“WE ARE REALIZING OUR SHARED MISSION OF EDUCATING AND DEVELOPING YOUNG PEOPLE INTO ACHIEVERS AND LEADERS WHO MAINTAIN PERSPECTIVE, HUMILITY, THE WILL AND THE SKILLS TO CONTINUE THEIR GROWTH BEYOND LEHIGH.”

# MESSAGE

## FROM THE DEAN OF ATHLETICS

## ATHLETICS PARTNERS,

Once again, the 2012-2013 academic and athletic year demonstrated that we are realizing our shared mission of educating and developing young people into achievers and leaders who maintain perspective, humility, the will and the skills to continue their growth beyond Lehigh. I'm proud of the devoted work by our staff and I'm grateful for the continued support of so many alumni, parents and friends, without whom our commitment to taking on this noble mission would not be possible.

For some, the evidence is recognized in our competitive results: five Patriot League championships, three teams that finished their seasons ranked in the top 25 nationally, the Patriot League Presidents Cup award for men's sports (for the second year in a row), and 16 major individual awards from the Patriot League, including five Coach of the Year honors.

For others, the evidence exists in our academic results: 11 teams recognized for distinctive academic achievements, three student-athletes named Patriot League Scholar-Athlete of the Year for their sport, average GPAs and graduation rates at the same levels as the student body, and 295 student-athletes (47%) who earned recognition on the Patriot League Academic Honor Roll (for 3.2 GPAs or better).

Still others look at the positive impact our student-athletes and teams have on others through service and leadership initiatives. Consider that 342 student athletes (54%) participated in 70 service programs, raising more than \$30,000 for charity and reaching nearly 6,000 area youth. There were more than 100 workshops on specific leadership skills conducted for almost 350 student-athletes, contributing to the recognition of Lehigh student-athletes for exceptional leadership by the University and the Patriot League (where Lehigh student-athletes received the top male and female leadership awards for the second year in a row).

No matter which results might be more compelling, all of these outcomes reflect a sincere commitment to our fundamental mission—advancing student-athlete learning and personal growth, and developing leadership capabilities through the conduct of

highly competitive and successful athletics programs and the mentoring of an exceptional staff of educators. However, this mission is not one that can be fulfilled in a way that enables us to move on to a next set of challenges. Each year, one quarter of our student-athlete population starts anew, and the rest of the cohort confronts the opportunities and stresses of a new stage of growth, leadership, and competition. As a result, the challenge of facilitating learning is a process that is constant and requires renewed focus and renewed commitment annually.

We graduated some truly exceptional athletes (nine Lehigh student-athletes in the class of '13 signed professional contracts in their sports!), as well as some exceptional leaders last year. Our educational challenge is to develop those who are returning in ways that not only compensate for the inevitable losses, but that enable us to envision achieving at even loftier levels. This year, we also confront the financial challenge of having less to spend, because our 2012-2013 year Athletics Partnership efforts did not attain anticipated results. Though our entrepreneurial activities produced increased revenues, the gains were not large enough to meet our full budget expectations. So, if we aspire to maintain or advance our performance, particularly against a competitive field that also is working hard to advance, we must remain committed to continuous improvement in every way possible, including the constant drive to grow our sources of funds.

We hope you will join us in this journey. Our Athletics Partners have been the heart that has pumped vital resources through our enterprise, fueling the achievements of our past. We have faith that, with a slightly more consistent level of commitment (from year to year) and where possible, slightly elevated participation levels, we will find our way to even more distinctive achievements as we work to develop the next generation of leaders.

With appreciation and motivation,

# Celebrating CHAMPIONS

WHETHER ON THE FIELD, COURT, OR THE COURSE, LEHIGH'S ATHLETIC TEAMS REACHED TREMENDOUS HEIGHTS IN 2012-2013. THE MOUNTAIN HAWKS WON FIVE PATRIOT LEAGUE TITLES.

## MEN'S TENNIS

The men's tennis team aced the Patriot League finals, winning the conference crown for the first time ever.

The Mountain Hawks, who previously reached the league final in 2011, captured a berth in the NCAA Tournament for the first time in Lehigh history.

"We came so close two years ago," coach Wouter Hendrix said. "Last year was a learning experience with a young team. We worked a lot on our fitness and creating a winning culture. I'm not really surprised. I thought we had a good team. We earned this, and as the first championship in school history it's something the whole team can be very proud of for a long time."

Matt Savran was named the tournament's Most Valuable Player. The senior co-captain was undefeated against Patriot League opponents in singles throughout the season.

## MEN'S LACROSSE

Like a proud papa, men's lacrosse coach Kevin Cassese beamed in the moments following his team's second straight Patriot League championship.

"I'm so thrilled for our team, so thrilled for my guys, thrilled for our seniors," Cassese said following the Mountain Hawks' 11-5 win over Bucknell. "It was a very emotional 48 hours for us. I think the key was our guys playing on pure emotion. They were hungry. They showed a lot of heart, a lot of guts. It had nothing to do with X's and O's; it was just their will to win."

Senior David DiMaria scored two goals and notched three assists to finish with 10 points for the tournament and earn MVP honors. Lehigh became the first team since Navy in 2006-2007 to win back-to-back Patriot League titles.

## WOMEN'S GOLF

For the first time in its history, the Patriot League held a championship women's golf tournament.

Lehigh made itself right at home. The Mountain Hawks dominated the event, taking the team and individual crowns. Senior Chelsea Michalek posted a five-stroke victory to become the first Patriot League individual medalist. She shot a final round 76 to finish at 17 over par, and was named the first Patriot League Player of the Year in women's golf. All six Mountain Hawks finished in the top 11, with senior Ginette Schapira, junior Crystal Lee, and sophomore Kelly Moylan joining Michalek in winning All-Patriot League honors.

Freshman Nicole Feierberg finished eighth overall and was named Patriot League Rookie of the Year. Classmate Tess Jennings finished in 11th place.

## MEN'S CROSS COUNTRY

They'll always remember their first.

The men's cross country team won its first-ever Patriot League championship, edging Navy. Junior co-captain Jimmy Miller crossed the finish line in 25:41.3, good for fourth place. Sophomore Ryan Mahalsky took fifth and junior co-captain Tyler Mueller finished seventh. Lehigh's four All-Patriot League performances were the most in a single season in program history.

