USB Hubs

**Seven Port USB 2.0 Hub**

•3' A/B USB cable included •LED indicator light  
•3.7A power supply •Transfer rate of up to 480Mbps

|            |         |
|------------|---------|
| MCM Part # | ONLY    |
| 83-11765   | \$12.99 |

**MCM pro-SIGNAL**

**10/13 Port USB Hubs**

•High speed USB hubs for desktop use •Create 10 or 13 USB ports within easy reach for fast connection of your iPod®, memory stick, or camera •Compact, slimline design •Vertical fold-out socket for easy access •LED status indication •Backward compatible with USB 1.1 •Includes USB cable and power adapter

| MCM Part # | Ports | (1-9)   | (10-up) |
|------------|-------|---------|---------|
| 83-14039   | 10    | \$24.99 | \$23.74 |
| 83-14040   | 13    | 27.99   | 26.59   |

**Two Port USB 2.0 Hub**

•Unique cable design  
•Perfect for travel  
•Self powered

|            |        |
|------------|--------|
| MCM Part # | ONLY   |
| 83-11643   | \$7.99 |

**MCM pro-SIGNAL**

**Compact USB Hubs**

•Transfer rate up to 480Mbps  
•LED status indicator •No power supply required, powered via USB port •Supports Windows® 2000/XP/Vista/7

| MCM Part # | Ports | (1-9)   | (10-up) |
|------------|-------|---------|---------|
| 83-13379   | 4     | \$12.99 | \$11.69 |
| 83-13380   | 7     | 16.99   | 16.14   |

**Four Port USB 2.0 Hub**

•Unique cable design  
•Perfect for travel  
•Self powered

|            |        |
|------------|--------|
| MCM Part # | ONLY   |
| 83-11644   | \$8.99 |

**Four Port USB 2.0 Hub**

•Ports: One upstream, four downstream A ports •Adds four USB 2.0 hi-speed front-side ports to your computer •Plug-and-play installation •Works with USB compliant Windows and Mac computers •System requirements: •PC or Mac with available USB type A downstream port •Windows 98/ME/2000/XP/Mac OS 8.6 or later

|            |        |         |
|------------|--------|---------|
| MCM Part # | (1-9)  | (10-up) |
| 83-10187   | \$9.99 | \$9.49  |

**Seven Port USB 2.0 Hub**

•Two front panel ports and five rear ports •Perfect for cable management •Self powered or optional AC adapter

|            |         |
|------------|---------|
| MCM Part # | ONLY    |
| 83-11645   | \$19.99 |

**10-Port USB 2.0 Hub**

•Two adjustable angular USB ports •Eight regular USB ports •Backwards compatible with USB 1.1 •BUS powered or self-powered (with included AC adapter)

|            |         |
|------------|---------|
| MCM Part # | ONLY    |
| 83-11854   | \$24.99 |

**CIRAGO Seven-Port USB Hub with iPad® Charging Port**

Connect up to six devices quickly and easily, and use the dedicated charging port to charge up your iPad® or iPhone®. Features: •Enjoy fast access to your USB storage devices, thumb drives, and media card readers •USB 2.0 transfer speed up to 480Mbps •Backward compatible with USB 1.1 •Plug and Play •Hot swappable •External devices attached to the hub automatically remounts when computer awakes from sleep mode

|            |         |         |

| 83-12312   | \$20.79 | \$19.19 |

**maxell QubeHub Four-Port USB Hub**

•Four USB 2.0 ports •Backward compatible with USB 1.1 •Built-in USB cable •Plug-and-play, no driver required

| MCM Part # | Color | (1-9)  | (10-up) |
|------------|-------|--------|---------|
| 83-13464   | Black | \$9.99 | \$9.60  |
| 83-13465   | White | 8.99   | 8.54    |

**belkin**  
7-Port Hub-To-Go

This design gives you two ultrafast USB hubs in one: a stable base and a travel hub. **Features:** •3-port base can connect your larger more stationary equipment, such as printers and hard drives •Detachable 4-port travel hub offers a great connection point for your mouse, MP3 player, camera, and flash drives •Adds 7 USB ports to your computer •Features a rotating connector on the detachable 4-port hub, to keep adjacent ports free •Base stows flash drives, paper clips, and notepads in handy storage tray

|            |         |         |
|------------|---------|---------|
| MCM Part # | (1-9)   | (10-up) |
| 83-14225   | \$49.99 | \$49.25 |

**belkin**  
In-Desk USB Hub

Connect your flash drive, camera, and more and save space around your computer with this compact hub. **Features:** •Fits in 2" grommet hole common on workplace desks •Connects up to four USB devices •Pass-through area still allows cables through the opening •Connects directly to your computer with included USB cable

|            |         |         |
|------------|---------|---------|
| MCM Part # | (1-9)   | (10-up) |
| 83-14223   | \$39.99 | \$39.25 |

**IOGEAR**  
Four-Port USB 3.0 Hub

Provides four SuperSpeed USB 3.0 ports for your super-speed connectivity needs. Sleek, compact design will accommodate any workstation and is easily portable. Plug-n-play, hot swappable •Transfers data at up to 5Gbps •Backward compatible with USB 2.0 and USB 1.1 •Mfr. #GUH374

|            |         |         |
|------------|---------|---------|
| MCM Part # | (1-9)   | (10-up) |
| 83-13171   | \$39.99 | \$37.99 |

**IOGEAR**  
3-Port USB Hub Card Reader

The USB 2.0 Combo Hub and Card Reader bridges the gap between your computer and devices such as cell phones, digital cameras, and portable MP3 players, as well as peripherals such as printers, external hard drives and more. **Features:** •Combines a three port USB 2.0 hub and a memory card reader into a single ultra-portable device •Supports memory card formats CF, SD, microSD, T-Flash, miniSD, MS, MS Duo, M2 and more •Up to 32GB high capacity support for SDHC and microSDHC cards •Compact and small form factor design offers great portability •Backward compatible with USB 1.1 specifications

|            |         |         |
|------------|---------|---------|
| MCM Part # | (1-9)   | (10-up) |
| 83-15421   | \$13.99 | \$12.99 |

**IOGEAR**  
Wireless 4-Port USB Sharing Station

IOGEAR's Wireless 4-Port USB Sharing Station enables any USB external hard drive, USB flash drive, USB memory card reader, USB speaker, or USB multi-function printer (MFP) to be shared over a Wi-Fi network among different users. **Features:** •Wirelessly access and share USB devices through your home or office Wi-Fi network •A simple way for multiple users to share USB devices •802.11b/g/n compliant - up to 150Mbps •No more 16ft distance limitation - flexibility to place your USB devices through the home or office and access them through Wi-Fi •Supports High-Speed USB 2.0 and backward compatible with USB 1.1 •Wirelessly backup and access data and multimedia content from your USB storage devices •Less wear and tear on your USB ports •See www.MCMelectronics.com for list of supported devices

|            |         |         |

| MCM Part # | (1-9)  | (10-up) |
| 83-12366   | \$6.49 | \$5.99  |

**Four Port USB Hub with Active Extension**

Connect up to four USB 2.0 devices to a single USB port •Built-in 12 meter active extension lets you run USB signals far past the normal 3 meter limit •Any of the four ports can provide 1.5A of power for fast charging USB devices (only one at a time) •Includes USB cable and power adapter •Windows 7 compatible

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-12399   | \$16.99 | \$16.48 |

**4-Port USB Drive Bay Hub**

SIIG's USB 2.0 4-Port drive bay hub is an excellent drive bay product designed to add four high speed front-accessible USB 2.0 ports for convenient USB device connections. **Features:** •Easy-to-access device bay design provides four high-speed USB 2.0 ports for connecting devices in front of system •Can be installed in any available 3.5 or 5.25" device bay •Works with various types of USB devices including digital cameras, CD-RWs/DVD-ROMs, removable drives, flash USB drives, PC video cameras, digital cameras, memory card readers/writers and more

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-14044   | \$29.99 | \$28.25 |

**Four Port USB 2.0 Mini Hub**

•Link multiple USB devices to one computer with ultra-compact hub •Fully USB 2.0 certified •Includes 4' extension cable •Mfr. #U222-004-R

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 831-2054   | \$20.79 | \$19.56 |

**Seven Port USB 2.0 Hub**

•Connect up to seven USB peripherals •Hi-Speed 480Mbps data transfer •Backward compatible to USB 1.1 •Over-current protection safeguards connected equipment from over-voltages •Included base stand for upright positioning

| MCM Part # | ONLY    |
|------------|---------|
| 83-11026   | \$29.99 |

**4 Port Mini USB Hub**

•Small, lightweight design perfect for travel •Built-in pigtail stores in unit •USB 2.0 certified up to 480Mbps, backward compatible with USB 1.1 •Hot-swap and Plug-and-play compatible

| MCM Part # | (1-9)  | (10-up) |
|------------|--------|---------|
| 83-13353   | \$9.99 | \$9.25  |

**4-Port USB 3.0 Drive Bay Hub**

SIIG's SuperSpeed USB 3.0 4-Port Bay Hub is an excellent drive bay product designed to add four additional front-accessible SuperSpeed USB 3.0 ports to USB 3.0 enabled systems for convenient USB device connections. **Features:** •Drive bay design adds four SuperSpeed USB 3.0 ports to the front of your system •Installs in any available 3.5" or 5.25" device bay •Works with high-bandwidth SuperSpeed USB 3.0 devices, backwards compatible with USB 2.0/1.1

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-14045   | \$44.99 | \$43.85 |

**Four Port USB 3.0 Compact Hub**

Connect four USB 3.0 SuperSpeed devices to a single USB 3.0 port **Features:** •Supports USB 3.0 transfer rates up to 5Gbps •Backward compatible with USB 2.0 and USB 1.1 •Includes 5VDC/2A power adapter and 3' USB 3.0 cable •Windows 7 compatible •Dimensions: 3.15" (L) x 1.68" (W) x .59" (H)

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-12194   | \$19.99 | \$18.99 |

**USB 3.0 Card Reader with Hub**

•Read all of your memory cards faster than ever before with SuperSpeed USB 3.0 •Integrated USB hub also lets you connect other USB 3.0 devices •Dedicated charging port lets you charge your battery powered mobile devices •Supports SDXC high capacity format •Includes power supply and USB 3.0 cable

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-13514   | \$49.99 | \$48.45 |

**USB 3.0 4-Port Hub**

•Compatible with USB 3.0 specification •The advanced design keeps optimal speeds when using multiple USB devices simultaneously •Automatic self-power status monitoring •Self-power •Plug-and-Play function •One upstream and four downstream USB ports

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-12059   | \$41.59 | \$39.05 |

**4-Port Wall Mount USB Charging Hub**

•Plug directly into the wall to charge up to 4 high current devices •Once 2.1A dedicated charging port, and three 1.5A ports (3A maximum output) •Three ports act as USB hub to connect devices to your computer •Hub function does not require being plugged into wall outlet

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-14266   | \$28.99 | \$28.25 |

**USB Switches**

#83-11852

**USB Sharing Hubs with File Transfer Function**

•These USB 2.0 sharing hubs allow you to share USB devices between two computers •Peripherals can be assigned to a computer either via push-buttons or with included software •File transferring function allows you to copy files from PC to PC when used with Windows® XP/Vista 32-bit

| MCM Part # | # of Devices | ONLY    |
|------------|--------------|---------|
| 83-11851   | 2            | \$29.99 |
| 83-11852   | 4            | \$6.99  |

#83-11851

**4 Port USB Switch**

•One touch port switching via a mouse, hot-key or manually  
 •Supports high speed USB 2.0 480Mbps data transfer rates  
 •USB powered to eliminate the need for AC power  
 •Icon task bar indicates switch status at a glance  
 •Active LED indicator displays which computer is active  
**Includes:** •4 port peripheral sharing device  
 •USB cable  
 •Software CD

MCM Part # **ONLY**  
 83-11027 **\$34.99**

**IOGEAR®**  
**USB 2.0 Automatic Printer Switch**

•Allows two PCs and/or Macs to share one printer  
 •Printer automatically switches to a computer when it submits a print job  
 •Can be used to share any USB device, but must be manually switched  
 •No software required  
 •Backward compatible with USB 1.1  
 •No external power supply needed

| MCM Part # | Mfr. # | Ports | (1-9)   | (10-up) |
|------------|--------|-------|---------|---------|
| 83-12378   | GUB231 | 2     | \$29.49 | \$28.49 |
| 83-12379   | GUB431 | 4     | 49.49   | 47.99   |

**IOGEAR®**  
**Two Port USB 2.0 Printer Auto Sharing Switch**

IOGEAR's GUB211W6 enables two PCs and/or Macs to easily share one USB printer, multi-function printer, or USB device. No more plugging and unplugging between your computers. Simply send the print job and the switch automatically makes the swap for you.  
**Note:** Auto switching only compatible when using printer. Any other device must be switched using included software.

MCM Part # **ONLY**  
 83-11794 **\$24.99**

**Four Port USB 2.0 Manual Switch**

•Enables you to have four computers share a USB device  
 •Switch computers using the scroll lock key  
**Features:**  
 •USB 2.0 compliant  
 •USB 4-channel switch (four USB type "B" connectors and one USB type "A" connector)  
 •Provides bus-power of 500mA per port  
 •Four LED (green) status indicators  
**System requirements:** •Win98/SE/Me/2000/XP (for Mac switches see #83-10812 or 8310813)  
 •Available USB port

| MCM Part # | Mfr. # | (1-9)   | (10-up) |
|------------|--------|---------|---------|
| 83-10033   | UH-846 | \$17.99 | \$17.25 |

**2 Port USB 2.0 Manual Switch**

•Enables you to have two computers share a USB device  
 •Switch computers using the scroll lock key for PCs or the manual switch for Macs  
**Features:**  
 •USB 2.0 compliant  
 •USB 2-channel switch (two USB type-B connectors, one USB type-A connector)  
 •Provides bus-power of 500mA per port  
 •Two LED (green) status indicators  
**System requirements:** •Win98/SE/Me/2000/XP or MAC OS8.6  
 •Available USB port

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-10819   | \$13.51 | \$11.91 |

**IOGEAR®**  
**USB 2.0 Peripheral Switch**

The IOGEAR 2x4 USB switch is a USB 2.0 peripheral sharing switch allows multiple computers to share up to four USB devices, such as keyboard, mouse, printer, portable hard drives, etc.  
**Features:**  
 •Enables two or four computers to share up to four USB peripheral devices, more devices can be supported by adding USB hubs  
 •Easily switch to any of your connected computers with the press of a button  
 •USB 2.0 compliant, supporting data transfer rates of up to 480Mbps  
 •Charge mobile devices such as smart phones on any of the USB device port  
 •LED indicators the port focus for the active computer  
 •Over-current protection  
 •Supports hot-plugging which allows easily add or remove computers connected to the installation without having to power down the switch  
 •Molded in cable design simplifies the connections  
 •Cable lengths: USB output cables are 3.8', selection button cable is 6'

| MCM Part # | Description | (1-9)   | (10-up) |
|------------|-------------|---------|---------|
| 83-15422   | 2x4 Switch  | \$33.99 | \$32.29 |
| 83-15423   | 4x4 Switch  | 39.99   | 37.99   |

**USB Serial Devices**

**GOLDX**  
**USB to DB-9 Serial Adapter**

•Use to connect your DB-9 serial devices into your USB port  
 •PC and Mac compatible  
 •Length: 6'  
 •Foil and braid shielding to reduce EMI/RFI interference  
 •Gold plated USB type A to DB-9 male connectors  
 •Industry standard color coding for easy installation  
 •Plug and Play  
 •Requires Windows 98 or higher or Mac OS 8.6 or higher

| MCM Part # | (1-4)   | (5-up)  |
|------------|---------|---------|
| 831-1787   | \$19.99 | \$17.99 |

**USB Serial Adapters**

•USB to serial adapters provide a convenient way of attaching modems, PCs, cellular phones and PDAs to your PC  
 •Fully compliant with USB 1.1 standards  
 •Bus powered with no additional power needed  
 •Two and four port versions contain LEDs to indicate when transmitting data  
 •Compatible with Windows 98SE2/ME/2000/XP, Mac OS 8.6~OS X, Linux 2.40  
 •Package includes driver CD

| Fig. | MCM Part # | Description               | (1-9)   | (10-up) |
|------|------------|---------------------------|---------|---------|
| A    | 83-10135   | USB male A to DB-9 male   | \$12.99 | \$12.25 |
| B    | 83-10136   | USB A male to 2 DB-9 male | 24.99   | 24.25   |
| C    | 83-10137   | USB A male to 4 DB-9 male | 44.99   | 42.45   |

**USB to Serial Converter**

The USB serial converter is the lightest way to connect your PDA to the USB port on a Mac or PC. This product operates as a bridge between one USB port and a standard RS-232 serial port. Just connect the cable into any USB port from any RS-232 device or any DB 9P male connector, such as, PDA, scanner or printer.  
**Features:**  
 •Compliant with the standard specification of USB 1.1  
 •Supports RS-232 serial interface  
 •Supports up to 500kbps data transfer rate  
 •Supports Plug & Play specification  
 •USB host device drivers available  
 •Draws power directly from USB requiring no additional power adaptor  
**System requirements:** •Win98/SE/Me/2000/XP or MAC OS 8.6  
 •Available USB port

| MCM Part # | Mfr. # | (1-9)  | (10-up) |
|------------|--------|--------|---------|
| 83-10029   | UC-320 | \$9.99 | \$9.89  |

**MCM pro-SIGNAL**  
**USB to Serial Adapters**

**Features:**  
 •USB 9 pin male serial adapter with two or four serial ports  
 •Connect up to 2 or 4 serial adapters at the same time  
 •Supports all common RS232 serial ports  
 •Automatic USB protocol handling  
 •Supports remote wake-up and power management  
 •USB powered, no external power supply needed  
 •Compatible with USB v1.1 and v2.0  
 •Supports Win 2000/XP/Vista/7 and Mac OS 10.4/5

| MCM Part # | Description | (1-9)   | (10-up) |
|------------|-------------|---------|---------|
| 83-14130   | 2 Way       | \$15.99 | \$15.45 |
| 83-14131   | 4 Way       | 24.99   | 24.25   |

**Industrial Grade USB to RS232 Cable**

Connect legacy devices to new computers with this industrial grade USB to RS-232 adapter cable. **Features:** •Compliant with the USB 2.0 version specification, full speed USB data transmission rate up to 12 MBps •No extra I/O and IRQ needed •Serial port data transmission rate up to 128Kbps •512b FIFOs, hardware and software flow control support •Supports USB plug-and-play •USB bus-powered, no extra power adapter required •15KVDC ESD immunity to serial interface

| MCM Part # | Ports | (1-9)   | (10-up) |
|------------|-------|---------|---------|
| 83-12651   | 1     | \$20.79 | \$18.25 |
| 83-12652   | 2     | 34.31   | 32.81   |
| 83-12653   | 4     | 49.45   | 46.23   |

**Industrial Grade USB to RS-422/RS-485 Adapter**

Connect legacy devices to new computers with this industrial grade USB to 2-port RS-422/RS-485 hub. **Features:** •Compliant with the USB 2.0 version specification, hi-speed USB data transmission rate up to 480Mbps •No extra I/O and IRQ needed •Serial port data transmission rate up to 230Kbps •Auto direction flow control •Supports USB plug-and-play •USB bus-powered, no extra power adapter required •15KVDC ESD immunity to serial interface •3KV optical coupling isolation •Wall mount support

| MCM Part # | Ports | (1-9)    | (10-up)  |
|------------|-------|----------|----------|
| 83-12658   | 2     | \$134.16 | \$128.96 |

**IOGEAR® USB to Category 5 Extender Kit**

You can extend the distance of a USB device, or a hub, to a host PC 300'. It can be easily attached and detached with accompanied standard network connectors. It also has an internal DC power supply which supplies power to remote devices **Requirements:** •Windows® 98, 98SE, 2000, ME, XP •Mac OS 8.6 or greater •Available USB port **Includes:** •Base convertor and remote convertor •Mfr. #UCE50

| MCM Part # | (1-9 kits) | (10 kits-up) |
|------------|------------|--------------|
| 83-9610    | \$44.99    | \$42.74      |

**Industrial Grade USB to RS-232 Adapter**

Connect legacy devices to new computers with this industrial grade USB to RS-232 hub. **Features:** •Compliant with the USB 2.0 version specification, Hi-speed USB data transmission rate up to 480mbps •No extra I/O and IRQ need •Serial port data transmission rate up to 921.6Kbps •Serial ports with 512b FIFOs, hardware and software flow control support •Support USB plug-and-play •USB bus-power, no extra power adapter required •15KVDC ESD immunity to serial interface •Wall mount support

| MCM Part # | Ports     | (1-9)   | (10-up) |
|------------|-----------|---------|---------|
| 83-12654   | 1         | \$41.59 | \$39.05 |
| 83-12655   | 2         | 72.79   | 70.25   |
| 83-12656   | 4         | 103.99  | 100.31  |
| 83-12657   | 8 (RJ-45) | 238.16  | 232.96  |

**USB 2.0 to RS232 Adapter Cable**

Connect RS232 devices to a USB computer with this adapter. **Features:** •FDTI Chipset used for true USB 2.0 compliance •Supports RS232 serial interface (DB 25 or DB 9) •Supports over 1Mbps data transfer rate •Supports remote wake-up and power management •Supports remote wake-up and power management •Supports Windows 98/SE/ME/2000/XP/VISTA/7 and Mac OS V9.0/OSX/Linux

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-15108   | \$12.99 | \$12.25 |

**6' IEEE 1294 to USB Printer Cable**

Connect a parallel port printer to any USB computer with this adapter cable. **Features:** •Compliant with USB 1.1 and IEEE 1284 specifications •Compatible with USB 2.0 interface •Bi-directional parallel interface allows data transfer over parallel port up to 12 MBps •Fully compatible with most printers with IEEE 1294 interface •Plug and Play, no extra power adapter needed

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-15109   | \$11.99 | \$11.25 |

**6' Parallel Port to USB Cable**

Connect a parallel port device to any USB computer with this adapter cable. **Features:** •Compliant with USB 1.1 and IEEE 1284 specifications •Compatible with USB 2.0 interface •Bi-directional parallel interface allows data transfer over parallel port up to 12 MBps •Fully compatible with most printers with parallel interface •Plug and Play, no extra power adapter needed

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-15110   | \$11.99 | \$11.25 |

