DETROIT

Welcome to an exciting new year

There's nothing like fall at Wayne State University. It's inspiring to see students come to campus — many for the first time — eager to take the next step in their academic and personal journeys. This year is particularly exciting for many reasons.

Perhaps most visibly, several campus additions have created new opportunities to support our students and engage the community. Here's just a glimpse:

- The STEM Innovation Learning Center provides students with access to the latest tools — including a maker space, flexible classrooms and a 3D printing lab — as they explore, experiment and tap into a lifelong passion for science and technology.
- Just down the street, the Wayne State Fieldhouse has brought renewed energy to an already vibrant athletic community. This 70,000-square-foot basketball arena is the new home for Warrior basketball and the Motor City Cruise, and a sports destination for many throughout metro Detroit.
- The Hilberly Gateway continues our long commitment to Detroit's theatre and music scenes. When it's completed next year, this performing arts center will feature state-of-the-art theatres, production facilities and the Gretchen Valade Jazz Center, enriching Detroit's already renowned cultural district.

We continue to develop academic programs that help build Michigan's educated workforce and create leaders ready to embrace the challenges of an ever-evolving world. A great example of this can be seen in the College of Engineering, where programs in artificial intelligence, vehicle electrification, robotics and data science give students an edge in these in-demand disciplines and prepare them to transform the automotive industry.

We remain unwavering in our commitment to an accessible college education, leveraging groundbreaking programs like Warrior Way Back and the Heart of Detroit Tuition Pledge to help students overcome obstacles on their way to success. Through these and other innovative approaches, we will continue our commitment to making a world-class education accessible and affordable.

If it's been a while since you last visited campus, I invite you to come see these changes up close. Also consider subscribing to the Today@Wayne newsletter and following us on social media so you don't miss the great news coming out of Midtown.

I look forward to another year together of being Warrior Strong.

M. Roy Wilson, President

MISSION STATEMENT

Wayne State University believes that intercollegiate athletics are an important and wholesome adjunct to the principal purposes of the University: (1) the advancement of knowledge through research and investigation; and (2) the dissemination of knowledge through teaching. To that end, participants in intercollegiate athletics must be, first and foremost, students whose fundamental aim is to obtain a sound education.

A major mission of the University is to achieve an increasing level of excellence in the quality of its programs and to enhance the visibility and recognition of the University as a whole. Students who participate in intercollegiate athletics are directly involved in the implementation of this mission of excellence, and by such participation, provide a unifying objective of community and University.

Wayne State University believes that a well-balanced program in intercollegiate sports is important so long as it remains in proper focus as an ancillary of the real purposes of the University; so long as it remains under academic control; so long as the players are bona fide students; and so long as the coaches strive to instill qualities of honesty, sportsmanship and clean play.

PRESIDENT M. ROY WILSON

Dr. M. Roy Wilson became the 12th president of Wayne State University on August 1, 2013. Since assuming leadership, President Wilson has pursued his vision to transform the university into the preeminent, public, urban research university known for academic and research excellence.

In Fall 2020, Wayne State admitted its largest incoming class ever, a four percent increase over the prior year.

Wayne State achieved the nation's most-improved graduation rate — a 21-point improvement — from 2012 to 2018. This improvement earned the Association of Public and Land-grant Universities' 2018 Degree Completion Award, which recognizes innovative and successful approaches to improve degree completion and ensure educational quality. Gains were especially pronounced among first-generation, low-income and minority students.

As part of a plan to increase the diversity of Wayne State's campus, President Wilson created the position of Associate Provost for Diversity and Inclusion and Chief Diversity Officer

in 2014. He also created the Office of Multicultural Student Engagement to provide an inclusive environment and promote awareness initiatives that encourage academic success for underrepresented minorities and historically marginalized students.

As a result of efforts to promote the recruitment and retention of those who exemplify our global community and create the best urban clinical experience, the School of Medicine saw a tenfold increase in the number of traditionally underrepresented students from 2014 to 2020.

President Wilson has realigned the university's numerous research divisions to emphasize team science and cluster hiring of scientists. This effort was reflected in the \$90 million IBio multidisciplinary research facility, which opened in 2015.

The university's extramural research funding awards doubled to more than \$320 million from FY 2013 to fiscal year 2021 as the institution reinvigorated its research activities.

