## *from the* **HEAD OF SCHOOL**

Dear Providence Day Alumni, Families and Friends:

I am so honored to once again share the generosity of our Providence Day (PD) community. Every year, your contributions allow us to provide our students and staff with the facilities and resources they need. As a life-long educator, I know how important our school environment is to the day to day and long-term success of our students. That is why it is such an honor to see the changes on campus and the innovative use of existing space as we await the completion of our exciting building improvements.

New this year: the long awaited reconstruction and lighting of our upper field! This new synthetic turf field will be used as a practice and competition field for over 200 student-athletes and as a playground space for all of our students. We are also making progress with one of the largest projects; the construction of a new lower school building. The three story 45,000 square foot building will replace Overcash and is being designed to give our students a broader range of opportunities.

PD has a long-standing history of philanthropy which fuels our continuous quest for improvement. During the 2022-2023 academic year, cash gifts from all sources totaled more than \$2.9 million. Donations to the Annual Fund totaled more than \$1.6 million cash, directly supporting every aspect of teaching and learning at Providence Day.

Our parents play a huge role in our success. Parent participation in giving for the year was nearly 67%. Our alumni participation was 15.7%, which is above the 9% national average for an independent school. The endowment now sits just shy of \$22 million. While all positive, we have more work ahead! The PD community has six years to meet the Strategic Framework goal of reaching \$55 million. However, I am confident we have the enthusiastic support needed to achieve that number, as we look to 2030 and beyond.

I am truly grateful for your generosity to our PD community. It makes a measurable difference for everyone on campus. You can see it and feel it everywhere you go. The sense of joy is palpable! Please know, the impact you make is certain to be appreciated in the months and years to come.

Cheers,

Dr. Glyn Cowlshaw

# 2022-2023 BOARD OF TRUSTEES

Providence Day’s Board of Trustees serves as stewards of the school who hold “in trust” its mission and reputation. As such, Trustees accept the obligation to not only preserve but also to advance the institution.

Their work begins with the fiduciary expectations of duty (due diligence on financials), care (executing decisions by prudent standards), and obedience (to laws and bylaws). Beyond these duties, Trustees focus on policies and strategies that are future-focused, leaving daily operations to the Head of School.

As with all nonprofit boards, the majority of the work takes place at the committee level. The Board of Trustee committees are Advancement, Buildings and Grounds, Finance, Investment, Risk and Audit, and Committee on Trustees. These groups study and assess in depth the needs, activities, and performance of the school and to make recommendations when planning, developing, and establishing policy in their respective areas to the full Board.

## 2022-2023 BOARD OF ADVISORS

Initiated in 1997, the Providence Day Board of Advisors serves as a link between the PD community and the PD administration. The Board of Advisors comprises current parents, alumni parents, and alumni. Members are active supporters of PD through their gifts of time, talent, and resources. With a focus on strategic issues, the Board of Advisors assists the school in identifying new opportunities for growth and improvement. The Board of Advisors also provides PD with a clear understanding of the external environment in which the school operates, and helps to identify key stakeholder and potential partners to help PD achieve its strategic goals.

## INSPIRING A CULTURE OF PHILANTHROPY

Providence Day School acknowledges the critical role that philanthropy plays in enriching the educational experience for its students and the broader community. The school has established various leadership giving levels as a way to honor the generosity of its donors. By reaching these thresholds, individuals and families have the opportunity to make a significant impact on the school's mission and support its continued growth.

Two events were held during the 2022-23 school year to recognize donors' giving at leadership levels. These events serve as a testament to the school's commitment to building and nurturing lasting relationships with its supporters.

The inaugural *Partners in Excellence Dinner* was held on September 20, 2022 at The Ballantyne, recognizing donors giving \$5,000 or more in the previous fiscal year and celebrating Cornerstone Society members with cumulative lifetime giving of \$100,000 or more. Brian Field '94, faculty member and former varsity boys' basketball coach, shared how Providence Day motivated his career in education and how grateful he's been for the relationships he developed with students over many years. He then introduced a special video message from Grant Williams '16, who spoke about what inspired him to stay connected to the school years after graduation and generously establish the Grant D. Williams '16 Endowment. To hear Grant's message, click on the QR code at the bottom of this page.

On March 28, 2023, donors in the Clock Tower Circle and faculty and staff members with ten or more years of consecutive giving attended the Clock Tower Reception held on campus in the McMahon Fine Arts Center Foyer. Virginia Olin '23 shared highlights from her Providence Day experience with guests and outlined how the school helped prepare her for college and life after graduation. She was introduced by Dr. James Edge, a teacher who had a meaningful impact on her during her time in Upper School.

