

U.S. FEDERAL INCOME TAXATION

United States Internal Revenue Service (the "IRS") Circular 230 Notice: To ensure compliance with IRS Circular 230, prospective investors are hereby notified that: (a) any discussion of U.S. federal tax issues contained or referred to in this Base Prospectus or any document referred to herein is not intended or written to be used, and cannot be used by prospective investors for the purpose of avoiding penalties that may be imposed on them under the United States Internal Revenue Code; (b) such discussion is written for use in connection with the promotion or marketing of the transactions or matters addressed herein; and (c) prospective investors should seek advice based on their particular circumstances from an independent tax advisor.

The following summary describes certain U.S. federal income tax considerations that may be relevant to a U.S. holder (as defined below) who purchases a Warrant or Certificate. The rules governing the U.S. federal

income taxation of option transactions and other derivative financial instruments are complex and depend on a taxpayer's particular circumstances. Accordingly, this summary does not purport to be a comprehensive description of all of the tax considerations that may be relevant to any particular investor in a Warrant or Certificate. In particular, this summary deals only with U.S. holders of a Warrant or Certificate who purchase in the initial offering at the applicable issue price and in whose hands the stock, debt or other property underlying the Warrant or Certificate would be capital assets for tax purposes. In addition, this discussion assumes that the Warrants are treated as options for U.S. federal income tax purposes, and that when issued they are not significantly "in-the-money".

This summary also does not discuss the U.S. federal income tax treatment of a U.S. holder who is a member of a class of holders subject to special rules, such as:

- a dealer in securities or derivative financial instruments;
- a trader in securities or derivative financial instruments that elects to use a mark-to-market method of accounting for securities holdings;
- a bank;
- a life insurance company;
- a tax-exempt organization;
- entities that are treated for U.S. federal income tax purposes as partnerships or other pass-through entities;
- an investor who purchases a Warrant or Certificate with respect to stock in a company that is treated as a passive foreign investment company ("PFIC") for U.S. federal income tax purposes;
- an investor who purchases a Warrant or Certificate and holds any other position (whether long or short, direct or indirect) in any asset underlying such option;
- an investor who enters into a Warrant or Certificate that is part of a hedging transaction or that has been hedged against currency risk;
- an investor who enters into a Warrant or Certificate that is part of a straddle or conversion transaction for tax purposes; and
- an investor whose functional currency for tax purposes is not the U.S. dollar.

As a consequence of the foregoing, it should be particularly noted that this summary does not address the special tax considerations that apply to an investment in a combination of Warrants or Certificates with respect to the same underlying assets. Further, this summary does not address alternative minimum tax consequences or the indirect effects on the holders of equity interests in a holder of a Warrant or Certificate.

Any of the foregoing circumstances might substantially alter the tax consequences described below, and, in some instances, may require specific identification of positions in the relevant Warrant or Certificate before the close of the day on which they are acquired. For example, if the straddle rules were to apply, a U.S. holder of a Warrant or Certificate might be required to (i) recognize all or a portion of any gain on such Warrant or Certificate that would otherwise be long-term or short-term capital gain, as ordinary income or, if applicable, short-term capital gain, (ii) defer all, or a portion, of any loss realized upon the sale, exchange, exercise, cancellation or lapse of such Warrant or Certificate and (iii) capitalize any interest or carrying charges incurred by such U.S. holder with respect to such Warrant or Certificate.

This summary is based on laws, judicial decisions, and regulatory interpretations in effect on the date hereof, all of which are subject to change, possibly on a retroactive basis.

Additional U.S. federal income tax consequences, if any, applicable to a particular Warrant or Certificate will be set forth in the applicable Final Terms.

The rules governing the taxation of option transactions and derivative financial instruments are complex and depend on a taxpayer's particular circumstances. U.S. holders are strongly urged to consult their own tax advisors concerning the U.S. federal, state, local, foreign and other national tax consequences of the ownership and disposition of Warrants or Certificates in their particular circumstances. U.S. holders should also consult their tax advisors as to the possibility of changes of law affecting taxation of derivative financial instruments with contingent payments, including prepaid forward contracts.

