Donna F. Zarcone Elected To CDW Board of Directors

VERNON HILLS, Ill. – May 26, 2011 – CDW LLC, a leading provider of technology solutions to business, government, education and healthcare, announced that Donna F. Zarcone has been elected to the company's Board of Directors.

Zarcone is president and chief executive officer of D.F. Zarcone & Associates LLC, which provides strategic consulting at the executive and board level in the areas of growth strategies and organizational development. She also currently serves on the boards of directors of Cigna Corporation, The Jones Group Inc., The Duchossois Group, and Wrightwood Capital.

Zarcone previously served as president and chief operating officer for Harley-Davidson Financial Services, Inc. (HDFS), the finance subsidiary of Harley-Davidson, Inc. She joined HDFS in 1994 as vice president and chief financial officer. From 2002 to 2005, she also served as leader of Harley-Davidson Enthusiast Services, which provides expanded service offerings to Harley riders. Prior to her time at HDFS, Zarcone served as executive vice president, chief financial officer and treasurer of Chrysler Systems Leasing, Inc., which specialized in leasing and services related to technology assets. Prior to that, Zarcone worked as a public accountant at KPMG.

"Donna's blend of expertise in finance, operations and leadership of complex organizations will be an asset to our Board," said John A. Edwardson, chairman and chief executive officer, CDW. "Her extensive experience at the board level will be beneficial as we lead the company through its next chapter of growth."

Zarcone holds a master of business administration degree from the University of Chicago Booth School of Business and a bachelor of science degree in accounting with high honors from Illinois State University. She is active in the Chicago community, serving on a number of civic boards, including the Polsky Center for Entrepreneurship at the University of Chicago Booth School of Business and Hyde Park Angels.

About CDW

CDW is a leading provider of technology solutions for business, government, education and healthcare. Ranked No. 38 on Forbes' list of America's Largest Private Companies, CDW features dedicated account managers who help customers choose the right technology products and services to meet their needs. The company's solution architects offer expertise in designing customized solutions, while its advanced technology engineers assist customers with the implementation and long-term management of those solutions. Areas of focus include software, network communications, notebooks/mobile devices, data storage, video monitors, desktops, printers and solutions such as virtualization, collaboration, security, mobility, data center optimization and cloud computing. CDW was founded in 1984 and employs more than 6,300 coworkers. In 2010, the company generated sales of \$8.8 billion. For more information, visit CDW.com.