"This is a dream come true to see these guys come in and work as hard as they have," coach Todd Etters said. "They put it all out there and it was awesome to be a part of this championship. Jimmy is about as tough as they get mentally and he was ready to go. He put himself in the right position and showed he is capable of some great things."

## MEN'S GOLF

The last time Lehigh's men's golf team won a league title, Tiger Woods had just captured his first Masters.

In April, the Mountain Hawks defeated Navy by seven strokes to win the Patriot League Championship.

Three Lehigh players earned spots on the All-Patriot League teams, while Henry D'Alberto was voted Coach of the Year by his peers. It was Lehigh's third championship in men's golf; D'Alberto was the Most Outstanding Golfer in 1996 when Lehigh won its first title.

"It has been a long time coming," D'Alberto said. "It was a great team effort. We didn't have the individual champion but everyone played solid and everyone contributed. I'm very excited about that."

Junior Alex DiClemente placed third overall. He was joined on the All-League first team by freshman Harley Abrams, who tied for fourth.

## IN THE CLASSROOM

---

AT LEHIGH, THE TERM STUDENT-ATHLETE IS NOT USED LIGHTLY. MOUNTAIN HAWKS ROUTINELY ACHIEVE AS MUCH IN THE CLASSROOM AS THEY DO IN THE COMPETITIVE ARENA, AS EVIDENCED BY THEIR STELLAR ACADEMIC ACCOMPLISHMENTS IN 2012-13.

### ZACH BARKET '13

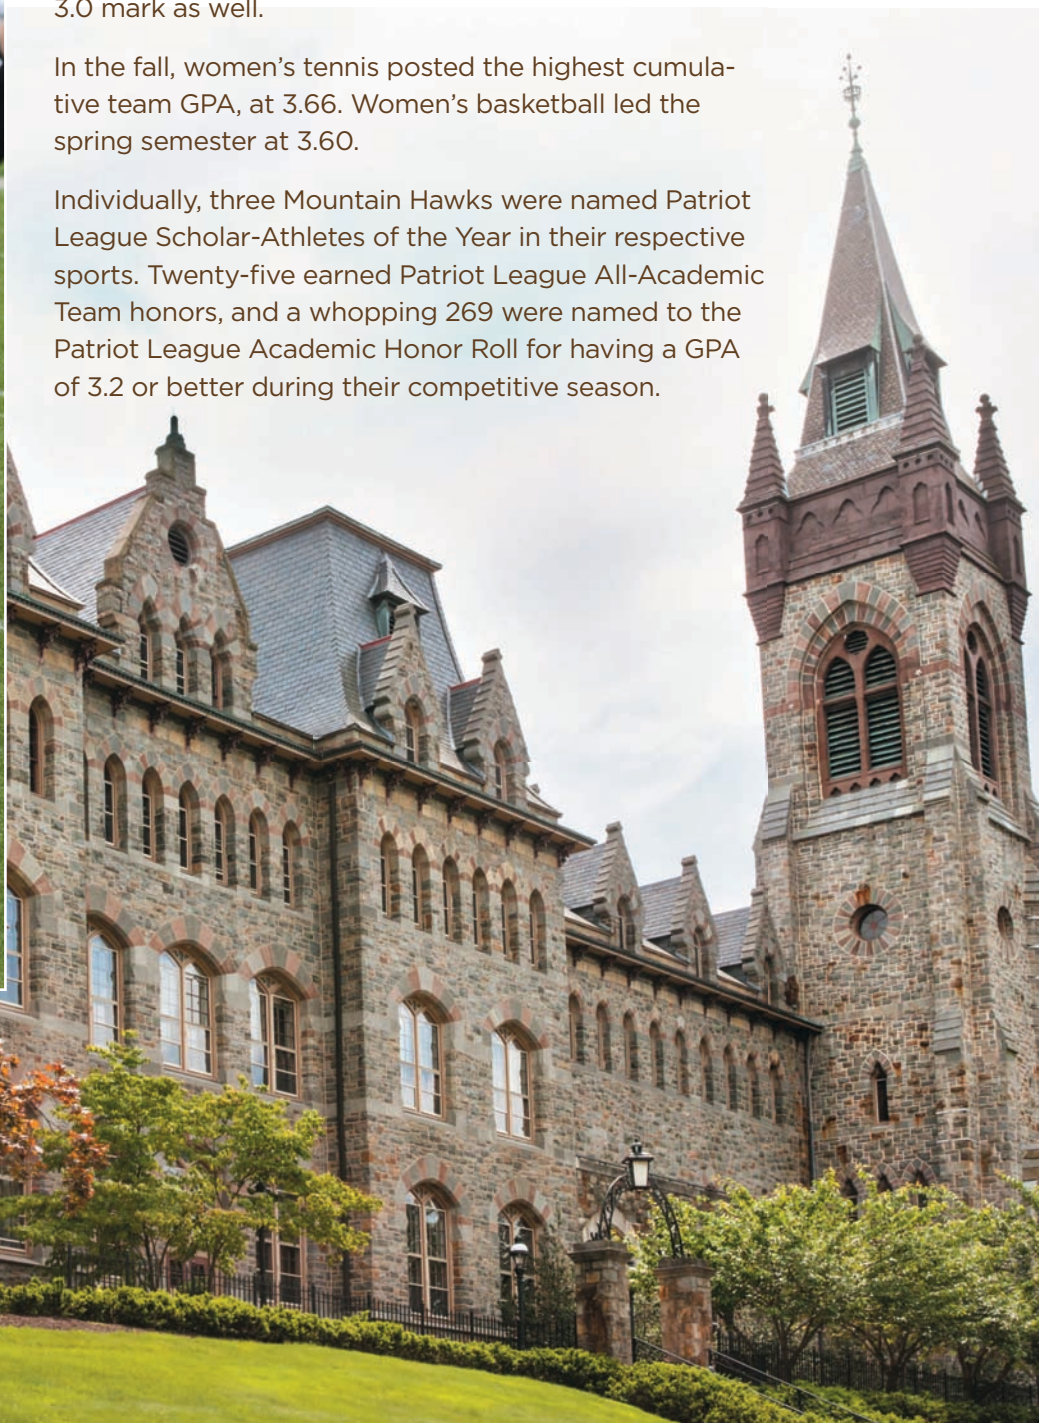

Barket was named to the 15th annual Football Championship Subdivision Athletics Directors Association Academic All-Star Team. One of 54 student-athletes from across the country selected to the team, and one of just five from the Patriot League, he appeared on the FCS ADA Academic All-Star Team for the second-straight season.