President Wilson also developed a strategy to improve the pipeline of underrepresented students trained in the biomedical sciences. As part of this strategy, he formed a coalition of Detroit-based universities and colleges to launch the NIH-funded Building Infrastructure Leading to Diversity (BUILD) Program at the university in 2015. He also launched the Wayne Med-Direct program—which guarantees exceptionally talented high school students from socio-economically disadvantaged backgrounds admission to Wayne State's medical school—to develop the next generation of physician leaders.

Wayne State marked the successful conclusion of its Pivotal Moments campaign in late 2019, which raised \$776.5 million, significantly surpassing its \$750 million goal. This included several large, record-setting gifts and much support from Wayne State employees, alumni, and friends.

The university established a partnership with the Detroit Pistons to construct a new \$28 million arena for Wayne State's men's and women's basketball teams, which opened

in fall 2021. The arena also serves as the home of the NBA G League affiliate in Detroit (Motor City Cruise).

Campus beautification efforts have included the \$26.5 million renovation of the Student Center Building and the redesigned green space surrounding Fountain Court.

In 2016, the university adopted a 10-year housing facilities master plan to meet the increased demand for living space. In 2017, WSU entered into a novel public-private partnership to fund \$310 million in new construction and renovation of existing facilities, adding 840 beds in new, market-rate apartment housing.

Wayne State opened the new Mike Ilitch School of Business located near downtown Detroit in 2018, made possible by a \$40 million investment from Mike and Marian Ilitch.

Groundbreaking took place for two major projects in 2018—the \$65 million Hilberly Gateway Performance Complex for theatre, music, dance, and the arts, and the renovation of an unused science library into the STEM Innovation Learning Center, an instructional learning environment for undergraduates that opened in Fall 2021.

The university invested \$4 million to upgrade and refresh Wi-Fi across campus to improve connection reliability and speed.

Prior to joining Wayne State, President Wilson served as deputy director for strategic scientific planning and program coordination at the National Institute on Minority Health and Health Disparities of the National Institutes of Health.

Previously, President Wilson was vice president for health sciences and dean of the School of Medicine at Creighton University, president of the Texas Tech University Health Sciences Center, chancellor of the University of Colorado Denver, and concurrently chair of the board of directors of the University of Colorado Hospital/Anschutz Medical Campus. President Wilson also chaired the board of directors of the Charles R. Drew University of Medicine and Science and was acting president during part of that time.

ATHLETICS DIRECTOR ROB FOURNIER

Since Rob Fournier was named Director of Athletics at Wayne State University on September 1, 2000, a lot has changed. In those 22 years, the department's competitive success, classroom achievements, community outreach initiatives and the physical structure of the athletic campus has seen a significant transformation. That development has followed a strategic plan that models business forecasting and has realized defined goals/objectives. The results are well-documented.

In 2019, Fournier initiated and negotiated a contract with the Detroit Pistons for a new 3,000-seat, \$28.3 million basketball arena on the WSU campus which is also the home to the Pistons G-League squad (Motor City Cruise). The new facility opened in November of 2021.

That competitive success is evident in Wayne State's national standing against all Division II institutions. WSU's 19 best finishes in the prestigious NACDA Cup standings (which measures the overall competitive success of athletic programs around the country) all occurred in an 19-year span (2002-2019, 2022) including the three highest marks ever in the past 14 years – 11th in 2009, 14th in 2014 and 21st in 2010. Those finishes secured an unprecedented top four (4%), top five (5%) and top seven (7%) percent ranking among all Division II athletic programs in the country. Thirteen (13) athletic teams advanced to the NCAA tournament during the 2021-22 academic year.

Additionally, in those 22 years, 51 WSU coaches have been named conference coach of the year, while six have gone on to be distinguished as National Coach of the Year, including Bryan Morrow in 2022. In 2012, the women's swimming and diving program won the first national title since women's fencing in 1989. Football had its best season ever in 2011 reaching the Division II national championship game, and in 2022 the men's tennis squad won five NCAA Tournament matches to advance to the national championship match.

During Fournier's tenure at WSU, Warrior athletic teams have won 41 conference regular-season titles, 17 league tournament titles and 11 postseason regional, super regional or national titles.

For his efforts, Fournier was honored by NACDA as the 2008 Central Region Athletics Director of the Year.