For purposes of this discussion, a "U.S. holder" is a holder of a Warrant or Certificate that is (i) an individual who is a citizen or resident of the United States, (ii) a domestic corporation or (iii) otherwise subject to U.S. federal income taxation on a net income basis in respect of the Warrant or Certificate. A "non-U.S. holder" is a holder of a Warrant or Certificate that is a nonresident alien individual or a foreign corporation.

Warrants

Premium

Premium paid by a U.S. holder for a Warrant will generally be treated as a nondeductible capital expenditure, and premium received by a U.S. holder for a Warrant that it writes will generally not be includible in income upon receipt. As described in the following two sections, the amount of such premium will be taken into account upon the exercise, sale, transfer, cash settlement, or lapse of the Warrant.

Physical Settlement of Warrants

A U.S. holder who receives the underlying property pursuant to the exercise of a Call Warrant that the investor has purchased or pursuant to the exercise of a Put Warrant that the investor has written will generally not recognize gain or loss on such exercise. Instead, the investor will generally be treated as purchasing the underlying property as of the exercise date in exchange for the sum of the exercise price and the amount of the premium that the investor paid for the Warrant (or, in the case of a Warrant written by the investor, for the exercise price reduced by the amount of the premium that the investor received for the Warrant). The investor's holding period for the underlying property will begin on the day after the date of exercise or, in the case of stock or corporate securities, on the exercise date.

A U.S. holder who delivers the property underlying a Put Warrant pursuant to the exercise of such Warrant that the investor has purchased will generally be treated as selling the underlying property as of the exercise date. Accordingly, such an investor will generally recognize capital gain or loss equal to the difference between (i) the exercise price less the amount of the premium that the investor paid for the Put Warrant and (ii) the investor's tax basis in the underlying property. Because the purchase of a Put Warrant will generally constitute a "short sale" within the meaning of Section 1233 of the Internal Revenue Code of 1986, as amended (the "**Code**"), whether such capital gain or loss will be long-term or short-term capital gain or loss will depend on the application of the short sale rules. In addition, a U.S. holder may be subject to the straddle rules with respect to its investment in the Warrant. U.S. holders should consult their own tax advisors with regard to the application of the short sale and straddle rules in their particular circumstances.

Sale, Transfer, Cash Settlement, or Lapse of Warrants

A U.S. holder who has purchased a Warrant will generally recognize capital gain or loss upon the sale, transfer, cash settlement or lapse of the Warrant in an amount equal to the difference between (i) the amount realized by the investor from such sale, transfer, settlement, or lapse and (ii) the amount of the premium that

the investor paid for the Warrant. Such capital gain or loss generally will be long-term capital gain or loss if the Warrant was held for more than one year. Certain exceptions to such treatment are noted below and, if appropriate, may be addressed in the applicable Final Terms. A U.S. holder who has written a Warrant will generally recognise short-term capital gain (equal to the premium) upon a lapse of the Warrant.

Mark-to-Market Rules

Under Section 1256 of the Code, special mark-to-market and character rules apply in the case of certain “nonequity” options (including in respect of debt). Unless the Warrants are listed on a “qualified board or exchange” for purposes of Section 1256, however, these mark-to-market rules will not be applicable to U.S. holders of the Warrants. The U.S. Treasury Department has not currently designated the Luxembourg Stock Exchange as a “qualified board or exchange.” The rules under Section 1256 will not apply to the Share Warrants in any event.

Certificates

Classification of the Certificates

Depending on the terms of a Certificate, such Certificate could be treated as one or more of the following: (i) a prepaid forward contract (which, depending on the terms, may be subject to embedded options), (ii) a combination of a loan (or deposit) and a forward contract, (iii) an outright or constructive ownership interest in the property underlying such Certificate, (iv) a contingent payment debt instrument, or (v) a combination of a loan (or deposit) and one or more options. Additional U.S. federal income tax consequences applicable to a particular issuance of Certificates will be set forth in the applicable Final Terms.