The Schuylkill Haven, Pa. native ended the fall semester with a 3.46 cumulative grade point average in accounting, and he was named to the Capital One Academic All-America second team, the first such honor for a Lehigh football player since 1998.

Fourteen of the men's and women's teams posted GPAs of 3.0 or higher in both the fall and spring semesters, and for the entire year the average GPA of the more than 600 student-athletes exceeded the 3.0 mark as well.

In the fall, women's tennis posted the highest cumulative team GPA, at 3.66. Women's basketball led the spring semester at 3.60.

Individually, three Mountain Hawks were named Patriot League Scholar-Athletes of the Year in their respective sports. Twenty-five earned Patriot League All-Academic Team honors, and a whopping 269 were named to the Patriot League Academic Honor Roll for having a GPA of 3.2 or better during their competitive season.

## NINE TEAMS RECEIVE APR PUBLIC RECOGNITION AWARDS

Each year the NCAA hands out Academic Progress Rate Public Recognition Awards to teams scoring in the top 10 percent in their respective sport with their Academic Progress Rate (APR).

Last academic year nine Lehigh teams were recognized: men's basketball, softball, women's cross country, women's golf, women's lacrosse, women's rowing, women's swimming and diving, women's tennis, and volleyball.

Lehigh is one of 62 schools that have received at least one Public Recognition Award in each of the eight years of the program. Six of the eight Patriot League institutions plus future league members Boston University and Loyola (Md.) are on that list as well.

Based on their most recent multi-year Academic Progress Rate, 976 teams nationwide have earned Public Recognition Awards for Division I. By measuring eligibility and retention each semester or quarter, the APR provides a clear picture of the academic culture in each sport. The most recent APRs are multi-year rates based on scores from the 2008-09, 2009-10, 2010-11 and 2011-12 academic years. The 976 teams publicly recognized this year for high achievement represents 594 women's teams and 382 men's or mixed squads. Last year, 954 Division I teams were recognized with APR Public Recognition Awards. Top performing APRs this year ranged from 978 to a perfect 1,000, with the majority of teams earning a perfect APR.

A total of 268 schools (out of 346 Division I colleges and universities) placed at least one team on the top APR list.

## PATRIOT LEAGUE SCHOLAR-ATHLETES OF THE YEAR

**GINETTE SCHAPIRA '13**  
*Women's Golf*

A finance major from Montevideo, Uruguay, Schapira was the Mountain Hawks' top performer in the classroom and on the golf course. She made the Dean's List in each of her first seven semesters at Lehigh, including four semesters in which she registered a perfect 4.0 GPA.

A team captain, Schapira tied for third at the Patriot League Championship with a score of 235. Her stroke average of 80.3 was the third lowest on the team.

**ROSIE ROESSEL '13**  
*Women's Softball*

Call it a dynasty. For the fifth straight year and the ninth time overall, a Lehigh softball player won the Patriot League Scholar-Athlete of the Year.

Roessel is a multi-year member of the Dean's List, and was named to the Academic All-District II team by the College Sports Information Directors of America (CoSIDA).

On the field, Roessel was a three-time All-Patriot League selection. She batted .367 with 39 runs scored and a team-leading 21 stolen bases.

**ANDREW KRENTZ '13**  
*Men's Tennis*

A four-year starter and two-time captain, Krentz captured the award for the second-straight year. He went 14-7 in singles and 16-6 as part of the Mountain Hawks' most successful doubles pairing.

Krentz majored in Lehigh's Integrated Degree in Engineering and Arts and Sciences (IDEAS) program. He was a Dean's List student and a two-year member of the Patriot League Academic Honor Roll. Krentz posted a 4.0 GPA in four of his first semesters.

**BENJAMIN BEAUCHAMP '13**

**A discus thrower and shot putter, Beauchamp was named to the 2012-13 CoSIDA Academic All-District II Team for his outstanding athletic and academic achievements. He competed in four different events at the Patriot League Championships over the course of the indoor and outdoor seasons before ending the spring with a 47.78-meter throw in the discus at the IC4A Championships.**

**An electrical engineering major, Beauchamp's 3.88 cumulative GPA was tied for fifth best among the All-District II team selections. He was selected to the Academic All-Patriot League team for the first time in his career following the outdoor season and was named to the Patriot League Honor Roll last year.**

## BILLY BOYKO '13

One of Lehigh's defensive leaders, Boyko was the Mountain Hawks' top tackler in 2012 with 104 total stops. He made three tackles for loss, registered one sack, and forced two fumbles. Boyko was named Patriot League, ECAC and Sports Network national Defensive Player of the Week after a 14-tackle performance in Lehigh's win at Liberty. His effort also included his first career interception—which he promptly returned 39 yards for a touchdown. Boyko had five double-digit tackle games in 2012 highlighted by a career-high 17 in a November win at Holy Cross.

He won the Archibald Johnston Cup as Lehigh football's Most Outstanding Player. The mechanical engineering major from Northampton, Pa., earned first team All-Patriot League honors, and was named an ECAC All-Star.

