BARKER-LANE STADIUM

and **ED GORE FIELD**

Opened in 2008, Barker-Lane Stadium and Ed Gore Field is home to the Campbell football and women's lacrosse teams. With the completion of the West stand in 2013, seating capacity now stands at 5500. Campbell hosted Birmingham-Southern on Aug. 30, 2008 in the inaugural game at the facility, attended by a standing-room crowd of 5,845 fans.

Barker-Lane Stadium was named for Bob Barker and Don Lane. Bob Barker, class of 1965, is chairman of the Board and Chief Executive Officer of the Bob Barker Company, the industry's largest supplier of institutional products and supplies for correctional and rehabilitation facilities worldwide. The corporate office for the company is located in Fuquay-Varina, N.C. Dr. Don Lane is owner of Lane Family Dentistry, a full-service practice with over 20 locations across the state.

Ed Gore Field was named in honor of Edward M. Gore, a member of the class of 1952, during the spring of 2009. Dr. Gore was a highly successful real estate developer; his name is virtually synonymous with the prized coastal properties of Sunset Beach & Twin Lakes, Sea Trail Resort, and Ocean Ridge Plantation. He passed away in July 2014.

Lights were added to the facility prior to the 2012 season, allowing the Camels more options for practice times, as well as greater flexibility for broadcasts and other sporting events. The four 110-foot poles, two on each side of the stadium, feature 42 each and 168 total fixtures, providing 100 foot candle on all portions of the playing field.

The West stand was completed in 2013 and includes 3,000 seats; with 867 chair back seats, plus bleacher back seating as well as new restroom and concession facilities.

During the 2014 season, the top three crowds in the facility's history jammed Barker-Lane. A record 6,472 fans turned out for the season opener against Charlotte, while standing-room only crowds witnessed Campbell wins over Valparaiso (6,370) and Davidson (6,345).

The W. Irvin Warren Athletic Center is named in honor of William Irvin Warren the Founder and President of Warren Oil Company, Inc. Warren Oil Company, with corporate offices located in Dunn, N.C., is the largest independent lubricants manufacturer in North America with production locations in six states.

Inside the Warren Athletic Center is a multi-purpose room for gatherings and team meetings that may be sectioned into multiple rooms. Coaching staff offices and the coaches locker room, plus a conference room, video room and equipment room are also located within the building.

The Warren Center also houses an on-site athletic training room that includes whirlpool, ice machine and training tables. The home locker room features lockers for 120 football players, while the visitor locker room includes 80 lockers and can be sectioned into two separate rooms

Carlie C's IGA Hometown Proud Press Tower was completed in 2013 and is named in honor of Carlie C. and Joyce McLamb. Mr. and Mrs. McLamb opened their first grocery store in 1961. Over the years they expanded their business and today have 16 stores located in Harnett, Johnston, Cumberland, Wake, Durham and Wayne counties.

The press box is 80 feet high with elevator access to all floors. The building includes an executive level on the second floor just above the top row of bleachers and houses a central President's Suite with seating for 40. There are also two exterior patios on the north and south. The third floor houses a 3,800 square foot central press area with seating for 50, including home and visitor radio locations, an official box, and booths for both the visiting and home coaching staff.

Ground-breaking ceremonies for the stadium were held Mar. 27, 2007 and construction was started by general contractor T.A. Loving. McMillan Smith & Partners served as architect.

In January 2015, the Burt Family Sports Performance Center opened. The nearly 6,000 square foot facility, located in the southeast corner of Barker-Lane Stadium, features 900 square feet of sport turf, 12 state-of-the-art custom Hammer Strength combo racks with inlaid Olympic lifting platforms, six glute hamstring developers and four Hammer Strength plate loaded machines. The training facility also includes two Pit Shark belt squat machines, custom iron grip dumbbells, custom plyometric jumping boxes and a comprehensive nutrition and hydration station.

**2015 SEASON
PREVIEW**

2015 SEASON OUTLOOK

Campbell heads into the 2015 season with a unified team outlook, "unfinished business."

Having finished 30 yards away from securing at least a share of the 2014 Pioneer Football League Championship, the Camels look to finish what they started a year ago.

"The taste of success last year made these guys really commit to being champions," said Campbell third year head coach Mike Minter. "What does it mean to put it in day in and day out? We probably had the best offseason we possibly could have had. Mental toughness is key. We started 4-0 in the league then lost four, three at the end of the game. That's about mental toughness, and I think we're stronger mentally this year."

In 2014, Campbell began its Pioneer Football League schedule 4-0, but fell in its final four conference games to end the season. Campbell finished the 2014 season, the second under head coach Mike Minter, 5-7 overall and 4-4 in PFL play, recording the program's second-most total and conference wins in its seven seasons. A school record seven Camels, plus eight honorable mentions, were named to the 2014 All-PFL teams, including four first teamers. Eight CU student-athletes, with six first team

members, were tabbed PFL All-Academic.

Three of CU's four PFL losses ended in heartbreaking fashion, with Campbell go-ahead drives ending deep in opponent territory.

The Camels fell 27-20 at Marist, ending their perfect start in PFL play. A week later, CU took a 28-24 loss at home to Stetson, with a goal line interception stopping the Camels with 13 seconds on the clock. In the season finale at Dayton, Campbell drove all the way to the Flyers' four yard line before turning the ball over on downs, falling 19-14.

"It created that grit that you need," said Minter. "That grit is passion and persistence. When you create that, that's willpower squared. That's a whole different level. We have leadership that takes control on the players' side. We've never had that. That got us focused on the right things to become champions. Now it's about the process."

The Camels return 49 letterwinners from the 2014 squad, plus 15 combined starters on the offensive and defensive sides of the ball. That group includes nine starters on defense and six on offense, plus two specialists.

Despite a strong group of returners, Campbell will have to replace several key contributors, including quarterback Dakota Wolf, as well as left guard Will Sawyer and center Dalton Brown on the offensive line.

Wolf finished his career as CU's all-time leader in pass completions (261), attempts (442), total offense (3,852), touchdowns responsible for (32) and touchdowns scored at 18.

Brown and Sawyer were stalwarts on the offensive line, starting game apiece and combining to play in 85 contests for the Camels.

"Our biggest losses were on the offensive line," said Minter. "Will Sawyer and Dalton Brown are hard to replace, not only from a talent perspective, but also from a leadership standpoint."

On the defensive side, Isaac Scott finished his career as Campbell's all-time games played leader (46), also setting program records for career yards from tackles for loss (131), sacks (16.5), yards from sacks (110), forced fumbles (7) and quarterback hurries (12). The Camels will also have to replace 2014 honorable mention All-PFL linebacker Luke Hill, plus honorable mention All-PFL defensive back Isaiah Howard, who was also named Second Team All-PFL as a kick returner.

THE DEFENSE

The Camels will undoubtedly be led by a stacked defensive unit in 2015, boasting arguably the top defense in the PFL.

DEFENSIVE LINE

It all starts up front for the Camels. Returning All-PFL picks Ugonna Awuruonye and Greg Milhouse will again give Campbell size and power on the line.

