

# COMMENCEMENT

May 2017

Iowa City, Iowa

THE UNIVERSITY  
OF IOWA

Cover Design: The cover design represents the gold and topaz medallion worn by The University of Iowa president at formal academic ceremonies on campus. The medallion was designed and made by Karen Cantine as part of the work for her M.A. conferred August 4, 1965.

**THE UNIVERSITY OF  
IOWA COMMENCEMENT  
CEREMONIES**

**Thursday,  
May 11, 2017**

**College of Pharmacy**  
Hancher Auditorium  
10:00 a.m.

**Friday,  
May 12, 2017**

**Tippie MBA Program**  
Hancher Auditorium  
9:00 a.m.

**College of Law**  
Hancher Auditorium  
2:00 p.m.

**Carver College of Medicine**  
**M.D./M.M.E.**  
Hancher Auditorium  
6:30 p.m.

**Graduate College**  
Carver-Hawkeye Arena  
7:00 p.m.

**Saturday  
May 13, 2017**

**Nursing**  
Hancher Auditorium  
9:00 a.m.

**Liberal Arts and Sciences**  
Carver-Hawkeye Arena  
9:00 a.m.

**Liberal Arts and Sciences**

## **Recycle Like A Hawk!**

This program is printed on recycled paper and can be recycled after the Commencement Ceremony.

The University of Iowa is committed to integrating sustainable practices into all University programs and activities while ensuring a memorable and positive experience at every event. Please note, all graduates have been provided with their own copy of the Commencement program. Programs are available to order at:

<https://registrar.uiowa.edu/commencement-programs>

Thank You!

# ONE HUNDRED AND SEVENTY-FIRST YEAR OF THE UNIVERSITY

## *The University of Iowa*

J. Bruce Harreld, B.E., M.B.A.  
*President*

Susan J. Curry, B.A., M.A., Ph.D.  
*Interim Executive Vice President and Provost*

Rod Lehnertz, B.S., M.B.A.  
*Senior Vice President for Finance and Operations*

Terry Johnson, B.A., M.B.A.  
*Chief Financial Officer and Treasurer*

Daniel A. Reed, B.S., M.S., Ph.D.  
*Vice President for Research and Economic Development*

Thomas R. Rocklin, A.B., M.S., Ph.D.  
*Vice President for Student Life*

Carroll J. Reasoner, B.A., J.D.  
*Vice President for Legal Affairs and General Counsel*

## **HENRY B. TIPPIE COLLEGE OF BUSINESS**

Sarah Fisher Gardial, B.S., M.B.A., Ph.D.  
*Dean*

## **COLLEGE OF DENTISTRY**

David C. Johnsen, B.S., D.D.S., M.S.  
*Dean*

## **COLLEGE OF EDUCATION**

Daniel L. Clay, B.A., M.A., Ph.D.  
*Dean*

## **COLLEGE OF ENGINEERING**

Alec B. Scranton, B.S., Ph.D.  
*Dean*

## **GRADUATE COLLEGE**

John C. Keller, B.S., M.S., Ph.D.  
*Dean and Associate Provost for Graduate Education*

## **COLLEGE OF LAW**

Gail B. Agrawal, B.A., M.P.H., J. D.  
*Dean*

## **COLLEGE OF LIBERAL ARTS AND SCIENCES**

Chaden Djalali, B.S., M.S., Ph.D.  
*Dean*

## **ROY J. AND LUCILLE A. CARVER COLLEGE OF MEDICINE**

Jean E. Robillard, B.A., M.D.  
*Dean and Vice President for Medical Affairs*

## **COLLEGE OF NURSING**

Thad R. Wilson, R.N., Ph.D.  
*Interim Dean*

## **COLLEGE OF PHARMACY**

Donald E. Letendre, B.S., Pharm.D.  
*Dean*

## **COLLEGE OF PUBLIC HEALTH**

Keith J. Mueller, B.A., M.A., Ph.D.  
*Interim Dean*

## **UNIVERSITY COLLEGE**

Lon D. Moeller, B.B.A., M.A., J.D.  
*Dean and Associate Provost for Undergraduate Education*

## **INTERNATIONAL PROGRAMS**

Downing Thomas, B.A., M.A., Ph.D.  
*Associate Provost and Dean*

## **UNIVERSITY LIBRARIES**

John P. Culshaw, B.A., M.S.  
*University Librarian*

## **UNIVERSITY OF IOWA HOSPITALS AND CLINICS**

Kenneth P. Kates, B.S., M.B.A.  
*Chief Executive Officer, UI Hospitals and Clinics*

## **STATE HYGIENIC LABORATORY**

Christopher G. Atchison, A.B., M.P.A.  
*Director*

## HONORARY DEGREES

The University of Iowa, with approval of the Board of Regents, State of Iowa, confers Honorary Degrees to individuals who have demonstrated extraordinary achievements in such areas as research, scholarship, education, artistic creation, social activism, human rights, humanitarian outreach, or as recognized by the faculty as being consistent with the values of higher education.

Honorary degrees may be conferred at commencement ceremonies in the appropriate college or at University convocations. Honorary degrees are typically conferred only when the honoree is present. On rare occasions an honorary degree may be conferred in absentia.

The first honorary degree was awarded in 1962; no honorary degrees were conferred from June 1, 1981 to 2007. Over thirty honorary degrees have been awarded, and two have been approved, but have not yet been conferred.

For more information on honorary degrees, or to see a list of award recipients, please visit <https://uiowa.edu/honorarydegrees>.

The University of Iowa is pleased to make the following awards in May 2017:

### MARTÍN-JOSÉ SEPÚLVEDA – HONORARY DOCTOR OF SCIENCE

Through his visionary leadership over a three-decade career with the IBM Corporation, Dr. Martín-José Sepúlveda established IBM as a health care innovator in the U.S. private sector. He was instrumental in the development of a “well-being and total health management” framework—which recognizes the importance of promoting physical, mental, emotional, and social health—that has since become a model for other employers around the globe. In 2009, IBM elevated him to the title of IBM Fellow, its most prestigious technical honor, for “having advanced national priorities for healthcare delivery reform, healthier people and healthier workplaces.”

Dr. Sepúlveda is the recipient of honors from the American College of Physicians, the American Academy of Pediatrics, and the American Academy of Family Physicians in recognition of his contributions to internal medicine, primary care, and children’s health. He holds the rank of Fellow in the American College of Physicians, the American College of Occupational and Environmental Medicine, and the American College of Preventive Medicine. He was elected to membership in the Institute of Medicine (now the National Academy of Medicine) in 2014.