Last year WSU had 19 All-Americans. In the 105 years of WSU Athletics, 482 of the 723 all-time All-Americans have been honored since Fournier arrived.

Another strategic measurement continues to be noteworthy. The 2021-22 academic year continued both academic achievement and community volunteerism. Sixteen (16) of the 17 of WSU's athletic programs (women's indoor and outdoor track is counted as one) have cumulative grade-point averages above 3.00 with a composite cumulative GPA of all WSU student-athletes at 3.38. The annual NCAA Federally-mandated Student-Athlete Academic Success Rate is at 76 percent which has risen over 30 percent in Fournier's tenure from programs such as: survival skills, connect-mentoring and learning specialists!

In addition, student-athletes have committed 115,203 community service hours in the last 13 years with such programs as Habitat For Humanity, University Prep Elementary, Capuchin Soup Kitchen and Warming Center, Adopt a Family Thanksgiving Basket, Basic Needs Drive, Be The Match Donor Registry, Covenant House Michigan, NSO (Neighborhood Service Organization), SOCKS in the City, L.I.N.K. Mentoring (Local Intervention Network for Kids), S.M.A.R.T.S. Mentoring, Big Brother Big Sisters, Make-A-Wish Foundation, COTS, Toys for Tots, Forgotten Harvest, Gleaners Food Bank and Manhood Mentoring Project to name only some of the programs.

The conference recognized those achievements with an unprecedented association's honor of the Sportsmanship Award and Community Service Award in 2013.

The rise in both academic average and community outreach has been dramatic, consistent and unprecedented. In addition, in the latest federally-mandated graduation rate report, it noted WSU student-athletes received an undergraduate degree at a rate 37 percent higher than the comparable campus population. These, and other academic achievements, are recognized at the annual academic banquet, which he started in 2001 and combines a salute to the University's faculty.

Fournier's ability to generate private and corporate support has dramatically altered the physical setting of the athletic campus and the practice/competitive opportunities for WSU student-athletes.

In his first 22 years, he has secured \$23,693,984 in revenue for the athletic department. That total has helped complete the following facility initiatives: Basketball Fieldhouse which opened in November of 2021; football locker room; the Doris J. & Donald L. Duchene, Sr. Athletic Facility; baseball's replica Fenway Park baseball stadium which displays the former Tiger Stadium scoreboard on its famous "Green Monster" facade; softball locker room and coaches offices, along with a grandstand, walkway and press box; a Boston Garden-like parquet floor for basketball; Hall of Fame foyer; swimming video board, pool deck and bleachers in the natatorium; football ticket booths and stadium entrance; outdoor marquee; FieldTurf football field; an outdoor track; scoreboards for baseball and football with a video display; trainer's treatment areas; and new USTA outdoor tennis courts with scoreboard. The Harwell Stadium project was completed and a \$600,000 football locker room addition was completed. The 11,000 square

foot Athletic Performance Center (APC) opened in the spring of 2018, and lights at the softball stadium were installed in the summer of 2020.

Furthermore, Wayne State is the only school in the country to designate a week of activities to promote Women's Athletics as "W" Week will be having its 13th annual celebration in April 2023 highlighted by "W" Day.

The addition of new programs in women's indoor and outdoor track and field, and women's golf follows an internal gender-equity plan designed to better opportunities.

Fournier served three years (2005-06-07) as a member of the NCAA regional-ranking football committee then spent seven seasons (2009-10-11-12-17-18-19) on the NCAA softball regional ranking committee, and served as the regional representative on the national committee in both 2018 and 2019. He currently serves as a member of the GLIAC Awards/Honors Committee, and previously served on the finance committee, the infractions committee, the scheduling committee and the long-range budget planning committee.

Prior to joining Wayne State, Fournier served as the Senior Associate Commissioner and general counsel for the Mid-American Conference. While serving as the acting Commissioner of the Conference (1999), he moved the league office from Toledo to Cleveland, wrote and secured a long-term contract for the men's basketball tournament at Quicken Loans Arena and secured the three largest corporate gifts in the history of the MAC including First Energy as the tournament sponsor for the men's postseason basketball tournament.