Providence Day School's leadership giving levels and annual donor stewardship events not only recognize the generosity of its supporters but also inspire a culture of philanthropy within the community. By fostering a culture where giving is celebrated and appreciated, the school ensures that its mission thrives, enabling it to provide an exceptional environment of teaching and learning for current and future Chargers.

# 1970 SOCIETY

Providence Day was founded in 1970, beginning with 12 families and growing into a student body of more than 1,900 today. The 1970 Society recognizes those donors who give \$1,500 or more to the school in the current fiscal year.

## CAPITAL GIFTS

Many of the school's capital projects have been the result of generous donors who believed in the school and wanted to secure its future. We recognize and thank the families and organizations who have supported these endeavors.

"We are so grateful for our community's continued generous support of the Annual Fund," said Jeff Appel, Associate Head of School for Institutional Advancement. "Through their gifts, our donors are not only helping to fuel Providence Day's mission, but they are also sustaining a culture of philanthropy that is truly a hallmark of our school, the impact of which can be seen in every classroom, creative space and playing field every day."

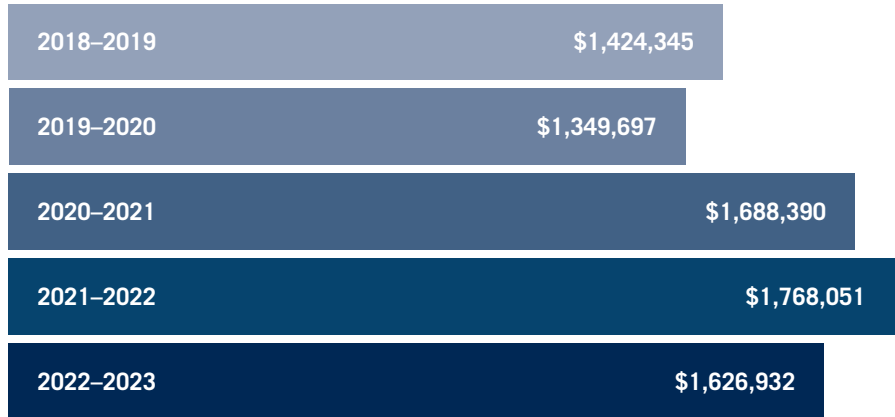

Each year, a dedicated team of parent, alumni, faculty, staff, grandparent and alumni parent volunteers give generously of their time in addition

to their philanthropic support to ensure the success of the Annual Fund. The 2022-23 Annual Fund campaign was led by Rebecca Shi (parent of Alex '26 and Emily '30).

"Thank you, PD family, for making the 2022-23 Annual Fund campaign a fantastic success in support of our students and the outstanding efforts of our faculty and staff," said Rebecca. "I'm incredibly proud to be part of such a generous community that comes together each year to continue a tradition of giving that has always been part of our school and helps make Providence Day the special place it is today. I want to especially thank our team of volunteers who truly drive this yearly effort. I'm so grateful for the opportunity to have worked alongside the team this year on behalf of our school."

Thank you to each of our donors for your investment in teaching and learning through the Annual Fund! To learn more about the Providence Day Annual Fund, which runs from July 1 to June 30 each year, visit [www.providenceday.org/annualfund](http://www.providenceday.org/annualfund).

“Over the last five years we have seen significant enhancements in our facilities. Since 2018, we have added over 100,000 square feet of new buildings to our campus. When the lower school building is complete, we will add an additional 45,000 square feet. That three story building will replace Overcash. Those numbers speak for themselves. Providence Day is committed to the continuous improvement of our facilities, in order to foster the best environment for students and staff.”

# PD NetWORK

Established by the Office of Institutional Advancement, PD NetWORK engages various constituencies of the Providence Day community to provide internship and mentorship opportunities in a range of industries for our alumni to develop their professional experience.

Thank you to the companies who partnered with us this past year! We are currently looking to establish 2024 summer internship opportunities.

**For more information or questions about establishing an internship opportunity with PD NetWORK, please contact Rachel Ellis at [rachel.ellis@providenceday.org](mailto:rachel.ellis@providenceday.org) or (704) 887-7058.**

## OPPORTUNITIES FOR YOU AND PD

Gift planning is the art of designing your charitable gift so that you realize your philanthropic objectives while minimizing your after-tax costs.

