DELAYED CLOSING AND PURCHASER’S REQUEST TO DELAY

- a) The Purchaser shall pay interest on the outstanding balance of the Purchase Price at the rate described in the next sentence if the completion of the transactions contemplated in this IFB is delayed, and the delay is caused, directly or indirectly, by the Purchaser’s action or inaction and not by any action on the part of the Government. The interest rate shall be computed and begin accruing, as of the date of acceptance of the Accepted Bid, based on the yield of 10-year United States Treasury maturities as reported by the Federal Reserve Board in "Federal Reserve Statistical Release H.15" plus 1-1/2% rounded to the nearest one-eighth percent (1/8%).
- b) Any request by the Purchaser to extend the Closing Date is subject to the prior written approval of the Government. The Government reserves the right to refuse any such request. However, if the Government grants such request, the Government reserves the right to impose additional terms and conditions on any such grant.

GSA employees are prohibited from bidding on the Property.

ANTITRUST LAWS

The Agreement of Sale may be transmitted to the Attorney General of the United States for advice as to whether the sale would tend to create or maintain a situation inconsistent with anti-trust laws. SPECIFIC TERMS OF SALE

Notices and covenants pertaining to the following issues will be inserted in the Quitclaim Deed.

HAZARDOUS SUBSTANCE NOTIFICATION

CERCLA

Pursuant to Section 120(h)(4) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (CERCLA), 42 U.S.C. § 9620(h)(4), the Grantor hereby gives notice that no hazardous substances or petroleum products or its derivatives are known to have been released, or disposed of on the Property.

Pursuant to CERCLA Section 120(h)(4)(D)(i), 42 U.S.C. § 9620(h)(4)(D)(i), the Grantor warrants that any remedial action, response action or corrective action found to be necessary after the date of this conveyance shall be conducted by the United States of America. This covenant shall not apply in any case in which the Grantee, its successors(s), or assign(s), or any successor in interest to the Property or part thereof, is a Potentially Responsible Party with respect to the Property immediately prior to the date of this conveyance. This covenant shall not apply to the extent, but only to the extent, that such additional remedial action, response action or corrective action, or part thereof, found to be necessary is the result of an act or failure to act of the Grantee, its successor(s), or assign(s) or any party in possession after the date of this conveyance that either:

- A. results in a release or threatened release of a hazardous substance or a petroleum product or its derivative that was not located on the Property on the date of this conveyance; OR
- B. causes or exacerbates the release or threatened release of a hazardous substance or a petroleum product or its derivative the existence and location of which was known and identified to the applicable regulatory authority as of the date of this conveyance.

In the event the Grantee, its successor(s), or assign(s) seeks to have the Grantor conduct or pay for any remedial action, response action, or corrective action, and as a condition precedent to the Grantor incurring any obligation or related expenses, the Grantee, its successor(s), or assign(s) shall provide the Grantor at least 45 days written notice of such a claim and provide credible evidence that:

- A. the claimed hazardous substance or petroleum product or its derivative requiring remedial action, response action, or corrective action was located on the Property prior to the date of this conveyance in such quantity that the requested remedial action, response action, or corrective action by the Grantor was required under law applicable at the time of this conveyance; and
- B. the need to conduct any remedial action, response action, or corrective action, or part thereof, is and was not the result of any act or failure to act by the Grantee, its successor(s), or assign(s) or any party in possession.

Pursuant to CERCLA Section 120(h)(4)(D)(ii), 42 USC § 9620(h)(4)(D)(ii), the Grantor reserves a right of access to all portions of the Property for environmental investigation, remediation or other corrective action on this Property or on adjoining property. This reservation includes the right of access to and use of available utilities at reasonable cost to the Grantor. These rights shall be exercisable in any case in which a remedial action, response action, or corrective action is found to be necessary after the date of this conveyance, or in which access is necessary to carry out a remedial action, response action, or corrective action on adjoining property.

Pursuant to this reservation, the United States of America, and its respective officers, agents, employees, contractors and subcontractors shall have the right (upon reasonable advance written notice to the record title owner) to enter upon the Property and conduct investigations and surveys, to include drilling, test-pitting, borings, data and records compilation and other activities related to environmental investigation, and to carry out remedial or removal actions as required or necessary, including but not limited to the installation and operation of monitoring wells, pumping wells, and treatment facilities. The United States of America shall, to the extent practicable, coordinate any such entry, including such activities, responses or remedial actions, with the record title owner and perform any such entry in a manner that minimizes interruption with activities of authorized occupants.