He also wrote and negotiated the initial Motor City Bowl football contract that is the MAC's longest postseason Bowl alignment. As the chief compliance officer for the league, Fournier investigated and reported on over 350 infraction cases that insured fairness in case resolution and corrective action. At the request of institutions, he has appeared before the NCAA Committee on Infractions and conducted campus reviews of compliance effectiveness in financial aid, rules education, eligibility and institutional control. He has served as liaison to various NCAA committees for which the conference held cabinet positions. The MAC presidents recognized Fournier's achievements when they unanimously conferred a Certificate of Commendation and a mark of esteem for his efforts in 1999.

A licensed attorney, he received his bachelor's degree summa cum laude and his master's with honors from the University of Akron. He was a national forensics champion and qualified for the national finals in six events. 2022 OUTLOOK

The 2022 Wayne State University football team will not have the same look as the 2021 team both on the field and in the coaching box with three new assistant coaches and only nine returning starters (five on defense and four on offense).

Of the 118 student-athletes currently listed on the roster for 2022, only 36 have earned a letter at WSU headlined by three-year letterwinners Nick Poterack, Jacob Mass and Sean Banaszak. The eight two-year letterwinners are Will Butler, Nick Isley, Julius Wilkerson, Cooper Kukal, Noah Nicklin, Charles Ellington, Niko Mosley, and Dalen Peek.

Fifty-six (56) of the players are either true freshmen (33) or redshirt freshmen (23), while the remaining 26 are entering at least their third year in college, but have not lettered at WSU.

Head coach Paul Winters, a three-time GLIAC Coach of the Year recipient, enters his 19th season guiding the Warriors with three new assistant coaches in wide receivers coach Derrick Alexander, defensive line coach Frank Espy, and defensive coordinator/secondary coach Antwon Robinson.

In 2021, WSU had three different quarterbacks start games as Jake Amrhein started the season opener and the season finale. In between, Josh Kulka started games 2 and 3, before suffering a season-ending injury at Missouri S&T. Chase Churchill started seven consecutive contests.

Kulka, who passed for 505 yards and three touchdowns in just six quarters of action a year ago, should be fully healthy for the season. Redshirt freshman Elijah Taylor gained valuable practice experience last season dressing for 10 of the 11 contests. Redshirt junior Jay Solano enters his fourth year in the program, while redshirt sophomore Caleb Green will also be pushing for a spot on the travel roster.

Wayne State recruited a highly-talented signal caller to add to the depth and competition. Cole Canter led Newark (Ohio) Catholic to a 14-2 record as a senior and a spot in the Ohio Division 7 state championship game. In addition, the Warriors added graduate transfer Eli McLean from Michigan State.

Three of the top four rushers from last year return to the backfield, including First Team All-GLIAC selection Myren Harris. He gained at least 100 yards in four of his last five games a year ago, including a WSU single-game record of 327

Graduate student tight end Nick Poterack is a returning First Team All-GLIAC honoree.

yards vs. Northwood.

Kendall Williams was third on the team in rushing with 295 yards, while Karmi Mackey, who returns for his second year as a graduate transfer from Eastern Michigan, was fourth on the team last year in rushing yards.

Redshirt freshman D'Marco Singleton is a 6-2, 225-pound tailback who is working his way up the depth chart along with sophomore Te'Avion Warren. Warren has moved to the offensive side of the ball after earning WSU Defensive Rookie of the Year honors a year ago as a true freshman. Nick Isley has played in just two of the five previous seasons due to injuries (2017 and 2019) and COVID (2020).

The two incoming freshmen, who most likely will redshirt, are Brayden McKenna and CJ Turner. Jeremiah Sterling joined the Warriors during the summer as a transfer from Olivet.

Redshirt senior Will Butler will handle the fullback duties, along with a pair of redshirt freshmen in Nick Hayward and John Rayba. Butler has played in 22 games over the last three playing seasons (2018-19-21).

Two recruits that will be utilized as an H-Back/fullback are Gabe Mendoza and Quincy Salter.

Only seven wide receiver receptions from 2021 are on the 2022 roster, all from senior Kameron Ford. Last year, wide receivers accounted for 82 of the 150 receptions, with running backs (54), tight ends (12) and offensive linemen (2) gathering the remaining 68 completions. Ford led WSU averaging 19.0 yards per reception with seven catches for 133 yards and one touchdown.

Redshirt junior Darrin King II led the squad with 12 kickoff returns a season ago, but did not have any receptions.

A quintet of returners are looking to compete for a travel spot. This group includes veteran Max Nicklin, shifty wideout Manny Harris, redshirt freshmen Corban Small and Dion Brown, Jr., and redshirt sophomore Jeff Knight.