No ruling is being requested from the Internal Revenue Service (“**IRS**”) with respect to the Certificates, and the treatment of the Certificates described below is not binding on the IRS or the courts. As a result, significant aspects of the U.S. federal income tax consequences of an investment in the Certificates are uncertain.

Tax Treatment of (Prepaid) Forward Contracts (With or Without a Loan)

If any Certificates are treated as (prepaid) forward contracts (with or without a loan) for U.S. federal income tax purposes, the following description should apply to such Certificates.

Interest Payments. Payments of interest (if any) will be taxable to a U.S. holder as ordinary interest income at the time that such payments are accrued or are received (in accordance with the U.S. holder’s method of tax accounting).

Physical Settlement. If the Certificates are treated as (prepaid) forward contracts, a U.S. holder who receives underlying stock or debt pursuant to the settlement of a Certificate that the investor has purchased will generally not recognize gain or loss on such settlement. The investor will generally be treated as acquiring the property underlying the Certificate, as of the date of settlement, in exchange for the amount that it paid to acquire the Certificates.

Cash Settlement, Sale, or Other Disposition of the Certificates. If the Certificates are treated as (prepaid) forward contracts, upon the receipt of cash upon settlement of a Certificate or upon the sale or other disposition of such Certificate, a U.S. holder will recognize taxable gain or loss, equal to the difference between the amount realized (generally, the amount of cash received) and such U.S. holder’s tax basis in the Certificate. In general, a holder’s tax basis in a Certificate will equal the amount that such holder paid to acquire the Certificate. Subject to the discussion below under “Constructive Ownership,” any such gain or loss generally will be long-term capital gain or loss if the Certificates were held for more than one year at the time of settlement or at the time of sale or other disposition.

Constructive Ownership. Some or all of the net long-term capital gain arising from certain “constructive ownership” transactions may be characterized as ordinary income, in which case an interest charge would be imposed on any such ordinary income. These rules have no immediate application to forward contracts in respect of most property underlying the Certificates, since they are only applicable to the extent that the underlying property directly or indirectly includes shares of issuers treated as PFICs or as certain other “pass-thru” entities. These rules, however, grant discretionary authority to the U.S. Treasury Department to expand the scope of “constructive ownership” transactions to include forward contracts in respect of the stock of all corporations, in addition to forward contracts in respect of any debt instrument. The rules separately also direct the Treasury to promulgate regulations excluding a forward contract that does not convey “substantially all” of the economic return on any underlying asset from the scope of “constructive ownership” transactions. It is not possible to predict whether such regulations will be promulgated by the U.S. Treasury Department, or the form or effective date that any regulations that may be promulgated might take.

Interest in the Underlying Property

Depending on the terms of particular Certificates, a U.S. holder could be treated as owning the property underlying those Certificates for U.S. federal income tax purposes. In that event, for example, in the case of Index Certificates, the U.S. holder would be required to recognize appropriate amounts of capital gain on the disposition of any shares included in the underlying Index each time that the Index is rebalanced. In such a case, such U.S. holder also would be subject to tax on dividends on shares included in the Index in an amount equal to the gross dividends paid by companies whose shares are included in the Index. In addition, any current expenses (including any withholding taxes) in respect of shares included in the Index would be treated as if made directly by the U.S. holder, and the deductibility of such expenses (or creditability of such withholding taxes) could be subject to certain limitations.

Contingent Payment Debt Instruments

If any Certificates are treated as contingent payment debt instruments, the tax consequences to a U.S. holder would be determined under U.S. Treasury regulations governing contingent payment debt instruments (the “Contingent Payment Regulations”). The Contingent Payment Regulations are complex, but very generally apply the original issue discount rules of the Code to a contingent payment debt instrument by requiring that the original issue discount be accrued every year at a “comparable yield” for the issuer of the instrument, determined at the time of issuance of the obligation. In addition, the Contingent Payment Regulations require that a projected payment schedule, which results in such a “comparable yield” be determined by the issuer, and that adjustments to income accruals be made to account for differences between actual payments and projected amounts. To the extent that the comparable yield as so determined exceeds the projected payments on a contingent debt instrument in any taxable year, the owner of that instrument will recognize ordinary interest income for that taxable year in excess of the cash the owner receives and such excess would increase the U.S. holder’s tax basis in the debt instrument. In addition, any gain realized on the sale, exchange or redemption of a contingent payment debt instrument will be treated as ordinary income. Any loss realized on such sale, exchange or redemption will be treated as an ordinary loss to the extent that the holder’s original issue discount inclusions with respect to the obligation exceed prior reversals of such inclusions required by the adjustment mechanism described above. Any loss realized in excess of such amount generally will be treated as a capital loss.