WETLANDS

Potential freshwater emergent wetlands exist on the southern portion of the Property, and a potential riverine wetland is located just to the southwest of the Property. Compliance with Maine's Natural Resources Protection Act is required for regulated activities within or adjacent to wetlands. **See Attachment A Wetland Map.**

ENDANGERED SPECIES ON THE PROPERTY

Of the eleven federally listed species known to occur within the State of Maine, the United States Fish and Wildlife Service (USFWS) identified two threatened species, Canada Lynx and Northern Long-eared Bat, with the potential to occur on the Property. In addition, State-designated special status birds, bats, and invertebrates with ranges in Penobscot County may occur as either transient or resident species on the Property. Prior to conducting any ground disturbing activities at the Site, the owner must conduct an environmental site review through the Maine Natural Areas Program to determine known occurrences of special status species on the Site. **See Attachment B Endangered Species Report.**

TYPE OF SALE

The sale of the Property will be conducted through an online auction on the Website (the "**Auction**").

BIDS AND TERMS OF SALE

Bids to purchase must be ALL-CASH. The Purchaser must arrange for its own financing and pay the balance of the Purchase Price in full by the Closing Date. No Government credit terms are available. GSA has no information on the availability of private financing or on the suitability of the Property for financing.

STARTING BID

The amount of the starting Bid is **\$5,000**. Such amount does not represent the value of the Property but rather provides a reasonable starting point for the Auction. The Government seeks to obtain fair market value for the Property and reserves the right to reject any and all Bids.

BIDDER REGISTRATION AND DEPOSIT

a) Bidder registration is a three-step process. All steps must be fully completed in the manner described below.

1. **Complete Online Registration:** Bidders must register online at the Website. Once on the Website, click on "Register", establish a username and password and provide the requested account information. A username and password are used to register online and to place Bids. The password must be between eight and fifteen characters. Each Bidder will be asked to read and agree to the terms and conditions of the Website, which GSA hereby reserves the right to change. **Notwithstanding the above, each Bidder understands that the terms and conditions of this IFB shall govern in the event of any conflict between the terms and conditions of the Website and the terms and conditions of this IFB.** A Bidder that previously registered on the Website can login using the username and password that such Bidder previously established. It is the Bidder's responsibility to establish its username and password on the Website. In the event a Bidder forgets its username or password, or both, or is locked out from the Website, GSA staff cannot assist in retrieving a lost or forgotten username and/or password.

A Bidder may register on the Website as either an individual or as an entity provided, however, that the Bidder information submitted as a part of the registration on the Website must be the same information provided on the Bidder Registration Form. Any request to change the name of the Purchaser after acceptance of any Bid may be withheld or granted by the Government in its sole and absolute discretion. If an individual wishes to Bid on the Property as both an individual and as the authorized representative of an entity, such Bidder must ensure that the individual and the entity are separately registered and, thereafter, place Bids accordingly.

In accordance with Public Law No. 104-134, Section 31001, the Debt Collection Improvement Act of 1996, the TIN must be provided by anyone conducting business with the Federal Government, from which a debt to the Government may arise. Individuals cannot successfully register to Bid without providing a TIN. A TIN is defined as an individual's SSN or a business entity's EIN. If a Bidder registers as an individual, his or her SSN will be validated with such individual's name and address. If a Bidder registers as an entity, its EIN will be validated with such entity's name and address. The use of an individual's SSN is subject to the Privacy Act of 1974 (5 U.S.C. Section 552a), and will be collected only to verify the data submitted by the Bidder and for any refund of the Registration Deposit.

A credit card validation process will be conducted to prevent potential fraudulent bidding activity and to ensure that Bidders are prepared to accept responsibility for their bidding activity. **The credit card**

information provided as a part of the online registration process is used strictly for validation purposes. The Website does not automatically charge credit cards on file.

For more information and assistance with the online registration process, please go to the Website.