In addition to fulfilling your philanthropic goals, you can generally expect some or all of the following benefits depending on the kind of property you contribute and the type of arrangement you select:

- ✓ Income-tax savings
- ✓ Avoidance of long-term capital-gains tax
- ✓ Stream of income for life
- ✓ Increased cash flow
- ✓ Reduced costs and time in estate settlement

For more information about creating your own gift plans contact Jeffrey S. Appel, Associate Head of School for Institutional Advancement, at (704) 887-6038 or [Jeff.Appel@ProvidenceDay.org](mailto:Jeff.Appel@ProvidenceDay.org).

## ALUMNI ASSOCIATION

The Providence Day Alumni Association works to foster relationships between PD and alumni to encourage participation as lifelong members of the PD community. The Alumni Association is committed to supporting the mission and success of PD and is represented by the Board of Alumni, a group representing all decades of graduates. All graduates and former students at PD are considered members of the Alumni Association.

## GIVING DAY

On May 2, 2023, the Charger family celebrated our fourth annual *Behind Every Charger Giving Day*. Our generous donors helped surpass the goal of one gift for each faculty and staff member on campus, with 431 parents, alumni, grandparents, alumni parents, faculty and staff supporting this one-day effort. Donors took the opportunity to leave a note of gratitude for faculty and staff members past and present who've made a difference in the lives of their families.