The five newcomers at wide receiver are Judah Daniels, Zack Ernat, Jonathan Jackson, A.J. Nichols, and Sam Watts.

Graduate student Nick Poterack was a 2021 All-GLIAC First Team selection and was recently named to the 2022 top 20 Division II tight ends list by *The College Football Network*. Poterack, who has played in 31 games, ranks 12th in school history in average yards per catch (17.80 / min. 20 receptions), and tied-for-31st in touchdown receptions (5).

Redshirt sophomore Nathaniel Eberly-Rodriguez dressed for 10 games last season.

Transfer Tommy Guajardo redshirted at Michigan State in 2020 and Bowling Green in 2021, bolsters the tight ends

contingent. Both Eberly-Rodriguez and Guajardo are looking to make their collegiate debuts in 2022. Redshirt sophomore Kaveon Ross also returns.

Two freshmen who most likely will redshirt are Nick Ostas and Ethan Breaux.

WSU lost two all-conference players and four starters on the offensive line after last season to graduation in First Team All-GLIAC honoree Landin Mitchell, Second Team All-GLIAC selection Lane Potter, along with center Reid Thompson and right tackle Joe Ziedas. The quartet combined to start 95 games in their Warrior careers, led by Potter's 44 career starts.

However, the cupboard is not bare for offensive line coach Joe Hensel.

Veteran Cooper Kukal is the most experienced returnee having played in 19 games. Kukal played three different spots along the offensive line in 2021, but is slated to start at center this fall. Redshirt sophomore Charles Wesley who missed all of last season due to an illness, looks to make his collegiate debut this September. Redshirt freshman Aidan Tweedy missed all of 2021 due to a pre-season injury and is very versatile and could see action at multiple spots on the offensive line this fall. Freshman Will Edwards provides depth at the position.

Redshirt senior Noah Nicklin has started seven games (six at left guard, and one at center) in his Warrior career, and is penciled in at left guard in 2022. Fourth-year player Ty Potter will most likely miss the upcoming campaign due to an off-season injury. Nicklin will be backed-up by Wesley, with newcomer Jayden Lewin providing depth.

Redshirt junior Chrishoun Roberts started all 11 games a season ago at right guard and is slated there again in 2022. In 2021, Roberts helped WSU rank third in the GLIAC in rushing yards per game (181.5) and fourth in passing yards per contest (178.1). Redshirt freshmen Owen Salingue and freshman Kaleb Vanaman will back-up Roberts.

There will be strong competition at the tackle positions with four student-athletes battling for two starting spots. This quartet consists of redshirt sophomores Blake Bustard and Tyler Schompert, along with redshirt freshmen Adam Sarjo and Sam Waibel.

Providing additional depth will be redshirt junior Mohamed Saad and true freshmen Tomi Bisiriyu and Ethan Gates.

The defensive line returns just 15 starts from a season ago (Arnold Saidov - 8, Sean Banaszak - 3, Jacob Mass - 3, and Charles Ellington III - 1), following the graduation of John-Paul Morris (11 starts), Jalen Lewis (8) and Kenneth Cephus

2022 OUTLOOK

Redshirt senior linebacker Julius Wilkerson was voted to the 2021 All-GLIAC First Team.

(4), plus the injury to Damani Green (6 starts in 2021).

However there is experience returning especially at the defensive end positions.

Saidov was named to the 2021 All-GLIAC Honorable Mention Team after leading all WSU defensive linemen with 30 tackles (13-17), and tying for the team lead with 3.5 sacks (3 solo, 1 assisted).

Banaszak has appeared in 31 games over three seasons, making 15 starts. He has recorded 44 career tackles (22-22), including four sacks (2 solo, 4 assisted). Mass has played in 30 games in his three seasons and has made 34 tackles (15-19).

Providing depth and pushing the veterans will be redshirt senior Kofe Kimbrell, redshirt freshmen Tom Beckman and Aaron Mass and redshirt junior Jacob Edelman. Kimbrell played in 11 games a season ago, while the three others look to make their collegiate debuts in 2022. Veteran Daniel Knight is also battling for a spot on the travel roster.

The defensive ends, who will most likely redshirt to get bigger and stronger with coach Ruben Mendoza in the weight room, are true freshmen Joe Clark, Jr., Terique Denning, and Colby Horn.