Registration Deposits must be provided in the form of a cashier’s check, certified check or credit card (Visa, MasterCard, Discover or American Express). Notwithstanding the prior sentence, if the Registration Deposit for the Property is greater than \$49,999.99, a credit card cannot be used to provide the Registration Deposit. Personal or company checks are NOT acceptable and will be returned to the sender. Checks must be made payable to: “U.S. General Services Administration.” If a Registration Deposit will be paid by credit card, Bidders must also provide the requested credit card information under the portion of the Bidder Registration Form titled “Registration Deposit”. The Registration Deposit cannot be made via the Website. All Registration Deposits paid by cashier’s check or certified check will be deposited with the U.S. Treasury, in a non-interest bearing account, promptly following the Government’s receipt of the same.
- b) To complete the Bidder registration process, send the completed Bidder Registration Form, along with the Registration Deposit, to:
- U.S. General Services Administration
Office of Real Property Utilization and Disposal (1PZ)
Thomas P. O’Neill Federal Building
10 Causeway Street, Room 1100
Boston, Massachusetts 02222
Attn: Lawanda Maryland
- If the Registration Deposit is to be paid by credit card, the Bidder Registration Form can also be submitted to GSA by fax at (617) 565-5720.
- c) At such time that the Bidder completes the online registration process on the Website, GSA receives the fully completed Bidder Registration Form, and GSA verifies the Bidder’s Registration Deposit is received and in satisfactory form, the Bidder will be allowed to participate in the Auction.
 - d) It is the responsibility of the Bidder to ensure that adequate time is available to complete the registration process as described above. The Government makes no representation or guarantee that any additional assistance or time will be provided to complete the registration process. No Bidder will be allowed to participate in the Auction until the entire registration process is complete.
 - e) Registration may occur at any time prior to the close of the Auction. The Government, however, makes no representation or guarantee that a Bidder’s registration will be completed prior to the announced date and time for the anticipated close of the Auction. Therefore, Bidders are encouraged to register before the Auction opens.
 - f) In the event a party completes the Bidder registration process, but never places a Bid on the Website, such party will be entitled to a refund of its Registration Deposit.

BIDDING IN GENERAL

- a) After successful completion of the registration process described above, Bidders are permitted to participate in the Auction. Registered Bidders may place Bids by following the instructions on the Website. By submitting a Bid through the Website, each Bidder agrees that its Bid is a binding offer to purchase the Property. This means that Bidders are legally bound by any and all Bids submitted using such Bidder's username and password.

The Website provides up-to-date information on a Bidder's bidding status. A Bidder can check its bidding status by clicking on the "Bid History" section of the Website.

- b) Bids received through the Website are date and time stamped Central Time. The Government will not be responsible for any discrepancies between the time indicated on the Website and any other time indicated, displayed, or otherwise stated or represented by a Bidder.
- c) Bids must be submitted without contingencies.
- d) The Website does not permit any party that is currently in default for non-payment or non-removal of items under any GSA auction to place a Bid. Once such party cures its default (and has registered to become a Bidder in accordance with the terms of this IFB), the Bidder will be permitted to place a Bid on the Website.

CONTINUOUS BIDDING RESULTS AND AUCTION INFORMATION

Bidders are strongly encouraged to monitor bidding activity on the Website. Bids are immediately posted on the Website upon receipt. If a Bidder does not have the High Bid and the Auction has not closed, that Bidder can place another Bid. Bids cannot be lowered or canceled provided, however, that a Bidder can decrease the maximum amount of its proxy Bid to the extent and in the manner described in the Flat Bidding and Proxy Bidding; Increasing a Bid Online Section below.

If a Bid is not accurately shown on the Website, call GSA at 617-565-5700. Bidders are urged to pay close attention to the Website which will contain new, revised, and useful information regarding the High Bid, the Bid Increment and the closing date of the Auction. It is each Bidder's responsibility to monitor the Website for any updates to the Property and the IFB.

