HI, WE'RE MSU DENVER

We know that old habits die hard, and we slip once in a while, too, but the official name of our institution is **Metropolitan State University of Denver**. You can also refer to us as **MSU Denver**. Those are the only names our institution should be recognized as. We realize the distinction is small, but it is our university's position that we are no longer to be called Metro State. Your respect in referring to us by our official name is greatly appreciated.

STARTING STRONG

By opening the season at 6-1-1 in non-conference play, and 7-1-2 overall, the MSU Denver men's soccer team matched its best start to a season since the 2000 team won its first nine games before losing.

Roadrunners teams have started 6-1-1 three other times since 2000 -- in 2007, 2008 and 2010 -- but none of those teams posted a win in their ninth game. The 2008 team lost to drop to 6-2-1, while the 2007 and 2010 teams tied to move to 6-1-2. Both the 2007 and 2010 teams also opened 7-1-2.

MR. OCTOBERS

When the calendar turns to October, particularly late October, look out for the MSU Denver men's soccer team.

In 2021, the Roadrunners went 4-0-1 down the stretch earn a spot in the Rocky Mountain Athletic Conference Tournament. Since the 2020 season was played in the spring due to the COVID-19 pandemic, the last time MSU Denver played in October was in 2019 -- the Roadrunners went 6-1 down the stretch (including 5-0 after Oct. 18) and just missed the RMAC party.

Combined, MSU Denver is 8-0-1 in regular-season RMAC games after Oct. 18 the past two fall seasons.

THE 'A' TEAM COMES THROUGH

MSU Denver relied upon the 'A' Team for its 4-1 men's soccer win over Adams State.

Adan Perez, Alec Nguyen, Aidan Bates and Aaron Biggerstaff -- all of whom have a first name starting with the letter A -- took care of the goals that helped the Roadrunners improve to 4-1-1 for the season.

Alec Rodriguez didn't get on the scoresheet, but he does have one goal this season.

BATES MOTEL

Yes, it's a TV movie and series based on the location of a classic horror film, and yes Aidan Bates has terrified opponents since joining MSU in 2021, his first with MSU Denver after transferring from Division I Green Bay.

The gifted forward, a former Gatorade High School Player of the Year in the state of Kansas,

scored 10 goals in 2021, including five of MSU Denver's eight game-winners.

While scoring three goals so far this season, Bates' teammates are now cashing in on the opportunities he creates -- he has four assists in 2022 after having none in 2021.

A D2CCA All-South Central Region second team selection and All-RMAC first team choice, Bates finished second in the RMAC and 44th in NCAA Division II in goals (10) in 2021, and he led the RMAC and ranked eighth in Division II in game-winning goals.

Among his other exploits, he set a school record for fastest goal at the start of a game, scoring 25 seconds into the Sept. 29, 2021, game at Regis to break Scott Grode's 2003 school record of 29 seconds.

Bates has two game-winning goals already in 2022, and he's tied for 10th in program history with seven career game-winners despite playing only 34 games thus far.

RED HOT CHILES

It's actually pronounced Chiles (like Child and not like a pepper), but MSU Denver's Bryson Chiles turned in some savory play all season long in 2021, especially after moving to outside back near the season's midway point. He's back in the midfield again in 2022 and he hasn't slowed down his production.

A D2CCA All-South Central Region second team selection and All-RMAC second team pick, he was also named to the CoSIDA Academic All-District 6 first team.

For the 2021 season, he was second in the RMAC in both assists (nine) and assists per game (0.47) to rank 18th and 29th, respectively, in those categories in NCAA Division II. His assist total tied for 10th in program history for a single season, while his assists-per-game average is 10th-best ever in a single season for an MSU Denver player.

In league play, he tied for first in the RMAC with six assists and ranked second with 0.55 assists per game.

In 2022, Chiles has two goals and two assists thus far. His second goal was the game-winner at Fort Lewis on Sept. 18.

