PREFACE

Enclosed in this volume of Rock Island County, Illinois newspaper abstracts are all known issues of Rock Island County papers prior to (but not including) 1850. I primarily obtained these thru inter-library loan from the Illinois Historical Library in Springfield, Illinois. I also checked with the Rock Island Public Library to make sure they didn't have any additional copies.

I copied all items I felt might be of genealogical interest to the region around Rock Island County. Many legal notices from surrounding counties were published in these early Rock Island County newspapers, perhaps because these may have been the only regional newspapers published at the time. There are many items from Henry, Mercer, and Warren Counties; with some fewer items from Lee, JoDavies and Whiteside Counties, Illinois and Scott County, Iowa Territory.

I rearranged all names from the delinquent tax lists in alphabetical order and only listed a name once, despite the fact that it may have appeared for more than one parcel of land on the tax list.

All names are indexed in the back; for each surname with 5 or more entries, I have also indexed by given name, thereby hoping to make a quick check of this volume possible, even for common names such as "Smith."

4 copies of this manuscript exist:

1. in my possession (original)
2. 1 copy to the Moline Public Library
3. one copy to the Blackhawk Genealogical Society (Rock Island County)
4. one copy to the Genealogical Library in Salt Lake City.