# MOUNTAIN HAWK

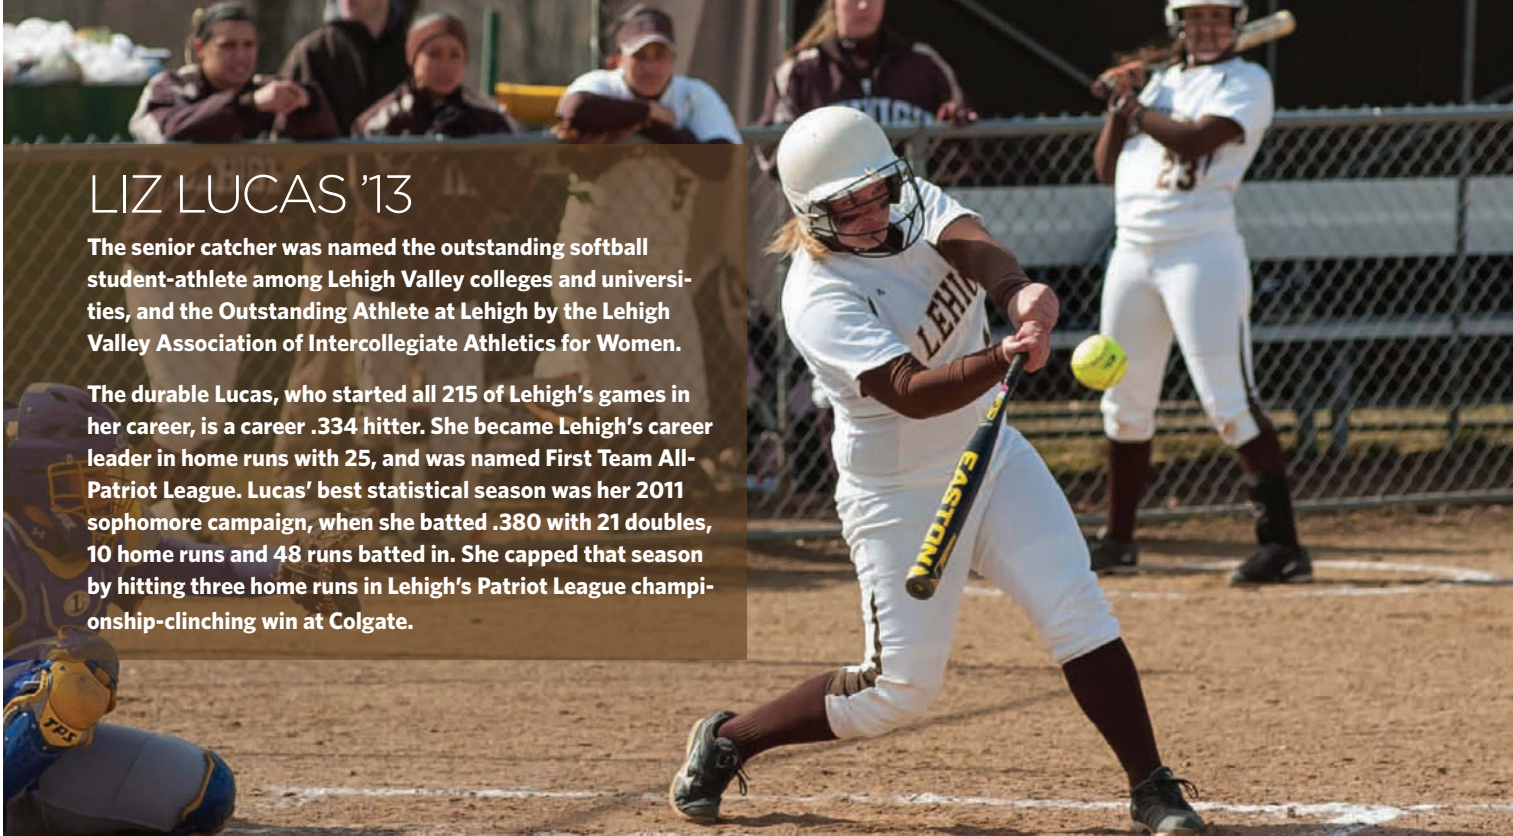

## DAVID DIMARIA '13

A psychology major from Dix Hills, N.Y., DiMaria led the Patriot League in points (73) behind 33 goals and 40 assists. One of just 25 players nationally named as a Tewaaron Award candidate—the highest honor in the sport—he finished the season with four straight games of five or more points, including 11 over the two Patriot League Tournament contests to earn Tournament MVP honors.

DiMaria finished his career with 205 points and leaves as one of the most decorated players in school and league history.

## LIZ LUCAS '13

The senior catcher was named the outstanding softball student-athlete among Lehigh Valley colleges and universities, and the Outstanding Athlete at Lehigh by the Lehigh Valley Association of Intercollegiate Athletics for Women.

The durable Lucas, who started all 215 of Lehigh's games in her career, is a career .334 hitter. She became Lehigh's career leader in home runs with 25, and was named First Team All-Patriot League. Lucas' best statistical season was her 2011 sophomore campaign, when she batted .380 with 21 doubles, 10 home runs and 48 runs batted in. She capped that season by hitting three home runs in Lehigh's Patriot League championship-clinching win at Colgate.