Loan and One or More Options

If any Certificates are treated as a combination of a loan (or deposit) and one or more options, in general, payments of interest (if any) will be taxable to a U.S. holder as ordinary interest income at the time that such payments are accrued or are received (in accordance with the U.S. holder’s method of tax accounting), while payments in respect of the options would be taxable in a manner similar to the taxation of corresponding payments under Warrants.

Possible Alternative Tax Treatment

If a Certificate is treated as a unit consisting of a loan and a forward contract (or a loan and one or more options), a U.S. holder could be required to accrue a significant amount of original issue discount on a current basis during the period in which it holds the Certificate.

It is also possible that future regulations or other IRS guidance would require a U.S. holder to accrue income on the Certificates or Warrants on a current basis. The IRS and U.S. Treasury Department recently issued proposed regulations that require the current accrual of income with respect to contingent nonperiodic payments made under certain notional principal contracts. The preamble to the regulations states that the “wait and see” method of tax accounting does not properly reflect the economic accrual of income on such contracts, and requires a current accrual of income with respect to some contracts already in existence at the time the proposed regulations were released. While the proposed regulations do not apply to prepaid forward contracts, the preamble to the proposed regulations expresses the view that similar timing issues exist in the case of prepaid forward contracts. If the IRS published future guidance requiring current accrual of income with respect to contingent payments on prepaid forward contracts, it is possible that a U.S. holder could be required to accrue income over the term of the Certificates.

Foreign Currency Rules

Payments of premium, exercise price, sale proceeds, and cash settlement amounts in respect of Warrants or Certificates that are denominated in a currency other than the U.S. dollar will be subject to special U.S. tax rules regarding foreign currency transactions. U.S. holders should consult their own tax advisors concerning the application of these rules in their particular circumstances.

Non-U.S. Holders

Except as noted in the applicable Final Terms, the following summary describes the tax consequences to non-U.S. holders of investing in Warrants or Certificates.

Under U.S. federal income tax law as currently in effect, holders of Certificates that are non-U.S. holders will not be subject to U.S. federal income taxes, including withholding taxes, on any payments of interest on the Certificates so long as the beneficial owner of the Certificates provides a Internal Revenue Service Form W-8BEN or otherwise satisfies applicable documentary requirements for establishing that it is a non-U.S. holder, unless such interest is effectively connected with the conduct by the holder of a trade or business in the United States.

Provided that the beneficial owner of the Warrant or Certificate provides an Internal Revenue Service Form W-8BEN or otherwise satisfies applicable documentary requirements for establishing that it is a non-U.S. holder, the gain realized on any the sale or exchange of the Warrants or Certificates or lapse of the Warrants by a non-U.S. holder will not be subject to U.S. federal income tax, including withholding tax, unless (i) such gain is effectively connected with the conduct by the holder of a trade or business in the United States or (ii) in the case of gain realized by an individual holder, the holder is present in the United States for 183 days or more in the taxable year of the sale and either (A) such gain or income is attributable to an office or other fixed place of business maintained in the United States by such holder or (B) such holder has a tax home in the United States.

Information Reporting and Backup Withholding

The paying agent will be required to file information returns with the IRS with respect to payments made to certain U.S. holders of Warrants or Certificates. In addition, certain U.S. holders may be subject to backup

withholding tax in respect of such payments if they do not provide their taxpayer identification numbers to the paying agent. Persons holding Warrants or Certificates who are not U.S. holders may be required to comply with applicable certification procedures to establish that they are non-U.S. holders in order to avoid the application of such information reporting requirements and backup withholding tax.