MR. BIG(GERSTAFF)

Sophomore forward Aaron Biggerstaff, an All-RMAC honorable selection in 2021, heated up late in the season and hasn't slowed down since.

He picked up where he left off in the opening weekend of the 2022 season, scoring a goal in each game against San Francisco State and Cal State Monterey Bay, and he now has four goals for the season.

In 13 games dating to the last six games of 2021 through the first seven of 2022, Biggerstaff had points in nine games, with six goals and four assists in that time frame.

HEAD COACH NICK KIRCHHOF

Nick Kirchof, a national champion as a player and a two-time national champion as an assistant coach, was named the new men's soccer coach at MSU Denver on Dec. 28, 2020, and began charting a course to lead MSU Denver back to the top of the Rocky Mountain Athletic Conference.

Kirchof led the Roadrunners to a 4-0-1 finish in the final five games of the regular season in 2021, as the team qualified for the RMAC Tournament for the first time since 2018. The Roadrunners were 8-9-2 overall and 5-4-1 in the RMAC, good for fifth place. Transfer forward Aidan Bates earned All-RMAC first team recognition, and both Bates and defender Bryson Chiles made the D2CCA All-South Central Region second team. Chiles was an All-RMAC second team selection, while forward Aaron Biggerstaff earned All-RMAC honorable mention. Chiles also earned CoSIDA Academic All-District 6 recognition.

Inheriting a freshman-heavy team just two months before the season was scheduled to start, Kirchof guided the Roadrunners to a 2-5 record, including 2-4 in Rocky Mountain Athletic Conference play, as the 2020-21 season took place in the spring due to the COVID-19 pandemic. True freshman Adan Perez earned All-RMAC honorable mention recognition, and true freshman Biggerstaff led the team with two goals in the seven-game season.

THE KIRCHHOF FILE

2008-10	Asst. Coach	Colorado Mesa
2011	Dir. of Ops.	Denver
2012-16	Asst. Coach	Stanford
2020-	Head Coach	MSU Denver

Kirchof spent five seasons as an assistant coach at Stanford, helping the Cardinal to national titles in both 2015 and 2016. As a player, Kirchof got plenty of experience with the Rocky Mountain Athletic Conference during his four-year career at Fort Lewis, where he played in two Division II national championship games, including a victory in 2005.

While with the Cardinal, Kirchof played an integral role in Stanford's rise among the nation's elite while on the staff of his former college coach, Jeremy Gunn. Stanford won the program's first of three straight national championships in 2015 when the Cardinal routed Clemson, 4-0. Stanford repeated as champions in 2016, defeating Wake Forest O-O (PKs 5-4).

In the 2016 NCAA tournament, the Cardinal did not concede a goal. The program also won three straight PAC-12 Men's Soccer Championships and appeared in four NCAA tournaments.

Kirchof helped develop numerous All-Americans, a Hermann Trophy winner, two MLS Rookie of the Year award winners, multiple MLS homegrown signees, MLS Superdraft picks, an MLS Cup Champion and three US Men's National Team.

The Cardinal went 65-23-16 (.702) with Kirchof on staff, including a 46-8-11 (.792) combined mark in his final three seasons. On the heels of Stanford's first national championship, Jordan Morris became the first MAC Hermann Trophy winner in program history and signed the most anticipated Homegrown Player contract in MLS history when he signed with the Seattle Sounders.

Before joining Stanford, Kirchof was the University of Denver's director of men's soccer operations for the 2011 season after spending three seasons as an assistant coach at Colorado Mesa of the RMAC.

As a student-athlete at Fort Lewis, Kirchof played for Skyhawks teams that went to the national tournament each year, winning the title in 2005 while earning national runner-up in 2006. Fort Lewis won three RMAC regular-season titles and three RMAC Tournament Championships during his career. In his final season, Kirchof led the Skyhawks to a 15-6-1 mark and was named the RMAC Tournament Most Valuable Player.