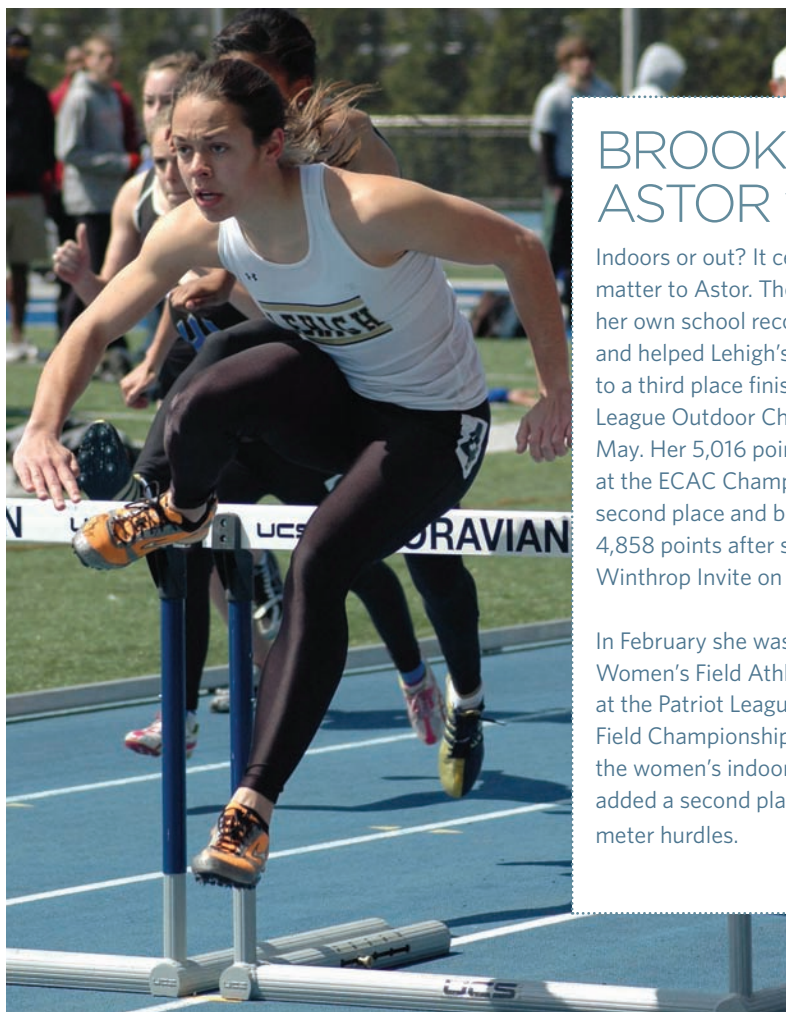

# STANDOUTS

## C.J. McCOLLUM '13

Quite simply, the Canton, Ohio, native is among the greatest athletes ever to compete at Lehigh. Voted a preseason First Team All-American by the Associated Press and Sporting News, McCollum is the Patriot League's all-time leading scorer with 2,361 career points. Heading into the VCU game on Jan. 5, he was leading the nation in scoring. In 12 games, he averaged 23.9 points and 5 rebounds before his season was cut short due to injury.

A journalism major, McCollum posted a stellar 3.69 GPA last fall, after garnering a 3.60 the previous spring to earn a spot on the Dean's List and Patriot League Academic Honor Roll.

In June, McCollum became Lehigh's first-ever men's basketball student-athlete to be selected in the NBA draft when the Portland Trail Blazers picked him 10th overall.

## BROOKE ASTOR '14

Indoors or out? It certainly didn't matter to Astor. The junior shattered her own school record in the heptathlon and helped Lehigh's women's squad to a third place finish at the Patriot League Outdoor Championships in May. Her 5,016 points in the heptathlon at the ECAC Championships put her in second place and beat her old mark of 4,858 points after seven events at the Winthrop Invite on March 29.

In February she was named the Women's Field Athlete of the Meet at the Patriot League Indoor Track and Field Championships, where she won the women's indoor pentathlon and added a second place finish in the 60 meter hurdles.

## CHELSEA MICHALEK '13

The senior capped her Lehigh career by winning individual medalist honors at the inaugural Patriot League Women's Golf Championship. For the season, Michalek led Lehigh with a 79.1 stroke average over 21 rounds. She finished in the top 20 individually in the fall season-opening Bucknell Invitational and led Lehigh at the Yale Invitational in September.

Michalek received a Distinguished Achievement award at Lehigh's annual Convocation Program. In addition to her exploits on the course, Michalek holds a 3.35 cumulative grade point average as a marketing major.

## BECCA BLISS '13

The senior pitcher earned National Fastpitch Coaches Association (NFCA) All-Region honors for the first time in her career after being named Patriot League Pitcher of the Year in 2013. In 173 innings Bliss sported a 20-7 record and a 1.70 earned run average, ranking second in the Patriot League in both wins and ERA.

Bliss continued to dominate conference opposition, going 10-0 in the regular season for the second straight year, and posting a 1.29 ERA. She won her last 21 Patriot League regular season starts dating back to 2011.

For her career, the Escondido, Calif., native was a four-time All-Patriot League selection and a two-time Patriot League Tournament MVP. Bliss tied for second in school history with 65 career victories and ranks second in appearances.

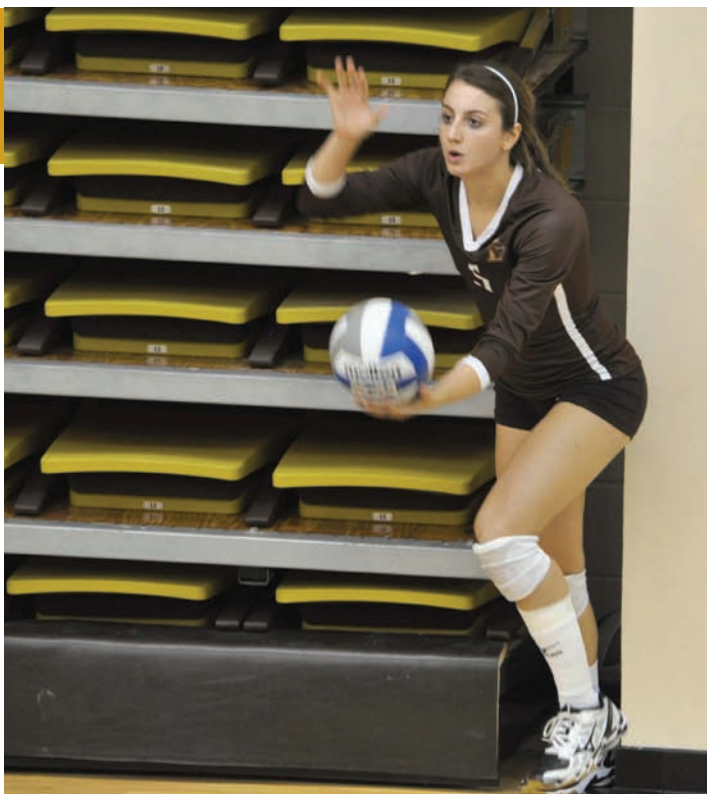

## ROBERT HAMLIN '13

A three-time NCAA All-American, Hamlin finished his career with a 107-22 record, the seventh most wins in school history. He won two EIWA titles and was a four-time NCAA qualifier, finishing second in 2011 and 2013 and placing fourth in 2012.

In the classroom, the Vermont native was named to the National Wrestling Coaches Association's All-Academic Team. He was a Capital One third team at-large Academic All-American in 2012 and graduated with a 3.40 grade point average in Materials Science and Engineering.