OTHER

The payment of the Cash Settlement Amount on the Securities, if any, will be made subject to withholding taxes and taxes which the law may impose on holders of the Securities.

Individuals and legal entities should consult their usual tax advisors with respect to the tax treatment which applies to them.

In addition, holders of the Securities should comply with the tax laws applicable in the jurisdiction in which they are resident, subject to the application of any applicable tax treaty in force between France or, as the case may be, the Netherlands, and such jurisdiction.

Purchasers of Securities may be required to pay stamp taxes and other charges in accordance with the laws and practices of the country of purchase in addition to the issue price of each Security.

TRANSACTIONS INVOLVING SECURITIES MAY HAVE TAX CONSEQUENCES FOR POTENTIAL PURCHASERS WHICH MAY DEPEND, AMONGST OTHER THINGS, UPON THE STATUS OF THE POTENTIAL PURCHASER AND LAWS RELATING TO TRANSFER AND REGISTRATION TAXES. POTENTIAL PURCHASERS WHO ARE IN ANY DOUBT ABOUT THE TAX POSITION OF ANY ASPECT OF TRANSACTIONS INVOLVING SECURITIES SHOULD CONSULT THEIR OWN TAX ADVISERS.

Transactions involving Securities may have tax consequences for potential purchasers which may depend, amongst other things, upon the status of the potential purchaser and may relate to transfer and registration taxes.

Condition 12 (“*Expenses and Taxation*”) (in relation to Warrants) and Condition 12 (“*Expenses and Taxation*”) (in relation to Certificates) should be considered carefully by all potential purchasers of any Securities.

Stamp duty on Global Warrants

The following summary relates to United Kingdom stamp duty. Purchasers of Warrants may be subject to other tax consequences in relation to Warrants.

In addition to any other tax consequences, potential purchasers of Warrants should note that each Global Warrant may constitute an instrument which is subject to United Kingdom stamp duty by reference to the amount of the consideration given for the Warrants represented by such Global Warrant. However, each Global Warrant is being executed and delivered outside the United Kingdom and should not be brought into the United Kingdom save for the purposes of enforcement. So long as a Global Warrant is held outside the United Kingdom, because it is not required to be brought into the United Kingdom for any purpose, no requirement to pay United Kingdom stamp duty will arise. However, if a Global Warrant were brought into the United Kingdom to be used as evidence (for example, for enforcement purposes) or for any other purposes, United Kingdom stamp duty will be required to be paid on such Global Warrant before the Global Warrant can be used for that purpose. If stamp duty is payable on the Global Warrant, interest will be payable (in addition to stamp duty) in respect of the period from 30 days after the date of execution of the Global Warrant to the date of payment. Furthermore penalties may also be payable if the Global Warrant is not

stamped within 30 days of being brought into the United Kingdom. If a Global Warrant is subject to United Kingdom stamp duty, it would be inadmissible in evidence in a United Kingdom court in civil proceedings unless duly stamped.

An instrument transferring a Registered Warrant will be stampable if the instrument is executed in the United Kingdom or, if executed outside the United Kingdom, the instrument relates to anything done or to be done in the United Kingdom, except where the Warrant relates to UK government securities, debt securities in bearer form or other bearer securities denominated in a currency other than sterling.

All prospective holders should seek independent advice as to their tax positions.