**USB to RS232 or RS422/485 Serial Port**

USB to Serial adapter providing one RS232 or RS422/485 serial port. Data transfer rates up to 921,600 baud rates and the 128 byte deep transmit and 256 byte receive FIFOs, coupled with 1Mbit line drivers deliver uncompromising performance on your laptop/PC. Drivers for Windows 32 bit and 64 bit Operating Systems including Windows XP, Server 2003, Vista, Server 2008, Windows 7 and Windows 8 with additional drivers for both Mac OS X and Linux. **Features:** •Data rate from 110-921,600 baud •Drivers for all popular operating systems •Includes 25cm USB Extender cable •Works where other USB to Serial devices do not •Manufacturer lifetime warranty and support

| MCM Part # | Ports     | (1-9)   | (10-up) |
|------------|-----------|---------|---------|
| 83-14987   | RS232     | \$56.99 | \$55.28 |
| 83-14991   | RS422/485 | 71.49   | 69.35   |

**Two Port USB to Serial Adapter**

USB to Serial adapter providing two RS232 or RS422/485 serial ports. Data transfer rates up to 921,600 baud rates and the 128 byte transmit and 384 byte receive FIFOs, coupled with 1Mbit line drivers deliver uncompromising performance on your laptop/PC. Drivers for Windows 32 bit and 64 bit Operating Systems including Windows XP, Server 2003, Vista, Server 2008, Windows 7 and Windows 8 with additional drivers for both Mac OS X and Linux. **Features:** •USB to Serial •Data rate from 110-921,600 baud •IP-30 rated enclosure •Lifetime manufacturer support •Lifetime manufacturer warranty

| MCM Part # | Ports     | (1-9)    | (10-up)  |
|------------|-----------|----------|----------|
| 83-14988   | RS232     | \$157.49 | \$152.77 |
| 83-14990   | RS422/485 | 206.99   | 200.78   |

**Eight Port RS232 USB to Serial Adapter**

USB to Serial server providing eight RS232 serial ports. Data transfer rates up to 921,600 baud rates and the 128 byte deep transmit and 256 byte receive FIFOs, coupled with 1Mbit line drivers deliver uncompromising performance on your laptop/PC. Drivers for Windows 32 bit and 64 bit Operating Systems including Windows XP, Server 2003, Vista, Server 2008, Windows 7 and Windows 8 with additional drivers for both Mac OS X and Linux. **Features:** •Eight port RS-232 •Data rate from 110~921,600 baud •Includes screw lock power supply •Drivers for all popular operating systems •Lifetime manufacturer warranty and support

| MCM Part # | (1-9)    | (10-up)  |
|------------|----------|----------|
| 83-14989   | \$378.99 | \$367.62 |

**Four/Eight Port USB to Serial Adapter**

USB to Serial servers providing 4/8 RS232 or RS422/485 serial ports. Data transfer rates up to 921,600 baud rates and the 128 byte deep transmit and 256 byte receive FIFOs, coupled with 1Mbit line drivers deliver uncompromising performance on your laptop/PC. Drivers for Windows 32 bit and 64 bit Operating Systems including Windows XP, Server 2003, Vista, Server 2008, Windows 7 and Windows 8 with additional drivers for both Mac OS X and Linux. **Features:** •Data rate from 110~921,600 baud •High retention USB socket •IP-30 rated enclosure •Includes screw lock power supply •Lifetime manufacturer warranty and support

| MCM Part # | Ports | Protocol  | (1-9)    | (10-up)  |
|------------|-------|-----------|----------|----------|
| 83-14992   | 4     | RS422/485 | \$299.99 | \$290.99 |
| 83-14994   | 4     | RS232     | 221.49   | 214.85   |
| 83-14995   | 8     | RS422/485 | 473.49   | 459.29   |

**Eight Port RS422/485 USB to Serial Multi Drop Hub**

USB to Serial multi drop hub providing 1 RS422/485 serial port multiplexed eight times for multibus applications. Data transfer rates up to 921,600 baud rates and the 128 byte deep transmit and 256 byte receive FIFOs, coupled with 1Mbit line drivers deliver uncompromising performance on your laptop/PC. Drivers for Windows 32 bit and 64 bit Operating Systems including Windows XP, Server 2003, Vista, Server 2008, Windows 7 and Windows 8 with additional drivers for both Mac OS X and Linux. **Features:** •Protocol RS422/485 •One serial port multiplexed eight times •For multibus applications •Drivers for all popular operating systems •Lifetime manufacturer warranty and support

| MCM Part # | (1-9)    | (10-up)  |
|------------|----------|----------|
| 83-14993   | \$254.99 | \$247.34 |

**USB Accessories**

**6' USB to 3.5mm TTL Serial Cable**

The USB TTL serial cable is a USB to serial converter cable which provides connectivity between USB and serial UART interfaces. **Features:** •FTDI FT232R device integrated within the cable USB A connector •Provides access to transmit, receive, RTS#, CTS#, VCC and ground connections •Terminates to 3.5mm audio jack **3.5mm terminations:** •Tip: TX, •Ring: RX, •Sleeve: Ground •5V signaling

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-13531   | \$29.99 | \$29.25 |

**USB Desk Fan**

•Cool yourself down with this desktop fan •Soft foam rubber safety blades •USB powered (6' cable length) •Can also run on AA batteries

| MCM Part # | ONLY   |
|------------|--------|
| 83-12905   | \$9.99 |

**USB 2.0 IrDA Adapter**

**Features:** •USB to IrDA adapter •USB 2.0 interface •Plug and play •No batteries/external power required •Compatible with FIR 4Mbps, MIR, SIR and ASK 56Kbps •1m operating range •Supports Win XP/Vista/7 (32/64-bit) and Mac OS •Dimensions (HxWxD): 15x26x66mm •Contents: IrDA adapter, USB extensions cable and driver CD.

| MCM Part # | ONLY   |
|------------|--------|
| 83-14132   | \$9.99 |

**USB Baluns**

**TruLink® USB 2.0 Ethernet Extender**

Designed specifically for use in commercial environments, the TruLink USB 2.0 Superbooster is the only USB 2.0 solution on the market that is available in both a dongle and wall plate version. The wall plate and dongle can be interchanged to fit the needs of any installation requiring high performance and maximum flexibility. **Features:** •Full USB 2.0 speed and power •Integrated UTP power inserter technology •Interchangeable design with swappable components – wall plates and dongles •Extends USB from 16.4' up to 328' over Cat5/6 •Includes power supply

| MCM Part # | Transmitter | Receiver  | (1-9)    | (10-up) |

Specialty Computer Hardware

**Tech Station Open Air Computer Case**

The HSPC Tech Station is a fast-access computer case - a hardware workbench bringing PC components within easy reach yet keeping them safe and secure. **Features:** •Up to five 120mm fans included •Supports most motherboard formats •Easy to access hard drive rails with cooling rail system •Non-electrically conductive, scratch-resistant, high grade polymers protect your equipment from short circuits •Tool-less mounting lets you easily access and change components •Standard version has motherboard on bottom, Top Deck has motherboard on top for easier access

| MCM Part # | Description | Size   | (1-9)   | (10-up) |
|------------|-------------|--------|---------|---------|
| 83-14015   | Standard    | ATX    | \$79.99 | \$79.25 |
| 83-14016   | Standard    | EATX   | 142.00  | 134.90  |
| 83-14017   | Top Deck    | ATX    | 79.99   | 79.25   |
| 83-14018   | Top Deck    | EATX   | 142.00  | 134.90  |
| 83-14019   | Top Deck    | XL-ATX | 177.00  | 168.15  |
| 83-14020   | Top Deck    | HPTX   | 229.00  | 217.55  |

**ENERMAX**

**Hoplite Mid-Tower ATX Case**

•Bottom two 3.5" hot-swap drive bays •Top 3.5"/2.5" hot-swap SATA dock •Front 12cm Blue/Red combo LED Vegas fan with speed and light control •Quick release bay covers •Tool-less design for ODD and HDD installation •Cable management cutouts for advanced wire protection •Bottom mounted PSU with removable dust filter •Dimensions: 19.41" (D) x 7.87" (W) x 19.29" (H) •Mfr. #ECA3220

|            |         |         |

| 83-12688   | \$99.99 | \$98.45 |

**ZALMAN**  
COOL INNOVATIONS  
**Mid Tower ATX Computer Case**

•Front mesh bay cover provides cool air into the system while dust filters prevent dust from entering •Up to seven system fans can be installed to expel hot air effectively from the case •Top air vents expel exhaustive air from the top cooling fan •I/O module provides four USB 2.0 ports for user convenience and expandability •Dust filters in the front and bottom mesh covers prevent dust from entering the system and keep the internal components dust-free •Anti-Vibration rubber stand prevents noise and also keeps the system safe from water or other liquid •Server-type Tool-Free HDD mount trays •Interior has been designed to be spacious for easy installation and maintenance of various components, including 290mm cards •Space is provided on the back of M/B plate for installing 2.5" HDD/SSD •Rear tube apertures provided at the rear of the case for convenient water cooling set-up and maintenance •Z11 Plus features bottom PSU mount and internal cable management

| Fig. | MCM Part # | Mfr. #   | ONLY    |
|------|------------|----------|---------|
| A    | 83-13719   | Z11      | \$79.99 |
| B    | 83-13720   | Z11 Plus | 89.99   |

**FOXCONN**  
**Micro ATX Tower Case with 350W Power Supply**

•Front and rear fans to create superior airflow •Pre-installed with reliable AGI power supply •Capable of holding micro-ATX motherboards •Drive bays: 2 x 5.25", 2 x 3.5" external, and 4 x 3.5" internal •Front ports: 2 x USB, 1 x 3.5mm microphone, 1 x 3.5mm headphone •Mfr. #TLM397

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-12393   | \$59.99 | \$56.73 |

**FOXCONN**  
**Micro ATX Tower Computer Case with 350 Watt Power Supply**

•Supports micro-ATX motherboards •CPU fan duct for superior CPU cooling •Drive bays: 2 x 5.25" external, 2 x 3.5" internal •Front ports: 2 x USB, 1 x 3.5mm microphone, 1 x 3.5mm headphone •Includes 350W power supply •Mfr. #TLM776

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-12394   | \$59.99 | \$56.73 |

**FOXCONN**  
**Micro ATX Tower Computer Case with 350 Watt Power Supply**

•Thermally Advantaged Chassis (CAG 1.1) recommended by Intel •Rear fans to create superior airflow •Pre-installed with reliable AGI power supply •Supports micro ATX motherboards •Drive bays: two 5.25" external, two 3.5" external, four 3.5" internal •Front ports: 3.5mm microphone, 3.5mm headphone, two USB •Mfr. #TLM431

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-12395   | \$59.99 | \$56.73 |

**FOXCONN**  
**ATX Mid Tower Computer Case with 350 Watt Power Supply**

•Tool-less design for PCI cards and disk drives •80mm front fan •Air duct for better CPU cooling •Capable of holding ATX or micro-ATX motherboards •Drive bays: 4 x 5.25", 2 x 3.5" external, 4 x 3.5" internal •Front ports: 2 x USB, 1 x 3.5mm microphone, 1 x 3.5mm headphone •Mfr. # TLA776

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-12396   | \$62.39 | \$56.73 |

**Ruby Red ATX Computer Case with 480 Watt Power Supply**

•Trendy ruby red front panel •Metal structure painted black inside and out •Clear side window with precut fan grill and vent to see into the computer •Power button, USB and audio outputs located at the top of the front panel for easy access •80mm blue LED fan preinstalled in back •480W power supply compatible with 20P and 24P motherboards •Tool-less thumb screws for easy installation •Drive Bays: Four 5.25", six 3.5" (five internal) •Dimensions: 7.10" x 16.55" x 16.55"

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-14164   | \$49.99 | \$48.45 |

**LOGISYS**  
**ATX Computer Case**

•All black painted case with decorative stripes on the front panel •Bottom mounted 480W 20/24 pin power supply makes for better cable management •Motherboard back plate has a special design with an edge-rounded access hole, which allows easy removal of back-mounted CPU coolers •Power button located in the middle of the front panel •Two USB 2.0, audio outputs and reset button are all conveniently located on the top of the front panel •Three open 5.25" drive bays, one hidden •Six 3.5" drive bays •Rear mounted 80mm cooling fan

| MCM Part # | Color             | (1-9)   | (10-up) |
|------------|-------------------|---------|---------|
| 83-14639   | Black/Blue Stripe | \$49.99 | \$42.45 |
| 83-14640   | Black/Red Stripe  | 49.99   | 42.45   |

**LOGISYS**  
**Mid Tower ATX Computer Case with 480 Watt Power Supply**

•Built with solid 0.6mm SECC metal sheet with folded edges, which strengthens the case structure •Blue LED light highlights the front USB/Audio jacks and metal mesh •Drive bays: Four 5.25", six 3.5" (five internal) •80mm fan installed in rear panel •Tool-less thumbscrews for easy installation •480W power supply supports 20P or 24P mainboards •Dimensions: 7.10" x 16.55" x 15"

| MCM Part # | Color  | (1-9)   | (10-up) |
|------------|--------|---------|---------|
| 83-14156   | Black  | \$44.99 | \$43.25 |
| 83-14157   | Silver | 39.99   | 37.99   |

**LOGISYS**  
**Mid Tower Tool-Less ATX Computer Case with 480 Watt Power Supply**

•Glossy Piano black finish •Install up to seven fans for maximum cooling •Two USB ports, audio jacks, and reset button on top front of case for easy access •Supports long graphics cards •Bottom mounted 480W power supply •90° HDD tray and cable management for a clean install •Great for business and gaming systems •Drive bays: Four 5.25", six 3.5" (five internal) •Dimensions: 7.67" x 16.73" x 18.35"

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-14160   | \$59.99 | \$58.45 |

**ATX Computer Case with 480 Watt Power Supply**

•Built with solid 0.6mm SECC metal sheet with folded edges, which strengthens the case structure •Large front power button with decorative blue LED •Two built-in USB ports and audio inputs on front panel •Drive bays: Four 5.25", six 3.5" (five internal) •120mm fan installed in rear panel •Tool-less thumbscrews for easy installation •480W power supply supports 20P or 24P mainboards •Dimensions: 7.10" x 16.55" x 16.55"

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-14159   | \$44.99 | \$43.25 |

**ATX Computer Case with 480 Watt Power Supply**

•Built with solid 0.6mm SECC metal sheet with folded edges, which strengthens the case structure •Large front power button with decorative blue LED •Four USB ports on the top, audio jacks and power button in the middle of the front panel for easy access •Drive bays: four 5.25", six 3.5" (five internal) •80mm fan installed in rear panel •Tool-less thumbscrews for easy installation •480W power supply supports 20P or 24P mainboards •Dimensions: 7.10" x 16.55" x 18"

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-14158   | \$44.99 | \$43.25 |

**Clear Acrylic ATX Computer Case**

•Completely clear computer case •Includes three 80mm fans with blue LED lights •Drive Bays: Four 5.25", eight 3.5" (six internal) •Front USB and audio jacks •Dimensions: 21" x 10.5" x 20"

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-14162   | \$69.99 | \$68.45 |

**UV Blue Acrylic ATX Computer Case**

•Acrylic UV material will glow in the dark and be clear with a light blue tint in the daytime •Includes four 80mm fans with UV blue LED lights •Drive Bays: 4 x 5.25", 8 x 3.5" (6 internal) •Front USB and audio jacks •Dimensions: 21" x 20" x 10.5"

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-14163   | \$69.99 | \$68.45 |

**Elite 330U ATX Computer Case**

The Elite 330U builds upon Cooler Master's expertise and delivers high-end features in an affordable chassis. **Features:** •Bottom PSU placement for better stability •Tool-free mechanical design for quick assembly and maintenance •Side ventilation holes for better cooling performance •Easy access front I/O panel •Supports long graphics cards for high end graphics •Drive bays: Four 5.25", six 3.5" (one exposed), seven expansion slots •Includes 350W power supply •Mfr. #RC-330U-KKR350

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-13683   | \$59.99 | \$58.49 |

**Elite 360 Mid/Mini-Tower Computer Case**

Elite 360 is a mid/mini-tower that accommodates micro-ATX and ATX motherboards, built with a modern black design. **Features:** •Front PSU vent provides superior ventilation to maintain constant cooling •Tool-free drive bays for quick and easy setup •Top I/O panel provides easy access for users •Cable management design for better cable routing and neatness •Able to place vertically or horizontally for users to manage the space in different ways •Compatible with ATX and micro-ATX motherboards in a compact enclosure •Mfr. #RC-360-KKN1-GP

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-12397   | \$59.99 | \$56.99 |

**Elite 371 ATX Computer Case**

The new Elite 371 builds upon Cooler Master expertise and delivers high-end features in the affordable market space. **Features:** •Filtered air intakes on bottom and top •Tool-Free mechanical design for quick assembly and maintenance •Side ventilation holes for better cooling performance •Easy access front I/O panel •Supports long graphics cards for high end graphics •Supports ATX and micro-ATX motherboards •Drive Bays: three 5.25", six 3.5" (one exposed), seven expansion slots •Mfr. #RC-371-KKN1

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-13685   | \$59.99 | \$58.45 |

**200 Watt Mini-ITX Computer Case**

This case features a slim Mini-ITX form factor that is great for building your own Home Theater PC. With its built-in power supply and screw-less design, it couldn't be easier to get started. **Features:** •Screw-less design for easy accessory installation •One 5.25", two 3.5" drive bays •Two front USB ports •Built-in 200W power supply •80mm cooling fan

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-11995   | \$59.99 | \$58.49 |

**FOXCONN® Black Mini-ITX Computer Case with 150 Watt Power Supply**

Inspired by Single Eye Hot Spring, this case is unique in its design and user friendliness. **Features:** •Folded metal edge design for maximum safety •Supports mini-ITX motherboards •Drive bays: 1 x 5.25", 1 x 3.5" external, 1 x 3.5" internal •Front ports: 2 x USB, 1 x 3.5mm microphone, 1 x 3.5mm headphone •150W power supply included Mfr. #RS233

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-12391   | \$59.99 | \$56.73 |

Computer Power Supplies

**COOLER MASTER**

**Silent Pro Hybrid ATX Power Supply**

The Silent Pro Hybrid series power supply is built for those in need of high power that includes plenty of options for customization and noise control. **Features:** •Fully modular cables for a cleaner system build •Hydraulic dynamic bearing fan for quieter operation •Switchable Automatic/Manual fan mode •Single +12V rail up to 105A load •Hybrid transformer technology to improve thermal performance and efficiency •Hyper Path link between IC and the relative components for direct transfer without energy loss •Connections: 1 x 24 pin motherboard, 2 x 4+4 pin CPU, 6 x 6+2 pin PCI-Express, 12 x SATA, 5 x Molex, 1 x floppy, 3 x 3 pin fan

| MCM Part # | Mfr. #          | Wattage | ONLY     |
|------------|-----------------|---------|----------|
| 83-13689   | RS850-SPHAD3-US | 850W    | \$229.00 |
| 83-13690   | RSA50-SPHAD3-US | 1050W   | 299.00   |
| 83-13691   | RSD00-SPHAD3-US | 1300W   | 329.00   |

**COOLER MASTER**

**Extreme Power Plus ATX Power Supply**

•Compliance with the newest Intel standard ATX 12V V2.3 •Support dual and 12V1 and and 12V2 outputs for higher power usage •SATA connector x 6 •Protection design (OVP/OPP/SCP) •More than 70% better efficiency at typical load operation

| MCM Part # | Wattage | (1-9)   | (10-up) |
|------------|---------|---------|---------|
| 83-12278   | 550W    | \$65.05 | \$62.97 |
| 83-12279   | 700W    | 92.55   | 89.43   |

**COOLER MASTER**

**Silent Pro ATX Power Supply**

•Single +12V design won't have any problems powering even the most demanding SLI or CrossFire systems •Flat modular cables to eliminate clutter and improve chassis airflow •Energy efficient design that meets 80+ requirements •Intelligent 135mm fan speed control •Hybrid copper plus aluminum heat sink Specifications: •Input voltage: 94~264V, 47~63Hz •Output voltage: +3.3V, +5V, +12V, -12V, +5Vsb •Cables: 20+4P Main, 4+4P CPU, 2 x 6+2P PCI-E, 5 x Molex, 9 x SATA, 4P floppy

| MCM Part # | Wattage | (1-9)    | (10-up)  |
|------------|---------|----------|----------|
| 83-12276   | 600W    | \$123.76 | \$121.68 |
| 83-12277   | 700W    | 147.68   | 144.56   |

**COOLER MASTER**

**1200W Silent Pro Gold ATX Power Supply**

•Meets 80Plus Gold standard with over 90% power efficiency •Flat modularized cables provide easy cable management leads to better airflow •Compliance with the latest Intel standard ATX 12V V2.3 •Operation with intelligent fan speed control •Integrating Active PFC with PWN combo controller while increase efficiency •Multiple protection design (OVP/UVP/OPP/OTP/SCP/OCP) •Single +12V rail up to 98A •Connections: 1 x 20+4 pin motherboard, 4+4 pin CPU, 4 x 6+2 pin PCI-Express, 9 x SATA, 4 x Molex, 1 x floppy •Mfr. #RSC00-80GAD3-US

| MCM Part # | ONLY     |
|------------|----------|
| 83-13688   | \$329.00 |

**COOLER MASTER**

**ATX Gaming Power Supply**

•High efficiency ATX power supply that meets 80 Plus requirements (85% typical) •Ultra-silent operation with intelligent 120mm fan speed control •Single high output +12V rail for the most demanding SLI configurations •Active PFC with PWM combo controller to raise efficiency •Transformer reduces power loss when system is off or sleeping •Connections: 1 x 20+4 pin motherboard, 1 x 4+4 pin CPU, 2 x 6+2 pin PCI-Express, 6 (650W) / 9 (750W) SATA, 3 x Molex, 1 x floppy

| MCM Part # | Mfr. #          | Wattage | (1-9)   | (10-up) |
|------------|-----------------|---------|---------|---------|
| 83-13686   | RS650-ACAAE3-US | 650W    | \$89.99 | \$85.49 |
| 83-13687   | RS750-ACAAE3-US | 750W    | 129.00  | 125.00  |

**SPARKLE POWER 300 Watt AT Power Supply**

This 300W AT style power supply is great for replacing those worn out power supplies in otherwise good older AT-style computers. **Features:** •Active power correction •Output over voltage, short circuit, and over current protection **Specifications:** •Input voltage: 90~264VAC, 50~60Hz •Output voltage: +5V, +12V, -5V, -12V •Dimensions: 5.5" (L) x 5.9" (W) x 3.4" (H)