FLAT BIDDING AND PROXY BIDDING; INCREASING A BID ONLINE

- a) The Website allows Bidders to place flat Bids or proxy Bids:
 1. A flat Bid is a Bid with an amount that is at least the then lowest amount that the Website will allow to be placed in order to participate in the Auction. This means that a flat Bid will be either: (i) an amount that is at least the starting amount of the Auction (if a Bidder is the first Bidder to place a Bid); or (ii) an amount that is at least the then current High Bid plus the Bid Increment. This amount will not increase unless such Bidder manually submits another Bid on the Website.
 2. Proxy bidding provides a Bidder with the ability to submit a Bid with a maximum amount that a Bidder is willing to pay for the Property, provided, however, that such maximum amount must be greater than the then current High Bid plus the Bid Increment. Note that such maximum amount does not need to be a numeric multiple of the Bid Increment, but must be a whole dollar amount. If a Bidder uses proxy bidding, the Website will automatically incrementally Bid on that Bidder's behalf to keep that Bidder's Bid as the then current High Bid until such maximum amount is reached. This means that, in certain instances, an amount greater or lesser than the Bid Increment may be placed by the Website. The maximum amount that a Bidder includes in its proxy Bid is not disclosed to other Bidders.
- b) If a Bidder selects to receive e-mail notifications during registration, the Website will provide notification to such Bidder if its Bid is no longer the then current High Bid. If a Bidder desires to submit another Bid, it can

submit another flat Bid or reset its maximum Bid amount under its proxy Bid until such time that the Auction closes. The Registration Deposit will apply to all subsequently placed Bids.

- c) When two proxy Bids compete, the proxy Bid containing the higher maximum amount that a Bidder is willing to pay for the Property will surpass the proxy Bid containing the lesser maximum amount that a Bidder is willing to pay for the Property even if the higher maximum amount does not exceed the lesser maximum amount by the full Bid Increment. In such a case, this means that the higher maximum amount of the proxy Bid will be placed. In the event an amount under a proxy Bid equals the amount placed by a flat Bid, the proxy Bid will be deemed to have surpassed the flat Bid and the Website will place the amount of the proxy Bid in a manner that indicates such priority.
- d) A Bidder may increase or decrease its maximum amount under its proxy Bid at any time provided, however, that a Bidder may not decrease its maximum amount below the then current High Bid plus Bid Increment. If a Bidder's Bid is the then current High Bid, increasing such Bidder's maximum amount under its proxy Bid will not increase such High Bid unless and until another Bid is placed.
- e) **All Bids must be made on the Website. The Government reserves the right to modify the Bid Increment at any time prior to the close of the Auction.**

TRANSMISSION AND RECEIPT OF BIDS

The Government will not be responsible for any failure attributable to the inability of the Bidder to transmit a Bid or the inability of the Government to receive a Bid for whatever reason. Failure to receive a Bid may include, but is not limited to the following:

- a) Receipt of a garbled or incomplete Bid.
- b) Availability or condition of the sending or receiving electronic equipment.
- c) Incompatibility between the sending and receiving equipment and software.
- d) Malfunctioning of any network, computer hardware or software.
- e) Delay in transmission or receipt of a Bid.
- f) Failure of Bidder to properly identify the Bid.
- g) Security of Bid data.
- h) Inability of Bidder to enter a Bid. For example: due to lost or forgotten password or system lock due to repeated login failures.
- i) Unavailability of GSA personnel.

If a Bid is not accurately shown or a Bidder cannot enter a Bid on the Website, call GSA at 617-565-5700 for assistance.

The Website will NOT be available during the following system maintenance windows:

- Saturday: 5:00 a.m. to 8:00 a.m. CT
- Sunday: 6:00 a.m. to 10:00 a.m. CT

The Website may NOT be available during the following system maintenance window:

- Wednesday: 5:00 a.m. to 6:30 a.m. CT

AUCTION CLOSE

- a) Posting of the Initially Anticipated Close of Auction. The Government will post on the Website a date and time on which the auction is anticipated to close (the “**Initially Anticipated Close Date**”). Such posting will be made at least three business days prior to the Initially Anticipated Close Date. At the time of such posting, the time remaining prior to the Initially Anticipated Close Date will be shown on a “countdown clock” on the Website.
- b) Inactivity Period and Closing of Auction. In order for the Auction to close, the High Bid must remain unchanged for twenty-four hours (the “**Inactivity Period**”). The Inactivity Period will be posted on the Bidding Details section of the Website for the Property, after the announcement of the Initially Anticipated Close Date. If a new High Bid is received within the Inactivity Period or if the maximum amount that a Bidder is willing to pay for the Property under a proxy Bid is changed within the Inactivity Period, the Auction will extend for an additional twenty-four (24) hours promptly after posting of the new High Bid or changing of such maximum amount under a proxy Bid. The “countdown clock” will adjust accordingly to show the time remaining prior to the new anticipated close of the Auction. Each time a new High Bid is placed during an Inactivity Period or such maximum amount under a proxy Bid is changed during an Inactivity Period, the Auction will extend for an additional twenty-four (24) hours promptly after posting of the new High Bid or changing of such maximum amount under a proxy Bid. If the High Bid remains unchanged for a full twenty-four hour Inactivity Period, the Auction will close