After completing a fellowship in internal medicine at the University of Iowa Hospitals and Clinics in 1984-85, Sepúlveda remained closely affiliated with the University of Iowa. He is a charter member of the College of Public Health’s Board of Advisors, and was a founding member of the External Advisory Committee of the UI Health Workforce Center for Excellence, serving in that role from 2006 until 2013. In 2003 he received the university’s highest alumni honor, the Distinguished Alumni Award for Achievement; and in 2013 he received the College of Public Health’s highest honor, the Richard and Barbara Hansen Leadership Award and Distinguished Lectureship.

The University of Iowa wishes to recognize Martín-José Sepúlveda for his contributions in developing and promoting new thinking and innovative business practices in support of better health at the individual, family, corporate, and community levels.

### TED WAITT – HONORARY DOCTOR OF HUMANE LETTERS

A native of Sioux City, Iowa, Waitt attended the Universities of Colorado and Iowa. At 22, he co-founded Gateway 2000, Inc., manufacturing custom built computers for homes and businesses. After Gateway went public in 1993, Waitt became the CEO of a Fortune 500 company at the age 30. Under his direction, the company grew to employ over 20,000 people worldwide, with 10,000 working in the Midwest alone, and revenues totaling close to \$10 billion.

Since retiring from Gateway in 2004, Mr. Waitt has brought his signature change-making leadership to a range of social issues through high impact, breakthrough philanthropy. He founded the Waitt Foundation, The Waitt Institute for Violence Prevention, and The Waitt Institute to advance his visionary philanthropic goals. The Waitt Foundation, a grant making organization, has invested over \$60 million in various ocean conservation initiatives principally through the National Geographic Society. The Foundation also provided the financial support for the creation of the Waitt Advanced Biophotonics Center at the renowned Salk Institute. The Waitt Institute for Violence Prevention is committed to breaking the cycle of violence in our homes, schools, and communities at a local and national level. Established more recently, the Waitt Institute, an operating organization, is committed to helping small coastal communities develop and implement comprehensive, science-based, community-driven solutions for sustainable ocean management. Mr. Waitt was elected Chair of the Salk Institute’s Board of Trustees in 2016, after serving as a Trustee for more than a decade. He is a member of the Executive Committee of the Board of Trustees of the National Geographic Society (NGS), and is the largest living individual donor to the NGS.

The University of Iowa wishes to recognize Ted Waitt for his extraordinary contributions as an entrepreneur and for his visionary philanthropy.

## Master of Arts in Teaching

Jacob Donald Byers, *Cedar Falls*  
Teaching and Learning  
Travis Roy Freese, *Iowa City*  
Teaching and Learning  
Spencer Jeremiah Gibson IV,  
*Saint Petersburg, FL*  
Teaching and Learning  
Jenna Joan Glaza, *Tripoli*  
Teaching and Learning  
Angela Gail Harger, *Cedar Rapids*  
Teaching and Learning  
Gina Marie Johnson, *Orland Park, IL*  
Teaching and Learning  
Hannah Denise Kroska, *Clive*  
Teaching and Learning  
Kaitlin Mary Mitchell, *Marion*  
Teaching and Learning  
Nicholas John Newcomer, *Iowa City*  
Teaching and Learning  
Elizabeth Mary Schupp, *Des Moines*  
Teaching and Learning  
Jeffrey Earl Surratt, *Iowa City*  
Teaching and Learning

Jacob William Swift, *Marengo*  
Teaching and Learning

Michael Whetstone, *Ely*  
Teaching and Learning

Lauren Yuen, *Skokie, IL*  
Teaching and Learning

Christina Zinkgraf, *Tacoma, WA*  
Teaching and Learning

## Specialist in Education

Joshua Ehn, *Oelwein*  
Educational Policy and Leadership  
Studies

Rene Joseph Carpio Holmes-Leopold,  
*Mount Vernon*  
Educational Policy and Leadership  
Studies

Eric Moy, *Iowa City*  
Educational Policy and Leadership  
Studies

Gretchen Price, *Marion*  
Educational Policy and Leadership  
Studies

Anna Day Ryan, *Omaha, NE*  
Psychological and Quantitative  
Foundations

Katherine Elizabeth Schabilion, *Long Grove*  
Psychological and Quantitative  
Foundations