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-12289   | \$79.99 | \$75.99 |

**SPARKLE POWER 450W ATX Power Supply**

**Features:** •High efficiency and reliability •Low noise and ripple •Noise killer fan speed control •Remote on/off function **Specifications:** •Input voltage: 115VAC/57~63Hz, 230VAC/47~53Hz •Output voltage: +3.3V, +5V, +12V1, +12V2, -12V, +5Vsb •Dimensions: 5.5" x 5.9" x 3.4"

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-12340   | \$49.99 | \$47.49 |

UL c UL

**SPARKLE POWER ATX Power Supplies**

•High-efficiency, low-noise power supplies for ATX style case •Output over-voltage and short-circuit protection •MTBF: Above 100,000 hours •Includes AC power cord and built-in switch **Specifications:** •Input voltage: 95~132/180~264VAC, 47~63Hz •Output voltage: +3.3V, +5V, +12V, -5V, -12V, +5V •Dimensions: 5.9" x 3.4" x 5.5" •Note: #83-8362 and 83-8363 each feature two SATA power connections

**ENERMAX MaxRevo 1350W ATX Power Supply**

•FMQ design utilizes transformer's quad magnetic quadrants energy to provide maximum switching efficiency and outstanding stability •Copper-Bridge Array creates wider conduction path to reduce airflow resistance, voltage drop, and energy loss •88PLUS ready for 88-94% efficiency @ 20-100% load •ErP Lot six ready for low power systems •C6 and hybrid states ready to support current and future CPU and GPU generations •12P modular design for possible upcoming new CPU and GPU 10P or 12P connectors •HeadGuard keeps the PSU fan running for 30-60 seconds after shut down to dissipate the remaining system heat •SpeedGuard fan control from 550RPM to 1500RPM for optimal cooling and minimum noise **Specifications:** •Input Voltage: 100-240VAC •Output Voltage: +3.3V, +5V, +12V1, +12V2, +12V3, +12V4, +12V5, +12V6, -12V, +5Vsb •Cables: 24P Main, 8P CPU, 4+4P CPU, 6+2P PCI-Express, SATA, 4P Molex, Floppy •Mfr. #EMR1350EWT

| MCM Part # | (1-9)    | (10-up)  |
|------------|----------|----------|
| 83-12687   | \$349.00 | \$347.00 |

**ENERMAX 80+ Ready ATX Power Supply**

•80~86% efficiency at 20~100% load •ErP Lot 6 ready with less than 1W in standby when used with ErP Lot 6 enabled motherboards •Keeps fan running for 30-60 seconds after shutdown to dissipate remaining heat •Patented Airguard air inlet with optimal aero-dynamical design reduces air turbulence •Ready for next-gen multi-core systems •Ultra silent 12cm fan with intelligent RPM control •Active PFC minimizes reactive power waste **Specifications:** •Input Power: 100-240VAC, 47-63Hz •Output Voltage: +3.3V, +5V, +12V1, +12V2, -12V, +5Vsb •Cables: 20+4P Main, 4+4P CPU, 6+2P PCI-E 2.0, SATA, 4P Molex, Floppy

**24 Pin to 20 Pin Motherboard Power Adapter**

•Female 24 pin molex to male 20 pin molex •Easily connect a 24 pin molex power connector to any motherboard with a 20 pin connection

| MCM Part # | ONLY   |
|------------|--------|
| 83-11834   | \$4.15 |

**Computer Power Supply "Y" Cable**

•For use when adding additional disk drives •4 pin molex type male to two females •Cable length: 4"

MCM Part # **ONLY**  
83-0830 **\$1.34**

**SATA Power Adapter with Data Cable**

•Connect any SATA drive to an older power supply that doesn't have SATA power connectors •Integrated data cable for easy installation

MCM Part # **ONLY**  
83-11839 **\$3.11**

**HighSpeed PC**  
*Specialty Computer Hardware* **ATX Power Bracket**

•Provides system power status and control from any add-in bracket slot •Perfect for upgraders, modders, or IT professionals •Two push button switches: Power on/off and Reset •Green LED for power indicator •Red LED for hard drive activity

MCM Part # (1-9) (10-up)  
83-14022 **\$14.99** **\$12.99**

**HighSpeed PC**  
*Specialty Computer Hardware* **ATX Control Kit**

Power up your PC without installing it in a case. **Features:** •Great for IT professionals •Plugs directly into motherboard pin headers •Two push button switches: Power on/off and Reset •System Alert speaker •Green LED for power indicator •Red LED for hard drive activity

MCM Part # (1-9) (10-up)  
83-14021 **\$14.99** **\$12.99**

**AKUST.**  
*ACOUSTIC THERMAL DEVELOPMENT* **PCI Express Power Adapter**

•Perfect solution for older power supplies that do not include a PCI Express power connector •Power provided through each female molex connector

MCM Part # **ONLY**  
83-11833 **\$2.19**

**AKUST.**  
*ACOUSTIC THERMAL DEVELOPMENT* **Power Cables**

•Various power cables and adapters for most PC applications

**AC/DC Brushless Cooling Fans**

MCM's line of square cooling fans will help you prolong the life and reliability of your computer, office machine, power supply and much more. Available in ball or sleeve bearing design.

**115VAC Fans**

| MCM Part # (A) (CFM)            | Size   | Bearing | (1-4)   | (5-up) |
|---------------------------------|--------|---------|---------|--------|
| 28-1690 .24 105 4 1/2" x 1 1/2" | Sleeve | \$14.99 | \$14.24 |        |
| 28-1725 .24 105 4 1/2" x 1 1/2" | Ball   | 17.99   | 17.09   |        |

**12VDC Fans**

| MCM Part # (A) (CFM)          | Size | Bearing | (1-4)  | (5-up) |
|-------------------------------|------|---------|--------|--------|
| 28-1730 .10 5.4 1 1/8" x 3/8" | Ball | \$9.99  | \$9.49 |        |
| 28-1735 .09 12.7 2 1/2" x 1"  | Ball | 9.99    | 9.49   |        |
| 28-1740 .12 19.8 3 1/2" x 1"  | Ball | 5.99    | 5.69   |        |
| 28-1745 .16 25.2 3 3/4" x 1"  | Ball | 9.99    | 9.49   |        |
| 28-1750 .20 54.0 4 3/4" x 1"  | Ball | 9.99    | 9.49   |        |

**Computer Case Fan**

•Helps keep inside of PC cooler for better performance •12VDC ball bearing fan •3 pin connector with 4 pin standard power adaptor included •33cfm •2500rpm •Noise level: 29dB •Includes four mounting screws •Dimensions: 3 1/8" x 3 1/8" x 1"

| MCM Part # | (1-9)  | (10-up) |
|------------|--------|---------|
| 83-8380    | \$6.99 | \$6.45  |

**Anti-Vibration Rubber Case Fan Gaskets**

•Available in either 80mm or 120mm sizes •Installs between fan and computer case •Eliminates any potential vibration caused by case fan

| MCM Part # | Size  | ONLY   |
|------------|-------|--------|
| 83-11828   | 80mm  | \$1.14 |
| 83-11829   | 120mm | 1.46   |

**Magnetic Fan Snake Stand**

Compatible with all sizes of case fans, stands are flexible and easy to keep fans in-position. No screws required for installation, unique magnet bottom and bendable metal design. Also works with CPU coolers, VGA card memory modules, and HDDs. Each snake is 200mm in length, 4pcs in a pack

| MCM Part # | (1-9)  | (10-up) |
|------------|--------|---------|
| 83-13635   | \$8.50 | \$7.73  |

**Mesh Filters and Inserts**

Designed to allow air into the PC and keep the dust out. Sponge filter design is easily removable and washable.

| Fig. MCM Part # | Description                  | (1-9)  | (10-up) |

### Qualtek 4.5" Wire Form Fan Guard

For use with tube-axial fans, .25" maximum ring spacing for compliance with domestic and international safety requirements. 4.13" hole center. Mfr. #08170

MCM Part # **ONLY**  
28-4410 **\$2.30**

### Qualtek Plastic Fan Filter Assemblies

Assemblies consist of guard, polyurethane foam filter media and media retainer for tube-axial fans. Easy to install, secure the guard portion with mounting screws, (not included) then snap-on the retainer and filter media with no extra hardware or brackets. When the filter requires maintenance, the guard and fan do not need to be removed. Just remove retainer and clean or replace the media.

**intel**  
Extreme Edition DP67BG Motherboard

•Quick feature list – Intel Core i7, Core i5 ready in LGA1155 form factor, Gigabit lan, 4x DDR3 Sockets, USB 3.0, SATA 6Gbps and 10 channel audio •CPU: Intel Core i7 and Core i5 processors with LGA1155 Form factor •Chipset: Intel P67 Express •Memory: 4x 240-pin socket supporting up to 32GB of DDR3 1066/1333 memory •Sound: 10-channel (7.1+2 independent multi-streaming) audio subsystem •Lan: Gigabit Intel® (10/100/1000 Mbits/sec) LAN •Slots: 1x PCI Express 2.0 x16, 3x PCI Express\* x1 connectors, 2x PCI conventional connector •I/O: 2x USB 3.0 ports, 14x USB 2.0 ports, 4x SATA ports, 1x IEEE 1394a ports, 6x audio and 1x eSATA •Power: ATX Connector 24 Pin + 4 Pin •Dimensions: 11.6" x 9.6" ATX •Contents: Board, backplate, SATA cables, software and user guide

| MCM Part # | ONLY     |
|------------|----------|
| 83-13263   | \$214.00 |

**LOGISYS**  
ATX Computer Case

**NEW!**

•All black painted case with decorative stripes on the front panel •Bottom mounted 480W 20/24 pin power supply makes for better cable management •Motherboard back plate has a special design with an edge-rounded access hole, which allows easy removal of back-mounted CPU coolers •Power button located in the middle of the front panel •Two USB 2.0, audio outputs and reset button are all conveniently located on the top of the front panel •Three open 5.25" drive bays, one hidden •Six 3.5" drive bays •Rear mounted 80mm cooling fan

| MCM Part # | Color             | (1-9)   | (10-up) |

**intel**  
Extreme Edition DZ77GA Motherboard

•Quick feature list: Intel Core i7 ready in LGA1155 form factor, Visual Bios, Gigabit lan, 4x DDR3 Sockets, USB 3.0, SATA 6Gbps and 10 channel audio •CPU: Intel Core i7, Core i5 and Core i3 with LGA1155 Form factor •Chipset: Intel Z77 Express •Memory: 4x 240-pin socket supporting up to 32GB of DDR3 1066/1333 memory •Graphics: Intel® HD Graphics, HDMI •Sound: Intel® High Definition Audio (Intel® HD Audio) •Lan: Dual Gigabit Lan •Slots: 2x PCI Express 3.0 x16 connectors, 2x PCI Express 2.0 x1 connectors, 1x PCI Express 2.0 x4 connector, 2x PCI Conventional bus connectors •I/O: 8x USB 3.0 ports, 10x USB 2.0 ports, 8x SATA, 1x eSATA 6.0 Gb/s, 2x IEEE 1394a ports, 1 x CIR •Power: ATX 24 + 4 Pin Connector •Dimensions: 11.6" x 9.6"

| MCM Part # | ONLY     |
|------------|----------|
| 83-13742   | \$299.00 |

**LOGISYS**

Clear Acrylic ATX Computer Case

•Completely clear computer case •Includes three 80mm fans with blue LED lights •Drive Bays: Four 5.25", eight 3.5" (six internal) •Front USB and audio jacks •Dimensions: 21" x 10.5" x 20"

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-14162   | \$69.99 | \$68.45 |

**LOGISYS**

ATX Computer Case with 480 Watt Power Supply

•Built with solid 0.6mm SECC metal sheet with folded edges, which strengthens the case structure •Large front power button with decorative blue LED •Two built-in USB ports and audio inputs on front panel •Drive bays: Four 5.25", six 3.5" (five internal) •120mm fan installed in rear panel •Tool-less thumbscrews for easy installation •480W power supply supports 20P or 24P mainboards •Dimensions: 7.10" x 16.55" x 16.55"

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-14159   | \$44.99 | \$43.25 |

**intel**  
Extreme Series DZ68BC Motherboard

•Quick feature list: Intel Core i7, Core i5 ready in LGA1155 form factor, Dual Gigabit lan, 4x DDR3 Sockets, USB 3.0, SATA 6Gbps and 10 channel audio •CPU: Intel Core i7, Core i5 and Core i3 with LGA1155 Form factor •Chipset: Intel Z68 Express •Memory: 4x 240-pin socket supporting up to 32GB of DDR3 1066/1333 memory •Graphics: Intel® HD Graphics, HDMI, Displayport, DVI •Sound: Intel® High Definition Audio (Intel® HD Audio) •Lan: 2x Gigabit Lan •Slots: 2x PCI Express x16 connectors, 3x PCI Express 2.0 x 1 connectors, 3x PCI Conventional bus connectors •I/O: 4x USB 3.0 ports, 14x USB 2.0 ports, 9x SATA, 1x eSATA 6.0 Gb/s, 1x IEEE1394 and 1 x CIR •Power: ATX 24 + 4 Pin Connector •Dimensions: 11.6" x 9.6"

High Performance  
LGA 2011 and 1155  
CPU Cooler

Model: BXRTS2011AC. This air cooler is equipped with a 120mm fan and 4 metal screws. Keeping your computer running smoothly. It also assures you of quiet operation at just 21~25dBa •Contents: Heatsink and User guide

MCM Part # **ONLY**  
83-13253 **\$18.99**

**intel** Ultra Slim High Performance  
LGA 1155 CPU Cooler

Model: HTS 1155LP. As desktop form factors evolve with an emphasis on thinness (like All-in-Ones and SFF PCs), cooling solutions needed to evolve to support local integration. The Thin Mini-ITX platform is designed for such applications, and Intel's HTS1155LP is a core building block that delivers exceptional performance and enables the evolution of the desktop. •Contents: Heat exchanger (with attached 4x PIM screws and 2x chassis screws pre-attached), Backplate with adhesive, Blower with 4 pin connector (PWM controlled), Blower to chassis attach screws 2x in clean plastic bag, TIM pillow pack (not pre-applied) and Instruction manual

MCM Part # **ONLY**  
83-13741 **\$39.99**

**Triple Fan  
CPU Cooler**

•Optimally designed aluminum fins disperse heat away from the CPU via six high performance heatpipes •Switching noise eliminated 120mm triple fans incorporated for ultra-quiet operation and blue LEDs for cool aesthetics •Optimized dual heatsink, applying V.F.P(Variable Fin Profile) technology maximizes its performance through dual air-intake structure that increase air flow •The entire heatsink is plated with 'Black-Pearl' Nickel for a long-term corrosion resistance •Supports Intel sockets LGA2011, 1366, 1155/1156, and 775, and AMD sockets FM1, AM3+, AM3, AM2+, and AM2 •The included high performance thermal grease maximizes heat transfer from the CPU to the base of the cooler for intensified cooling performance •The cooler's height is 154mm, and it can be installed in middle cases which measures 180mm in width •Mfr. #CNPS12X

MCM Part # **ONLY**  
83-13718 **\$99.99**

**ZALMAN**  
COOL INNOVATIONS  
High Power CPU  
Cooler

•Optimally designed pure copper fins effectively disperse heat away from the CPU via composite heatpipes, while the high capacity 135mm fan quickly cools the heatsink for stable operation of high performance CPUs •Composite heatpipe which is 50% more effective in transferring heat compared to ordinary heatpipes •Ultra quiet 135mm blue/red LED fan •The entire copper heatsink is "Black-Pearl" Nickel Plated for long-term corrosion resistance •PWM fan speed control automatically adjusts fan speed(RPM) according to the CPU's temperature •High performance thermal grease maximizes heat transfer from the CPU to the base of the cooler for intensified cooling performance •Supports a Intel sockets LGA2011, 1155/1156, 1366, and 755, and AMD sockets FM1, AM3+, AM3, AM2+, and AM2 •Mfr. #CNPS9900MAX

MCM Part # **ONLY**  
83-13717 **\$79.99**

**ZALMAN**  
COOL INNOVATIONS  
CPU Liquid Cooler

•Liquid sealed water cooler provides convenient installation and does not require any maintenance •Built-in pump within water block minimizes tubing and allows rapid circulation of coolant, thus enabling quiet computing •Micro Fins made of pure copper within the water block provide excellent heat transfer •Accommodates Intel sockets LGA 2011, 1155/1156, and 1366, and AMD sockets FM1, AM3+, AM3, AM2+, and AM2 •Durable and long-lasting tubes are elegantly finished to prevent leakage and guarantee safety •Slim 28mm water block is designed to be installed in ATX cases as well as slim or LP (low profile) cases (only if it supports 120mm rear fan) •Mfr. #CNPS20LQ

MCM Part # **ONLY**  
83-13716 **\$99.99**

**COOLER  
MASTER**

**Deluxe Socket  
7/FC-PGA Fan**

•For AMD K6/K6-2/Socket A, Intel Pentium 60~266MHz, Celeron 300~700MHz PPGA/FC-PGA, Pentium III 500~800 FC-PGA, Cyrix 6x86, 6x86MX and MII and IBM 6x86 processors •12VDC ball bearing fan •3 pin connector •10.5cfm •5400rpm •Noise level: 33dB •High-ratio aluminum heat sink •Dimensions: 2"x 2" x 1.5" with heat sink

MCM Part # **(1-9)** **(10-up)**  
83-8371 **\$7.99** **\$6.50**

**COOLER  
MASTER** High Performance  
Thermal Compound

Features: •Injector with cap for easy application and storage •Two templates ensure correct applying area for various CPU socket types •Produces even layer when using applicator •No messy fingers when done Features: •Excellent thermal conductivity •Electrically non-conductive •Wide range of application temperature •4.18W/mK conductivity

MCM Part # **(1-9)** **(10-up)**  
83-10380 **\$2.49** **\$2.43**

Add-On Cards

2-Port USB Pin Header Adapter

•Convert a motherboard USB pin header into two usable USB ports •Great for testing new installations •Install USB peripherals such as Bluetooth or Wi-Fi adapters inside the computer •USB 2.0

| MCM Part # | (1-9)  | (10-up) |
|------------|--------|---------|
| 83-12195   | \$7.99 | \$7.25  |

2-Port USB 3.0 Pin Header Adapter

•Connects to motherboard or add-on USB 3.0 card with 20-pin ICC header-pin connector •Two (2) USB 3.0 Type-A downstream connectors for SuperSpeed USB 3.0 devices •Install USB peripherals such as Bluetooth or Wi-Fi adapters inside the computer •Fully Plug-N-Play compatible •Supports Windows® XP/Server 2003/Vista/Server 2008/Windows 7/Windows 8 or higher, or Linux OS

| MCM Part # | (1-9)  | (10-up) |
|------------|--------|---------|
| 83-14102   | \$9.99 | \$9.25  |

StarTech.com  
Making hard-to-find easy  
USB 3.0 Slot Adapter

•Easily add two SuperSpeed USB 3.0 ports to a PC •Easy to install in an open expansion slot •Backward compatible with USB 2.0/1.1

| MCM Part # | Slot Size   | (1-9)   | (10-up) |
|------------|-------------|---------|---------|
| 83-14170   | Standard    | \$16.99 | \$16.25 |
| 83-14220   | Low Profile | 16.99   | 16.25   |

SUNIX  
Two Port USB 3.0 Expansion Card

•Adds two SuperSpeed USB 3.0 ports to your desktop computer •Supports PCI Express Base Specification Revision 2.0 •Single-lane (x1) PCI Express throughput rates up to 5 Gbps •Compliant with Universal Serial Bus 3.0 specification Revision 1.0 •Compliant with xHCI (eXtensible host controller interface) specifications •Revision 0.96 •Each USB port supplies maximum +5V / 900mA power output to USB device •Built-in 4-pin power connector for receiving extra power supply from system •Driver supports for Microsoft Windows XP, 2003, Vista, 2008 and 7 operation system

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-12616   | \$27.99 | \$26.45 |

USB 3.0 PCI-Express Card

•Adds high speed USB 3.0 ports to your computer •Installs easily in any PCI-Express slot •Supports up to 5Gb/s transfer rate •Backwards compatible with USB 2.0 •Windows 7/Vista/XP compatible

| MCM Part # | Ports | (1-9)   | (10-up) |
|------------|-------|---------|---------|
| 83-13519   | 4     | \$29.99 | \$28.45 |

IOGEAR®  
Two Port USB 3.0 PCI-Express Card

Add two USB 3.0 ports to your desktop computer. Transfer data at up to 10x the speed of USB 2.0. Features: •Supports transfer rates up to 5Gbps •Supports hot-swapping of devices without powering down the system •Backward compatible to USB 2.0 and USB 1.1 System Requirements: •Windows 7, Vista, or XP •Available PCI-Express slot •Mfr. #GIC320U

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-12360   | \$43.49 | \$41.99 |

Four Port USB 2.0 PCI Card

•USB 2.0 •Compatible with OHCI (open host controller interface) •Hot-swappable and real plug-and-play capability •Compatible with USB drivers (Windows 95/98/Me/2000/XP) and Mac OS •Ports support 1.5Mbps, 12Mbps full speed and 480Mbps high-speed function •PCI V.2.2 compliant

| MCM Part # | (1-9)  | (10-up) |
|------------|--------|---------|
| 83-10190   | \$9.99 | \$9.25  |

IOGEAR®  
Five Port USB 2.0 Interface Card

•USB 2.0 cards from IOGEAR will move data at rates up to 480Mbps •Take advantage of the scalability that USB 2.0 cards provide Features: •Fully backwards compatible to USB 1.1 •Hot swappable, plug-n-play •USB 1.1 and USB 2.0 compliant •Up to five built-in type A USB connections •No software needed •Three year limited warranty

| MCM Part # | Mfr. #  | Description     | (1-9)   | (10-up) |
|------------|---------|-----------------|---------|---------|
| 83-9580    | GIC251U | 5 port PCI card | \$17.99 | \$17.49 |

