WELCOME TO THE 2023 FALL SPORTS SEASON!

Lancer Faithful,

It is with great pleasure that we welcome you to another exciting year of Lake Park Athletics! To the athletes you see in this program, we would like to say thank you for choosing to represent our school as student-athletes. You are great role models and examples of all the amazing things Lake Park has to offer. Choosing to participate in co-curricular activities will only enhance your high school experience and teach you important life lessons such as hard work, goal setting, determination, and humility. To our coaching staff, thank-you for your commitment to the student-athletes at Lake Park. Without your passion, drive, and desire to work with students in an educational setting outside the classroom, none of this would be possible. Finally, we would like to thank all of our awesome Lake Park families. Having a child participating in high school level athletics requires an enormous commitment of time and resources. Thank-you for partnering with Lake Park to provide these experiences and sharing your child's talents as representatives of our school community.

Enjoy all that Lake Park athletics has to offer. Together, let us make Lake Park High School an example of dedication, sportsmanship, and respect.

Everyday is truly a
GREAT DAY TO BE A LANCER!