Erin L. Witek, *Iowa City*  
Psychological and Quantitative  
Foundations

## Master of Computer Science

Tejaswi Rohit Anupindi, *Mumbai, India*

HanQin Cai, *Shanghai, China*

Aniket Chitale, *Iowa City*

Lucas John Franzen, *Arlington*

Shanu Gandhi, *Khandwa, India*

Albert Anthony Giegerich, *Mount Vernon*

Ananda Carl Guneratne, *Saint Paul, MN*

Haider Hameed, *Lahore, Pakistan*

Dat Tien Hong, *Ho Chi Minh City, Vietnam*

Sai Kalyan Moguloju, *Hyderabad, India*

Siddhartha Kodali, *Vijayawada, India*

Ajinkya Kulkarni, *Indore, India*

Chanakya Kumar, *Mumbai, India*

Lufan Li, *Shenyang, China*

Qiao Liang, *Chengdu, China*

Akshay Maheshwari, *Pune, India*

Ossian Mogensen, *Moline, IL*

Mohit Navlakha, *Manawar, India*

Adrian Pereira

Ankur Shrivastava, *Indore, India*

Rishabh Singh, *Aligarh, India*

Avinash Talreja, *India*

Balaji Thirupathi, *Chennai, India*

Suleyman Uslu, *Iowa City*

Arjun Viswanathan, *Hyderabad, India*

Yang Yang, *Hanzhong, China*

Xiangyu Zhang, *Hangzhou, China*

## Master of Health Administration

Charles Oludayo Ajayi, *Iowa City*

Tyler Ray Bennett, *Hartselle, AL*

Jace Brady, *Charlottesville, VA*

Kristin Nicole Bramow, *Iowa City*

Jordan Lindsay Brelje, *Harlan*

Christopher M. Carter, *Rolling Meadows, IL*

Carlynn Marie Correll, *Iowa City*

Eleanore Grayson Dusheck, *Anamosa*

Catherine Ann Gehlsen, *Ankeny*

James F. Hansen, *Iowa City*

Aaron Michael Horsfield, *Peosta*

Kaitlyn M. Hunsberger, *Dixon, IL*

Joseph Kim, *Wilmette, IL*

Matthew Alexander Knoedel, *Iowa City*

Bryson Kruthoff, *Iowa City*

David T. Nelson, *Rochester, MN*

Swati Mahendrabhai Panchal, *Urbandale*

Jean Marie Prahm, *North Liberty*

Bailey Amanda Price, *Overland Park, KS*

Anna M. Saxon, *Andover, MN*

Cory Stetson, *Edmond, OK*

Ryan Marc Syverson, *Katy, TX*

Ashlee Nicole Venema, *Bettendorf*

## Master of Public Health

Kathleen Marie Andruch, *Edinburg, IL*

Mara Rose Cheney, *Iowa City*

Brian Keith Davidson, *Prattville, AL*

Isabella Clifford De Soriano, *Iowa City*

Natalie A. Debernardi, *MI*

Margaret Douglas, *Iowa City*

Amr Fikry El-Bokl, *Iowa City*

Stephanie Lee Frana, *Ridgeway*

Christine Yasmine-Widad Harb, *Davenport*

Emily Elizabeth Hejna, *Riverside, IL*

Chelsea Diane Hicks, *Madison, MS*

Jenna Brounley Hohenboken, *Hillsdale, IL*

Kayla Lynn Hoogendoorn, *Sheldon*

Aaron Michael Horsfield, *Peosta*

Nina Jovanovic,  
*Zenica, Bosnia and Herzegovina*

Amanda Kahl, *Oakland*

Alison Beth Kaufman, *Clinton Corners, NY*

Denise Eileen Konetchy, *Troy, ID*

Carrie M. Linn, *Carson City, NV*

Megan M. Neal, *Iowa City*

Chibuikwe Bruno Obioha, *Collierville, TN*

Sarah Dawn Post, *Crete, NE*

David Dinh Phuong Quach, *Sioux City*

Mary Tatjana Aspi Ramos, *Iowa City*

Jo Leah Robertson, *Saint Ann, MO*

---

• Award granted posthumously

Thomas J. Sayre, *Cedar Rapids*

Audrey Elizabeth Tran Lam, *Vinton*

Laurel Tuggle, *Iowa City*

Kayla Wells, *Beeville, TX*

Mariah Kateland Zeigler, *Albuquerque, NM*

## Candidates for Degrees

# College of Liberal Arts and Sciences

## Bachelor of Arts

Maisara Abdelrazig  
Honors in International Studies

Nurain Syuhadah Abdul Rahman,  
*Melaka, Malaysia*  
Mathematics

October Jo Abel, *Johnston*  
Psychology

Natali Marwan Abo Issa, *Iowa City*  
Enterprise Leadership

Lily Suzanne Hanson Abromeit,  
*Lawrence, KS*  
International Studies  
Journalism and Mass Communication

Nicolette Elise Abruzino, *Iowa City*  
Communication Studies

Amber Rae Adams, *Meriden*  
Interdepartmental Studies

Samuel Nathan Adelman,  
*Arlington Heights, IL*  
Communication Studies

Daniel James Aeschliman, *Dunlap, IL*  
Enterprise Leadership

Martin Aguilera, *Davenport*  
Biochemistry

Christina Ann Aiello, *Arlington Heights, IL*  
Journalism and Mass Communication

\*\*Emily Anne Aigner, *Iowa City*  
Health and Human Physiology

Christine Vanity Alarcon, *Bartlett, IL*  
Psychology

\*\*\*Mark Aaron Alatalo, *Iowa City*  
Religious Studies

Tyler Albers, *Batavia, IL*  
Enterprise Leadership

Arieh Malik Alexander, *Evergreen Park, IL*  
English

Hassina Aliane, *Coralville*  
French

+Noelle Yasmeen Alkhawaja, *Lombard, IL*  
Journalism and Mass Communication  
French

Justin Michael Allara, *Naperville, IL*  
Informatics

Carly Rose Allen, *Minneapolis, MN*  
English

Kiah Lea Allen, *Ottumwa*  
Theatre Arts

Matthew Brian-Sidney Allen,  
*Buffalo Grove, IL*  
Sociology

Armando Almanza, Jr., *Des Moines*  
Political Science

Haley Anna Altman, *Grand Rapids, MI*  
Sociology

Ananaya Ojullu Alwal, *Iowa City*  
Health and Human Physiology

+\*Maya Frances Amjadi, *Cedar Falls*  
Spanish

Echo Blue Amos, *Des Moines*  
Political Science  
Psychology

Camron James Anderman, *Cedar Rapids*  
Interdepartmental Studies

Ben Arthur Anderson, *Iowa City*  
Interdepartmental Studies

Danielle Hope Anderson, *Glenview, IL*  
Spanish  
Psychology

Dylan J. Anderson, *Clear Lake*  
Journalism and Mass Communication  
Sport Studies

Elizabeth Anne Anderson, *Clarinda*  
Journalism and Mass Communication

Marissa Danielle Anderson, *Clarinda*  
Health and Human Physiology

Megan Mathea Anderson,  
*Eden Prairie, MN*  
Health and Human Physiology

Rachael Jean Anderson, *Burlington*  
Psychology

Whitney Adriana Anderson, *Edina, MN*  
Communication Studies

Charles Andreski, *West Des Moines*  
Sport Studies

\*Kristen Rose Angarone, *Wilmette, IL*  
English

Lyndsie Kai Angus, *West Des Moines*  
Criminology, Law and Justice

Cara Kay Anthony  
Art  
Cinema

Adam Micheal Aponte, *Iowa City*  
Ethics and Public Policy

Luis Geronimo Arias, *Des Moines*  
Health and Human Physiology

+\*\*\*Dorothy Ellen Louisa Diana  
Armstrong, *Winona, MN*  
English

\*\*Kirsten Elizabeth Arneson, *Decorah*  
English

Emily Marie Arvola, *Clinton*

## TIPPIE COLLEGE OF BUSINESS

The University of Iowa first offered courses in economics and business in 1858. The School of Commerce was formally established in 1914 and was later renamed the College of Business Administration in 1921. The college received national accreditation in 1923 and has held that accreditation since that time.

The college was renamed the Henry B. Tippie College of Business in 1999 in recognition of a significant gift from 1949 alumnus Henry B. Tippie. Today, there are more than 4000 students in the college working toward Bachelor of Business Administration (B.B.A.), Master of Accountancy (M.Ac.), Master of Business Administration (M.B.A.), Masters of Science (M.S.), and doctoral (Ph.D.) degrees.

The Undergraduate Business Program provides a broad business education along with specializations in the areas of accounting, economics, finance, marketing, management and business analytics and information systems. Student organizations, the Frank Business Communication Center, and specialized programming provide a full-service educational experience. In addition, students can earn certificates in International Business, Entrepreneurship, and Risk Management and Insurance.