Awuruonye was First Team All-PFL defensive end, notching 67 tackles last season with 11.5 for loss and 7.5 sacks, tying the Campbell single-season record. In his first season with the Camels after transferring from Appalachian State, Milhouse picked up Second Team All-PFL honors with 57 total tackles, including 5.0 for loss and 2.5 sacks.

Dwan Hanshaw (7.0 TFL) also comes back at defensive end, while Darren Flowers (nine tackles in four games) returns from injury. Hunter Somerville, a redshirt senior converting from tight end, plus transfers Rogers Clark (North Carolina State) and Isaiah King (East Carolina) add to the Camels' stable.

"There is a lot of competition there, and they are going to push each other to be better," said Minter. "The two guys that you hear about are Ugonna and Milhouse, but Rogers Clark is probably going to surprise a lot of people. With his energy, he has elevated a lot of guys on that line. He has tenacity and grit, and that has elevated everyone else at practice. We're going to be deep on the defensive line. We're going to be fast and big."

LINEBACKERS

Campbell brings back two of its three starting linebackers from 2014, led by Second Team All-PFL performer Andrew Yost in the middle, who piled up almost 90 tackles last season. Jake Barr led the team in solo tackles at 37, while junior Daniel Bostick (40 tackles) is expected to take on an expanded role.

"We're going to be stout there," said Minter. "Coach Freddie Aughtry-Lindsay has been a great addition there, almost like a transfer linebacker for us. He has those guys headed in the right direction. They have grown every day since he got here. Andrew Yost is back for us to anchor that position. Daniel Bostick is a guy that athletically, with his size and speed, has the ability to make a huge impact. We're two deep at all three spots."

Jaylan Adlam and Lorenzo Herman provide more experience at the position, while redshirt freshman Jack Ryan enters the fold as well.

SECONDARY

Possibly the most improved position for the Camels is the secondary, who bring back several key contributors from last season, and inject a pair of South Carolina State transfers in safety Carlos Merritt and corner Dominique Mitchell.

One of the top returning cornerbacks in FCS, Mobley was an All-PFL honorable mention in 2014 after picking off four passes, returning a school record three for touchdowns.

- Jacksonville not included in preseason poll due to league penalty.

"The secondary was a big question mark following last year, but with the transfers we brought in, it has turned into one of our stronger positions," added Minter. "Our guys are going to be able to make open field tackles at safety. At corner, there is a lot of competition. We moved Dante Simmons to defense, who is a long defensive back with speed that will make things tough for people. Then, of course, we have Brandon Mobley, who should have another great season. I can't say enough about Bryan Butterworth. He was a big addition to where I wanted to go as a secondary, playing an aggressive style."

"I expect great things out of that side of the ball this season," added the third year Campbell coach.

THE OFFENSE

On the offensive side, CU brings back a solid group of six starters, but will have to replace some key contributors.

OFFENSIVE LINE

Campbell will have to replace three starters on the offensive line in Brown, Sawyer and Dylan McSteen, who all started at least 11 games in each of the last two seasons. Jacob Brewer will provide a veteran presence, while 2014 honorable mention All-PFL pick Josh Hutto, a redshirt sophomore, comes back at left tackle.

"Offensive line is our young spot," said Minter. "A lot of young guys are going to have to step up and play behind our leader on the line, Jacob Brewer. He's been behind Sawyer and Brown, and now it's his turn to step up and be that leader that we need. It's going to be about putting the pieces together."

Redshirt sophomore Andrew Franklin, redshirt junior Laurin O'Briant and senior Brice Sessoms have all started games for Campbell in the past, and look to complete the line.

WIDE RECEIVERS

Pacing the returners for the Camels at wide out is redshirt senior Ben Bolling, who enters the 2015 season 117 yards shy of the CU career receiving yards record at 1,113, and one touchdown from the program's receiving scores mark.

"We're going to be the fastest we've ever been at wide receiver," said Minter. "We have some playmakers that will see their first action on the field with Aaron Blockmon and Trey Sanders, plus the additions of Andre Davis and Ricky Brown. We have some great competition at that position. The guy that I love is Jonathan Brown. He is a guy that may not have all of the athletic ability, but he has grit, and that's what it's all about. I'm a big fan."

TIGHT END

The Camels bring four big targets at tight end, led by junior Austin Fleming, who caught 21 passes last season, one for a

touchdown. Shawn Millsap, Michael Jorgenson and Andy Eddins will also contribute.

"From top to bottom, I think we have the best four guys in the conference," said Minter. "They're going to be very important in what we're trying to do on the offensive side of the ball. Austin Fleming made a name for himself last year, and Shawn Millsap and Michael Jorgenson are both big targets."

RUNNING BACKS

At the running back position, juniors De'Shawn Jones and Jared Joyner will carry the load. Jones is the team's leading returning rusher with 395 yards and one touchdown as a sophomore, while Joyner (435 all-purpose yards, four touchdowns) will step in after being used primarily as a third down option in 2014.

"We have two really solid options there," said Minter. "The light has turned on for De'Shawn. He wants it. He looks like a big time back. I look forward to big things out of him. Jared Joyner has turned himself into a running back after being a third down specialist for us last year. We have two monsters back there and we're going to feed them."

FULLBACK

CU benefits from two unique and effective options at fullback with Justus Hoffmann and Dalton Dillon. Dillon is a two-time All-PFL selection at fullback, collecting 188 all-purpose yards with a touchdown as a junior.

"Justus Hoffmann is a monster when it comes to blocking," said Minter. "Dalton Dillon is such a great versatile weapon at fullback. Not many fullbacks in the country can do what he does, so he's incredibly valuable for us."

QUARTERBACK

Under center, the Camels return redshirt sophomore David Salmon, who will compete with fifth-year senior Appalachian State transfer Kameron Bryant.

Salmon passed for 745 yards in a backup role for the team a year ago, throwing for 336 yards at Marist, second most in a single game in CU history, in his first career start. Bryant, meanwhile, started 10 games for the Mountaineers in three seasons. "There's a big competition there between Kam Bryant and David Salmon," said Minter. "Bryant has the upper hand with all the experience. He played at a high level at Appalachian State, starting and winning big games. No situation is going to be too big for him. He's a natural born leader. Salmon has probably worked harder than anyone else in the offseason. He has really worked to get the nuances of the position. We know he has the talent. He can make all the throws. It's now about leadership and composure; understanding the little things. I think he's worked really hard in the offseason to understand that."

SPECIAL TEAMS

Campbell returns two of its three primary specialists in sophomore kicker Mitchell Brown and redshirt senior long snapper Daniel Dillon. Brown tied the Campbell single season field goals made record with nine as a freshman, converting 34-of-35 extra points. The Camels will cope with the loss of Adam Lutz, the program's all-time yards per punt average record holder (40.58). "Adam Lutz is a big loss for us," said Minter of his First Team All-PFL punter. "He was such a solid, steady guys for us. Brad Dennis has a big leg, and we'll look to him to fill some big shoes. Mitchell Brown comes back and gives us some stability in the field goal game. Danny Dillon also returns as our long snapper. I'm looking forward to him getting that first long snapper all-conference honor. The leadership that he brings to the table has just been huge for our special teams."