Redshirt junior Damond Duncan is the lone returning defensive tackle with collegiate experience. He played in all 11 games as a back-up defensive tackle in 2021. Redshirt junior Jarrett Short enters his fourth year in the program, while redshirt freshman Gus Taylor is vying for a spot in the rotation. True freshman Demarius Gibson-Wells provides depth.

Charles Ellington III has played in 18 games in his two years at WSU, making one start. He enters his third playing season at WSU with 38 career tackles (10-28), including two sacks (1 solo, 2 assisted). Redshirt junior Kane Quinlan played in all 11 games a year ago as a back-up defensive tackle. Redshirt junior McKinley Underwood is finally healthy and will push for playing time. Vince Carpenter redshirted a season ago, while true freshman David Robinson will most likely redshirt this fall.

The linebacker corps returns two of its three starters from 2021, including First Team All-GLIAC honoree Julius Wilkerson. Wilkerson has made 160 career tackles (71-89) in 21 games. Niko Mosley started the first eight games last year at outside linebacker, before missing the final three games with an injury. He totaled a career-best 38 tackles (15-23) during last season.

Darien Tipps-Clemons played in all 11 games a season ago,

starting the final three contests. According to the coaching staff, Tipps-Clemons played very well during spring ball.

Three other returnees saw their first collegiate action in 2021. Blake Gilliam played in 10 contests and registered a game-high nine tackles (5-4) vs. Michigan Tech, in his first career start. Donte Reed appeared in nine games in 2021 primarily on special teams. Emarion Perkins was one of two true freshmen to play a year ago. He participated in the last six games and finished eighth on the squad with 32 tackles (12-20), despite not playing in the first five games.

The linebacker depth will be bolstered by the addition of Eastern Michigan graduate transfer Matt Buschman. Buschman appeared in 20 games over the last three seasons for the Eagles. Michael Smith enters his third year in the program, but has only dressed for one game due to the COVID shutdown in 2020 and injuries in 2021. A trio of players begin their redshirt freshman campaigns in Brody Dalton, Noah Foster and Justin Hart.

A quintet of incoming freshmen will provide depth as they get acclimated to collegiate football. The newcomers are Chris Banks II, Elijah Cephus, Darius King, Nahji Mabry and Ryan Reynolds.

At the start of fall camp redshirt junior Drake Reid is the most experienced cornerback on the roster with classmate Dalen Peeks redshirting in 2022. Two others -- redshirt sophomore David Green and redshirt senior Martell Hill -- saw limited playing time a season ago.

Reid started nine contests in 2021 and totaled 53 tackles (38 solo, 15 assisted), along with seven pass break-ups and a fumble recovery. A GLIAC All-Academic Excellence Team selection, Reid earned Honorable Mention All-GLIAC accolades, and was also voted WSU's Special Teams Most Valuable Player.

Green appeared in the final nine games a year ago and finished second on the squad with five (4-1) kickoff coverage tackles with Hill seeing action in seven contests last fall, including action at cornerback in four games.

Battling for a spot in the rotation are redshirt freshman Chuck Worsham III, and veterans Joe Wright III and Chandler Edwards. Wright begins his fifth year in the program. Edwards spent the last three seasons (2019-20-21) on offense appearing in 10 games in 2021, as a running back and on special teams.

Two true freshmen in Elijah Fowlkes and Alan Smith will push the veterans, and add depth along with redshirt sophomore Justin Siggers. Shawn Allen will redshirt in 2022 due to GLIAC transfer rules after attending Michigan Tech during the 2021-22 academic year.

Redshirt senior Shavez Hawkins, Jr. started eight times a season ago at safety and led the WSU secondary with 3.5 tackles for loss (2 solo, 3 assisted) among his 45 tackles (22 solo, 23 assisted). Redshirt sophomore Myles Harris started at safety in two of his four games played last year and led the squad with 267 kickoff return yards and a 24.3 kickoff return average.

Redshirt junior Brian Hill returns to the active roster after being sidelined by a non-football injury in 2021. Redshirt sophomores Hayden Loya and Brayden Vredevelde, along with Hill, will push for playing time at safety. The other non-rookie at the position is Mercyhurst transfer Draven Wilson, who redshirted with the Lakers in 2021.

