CREATIVE SOLUTIONS FOR COMPLEX PROBLEMS

In the past, many companies turned to large law firms to handle complex litigation and transactions. Bigger was considered better. Things have changed. Savvy executives, risk managers and corporate counsel now want the most effective, efficient and experienced representation for the matter at hand. They also want a personal—and responsive—relationship with their attorneys.

Those qualities characterize Sanders & Parks, which was founded as Teilborg, Sanders & Parks in 1973 to take a new approach to legal representation. Providing personalized, innovative and unfailing service is still at the heart of the firm's mission.

The AV-rated Sanders & Parks offers diverse legal services to local, national and international clients in business, litigation, insurance, professional liability, personal injury and intellectual property. Clients range from national corporations to insurance carriers to individuals in Arizona and throughout the United States.

Garrick L. Gallagher and Mark G. Worischek are again selected to the Top 50 attorneys in Arizona. Robin E. Burgess is again selected to the Top 25 Women list in Arizona. The highly credentialed attorneys of Sanders & Parks stay on top of trends and changes to deliver the right results. While creating an innovative strategy for each matter, they remain dedicated to the tenets of legal representation: integrity, quality and an unwavering commitment to clients.

MATTHEW WRIGHT
Chosen to 2019 Super Lawyers

Wright Welker & Pauole PLC is a multi-service law firm dedicated to providing its clients aggressive and uncompromising legal representation. WWP attorneys represent government, school district, construction, and national and international insurance clients.

Matthew Wright has tried high-profile cases and practiced appellate law at the highest level, even winning immunity for his clients in a case before the United States Supreme Court, which was ranked 29th out of the 50 most influential cases that have shaped life and law in Arizona's first 100 years. *Arizona Attorney* has highlighted significant favorable verdicts over the years that Wright has obtained for his clients. "Results matter, and so there is no substitute for experience in handling large-loss, large-exposure matters," Wright says.