OVERVIEW

Campbell is poised to take another step forward in Minter's third season at the helm. The Camels competed for the PFL crown in 2014 just two years removed from a one-win season.

The defense, anchored by Awuruonye and Milhouse on the line, will lead the way for a big, athletic and speedy group.

"I think people will be surprised about the size and speed of our team," said Minter. "The unity this group has is also important. When you have unity on a team, when everyone is on the same page, you feel that before you come out of the locker room. When we come out on the football field on September 3, you're going to see a unified football team with a lot of speed and a lot of size."

"It's going to be about how we handle winning," said Minter. "We're in that phase right now, a team that will learn how to handle winning. The way you handle that is to stay focused on the process. You don't get caught up in winning four in a row like we did last year. You stay in the moment, in the process every day. We've created what a perfect, masterpiece day looks like, and we want to create masterpieces every day. That's our goal. I've put a list of things together of what a masterpiece looks like every day. Every day when you wake up, that's what you need to be focused on, nothing else. If you do that, then at the end of the day, you are going to be a champion."

Campbell kicks off the 2015 season at Barker-Lane Stadium on Thursday night, Sept. 3 against Pikeville. The game will be the first of a six game home schedule for the Camels, who will play four times under the lights in Buies Creek, plus a 4 p.m. Homecoming kickoff against Morehead State and a 1 p.m. regular season finale against Jacksonville.

"I've been ready for the start of the season since we walked off the field at Dayton," said Minter. "I'm very excited to get started because this is going to be a special year. It's going to be special because of what we've put in, the focus and the determination of finishing."

MIKE MINTER
Head Coach
3rd year
Nebraska '97

Former Carolina Panthers standout and Nebraska Football Hall of Famer Mike Minter heads into his third season as head football coach at Campbell University in 2015.

2014, the CU Football program's seventh overall and second under Minter's direction, saw the Camels notch their second-most total and conference wins at 5-7 overall and 4-4 in PFL play. A school record seven Camels, plus eight honorable mentions, were named to the 2014 All-Pioneer Football League teams, including four first teamers. Eight CU student-athletes, with six first team members, were tabbed PFL All-Academic.

In Minter's first season as head coach at CU, the Camels set 21 offensive team records, including rushing yards (2,800), passing yards (2,436), and total offense (5,236). The Camels also established four defensive marks, including sacks (27), and posted three team records on special teams.

Campbell finished the year with a 47-14 win at PFL and in-state rival Davidson, capping off a 3-9 campaign.

Senior Kurt Odom became Campbell's first football All-America selection, earning Third Team honors from the Sports Network. Odom was also named First Team All-PFL while seven Camels took home honorable mention nods. Odom, along with Adam Lutz, Ben Bolling and Hunter Somerville were also First Team Academic All-PFL. Michael Rudisill and Lucas Smith both earned Second Team honors.

In May 2014, CU quarterback Brian Hudson signed a contract with the Canadian Football League's Calgary Stampeders.

The quarterback from Stafford, Va. played his lone season at

Campbell in 2013 after transferring from Liberty. Hudson set Campbell single-season records for rushing yards, rushing attempts, pass completions, passing yards, passing touchdowns, passing yards per game, total offense and all-purpose yards, earning Honorable Mention All-PFL accolades.

Hudson ranked sixth in the PFL in rushing and total offense, setting a school for rushing yards by a quarterback with 168 against Morehead State, and posting Campbell's longest run from scrimmage, 80 yards, against Jacksonville. The PFL Academic Honor Roll member also recorded 340 yards passing against Marist and

33 completions against Mercer, both school records.

Minter picked up his first win as a collegiate head coach in his home debut as the Camels cruised to a 56-21 triumph over UVA-Wise.

Minter, a member of two national championship teams at Nebraska and the Panthers' 2003 Super Bowl squad, joined the Fighting Camel program after serving as assistant coach at Liberty University in 2012 and Johnson C. Smith University in 2011. He also brought head coaching experience from First Assembly Christian School in Concord, where he guided his teams to 33 victories and two state titles in three seasons.

During his 10-year NFL career, Minter earned a starting safety role six games into his rookie year in 1997, and held that position until he retired after the 2006 season. A second-round draft choice, he helped lead the Panthers to three playoff trips, the 2003 NFC Championship and a berth in Super Bowl XXXVII.

In the Super Bowl against the New England Patriots, Minter suffered a broken left foot in the third quarter, but remained in the game and collected a career-high 18 tackles. At the time of his retirement, he held Panthers franchise records for starts (141), consecutive starts (94), fumble recoveries (11) and interceptions returned for touchdowns (4).

At Liberty, Minter worked as special teams coordinator/assistant defensive coach under head coach Turner Gill. He mentored three 2012 Big South all-conference performers in long snapper Richard Wright, place kicker John Lunsford and punter Grant Bowden.

Liberty finished the regular season ranked No. 4 in the country in kickoff return yardage defense, allowing only 14.04 yards per return. The Flames also finished 38th nationally in kickoff returns (21.3 yards).

In addition to his on-field coaching responsibilities at Liberty, Minter was involved in many aspects of the Flames operation.

He helped run the scout team in practice, served as liaison with the athletic training and weight room staffs, and reviewed team members' academic achievement weekly with the Associate A.D. for Academic Affairs.

His primary recruiting territories focused on North Carolina, South Carolina, Oklahoma, Kansas, Nebraska and Colorado.

During his time at Johnson C. Smith, Minter helped the Golden Bulls dramatically improve in many phases of the game. Under his guidance as assistant head coach, defensive passing game coordinator and special teams coordinator, JCSU ranked fifth in the nation in punt return yardage in 2011.

The Golden Bulls also finished the season with 24 turnovers caused (which tripled the previous year's total) and won Pioneer Bowl XIII 35-33 over Miles College for the program's first-ever bowl victory.

Minter was a two-time national champion at Nebraska (1994 and 1995) where he played linebacker, free safety and strong safety for the Cornhuskers. He was a three-time all-conference performer and was inducted into the Nebraska Football Hall of Fame in 2006. He graduated in 1997 with a Bachelor of Science degree in engineering.

Born Jan. 15, 1974, in Cleveland, Ohio, Minter led the State of Oklahoma in rushing yards (1,589) as a senior at Lawton High School in 1991. He was an all-state performer, National Honor Society member and also averaged 21 points per game on the Lawton basketball team.

In addition to playing and coaching football, Minter is CEO of Minter Enterprises, a multi-faceted business impacting real estate development, general contracting and construction, business consultation, publishing, public speaking engagements and a non-profit organization focused on youth development.

Minter and his wife Kim have four children – Michael Jr., Isaiah, McKenna and Brianna.

LANDON MARIANI
Offensive Coordinator / Quarterbacks
9th year
North Carolina '04

Landon Mariani begins his ninth year at Campbell and third as offensive coordinator, also coaching the Camel quarterbacks.

In his two seasons as offensive coordinator, Mariani has orchestrated the top two passing seasons in Campbell history, throwing for more than 2,200 yards each.

In his first season as the Camels' offensive coordinator, the program set 21 offensive team records, including rushing yards (2,800), passing yards (2,436), and total offense (5,236).