The Iowa M.B.A. Program provides advanced management education that expands a student's ability to excel in the global business economy. Some students in the on-campus two-year Full-time MBA program take additional coursework to earn a joint degree with the University of Iowa's College of Law (M.B.A./J.D.), College of Medicine (M.B.A./M.D.), and College of Public Health (M.B.A./M.H.A.). The college offers both the Professional and Executive M.B.A. programs for working professionals in locations around the state of Iowa. The M.B.A. program is also delivered internationally in Italy and Hong Kong.

The Masters of Accountancy program is intended for students seeking a career in public accounting. The Masters of Science and Certificate Program in Business Analytics trains individuals to utilize data for business decisions. The college's Ph.D. Program prepares individuals for faculty positions in academia, as well as for business and government careers.

Several centers within the college promote opportunities for students in specialized career areas including the Hawkinson Institute of Business Finance, the Marketing Institute and the Vaughan Institute for Risk Management and Insurance. The RSM Institute of Accounting Research provides research services to the field while the Iowa

Electronic Markets (IEM) provides a trading platform most recognized for its reliability in political elections. The John Pappajohn Entrepreneurial Center (JPEC) provides a full spectrum of programming for both students and community-based entrepreneurs.

With more than 48,000 living alumni around the globe, the Tippie College of Business continues its long tradition of having impact on the world.

## COLLEGE OF DENTISTRY

Dental education began at The University of Iowa in 1882 with 14 students, four faculty members, and a first year's budget of just over \$1,000. Patients were treated in an improvised clinic equipped with borrowed barber chairs. Today the College of Dentistry is among the leading dental schools in the United States. An integral part of The University of Iowa Health Sciences Center, the College enrolls dental students, advanced education and graduate students in programs representing all of the dental specialties as well as master's and Ph.D. programs in oral science.

The Dental Science Building affords faculty and students of the college excellent facilities for their many programs of research into the nature and treatment of oral diseases. These investigations have resulted in a number of significant advances in dental science.

A recently completed renovation and expansion of clinic, classroom and research space will provide state-of-the-art facilities for students, faculty and patients.

Faculty, postdoctoral and predoctoral students extend service to hundreds of thousands of Iowa citizens in the patient care clinics of the Dental Science Building. Students also provide dental care to Iowa communities through the College's extramural programs in hospitals, community health centers and nursing homes. Dental health educational presentations are regularly provided by dental students in schools, nursing homes and other locations throughout the state.

The College has a long history of graduating students who become nationally prominent clinicians, dental educators, and researchers. More than 4,600 living alumni perpetuate the College's tradition of excellence as they distinguish themselves with contributions to their professions and our society.

## COLLEGE OF EDUCATION

The College of Education traces its roots to the University of Iowa's founding in 1847. Teacher education was the only program specifically called for when legislators created the State University of Iowa, just 59 days after Iowa became a state.

Currently, the College enrolls approximately 525 undergraduate students in teacher education programs that prepare them for licensure in elementary education and eight secondary education areas (art, English, foreign language, math, music, science, social studies and special education). Our students benefit from more highly supervised clinical experiences than any other program in the state and is Iowa's only one to offer a one-to-one series that integrates mobile technology into the curriculum. Every Hawkeye teacher graduates with a Teacher Leader Certificate that sets them apart from every other teacher in the nation because of the advanced training and professional development students receive in the areas of assessment, technology, and diversity / community engagement.

Almost 500 graduate students are enrolled in programs that consistently rank among the nation's top 20. Education graduates can be found serving as counselors, psychologists, principals, superintendents, student development experts, testing specialists, and educational leaders around the world.

The College continues to expand its online academic offerings, launching a new Master of Arts in Teaching, Leadership and Cultural Competency in spring 2017. In addition to their innovative teaching, the College's 87 faculty members are actively engaged in research and service. They have formed numerous partnerships with school districts throughout Iowa to create and investigate new methods of teaching and built connections with multiple countries around the globe to enrich learning and provide opportunities not previously available.

By forging new frontiers in STEM education, our faculty lead worldwide STEM initiatives. They also provide a wide range of outreach services by supplying valuable information and support and incorporating the newest technology to enhance learning. Faculty members work collaboratively with K-12 educators, assist school districts with curriculum development, provide counseling services, and administrator workshops for professional development and continuing education.

The College is home to the world renowned Iowa Testing Programs, developers of the Iowa Assessments™.

Under the program's leadership of Stephen B. Dunbar, the Hieronymus-Feldt Professor of Educational Measurement, and Professor Catherine Welch, the Leonard and Natalie Feldt Faculty Fellow, development is underway for the Iowa Assessments' Next Generation. Iowa Testing Programs also established ACT and Pearson, now considered two of Iowa's largest technology transfers. Faculty members provide essential expertise for national assessment agencies, including Educational Testing Service and the College Board.

Faculty members also develop and lead major assessment centers. Professor Won Chan Lee directs the Center for Advanced Studies in Measurement and Assessment. Professor Liz Hollingworth directs the Center for Evaluation and Assessment.

Ernest Pascarella, the Mary Louise Pe-tersen Chair in Higher Education, is the most cited scholar in his field with over 30,000 citations on Google Scholar. He established the College's Center for Research on Undergraduate Education, a national resource for how college affects students, now directed by Associate Professor Nick Bowman.

As a leader of gifted education, the College's Belin-Blank International Center for Gifted Education offers services, support, and programs for academically gifted and talented students and their teachers and parents from pre-K through college level. Developed 25 years ago by Dean Emeritus Nicholas Colangelo and now directed by Susan Assouline, the Myron and Jacqueline Blank Professor of Gifted Education, the center's activities touch the lives of children from a wide variety of regions, backgrounds, and abilities and have helped distinguish the College as one of the top programs for gifted education in the country.

The College also excels in the area of assisting learners with disabilities. The Iowa Center for Assistive Technology Education and Research (ICATER) provides hands on preparation to our students, but also to educators, administrators, and families across Iowa. It conducts and supports research examining the effectiveness of adaptive technology devices in education, living, and work. In addition, the UI REACH (Realizing Educational and Career Hopes) Program offers a two-year certificate, with a third-year option, for young adults with intellectual and learning disabilities. The first of its type at a major public university, UI REACH empowers these students to acquire the skills necessary to become independent, productive, and fully participating adults living and working in the community.

The Iowa Reading Research Center (IRRC) at the University of Iowa College of Education is a partnership with the

Iowa Department of Education and was created as the result of 2012 legislation that mandated schools across the state address pre-K through 12 students. The IRRC provides resources to parents, teachers, students, and school districts across the state.

The College of Education is clearly home to leaders, scholars, and innovators.

