## **MomsRising's Pledge to Continue to Fight for the Safety of Our Children and Communities**

---

We, the moms and leaders of the United States, pledge to continue to push for the following gun safety reforms to protect our kids, our families, and our communities:

- Criminal background checks for all gun purchases, including at gun shows and on the Internet.
- A ban on military-style assault weapons and high-capacity magazines.
- A federal anti-gun-trafficking statute with real penalties to crack down on straw purchases.