Senior Kurt Odom became Campbell's first football All-America selection, earning Third Team honors from the Sports Network. Odom was also named First Team All-PFL while seven Camels took home honorable mention nods, including three on the offensive unit.

In May 2014, CU quarterback Brian Hudson signed a contract with the Canadian Football League's Calgary Stampeders.

The quarterback from Stafford, Va. played his lone season at Campbell in 2013 after transferring from Liberty. Hudson set Campbell single-season records for rushing yards, rushing attempts, pass completions, passing yards, passing touchdowns, passing yards per game, total offense and all-purpose yards, earning Honorable Mention All-PFL accolades.

Hudson ranked sixth in the PFL in rushing and total offense, setting a school for rushing yards by a quarterback with 168 against Morehead State, and posting Campbell's longest run from scrimmage, 80 yards, against Jacksonville. The PFL Academic Honor Roll member also recorded 340 yards passing against Marist and 33 completions against Mercer, both school records.

Hudson became Campbell's second football player to sign a professional contract, following quarterback Daniel Polk, who played for the Stuttgart Scorpions in Germany in 2011.

In 2014, Mariani coached a record number of All-PFL selections for the Camels, including Will Sawyer (first team offensive line), Dalton Dillon (first team fullback), Jabri Ridenhour (honorable mention wide receiver), Dalton Brown (honorable mention offensive line), Josh Hutto (honorable mention offensive line) and Dakota Wolf (honorable mention quarterback).

Dalton Dillon, Will Sawyer, Hunter Somerville and Dakota Wolf were all named First Team Academic All-PFL, while Ben Bolling was named to the Second Team.

Under Mariani's guidance, Dakota Wolf ended his career as Campbell's all-time leader in rushing touchdowns, pass attempts, pass completions, yards of total offense, touchdowns responsible for and total touchdowns scored following the 2014 season.

Mariani was elevated to offensive coordinator in December of 2012 after serving as the program's passing game and special teams coordinator for five years.

In 2012, Mariani's quarterbacks set program records both through the air and on the ground. Dakota Wolf led the team in rushing with 617 yards, setting a new school quarterback record and ranking third on the all-time list. Braden Smith also produced Campbell's first 300-plus yard passing game, throwing for a CU record 336 yards in the team's season opener.

A former player and coach at the University of North Carolina, Mariani's passing game posted a banner year in 2011, setting modern day program records in passing yards, completions, attempts, touchdowns, completions percentage, pass efficiency and passing yards per game.

In his first season under center, Braden Smith set single season school records for yards passing, completions, attempts and touchdown passes, earning a pair of Pioneer Football League Player of the Week accolades in 2011.

The first of Smith's back to back weekly league honors came after Campbell defeated San Diego 48-24 behind his four touchdowns. Smith rushed for three scores, also accounting for one through the air as the Rockwall, Texas native converted 16 pass attempts.

Smith's second PFL Player of the Week honor came after Campbell's triple overtime thriller at Davidson, with the signal caller leading the Camels back from a 17-3 four quarter deficit. Smith led the Camels to a pair of scoring drives late in regulation before scoring again in the third overtime.

Mariani's work with the CU quarterbacks also played major dividends in 2010. Daniel Polk led the team and ranked third in the conference with 12 rushing scores. Polk also threw for eight more touchdowns, totaled 558 rushing yards and passed for 1,263 yards. He became the first CU player to top 1,800 yards in total offense in consecutive seasons. Overall, the Campbell quarterbacks completed 126 passes for 1,263 yards and eight scores. The position also ran for 604 yards and 12 touchdowns in Campbell's dual threat offense.

Mariani's quarterbacks completed 137 passes for 1,674 yards and threw nine touchdown passes on the 2009 season for the Fighting Camels. CU quarterbacks also accounted for over 500 yards rushing and another four scores on the ground. The Campbell passing attack set a school record with 283 passing yards against Methodist. Matt Vollono set a new Campbell individual record with four passing scores. Among his four passing touchdowns was a school-record 85 yard pass to Carl Blain.

Mariani joined the Camels after two seasons at Coastal Carolina where he coached the tight ends and assisted with video coordination. During his final season with the Chanticleers he coached tight end Rodney Burgess to First Team All-Big South honors after an 18 catch, 300 yard season. Burgess was also selected to The State's South Carolina All-State Team and was an Honorable Mention All-American selection by Don Hansen's Football Gazette in his final campaign under Mariani's tutelage. Coastal won two Big South Championships during Mariani's tenure and earned a spot in the NCAA FCS Playoffs in 2006.

Prior to his two years at Coastal, Mariani spend one year at his alma mater as the offensive video assistant. A 2004 graduate of North Carolina, Mariani was a quarterback for four seasons with the Tar Heels, including the 2001 squad that defeated Auburn in the Peach Bowl. Mariani was the Tar Heels' signal caller his final three seasons and after walking on to the team he was awarded a scholarship his senior year. Mariani was also named one of the game captains on Senior Day against Duke.

A three-sport standout at Freedom High School in Morganton, N.C., Mariani earned his bachelor's degree in exercise and sport science from UNC in 2004.

Mariani is married to the former Katie Finnigan of Raleigh, N.C. The couple resides in Fuquay-Varina, N.C. and have a daughter, Elle.

Kevin Thompson enters his third season as Campbell's offensive line coach.

In 2014, Thompson coached three Campbell offensive linemen to All-PFL selections, including First Team member Will Sawyer at left guard. Senior center Dalton Brown and freshman right tackle Josh Hutto were also honorable mentions.

In his first season as the Camels' offensive line coach, the program set 21 offensive team records, including rushing yards (2,800), passing yards (2,436), and total offense (5,236).

Center Dalton Brown and left guard Will Sawyer also picked up honorable mention nods on the offensive line for the Camels, helping Campbell rank second in the PFL in rushing offense at 233.2 yards per game. The Camels ran for more than 200 yards five times in 2013, including a school record 513 in a win over UVa.-Wise. CU also passed for more than 275 yards four times.

Thompson, a 20 year coaching veteran throughout the Southeast, came to Buies Creek after spending four seasons at Johnson C. Smith University, where he served as associate head coach and offensive line coach, while also handling the Golden Bulls' equipment duties.

Over his final two seasons at Johnson C. Smith, Thompson helped guide the Bulls to back to back winning records for the first time in 40 years. The team also concluded the season on a four-game winning streak, its longest since 1996.

Behind Thompson's line, quarterback Keahn Wallace set the mark for most passing yards in a single-season at JCSU with 2,280, and Dedrick Anderson became the Golden Bulls' first 1,000-yard rusher since 1991.

During the Golden Bulls' Pioneer Bowl championship run in 2011, Thompson constructed an offensive line that allowed JCSU to total 3,881 yards of offense. His o-line also protected quarterback Keahn Wallace, who produced 2,005 yards through the air and a record 473 yards on the ground.

Thompson began coaching at his alma mater, Savannah State University. As a player, Thompson's offensive unit paved the way for both of SSU's all-time leading rushers. In 1992, his team made the NCAA Division II playoffs and was ranked eighth in the country. That same year saw Thompson gain honorable mention accolades from the SIAC. Thompson earned second team honors on the 1994 All-SIAC list.

