

ANNUAL REPORT OF GIVING

2015 - 2016

As we work to create light for others, we naturally light our own way.

MARY ANNE RADMACHER

Your support of Bay Path has enlightened the minds of our students in countless ways.

Your gifts of scholarship ignite possibility for women who never dared dream of a college degree. The experiences you fund that take place outside of the classroom spark newfound appreciation for travel, for the arts, for athletics, and for community service. The buildings, the labs, the equipment and the technology you invest in, kindle aspirations for careers that impact all of our lives for the better.

THANK YOU!

We are honored to serve a unique population of students at Bay Path. Over 70% of our undergraduates are the first in their families to attend college; 38% are women of color; and over 50% are Pell Grant eligible. 100% of them rely on donor generosity to make their dreams of a degree come true. We join them in extending heartfelt appreciation for your support of Bay Path University.

Education is the kindling of a flame, not the filling of a vessel.