## COLLEGE OF ENGINEERING

The College of Engineering is one of 11 colleges that comprise the University of Iowa. With educational courses dating back over 100 years, the College today has an enrollment of 2,474 students – 2,165 undergraduate students and 309 graduate students. About 50% of undergraduate students come from the state of Iowa (82% from Iowa and Illinois), with the remaining 50% from contiguous states and abroad.

The College teaches undergraduate and graduate coursework in biomedical, chemical and biochemical, civil and environmental, electrical and computer, industrial, and mechanical engineering; 100% of undergraduate classes are taught by 90 faculty members. More than 50% of our students graduate with a second major, minor, or certificate. The college enjoys a 99% job/graduate school placement rate.

Engineering at Iowa is especially recognized for inspiring a personalized, student-oriented vision coupled with the resources of a large research university. Most of our students come to the University of Iowa because they know with confidence that they want to become engineers, but they want to be something more. At Iowa, they can combine engineering with the University's strengths in other colleges with natural strengths in international studies, writing and communications, health sciences, business, law, arts and humanities. This makes the University of Iowa uniquely qualified to provide talented engineering students the type of broad technological education demanded in a rapidly changing world. The College is ranked among the top 20% of graduate and undergraduate colleges of engineering in the nation.

There are more than 14,500 engineering alumni living and working throughout the world – 3,900 in the state of Iowa – many with corporate and personal ties to the College through recruitment, mentoring, guest seminars, faculty consulting, sponsored research, financial giving, and other interactions.

## GRADUATE COLLEGE

The University of Iowa's Graduate College was founded in 1900 and that year awarded its first doctorate to Fred

D. Merritt in political science. Since then, it has conferred 80,500 master's, 880 specialist, and 22,213 doctoral degrees. With more than 4,600 students, the college accounts for nearly one-fifth of the University's total enrollment, in more than 100 different programs of advanced study, research, and artistic creation. The Graduate College is a proud supporter of interdisciplinary programs, including a unique, individualized interdisciplinary studies doctorate program.

All faculty members with professorial rank in the academic divisions of the University hold membership on the Graduate College faculty; thus, almost all of the University's 1,500 faculty members participate in graduate instruction. Because academic programs involve specialists from different disciplines and because many faculty members hold appointments in more than one department, school, or college, graduate instruction is assured a healthy interaction and collaboration among disciplines.

A number of the University's graduate programs are recognized as the finest, or among the finest, in the nation. The Graduate College boasts five winners of the prestigious UMI/CGS Dissertation Prize, the most awarded to any public institution since the inception of the award. In 2001, the college inaugurated its Graduate College Outstanding Mentor Awards.

The awards for the 2015-16 academic year were made to Daniel Week, Department of Biochemistry, and Dorothy Johnson, School of Art and Art History, in recognition of their outstanding contributions to graduate education.

## COLLEGE OF LAW

The University of Iowa College of Law prepares its students to become tomorrow's leaders in law, government and industry. The leading academic law library, a global curriculum, and a strong writing tradition highlight the world-class legal education we provide. Through our unique Citizen Lawyer Program, live-client clinics, and a wide-range of externship placements, our law students hone their skills and embrace the highest ideals of the legal profession by providing legal services to the indigent and working on law reform for the improvement of the general welfare. Iowa-educated lawyers begin early to make a difference.

When students choose to come to the University of Iowa College of Law, they become part of a proud history. The College of Law is the oldest law school in continuous operation west of the Mississippi and from the day we first opened our doors in 1865 through the current day, the College has been a welcoming and inclusive community,

admitting students dedicated to the study of law without regard to ethnicity, gender, religion, sexual identity, or socio-economic status. Today, we have an enrollment of more than 400 students and a faculty of approximately 39 full-time professors. Eighty-seven undergraduate institutions and 29 states and two foreign countries were represented by the 2016 entering class.

Our alumni practice law from Wall Street to the Silicon Valley, from London to Beijing, and in almost all of Iowa's 99 counties. As corporate counsel, they advise business leaders, and as chief executive officers, they run businesses. They are state and federal judges, appointed officials, elected leaders, law professors, law deans, and university presidents. They can be found in the halls of Congress, on Indian reservations, in classrooms, courtrooms, and boardrooms in every state in the nation, and in countries around the world.

The learning environment at the College of Law is rigorous and collaborative, and the intellectual climate is open and robust. Whether the topic is legal theory or legal practice, constitutional law or contracts, our students select courses from a rich and varied curriculum and participate in a wide array of extracurricular learning opportunities. Our Legal Analysis, Writing and Research program, along with our Writing Resource Center and our four student-edited law journals, showcase our longstanding tradition of training exceptional legal writers.

The College of Law offers service to the state of Iowa and prepares our students to become civically engaged citizens and community leaders through our Citizen Lawyer Program. This comprehensive program develops and matches students with service opportunities while teaching the values and skills important to new lawyers through activities that include: pro bono (law-related volunteer) projects, community service opportunities, service learning courses, and professional values and civic leadership programs.

Our faculty is comprised of nationally and internationally known scholars and accomplished teachers who are leaders in their fields of study. Their scholarship is cutting-edge and their research and advocacy make a difference on issues ranging from bankruptcy law to the criminal justice system. The College of Law offers a climate of collegiality where student-faculty interaction is pervasive, and where collaboration across disciplinary boundaries yields new insights and cross-campus partnerships.

The College of Law ranks among the nation's best law schools, public or private. But, as a public law school, we take our public missions of access, affordability, and service seriously. To fulfill the promise to the public we serve, we draw upon the breadth and depth of

the law school's assembled expertise to create new knowledge and to address the weightiest problems confronting modern society. We are grateful to the State of Iowa and the many individuals whose support contributes to our success.

## COLLEGE OF LIBERAL ARTS AND SCIENCES

The College of Liberal Arts and Sciences invites students to explore the entire range of human learning: the fine arts, the humanities, the social sciences, and the natural and mathematical sciences. Our students work with faculty members who are committed to integrating their research into their teaching and to helping students develop their own capacity to ask significant questions, to think analytically, to draw conclusions from what they learn, and to discover workable solutions to problems. These skills, honed throughout the undergraduate experience, will form the basis for life-long success and learning. We seek to prepare our graduates to be knowledgeable citizens and to enable them to continually acquire the new information and skills they will need to meet the challenges of our ever-changing world.

Although a liberal arts and sciences education has been available since The University of Iowa first began offering instruction in 1855, the "College of Liberal Arts" was not created until the beginning of the 1900-01 academic year. In the years that followed, other colleges evolved out of that first college: Engineering in 1905,

Education in 1913, and Commerce (now the Tippie College of Business) in 1921. In fall 2001, The College of Liberal Arts became "The College of Liberal Arts and Sciences," a name that encompasses the breadth of the College's teaching and research.