Thompson began coaching at SSU in 1995 as a student assistant and took over the Tigers offensive line in 1996. From SSU, Thompson followed his old coach Bill Davis to JCSU. Under Thompson's tutelage, the offensive line at JCSU led the way for the CIAA Offensive Player of the Year and leading rusher in 2000.

Thompson moved on to Livingstone College in 2003. While at Livingstone, his offensive line opened holes for the conference all-purpose yard getter in 2004, giving up only 10 sacks the entire season. Thompson would also send one of his linemen to the All-CIAA ranks both years at Livingstone.

In 2005, Thompson joined the coaching staff at Florida A&M University. While at FAMU, his o-line led the way for the 2005 leading rusher in the MEAC. In 2007, his line would make way for the Offensive Rookie of the Year who was second in the MEAC in rushing.

After leaving FAMU, Thompson became the offensive line coach at Lane College before returning to JCSU.

A native of Decatur, Ga., he attended McNair Sr. High School in Atlanta, and graduated from Savannah State in 1996 with a bachelor's degree in Criminal Justice. Thompson and his wife, Tennile Simms, have two children Kevin, Jr. and Kaylen.

Alongside Minter, Morris helped the Flames win six of its last seven games, finishing the season in a three-way tie for first place with Stony Brook and Coastal Carolina in the conference standings, with each program posting a 5-1 record in Big South play.

Liberty capped off its 2012 home slate with a 28-14 victory over No. 6/8 Stony Brook on Nov. 10, marking the highest ranked opponent the Flames have defeated in program history. 13 Flames went on to earn All-Big South honors.