Five Port FireWire/USB 2.0 Combo PCI Card

Add five additional device ports to your PC by upgrading your PCI card. Specifications: •Interface: PCI •OS support: Windows 2000/XP and Mac OS •Ports: two external USB, two external firewire, and one internal •USB 2.0 transfer rates: Supports high speed (480Mbits/sec), full speed (12Mbits/sec) and low speed (1.5Mbits/sec) •IEEE-1394 transfer rates: 100, 200, 400Mbits/sec •Mfr. #UF-400

| MCM Part # | (1-19)  | (20-up) |
|------------|---------|---------|
| 83-10034   | \$26.99 | \$25.45 |

SUNIX  
SATA 6Gb/s RAID Controller Card

•Single-chip PCI-Express to two SATA channel RAID host controller •Native Command Queue (NCQ) on SATA port •Supports up to two storage devices connection with RAID 0 and 1 •Hardware RAID design reduces the system resource loading •Works with various brands of large capacity SATA hard disk drives •Low-profile design fitting for kinds of computer chassis •Support Microsoft Windows and Linux

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-12617   | \$33.27 | \$31.12 |

SUNIX  
Four Port USB PCI-Express Card

•Add four external USB ports and one internal port to an existing desktop computer with an available PCI-Express slot •Single-lane (x1) PCI-Express throughput up to 2.5Gbps •Built-in 4-pin power connector for receiving extra power supply from the system •Supports USB 2.0 (480Mbps), backward compatible with USB 1.1

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-12603   | \$47.83 | \$45.14 |

**RS-232 and Parallel Port Expansion Card**

•Adds two RS-232 ports and one parallel port to a desktop computer •Compatible with PCI-Express x1 slots •RS-232 communication speed up to 115.2Kbps •Parallel port supports ECP, EPP, SPP, and BPP modes, with configuration-free auto-switching •Plug-n-Play, I/O address and IRQ assigned by system •Supports Microsoft Windows, Linux, and DOS

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-12613   | \$75.91 | \$72.54 |

**PCI-Express to Express Card Adapter**

•Allows use of 34mm or 54mm ExpressCards on desktop computers •Supports x1, x2, x4, x8, and x16 PCI-Express connectors •Supports PCI-Express and USB interface ExpressCards •Compatible with Windows 2000, XP, Server 2003, as well as Mac and Linux operating systems

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-12614   | \$44.71 | \$41.91 |

**Industrial Grade RS232 PCI Express Card**

•PCI Express x1 compliant •921.6 Kbps maximum baudrate for super fast data transmission •256-byte FIFO and on-chip H/W, S/W flow control •Low profile form factor fits small-sized PCs •15KV ESD Protection on the board •Low profile boards include adapter dongles

| MCM Part # | Ports | Low Profile | Connectors        | (1-9)   | (10-up) |
|------------|-------|-------------|-------------------|---------|---------|
| 83-12754   | 2     | No          | 2 x DB9           | \$69.99 | \$64.39 |
| 83-12755   | 2     | Yes         | 2 x RJ-45 to DB9  | 69.99   | 64.39   |
| 83-12756   | 4     | Yes         | DB44 to 4 x DB9   | 89.99   | 82.79   |
| 83-12757   | 8     | Yes         | VHDI68 to 8 x DB9 | 199.00  | 183.08  |

**Parallel Port Expansion Card**

•Add one IEEE1284 parallel port to an existing desktop computer •Supports ECP, EPP, SPP, and BPP port modes •Auto switches between modes without configuration •Plug-n-Play, I/O address and IRQ assigned by system •Supports Microsoft Windows, Linux, and DOS

| MCM Part # | Expansion Slot | (1-9)   | (10-up) |
|------------|----------------|---------|---------|
| 83-12608   | Universal PCI  | \$11.43 | \$10.48 |
| 83-12609   | PCI-Express x1 | 42.63   | 40.30   |

**RS-232 PCI-Express Serial Card**

•Adds RS-232 communication with speeds up to 115.2Kbps •Supports x1, x2, x4, x8, and x16 PCI-Express slots •On-chip hardware auto flow control to guarantee no data loss •Built-in 15KV ESD protection •Plug-n-Play, I/O address and IRQ assigned by BIOS •Supports Microsoft Windows, Linux, and DOS

| MCM Part # | Expansion Slot          | Ports | (1-9)   | (10-up) |
|------------|-------------------------|-------|---------|---------|
| 83-12610   | Low profile PCI-Express | 1     | \$47.83 | \$45.14 |
| 83-12611   | PCI-Express             | 4     | 50.95   | 48.36   |
| 83-12612   | PCI-Express             | 8     | 128.95  | 122.51  |

**Industrial Grade RS232/422/485/Universal PCI Card**

•Compatible with 3.3V/5V PCI and PCI-X •MD1 low profile form factor fits small-sized PCs •921.6 Kbps maximum baudrate for super fast data transmission •128-byte FIFO and on-chip H/W/S/W flow control •15KV ESD and 2KV optical isolation protection

| MCM Part # | Ports | Connections      | (1-9)   | (10-up) |
|------------|-------|------------------|---------|---------|
| 83-12759   | 2     | 2 x RJ-45 to DB9 | \$89.99 | \$82.79 |
| 83-12760   | 4     | DB44 to 4 x DB9  | 149.00  | 137.08  |

**RS-232 Universal PCI Serial Card**

•Adds RS-232 communication with speeds up to 115.2Kbps •Supports both 32-bit and 64-bit PCI bus slot and 3.3/5V •On-chip hardware auto flow control to guarantee no data loss •Built-in 2KV ESD protection •Plug-n-Play, I/O address and IRQ assigned by BIOS •Supports Microsoft Windows, Linux, and DOS

| MCM Part # | Ports | (1-9)   | (10-up) |
|------------|-------|---------|---------|
| 83-12605   | 1     | \$12.47 | \$11.28 |
| 83-12606   | 4     | 59.27   | 56.42   |
| 83-12607   | 8     | 118.55  | 112.84  |

**Industrial Grade RS-232 Universal PCI Card**

•Compatible with 3.3V/5V PCI and PCI-X •MD1 low profile form factor fits small-sized PCs •921.6 Kbps maximum baudrate for super fast data transmission •128-byte FIFO and on-chip H/W/S/W flow control •15KV ESD and 2KV optical isolation protection •83-12762 features power options for each port: 5V(output), 12V(output), RI(input)

| MCM Part # | Ports | Connections       | (1-9)   | (10-up) |
|------------|-------|-------------------|---------|---------|
| 83-12761   | Four  | DB44 to 4 x DB9   | \$89.99 | \$82.79 |
| 83-12762   | Four  | DB44 to 4 x DB9   | 129.00  | 118.68  |
| 83-12763   | Eight | VHDI68 to 8 x DB9 | 269.00  | 247.48  |

**Industrial Grade RS422/485 PCI Express Card**

•PCI Express x1 compliant •921.6 Kbps maximum baudrate for super fast data transmission •256-byte FIFO and on-chip H/W/S/W flow control •Low profile form factor fits small-sized PCs •15KV ESD protection on the board •2KV isolation protection on the board •Two ports via RJ-45 to RS-422/485 adapters

| MCM Part # | (1-9)    | (10-up)  |
|------------|----------|----------|
| 83-12753   | \$129.00 | \$118.68 |

**Brainboxes**  
www.brainboxes.com  
**PCI Express Serial Cards**

PCI express cards providing RS232 serial ports. Data transfer rates up to 921,600 baud rates and the 128 byte deep transmit and 128 byte receive FIFOS. **Features:** •PCI express cards •Data rate from 110~921,600 baud •DB9 Connections •Drivers for all popular operating systems •Lifetime manufacturer warranty and support

| MCM Part # | Ports | Profile | (1-9)    | (10-up)  |
|------------|-------|---------|----------|----------|
| 83-15011   | 2     | Low     | \$123.99 | \$120.27 |
| 83-15014   | 1     | Low     | 87.49    | 84.87    |
| 83-15015   | 1     | High    | 87.49    | 84.87    |
| 83-15016   | 2     | High    | 189.49   | 183.81   |

**Brainboxes**  
www.brainboxes.com  
**Multi-port Low Profile PCI Express Serial Card**

PCI Express Card providing multiple RS232 serial ports. Data transfer rates up to 921,600 baud rates and the 128 byte deep transmit and 128 byte receive FIFOS, coupled with 1Mbit/s line drivers deliver uncompromising performance on your PC. Drivers for Windows 32 bit and 64 bit Operating Systems including Windows 2000, XP, Server 2003, Vista, Server 2008, Windows 7 and Windows 8. **Features:** •Breakout cable for easy connection •Uncompromising performance •Data rate from 110~921,600 baud •Drivers for all popular operating systems •Lifetime manufacturer warranty and support

| MCM Part # | Ports | Cable | (1-9)    | (10-up)  |
|------------|-------|-------|----------|----------|
| 83-15017   | 4     | DB9   | \$385.99 | \$374.41 |
| 83-15018   | 8     | DB25  | 582.49   | 565.02   |
| 83-15019   | 8     | DB9   | 582.49   | 565.02   |

**Brainboxes**  
www.brainboxes.com  
**Opto Isolated PCI Express RS422/485 Serial Cards**

PCI express card providing opto isolated serial ports. Data transfer rates up to 921,600 baud rates and the 128 byte deep transmit and 128 byte receive FIFOS, coupled with 1Mbit/s line drivers deliver uncompromising performance on your PC. Optical isolation provides greater protection from electrical current surges to both the card and the PC while improving noise immunity. **Features:** •Max Baud Rate 921,600 •Improved noise immunity •Greater protection from surges •Uncompromising performance •Lifetime manufacturer warranty and support

| MCM Part # | Ports | Profile  | (1-9)    | (10-up)  |
|------------|-------|----------|----------|----------|
| 83-15020   | 2     | Standard | \$320.49 | \$310.88 |
| 83-15026   | 4     | Standard | 429.49   | 416.61   |
| 83-15027   | 1     | Low      | 160.49   | 155.68   |
| 83-15028   | 1     | Standard | 160.49   | 155.68   |

**Brainboxes**  
www.brainboxes.com  
**RS422/485 PCI Express Serial Port Cards**

PCI express card providing two RS422/485 serial ports. Up to 921,600 data transfer rates and the 128 byte deep transmit and 128 byte receive FIFOS, coupled with 1Mbit/s line drivers deliver uncompromising performance on your PC. **Features:** •RS422/485 •Up to 921,600 data transfer rates •Uncompromising performance •Drivers for all popular operating systems •Lifetime manufacturer warranty and support

| MCM Part # | Ports | Profile  | (1-9)    | (10-up)  |
|------------|-------|----------|----------|----------|
| 83-15021   | 2     | Standard | \$247.99 | \$240.55 |
| 83-15022   | 1     | Low      | 123.99   | 120.27   |
| 83-15023   | 1     | Standard | 123.99   | 120.27   |
| 83-15024   | 4     | Low      | 349.49   | 339.01   |
| 83-15025   | 4     | Standard | 349.49   | 339.01   |

**Brainboxes**  
www.brainboxes.com  
**RS232 PCI Express Serial Card**

PCI express cards providing three or four RS232 serial ports. Data transfer rates up to 921,600 baud rates and the 128 byte deep transmit and 128 byte receive FIFOS, coupled with 1Mbit/s line drivers deliver uncompromising performance on your PC. **Features:** •Data transfer rates up to 921,600 baud •PCI express interface •Three port or four (3+1) available •Drivers for all popular operating systems •Lifetime manufacturer warranty and support

| MCM Part # | Ports | (1-9)    | (10-up)  |
|------------|-------|----------|----------|
| 83-15029   | 4     | \$276.99 | \$268.68 |
| 83-15030   | 3     | 254.99   | 247.34   |

**Brainboxes**  
www.brainboxes.com  
**Powered RS232 PCI Express Card**

PCI express cards providing one or two powered RS232 serial ports. Data transfer rates up to 921,600 baud rates and the 128 byte deep transmit and 128 byte receive FIFOS, coupled with 1Mbit/s line drivers deliver uncompromising performance on your PC. Up to 1A selectable power provided through pins 1 and 9 to attached peripherals. The extra power necessary is supplied to the IDE or PCI express card directly from the PC power supply. **Features:** •Low profile PCI express •Up to 1A selectable power •Power through IDE or PCIE from the power supply •Drivers for all popular operating systems •Lifetime manufacturer warranty and support

| MCM Part # | Ports | Power | Profile  | (1-9)    | (10-up)  |
|------------|-------|-------|----------|----------|----------|
| 83-15033   | 1+1   | SATA  | Low      | \$189.49 | \$183.81 |
| 83-15034   | 1     | SATA  | Low      | 152.99   | 148.40   |
| 83-15035   | 2     | SATA  | Standard | 189.49   | 183.81   |
| 83-15036   | 1+1   | IDE   | Low      | 189.49   | 183.81   |
| 83-15037   | 1     | IDE   | Low      | 152.99   | 148.40   |
| 83-15038   | 1     | IDE   | Standard | 152.99   | 148.40   |
| 83-15039   | 1     | SATA  | Standard | 152.99   | 148.40   |
| 83-15040   | 2     | SATA  | Low      | 189.49   | 183.81   |

**Brainboxes**  
www.brainboxes.com  
**PCI Express Card with LPT and RS232 Two Ports**

PCI express providing one RS232 serial port, and one LPT printer port. Data transfer rates up to 921,600 baud rates and the 128 byte deep transmit and 128 byte receive FIFOS, coupled with 1Mbit/s line drivers deliver uncompromising performance on your PC. **Features:** •Baud rate up to 921,600 •RS232 + LPT parallel printer port •Uncompromising performance •Drivers for all popular operating systems •Lifetime manufacturer warranty and support

| MCM Part # | (1-9)    | (10-up)  |
|------------|----------|----------|
| 83-15031   | \$145.99 | \$141.61 |

**Brainboxes**  
www.brainboxes.com  
**Four Port RS232 PCI Express Serial Card**

PCI express card providing four RS232 serial ports. Data transfer rates up to 921,600 baud rates and the 128 byte deep transmit and 128 byte receive FIFOS, coupled with 1Mbit/s line drivers deliver uncompromising performance on your PC. **Features:** •Four port RS232 breakout cable •Up to 921,600 baud rates •Uncompromising performance •Drivers for all popular operating systems •Lifetime manufacturer warranty and support

| MCM Part # | (1-9)    | (10-up)  |
|------------|----------|----------|
| 83-15032   | \$385.99 | \$374.41 |

**Brainboxes**  
www.brainboxes.com  
**Powered Two Port RS232 PCI Serial Card**

Universal PCI providing two Powered RS232 serial ports. Data transfer rates up to 115,200 baud rates and the 128 byte deep transmit and 128 byte receive FIFOS, coupled with 1Mbit/s line drivers deliver uncompromising performance for your electronic point of sale (ePOS) device. The power supplied on the RS232Two port is selectable. Ground or 12V can be selected on pin 1 of each port and also 12V or 5V can be selected on pin 9 of each port. Powered Universal PCI cards are ideal for connecting and powering peripherals such as bar code readers, printers, card readers, display units and other Point Of Sale devices. **Features:** •1A version requires an IDE connection to the power supply •0.5A version powered through the PCI port •12V or 5V can be selected on pin 9 •Ground or 12V can be selected on pin 1 •Lifetime manufacturer warranty and support

| MCM Part # | Power | (1-9)    | (10-up)  |
|------------|-------|----------|----------|
| 83-15041   | 0.5A  | \$189.49 | \$183.81 |
| 83-15042   | 1A    | 202.49   | 196.42   |

**Four Port RS232 Opto Isolated PCI Card**

Universal PCI providing four low profile RS232 serial ports with Opto Isolation on selected lines (Other lines not connected). Data transfer rates up to 921,600 baud rates and the 128 byte deep transmit and 128 byte receive FIFOS, coupled with 1Mbit/s line drivers deliver uncompromising performance on your PC.

**Features:** •Opto Isolation on selected lines •Breakout cable to 4x DB9 connections •Uncompromising performance •Drivers for all popular operating systems •Lifetime manufacturer warranty and support

| MCM Part # | Profile  | Ports                 | ONLY     |
|------------|----------|-----------------------|----------|
| 83-15043   | Low      | TX, RX, GND           | \$407.99 |
| 83-15044   | Low      | TX, RX, GND, CTS, RTS | 429.49   |
| 83-15045   | Standard | TX, RX, GND           | 407.99   |
| 83-15046   | Standard | TX, RX, GND, CTS, RTS | 429.49   |

**NEW!**

**PCI Serial Card With Opto Isolation**

Universal PCI card providing Opto Isolated RS422/485 serial ports with transient spike protection. Data transfer rates up to 921,600 baud rates and the 128 byte deep transmit and 128 byte receive FIFOS, coupled with 1Mbit/s line drivers deliver uncompromising performance.

| MCM Part # | Ports     | (1-9)    | (10-up)  |

**NEW!**

**Female D Screw Terminal**

Suitable for wiring Screw Terminal connections into a standard 9 pin D connector, for quick but secure solderless connections in the field. Many industries use stripped wire screw terminals as the de facto connection method. This adapter enables devices with the ubiquitous 9 pin male D to be used in these situations. **Features:** •Standard 9 pin D connector •Solderless screw terminal connections •Lifetime manufacturer warranty and support

**Memory Mapped LPT/Serial Port ExpressCard**

ExpressCard providing laptop access to one memory-mapped RS232 serial port and/or LPT Printer port where absolute compatibility with classic desktop serial COM ports and parallel LPT printer ports is a necessity. ExpressCard is 34mm wide and fits 34mm or 54mm slots. Guaranteed low latency, memory mapped, no compromise high performance interface. Data transfer rates up to 921,600 baud rates and the 128 byte deep transmit and 128 byte receive FIFOs, coupled with 1Mbit/s line drivers deliver uncompromising performance on your laptop.

**Features:** •Absolute compatibility with desktop COM ports •No compromise high performance interface •Guaranteed low latency, memory mapped •Data rate from 110~921,600 baud •Fits in any 34mm or 54mm ExpressCard slot •Drivers for all popular operating systems •Lifetime manufacturer warranty and support

**Computer Testing and Reference**

**Laptop PC Analyzer Card**

•Monitors PC boot process •Displays POST codes as computer boots •Lookup code displayed during failed boot to determine the cause of the issue •Great for professional PC repair or home diagnostics •Plugs into mini PCI or mini PCI-Express slot for use in laptop computers

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-14038   | \$24.99 | \$22.55 |

**PC Analyzer Card with LCD Display**

•Monitors PC boot process •Displays POST codes as computer boots •Lookup code displayed during failed boot to determine the cause of the issue •Great for professional PC repair or home diagnostics •Plugs into standard PCI slot •External module shows codes on separate LCD

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-14037   | \$24.99 | \$22.55 |

Note: Due to fluctuating computer market conditions, prices are subject to change without notice. Please call your MCM Account Representative or visit www.MCMelectronics.com to verify pricing.

### Six Digit PC Analyzer Card

•Monitors PC boot process  
•Displays POST codes as computer boots  
•Lookup code displayed during failed boot to determine the cause of the issue  
•Great for professional PC repair or home diagnostics  
•Plugs into ISA or PCI slot  
•Includes external LED module to view codes

MCM Part # (1-9) (10-up)  
83-14036 \$19.99 \$18.85

### USB Tutor Module

Make your first steps into the PC-USB world, and learn how to master USB communication with the outside world.

**Features:** •Digital input/output: Eight push buttons and eight LEDs  
•Analog inputs: Temperature sensor, NTC resistor, LDR resistor, and two potentiometers  
•16 character one line LCD display •Mfr. #EDU05

MCM Part # (1-9) (10-up)  
83-13609 \$59.99 \$57.55

### USB Interface Card

Connect your computer to external components for input and output control. **Features:** •Five digital inputs/eight digital output channels •Two analog inputs/two analog outputs •Connect up to four cards to a single PC •Compatible with most programming languages thanks to an included Dynamic Link Library •Mfr. #VM110N

MCM Part # (1-9) (10-up)  
83-13610 \$62.99 \$62.25

### Pocket Reference Book

•Everything you need to know, right in your pocket •Perfect for do-it-yourselfers, engineers, students, craftsmen, teacher, and more  
•Includes over 3500 conversion factors  
•Information about automotive, carpentry, electronics, first aid, area codes, and much more  
•Soft cover, 864 pages •4th edition

MCM Part # ONLY (10-up)  
81-3300 \$11.99 \$11.99

## SHARP D.A.L Scientific Calculator

•D.A.L (Direct Algebraic Logic) to simplify entry of equations  
•Extra large 10 digit, 2 line LCD display (one line equation and one line numeric)  
•Playback key allows user to “playback” the equation and substitute new numeric values  
•Checking D.A.L shows expression and result simultaneously  
•Algebra key lets user enter equation and substitute numeric values for algebraic representations  
•Binary, octal, and hexadecimal calculations  
•32 metric conversions and 32 scientific constants  
•Mfr. #EL-506L

MCM Part # ONLY  
830-775 \$19.99

### Desk Reference Book

•Deluxe desktop edition of “Pocket Reference” and “Handyman” reference books  
•Large print makes small tables easy to read  
•Contains reference material on everything from automotive and electronics to carpentry and maintenance  
•Perfect for do-it-yourselfers, engineers, students, craftsmen, teachers, and more  
•Soft cover, 1280 pages •4th edition

MCM Part # ONLY  
81-3305 \$27.99

### PC Pocket Reference

•Contains extensive information on PCs and laptops  
•Includes information on hard drive specs, hardware memory modules, wiring, troubleshooting tool, and much more  
•Great for novice and professional  
•Soft cover, 1088 pages  
•14th edition

MCM Part # ONLY  
81-3310 \$14.99

### Measure For Measure Reference Book

•Over 39,000 conversions for over 5,100 different units  
•Values in both standard and scientific notation  
•Soft cover, 864 pages

MCM Part # ONLY  
81-3315 \$12.99

### Automotive Reference Book

•The perfect glovebox companion  
•Full of automotive information, maintenance and mileage charts, troubleshooting, maps, and more  
•Great for travelers and commuters  
•Soft cover, 768 pages

MCM Part # ONLY  
81-3320 \$11.99

### 10x Lupe Magnifier

•Powerful magnifier with a 10x lens  
•Clear plastic lower half for maximum light  
•Perfect for books and maps

MCM Part # (1-9) (10-up)  
83-12915 \$4.99 \$4.88

### USB Microscope

•Digital microscope with image capture facility  
•Manual focus range from 5mm to 45mm  
•25X~200X magnification  
•Four white LED provide illumination in any conditions  
•In-line brightness control  
•Software (supplied) shows live feed on your monitor/notebook  
•Capture still images and video up to 1280x960 resolution (640x480 pixel sensor)  
•TWAIN compatible  
•Mounting stand has fixing holes to secure microscope in place  
•USB interface with 5' cable  
•Supports Win XP/Vista/7  
•Dimensions: 1.29" (H) x 1.29" (W) x 4.41" (D)

MCM Part # ONLY  
83-12906 \$69.99

Camera

### USB Digital Microscope

•Can be operated as a webcam, digital magnifier, or digital microscope  
•Great accessory for PC, laptop, and notebook computers  
•Easily take a snapshot by hardware button or software control  
•Included software provides video recording and image editing  
•Manual zoom/focus adjustment  
•Build in four LED illumination

MCM Part # (1-9) (10-up)  
83-13527 \$79.99 \$77.45

### Four Channel USB Datalogger/Recorder

The PSC10 allows you to record DC signals or slow-moving signals over very long periods and view the results on your PC. **Hardware features:** •USB powered •Four DC-coupled input channels •Input resistance: 1Mohm •Maximum samples per second: 100  
•Four input ranges: 3V/6V/15V and 30V •Sensitivity: 10mV •Accuracy: ±3% of full scale •Maximum input: 30VDC  
**Software features:** •Analogue trace or DVM readout •Record four channels simultaneously  
•Minimum/maximum sample hold function for DVM  
•From 1~1000sec per division  
•Storage and recall of screens or data  
•Automatic recording option for long recordings  
•On screen markers for time and voltage  
•DLL included for your own developments

MCM Part # ONLY  
72-8520 \$69.99

Hard Drives

SSD Hard Drives

**NEW!**

**hp HEWLETT® PACKARD 2.5" Solid State Drive**

Turbo charge your PC with an SSD. Improved system performance through faster boot time, lightning fast application loading, and extreme write speeds. **Features:** •Sustained read speeds of up to 550MB/s and write speeds up to 520MB/s allows for swift application loading and the ability to manage multiple applications at blazing fast speeds •High Quality Aluminum drive housing and solid state technology provide superior tolerance to shock and vibration than conventional HDDs •Includes all the tools necessary to integrate the SSD into your Ultrabook, Laptop, or Desktop Specifications: •Sequential Read: up to 550MB/s •Sequential Write: up to 520MB/s •Includes SSD, USB 3.0 enclosure, USB cable, power supply, and cloning software

| MCM Part # | Capacity | ONLY     |
|------------|----------|----------|
| 83-15232   | 120GB    | \$129.00 |
| 83-15233   | 240GB    | 199.00   |

**SanDisk Extreme® 2.5" Solid State Drive**

•Exceptional read speeds for faster computer performance and smooth gaming experiences •Videos, programs, and anything else stored on the SSD will load faster, saving time and increasing productivity •Solid state architecture resists wear and data corruption •Low power consumption for quiet and cool operation •SATA 6Gbps interface

| MCM Part # | Capacity | ONLY     |
|------------|----------|----------|
| 83-14318   | 120GB    | \$129.00 |
| 83-14319   | 240GB    | 249.00   |
| 83-14320   | 480GB    | 399.00   |

**Verbatim Solid State Drives**

Rugged, fast and quiet, Verbatim's SATA II Internal Solid State Drive (SSD) provides the latest hard drive replacement storage solution for notebook and desktop PCs.