In 1900-01, the College had about 600 students in its four "courses of study," and a faculty consisting of only 28 professors and assistant professors. Today, more than 16,500 undergraduates are enrolled every year. Over 90 percent of all UI undergraduates begin their studies in the College of Liberal Arts and Sciences, and we award more than 70 percent of the University's undergraduate degrees. Our students choose to major in one—or more—of nearly 65 different programs leading to a B.A., B.L.S., B.S., B.M., or B.F.A. degree. Many of our students add minors and certificates to their degrees, further expanding their knowledge and skills.

Almost 700 tenured and tenure-track faculty members form more than three dozen separate departments and work together in numerous interdisciplinary programs to provide research, teaching and service to our students, the state, and the world. Faculty members from every area of the College have developed national and

international reputations for the quality of their research and creative work. Every year, members of our faculty are recognized by national and international foundations, earning Fulbright, Guggenheim, National Endowment for the Arts, National Institutes of Health, and National Science Foundation fellowships and other awards. They receive recognition and awards from disciplinary organizations as well. Here on campus, CLAS faculty members routinely win University-wide teaching awards as well as other recognition of their teaching and scholarship.

Our students are also recognized for their achievements. Every year, more than 200 College of Liberal Arts and Sciences students graduate "with honors" in their major. Even more graduate "with distinction," "with high distinction," or "with high-est distinction." Our students participate in departmental honors societies, and in national honor societies including Phi Beta Kappa, Mortar Board, and Omicron Delta Kappa. We are pleased to recognize student achievement in other ways, too. Each year, the College provides many scholarships recognizing student achievement. We also provide research funding to undergraduates, including the Dewey Stuit Fund in Liberal Arts & Sciences and the John and Elsie Mae Ferentz Undergraduate Fellowships for Research, which provide support for undergraduate travel, research, and mentoring projects.

The College collaborates with other University units to foster scholarship, teaching, and service. We work with every one of the other colleges, offering joint programs and course work, and providing students opportunities for collaborative research and other learning activities. We support and are supported by the Pomerantz Career Center in providing internships before graduation and career guidance after graduation. We are grateful to the many alumni who continue to support the College with their time and energy and who have helped to provide funding to create opportunities and scholarships for our students.

The College of Liberal Arts and Sciences is proud of our history and our current endeavors, remaining dedicated to the mission of the College: to advance scholarly and creative endeavor through leading edge research and artistic production; to use this research and creativity to enhance undergraduate, graduate, and professional education, health care, and other services provided to the people of Iowa, the nation, and the world; and to conduct these activities in a culturally diverse, humane, technologically advanced and increasingly global environment.

## ROY J. AND LUCILLE A. CARVER COLLEGE OF MEDICINE

The University of Iowa Carver College of Medicine is a cornerstone of Iowa's only comprehensive academic medical center that includes UI Hospitals and Clinics and UI Physicians, the state's largest multi-specialty group practice. With an emphasis on scholarship, humanism, and respect, students in the College acquire the knowledge and skills necessary to manage rapidly changing advances in medical science and technology and also serve as advocates for their patients, their profession, and their communities.

The College's Doctor of Medicine (M.D.) curriculum is based on core values of innovation, integration, and individualization. Three strands of learning—Mechanisms of Health and Disease, Medicine and Society, and Clinical and Professional Skills—are interwoven to ensure the integration and revisiting of material across the four years of medical education. Distinction tracks are available to students interested in medical humanities, research, service, and teaching. The Medical Scientist Training Program provides education for both the M.D. and Ph.D. degrees. Combined degree programs are available in partnership with the Tippie College of Business and the Colleges of Law and Public Health. The College offers graduate programs in Physical Therapy, Physician Assistant Studies, and Medical Education. Bachelor's degree programs conferred by the College include Clinical Laboratory Sciences, Nuclear Medicine Technology, and Radiation Sciences.

UI Carver College of Medicine faculty provide instruction to more than 5,000 students from the UI Graduate College, the Colleges of Dentistry, Nursing, Pharmacy, and Public Health, and the life science areas of the College of Liberal Arts and Sciences. Faculty members also instruct more than 700 physicians in residency and fellowship training in all the medical and surgical specialties.

Community-based medical education is available through six regional medical education centers across Iowa. The College administers a community-based primary care clerkship for third-year medical students as well as a job-shadowing program for first-year students. The College also coordinates the UI-Affiliated Family Practice Training Network—eight family medicine residency programs located in seven Iowa communities—as well as a visiting professor program in which faculty members lead seminars and participate in educational activities at the community-based sites.

Research is a hallmark of the UI Carver College of Medicine. Faculty members are recognized as leaders in the areas of

bioinformatics and computational biology, biomedical imaging, cancer, cardiovascular disease, cystic fibrosis, diabetes, hearing loss, macular degeneration and other blinding eye diseases, muscular dystrophy, neurosciences, and orthopedics.

The College's research enterprise received \$229 million in external funding in fiscal year 2016, which places the College 11th nationally among public institutions. Much of the biomedical research at Iowa is interdisciplinary, and collaborations are fostered and coordinated through more than 30 major research centers, institutes, and programs.

## COLLEGE OF NURSING

The University of Iowa College of Nursing has offered basic nursing education since the turn of the 20th century and baccalaureate and master's degree programs for more than 50 years. A Ph.D. program in nursing began in 1988. The College is an integral part of the health sciences campus, sharing in and contributing to teaching, research, and patient-care resources, which have earned international recognition.

The Bachelor of Science in Nursing (B.S.N. degree) at the University of Iowa builds on natural and behavioral sciences, and integrates liberal arts and professional courses into a cohesive program. Clinical experiences involve working with populations in both community and hospital settings.

The University of Iowa College of Nursing offers undergraduate programs for both pre-licensure and post-licensure students looking to pursue a B.S.N.

The Master of Science—Clinical Nurse Leader (CNL) role is designed for nurses who want to stay at the bedside, lead teams, coordinate and improve care and help elevate professional practice standards. Nurses with a B.S.N. and approximately two years of experience who are seen as strong clinicians are good candidates for the CNL program.

Excellent communication skills, ability to negotiate, curiosity and desire to address systems problems are essential for CNLs. Nurses who like to be leaders and are comfortable with ambiguity do well as CNLs.