CAMPBELL UNIVERSITY

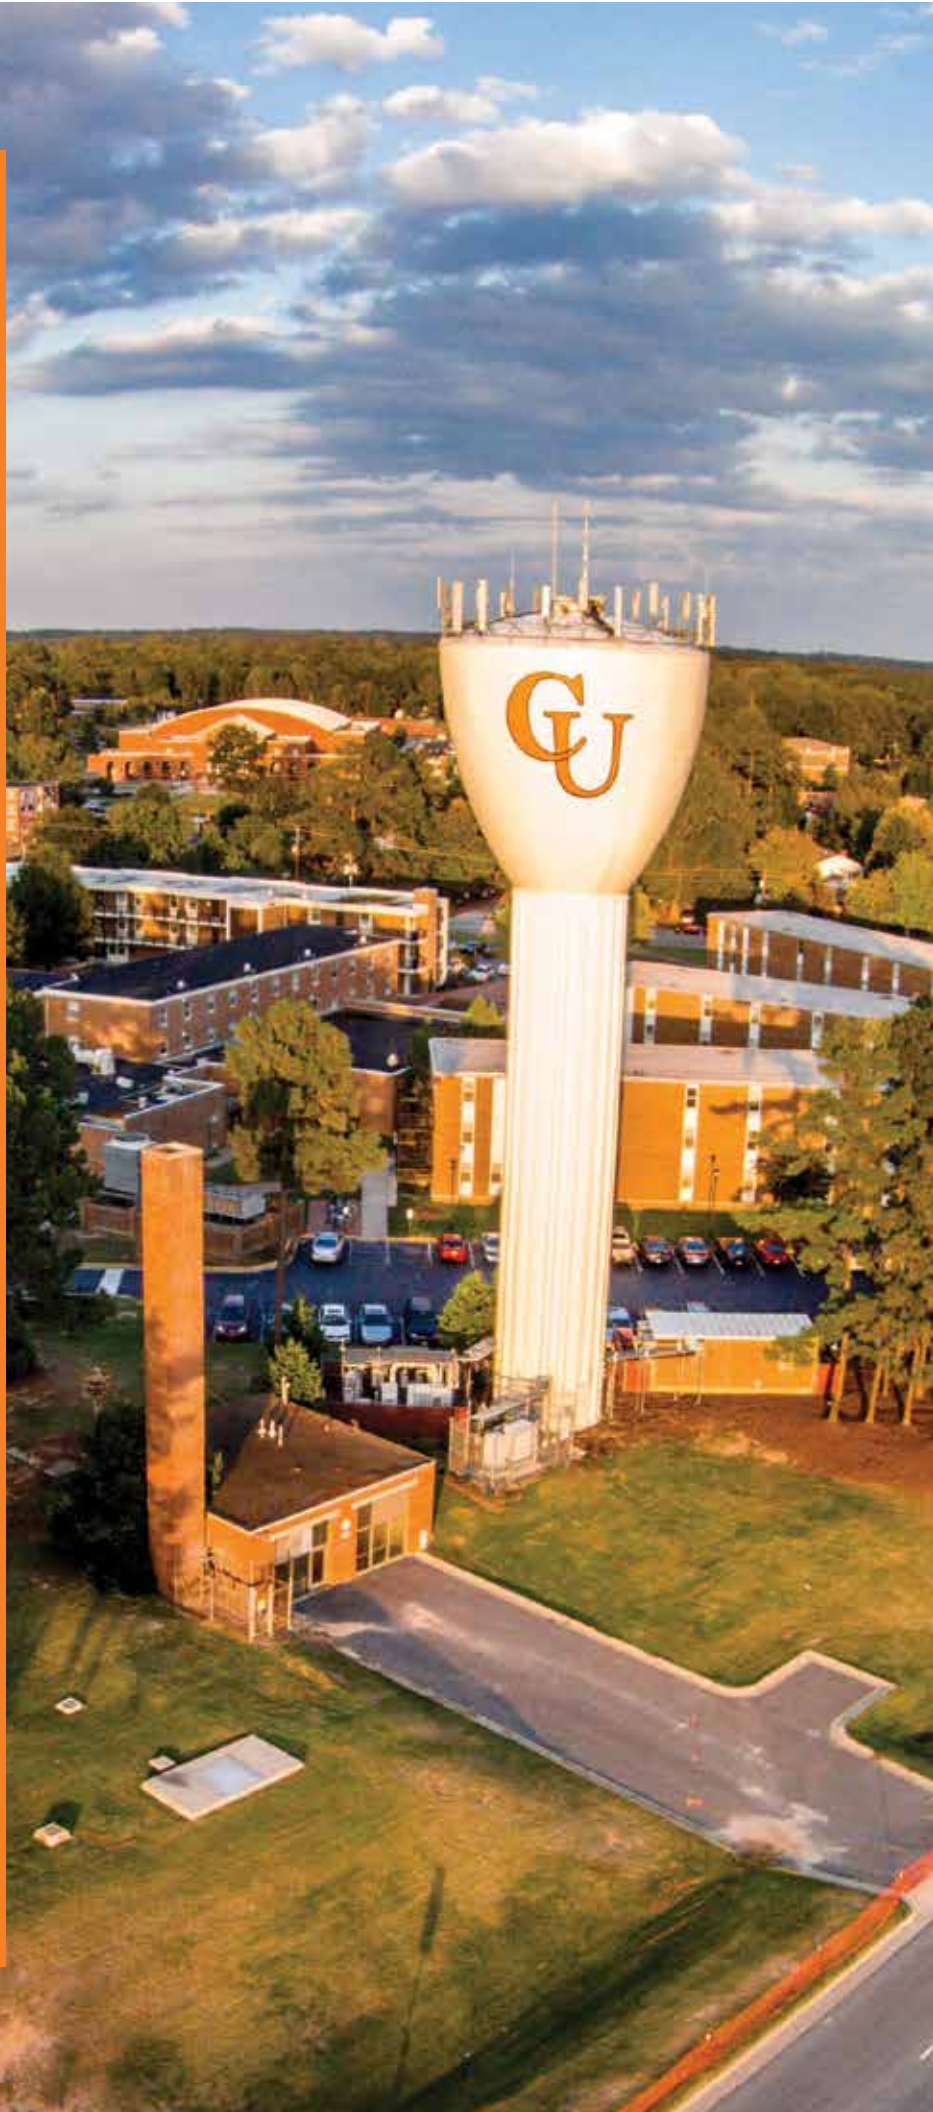

On Jan. 5, 1887, James Archibald Campbell, a 26-year-old Baptist minister, welcomed 16 students to a small church in Buies Creek, North Carolina, for the first day of classes for the school he founded: Buies Creek Academy. By the end of the first term, there were 92 students.

Since then, Buies Creek Academy has evolved to become Campbell Junior College (1926), Campbell College (1961), and Campbell University (1979). Throughout these transformations, the university has remained true to its founding principles to address the most pressing needs of North Carolina and to educate men and women for Christian service around the world.

A testimony to how these founding principles still guide Campbell University today is the establishment of three new schools in the last two years. Campbell launched the School of Osteopathic Medicine — North Carolina's first new medical school in over 35 years — in 2013. In 2016, it will open the doors to its eighth and ninth schools, nursing and engineering.

They join Campbell's other established schools — College of Arts & Sciences, the Norman Adrian Wiggins School of Law (1976), the Lundy-Fetterman School of Business (1983), the School of Education (1985), the College of Pharmacy & Health Sciences (1985) and the Divinity School (1996). In addition to its main campus in Buies Creek, Campbell University has extended campuses in the Research Triangle Park, Camp Lejeune, Fort Bragg/Pope Air Force Base, and Raleigh, where the law school relocated to in 2009.

Today, Campbell University enrolls nearly 6,500 students, including more than 4,500 undergraduate and graduate students on its main campus. They're studying across nearly 100 disciplines in the liberal arts, health sciences and professions — and continuing the university's tradition of excellence in faith, learning, and service.

UNIVERSITY PRESIDENT DR. J. BRADLEY CREED

Bradley Creed was elected as the fifth president of Campbell University Jan. 2, 2015. Creed, an accomplished leader of mission-driven institutions and a nationally-recognized historian of religion, was unanimously approved by the Campbell University Board of Trustees during a special session.

Prior to assuming his duties on July 1, 2015, Creed served as Provost and Executive Vice President and Professor of Religion at Samford University. Before his appointment at Samford, he served as dean of The George W. Truett Seminary at Baylor University.

records in the face of declining trends nationwide and opened the first medical school in North Carolina in 35 years in 2013. Campbell has also added four other health degree programs over the past five years (nursing, physical therapy, physician assistant, and public health). The Board of Trustees recently approved establishing Campbell's eighth school -- the School of Engineering -- as well as a Doctor of Occupational Therapy degree program. Both programs are expected to begin enrolling students in fall 2016, pending approval by accrediting agencies.

"I am grateful for the opportunity to serve as the fifth president of Campbell University. I thank the Board of Trustees for the confidence they have placed in me for this strategic role, and I am genuinely enthusiastic about the future of this exceptional institution of higher education," said Dr. Creed. "Because of the quality and dedication of the Board of Trustees, the commitment of a stellar faculty, and the outstanding leadership of President Wallace, Campbell is blessed with a strong foundation and is unusually poised for additional growth and remarkable accomplishments in the days ahead."

A Jacksonville, Texas, native, Creed received a Bachelor of Arts in Religion from Baylor University, graduating cum laude. He earned his Master of Divinity and Doctor of Philosophy degrees from Southwestern Baptist Theological Seminary in Fort Worth, Texas. He pursued further study in Harvard University's Management Development Program and in the Spanish language program at Academia Hispano Americano in Mexico.

Creed has led multiple transformational initiatives during his time at Samford, including the launch of the College of Health Sciences in 2013. He also played a key role in strategic enrollment efforts designed to increase the size, retention, and academic quality of the undergraduate student body. During his time as provost, Samford achieved the highest graduation rate of any college or university in Alabama and saw the average ACT score of its incoming students increase by a full point.

Creed and his wife, Kathy Harton, were well known on the Samford campus for welcoming students into their home and look forward to continuing the tradition at Campbell. The Creeds have been married since 1980 and have three children: Caitlin Elizabeth (1987-2007), Charles Vernon, and Carrie Grace.

DIRECTOR OF ATHLETICS BOB ROLLER

Since taking over as Director of Athletics at Campbell University in July 2011, Bob Roller has led a department that has reached new heights in academics, facility construction, fund raising and competition.

Under his watch, 652 of Campbell's NCAA Division I student-athletes over the last three years have recorded an overall grade-point average of better than 3.0 during the academic year.

In the past four years, the funding and construction for the completion of the West grandstand and state-of-the-art press box at Barker-Lane Stadium for football and lacrosse has been completed.

Jim Perry Stadium was constructed in 2013 and named for the CU alum and major league all-star. Since its dedication, the Camels have won two Big South baseball championships and earned a spot in the 2014 NCAA Columbia Regional.

Amanda Littlejohn Stadium, home of the Campbell softball team, was opened in 2012. During that same year, Roller helped lead the fund-raising drive that saw the construction of lights at Barker-Lane Stadium and dedication ceremonies for the new Irwin Belk Track and Clarence Roberts Field.

A new strength training facility at Barker-Lane Stadium was completed during the 2014-15 year and plans are in the works to add a new clubhouse and office complex at Jim Perry Stadium

In his tenure, Roller has hired Mike Minter as head football coach and Kevin McGeehan to lead the men's basketball program.

The Campbell women's golf team made back-to-back trips to the NCAA Championship in 2014 and 2015.

Roller was the driving force behind the creation of The CAMMY'S, Campbell's multi-media awards show for student-athletes. Working directly with the Student-Athlete Advisory Committee, the CAMMY'S has become widely recognized as one of the finest events of its kind.

Campbell athletes have also donated more than 18,000 hours in community service around the Buies Creek area over the past four academic years.

Introduced on July 20, 2011 as the fourth A.D. of Campbell's Division I era (since 1977-78), Roller joined the Fighting Camel staff after spending more than 11 years as Director of Athletics at Samford University. While at the Birmingham, Ala., school, he oversaw one of the most exciting periods of growth in the history of Samford athletics.

During his tenure at Samford, the entire facilities landscape of the campus was transformed. New athletics venues were built for men's and women's basketball, volleyball, baseball, tennis, soccer, track and field and a football field house and strength and conditioning center were funded and constructed.