**Features:** •SATA II or SATA III interface offers speeds up to 6Gbps •Up to 270MB/sec. read speed and 225MB/sec write speeds •Reliable Solid-State design features 1500G shock rating •Low power consumption conserves laptop battery life •2.5" form factor •Upgrade kit includes 3.5" drive bay adapter, power cable, USB cable, and 2.5" drive enclosure for old drive

| MCM Part #            | Description       | ONLY    |

**Data Vac/3 ESD Vacuum Cleaner**

The new DATAVAC/3ESD with HEPA filter is 99.97% effective in trapping particles of dust down to 0.3 microns. It keeps all your high tech equipment running smoother, longer. Unlike regular vacuums which redistribute the same dust, dirt and allergens back into the air, our HEPA filter-equipped environmental control system traps dirt and allergens into a tightly sealed filter bag. Static is the #1 enemy of sensitive electronic equipment. DataVac/3ESD is equipped with a unique anti-static wrist-strap grounding the user from generating static. DataVac/3ESD has a virtually indestructible all-steelbody featuring a 2-speed 1.7 peak horsepower motor. **Includes:** •3'-6' expandable stretch hose, crevice tool, dust brush and five extra triple layer 0.3 micron disposable bags •Heavy-duty carrying case and shoulder strap •Dimensions: 7" (W) x 17" (L) x 7" (D) •Weight: 21 lbs.

ASUS Radeon HD7790 Graphics Card

The ASUS HD 7790 DirectCU II graphics card improves performance through the use of a 1075MHz GPU and proprietary DirectCU II thermal innovation. Features: •OC-selected 1075MHz core, 75MHz higher than reference for smoother gaming  
•DirectCU II achieves 20% lower temps and vastly quieter performance than reference with direct-contact copper heatpipes and dual fans  
•GPU Tweak helps you modify clock speeds, voltages, fan performance and more, all via an intuitive interface  
•1GB GDDR5 on-board memory for the best gaming experience and the best resolution  
•1 x HDMI, 1 x DisplayPort, 2 x DVI (1xDVI-D, 1xDVI-I)

**Five Port Category 5 Audio Video Extender Kit**

The DLT50 Video Extender System allows you to extend the distance between the computer and up to five remote monitors up to 450'. The kit includes a local transmitter

(DLT50) and one remote receiver (DLR10). Additional receivers can be purchased for a maximum of five remote monitors with audio. No software installation is required and the system supports Cat 5, Cat 6 and Cat 7 cabling standards **Features:** •VGA resolutions up to 1280 x 1024 •Local monitor output for monitoring transmissions •3.5mm audio inputs for transmitting stereo audio as well •Each kit includes one receiver and one transmitter, power adapter and users manual

**MCM CUSTOM AUDIO**

**VGA Balun Series**

- ✓Interchangeable wall plate and stand alone models
- ✓Accommodates VGA signals
- ✓Range up to 450' depending upon resolution

Ideal when computer monitor or other high-resolution video signal needs to be sent long distances. Cable runs are greatly eased by the use of smaller, lower cost Cat 5 UTP cable. These are perfect for installation of multimedia systems in educational environments, boardrooms and public areas. All units consist of an HD-15 connector for connection to the PC or monitor, and a female RJ-45 for connection to the UTP cable. Four different configurations are available, allowing a wide variety of installation possibilities. **Distance (Cat 5):** •VGA (640 x 480): 450' •SVGA (800 x 600): 350' •XGA (1024 x 768): 250' •SXGA (1280 x 1024): 200' **Note:** Baluns are sold individually and must be used in pairs. A pair must include one PC side balun and one monitor side balun.

83-9682 **\$75.69**

**MHL Adapters**

**MCM MHL to HDMI Adapter**

Easily convert a MHL connection to HDMI with this simple adapter. Features: •For use with most MHL phones and Tablets •MHL to HDMI Adapter •No software installation or drivers required •Plug and play •Small form factor •Full audio and video transfer

MCM Part # (1-9) (10-up)  
83-15133 **\$19.99** **\$18.55**

**MCM MHL to VGA Adapter**

Easily convert a MHL connection to VGA video plus 3.5mm stereo audio with this simple adapter. Features: •For use with most MHL phones and Tablets •MHL to VGA Adapter •No software installation or drivers required •Plug and play •Small form factor

MCM Part # (1-9) (10-up)  
83-15134 **\$19.99** **\$18.55**

**MCM MHL to VGA Adapter**

Easily convert a MHL connection to VGA video plus a separate breakout for 3.5mm stereo audio, and a feed-through MHL port. Features: •For use with most MHL phones and Tablets •MHL to VGA Adapter •No software installation or drivers required •Plug and play •Small form factor

MCM Part # (1-9) (10-up)  
83-15135 **\$22.99** **\$20.55**

**CIRAGO MHL to HDMI Cable**

The MHL cable is ideal for sharing content from your MHL compatible smartphone or tablet on your HDTV or monitor. Incorporating Mobile High-Definition Link version 1.1 technology, supporting 1080p HD video and 7.1 digital audio. Connect to a power source via the Micro USB connector for simultaneous charging of the device during video/audio playback on the HDTV. Features: •Connect a smartphone, tablet, or other MHL compatible device to your HDTV •Supports 1080p HD Video and 7.1 Digital Audio •Connects to your device via the Micro USB connector (male)

MCM Part # (1-9) (10-up)  
83-15447 **\$5.99** **\$5.69**

**CIRAGO**  
**MHL to HDMI and USB Adapter**

The MHL Adapter (MHL1000) is ideal for sharing content from your MHL compatible smartphone or tablet on your HDTV or monitor. The MHL1000 incorporates Mobile High-Definition Link version 1.1 technology, supporting 1080p HD video and 7.1 digital audio. Connect to a power source via the Micro USB connector for simultaneous charging of the device during video/audio playback on the HDTV. **Features:** •Connect a smartphone, tablet, or other MHL compatible device to your HDTV •Supports 1080p HD Video and 7.1 Digital Audio •Connects to your device via the Micro USB connector (male)

**Mini DisplayPort + USB Audio to Female HDMI Adapter**

•Integrated mini DisplayPort video and USB audio into a female HDMI output- ideal for MacBooks •Mini DisplayPort 1.1a, USB 2.0 and HDMI compliant •Supports HDMI resolution up to 1080p •Deep color support 12-bit per channel (36-bit total) at 2.25Gbps (6.75Gbps total) bandwidth •Supports LPCM uncompressed two channel audio •Powered by mini DisplayPort and USB

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-13401   | \$41.13 | \$37.02 |

DVI Adapters

DVI Video Adapters

•DVI adapters for every interface •DVI-latest digital video interconnect standard established by the DDWG (Digital Display Working Group) •Fully molded adapters with thumb screws and/or latches provide transition from DVI to both VGA (HD15) and DFP interfaces •Compact in size these adapters are very useful in dealing with difficult interconnection problems

| MCM Part # | Description                            | (1-9)  | ONLY (10-Up) |
|------------|--|--------|--------------|
| 83-9870    | DVI-I dual female to DVI-D single male | \$7.99 | \$7.99       |
| 83-9872    | DVI-A male to HD15 female              | 3.49   | 3.49         |
| 83-9873    | DVI-I dual female to HD15 male         | 3.49   | 3.49         |

DVI/VGA Adaptors

High quality DVI to VGA adaptors. Available in DVI24+5 plug and socket configurations.

| MCM Part # | Description            | (1-9)  | (10-Up) |
|------------|------------------------|--------|---------|
| 83-13962   | VGA Female to DVI Male | \$1.99 | 1.58    |
| 83-13963   | DVI Female to VGA Male | 1.99   | 1.55    |

Mini DVI to DVI Adapter

•Designed for use with older Apple laptops •Ideal for connecting to an external DVI monitor •Male mini DVI to female DVI adaptor •12' cable length

| MCM Part # | (1-9)  | (10-Up) |
|------------|--------|---------|
| 83-12900   | \$6.99 | \$6.64  |

DVI to VGA Adapters

•Converts between analog DVI and VGA connections

| Fig. | MCM Part # | Description              | (1-9) | (10-Up) |
|------|------------|--------------------------|-------|---------|
| A    | 83-12987   | DVI-I male to VGA female | 3.99  | 3.79    |
| B    | 83-12988   | DVI-I female to VGA male | 3.80  | 3.61    |

DVI + Audio to DisplayPort Adapters

•Converts DVI video and 3.5mm stereo audio into DisplayPort signal •Perfect video pass-through, no scaling •Compatible with DVI 1.0 and DisplayPort 1.1a •Supports R/L stereo input •Supports DVI resolution up to 1920x1200 •Powered by DVI and USB connection

| Fig. | MCM Part # | Description                   | ONLY    |
|------|------------|-------------------------------|---------|
| A    | 83-12881   | DVI+Audio to DisplayPort      | \$79.99 |
| B    | 83-12882   | DVI+Audio to mini DisplayPort | 59.99   |

Mini DVI to VGA Adapter

•Designed for use with older Apple laptops •Ideal for connecting to an external monitor or VGA enabled projector •Can be used for both video mirroring and extended desktop modes •Male mini DVI to female VGA adaptor •12' cable length •Requires analog DVI output, not digital

| MCM Part # | (1-9)  | (10-Up) |
|------------|--------|---------|
| 83-12901   | \$6.99 | \$6.64  |

Mini DVI to HDMI Adapter

•Designed for use with older Apple laptops •Ideal for connecting to an external HD display •Full-HD 1080p rates, v1.3 HDMI connection •Male mini DVI to female HDMI adaptor •0.3m Cable length •Passes video only unless device supports audio out through the mini DVI interface

| MCM Part # | (1-9)  | (10-Up) |
|------------|--------|---------|
| 83-12902   | \$6.99 | \$6.64  |

MCM pro-SIGNAL

Mini DVI + USB Audio to DisplayPort Adapter

•Integrated mini DVI video and USB audio into a female DisplayPort output •DisplayPort 1.1a, USB 2.0 and DVI 1.0 compliant •Supports mini DVI resolutions up to 1920 x 1200 •Full video pass-through, no scaling •Supports two channel USB audio input •Adapter stores EDID information to ensure better compatibility between source and display •Powered by mini DVI and USB

| MCM Part # | (1-9)   | (10-Up) |

| 83-13404   | \$61.72 | \$55.55 |

MCM pro-SIGNAL

12" Mini DVI to HDMI and DVI Adapter

•Ideal for HDMI and DVI displays •Mini DVI plug to female DVI and HDMI connections

| MCM Part # | (1-9)  | (10-Up) |
|------------|--------|---------|
| 83-13402   | \$9.99 | \$8.99  |

DVI to Dual VGA Adapter

•Turn one DVI output into multiple video outputs •DVI to two HD15 VGA outputs •This unique adapter splits a DVI output into two video outputs

| MCM Part # | ONLY   |
|------------|--------|
| 83-11679   | \$7.99 |

DVI to Component Adapter

•Turn one DVI output into multiple video outputs •DVI to component + HD-15 •This unique adapter splits a DVI output into two video outputs

| MCM Part # | ONLY   |
|------------|--------|
| 83-11678   | \$7.99 |

IOGEAR DVI-A Male to VGA Female Adapter

•Allows you to connect a DVI-A device to a VGA device using a VGA cable •Dimensions: 1.625" x 1.75" x 0.625"

| MCM Part # | (1-9)  | (10-Up) |
|------------|--------|---------|
| 83-15438   | \$5.49 | \$4.99  |

VGA Adapters

Custom VGA 90° Adapter

Features: •VGA 90° Adapter •Plug & play •Ideal for custom build applications or to mount on to a faceplate •Depth behind VGA connector: 1.37in •Dimensions (WxHxD): 1.37 x 0.55 x 1.57in

| MCM Part # | (1-9)  | (10-Up) |
|------------|--------|---------|
| 83-13932   | \$4.49 | \$4.02  |

90° VGA Adapter

•A right-angled 15 pin high density VGA plug to socket adapter with gold plated contacts

| Fig. | MCM Part # | Description | (1-9)  | (10-Up) |
|------|------------|-------------|--------|---------|
| A    | 83-12819   | 90° up      | \$2.99 | \$2.92  |
| B    | 83-12820   | 90° down    | 2.99   | 2.84    |

**VGA to HDMI Adapter**

•Converts VGA video and audio to full digital HDMI format •3.5mm audio input for HDMI audio •Supports standard VESA VGA timing output •HDMI output support up to 1920 x 1200 @ 60Hz •Auto identify the HDTV or monitor EDID by DDC channel •No power adapter, no messy cords, just one HDMI cable

|            |         |         |
|------------|---------|---------|
| MCM Part # | (1-9)   | (10-up) |
| 83-13219   | \$29.99 | \$29.19 |

**VGA to Screw Terminal Adapter**

•HD VGA female to screw terminal module •Screw terminals numbered for easy wiring •Ideal for custom build applications or to mount on to a face plate •Depth behind VGA connector: 1.18"

|            |        |         |
|------------|--------|---------|
| MCM Part # | (1-9)  | (10-up) |
| 83-12821   | \$3.99 | \$3.79  |

**VGA to Dual VGA Adapter**

•Turn one VGA output into multiple video outputs •HD-15

VGA to two HD15 VGA outputs •This unique adapter splits a VGA output into two video outputs

|            |        |        |
|------------|--------|--------|
| MCM Part # | (1-9)  | ONLY   |
| 83-11680   | \$4.99 | \$4.99 |

**Mounts and Stands**

**Rolling CPU Holder**

•Raise your CPU off the floor to get more leg room, easier access for cleaning and more convenient rear cable access •Steel construction •Removable castors •Fully adjustable from 0.54" to 0.84"

|            |         |         |
|------------|---------|---------|
| MCM Part # | (1-9)   | (10-up) |
| 83-12998   | \$12.99 | \$12.34 |

**Computer Tower Holder**

Raise your CPU off the floor to get more leg room, easier access for cleaning and more convenient rear cable access. **Features:** •Use for either right or left hand side of desk •Steel construction •Requires a minimum of 1" work surface thickness •Complete with fixing screws •Top fixing plate dimensions: 5.70" (W) x 17.13" (D) •Maximum CPU dimensions: 18.90" (H) x 8.27" (W) x 17.77" (D)

|            |         |         |
|------------|---------|---------|
| MCM Part # | (1-9)   | (10-up) |
| 83-12995   | \$34.99 | \$33.24 |

**GRIFFIN**

**A-Frame Tablet Stand**

•Simple, beautiful table and desktop stand for your iPad® or tablet •Holds iPad® upright in landscape and portrait views or at a lower, wrist-friendly angle for surfing, reading and more •Stable aluminum a-frame design •Non-slip rubber cradle accommodates Griffin's flexible and hard-shell cases and many others •Allows easy access to the dock connector for charging and syncing during use

|            |         |         |
|------------|---------|---------|
| MCM Part # | (1-9)   | (10-up) |
| 83-14198   | \$46.99 | \$45.15 |

**Vertical Arm LCD Monitor Mount**

•Adjustable height •Arm design allows maximum side to side, in and out movement •Meets VESA standard 75 x 75mm and 100 x 100mm •Capable of holding up to 22 lbs. •C-clamp bracket mounts onto a desktop up to 3.54" thick

|            |         |         |
|------------|---------|---------|
| MCM Part # | (1-9)   | (10-up) |
| 83-13001   | \$28.76 | \$27.32 |

**LCD Monitor Wall/Desk Mount Arm**

•Monitor arm designed for use with VESA mounting compatible TFT monitors •Rotates 180° and locks at either 1.03" or 0.84" above a desk, and tilts up/down 100° and 180° side to side •Maximum weight of 17 lbs. •Tough metal and plastic construction •Easily installed, simply clamps to desk (clamp supplied) or can be screwed to a wall •VESA mounting compatible with 75mm and 100mm holes

|            |         |         |
|------------|---------|---------|
| MCM Part # | (1-9)   | (10-up) |
| 83-12991   | \$39.99 | \$37.99 |

**LCD Monitor Grommet Mount**

•Adjustable height •Arm design allows maximum side to side, in and out movement •Meets VESA standard 75 x 75mm and 100 x 100mm •Capable of holding up to 22 lbs. •Grommet mounting

|            |         |         |
|------------|---------|---------|
| MCM Part # | (1-9)   | (10-up) |
| 83-12994   | \$34.51 | \$32.79 |

**LCD Monitor Arm Desk Mount**

•Monitor arm height from desktop to end of arm center has three fixed positions 0.92", 1", and 1.08" •Monitor arm rotation is fixed but can be adjusted with tools and refixed •Platform tilts up/down 100° and 180° side to side •Maximum weight of 22 lbs. •Tough metal and plastic construction •Cable can be hidden in the arm •Easily installed, simply clamps to desk (clamp supplied) •VESA mounting compatible with 75mm and 100mm holes

|            |       |         |         |
|------------|-------|---------|---------|
| MCM Part # | Color | (1-9)   | (10-up) |

| 83-13003   | Beige | \$37.78 | \$35.89 |

**Back to Back LCD Monitor Mount**

•Install two LCD monitors back to back •Perfect for shared workspaces •Adjustable height •Meets VESA standard 75 x 75mm and 100 x 100mm •Desktop mounted

|            |         |         |
|------------|---------|---------|
| MCM Part # | (1-9)   | (10-up) |
| 83-12996   | \$31.99 | \$30.39 |

Monitors not included

**Dual LCD Screen Stand**

•Install 2x LCD monitors horizontally (19" max.) •Each monitor can be easily adjusted for horizontal position and tilted independently •Meets VESA standard 75 x 75mm and 100 x 100mm •Weighted metal base •Maximum load: 13.25 lbs. (each) •Pole height: 1.48", arm length: 0.82" (each)

|            |         |         |
|------------|---------|---------|
| MCM Part # | (1-9)   | (10-up) |
| 83-12997   | \$59.99 | \$56.99 |

**Dual Vertical LCD Monitor Desk Mount**

•Mount two LCD monitors vertically •Capable of holding up to 13.23 lbs. per screen •Meets VESA standard 75 x 75mm and 100 x 100mm •C-clamp bracket mounts onto a desktop up to 3.54" thick

|            |         |         |
|------------|---------|---------|
| MCM Part # | (1-9)   | (10-up) |
| 83-13000   | \$39.99 | \$37.99 |

**Monitor with Keyboard Mounting Arm**

•TFT monitor arm and keyboard tray  
•Suitable for TFT monitors up to 22 lbs. and 15.16" (H) •75 and 100mm VESA mounting plate providing tilt and rotation (independent of keyboard swivel) •Cable management •Height from top of desk to center of VESA mounting plate is 18.11" •Arm extends from 8.66" to 23.62" •The 24.61" (W) x 6.89" (D) keyboard tray has enough space for a mouse •Supplied with foam wrist rest and mouse pad •Keyboard tray swivels 320° left to right •Maximum clamp thickness of 3.75" •Base clamp rotates 360° •Overall dimensions: 20.47" (H) x 25" (W) x 22.05" (D) at minimum extension  
•Requires assembly

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-12999   | \$59.99 | \$58.99 |

**Pivoting Notebook Computer Arm Mount**

•Twin pivot arm extends up to 13¾" •Aluminum platform helps cool your notebook •C-clamp bracket mounts onto a desktop up to 3.15" thick  
•Retractable keyboard holder •Platform tilts 20° with four anti-slip pads