Notwithstanding the foregoing, the Auction will not close if the Inactivity Period ends between: (i) 12:01 a.m. on Saturday through 11:59 p.m. on Sunday (“Weekend”); or (ii) 12:01 a.m. through 11:59 p.m. on any Federal Holiday (“Federal Holiday”). If the Inactivity Period ends on a Weekend or Federal Holiday, the Auction will automatically extend to the same time on the first business day following the Weekend or Federal Holiday. Federal Holidays are listed here. (<https://www.opm.gov/faqs/QA.aspx?fid=e64d74ab-20a3-484c-8682-d2a2b46c22da&pid=c41e6beb-0c14-449d-bde5-355a3a3014cd>). Examples are in the table below:

<i>Bid made on:</i>	<i>New closing time</i>	<i>New Inactivity Period</i>
<i>9 pm on Friday</i>	<i>9 pm on Monday</i>	<i>72 hours</i>
<i>11:30 am on Saturday</i>	<i>11:30 am on Monday</i>	<i>48 hours</i>
<i>4:40 pm on Sunday</i>	<i>4:40 pm on Monday</i>	<i>24 hours</i>

CONTINUING OFFERS

Each Bid received shall be deemed to be a continuing offer to purchase the Property until the earlier of: (a) **30 calendar days** after the close of the Auction; or (b) the Bid is accepted or rejected by the Government. If the Government desires to accept any Bid after the expiration of such 30 calendar day period, the consent of the appropriate Bidder shall be obtained prior to such acceptance. Notwithstanding the foregoing, the Bid of the Backup Bidder shall be deemed to be a continuing offer to purchase the Property for the period of time that the Government retains the Registration Deposit of the Backup Bidder, as further described in the “Backup Bidder” Section below.

GOVERNMENT’S RIGHT TO ACCEPT A BID

Following the close of the Auction, the Government shall have the right (but not the obligation) to accept a Bid that is most advantageous to the Government as determined by the Government in its sole and absolute discretion. Notwithstanding the foregoing, the amount of the Bid will be the premiere factor used by the Government in determining whether to accept a Bid and, unless another factor raises a concern as to the validity of the High Bid

at the close of the Auction and/or the ability of the Bidder of such High Bid to complete the transactions contemplated by this IFB, it will be the only factor used.

BID EXECUTED ON BEHALF OF BIDDER

- a) If the Bidder Registration Form is executed by an attorney or agent on behalf of the Bidder, it shall be accompanied by an authenticated copy of their Power of Attorney or other evidence of their authority to act on behalf of the Bidder.
- b) If the Bidder is a corporation, the Certificate of Corporate Bidder, included in this IFB, must be executed and accompany the Bidder Registration Form. Such certificate must be executed under the corporate seal of the Bidder by a duly authorized officer of the corporation other than the officer signing the Bidder Registration Form. In lieu of the Certificate, there may be attached to the Bidder Registration Form, copies of so much of the records of the corporation as will show the official character and authority of the officer signing the Bidder Registration Form, duly certified by the secretary or assistant secretary, under the corporate seal, to be true copies.
- c) If the Bidder is a partnership and all partners sign the Bidder Registration Form with a notation that they are all general partners, the Government will not ordinarily require any further proof of the existence of the partnership. If all the partners do not sign the Bidder Registration Form, then the names of all those except limited partners must be furnished on the Bidder Registration Form and the Government, in its discretion, may require evidence of the authority of the signer(s) to execute the Bidder Registration Form on behalf of the partnership.
- d) If the Bidder is a limited liability company, a Certificate of Corporate Bidder, included in this IFB, must be completed and executed by the manager of the limited liability company, and accompany the Bidder Registration Form.

NOTICE OF ACCEPTANCE OR REJECTION

Notice by the Government of acceptance or rejection of the Bid shall be deemed to have been sufficiently given when faxed or mailed to the Bidder or its duly authorized representative at the fax/phone number or address indicated in the Bidder Registration Form. Rejection of a Bid shall also be deemed to have been sufficiently given upon the refund of a Registration Deposit, as described in the Refund of Registration Deposits Section below. The processing of a Registration Deposit by the Government shall not, in itself, constitute acceptance of any Bid. The Government reserves the right to reject any or all Bids or portions thereof for any reason.