Roller arrived at Samford in 1997 to direct the Samford Athletic Foundation. During his first two years, the foundation saw record growth in individual and corporate donations to the university's athletics programs. Roller held that position until May 1999, when then-President Thomas E. Corts named him to the top position within the athletics department.

In the summer of 2003, Roller was elected to the prestigious executive committee of the National Association of Collegiate Directors of Athletics [NACDA] to serve a four-year term. He joined athletics directors from Kansas State, Stanford, Army and Clemson on the governing committee that oversees the activities of the 6,000-plus member organization.

In 2006, Roller was named national chairman of the Learfield Sports Directors' Cup Committee for NACDA. The Directors' Cup is awarded to the top universities in NCAA Division I, II, III and NAIA for overall athletics success throughout the inter-collegiate season.

Prior to his tenure at Samford, Roller was vice president of AdCraft Sports Marketing in Louisville, Ky., for seven years. During that time, he helped create the Sears Collegiate Champions program, which honors all champions of men's and women's sports throughout the nation at every level of college athletics.

While with AdCraft, a division of Host Communications, Inc., Roller created and managed a publishing division and helped launch NCAA Football USA, which involved promotion, licensing and merchandising for college football programs at all levels of intercollegiate athletics.

Roller was director of communications for the Orange Bowl Committee in Miami, Fla., from 1988 to 1991. He was with the Orange Bowl when Federal Express became its first title sponsor in 1989.

The Pearisburg, Va., native began his career in sports information. He earned his degree from Virginia Tech in 1983 and worked as a student assistant in the sports information office for four years. He was the sports information director at UNC Wilmington and East Carolina University from 1983 to 1988. While at UNC Wilmington, Roller was also executive director of the university's athletics fund-raising program.

Roller, 54, who holds a master's degree in education administration from Samford, is married to the former Carolyn Keller. He has one son, Brad, and three stepchildren – Kerstin, Kyle and Karrah.

CAMPBELL

ATHLETICS

ATHLETIC TRAINING

CU's Athletic Training staff offers all Fighting Camel student-athletes the best available medical care for athletic injuries. They design and implement programs to prevent, manage and treat athletic injuries. They also supervise injury rehabilitation programs that are designed to return the athlete to athletic activity as quickly and safely as possible.

The athletic training services program is directed by head athletic trainer Jackie Knight, four assistant athletic trainers and five interns/graduate assistant athletic trainers.

In addition, the staff also provides hands on experience to a number of students majoring in athletic training. These students are enrolled in a challenging academic major that not only requires that they make the grade in the classroom but also must excel in real-life situations.

The education program is directed by Catherine Simonson. The Athletic Training staff also works closely team physicians, Dr. Bill Hage and Dr. Richard Slusher of Triangle Orthopedics in Raleigh and Dr. Michael Hart and Dr. Kristin Clarey of Cary Family Practice and Sports Medicine to provide quality physician services to student-athletes. They also have a team chiropractor in Dr. David Bradham of Bradham Chiropractic in Erwin. Other allied health care needs available within the athletic training services program include optometry, dentistry, and sports massage.

STRENGTH AND CONDITIONING

The Campbell University strength and conditioning facilities are located at the John W. Pope Jr. Convocation Center in the Burns Strength and Conditioning Center.

Although specific strength and conditioning programs are designed for each sport, the basic goal is the same – to help athletes increase their full potential in: strength, speed, flexibility, endurance and ultimately sports performance, while decreasing the likelihood of injury.

Workouts are designed and implemented by Andrew Carter, who is in his third year as head strength and conditioning coach. The Campbell University Baseball Strength and Conditioning Program, in particular, is designed to utilize a combination of speed and strength development set out to prepare the Campbell baseball players to take the field in the best possible shape both mentally and physically.

The program uses several different methods of training focusing primarily on Olympic Weight Lifting aimed at developing strength, speed, and explosion. The program also incorporates a speed program aimed at increasing acceleration and multi-directional speed.

Carter also spends time with each basketball student-athlete to ensure they are meeting nutritional needs on a daily basis. Campbell's strength and conditioning program has an ultimate goal of helping the student-athlete to reach their maximum physical potential, in order to better prepare student-athletes in competition.

STUDENT-ATHLETE SUPPORT

The Campbell Athletics Department is committed to academic excellence and to promoting student-athlete welfare through the broad-based Student-Athlete Support Program. Under the guidance of Malinda Ashcraft, Associate A.D. for Academic Services, programs are available that provide opportunities for student-athletes to grow academically, socially, spiritually, emotionally and physically.

The Student-Athlete Support Program was created to assist student-athletes with a number of issues ranging from the development of personal responsibility and educational goals to addressing personal and social problems that are unique to the Division I student-athlete.

Some of the services offered through the Student-Athlete Support Program are the Individual Study Plan program, tutorial sessions, study halls, one-on-one academic advising, Student-Athlete Advisory Committee, NCAA Life Skills and other academic support services.

The Academic Support Center is the focal point of the program. The center is open seven days a week with flexible hours designed to accommodate the busy schedule of a student-athlete. The center has been designed to serve as an optimal learning environment, while providing the student-athlete with all the tools necessary to achieve academic success.

The center is equipped with several computer work stations, individual study carrels, and areas for monitored group study and tutorial work. Tutorial sessions of different subject areas are provided several times a week.

THE FIGHTING CAMEL

Many stories exist as to the origin of the nickname "Fighting Camels" and the adoption of a camel as the mascot of Campbell University athletic teams. To date, there is still uncertainty as to why the unique mascot (only one other school in the United States -- and none in Division I -- has the nickname "Camels") was chosen.

According to historian J. Winston Pearce, author of "Campbell College, Big Miracle in Little Buies Creek," the nickname's origin perhaps stretches back to the turn of the century when all but one of the school's original buildings were destroyed by fire. In the aftermath, Z.T. Kivett visited the school's founder and president, Dr. James Archibald Campbell, at his residence.

As Dr. Campbell bemoaned the fate of the institution he had worked 13 years to build, Mr. Kivett encouraged him, "Your name's Campbell; then get a hump on you! We've got work to do." Dr. Campbell thought that Mr. Kivett said, "You're a camel, get a hump on you." Hence the nomadic nickname.

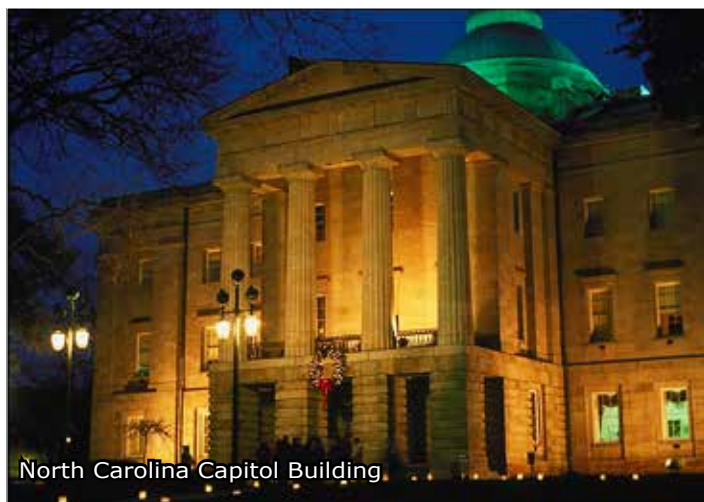

Campbell's athletic teams were originally named the "Hornets." Copies of Creek Pebbles, the school newspaper, in the 1920s and 1930s described the teams as "Hornets." Other references to the athletic teams were "The Campbells" or the "Campbellites." Although an official date is unknown, the changing of the mascot to a camel came in late 1933 or early 1934.