U.S. EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974

The U.S. Employee Retirement Income Security Act of 1974, as amended (“**ERISA**”), imposes certain restrictions on employee benefit plans (“**ERISA Plans**”) that are subject to ERISA and on persons who are fiduciaries with respect to these ERISA Plans. In accordance with ERISA’s general fiduciary requirements, a fiduciary with respect to an ERISA Plan who is considering the purchase of U.S. Securities on behalf of the ERISA Plan should determine whether the purchase is permitted under the governing ERISA Plan documents and is prudent and appropriate for the ERISA Plan in view of its overall investment policy and the composition and diversification of its portfolio. Other provisions of ERISA and Section 4975 of the Internal Revenue Code of 1986, as amended (the “**Code**”), prohibit certain transactions involving the assets of an ERISA Plan (as well as those plans that are not subject to ERISA but which are subject to Section 4975 of the Code, such as individual retirement accounts (together with any entities whose underlying assets include the assets of any such plans and with ERISA Plans, “**Plans**”)) and persons who have certain specified relationships to the Plan (“parties in interest” within the meaning of ERISA or “disqualified persons” within the meaning of Section 4975 of the Code). Thus, a Plan fiduciary considering the purchase of U.S. Securities should consider whether such a purchase might constitute or result in a prohibited transaction under ERISA or Section 4975 of the Code.

BNPP, directly or through its affiliates, may be considered a “party in interest” or a “disqualified person” with respect to many Plans. The purchase of U.S. Securities by a Plan with respect to which BNPP is a party in interest or a disqualified person may constitute or result in a prohibited transaction under Section 406 of ERISA or Section 4975 of the Code, unless the U.S. Securities are acquired pursuant to and in accordance with an applicable exemption, as it may be amended, such as Prohibited Transaction Class Exemption (“**PTCE**”) 84-14 (an exemption for certain transactions determined by an independent qualified professional asset manager), PTCE 91-38 (an exemption for certain transactions involving bank collective investment funds), PTCE 90-1 (an exemption for certain transactions involving insurance company pooled separate accounts), PTCE 95-60 (an exemption for certain transactions involving insurance company general accounts), or PTCE 96-23 (an exemption for certain transactions determined by an in-house asset manager). U.S. governmental plans and certain church plans, while not subject to the fiduciary responsibility provisions of ERISA or the provisions of Section 4975 of the Code, may nevertheless be subject to local, state or other federal laws that are substantially similar to the foregoing provisions of ERISA and the Code. ANY PENSION OR OTHER EMPLOYEE BENEFIT PLAN, INCLUDING ANY SUCH GOVERNMENTAL OR CHURCH PLAN AND ANY INDIVIDUAL RETIREMENT ACCOUNT, PROPOSING TO ACQUIRE ANY U.S. SECURITIES SHOULD CONSULT WITH ITS COUNSEL.

By its purchase of any U.S. Security, the purchaser or transferee thereof will be deemed to represent, on each day from the date on which the purchaser or transferee acquires the U.S. Securities through and including the date on which the purchaser or transferee disposes of its interest in such U.S. Securities, either that (a) it is not a Plan, an entity whose underlying assets include the assets of any Plan by reason of Department of Labor Regulation section 2570.3-101 or otherwise, or a governmental or church plan which is subject to any federal, state or local law that is substantially similar to the provisions of Section 406 of ERISA or Section 4975 of the Code or (b) its purchase, holding and, disposition of such U.S. Securities (including, if applicable, the receipt of any Guaranty or Entitlement) will not result in a prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or in the case of a governmental or church plan, any substantially similar federal, state or local law) unless an exemption is available with respect to such transactions and all the conditions of such exemption have been satisfied.

Nothing herein shall be construed as a representation that any investment in U.S. Securities would meet any or all of the relevant legal requirements with respect to investments by, or is appropriate for, Plans generally or any particular Plan.

The above discussion may be modified or supplemented with respect to a particular offering of U.S. Securities, including the addition of further ERISA restrictions on purchase and transfer. Holders should consult the applicable Final Terms for such additional information.