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-12993   | \$45.99 | \$43.15 |

**Notebook Cooling Stand**

•Keep your laptop or notebook running cool with three cooling fans •Integrated four port USB hub •Six adjustable cooling levels with on/off switch •Powered by USB port •Mfr. #PCCP2

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-13611   | \$19.99 | \$18.25 |

**Rotating Notebook Stand**

•Ideal to cool your notebook or laptop without fans •Foldable design for portability •Rotating base •Compatible with any notebook computer •Mfr. #PCCP4

| MCM Part # | (1-9)  | (10-up) |
|------------|--------|---------|
| 83-13612   | \$9.99 | \$9.25  |

**LCD Wall Mount Bracket**

•Holds LCD monitors up to 17.64 lbs. •Meets VESA mounting standard (75 x 75mm or 100 x 100mm) •Double swivel movement lets you tilt and rotate the monitor

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-13002   | \$13.99 | \$13.29 |

**GRIFFIN**

**Window Mount**

•Window or dashboard mount •Combines visibility and safety of an in-car mount with a case-compatible bracket  
•Accommodates iPod®, iPhone®, smartphones, and media players  
•Optional adhesive dashboard mount included •Super-grip clear cling base is washable for unlimited usage  
•Swivels 360° for perfect positioning

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-14197   | \$19.99 | \$19.13 |

**iEssentials**

**iPad® 2 Rotating Stand**

•Fits iPad® 2 and 3 •360° rotating stand for more viewing versatility, whether you're watching movies, browsing the web or using apps •Collapsible base folds for easy storage on the go; Lightweight and portable

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-14534   | \$17.49 | \$16.79 |

**Video Camera Accessories**

**LiveAction iPhone® Camera Remote**

With the LiveAction Camera Remote, you never have to be left out of a group shot again. This intuitive remote allows you to activate your iPhone® or iPod® Touch camera shutter from up to 30' away. **Features:**  
•Bluetooth-enabled remote shutter control •Use the detachable camera stand to prop up your device •Two distinct buttons for photo and video

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-14234   | \$44.99 | \$43.85 |

**LiveAction iPhone® Camera Grip**

Experience a better way to capture photos and video on your iPhone® with the LiveAction Camera Grip. **Features:**  
•Contoured, soft-touch design and fast-fire shutter button •Makes your iPhone® or iPod® Touch more like a digital camera •Integrated tripod mount allows you to attach your device to any standard tripod for more stabilized control •Separate buttons for photo and video let you easily switch from taking stills to recording live action •Intuitive app interface lets you record and share your media

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-14233   | \$44.99 | \$43.85 |

**JOBY® GorillaPod Tripod**

•Position your camera just about anywhere with this flexible tripod •Over two dozen leg joints bend and rotate 360° giving you the flexibility to set up anywhere  
•Rubberized ring and foot grips provide enhanced stability on difficult terrain •Designed for point and shoot cameras and pocket video cameras •Supports cameras up to 11.5 oz. •Camera not included

| MCM Part # | Color | (1-9)   | (10-up) |
|------------|-------|---------|---------|
| 83-14253   | Pink  | \$39.99 | \$37.55 |

**GorillaPod SLR-Zoom Tripod**

•Position your camera just about anywhere with this flexible tripod •Over two dozen leg joints bend and rotate 360° giving you the flexibility to set up anywhere  
•Rubberized ring and foot grips provide enhanced stability on difficult terrain •Optional ballhead allows you to fine tune the position of your camera and easily switch between landscape and portrait orientations •Designed for SLR cameras with zoom lenses up to 6.5 lbs.

| MCM Part # | Description          | (1-9)   | (10-up) |
|------------|----------------------|---------|---------|
| 83-14262   | Tripod with Ballhead | \$89.99 | \$88.45 |

**JOBY®** \*Camera not included  
**GorillaPod Hybrid Tripod**

•360°pan and ±90°tilt provides omni-directional positioning of your camera on just about any surface •Integrated aluminum ballhead •Over two dozen leg joints bend and rotate 360° giving you the flexibility to set up anywhere •Rubberized ring and foot grips provide enhanced stability on difficult terrain •Quick-release clip with bubble level stays connected to your camera for instant setup •Designed for SuperZoom cameras, compact system cameras, and camcorders up to 2.2 lbs.

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-14256   | \$49.99 | \$48.55 |

**JOBY®** \*Camera not included  
**GorillaPod Focus Tripod**

•Flexible tripod for professional camera rigs with large zoom lenses and professional video cameras •Stainless steel mount screw with 3/8" adapter for use with any professional ballhead •Machined-aluminum sockets and high-quality injection molded thermoplastic ensures snug joints that stay firm after lots of action •Flexible legs with over two dozen joints secure your gear to almost any surface •Rubberized ring and foot grips provide enhanced stability on difficult terrain •Supports cameras up to 11 lbs. •Optional Ballhead X features Arca-Swiss compatible quick-release plate, 360° pan and ±90° tilt, and locking adjustment knob

| MCM Part # | Description | (1-9)   | (10-up) |

| 83-14261   | \$44.99 | \$42.45 |

**LCD Monitor Repair Parts**

**8.9" Replacement LCD Panel**

•Aspect ratio: WSVGA widescreen •Resolution: 1024 x 600 pixels •Screen type: TFT Active Matrix Glossy •Backlight type: LED •Screen cable on left hand side •Fits various Acer®, Gateway®, HP®, Dell®, and Asus® laptop models

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-12662   | \$50.96 | \$49.45 |

**13.3" Replacement LCD Panel**

Resolution: 1366 x 768 pixels •Aspect ratio: WXGA widescreen •Screen type: TFT active matrix glossy. Backlight type: LED. Screen cable on left hand side. Fits various HP® laptop models

| MCM Part # | (1-9)    | (10-up)  |
|------------|----------|----------|
| 83-12516   | \$109.00 | \$107.00 |

**10.1" Replacement LCD Panel**

Resolution: 1024 x 600 pixels. Aspect ratio: WSVGA widescreen. •Screen type: TFT active matrix glossy. Backlight type: LED. Screen cable on left hand side

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-12619   | \$83.19 | \$80.65 |

**14" Replacement LCD Panel**

•Aspect ratio: WXGA widescreen •Resolution: 1366 x 768 pixels •Screen type: TFT Active Matrix Glossy •Backlight type: LED •Screen cable on left hand side •Fits various Dell®, Acer®, Lenovo®, and Asus® laptop models

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-12661   | \$92.56 | \$87.93 |

**14.1" Replacement LCD Panel**

Resolution: 1280 x 800 pixels •Aspect ratio: WXGA widescreen •Screen type: TFT active matrix glossy. Backlight type: CCFL. Screen cable on left hand side. Fits various HP® laptop models

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-12517   | \$99.99 | \$97.55 |

**14" Replacement LCD Panel**

•Aspect ratio: WXGA widescreen •Resolution: 1366 x 768 pixels •Screen type: TFT Active Matrix Glossy •Backlight type: LED •Screen cable on left hand side •Fits various HP® and Sony® laptop models

| MCM Part # | (1-9)    | (10-up)  |
|------------|----------|----------|
| 83-12664   | \$102.96 | \$100.88 |

**15.6" Replacement LCD Panel**

•Aspect ratio: WXGA widescreen •Screen type: TFT active matrix glossy •Screen cable on left hand side •Fits various Acer®, Dell®, Gateway®, HP®, Samsung®, and Toshiba® laptop models •LED backlight •1366 x 768 resolution

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-12512   | \$89.99 | \$86.85 |

**15.4" Replacement LCD Panel**

Aspect ratio: WXGA widescreen •Screen type: TFT active matrix glossy. Backlight type: CCFL. Screen cable on left hand side. Fits various Sony® laptop models

| MCM Part # | (1-9)    | (10-up)  |
|------------|----------|----------|
| 83-12514   | \$129.00 | \$127.00 |

**15.6" CCFL to LED LCD Conversion Kit**

Aspect ratio: WXGA widescreen •Screen type: TFT active matrix glossy. Screen cable on left hand side. Fits various Acer®, Dell®, Gateway®, HP®, Samsung®, and Toshiba® laptop models •Includes cable to convert CCFL laptops to use LED backlight

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-14345   | \$99.99 | \$96.85 |

**16" Replacement LCD Panel**

•Aspect ratio: WXGA widescreen •Screen Type: TFT active matrix glossy •Backlight Type: LED •Screen cable on left hand side •Utilizes a unique cable harness that allows it to be used with CCFL back-light based laptops as well as LED back-light laptops

| MCM Part # | (1-9)    | (10-up)  |
|------------|----------|----------|
| 83-12708   | \$129.00 | \$127.00 |

**16" Replacement LCD Panel**

•Aspect ratio: WXGA widescreen •Screen Type: TFT active matrix glossy •Backlight Type: LED •Screen cable on left hand side •Fits various 16" Toshiba Laptop models. Utilizes a unique cable harness that allows it to be used with CCFL back-light based laptops as well as LED back-light laptops

| MCM Part # | (1-9)    | (10-up)  |
|------------|----------|----------|
| 83-12709   | \$129.00 | \$127.00 |

**17.3" Replacement LCD Panel**

Resolution: 1920 x 1080 pixel •Aspect ratio: WXGA widescreen •Screen type: TFT active matrix glossy. Backlight type: LED. Screen cable on left hand side. Fits various Asus® and HP® laptop models

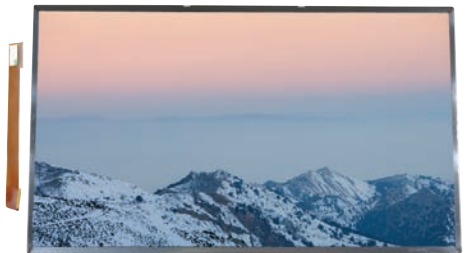

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-12515   | \$89.99 | \$86.85 |

**17" Replacement LCD Panel**

•Aspect ratio: WXGA widescreen •Resolution: 1440 x 900 pixels •Screen type: TFT Active Matrix Glossy •Backlight type: CCFL •Screen cable on left hand side •Fits various Acer® and HP® laptop models

| MCM Part # | (1-9)    | (10-up)  |
|------------|----------|----------|
| 83-12663   | \$134.16 | \$132.08 |

**17.3" Replacement LCD Panel**

Resolution: 1920 x 1080 pixel •Aspect ratio: WXGA widescreen •Screen type: TFT active matrix glossy. Backlight type: LED. Screen cable on left hand side, adapter cable included to bring to right hand side. Fits various Asus® and HP® laptop models

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-14264   | \$89.99 | \$87.55 |

**15.6" CCFL LCD to LED Conversion Vable**

•Provides a conversion from a 15.6" CCFL LCD panel to a 15.6" LED LCD panel •Compatible with #83-12512 LCD screen

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-14340   | \$12.99 | \$12.25 |

**Screen Cable Converter**

Converts left hand screen cables to right hand. Compatible with multiple screen types

Firewire Cables

**GOLDX IEEE1394 Quick Connect Cables**

- Create three different firewire cables to easily connect to most FireWire™ devices; computers, FireWire™ hubs, digital cameras, hard drives, home stereo and digital television equipment can all be supported within three interchangeable ends
- Connect more but carry less with this easy to configure cable solution from GoldX
- Never be without the right FireWire™ cable end
- Gold plated connectors to ensure data reliability
- Includes handy pouch for extra ends

| MCM Part # | Mfr. #  | Description | (1-9)   | (10-up) |

LIMITED LIFETIME WARRANTY

**GOLDX IEEE-1394 FireWire™ Cables**

- Use to connect digital camcorders, editing equipment, VCRs, cameras, audio players and other devices that have an IEEE-1394 link to a PC
- Can also be used for high-speed data transmission between two PCs
- Gold plated connectors
- Foil and braid shielding to help reduce EMI/RFI interference
- Industry standard color coding for easy installation

**belkin**  
FireWire™ 800/400  
Adaptor Cables

At twice the speed of earlier FireWire™ products, the IEEE 1394b technology is perfect for FireWire™ enthusiasts wishing to obtain higher transfer speeds. Belkin has developed FireWire™ cable solutions that serve 1394b's amazing speed capacity of up to 800Mbps. Featuring a 9 pin connector design, the new FireWire IEEE™ 1394b ports will continue to support all the advantages that have made FireWire™ a predominant high-speed interface. **Advantages:**

- Offers flexibility and durability
- Installs with Plug-and-Play ease
- Allows simultaneous connection of up to 63 devices
- Transfers data at rates of up to 800Mbps
- Offers backward-compatibility with existing FireWire® (IEEE 1394a) devices

**StarTech.com** USB to PS/2 Keyboard and Mouse Adapter

•Connect legacy keyboard and mouse to a single USB port •Two PS/2 female to single USB male •No drivers needed •No external power required •Mfr. #USBPS2PC

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-13321   | \$14.99 | \$14.45 |

**Keyboard PS/2 to USB Adapter**

The PS/2 to USB adapter allows you to use your PS/2 compatible mouse and keyboard as USB compatible device. Now you can enjoy using your keyboard and mouse connected to the PS/2 to USB adapter as an USB compatible device. **Features:**

- Compliant with the standard specification of USB 1.0 and 1.1
- Supports both UHCI and OHCI specifications
- Supports USB to PS/2 for SUN Microsystems platforms
- Converts two PS/2 devices (keyboard and mouse) to the USB interface
- Converts the PC PS/2 port of KVM switch to USB port (PC or SUN platforms)
- Supports standard PS/2 mouse and Microsoft Intelli-Mouse
- Supports bus-power meaning no power adapter is needed
- Easy installation with no software driver needed
- Mfr.# UC-451

| MCM Part # | (1-29)  | (30-up) |
|------------|---------|---------|
| 83-10030   | \$10.29 | \$8.70  |

**PS/2 to USB Keyboard/Mouse Adapter**

This PS/2 mouse-to-USB adapter features a PS/2 female connector on one end and a USB (type A) male connector on the other, allowing you to plug your PS/2 device into a USB port.

| MCM Part # | Description | (1-9)  | (10-Up) |
|------------|-------------|--------|---------|
| 83-11942   | Mouse       | \$5.24 | \$4.50  |
| 83-11943   | Keyboard    | 6.43   | 5.52    |

**USB to PS/2 Adapter**

•Allows connection of most USB mice and keyboards to any PS/2 port •6 pin mini DIN to USB A female

| MCM Part # | Description | ONLY   |
|------------|-------------|--------|
| 83-11899   | Mouse       | \$6.43 |
| 83-12898   | Keyboard    | 1.91   |

**Keyboard Adapters**

•Adapts AT type keyboards to PS/2 port or PS/2 keyboards to AT port

**DVI Cables**

MCM is your source for high-quality DVI cables and adapters. MCM offers a wide range of DVI and DFP cables featuring single and dual link DVI-I, DVI-D and DFP connectors. They are fully recognized by the Digital Display Working Group (DDWG) which means you are getting a quality tested cable guaranteed to provide optimal DVI video reproduction. They are ideal for connecting all your DVI equipment, including LCD panels, digital projectors, plasma screen and HDTV systems. All cables are beige and feature a limited lifetime warranty to be free from defects in materials and workmanship.

**Null Modem Cables**

These cables allow two DTE or DCE devices to communicate with no conflict in data transmission. The transmit and receive signals are crossed to ensure proper data flow. Each cable is designed with a rugged, over-molded construction that provides extra strain relief and a solid connection. Foil-shielded for protection against EM/RFI interference caused by surrounding office equipment and fluorescent lights. Available in a wide variety of lengths and gender combinations. **[E]**

**DB-25 Cables**

- Completely shielded
- Male to male connectors

**Boxed Headers for Ribbon Cable**

**NEW!**

- A boxed header available in both through-hole and surface-mount configurations **Features:**
- 0.38µm gold contact plating
- Pitch spacing: 0.1" (2.54mm)
- Through-hole or surface mount
- RoHS Compliant

| MCM Part # | Contacts | Tail          | (1-9)  | (10-up) |

**D-Sub Right Angle Adapters**

Connecting cables in tight spaces can be a problem in many applications. These low profile adapters solve this problem by allowing cables to be connected at a 90 degree angle. Adapters are male to female, fully shielded and are overmolded with gray PVC. Mating hardware is reversible allowing for use in virtually any application. **[E]**

| Fig. | MCM Part # | Type | Description                         | (1-9)  | (10-up) |

**3M** **NEW!**

**26 Conductor Ribbon Cable**

26 Conductor 28AWG ribbon cable with your choice of rainbow colored jacket for easy cable-trace during prototyping, or a grey jacket for uniform appearance. **Features:** •100' length •26 conductors •1.27mm spacing •PVC jacket •28AWG

| MCM Part # | Color   | (1-9)   | (10-up) |
|------------|---------|---------|---------|
| 831-3149   | Rainbow | \$97.49 | \$92.62 |
| 831-3150   | Grey    | 78.49   | 74.57   |

**RS-232 to RS-422/RS-485 Converter**

•DCE/DTE selectable and is controlled by RTS selectable •Point to point/multidrop link selectable •4 wire full duplex/2 wire half duplex •DB-25 female to RJ-11 female •AC adapter included

| MCM Part # | ONLY    |
|------------|---------|
| 83-8265    | \$63.29 |

**brainboxes** **Ethernet to Serial Adapters**

Ethernet to serial device server providing access to one or two RS232 or 422/485 serial ports. Data transfer rates up to 1,000,000 baud, coupled with 1Mbit/s line drivers deliver uncompromising performance. A web interface allows secure configuration and control of the serial ports over a local network or the internet using any browser. For Windows (32 bit and 64 bit) the driver gives you local COM ports, retaining existing software applications and allowing you to connect across your network to remote devices just as if they were attached locally. **Features:** •Ethernet to serial device server •Data rate from 110 to 921,600 baud •User friendly interface is simple and powerful •Web configuration or RFC2217 compliant interface •Optional DIN rail mounting kit

| MCM Part # | Protocol  | Ports | (1-9)    | (10-up)  |
|------------|-----------|-------|----------|----------|
| 83-14973   | RS232     | One   | \$123.99 | \$120.27 |
| 83-14974   | RS232     | Two   | 193.99   | 188.17   |
| 83-14976   | RS422/485 | One   | 193.99   | 188.17   |
| 83-14977   | RS422/485 | Two   | 136.99   | 132.88   |

**brainboxes** **www.brainboxes.com**

**Female DB25 1 Port Ethernet to RS232**

Small Form factor 1 Port Ethernet to RS232 device. With a 25 Pin Female connector for immediate compatibility with Brainboxes' PX-275 or UC-275 ensuring a trouble free connection to an Ethernet enabled printer. **Features:** •Manufacturer Lifetime Support •Manufacturer Lifetime Warranty •Max Baud Rate: 1,000,000 (1 MegaBaud) •Power Input 5V input via USB or power on Pin 9 •Power supply included

| MCM Part # | (1-9)    | (10-up)  |
|------------|----------|----------|
| 83-14972   | \$123.99 | \$120.27 |

**brainboxes** **www.brainboxes.com**

**Ethernet to 4/8 Port RS-422/485 Ethernet**

Ethernet to Serial device server providing access to 4 RS-422/485 serial ports. Data transfer rates up to 1,000,000 baud rates, coupled with 1Mbit/s line drivers deliver uncompromising performance. Our ES range provides simple instant networked serial ports. A web interface allows secure configuration and control of the serial ports over a local network or the internet using any browser. For Windows our in-house designed (32 bit and 64 bit) driver gives you local COM ports, retaining existing software applications and allowing you to connect across your network to remote devices just as if they were attached locally. **Features:** •4/8 Port RS-232 •Data rate from 110 to 921,600 baud •User friendly interface, simple to use, powerful in operation •Web configuration and RFC2217 compliant •Power supply included

| MCM Part # | Ports | (1-9)    | (10-up)  |

**NEW!**

**Industrial Ethernet to RS232/422/485 Serial**

Ethernet to Serial Device software selectable as RS232, RS422/485 Full duplex or RS422 Half duplex. These units have removable Screw Terminals Blocks for easy wiring, a slim 'end on' case and integral DIN rail mount.