## RACHEL CHARLES '14

**Can you dig it? Charles can. The Farmington Hills, Mich., native led the team with 473 digs, finishing second in the Patriot League with a 4.98 digs per set average. Charles also finished second on the team and third in the league with 28 service aces on the season. For her play, she was named the Patriot League's Libero of the Year for the second straight season and earned a second team All-Patriot League selection.**

## E'LANA LEMON '13

Throughout her career, Lemon made sure that when the Patriot League issued its Female Field Athlete of the Week award, there was little drama.

On April 15 she earned her 14th such honor, setting a new overall league record and single season mark. She also won the Patriot League Sportsmanship Award for 2012-13.

The West Orange, N.J., native earned five All-Patriot League honors in her career. Lemon won the weight throw at the 2013 Patriot League Indoor Championships, and was an All-League performer in the 2011 and 2012 indoor seasons. Outdoors, she was All-League in 2012 and 2013 in the hammer throw.

## MORGAN DECKER '16

Experience, some would say, is everything in athletics. Don't tell that to Decker, who pulled off a rare feat by winning both the Patriot League Player of the Year and Rookie of the Year awards.

The Jamison, Pa., native was the Patriot League Triple Crown winner, leading the league in batting average (.415), RBI (46), and home runs (nine). The third baseman became the first Lehigh softball student-athlete to be named ECAC Rookie of the Year.

In the classroom, Decker had a 3.69 grade point average in the College of Arts and Sciences. She was named to the Patriot League Academic Honor Roll.

# SERVING THE COMMUNITY

“COMING THROUGH THE FINISH LINE WAS VERY EMOTIONAL BECAUSE I WAS SO PROUD OF MY MOM AND SO EXCITED FOR ALL THIS” —Kelsey Zeswitz '13

## KELSEY ZESWITZ '13

Throughout her four years as a midfielder on the field hockey team, Kelsey Zeswitz relied on her teammates—and they on her—when facing challenging opponents.

In October, the team came together to support her in a battle off the field.

Zeswitz organized the inaugural Lehigh Valley Fox Trot 5K, in part to raise money for Parkinson's research, and in part to honor her mother, Chrissie, who was diagnosed with the disease in 2010. The event raised \$12,000.

Zeswitz ran the course with her mother, big sister, and one of her best friends.

“Coming through the finish line was very emotional because I was so proud of my mom and so excited for all this,” she said. “She did great. She was so worried about it, but did awe-

some. It was an honor to be able to participate in something like this with her.”

The feeling was mutual.

“I never thought I'd be able to, but it was awesome to come across the finish line with her,” Chrissie said. “I'm very proud.” As a senior, Zeswitz played in all 17 games, starting nine, and was named to the Patriot League Academic Honor Roll. But her biggest accomplishment was organizing the Fox Trot.

Her motivation was clear.

“My mom gave me my love for sports and my love for being active,” she said. “I just really wanted to do something to encourage her and support her while I have access to the resources I have here at Lehigh as a student-athlete.”

## MARLENE FOWLER SERVICE AWARD

Established in 2004, the Marlene (Linny) Fowler Service Award recognizes the top graduating student-athlete (male or female) for making a difference in Lehigh Athletics, Lehigh University, and/or the community.

The winner is selected by the Athletics Department Awards Committee from nominations submitted by a Lehigh Intercollegiate team with the head coach's approval, and other department staff.

### WINNER: LIZ LUCAS '13

A member of Lehigh's Student-Athlete Council and Executive Committee, Lucas has a passion for helping others. A member of the softball team, she was a two-time co-Chair of Lehigh's award-winning C.O.A.C.H. program, and was instrumental in the formation and development of Lehigh's chapter of Student-Athletes Leading Social Change (SALSC), where she served as a two-year captain. Lucas also served the university as a Gryphon, and an admissions fellow.

### RUNNER UP: MARY GRACE DOYLE '13

Doyle was heavily active in Lehigh's Student-Athlete Executive Council, serving as vice president as a junior and president as a senior. A midfielder on the soccer team, Doyle also was a member of Lehigh's Student-Athlete Mentors (SAM) program and started a new on-campus club to promote human trafficking awareness.

### RUNNER UP: ANNA PATTERSON '13

A lacrosse player who majored in sociology and social psychology, Patterson was active in many service initiatives in her time at Lehigh. She spent the last two years as a Student-Athlete Mentor and was heavily involved with Student-Athletes Leading Social Change (SALSC), where she served as co-captain as a senior. As part of SALSC, Patterson traveled to Kenya for service work in the summer of 2012. She was also heavily involved in the Lehigh P.R.I.D.E. program, working as a coordinator and a facilitator.

### WINNER BECKY GUMAN '13

**A team captain as a senior, Guman displayed her leadership by example as a do-everything performer for the Mountain Hawks.** Guman enjoyed the best season of her career competitively, averaging seven points and five rebounds per game. A graduate of every phase of Lehigh's Leadership Academy, Guman interned with Lehigh's Athletics Leadership program in the summer and fall of 2012, when she helped start a new senior leadership initiative.

Guman graduated from Lehigh this past May with a degree in sociology/social psychology. The Allentown, Pa., native played in 122 games during her career and won numerous accolades for her efforts over the course of four years.

After her senior year, Guman was honored with the Patriot League Leadership and Character Award. The award honors those who demonstrate excellence in leadership and service while participating in Patriot League athletics.

## WINNER MIKE COLVIN '13

**The Lehigh football program** enjoyed another strong season in 2012, due largely in part to the leadership of quarterback Mike Colvin. He was both a vocal leader and a leader by example who willed the Mountain Hawks to victory. A team captain, Colvin is a graduate of Lehigh's Leadership Academy.

# COACHING SPOTLIGHT

## PATRIOT LEAGUE COACHES OF THE YEAR

### HENRY D'ALBERTO MEN'S GOLF

When Lehigh won its first Patriot League men's golf title in 1996, Henry D'Alberto was named Most Outstanding Golfer.

After it won its most recent team title, in April on its home course, D'Alberto was voted Patriot League Coach of the Year by his peers.

"It has been a long time coming," he said. "It was a great team effort. We didn't have the individual champion but everyone played solid and everyone contributed. I'm very excited about that. We have a good group of guys who now have a belief that we can win tournaments. Winning three out of eight tournaments, including this one, is a great season for us."

