FROM THE DIRECTOR OF ATHLETICS

Dear Trojan Nation,

It is with great anticipation we start the 2021 Trinity International University softball season and train young student-athletes in developing both on and off the field. It is a privilege to be a part of the Chicagoland Collegiate Athletic Conference, as it is one of the stronger conferences in the NAIA. With this, our student athletes face excellent competition and have the opportunity to grow through adversity and develop skills that they can take with them the rest of their lives.

Trinity is an NAIA school, which means that sport is much more than having success on the field. The NAIA strives to build into student-athletes skills they can take with them for the rest of their lives through their Champions of Character program. At the heart of this program are five core values:

- Integrity
- Respect
- Responsibility
- Sportsmanship
- Servant Leadership

It is our desire for every student-athlete to grow and develop in the core values of the NAIA.

We are also part of the NCCAA (National Christian College Athletic Association) where we believe:

- Athletics are a means to an end, not the end in themselves
- The process is as important as the performance
- The person (student-athlete) is more important than the program

We are committed to equipping student-athletes and coaches to make a positive impact for Christ. Please join us in cheering on our TIU Trojan softball team as they take the field this season.

Thank you for your support, and go Trojans!

In Christ,
Heather Logue
Director of Athletics

TIU SOFTBALL FIELD

Located on the east side of the Meyer Sports Complex, the TIU Softball Field has been the home of the Trojan softball program since its inception in 1974 to 2014, and again beginning in 2021.

After playing their home games in Wheeling for a few years, the TIU Softball Field has undergone a recent restoration to improve the facility, including a restored infield, new bleacher foundations, and new outfield fence wind shields.

The Trojans have won 186 games at the facility since 1974 and have played some of their most memorable seasons on the field, including the 2006 CCAC Tournament runners-up team, and the historic 2007 season which saw TIU qualify for the NCCAA World Series for the first time in program history.

VERNE BARREAU - HEAD COACH

Verne Barreau was named the head coach of the TIU softball program in February of 2019.

In three seasons as head coach, Barreau has led the Trojans to a 40-55 record, including an 16-27 record against CCAC opponents.

Barreau came to TIU after a highly successful coaching and playing career. After playing collegiate baseball at the University of Wisconsin-Platteville, Barreau continued his playing career as a professional fastpitch softball player, playing in multiple international tournaments as well as being named an All-American during his career.

After his playing career Barreau started his own travel softball program, the Badger Blitz, and has been coaching at the U-16 and U-18 level since 2007. As a coach Barreau has had great success, coaching and developing multiple Division I players, two National Championships as well as three National Runner Up finishes.

A native of Cazenovia, Wisconsin, Barreau currently resides in Wisconsin.