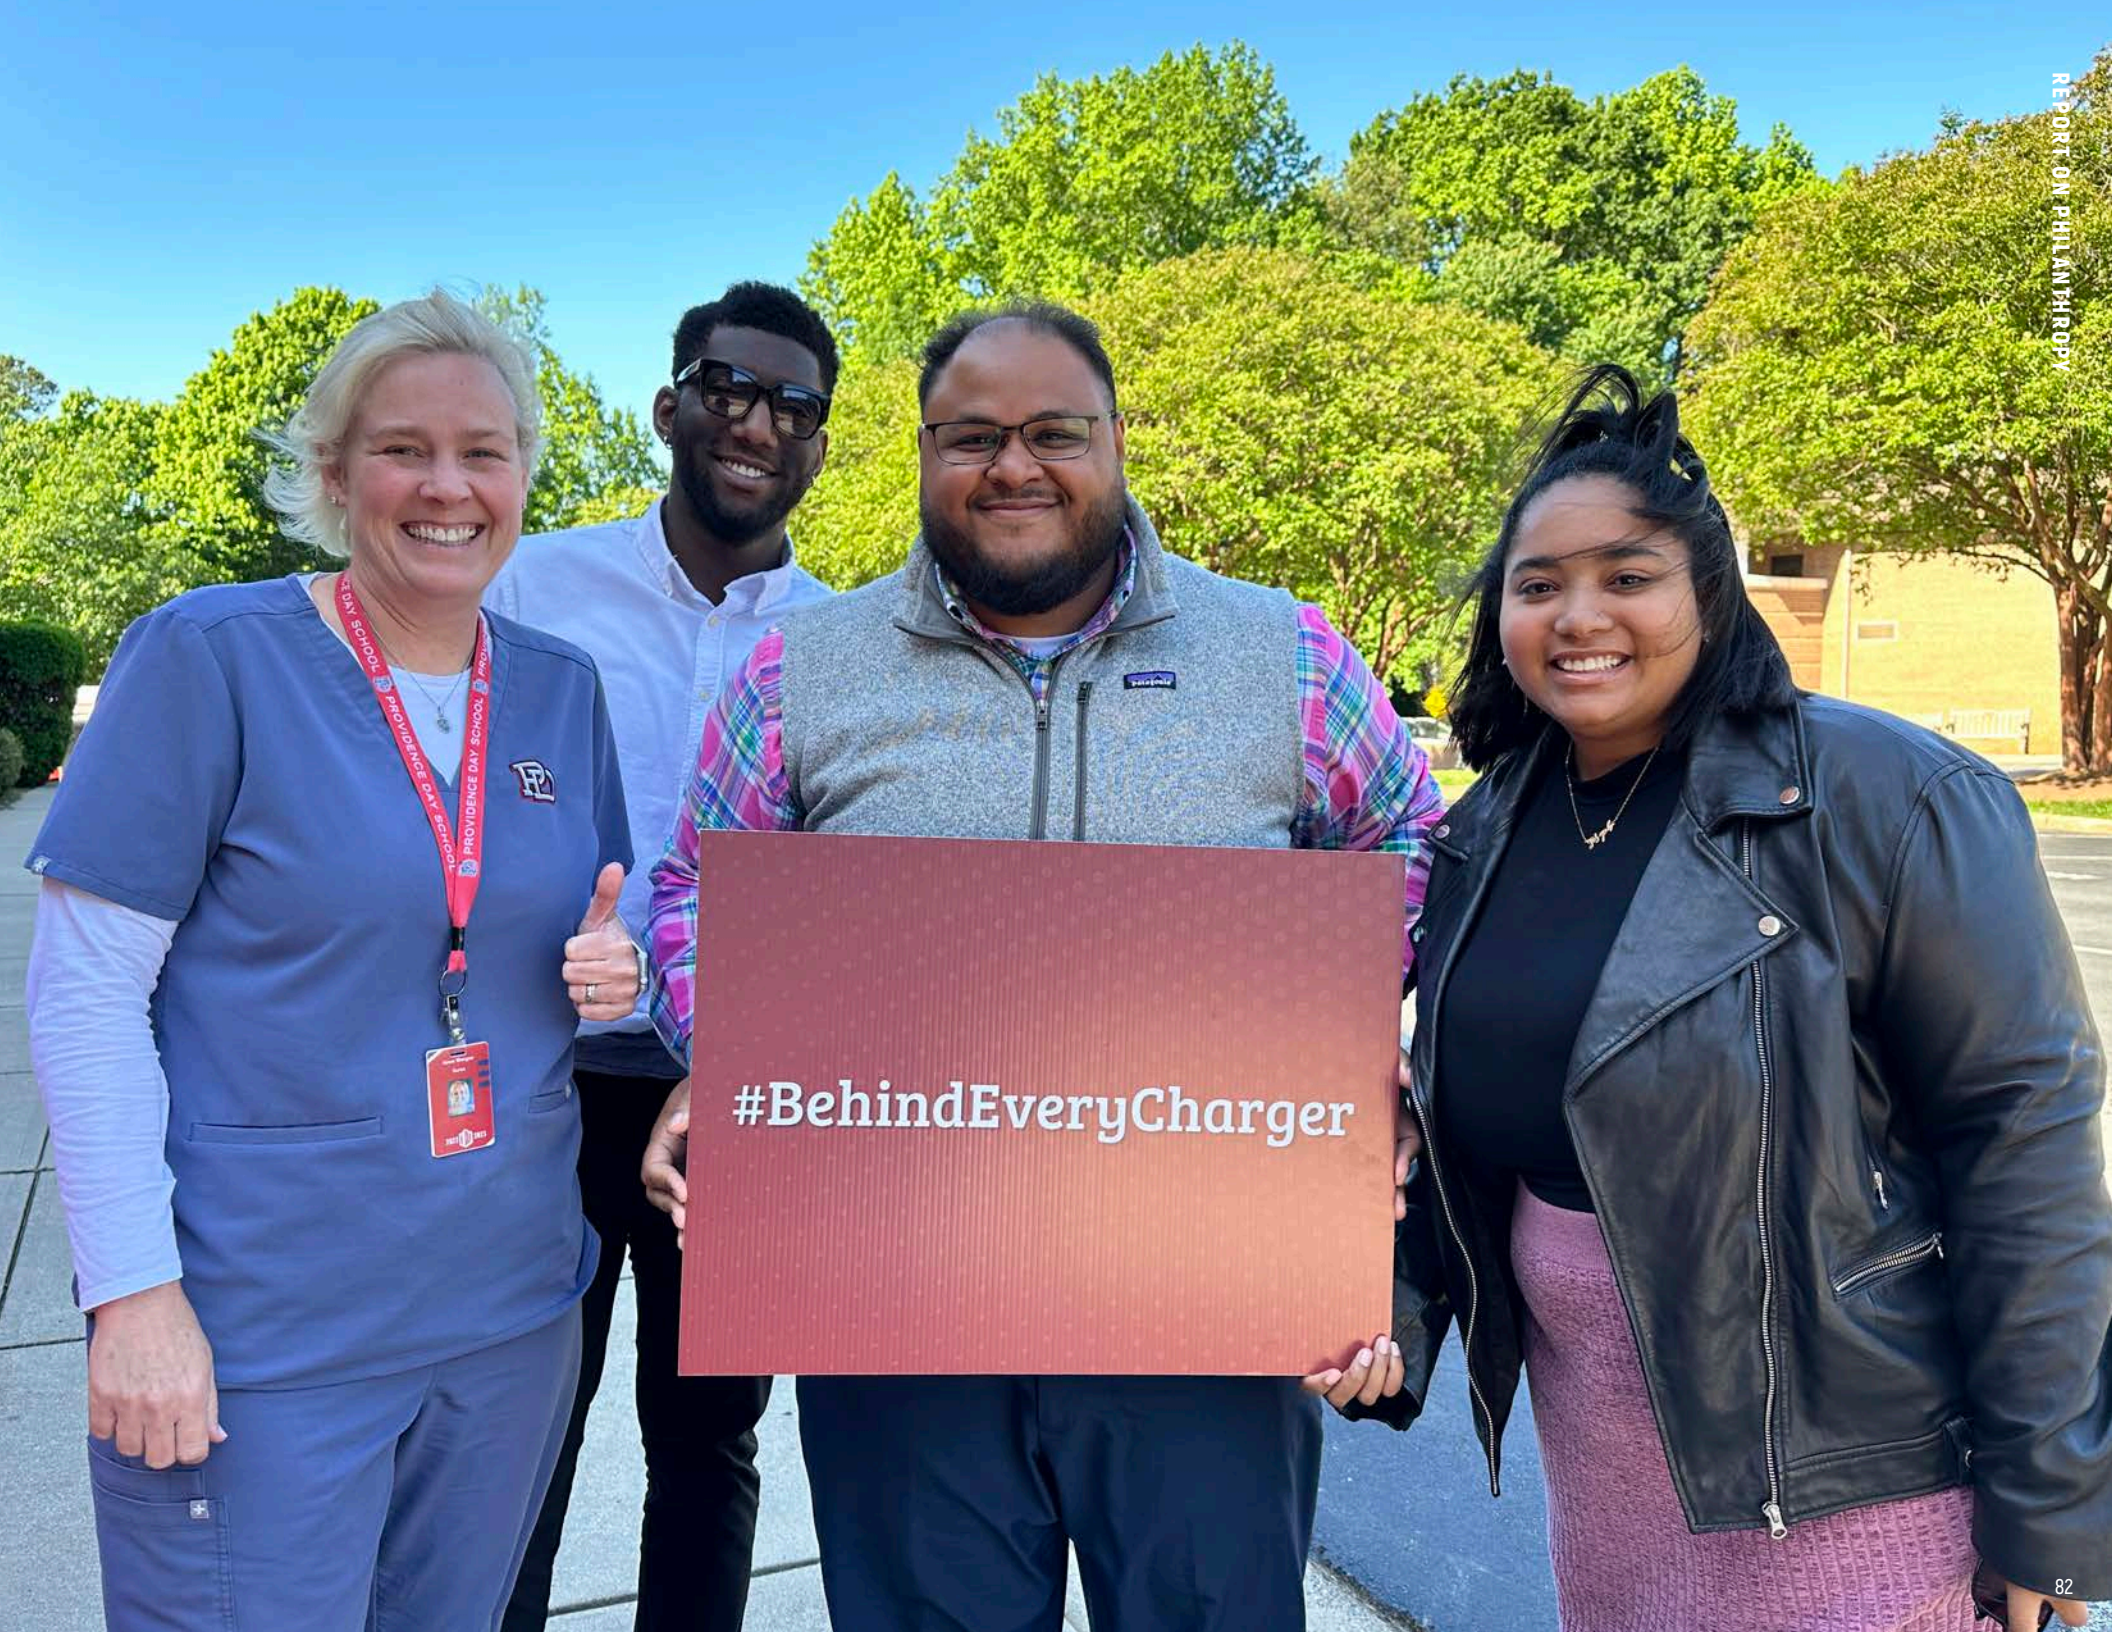

“The resounding success of Giving Day each year shows how impactful the Providence Day community is when it comes together to show appreciation for our amazing faculty and staff. We are grateful for each gift received and for all that the collective support of our family of donors accomplishes for PD!”  
 —Jeff Appel, Associate Head of School for Institutional Advancement

“The Providence Day Parent Association (PA) is phenomenal. We are so fortunate that the PA has an incredible leadership team who truly care about the success of the entire school. Their passion for our staff and students is seen through their tireless work behind the scenes, during events and supporting PD initiatives. Over the last several years, their contributions have been significant, not just in time and resources, but in the ability to create a sense of community among all of our parents.”

## Show Your Support & Pride for Providence Day

The Providence Day Heritage Society recognizes those members of the PD community who have included PD in their estate plans. Heritage Society giving includes planned gifts such as life insurance policies, bequests, and real estate.

Estate gifts are generally designated to unrestricted endowment, however there can be an opportunity to restrict your contribution. Members of the Heritage Society are listed in our annual Report on Philanthropy and are included in our donor recognition programs and events. Each new member also receives a set of commemorative coasters to show their “PD pride.”

For more information contact Jeffrey S. Appel, Associate Head of School for Institutional Advancement, at (704) 887-6038 or [jeff.appel@providenceday.org](mailto:jeff.appel@providenceday.org).