### FRAN TROYAN SOFTBALL

In the world of sports, repeating as the winner of anything is a tough task.

Don't tell that to coach Fran Troyan and his women's softball team. After leading Lehigh to its second straight regular season championship and 18th overall, Troyan was named Patriot League

Coach of the Year for the second season in a row.

Lehigh finished the regular season 35-14-1 overall and 17-3 in the Patriot League. The Mountain Hawks posted a blistering 21-2 record in April en route to another regular season title.

The Coach of the Year award was Troyan's fifth in his 18 seasons coaching Lehigh.

## WOUTER HENDRIX MEN'S TENNIS

What will he do for an encore?

Wouter Hendrix made his first year as head coach a memorable one, directing the Mountain Hawks to an 18-5 record and the program's first Patriot League Tournament Championship. For his efforts, he was named Patriot League Coach of the Year.

Lehigh posted an impressive 11-0 home record in 2013 and went 4-2 in the Patriot League regular season before defeating Holy Cross, Bucknell, and Navy to claim the tournament title. The Mountain Hawks made their first NCAA Tournament appearance.

## MATT UTESCH WOMEN'S INDOOR TRACK & FIELD

Matt Utesch's collection of accolades is growing. Already the owner of Patriot League Coach of the Year honors for men's indoor track and field and women's outdoor, Utesch was named Patriot League Coach of the Year for women's indoor.

The Mountain Hawks won three events through the first two days of competition in February and added two more first place finishes on the final day. The team finished third overall.

"We're very proud of what we did," Utesch said. "We had a ton of champs and All-Patriot League selections, especially in the relays, but eventually came up a little short. I would trade the Coach of the Year awards to get into the top two. It was a stellar performance."

## TODD ETTERS MEN'S CROSS COUNTRY

A young Bill Clinton had just entered the White House the last time Lehigh's men's cross country team finished as high as second at the Patriot League Championships.

Coach Todd Eters led the Mountain Hawks to this year's title, a historic accomplishment that not surprisingly earned him Patriot League Coach of the Year honors.

"This is a dream come true to see these guys come in and work as hard as they have," he said. "They put it all out there and it was awesome to be a part of this championship."

Lehigh's four All-Patriot League performances were the most in a single season in program history, and Eters was the first Lehigh coach to win the award since it was established in 1991.

# LEHIGH IN THE PROS

**C.J. McCOLLUM '13**

**MEN'S BASKETBALL**

June's NBA draft proved historic for C.J. McCollum and the Lehigh men's basketball program. The Mountain Hawk standout was selected by the Portland Trail Blazers with the 10th pick, becoming the first Lehigh men's basketball student-athlete to be drafted.

"The love and support from Lehigh is great," McCollum said. "We've never had an NBA player before. This is a blessing to be in a position where I can represent my home state, my city, Lehigh, and my family."

The Canton, Ohio, native enjoyed one of the finest careers in Patriot League basketball history, amassing a league record 2,361 points in 111 career games. McCollum was the nation's top freshman scorer in 2009-10, when he was named Patriot League Player and Rookie of the Year and led the Mountain Hawks to a league championship. The three-time First Team All-Patriot League selection was named Player of the Year again in 2011-12 as he led Lehigh to its second league title in three years. McCollum helped Lehigh garner national attention by scoring 30 points in the Mountain Hawks' 75-70 upset win over Duke in the second round of the NCAA Tournament.

An honorable mention All-America as a junior, McCollum earned preseason All-America honors from the Associated Press as a senior, a first for a Lehigh basketball player. He started the season strong but was limited to just 12 games after suffering a season-ending foot injury on Jan. 5. McCollum finished his career as the second-ranked scorer in school history, and earned his degree in journalism.

"What a special moment for C.J.," Lehigh head coach Brett Reed said. "For him to have a childhood dream accomplished by becoming an NBA basketball player, it's tremendous. I know he's extremely excited about the next step."

## WILL RACKLEY '11

### FOOTBALL

An offensive lineman, Rackley played in 15 games (starting 14) as a rookie in 2011 before missing the entire 2012 season due to an ankle injury. The third-round draft pick started at left guard for the Jaguars against Kansas City on Sept. 8.

## MEN'S LACROSSE

Lehigh's fingerprints could be found all over Major League Lacrosse this year. In August, twin brothers Cameron and Roman Lao-Gosney '12 led their Hamilton Nationals to MLL's Championship Weekend at PPL Park in Chester, Pa.

In June, former standouts Ryan Snyder '13 and Mike Noone '13 were picked up by MLL teams. Snyder joined the Denver Outlaws, and Noone signed with the Ohio Machine.

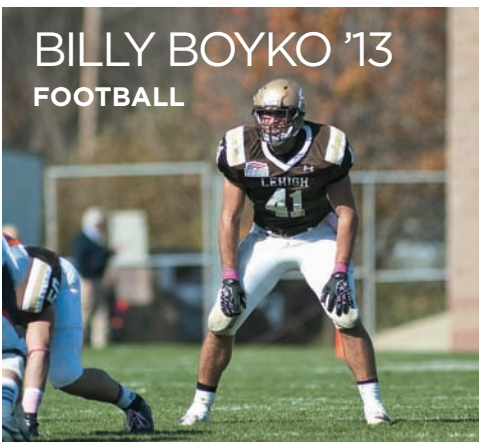

A trio of Mountain Hawks was selected in the 2013 MLL draft. Dante Fantoni '13 was picked 39th overall by the Denver Outlaws, Noah Molnar '13 went 45th to the Rochester Rattlers, and David DiMaria '13 was selected 46th by the Boston Cannons. The Mountain Hawks' three draftees were the most in the Patriot League.

## RYAN SPADOLA '13

### FOOTBALL

After making a splash in the New York Jets' training camp, Spadola made his NFL debut in the Jets' 18-17 win over the Tampa Bay Buccaneers on Sept. 8. Spadola was named a captain for the game and saw significant playing time on special teams as the Jets won on a last-second field goal. Ryan was later released by the Jets and picked up by the Miami Dolphins.