- (ix) it will, and will require each subsequent Holder to, notify any purchaser of U.S. Securities from it of the resale restrictions referred to in paragraph (viii) above, if then applicable;
- (x) that U.S. Securities initially offered in the United States to QIBs will be represented by a Rule 144A Global Security, that U.S. Securities offered to AIs will be in the form of Private Placement Definitive Securities, and that, in each such case, the U.S. Securities offered outside the United States in reliance on Regulation S will be represented by a Regulation S Global Security;
- (xi) on each day from the date on which it acquires U.S. Securities through and including the date on which it disposes of its interests in such U.S. Securities, either that (a) it is not an “employee benefit plan” as defined in Section 3(3) of ERISA, subject to Title I of ERISA, a “plan” (defined in Section 4975(e)(1) of the Code, subject to Section 4975 of the Code (including without limitation, an individual retirement account), an entity whose underlying assets include the assets of any such employee benefit plan or plan by reason of Department of Labor Regulation section 2510.3-10 or otherwise, or a governmental or church plan which is subject to any federal, state or local law that is substantially similar to the provisions of Section 406 of ERISA or Section 4975 of the Code or (b) its purchase, holding and disposition of such U.S. Securities (including, if applicable, the receipt of any Guaranty or Entitlement) will not result in a prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or, in the case of a governmental or church plan, any substantially similar federal, state or local law) unless an exemption is available with respect to such transactions and all the conditions of such exemption have been satisfied.

- (v) that the AI is acquiring the Securities purchased by it for its own account or for one or more accounts (each of which is an AI) as to each of which it exercises sole investment discretion and has full power to make the foregoing acknowledgements, representations and agreements on behalf of each such account, and not with a view to any resale, distribution or other disposition of the Securities, subject, nevertheless, to the understanding that the disposition of its property shall at all times be and remain within its control;

- (viii) that the AI acknowledges that BNPP and others will rely upon the truth and accuracy of the foregoing acknowledgements, representations and agreements, and it agrees that if any of such acknowledgements, representations or agreements made by it are no longer accurate, it shall promptly notify BNPP; and
- (ix) that the AI acknowledges that it assumes all economic risk of loss that may occur as a result of changes in the prices of the Securities and the Relevant Assets in accordance with the terms of the Securities, and that it will not look directly or indirectly on BNPP or its affiliates to indemnify it for such loss, and that it expressly holds BNPP and its affiliates harmless in respect of any such loss.

None of the Securities, the Guarantees or, in the case of Physical Delivery Securities, the Entitlement to be delivered upon the exercise (in the case of Physical Delivery Warrants) or the redemption (in the case of Physical Delivery Certificates) of such Securities have been, or will be, registered under the Securities Act or any state securities laws and trading in the Securities has not been approved by the Commodity Futures Trading Commission under the United States Commodity Exchange Act, as amended. Neither Issuer has registered as an investment company pursuant to the Investment Company Act. Unless otherwise specified in the applicable Final Terms, the Securities are being offered and sold pursuant to the registration exemption contained in Regulation S under the Securities Act. If specified in the applicable Final Terms, certain issues of Securities of BNPP only may be offered and sold in the United States. Such U.S. Securities may only be offered and sold to (a) persons reasonably believed to be QIBs in reliance upon the exemption from the registration requirements of the Securities Act provided by Rule 144A and (b) certain AIs in reliance upon an exemption from the registration requirements of the Securities Act. In either such case, such U.S. Securities may concurrently be offered and sold to non-U.S. persons in offshore transactions in reliance on Regulation S. For further information on certain restrictions on resale, transfer, exercise and redemption, see "Notice to Purchasers and Holders of U.S. Securities and Transfer Restrictions." Securities Act or that are not non-United States Persons as defined in Rule 4.7 under the United States Commodity Exchange Act, as amended.

U.S. Securities are being offered from time to time within the United States by the Bank through BNP Paribas Securities Corp., a broker-dealer affiliate of the Bank (the “**Initial Dealer**”), or one or more other broker-dealers appointed by the Bank from time to time (collectively with the Initial Dealer, the “**U.S. Dealers**”). The U.S. Securities may be sold to each U.S. Dealer at a discount, as principal, for resale to investors or other purchasers at varying prices related to prevailing market prices at the time of resale, to be determined by such U.S. Dealer or, if so agreed, at a fixed offering price. The Bank will have the sole right to accept offers to purchase U.S. Securities and may reject any proposed purchase of U.S. Securities in whole or in part. Each U.S. Dealer will have the right, in its discretion reasonably exercised, to reject any proposed purchase of U.S. Securities through it in whole or in part.