With an operating temperature range of -30°~+80°C and with +5VDC to +30VDC Dual input reverse polarity protected power supply it is perfect for industrial applications. Data transfer rates up to 1,000,000 baud, coupled with 1Mbit/s line drivers deliver uncompromising performance. Serial Port Tunneling allows serial cable replacement over any distance, no software required. Suitable to be wired into existing power and network infrastructure or can be used with our PW-600 power supply. **Features:** •5V~30VDC input •110~1,000,000 Baud •Integrated DIN Rail mount •-30°~+80°C operating temperature •Colour coded, removable Terminal Blocks

| MCM Part # | Ports | (1-9)    | (10-up)  |
|------------|-------|----------|----------|
| 83-14979   | One   | \$342.49 | \$332.22 |
| 83-14980   | Two   | 400.49   | 388.48   |

**brainboxes** **www.brainboxes.com**

**Ethernet to Four or Eight Port RS232**

Ethernet to serial device server providing access to four or eight RS232 serial ports. Data transfer rates up to 1,000,000 baud rates, coupled with 1Mbit/s line drivers deliver uncompromising performance. Our ES range provides simple instant networked serial ports. A web interface allows secure configuration and control of the serial ports over a local network or the internet using any browser. For Windows our in-house designed (32 bit and 64 bit) driver gives you local COM ports, retaining existing software applications and allowing you to connect across your network to remote devices just as if they were attached locally. **Features:** •Four or eight port RS-232 •Data rate from 110 to 921,600 baud •User friendly interface, simple to use, powerful in operation •Web configuration and RFC2217 compliant •Power supply included

| MCM Part # | Ports | (1-9)    | (10-up)  |
|------------|-------|----------|----------|
| 83-14983   | 4     | \$429.49 | \$416.61 |
| 83-14975   | 8     | 655.49   | 635.83   |

**brainboxes** **www.brainboxes.com**

**Ethernet to RS232 + RS422/485 Serial**

**NEW!**

Ethernet to Serial device server providing access to one RS232 and an optional RS422/485 serial port. Data transfer rates up to 1,000,000 baud, coupled with 1Mbit/s line drivers deliver uncompromising performance. A web interface allows secure configuration and control of the serial ports over a local network or the internet using any browser. You can access the device via TCP/IP sockets from any networked device like an Android tablet, PC or phone. Serial Port Tunneling (individually configurable) allows serial cable replacement over any distance, no software required. **Features:** •Ethernet to Serial Device Server •Data rate from 110~921,600 baud •User friendly interface •IP-30 rated enclosure •LED status indication

| MCM Part # | Ports                  | (1-9)    | (10-up)  |
|------------|------------------------|----------|----------|
| 83-14985   | (1)RS232               | \$203.99 | \$197.87 |
| 83-14986   | (1)RS232 +(1)RS422/485 | 203.99   | 197.87   |

Datacomm Connectors and Adapters

DB-9 Modular Adaptor

•Build your own DB-9 to RJ-45 adaptor •These adaptors incorporate a plastic shell with a crimp type "D" sub connector

| MCM Part # | Description          | ONLY   |
|------------|----------------------|--------|
| 83-2350    | Female DB-9 to RJ-45 | \$4.15 |
| 83-2365    | Male DB-9 to RJ-45   | 5.19   |

IBM AT Type Adaptors

•High-quality molded construction •Thumbscrews for easy hook-up

| MCM Part # | Type                        | (1-9)  | (10-up) |

| 83-0805    | 25 pin female to 9 pin male | 0.99   | 0.95    |

RS-232 Jumper Box

•Allows user to customize their own interface device such as null modems, polarity changer, pin reversers and many more •Male to female connectors •25 pin •Supplied with all jumper wires and hardware

| MCM Part # | ONLY   |
|------------|--------|
| 83-740     | \$4.99 |

RATED

★★★★★

Nintendo Type 72 Pin Connector

72 pin connector used in popular Nintendo NES games. Connector failure is a frequent source of repair problems in Nintendo games. Blinking or garbage found on screen is frequently a result of a bad connector. Our new version of this connector is redesigned to ensure a quality replacement connector.

| MCM Part # | ONLY    |
|------------|---------|
| 83-3785    | \$12.99 |

Null Modem Adaptor

•Effectively crosses the data transmission lines in our serial ports and enables you to transfer data from one PC to another •Male to female connections

|------------|--------|---------|
| 83-0190    | \$2.99 | \$2.92  |

"D" Sub Single Wallplate

•High-quality stainless steel construction •To be used with 25 pin connectors (not included) •Mounting screws included

| MCM Part # | (1-9)  | (10-49) | (50-up) |
|------------|--------|---------|---------|
| 83-660     | \$2.71 | \$2.33  | \$2.12  |

Micro USB Receptacles

Micro USB supports the current USB On-The-Go supplement; this allows communication between portable devices without going through a host. Being much smaller than the Mini-USB, the Micro-USB is the choice of mobile phone makers. **Features:** •Mating cycles over 10000 •Stainless steel shell provides high mating durability and strength •Shell tabs enhance PCB retention **Specifications:** •Current Rating: 1 A •Voltage Rating: 100V AC •Operating Temperature: -20°C to +85°C •Durability: 10,000 cycles •Contacts: Copper Alloy

| MCM Part # | Description          | (1-9)  | (10-up) |

Datacomm Gender Changers and Port Protectors

Port Saver Adapters

Save costly repairs to your computer's video, serial and parallel connectors by using this port saver device as a disposable adapter. When the adapter wears out due to continually plugging and unplugging your monitor, printer or other desktop peripherals from your PC, just replace the adapter and avoid mainboard connector damage and repair delays.

**D-Sub Metal Hoods**

Diecast metal hoods for standard D Type connectors. Offers higher mechanical strength and better RFI shielding than normal plastic hoods. Available with thumbscrew fittings.

| MCM Part # | Type | (1-9)  | (10-Up) |
|------------|------|--------|---------|
| 83-13853   | 9    | \$1.29 | \$1.24  |
| 83-13854   | 25   | 1.49   | 1.43    |

**D-Sub Rapid Assembly Hoods**

Features: •Nickel plated die cast covers •High quality plastic capped UNC440 screws •Rapid assembly strain relief insert •360° shielding •Fully tapped screw holes •Phillips headed screws Dimensions (HxWxD): •9 Way: 39.9 x 1.23 x 0.59mm •15 Way: 41.5 x 1.56 x 0.6mm •25 Way: 48.6 x 2.1 x 0.61mm •37 Way: 53.6 x 2.74 x 0.61mm

| MCM Part # | Type | (1-9)  | (10-Up) |
|------------|------|--------|---------|
| 83-13860   | 9    | \$1.49 | \$1.43  |

| 83-13867   | 37   | 1.91   | 1.86    |

**D Type Diecast Hoods**

High quality die-cast metal hoods that offer attenuation better than 40dB in the frequency range 30MHz to 1GHz. Each hood is zinc plated for long life and the unique metal filled plastic cable entry inserts guarantee effective full shielding in all directions when used with foil or braid screened cables. Meets specifications of VDE 0871, FCC20780 and European standard 89/336/EU. Supplied with long thumbscrews for easy connection to existing D connectors. Suitable for cables from 4.5mm to 13mm in diameter.

| MCM Part # | Type | (1-9)  | (10-Up) |
|------------|------|--------|---------|

**Modular EMC Shielded Data Adaptors**

Shielded RJ45 (8P8C) adaptors with metal coated plastic covers providing EMC protection suitable for data transmission and networking applications. The RJ45 sockets are pre-wired and the tails terminated in male or female push contacts. The D connectors snap fit into the adaptor making them ideal for field termination. Supplied with screws and available with 9 or 25pin D connectors.

| MCM Part # | RJ45 Socket to: | ONLY   |
|------------|-----------------|--------|
| 83-13888   | 9-way D Plug    | \$2.09 |
| 83-13889   | 9-way D Socket  | 2.09   |
| 83-13890   | 25-way D Plug   | 2.09   |
| 83-13891   | 25-way D Socket | 2.09   |

**RJ45 Modular Adaptors - Colored**

A range of RJ45 (8P8C) to D type adaptors with colored plastic covers. The adaptors are pre-wired at the RJ45 socket end and the tails terminate in male or female push home contacts. Once assembled, the D connectors snap fit into the adaptor, making them ideal for field termination in data transmission and networking applications. Each adaptor is supplied with screws and 9 or 25 pin D connectors.

| MCM Part # | Color  | RJ45 Socket to: | ONLY   |

**IP68 Industrial USB Cables**

**IP68 Buccaneer USB Cables**

The USB Buccaneer is designed to conform to the latest USB 2.0 specification and provide an environmental seal to IP68. This dust and waterproof USB connector is suitable for industrial or hostile environments where a high speed computer interface is required. **Features:** •Dust and waterproof to IP68 •Data rates up to 480Mbs •PCB adaptor leads •Double and Single ended sealed cable versions •2m and 5m lengths •PVC black cable jacket **Specifications:** •Sealing: IP68, EN60529 (when mated) •Operating Temp: 0°C to 70°C

| MCM Part # | Description                | Length | (1-9)  | (10-up) |
|------------|----------------------------|--------|--------|---------|
| 83-14065   | IP68 Type A to Type B      | 2m     | \$7.99 | \$7.59  |

| 83-14068   | IP68 Type B to Type A      | 2m     | 7.99   | 7.59    |
| 83-14069   | IP68 Type B to Type A      | 3m     | 8.99   | 8.54    |
| 83-14070   | IP68 Type B to Type A      | 5m     | 12.99  | 12.34   |
| 83-14071   | IP68 Type A to IP68 Type B | 2m     | 12.99  | 12.34   |
| 83-14072   | IP68 Type A to IP68 Type B | 3m     | 15.99  | 15.19   |
| 83-14073   | IP68 Type A to IP68 Type B | 5m     | 17.99  | 17.09   |

**IP68 Sealed Mini USB Cables**

**Features:** •IP68 sealed Mini "B" type to standard "A" USB •Full over mold construction •Available in 6', 9' and 15' lengths

| MCM Part # | Description                   | Length | (1-9)  | (10-up) |
|------------|-------------------------------|--------|--------|---------|
| 83-14060   | IP68 Mini USB B to USB A      | 6'     | \$7.99 | \$7.59  |
| 83-14061   | IP68 Mini USB B to USB A      | 9'     | 8.99   | 8.54    |
| 83-14062   | IP68 Mini USB B to USB A      | 15'    | 12.99  | 12.34   |
| 83-14063   | IP68 Mini USB B to Mini USB A | 6'     | 7.99   | 7.59    |

**USB Adaptor Leads**

**Features:** •PCB adaptor lead, USB to 5 way crimp connector •Lead length 100mm •5 way PCB header (0.1"/ 2.54mm pitch)

| MCM Part # | Description                    | (1-9)  | (10-up) |
|------------|--------------------------------|--------|---------|
| 83-14083   | USB "A" type to 5 way crimp    | \$3.51 | \$3.02  |
| 83-14084   | USB "B" type to 5 way crimp    | 3.69   | 3.18    |
| 83-14085   | 5 way PCB header - Straight    | 0.26   | 0.22    |
| 83-14086   | 5 way PCB header - Right Angle | 0.29   | 0.25    |

**IP68 USB Panel Mount Connectors**

**Features:** •Single hole mounting •Front panel sealed to IP68 •Sealed "A" type to "B" type or "B" type to "A" type adaptor •Opposite connector at rear of adaptor •Mounting hole diameter 1.08" (plus keyway)

| MCM Part # | Description       | (1-9)   | (10-up) |
|------------|-------------------|---------|---------|
| 83-14074   | IP68 "A" type USB | \$10.18 | \$8.78  |
| 83-14075   | IP68 "B" type USB | 9.29    | 8.01    |

**IP68 USB Rear Panel Mounting Connector - PCB Direct Mount**

**Features:** •PCB contacts at rear •Direct PCB mount

| MCM Part # | Description       | (1-9)   | (10-up) |
|------------|-------------------|---------|---------|
| 83-14078   | IP68 "A" type USB | \$12.18 | \$10.50 |
| 83-14079   | IP68 "B" type USB | 10.08   | 8.69    |

**IP68 USB Buccaneer Rear Panel Mounting Connectors**

83-14080 - A type USB, rear panel mounted.  
Sealed A type at front of panel, standard B type at rear. 83-14081 - B type USB, rear panel mounted. Sealed B type at front of panel, standard A type at rear. 83-14082 - A type USB, rear panel mounted. Sealed A type at front of panel, leaded with 5 way header at rear. **Features:** •IP68 rated, dust and waterproof sealing when mated •USB 2.0, Up to 480Mb •Plug and play capability - standard 4 pole interface •Visual mating indication •High noise immunity and EMI protection •Screw coupling - secure, proven locking system **Specifications:** •Current: 1A •Voltage: 30Vac •Contact Resistance: 30mohm •Contact Material: Copper Alloy •Contact Plating: Gold •Operating Temperature: 0°C to 70°C •Mating Cycles: 1000 •Flammability Rating: UL94V-0

| MCM Part # | USB Type | (1-9)  | (10-up) |
|------------|----------|--------|---------|
| 83-14080   | Type A   | \$9.83 | \$8.48  |
| 83-14081   | Type B   | 9.80   | 8.45    |
| 83-14082   | Type A   | 9.92   | 8.55    |

**IP68 USB Front Panel Mounting Connector**

**Features:** •Leaded with 5 way crimp connector

| MCM Part # | Description  | (1-9)   | (10-up) |
|------------|--------------|---------|---------|
| 83-14076   | IP68 "A" USB | \$10.13 | \$8.73  |
| 83-14077   | IP68 "B" USB | 10.12   | 8.73    |

**IP68 USB Rear Panel Mount Connectors**

**Features:** •Mini "B" type •83-14058 is leaded with 5 way header •83-14059 comes with pins for direct PC mounting

| MCM Part # | (1-9)  | (10-up) |
|------------|--------|---------|
| 83-14058   | \$4.96 | \$4.27  |
| 83-14059   | 4.87   | 4.20    |

**IP68 Mini USB Buccaneer connectors**

The Mini USB Buccaneer provides a compact solution for USB connections in industrial environments. The latest in the USB Buccaneer range offers a secure, robust connection performing to USB 2.0, where dust or water could prove detrimental to system operation. Cables are fully over molded construction offering secure, tamper-proof connections. **Features:** •Mini AB type •IP68 rated, dust and waterproof to EN60529 •USB 2.0, data rates up to 480Mbps •PX0456 leaded with 6 way crimp, for use with PC header •PX0457 leaded with 6 way header •PX0458 with pins for direct PC mounting **Specifications:** •Current: 1A •Voltage: 30Vac / 42Vdc •Contact resistance: 50mohm •Operating temperature: 0°C to 70°C •Flammability rating: UL94V-0 •Mating cycles: 5000

| MCM Part # | Mfr.   | Mounting Type    | (1-9)  | (10-up) |
|------------|--------|------------------|--------|---------|
| 83-14091   | PX0456 | Panel Mount      | \$5.86 | \$5.05  |
| 83-14092   | PX0457 | Rear Panel Mount | 6.01   | 5.18    |
| 83-14093   | PX0458 | Rear Panel Mount | 6.38   | 5.50    |

**Front Panel Mount Connectors**

**Features:** •Mini "B" type •Leaded with 5 way crimp, for use with PC header

| MCM Part # | (1-9)  | (10-up) |
|------------|--------|---------|
| 83-14090   | \$7.28 | \$6.28  |

**USB B Plug to USB B Chassis Mount Socket**

**Features:** •USB B Male plug to USB B Female socket •Socket is chassis mountable •0.98" Between mounting screws •10' Cable length •Dimensions of chassis socket (HxWxD): 0.59x1.37x1.18"

| MCM Part # | ONLY   |
|------------|--------|
| 83-14133   | \$2.49 |

**USB A Socket to USB A Chassis Mount Socket**

**Features:** •USB A Female to USB A Female •Socket is chassis mountable •5.90in Cable length •Dimensions of chassis socket (HxWxD): 0.59x1.37x1.18"

| MCM Part # | ONLY   |
|------------|--------|
| 83-14134   | \$1.49 |

**Accessories for 400 Series Micro Buccaneer Connectors**

•Sealing Cap for use with cable connector

| MCM Part # | (1-9)  | (10-up) |
|------------|--------|---------|
| 83-14094   | \$0.95 | \$0.82  |

**IP68 Industrial RJ45 Cables**

**Sealing Caps**

#83-14087 - Ethernet and Telecom connector sealing cap. #83-14088 - Sealing cap for #831-2945 **Features:** •Sealing caps to maintain IP68 rating when connectors are not in use

| MCM Part # | (1-9)  | (10-up) |
|------------|--------|---------|
| 83-14087   | \$1.97 | \$1.70  |
| 83-14088   | 0.74   | 0.64    |

**Field Serviceable RJ-45 Connectors**

•Circular bayonet locking style allows quick and easy connection •One sealing surface for superior sealing •Accepts 2.9mm to 6.4mm cable diameters •Meets NEMA 6P and IP67 protection ratings

| MCM Part # | Description | (1-9)   | (10-up) |
|------------|-------------|---------|---------|
| 831-2923   | Plug        | \$21.08 | \$18.17 |
| 831-2924   | Receptacle  | 17.71   | 15.27   |
| 831-2925   | Dust Cap    | 6.02    | 5.19    |

**SAME DAY SHIPPING**

Network Patch Cables

**Category 5e UTP Patch Cables**

Offers data transmission rates of up to 155Mbps, a 50% improvement over standard Cat 5 cables. Supports today's 100Mbps fast ethernet standards. **Specifications:** •4 pair 24AWG unshielded wiring •RJ-45 connectors •Meets EIA/TIA 568B standards

**Molded Snagless Connectors**

## MCM pro-SIGNAL

### Cat 5E UTP Extension Leads

Features: •Wired in accordance with 568B specification •Unshielded twisted pair (UTP) patch leads •Ivory in color

| MCM Part # | Length | (1-9)  | (10-Up) |
|------------|--------|--------|---------|
| 831-2993   | 0.5m   | \$2.49 | \$2.15  |
| 831-2994   | 1m     | 2.49   | 2.23    |
| 831-2995   | 2m     | 3.49   | 3.27    |
| 831-2996   | 3m     | 3.99   | 3.51    |
| 831-2997   | 5m     | 5.49   | 4.78    |
| 831-2998   | 8m     | 6.99   | 6.38    |
| 831-2999   | 10m    | 8.49   | 7.81    |

### Category 7 Ethernet Patch Cable

•Backward compatible with Cat 5/6 •Even more strict specifications for crosstalk and system noise than Cat 6/6a •Individually shielded wire pairs with additional shielding over the cable as a whole •Besides shielding, the twisting of the pairs and number of turns per inch adds RF shielding and protects from crosstalk •Conforms to ISO/IEC 1180, up to 600MHz (Class F) •Assorted colors and lengths available

| MCM Part #   | Length | (1-9)  | (10-up) |
|--------------|--------|--------|---------|

## Network Patch Cable Accessories

### MCM pro-SIGNAL CAT 5e Cable Splitter

Features: •Send Ethernet data down a cable run of 4 pair twisted cable - the economizer combines/divides the data into 2x 2 pair twisted signals •Use in pairs at each end of a cable run •UTP and STP versions available (RJ45) •120mm lead

| MCM Part # | Description             | 1-9    | (10-up) |
|------------|-------------------------|--------|---------|
| <b>UTP</b> |                         |        |         |
| 831-2985   | Data-Data               | \$3.49 | \$3.22  |
| 831-2986   | Voice-Voice (Red Boot)  | 2.99   | 2.90    |
| 831-2987   | Data-Voice (Green Boot) | 3.49   | 3.37    |
| <b>STP</b> |                         |        |         |
| 831-2988   | Data-Data               | 4.49   | -       |

### Category 5e Crossover Cables

•Used to directly connect hub to hub, PC to PC or Mac to Mac •Color: Red

| MCM Part # | Length | (1-9)  | (10-up) |
|------------|--------|--------|---------|
| 831-1716   | 3'     | \$0.99 | \$0.94  |
| 831-1718   | 5'     | 0.99   | 0.95    |
| 831-1719   | 7'     | 1.29   | 1.24    |
| 831-1720   | 10'    | 1.99   | 1.91    |
| 831-1721   | 25'    | 4.99   | 3.99    |

### RJ45 Couplers

Shielded and unshielded CAT 5 RJ45 (8P8C), socket to socket in-line couplers.

| MCM Part # | Description | (1-9)  | (10-Up) |
|------------|-------------|--------|---------|
| 831-2989   | Unshielded  | \$3.49 | \$3.23  |
| 831-2990   | Shielded    | 4.99   | 4.53    |

### In-Line Coupler

Easily join Cat 5 patch cords and still maintain the high standard of EIA/TIA Cat 5. Moves, adds and changes are hassle-free when you can join two or more patch cords to fit your unique application. Specifications: •Standard: Meets EIA/TIA 568-A Cat 5 •Enclosure: UL 94VO material •Dimensions: 1.93" (L) x 0.69" (W) x 1.18" (H)

| MCM Part # | (1-9)  | (10-up) |
|------------|--------|---------|
| 831-5012   | \$6.23 | \$5.46  |

### Cat5E Crossover Coupler/Adapter

•Available as female-female coupler and male-female adapter •Wired: 1-3, 2-6, 3-1, 4-4, 5-5, 6-2, 7-7, 8-8 •Compact, robust design •Unshielded housing

| Fig. | MCM Part # | Description | (1-9)  | (10-up) |
|------|------------|-------------|--------|---------|
| A    | 831-12913  | Coupler     | \$2.93 | \$2.79  |
| B    | 831-12914  | Adapter     | 2.80   | 2.66    |

### Modular RJ45 Panel Couplers

Features: •Shielded or unshielded options •Compatible with industry standard panel cutouts

| MCM Part #        | (1-9)  | (10-up) |
|-------------------|--------|---------|
| <b>Unshielded</b> |        |         |
| 831-2913          | \$1.45 | \$1.25  |
| <b>Shielded</b>   |        |         |
| 831-2914          | 3.11   | 2.68    |

### RJ11 Modular Socket to Socket Adaptor

A coupler for RJ11 modular plug leads.

| MCM Part # | (1-9)  | (10-Up) |
|------------|--------|---------|
| 831-2991   | \$0.49 | \$0.42  |

**Smartronix** **NEW!**

**SuperLooper™ Ethernet Loopback Jack and Plug**

SuperLooper™ Ethernet loopback jack and plug easily checks the RX/TX pairs of a network cable, helping a network technician determine if a network signal exists. If a signal is present, the SuperLooper™ Ethernet loopback jack and plug sends the signal back to the source illuminating the port light on the associated switch or router. **NEW!**

| Fig. | MCM Part # | Description             | (1-9)  | (10-Up) |
|------|------------|-------------------------|--------|---------|
| A    | 831-3083   | Cat5E SuperLooper™      | \$7.99 | \$7.45  |
| B    | 831-3084   | Cat6 SuperLooper™       | 8.99   | 8.45    |
| C    | 831-3085   | T1/E1 SuperLooper™      | 7.99   | 7.45    |
| D    | 831-3086   | ISDN (BRI) SuperLooper™ | 7.99   | 7.45    |
| E    | 831-3087   | ISDN (PRI) SuperLooper™ | 7.99   | 7.45    |

**Smartronix SuperLooper™ Crossover Adapters** **NEW!**

The SuperLooper™ Gigabit Crossover Adapter converts any standard ethernet patch cable to a crossover cable for Ethernet networks. Used with a standard Ethernet patch cable, the SuperLooper™ Crossover Adapters can network two computers into a network without requiring a hub. This feature is great for creating a personal network in the office, a network at home, or for copying files between two computers. **NEW!**

| Fig. | MCM Part # | Description                       | (1-9)  | (10-Up) |
|------|------------|-----------------------------------|--------|---------|
| A    | 831-3088   | Cat5E SuperLooper™ Crossover      | \$7.99 | \$7.45  |
| B    | 831-3089   | Cat6 SuperLooper™ Crossover       | 8.99   | 8.45    |
| C    | 831-3090   | T1/E1 SuperLooper™ Crossover      | 7.99   | 7.45    |
| D    | 831-3091   | ISDN (PRI) SuperLooper™ Crossover | 7.99   | 7.45    |

**Smartronix SuperLooper™ Rollover Adapter** **NEW!**

The Rollover Adapter can be used to convert any standard Ethernet cable into a Rollover cable. The Rollover Adapter eliminates the need for carrying extra cables. Using the Rollover cable with a DB9-to-RJ45 connector will allow you to connect your PC to many popular models of network routers and switches for diagnostic and configuration purposes. **NEW!**

| MCM Part # | (1-9)  | (10-Up) |
|------------|--------|---------|
| 831-3092   | \$7.99 | \$7.45  |

