DIRECTOR OF ATHLETICS MIKE CRAGG

Dear St. John's Supporters,

As I reflect on what has been a memorable year for St. John's Athletics, I become even more proud of all the accomplishments by our student-athletes, coaches, staff, and administrators who once again helped lift our department to new heights in 2022-23.

To be sure, there were many extraordinary moments and unforgettable victories on and off the field of play, all of which are a testament to the commitment and generosity of our loyal supporters. Thanks to 1,629 members of the Red White Club, St. John's Athletics was able to make significant enhancements to the student-athlete experience ranging from facility enhancements to new support services.

In competition, St. John's was once again represented well on the national stage as the women's basketball team advanced in the NCAA Tournament while our men's tennis program also competed in the NCAA Tournament after capturing its seventh BIG EAST title. The Red Storm celebrated individual champions with men's golfer Jack Simon winning the BIG EAST championship and men's fencer Jan Jurkiewicz taking home the NCAA title in foil.

This past year, we welcomed many talented coaches, administrators, and staff to our department, including Naismith Memorial Basketball Hall of Fame coach Rick Pitino. Coach Pitino and his staff worked hard to assemble a roster that is prepared to return St. John's Basketball to prominence. After 48 years of service to St. John's, we also celebrated Kathy Meehan who retired in July after a decorated career working in the Department of Athletics. Among a long list of accomplishments, Kathy most notably helped lead the development of Division I women's sports at St. John's and was influential in the creation and evolution of the BIG EAST Conference.

St. John's student-athletes continued their academic excellence. Our 350+ student-athletes registered a cumulative 3.55 grade point average while eleven teams and two spirit teams posted a GPA above 3.5. A total of 84 student-athletes were selected to the National College Athlete Honor Society, Chi Alpha Sigma. The Red Storm also set a school record with 246 student-athletes being named to the BIG EAST All-Academic Team. Our men's lacrosse and men's soccer teams each received BIG EAST Team Academic Awards and Jack Simon earned the BIG EAST Sport Excellence Award for men's golf.

I am also incredibly proud of the advancements of the St. John's UNLIMITED program this past year, which has kept our department at the forefront of collegiate athletics for the Name, Image, and Likeness (NIL) resources that are available to Red Storm student-athletes. In the fluid landscape of NIL, St. John's remains committed to providing opportunities for our student-athletes to profit from NIL.

These achievements and many more are detailed in this report. Collectively, we achieved excellence throughout our department and remain a point of pride for St. John's University. On behalf of St. John's Athletics, I thank you for all your support and look forward celebrating our future successes with you.

Sincerely,

Mike Cragg
Director of Athletics
St. John's University

ST. JOHN'S FINDS SUCCESS ON THE COURT

The St. John's women's basketball team enjoyed its first 20-win season since the 2016-17 campaign, earning an at-large bid for its 11th NCAA Tournament appearance. Reigning BIG EAST Head Coach of the Year Joe Tartamella led his squad to a 23-win campaign with no game more crucial than the 66-64 victory over Purdue in the First Four game of the Big Dance. Unanimous All-BIG EAST First Team selection Jayla Everett capitalized on a floater with 0.3 seconds remaining in regulation to knock off the Boilermakers, 66-64, part of a 20-point showing for the grad transfer.

ST. JOHN'S WOMEN'S BASKETBALL

The St. John's men's tennis program also found success on the court, capturing its seventh BIG EAST title in program history and its fifth in the past nine seasons. Head Coach Dillon Pottish guided his squad to the tournament's championship match in each of his four seasons, earning his second conference title behind a 4-0 sweep of Butler. Diogo Marques was named the BIG EAST Tournament Most Outstanding Player after going undefeated in both singles and doubles competitions across three tournament matches.

JOHNNIES SHINE IN POSTSEASON PLAY

St. John's foil fencer Jan Jurkiewicz captured the program's first individual NCAA Championship since 2019 after a dominant performance in Durham, N.C. The Poland native racked up 20 wins in pool play to secure the second seed in the elimination rounds. Jurkiewicz logged 112 touches to his opponents' 61 in the round-robin stage of the competition. The senior edged out Notre Dame's Marcello Olivares, 15-11, before outlasting Princeton's Mohamed Hamza, 15-13, to capture the men's foil crown.

Red Storm men's golfer Jack Simon became the eighth Johnnie and first in nine years to claim the BIG EAST Individual Championship with a 3-under 213 score in the 54-hole competition. The Sparta, N.J., native birdied on the final hole to force a playoff with Marquette's Bhoom Sima-Aree. Simon capitalized with another birdie after an incredible approach shot fell three feet from the cup to secure the conference title. The fifth-year golfer went on to finish 68th in the NCAA Regional held in Bath, Michigan, at Eagle Eye Golf Club.