The Bank has reserved the right to sell U.S. Securities through one or more other dealers in addition to the U.S. Dealers and directly to investors on its own behalf in those jurisdictions where it is authorized to do so. No commission will be payable by the Bank to any of the U.S. Dealers on account of sales of U.S. Securities made through such other dealers or directly by the Bank.

In addition, the U.S. Dealers may offer the U.S. Securities they have purchased as principal to other dealers. The U.S. Dealers may sell U.S. Securities to any dealer at a discount and, unless otherwise specified in the applicable Final Terms, such discount allowed to any dealer will not be in excess of the discount to be received by such U.S. Dealer from the Bank. Unless otherwise indicated in the applicable Final Terms, any U.S. Securities sold to a U.S. Dealer as principal will be purchased by such U.S. Dealer at a price equal to 100% of the principal amount thereof less a percentage equal to the commission applicable to any agency sale of U.S. Securities of identical maturity, and may be resold by the U.S. Dealer to investors and other purchasers as described above. After the initial offering of U.S. Securities to be resold to investors and other purchasers, the offering price (in the case of U.S. Securities to be resold at a fixed offering price), the concession and discount may be changed.

The Bank has agreed to indemnify each U.S. Dealer against, or to make contributions relating to, certain civil liabilities, including liabilities under the Securities Act.

The Initial Dealer has advised the Bank that the Initial Dealer may make a market in the U.S. Securities; however, the Bank cannot provide any assurance that a secondary market for the U.S. Securities will develop. After a distribution of a series of U.S. Securities is completed, because of certain regulatory restrictions arising from its affiliation with the Bank, the Initial Dealer may not be able to make a market in such series of U.S. Securities or, except on a limited, unsolicited basis, effect any transactions for the account of any customer in such series of U.S. Securities. Other broker-dealers unaffiliated with the Bank will not be subject to such prohibitions.

This Base Prospectus and any Final Terms may be used by affiliates of the Bank in connection with offers and sales related to secondary market transactions in the U.S. Securities. Such affiliates may act as principal or agent in such transactions. Such sales will be made at prices related to prevailing prices at the time of a sale.

BNP Paribas Securities Corp., the Initial Dealer for the U.S. Securities offered hereby, is a subsidiary of the Bank.

Each U.S. Dealer may be deemed to be an “underwriter” within the meaning of the Securities Act, and any discounts and commissions received by it and any profit realized by it on resale of the U.S. Securities may be deemed to be underwriting discounts and commissions.

Each purchaser of U.S. Securities offered hereby in making its purchase will be deemed to have represented and agreed with the Bank as set forth under “Notice to Purchasers and Holders of U.S. Securities and Transfer Restrictions” herein.

In connection with sales of U.S. Securities outside the United States, each U.S. Dealer will be required to agree that, except as described in the preceding paragraph, it has not offered, sold or delivered, and will not offer, sell or deliver, any Securities within the United States or to, or for the account or benefit of, U.S. persons (a) as part of its distribution at any time and (b) otherwise until 40 days after the later of the commencement of an offering and the closing date, and it will have sent to each dealer or distributor to which it sells such U.S. Securities during the Distribution Compliance Period a confirmation or other notice setting forth the restrictions on offers and sales of such U.S. Securities within the United States or to, or for the account or benefit of, U.S. persons.

In addition, until 40 days after the commencement of an offering of U.S. Securities pursuant to the registration exemption contained in Regulation S under the Securities Act, an offer or sale of such U.S. Securities within the United States by any dealer that is not participating in such offering may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with Rule 144A or another available exemption under the Securities Act.

Terms used above have the meanings given to them by Rule 144A and Regulation S.

The Final Terms in respect of any U.S. Securities will set forth additional information relating to the offering, sale or distribution of U.S. Securities.

- at any time in any other circumstances which do not require the publication by the relevant Issuer of a prospectus pursuant to Article 3 of the Prospectus Directive.

For the purposes of this provision, the expression an “**offer of Securities to the public**” in relation to any Securities in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Securities to be offered so as to enable an investor to

decide to purchase or subscribe the Securities, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression “**Prospectus Directive**” means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State.