**Low profile Surface Mount USB / Ethernet Modukles**

A range of single port RJ45, 10/100Base Ethernet surface mount modules •#831-2915 Tab-down 10/100Base Ethernet Connector •#831-2916 10/100/1000 Ethernet, •Drop in replacement for a standard RJ45, to dramatically improve EMC •#831-2917 Tab-down, 10/100Base Ethernet, Y/G LED •Add in LED's to indicate network status •#831-2918 Tab-up, 10/100Base Ethernet, Y/G LED •Tab-up to allow better access to the tab, and allow for the LED pins to be away from the Ethernet signal pins •#831-2919 10/100Base Ethernet, Twin USB A, Y/G LED •Integrate USB A connectors, ideal for single board computers.

| MCM Part # | Mfr.         | (1-9)  | (10-up) |

**SENTINEL™ RJ45 Type Data Plugs**

High quality modular plugs aimed at the professional data and communications user. **Features:** •8P8C (RJ45) type •Precision contacts with true insulation piercing IDC blade contacts •Chemically honed contact surfaces for smooth finish and long contact life •Designed to accept solid and stranded wires from 28 to 24AWG **831-3004:** These plugs are compatible with AMP manufactured data connectors. Feature a secondary strain relief. **831-3005:** These plugs have an integral snagless molding. (see inset) **Specifications:** •Housing: Polycarbonate UL94V-0 •Contact: 50µ Gold Plated Phosphor Bronze •Temp. Range: -40°C to +125°C •Voltage Rating: 150VAC max. •Current Rating : 1.5A •Insulation Resistance: 500Mohm •Contact Resistance: 10mΩ max.

| MCM Part # | Type           | Cable Shape | (1-9)  | (10-Up) |
|------------|----------------|-------------|--------|---------|
| 831-3004   | AMP Compatible | Round       | \$3.99 | \$3.75  |
| 831-3005   | Snagless       | Round       | 4.49   | 4.25    |

**SENTINEL™ CAT 6 Data Plugs**

High quality modular plugs aimed at the professional data and communications user. **Features:** •Designed to meet CAT 6 requirements •8P8C (RJ45) type •Precision contacts with true insulation piercing IDC blade contacts •Chemically honed contact surfaces for smooth finish and long contact life •Designed to accept solid and stranded wires from 28 to 24AWG •Available with or without shielding •Supplied in packs of 5. **Specification:** •Housing: Polycarbonate UL94V-0 •Contact: 50µ Gold plated phosphor bronze •Voltage rating: 150V ac max. •Current rating: 1.5A •Insulation resistance: 500Mohm

| MCM Part # | Type               | Cable Shape | ONLY   |
|------------|--------------------|-------------|--------|
| 831-3000   | Unshielded - Short | Round       | \$1.99 |
| 831-3001   | Unshielded         | Round       | 1.99   |
| 831-3002   | Shielded           | Round       | 5.49   |

**SENTINEL™ Unshielded FCC68 Modular Data Plugs**

A range of high quality modular plugs aimed at the professional data and communications user. **Features:** •Precision contacts with true insulation piercing IDC blade contacts •Chemically honed contact surfaces for smooth finish and long contact life •Designed to accept solid or stranded wires from 28-24AWG •Supplied in packs of 10. **Specifications:** •Housing: Polycarbonate UL94V-0 •Contact: 50µ Gold Plated Phosphor Bronze •Temp. Range: -40°~+125°C •Voltage Rating: 150V ac max. •Current Rating: 1.5A •Insulation Resistance: 500MΩ •Contact Resistance: 10mΩ max.

**Cat 6 RJ45 Plug**

•High performance 2 Piece modular plugs designed to meet and supersede Cat 6 requirements •8P8C RJ45 (8 position, 8 contacts) •Polycarbonate body •50u gold plated phosphor bronze contacts •Designed to accept solid or stranded cable •Operating temperature -40 C to +80 C •Cable to tensile strength - 7.70kgs •Flammability - UL94V-2 •UL recognized •Supplied in packs of 10

| MCM Part # | (1-9)  | (10-Up) |
|------------|--------|---------|
| 831-3003   | \$2.49 | \$2.13  |

**Colorful CAT5e Modular Plugs**

•Designed for both solid & stranded cable •7 assorted colors •Unshielded RJ-45 •8P8C •50 Micron gold contacts

| MCM Part # | Description                  | (1-9)   | (10-Up) |
|------------|------------------------------|---------|---------|
| 831-2233   | Blue modular plug 8P8C 50pk  | \$10.39 | \$10.08 |
| 831-2238   | Black modular plug 8P8C 50pk | 16.11   | 15.53   |

**RJ45 Junction Wiring Box**

A connection box for four twisted cable pairs for use in CAT 5, 4, 3 applications. The unit is unshielded and is ideal for custom wiring or converting between different system wiring specifications.

| MCM Part # | (1-9)  | (10-Up) |
|------------|--------|---------|
| 831-2992   | \$3.49 | \$3.23  |

**Network Keystone Jacks and Wallplates**

**Cat6 Keystone Jacks**

•High performance Cat6 jacks for use in keystone wallplates •Meets 568A and 568B wiring requirements •Accepts 22-26 AWG solid wire •Punch down termination

| MCM Part # | Color  | (1-9)  | (10-up) |

**HellermannTyton Standard Faceplates**

•Accepts any Hellermann Tyton modular jack •Provided in ivory, office white, and stainless steel  
 •Standard keystone style interface •Offered in single and dual gang •Offered in up to 12 port configurations  
 •2, 4, 6 port faceplates are available with identification windows that cover up the mounting screws

| 831-2582     | 4     | 0.85   | 0.80    |

**White Wallplates**

•Use with Cat 5e, BNC, "F" and other popular keystone jacks when installing networks, home theater, CCTV and other professional installs

| MCM Part # | Ports | (1-24) | (25-49) |
|------------|-------|--------|---------|
| 831-2158   | 1     | \$1.00 | \$0.71  |
| 831-2160   | 4     | 0.74   | 0.54    |

**Category 5/Category 6 Dual Wall Plate**

•Terminates in-wall Cat 5/Cat 6 installations •Provides two RJ-45 ports •White color •Mfr. #TPH556

| MCM Part # | (1-9)  | (10-up) |
|------------|--------|---------|
| 831-2562   | \$4.99 | \$4.45  |

**Category 5/Category 6 and Coax Wall Plate**

•Terminates in-wall Cat 5/ Cat 6 and coax installations •Provides one RJ-45 port and one "F" type coax port •White color •Mfr. #TPH557

| MCM Part # | (1-9)  | (10-up) |
|------------|--------|---------|
| 831-2563   | \$4.99 | \$4.45  |

**Category 5/ Category 6 and Dual Coax Wall Plate**

•Terminates in-wall Cat 5/ Cat 6 and coax installations •Provides one RJ-45 port and two "F" type coax ports •White color •Mfr. #TPH558

| MCM Part # | (1-9)  | (10-up) |
|------------|--------|---------|
| 831-2564   | \$6.99 | \$6.45  |

**Dual Category 5/ Category 6 and Dual Coax Wall Plate**

•Terminates in-wall Cat 5/Cat 6 and coax installations •Provides two RJ-45 port and two "F" type coax ports •White color •Mfr. #TPH559

| MCM Part # | (1-9)  | (10-up) |
|------------|--------|---------|
| 831-2565   | \$6.99 | \$6.45  |

**Keystone Surface Mount Box**

•Made from high-impact ABS plastic •Two ports •Compatible with Cat5e and Cat6 RJ-45 jacks •Color: White

| MCM Part # | (1-9)  | (10-up) |
|------------|--------|---------|
| 831-2576   | \$2.99 | \$2.25  |

**Surface Mount Keystone Boxes**

Use with Cat. 5, BNC, "F", ST Fiber and other keystone jacks when installing networks, home theater, CCTV systems and other professional installs.

| MCM Part # | Description | Color | (1-9)  | (10-up) |
|------------|-------------|-------|--------|---------|
| 831-1752   | 2 ports     | Ivory | \$2.19 | \$1.14  |
| 831-1754   | 2 ports     | White | 1.67   | 0.89    |

Network Patch Panels

Category 6 Unshielded Patch Panels

•Gigabit RJ-45 ports •10' wide patch panel is well suited for home and SMB applications •Designed for Cat6 cabling •Includes cable management holders, tie, and port labels •Use with TRENDnet TC-PDT punch down tool

| Fig. | MCM Part # | Mfr. #   | Ports | (1-9)   | (10-up) |
|------|------------|----------|-------|---------|---------|
| A    | 831-2427   | TC-P08C6 | 8     | \$31.71 | \$28.94 |

Power Line Networking

**belkin**  
Gigabit Powerline Networking Kit

Create an ultrafast HD entertainment network through your home's electrical wiring. **Features:** •Ideal for ultrafast, high-quality transmission of multiple video streams, reducing online gaming latency and quickly transferring large data files •Provides a secure, stable networking signal •Push-button security •Plug-and-play setup •Compatible with HomePlug® AV products •Transfers data at speeds of up to 1000Mbps •Improves internet connectivity in remote rooms or places hard to reach with wireless connections •Stream multiple HD movies and game online •Simple plug and play •Includes two Gigabit adapters •Mfr. #F5D4076

| MCM Part # | (1-9)    | (10-up)  |
|------------|----------|----------|

**TRENDnet**  
500 Mbps Compact Powerline AV Adapter

Model: TPL-406E2K. The 500 Mbps Compact Powerline AV Adapter Kit, uses any electrical outlet to create a secure high speed network. Connect the first adapter to your network and plug the second adapter into any outlet on your electrical system for instant high speed network access. The compact form factor saves space around crowded electrical outlets. **Features:** •500 Mbps networking from an electrical outlet •Use one unit to transmit, and up to seven additional TPL-406Es to receive a network signal

Wired Networking

**Actiontec**  
Ethernet Over Coax MoCA Network Adapter

More and more electronic devices require high speed Internet access. Now with MoCA technology, existing coaxial wires in the home can, in essence, be converted to an Ethernet network and deliver high speed internet access to every connected device. Simply plug a MoCA adapter into your router and to the device requiring internet access. **Features:** •Coexists with most broadband services •Uses existing coax cabling •Incredibly easy to install •For use primarily in cable TV households

### Actiontec

#### Ethernet Over Coax HPNA Adapter

More and more electronic devices require high-speed internet access. From DVDs, DVRs, Blu-Ray players, and game consoles etc, the biggest challenge facing consumers is how to connect these devices to the internet. As an alternative to wireless or ethernet networking, HPNA uses the existing coaxial wires in the home to deliver high-speed internet access to any device connected to the HPNA adapter. Plus, installation is a breeze. Simply plug a HPNA adapter into your router and to the device requiring internet access. **Features:** •Perfect for transferring large multimedia files like movies, music and photos •Uses existing coax wiring •Supports speeds up to 144Mbps burst/95Mbps sustained •Complies with the HPNA 3.1 over coax specification (ITU G.9954) ■

### MOTOROLA Netopia High Speed DSL Modem and Router

The NETopia DSL Wi-Fi gateway will allow you to easily and securely share your DSL service with your entire household. With its 3-D Reach™ Extreme Wi-Fi you get the best 802.11N coverage available along with B and G band compatibility. **Features:** •Speeds Up to 24 Mbps •Compatible with most major DSL providers •Access to real time on-line gaming and HD videos •Never pay rental fees again •Includes a four-port wired hub

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-15291   | \$97.99 | \$95.05 |

### MOTOROLA Surfboard DOCSIS 3.0 Cable Modem

**NEW!**

With a data transfer rate of 160Mbps the latest in the Motorola Surfboard line will handle whatever speed your cable service is capable of delivering. Better yet, it is available as a standalone modem, or with built-in 802.11N wireless networking for simple and secure setup with a minimum of wires. **Features:** •Up to 160 Megabits per second •Legendary Surfboard reliability •Ease of setup •Near universal compatibility

### PRUDENT WAY™

#### USB over Ethernet Adapter

•Extends the distance of a USB device from a USB-enabled computer up to 150' •Ideal for use with USB cameras, printers, web cams, keyboard/mouse extensions, and any other USB devices •Compliant with USB bus-powered mode no external power source is required •Uses standard Cat5/Cat5Ee/Cat6 patch cord to connect between RJ45 receptacles ■

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-15106   | \$22.99 | \$21.55 |

### PRUDENT WAY™

#### USB Ethernet Adapter

Connect any computer to a high speed Ethernet connection, without having to open the computer to install extra hardware. **Features:** •True high speed USB 2.0 (480Mbps) with USB Bus power •Integrated Fast Ethernet MAC, and transceiver in one chip •Compliant with V.17, V.29 and V.27ter Group3 fax protocols •Supports 10Mb/s and 100Mb/s N-Way Auto-negotiation operation •Supports all USB standard commands •Supports suspended mode and remote wake up •Supports TCP/IP, NetBEUI, IPX/SPX protocol •Supports four endpoints •Half/Full duplex 10/100Mbps operation •Supports full duplex flow control (IEEE 802.3x) ■

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-15105   | \$13.99 | \$13.25 |

### PRUDENT WAY™

#### USB Gigabit Ethernet Adapter

•Connect a computer to a high-speed Gigabit Ethernet connection •Integrates on-chip 3.3~2.5V voltage regulator and requires only single 3.3V power supply •Full Duplex: 10BaseT, 100BaseTx, 1000BaseT •Half Duplex: 10BaseT, 100BaseTx •Operating Temperature 0°~70°C •Compatible with Windows 2000/XP/VISTA/7/8, MAC OS X, and Linux ■

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 83-15118   | \$24.99 | \$23.25 |

### ICY DOCK®

#### USB 10/100 Ethernet Adapter

•Bring a fast, stable internet connection to devices without ethernet port •Compliant with USB 2.0, backward compliant with USB 1.1 •Small, compact design for effortless portability •IEEE 802.3u 100BASE-T, TX compatible •Turn your USB port into a 10/100Mbps fast internet connection •Full/high speed USB device with bus power capability •Support full-duplex or half-duplex operation on fast ethernet •Supports suspended mode and remote wakeup •Mfr. #GUC2100 ■

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 831-2532   | \$30.99 | \$29.99 |

### TRENDNET 10/100 NWay Mini Switches

•TRENDnet's high performance auto-sensing NWay mini switches are designed specifically to boost your network performance by eliminating network congestions and unnecessary network traffics •Each port on the switch, not only provides dedicated bandwidth, but also negotiates between 10Mbps and 100Mbps network speeds •Some models also have module bays for optional multimode SC type fiber module that allows connection to another fiber device up to 2Km away (in full-duplex mode) •Switch kits include 2-10/100 PCI cards, cables and switch **Features:** •Compliant with IEEE 802.3 10Base-T, IEEE 802.3u 100Base-TX standard •16 UTP/STP RJ-45 10/100Mbps NWay auto-sensing ports •Store and forward packet switching •Half- and full-duplex operation for each port •802.3 flow control for full duplex connection and back pressure flow control for half-duplex connection •Auto-learning of network configuration •Built-in 8K entries per device for Filtering Address Table •512Kb per device RAM buffer •MDI-II uplink port (shared with port 1) for easy expansion •Broadcast storm protection •5 year warranty

| Fig. | MCM Part # | Mfr. #         | Ports          | (1-9)   | (10-up) |

**8-Port Gigabit GREENnet PoE+ Switch**

TRENDnet's 8-Port Gigabit GREENnet PoE+ Switch, reduces equipment and installation costs by delivering data and power over existing Ethernet cables. This unmanaged switch offers eight Gigabit PoE+ ports which supply up to 30 watts of power per port for devices such as high power wireless access points, PTZ (Pan / Tilt / Zoom) internet cameras, and VoIP telephony systems. Mf. #TPE-TG80g

MCM Part # **ONLY**  
831-3057 **\$249.00**

**CISCO Eight Port Workgroup Gigabit Ethernet Switch**

Accelerate your desktop network with Gigabit connectivity for up to eight devices. **Features:**  
 •Experience speeds up to 1000Mbps for Gigabit-enabled devices, up to 10x faster than standard ethernet  
 •Automated optimization: Eight auto-sensing ports designed to automatically deliver optimal ethernet or Gigabit speeds for each connected device  
 •Address Learning and Aging and Data Flow Control designed to help ensure better data flow and fewer transmission errors  
 •Replace your current hub-based ethernet network with the switching power of this compact unit and improve your data traffic efficiency  
 •Mfr. #SG100D-08-NA

\*Internal power adapter reduces clutter

**8-Port Gigabit GREENnet PoE+ Switch**

TRENDnet's 8-Port Gigabit GREENnet PoE+ Switch, model TPE-TG44g, reduces equipment and installation costs by delivering data and power over existing Ethernet cables. This unmanaged switch offers four Gigabit PoE+ and four Gigabit non-PoE ports. The PoE+ standard supplies up to 30 watts of power per port for devices such as high power wireless access points, PTZ (Pan / Tilt / Zoom) internet cameras, and VoIP telephony systems.

**LINKSYS® EtherFast® Workgroup Switches**

Migrate your network to Fast Ethernet's 100Mbps speed with the EtherFast® 10/100 Workgroup Switches. These new compact switches from Linksys offer a new compact design that's perfect for space-sensitive applications. Apply this switching power to your 10BaseT network, and your data traffic efficiency improves several times over. Connect your file server to the switch's auto-sensing ports, and speed up access time for all your users in just one move. And when you're ready, switch your way to full duplex speeds of up to 200Mbps, the speed is yours!

**450Mbps Wireless N Gigabit Router**

TRENDnet's 450Mbps Wireless N Gigabit Router, redefines wireless router performance. This router's raw horsepower seamlessly streams HD movies to your entertainment center, transfers content from countless users, and generates record wireless coverage. Features: •Gigabit Ethernet ports •Embedded GREENnet technology reduces power consumption •Advanced Multiple Input Multiple Output (MIMO) antenna technology •Wi-Fi Protected Setup (WPS) integrates other WPS supported wireless adapters at the touch of a button. •Mfr. #TEW-691GR

| MCM Part # | (1-9)    | (10-up)  |
|------------|----------|----------|
| 831-2440   | \$149.99 | \$139.99 |

**N300 Easy-N-Range Extender**

TRENDnet's N300 Easy-N-Range Extender, model TEW-736RE, extends the coverage of your existing wireless n network. Setup is simple, with no drivers to install. Simply press the Wi-Fi Protected Setup (WPS) button on your router or access point, then on the TEW-736RE and you're done - the 300Mbps Easy-N Range Extender is now extending your high performance wireless N network over a large area.

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 831-3042   | \$43.99 | \$42.23 |

**N900 Dual Band Wireless USB Adapter**

TRENDnet's compact N900 Dual Band Wireless USB Adapter, model TEW-684UB, connects a laptop or desktop computer to an ultra-high performance 450Mbps dual band wireless network. Quickly connect to a 450Mbps 2.4GHz or 5GHz wireless network at the touch of a button with the convenience of one-touch Wi-Fi Protected Setup (WPS). Seamlessly stream HD video over the less congested 5GHz band.

| MCM Part # | (1-9)   | (10-up) |
|------------|---------|---------|
| 831-3036   | \$54.49 | \$52.31 |

**N450 Wireless Access Point**

TRENDnet's N450 Wireless Access Point, model TEW-690AP, supports Access Point, Wireless Distribution System (WDS), and Repeater mode functionality. Advanced Multiple Input Multiple Output (MIMO) antenna technology with three spatial streams per antenna, generates a maximum theoretical wireless throughput of 450Mbps and exceptional wireless coverage.

| MCM Part # | (1-9)    | (10-up)  |
|------------|----------|----------|
| 831-3038   | \$133.00 | \$127.68 |

**300Mbps N Draft MIMO Wireless Networking Products**

Get up to 800% more coverage and 10x the speed of regular 802.11g with new MIMO technology. Eliminate dead spots in your wireless coverage.

- Ideal for small business and home applications
- 802.11b/g Wi-Fi compliant
- Up to 300Mbps speed
- 2.4GHz or 5GHz frequency
- MIMO technology
- Average range of 100~450 meters
- Toll free technical support and three year limited warranty

**BUFFALO AirStation™ HighPower N300 Wireless Gigabit Router**

AirStation™ HighPower N300 Wireless Gigabit Router offers a simple way to upgrade your network for greater range and performance with speeds up to 300 Mbps, gigabit Ethernet, DD-WRT firmware, QoS, WPS support and more. **Features:**

- Optimized antennas and tuned radios boost signal strength for maximum performance and range
- Adjustable high power antennas extend signal range to eliminate dead spots
- Powered by DD-WRT open-source firmware and equipped with robust and high-performance features for custom configuration
- Provides a fast wireless connection up to 300 Mbps perfect for surfing and emailing from multiple computers, downloading files and streaming music, movies and other multimedia content from the web
- 10/100/1000 Mbps Ethernet connections provide maximum speeds for data transmission over the network
- Works with any new Wireless-N device as well as the previous generation
- Easily connect a USB hard drive for easy file sharing, media streaming and central storage or add a printer to your home network.

# Security Solutions Snap-shot

Let MCM help you choose the best security technology for your project with a complete range of cameras, recording devices, and accessories.

## Traditional Analog DVRs & Cameras

### Advantages:

- Economical solution ideal for home and small business
- Easy install and set-up
- Uses familiar coax cable and connectors

### Considerations:

- Limited to CIF and D1 resolution recording
- Limited hardware and software scalability
- Limited to 540TVL camera recording resolution

## 960H DVRs & Cameras

### Advantages:

- Highest resolution analog solution ideal for business and commercial
- Display, record and playback at 30% higher resolution than D1 (also referred to as WD1)
- Uses coax cable infrastructure and simpler than IP setups

### Considerations:

- Requires 960H DVR and 700TVL camera with Advanced Sony DSP
- Setup not scalable to 720/1080p
- Network storage not available

## HD-SDI (HDCCTV) DVRs & Cameras

### Advantages:

- Accessible digital surveillance with RG6/RG59 cabling
- Uncompressed, digital transmission up to 1080p

### Considerations:

- HD-SDI DVR and camera required for 1080p
- HD-SDI DVRs are relatively more expensive than NVR

## IP NVRs & Cameras

### Advantages:

- Superior video quality and greater video coverage
- Cost-effective with IP-based network infrastructure
- Video management improvements like motion detection, tampering alarm, etc.
- Economically scalable for future growth

### Considerations:

- Cat5e/6 network cabling required
- IP equipment from different manufacturers are not always compatible