The Doctor of Nursing Practice (D.N.P.) degree is designed to prepare clinicians with the knowledge and skills to provide the highest standard of care for individuals, families and communities and navigate today's complex health care systems. Nurse managers and administrators will gain the knowledge and skills necessary to develop, implement and monitor programs of care and policies in complex organizations. You can enter the D.N.P. post-B.S.N. or post-M.S.N.

The Doctor of Philosophy in Nursing (Ph.D.) program prepares scholars to conduct research in nursing, to extend the knowledge base relevant to nursing, and to collaborate in interdisciplinary research with other scholars. Study requires expertise in nursing and developing competence in research that relates to the practice of nursing and delivery of health care. Graduates of the program are prepared for careers as researchers, faculty, consultants, and as leaders within the profession, in health policy making agencies, and within the health care system.

## COLLEGE OF PHARMACY

The College was originated by a forward thinking group of pharmacists from the Iowa Pharmaceutical Association in 1885 and was one of the first Colleges of Pharmacy in the nation associated with a major public university. This nationally ranked program is located in the Health Sciences Center on the west side of the University's main campus in close proximity to the Colleges of Medicine, Nursing, Dentistry, Public Health and The University of Iowa Hospitals and Clinics.

The pharmacy profession is concerned with a wide variety of activities, from developing new drug products to dispensing medicines to patients. An important concept in the delivery of pharmacy care is medical therapy management—the responsible provision of drug therapy to achieve defined outcomes that improve patients' quality of life. These outcomes include preventing, arresting, or curing a disease, and/or eliminating or reducing its symptoms. In order to carry out these responsibilities, pharmacists specialize in the science of drugs and drug information.

Iowa's pharmacy students study with professors who are pioneering the development of new drugs to solve chronic health problems and exploring means to improve the safety and effectiveness of current drugs. The College is also home to a drug research and manufacturing area where experimental drugs are produced for testing and licensing by manufacturers before being introduced worldwide.

The Doctor of Pharmacy (Pharm.D.) degree combines didactic course work with extensive pharmacy practice experience to prepare a pharmacist for an expanded role in monitoring, evaluating, and optimizing drug therapy in hospitalized and ambulatory patients. Students graduating from the college enjoy a wide variety of professional opportunities in community pharmacy, hospital pharmacy, government, and the pharmaceutical industry.

The College also has an extensive research and graduate education

program leading to both master's and doctoral degrees in medicinal and natural products chemistry, pharmaceuticals, clinical pharmaceutical sciences, and pharmaceutical socioeconomics. Graduates of these programs are employed by the pharmaceutical industry, government and also assume academic positions. The College also offers joint degree programs with the College of Public Health and the Masters of Business Administration Program.

## COLLEGE OF PUBLIC HEALTH

Formed in 1999, the College of Public Health builds on the University's long tradition of public health training, research, and service—including programs targeting agricultural safety and health, birth defects and cancer monitoring, health services planning, and women's health.

Public health is an interdisciplinary field made up of a wide range of professionals, including physicians, nurses, dentists, pharmacists, social workers, nutritionists, environmental scientists, health educators, biostatisticians, epidemiologists, health service administrators, and many others. What unites public health practitioners is the shared goal of preventing disease and injury and promoting healthy practices among entire populations.

The College of Public Health includes the Departments of Biostatistics, Community and Behavioral Health, Epidemiology, Health Management and Policy, and Occupational and Environmental Health. The college offers the undergraduate Bachelor of Arts in Public Health and the Bachelor of Science in Public Health. Four graduate degrees are offered: Master of Health Administration, Master of Public Health, Master of Science, and Doctor of Philosophy. Several public health combined-degree options are available with other UI colleges, including Business, Law, Liberal Arts and Sciences, Medicine, and Pharmacy, as well as the College of Veterinary Medicine at Iowa State University. An interdisciplinary program in human toxicology is available as is an occupational medicine residency program. There are also opportunities for distance learning and certificate programs in public health. The Undergrad to Grad Program allows incoming undergraduates to earn both a bachelor's degree and a master's degree in five years. More than 25 research centers and institutes based in the college provide focused research on critical public health topics and deliver outreach and service activities in every Iowa county and beyond. Approximately 400 degree seeking students are enrolled in the College of Public Health. The college is accredited by the Council on Education for Public Health (CEPH), the

accrediting body for the nation's schools and colleges of public health.

## UNIVERSITY COLLEGE

The University College, created in 2005, has two degree programs, the Bachelor of Applied Studies (B.A.S.) and the Bachelor of Liberal Studies (B.L.S.). In addition, the college also offers undergraduate certificate programs in clinical and translational science, leadership studies, nonprofit management, and sustainability.

The B.A.S. is designed for students who have earned an Associate's degree, and wish to complete a Bachelor's degree by distance education. The B.L.S. is intended for students who have completed at least 24 s.h. of college credit at a regionally accredited institution, and want to complete a Bachelor's degree that is focused in one of three areas: global studies, health and human studies, and organizational studies. Students complete a general education program that emphasizes critical thinking, data literacy, global perspectives, and leadership.

Both degrees, which may be completed entirely online or through a combination of on-site and online coursework, draw on courses from other undergraduate colleges, including the College of Liberal Arts and Sciences and the Tippie College of Business. The B.A.S. and B.L.S. are awarded by the University College and administered by the Division of Continuing Education. Students in the University College are eligible to graduate with honors.

## GRADUATION HONORS

High scholastic achievement is recognized at graduation time in two ways: graduation with distinction, based on grades only, and graduation with honors in a particular field, based upon both grades and the completion of special work as outlined by the college and the major department.

Graduation with Distinction. The Office of the Registrar certifies to the deans of the colleges the names of students eligible to graduate with distinction. To be eligible for consideration, the graduate must complete the final 60 semester hours in residence in the graduating college, at least 45 semester hours of which must have been completed prior to the final semester of registration. The grade-point average upon which distinction is determined includes all work undertaken prior to the opening of the final session.

Graduates with distinction in the colleges of Liberal Arts and Sciences, Engineering, and Business rank as follows:

With Highest Distinction	Highest 2%
With High Distinction	Next Highest 3%
With Distinction	Next Highest 5%

Graduates with distinction in University College must complete a total of 45 semester

hours in residence; 30 must be completed prior to final registration. Recognition is determined as follows:

With Highest Distinction	3.90-4.00 GPA
With High Distinction	3.80-3.89 GPA
With Distinction	3.75-3.79 GPA

In the undergraduate programs in the College of Medicine, distinction recognition is determined as follows:

With Highest Distinction	3.85 GPA or above
With High Distinction	3.75-3.84 GPA
With Distinction	3.65-3.74 GPA

In the College of Nursing, distinction recognition is determined as follows:

With Highest Distinction	3.90 GPA or above
With High Distinction	3.80-3.89 GPA
With Distinction	3.75-3.79 GPA

In the College of Pharmacy, distinction recognition is determined as follows:

With Highest Distinction	4.0 GPA or above
With High Distinction	3.75-3.99 GPA
With Distinction	3.50-3.74 GPA

Distinction is designated by gold stars worn on the left sleeve. Three stars indicate graduation *with highest distinction*; two, *with high distinction*; and one, *with distinction*.

