## ROY STEWART STADIUM

**Coach Roy Stewart**

### A FOUNDING FATHER OF THE OVC

Part of the group of leaders from six universities that founded the Ohio Valley Conference in 1948, Coach Roy Stewart is remembered as a pioneer in collegiate athletics by the stadium that has bears his name that opened in 1973.

Coach Stewart lead the Racer football program in 12 total seasons from 1932-40, 1942 and again in 1944-45. Now 76 years after his final game as head coach, Roy Stewart's 60 victories is still tied at the top of MSU history for most wins with Coach Bill Ferguson. Inducted into the MSU Hall of Fame in 1971 and the OVC Hall of Fame in 1977, Stewart also served as MSU's athletics director from 1940-66.

HOW IT STARTED

The Racer 1 tradition was started when a horse named "Violet Cactus" first ran the track after a Racer touchdown in 1976. Carol Robertson was the first student jockey. A beautiful gray mare, "Violet Cactus" was a loved pony. She was buried just inside the northwest wall at Stewart Stadium upon her death. A plaque on the stadium's northeast wall tells the story of the first Racer 1. Since 1985, each horse performing at Racer Football has held the name of Racer 1.

The 2021-20 school year is the third for the latest Racer 1. "Vegas", is a former Quarter Horse competitor and an excellent competitive jumper. He's the first Racer 1 bred and born on the Murray State Farm. Madison Kirby is this year's student jockey. She's a Ag Education major and from Louisville.

Racer Athletics wants to thank the Hutson School of Agriculture, Dr. Tony Brannon, Dr. Shea Porr and The Murray Bank for their love, leadership and support of the Racer 1 program.

The Racer 1 program is directed by Dr. Shae Porr, the Associate Dean of the Hutson School of Agriculture at Murray State University