## BILLY BOYKO '13

### FOOTBALL

A four-year letter winner at line-backer, Boyko was a first team All-Patriot League selection and an ECAC All-Star in 2012, which earned him a shot with the NFL's Oakland Raiders in training camp. He led Lehigh with a career-high 104 tackles and added a sack and two forced fumbles last season. Boyko appeared in 42 career games for the brown and white, totaling 183 tackles and 5.5 sacks.

## MATT McBRIDE '06

### BASEBALL

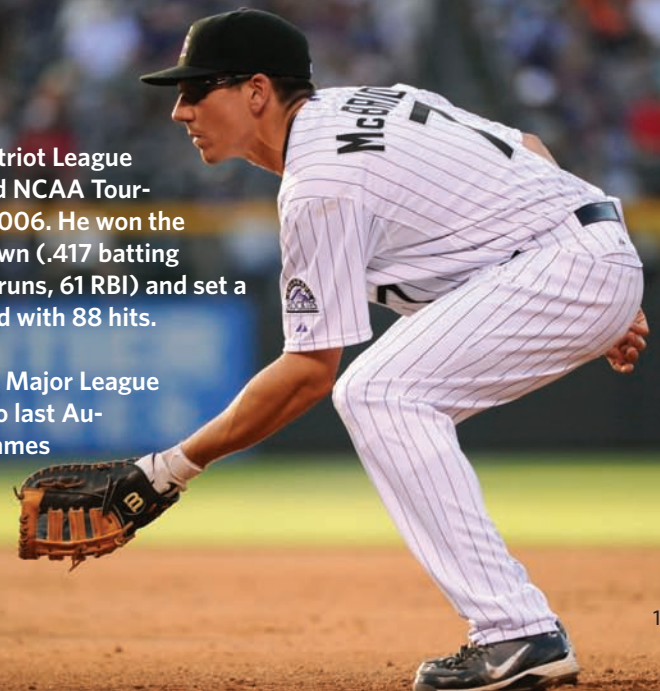

If Matt McBride hadn't played in his first Triple-A All-Star game in 2012, the fact that he missed this year's due to injury would have been much more upsetting.

The Bethlehem, Pa., native enjoyed a tremendous first half of the season for the Colorado Springs Sky Sox, the Triple-A affiliate of the Colorado Rockies. He was named Pacific Coast League Player of the Month for May after leading all of Minor League Baseball with 31 RBI.

As a Mountain Hawk, McBride led Lehigh

to its first-ever Patriot League Championship and NCAA Tournament berth in 2006. He won the league's triple crown (.417 batting average, 12 home runs, 61 RBI) and set a then-league record with 88 hits.

McBride made his Major League debut for Colorado last August, playing 31 games and hitting two home runs.

ATHLETICS  
LEHIGH UNIVERSITY

**CAMPUS ATHLETICS** AIMS TO PROMOTE THE VALUE AND BENEFITS OF TEAM SPORT EXPERIENCES, LIFETIME SPORT SKILLS AND PERSONAL FITNESS THROUGH DIVERSIFIED EDUCATIONAL, PARTICIPATORY, COMPETITIVE, AND INSTRUCTIONAL PROGRAMS FOR THE LEHIGH COMMUNITY

## ON THE MOVE:

### Five questions for Thomas Scott '14

A senior international relations major from Westminster, Md., Scott hasn't stopped moving since his arrival on campus four years ago.

**You've been an active participant in club sports throughout your undergraduate years at Lehigh. What have you enjoyed the most?**

I have been quite active: I have been in the Fencing Club for four years, and served as president for three of those. I am also in the Running Club, and helped keep the club afloat when it was going through hard times. Both are now bigger and better than ever which is exciting to me and great for the Lehigh community.

**How has participating in campus athletics programs helped to enrich your college experience?**

It has provided me the ability to explore my interests outside of my academic field, let me be physically active, and provided critical leadership skills that I would not have picked up otherwise. There is no way to describe how much of an impact it has made.

**How have the programs helped you to make connections and friendships with people that you otherwise probably would never have met?**

Not only does participation in a club sport give you a close group of friends striving for similar goals, but it also introduces you to other campus leaders. For instance, I credit my acceptance into the orientation leader program partly to the connections I made in campus athletics. All of my successes have been because I had motivated people, from all parts of the Lehigh community, helping me.

**Do you think you've grown as a leader? Do you feel more confident in general?**

Certainly, three years of successes and failures as a club leader have shown me my strengths and let me work on correcting my weaknesses. Knowing that I am making a difference and improving

others' college experiences provides me with a lot of the confidence I need to move forward.

**What are your future plans?**

After I use my fifth year at Lehigh under the Presidential Scholars Program (Environmental Policy Program), I will be seeking a master's in international relations, and hopefully working for the Department of State. But life has many twists and turns, so who knows?

# THE ATHLETICS PARTNERSHIP

The mission of the Lehigh Athletics Partnership is to provide a framework and support system that will enable our former student-athletes to remain connected to their programs and all who participated in them. We welcome any and all to join us.

## SPORT-SPECIFIC PARTNERSHIPS

We now have all 18 sport-specific alumni partnership groups (see logos to the right), thanks to the efforts of over 300 athletics alumni volunteer leaders. The goals of these partnership organizations are to:

- communicate more effectively between our sport programs and our alumni
- organize gatherings so that we can keep in touch and celebrate our common experience more often
- provide career mentoring and networking support for our current student-athletes
- financially support our programs to give them a competitive edge on the playing field and to improve the experiences of our student-athletes

Last year, our sport-specific partnerships conducted over 75 events in various cities across the country. These included "Meet the Coach" nights, happy hours, alumni games, career networking sessions with our student-athletes, team reunions, tailgate parties, gatherings at NCAA tournaments, and pro football, baseball, basketball, and lacrosse games. If you would like to be included on future invitation lists, please contact the partnership representatives for the sports you are interested in.

Thank you for partnering with us in supporting our student-athletes! **GO LEHIGH!!**

The Lehigh Athletics Partnership is the community that experiences and supports Lehigh Athletics in its broadest sense. Anyone who ever played a varsity sport at Lehigh and everyone who continues to support Lehigh Athletics by attending contests, wearing Mountain Hawks apparel, following Lehigh athletics, sending their kids to our camps and clinics, attending our awards banquets and other social events, and contributing financially to our operations is our partner, and integral to the success that we achieve.