*Graduation with Honors Degrees.* Students may graduate with both departmental Honors and University Honors.

Departmental Honors recognizes excellence in a student's major area(s) of study while University Honors recognizes a breadth of academic accomplishment. Departmental Honors requires additional work by the student, commonly a scholarly project or creative piece completed under the mentorship of a single faculty member, that goes beyond the regular requirements for the major. University Honors requires the completion of a flexible curriculum of Honors course work and experiences, such as research, study abroad, or internships, woven into the student's undergraduate education. Liberal Arts and Sciences and Education candidates who are graduating with Departmental Honors wear white cordons draped over the shoulders and University Honors is recognized by a medal on a black and gold lanyard worn around their necks.

## ACADEMIC COSTUME

The history of academic dress reaches far back into the early days of the oldest universities. A statute of 1321 required that all “Doctors, Licentiates, and Bachelors” of the University of Coimbra wear gowns. It is still a vexing question whether academic dress finds its sources chiefly in ecclesiastical or in secular dress. Gowns may have been necessary for warmth in the unheated buildings frequented by medieval scholars. Hoods seem to have served to cover the tonsured head until they were superseded for that purpose by the skull cap. This was itself displaced by a headdress more or less like one or another of those now recognized as “academic.”

Over the many years of development, a great diversity of academic apparel made its appearance. When American colleges and universities desired to adopt some suitable system of academic apparel more than a century ago, it seemed to them best to agree on some definite system which all might follow. Accordingly, there was held on May 16, 1895, at Columbia University, a conference of representatives of the governing boards of various interested institutions. The outgrowth of that meeting was the establishment of “The Academic Costume Code.” The code has been revised several times since its initial approval. The most recent update was in 1986. In nearly every instance of the many hundreds of colleges and universities of the United States which have adopted academic dress, the standards thus prescribed have been adopted and followed, either wholly or at least in the main.

The academic costume code recognizes three styles of gowns: a bachelor’s gown, a master’s gown, and a doctor’s gown. In conjunction with its centennial celebration in May 2000, the Graduate College inaugurated a new doctor’s gown. The differences in these gowns are mainly in the cut and shape of the sleeves and in the trimming. Hoods are also recognized for each of the above degrees. They vary in shape, size, and length, the larger and more elaborate designating the doctoral level. The shell of the hood matches the black material of the gown, and is lined with the color or colors of the institution conferring the degree—in the instance of The University of Iowa, old gold. The velvet border of the hood is of a color indicative of the field of learning to which the degree pertains. An abbreviated list of these colors as they apply to The University of Iowa follows:

Arts and Letters, white  
Business and Accounting, sapphire blue  
Dentistry, lilac  
Engineering, orange  
Law, purple  
Medicine, green  
Music, pink

Nursing, apricot  
Pharmacy, olive green  
Philosophy, dark blue  
Public Health, salmon  
Science, golden yellow

The Oxford cap, proper for all degrees, is worn both indoors and outdoors with academic costume. The tassel, worn over the left eye, is also symbolic of the degree to be conferred on the wearer and conforms to the code colors for hood trimming.

Practice at The University of Iowa varies slightly from that established by the code. Candidates for degrees may be identified with the colleges from which they are to secure their degrees by the color of the tassels they wear. Colleges are designated by tassel colors as follows:

Business, sapphire blue  
Dentistry, lilac  
Engineering, orange  
Graduate, black  
Law, purple  
Liberal Arts and Sciences and University College, white  
Medicine, green  
Nursing, apricot  
Pharmacy, olive green

Only candidates for the doctoral-level degrees (Doctor of Philosophy, Doctor of Audiology, Doctor of Musical Arts, Doctor of Nursing Practice, Doctor of Physical Therapy, Doctor of Dental Surgery, Doctor of Medicine, Juris Doctor, and Doctor of Pharmacy) wear hoods. The velvet trim on the hoods for these degrees conforms to the colors set forth in the intercollegiate code, and, with the exception of the Doctor of Philosophy, the Doctor of Musical Arts, the Doctor of Audiology and the Doctor of Physical Therapy hoods, are the same color as the tassel. The Doctor of Audiology and the Doctor of Physical Therapy are trimmed in teal. The Doctor of Philosophy hood is trimmed in blue, the color appropriate to philosophy, and the Doctor of Musical Arts hood is trimmed in pink, the color for music. In all four cases, the tassel worn is black.

## PRESIDENTIAL EMBLEM

The jeweled gold medallion worn by The University of Iowa president during commencement ceremonies and other formal academic events on the campus was designed as an emblem of the University’s presidency by Karen Cantine, UI graduate student in the School of Art and Art History.

Featuring an abstract UI motif in the University’s colors—old gold and black—the emblem was first used in the investiture of Howard R. Bowen as the University’s fourteenth president during inauguration ceremonies on December 5, 1964.

Four and one-half inches in diameter, the medallion is worn on a gold chain also designed and made by Mrs. Cantine. Fashioning the emblem from a sheet of 14-carat yellow gold, Mrs. Cantine outlined in black enamel eight UI motifs in raised gold letters in areas radiating from a large topaz in the center.

The central jewel is almost an inch in diameter. A slightly smaller topaz is set in the link which attaches the emblem to the chain on which it is worn, and eight small topazes are set around the edge of the emblem, one being placed at the end of each “spoke” which bears a UI motif.

Designing and making the presidential emblem was part of Mrs. Cantine’s work for a Master of Arts degree in metalwork and jewelry.

The podium placed center stage at Carver-Hawkeye Arena was a gift to the University from the class of 1903. Made from solid mahogany, the podium boasts an etched silver placard inscribed with individual graduate names. This historic University artifact was recently restored by the Office of the Registrar. Graduate names and information regarding the podium are available upon request.

The University of Iowa prohibits discrimination in employment, educational programs, and activities on the basis of race, national origin, color, creed, religion, sex, age, disability, veteran status, sexual orientation, gender identity, or associational preference. The University also affirms its commitment to providing equal opportunities and equal access to University facilities. For additional information contact the Office of Equal Opportunity and Diversity, 319-335-0705.
