PREFACE

The following genealogical abstracts were taken from bound volumes loaned to me by the reference librarian of the Moline Public Library in Moline, Illinois. These volumes are also on microfilm at the Illinois State Historical Library in Springfield, Illinois.

I have tried to include all information with meaningful genealogical value... all vital records, visits from out-of-town relatives and former residents of Rock Island County, probate court listings, divorces. I did not include real estate transfers which are very numerous and readily available at the courthouse.

There are a number of other newspapers that were publishing in the year 1905 and these Moline abstracts probably only include part of the genealogical data that may also be available in the various Rock Island newspapers, the Port Byron GLOBE, the Reynolds PRESS, the Milan INDEPENDENT and others.

Following is an every surname index. Those surnames with more than 6 listings have also been indexed by given name.

This manuscript will be sent for copying to the Moline (Illinois) Public Library, to the Blackhawk Genealogical Society (Rock Island Co., Illinois), to the Fort Wayne (Indiana) Public Library and to the Genealogical Library of Utah in Salt Lake City. The original manuscript will be donated to the Denver (Colorado) Public Library.