There is no explanation why the nickname was changed to Camels, only this one sentence was printed in the Jan. 13, 1934 issue of Creek Pebbles: "Eight new men were recently initiated into Campbell's monogram club, which has changed its name from 'Hornets' to 'Camels.'" From that point on, all Campbell athletic teams have proudly worn the Camel mascot.

The 2015 season marks the 22nd year of competition for the Pioneer Football League – the nation’s only non-athletic scholarship NCAA Football Championship Subdivision conference.

The PFL is one of only two conferences that sponsor football as its only sport (the Missouri Valley Football Conference being the other). However, the PFL is a truly national conference with members on each coast and throughout the nation’s heartland. The league still retains four of its charter members – Butler Dayton, Drake and Valparaiso.

The University San Diego joined in 1992, followed in 2001 by Davidson College, Jacksonville University and Morehead State University. In 2008, Campbell became the ninth member school.

The league expanded to 10 members in 2009 with Marist College joining the league’s ranks. Mercer and Stetson joined the PFL in 2013 to increase membership to 12. Mercer then left the PFL to join the Southern Conference in 2014.

On Aug. 2, 2012, an NCAA executive committee passed a proposal to expand the NCAA Football Championship Subdivision playoffs from 20 to 24 teams and include an automatic qualifier for the PFL champion.

The league played an end of the season playoff game against the regular season champion in the Northeast Conference (NEC) from 2006-09 with the PFL winning three of those four contests.

Butler won a tie-breaker with Marist in 2013 for the right to represent the PFL in the NCAA FCS play-offs. San Diego secured the automatic berth in 2014.

In January 1991 the NCAA passed legislation to require Division I institutions to sponsor all intercollegiate sports at the Division I level. The five charter members (Evansville was the fifth before dropping football in 1997), each dedicated to the enhancement and sound management of intercollegiate football as an integral part of the student-athletes’ collegiate experience, joined together to form the Pioneer Football League. From the league’s inception it has been a proponent of the creation of a non-scholarship football classification within Division I and adopted the moniker of Pioneer based on the intent to become the first league in that new division.

The PFL is comprised of NCAA Division I universities that previously sponsored intercollegiate football at other levels with the exception of Jacksonville, which started a non-scholarship program in 1998, and Campbell, which began play in 2008. All are currently committed to the non-scholarship football model.

The PFL began play in 1993 with Dayton winning the league’s first crown. The league spent its first season in 1993 under the administrative guidance of the Midwestern Collegiate Conference, and the office moved to St. Louis in 1994 when current commissioner Patty Viverito was named the PFL commissioner, a leadership position she continues to fill.

CAMPBELL FOOTBALL HISTORY

Campbell has a football history that dates back to 1925 when the school fielded its first varsity team. That team led by coaches Edge and Baker went 3-1-1 including the historic first 7-0 victory over Carthage. The details of some of early teams remains sketchy but it is known that the 1929 team, under the direction of Coach Bob Hays, posted Campbell's first-ever state championship with a 5-2-1 record.

Campbell continued to be a program to account for and posted a state junior college championship in 1932 under the guidance of Coach S.O. Brandon. The third state title came in 1939 when Campbell tied both Belmont Abbey and Brevard.

With World War II in full swing Campbell made the decision to suspend football play from 1940-45 until the war came to an end. When CU resumed play the Camels continued to win. The team won the 1946 and 1948 North Carolina Junior College State Championships and finished as the runner-up in 1947 all under the direction of Coach Earl Smith.

The 1947 team lost to South Georgia 46-7 to finish as the runner-up for the Eastern United States Junior College Championship. One year later in 1948, Campbell won the North Carolina title, but fell to familiar foe South Georgia 26-19 in the Eastern U.S. Championship.

With the on-set of the Korean Conflict and the movement of many North Carolina schools to senior college status in the 1950's, Campbell dropped its varsity football program after the 1950 season until the present day.

In August 2004, Campbell first began to explore, by way of a feasibility study, the possibility of adding non-athletic scholarship football as a varsity sport. When results came back as something that should be pursued CU made the official announcement on April 7, 2006 that football was coming back to the Creek as varsity sport in time for the 2008 season. It was decided that the program would compete at the NCAA Football Championship Subdivision (non-scholarship) level.

Campbell's administration then began the task of searching for a conference affiliation that would embrace both the athletic demands as well as the high academic standards

that Campbell has been built upon. In 2006, the Camels formally submitted a bid to join the Pioneer Football League.

On June 15, 2006 Dale Steele was named head coach and began to assemble his staff and his first signing class in 2007.

Steele and his staff continued their preparation for the 2008 season by conducting the team's first official football practice in more than 50 years on August 28, 2007 with more than 100 players participating.

The Campbell football team worked through the fall and held a two-hour intra-squad on October 20, 2007, the first official football game in the modern era, for the Homecoming/Parents' Day celebration. The Camels wrapped up their fall practices on November 17, 2007 with another scrimmage at Lee Senior High School in Sanford.

The Pioneer Football League formally accepted Campbell's application for the 2008 season on December 5, 2007. That day also served as the official unveiling of the 2008 game schedule.

After years of planning and waiting, the Camels were finally able to take the field on August 30, 2008 with a contest against Birmingham-Southern College. In front of overflowing crowd of 5,845 CU lost a hard-fought 12-6 game.

The 2009 football schedule saw Campbell win a pair of firsts at home. The Camels won the team's first-ever home game in a thrilling

48-28 season opening come-from-behind victory over Methodist on Sept. 5.

Campbell's football produced another historic first with the team's first win in Pioneer Football League play with a 31-22 victory over Morehead State on Oct. 31. The team also won its first on the road in league play with a 17-3 decision at Valparaiso on Nov. 14.

2011 marked a banner year for the CU football program, with the team producing its first winning season since its re-launch. The Camels finished 6-5 overall and 5-3 in PFL play, leading the conference in rushing for the third straight year and placing 11 on all-conference teams.

On November 27, 2012, former Carolina Panthers standout Mike Minter was named head coach of the Fighting Camel program.

Under the direction of Minter, the Camels went 3-9 overall in 2013, finishing the year with a 47-14 win at rival Davidson. Four of CU's six PFL losses came by 10, or fewer, points. Campbell set 28 team records. Senior Kurt Odom became the program's first football All-America selection, earning third team honors at fullback from The Sports Network.

The 2014 Camels recorded the program's second-highest overall (5-7) and league (4-4) win totals in its Division I era (since 2008). A school record seven Camels, plus eight honorable mentions, were named to the 2014 All-PFL teams, including four first teamers.