AUCTION SUSPENSION OR CANCELLATION

The Government reserves the right to temporarily suspend or cancel the Auction for any reason (or no reason) without accepting any Bid and, further, has the right to resume the Auction or start a new auction at any time. In the event of a temporary suspension of the Auction due to technical problems or other bidding issues, the Government will re-open bidding with the High Bid that was posted to the Website immediately prior to the occurrence of such problems or issues, and allow the Auction to proceed according to the bidding terms described herein. The Government reserves the right to cancel the sale of the Property and/or Auction at any time and Registration Deposits will be returned to Bidders without interest or further obligation by the Government.

ADDITIONAL DEPOSIT AND TRANSACTION CLOSING

Within three (3) business days of acceptance of the Accepted Bid, the Purchaser agrees to deposit an additional amount (the "**Additional Deposit**") in the form of a certified check or cashier's check, which when added to the Registration Deposit, will equal at least ten percent (10%) of the Purchase Price. Failure to provide the Additional Deposit will result in a default and forfeiture of the Registration Deposit. At the time of closing, all monies paid by the Purchaser will be credited, without interest, towards the Purchase Price.

REFUND OF REGISTRATION DEPOSITS

- a) Registration Deposits accompanying Bids that are rejected will be refunded to Bidders without interest. Bidders who provided Registration Deposits by check may elect to receive the refund by U.S. Treasury check or by EFT. Bidders will be required to provide GSA with a TIN to ensure the proper refund of the Registration Deposit by the U.S. Treasury. The TIN may be either a SSN or an EIN. The use of an individual's SSN is subject to the Privacy Act of 1974 (5 U.S.C. Section 552a), and will be collected only for the proper refund of the Registration Deposit. Refunds will only be processed to the same individual or entity identified by the TIN. Bidders requesting to receive a refund by EFT will be required to provide additional information to GSA including bank account information to process the refund. Registration Deposits provided by credit card will be credited to the same account number provided.
- b) The Registration Deposit received from the Backup Bidder will be held in the manner described in the section immediately below. The Registration Deposit of the Bidder with the Accepted Bid will be held in accordance with the Agreement of Sale. All other Registration Deposits will be processed for refunds after the close of the Auction, or upon written request to withdraw from the Auction, unless the bidder is the first or second high bidder. Refunds by U.S. Treasury check or by EFT will be processed in a timely manner but may require several weeks to complete. Refunds to a credit card will usually be processed within three business days.

BACKUP BIDDER

The Government may elect to accept the Bid of the Backup Bidder if the Bidder of the originally Accepted Bid is unable to fully complete the transactions according to the terms and conditions of this IFB including, without limitation, if such Bidder fails to provide the Additional Deposit. The Backup Bidder's Registration Deposit may be retained, at the Government's discretion, without interest, until the Bidder of the originally Accepted Bid completes the transactions. If the Government elects to accept the Bid of the Backup Bidder, then the Backup Bidder becomes the Purchaser under the Agreement of Sale.

The Registration Deposit of the Backup Bidder will be returned in the event the Government does not elect to accept the Bid of the Backup Bidder. In the event that the Government is unable to complete the transaction with both the Bidder of the originally Accepted Bid and with the Backup Bidder, the Government reserves the right to consider the other remaining Bid(s) and accept any of the same if it is in the best interest of the Government, as determined by the Government in its sole discretion provided, however, that the Government will use the same evaluative factors described in the Government's Right to Accept a Bid Section above.

ADDITIONAL INFORMATION

GSA will make reasonable efforts to answer requests for additional information concerning the Property to facilitate preparation of Bids.

BIDDER RESPONSIBLE FOR UNDERSTANDING THE IFB AND THE AUCTION

Each Bid shall be deemed to have been made with full knowledge of all terms, conditions, and requirements contained in this IFB and any amendments made thereto prior to the acceptance of a Bid by the Government. Bidders are strongly encouraged to review the information pertaining to the Property on the Website. Bidders understand and agree that any notices of changes to the terms of the IFB and/or the Auction are satisfactory when made available on the Website

WAIVER OF INFORMALITIES OR IRREGULARITIES

The Government may, at its election, waive any minor informality or irregularity in Bids received.