Redshirt freshman Charles Coy III and Morehouse College transfer Darron Moore II are also competing for a spot on the

travel roster.

The Warriors recruited four safeties to add depth to the position. They are Chidiebere Anaele, Chris Gillam, Jaden Lewis and Devon Brown.

There will be competition for each spot on special teams, including place kicker where a trio of redshirt sophomores return. Griffin Milovanski handled the place-kicking duties over the final nine games of 2021 connecting on 7-of-8 field goal attempts and 24-of-27 extra points. Jeremy Taras saw action in the first two games, including making a field goal vs. Truman. Maxx Fisher was named to the GLIAC All-Academic Excellence Team in 2021. Hadi Jawad joined the squad just before camp started after playing both soccer and football at Dearborn High School in 2020-21.

The competition for the long snapper position will feature redshirt freshman Aidan Tweedy among a host of others, who might see time either on field goal/PAT or punt long-snapping duties. Those in the mix are redshirt senior Jacob Mass, and graduate students Noah Nicklin and Cooper Kukal.

The holder position is open after the graduation of both Jake AmRhein and Chase Churchill. Quarterbacks Josh Kulka, Elijah Taylor and Eli McLean among others will battle during camp for this spot.

Kickoff return duties will be a training camp battle since four of the top five leaders from a year ago return. Redshirt sophomore Myles Harris averaged a team-best 24.3 yards per return last season before being injured. Redshirt junior Darrin King II had a team-high 12 returns in 2021. Redshirt freshmen Manny Harris and Dion Brown, Jr., sophomore Te'Avion Warren, and redshirt junior Kendall Williams are among the group of returnees under consideration.

Trying to earn an opportunity in punt return duties are Myles Harris, Warren, Manny Harris and Brown.

Milovanski handled most of the punting chores a season ago and averaged 35.4 yards per attempt with seven of his 42 punts being inside the 20. Taras punted 12 times in 2021 and averaged 37.4 yards per boot. Redshirt freshman quarterback Elijah Taylor could also see time as well as Hadi Jawad.

Redshirt junior cornerback Drake Reid was Honorable Mention All-GLIAC in 2021.

BROADCAST CREWS/WDTK-COMCAST

In December of 2019, WSU Director of Athletics Rob Fournier announced an extension of a radio broadcast agreement with 1400 AM and FM 101.5 The Patriot (WDTK) for football and men's basketball through the 2022-2023 school year.

"We look forward to continuing our relationship with the Patriot for the next four years and beyond," commented WSU Director of Athletics Rob Fournier. "Their support of our initiatives has allowed Warrior Nation to hear our contests anywhere in the world. Their values, and commitment to our community, underscore the mission of the athletic department and University."

The 2022 campaign will be the 21st season WSU football and basketball games have been aired on 1400 AM and contests are also available through the Internet at patriotdetroit.com and on 101.5 FM.

Veteran Detroit sports broadcaster Sean Baligian returns for his 14th season calling Warrior football. Baligian has been on the Detroit airwaves since 1998, and was on Fox 2 from 2002-18. He has also written for *The Detroit News* and *MLive.com*. In October of 2007, Baligian was named Best Radio Sports talk Host by the *Metro Times* for the people, places and things that make metro Detroit great. He hosts shows on WJR. In addition, Baligian has worked for USA Hockey and does MHSAA hockey and football. He also served as the play-by-play

announcer for a Carolina Hurricanes TV broadcast. Former Warrior tailback and kick returner Josh Renel will again be joining Baligian in the booth. Renel provided color commentary for one game in 2012 and nearly every game for eight seasons (2013-19, 2021).

Renel finished his collegiate career with nearly 5,600 all-purpose yards (which ranks second in school history behind Joique Bell) and became only the second player in NCAA Division II Championship game history to take back the opening kickoff for a touchdown.

During his 48-game career, he averaged over five yards a carry, nearly 12 yards per punt return and 25.0 yards on 64 kickoff returns. Renel, who served

as a team captain on the 2011 national runner-up squad, was inducted into the Wayne State University Athletics Hall of Fame in February of 2018.

Former Warrior defensive end Brady Beedon will fill-in for Renel on selected broadcasts during the 2022 season. Beedon, who graduated from WSU in December of 2019 with a degree in broadcast journalism, received membership into the 2020 National Football Foundation Hampshire Honor Society for maintaining over a 3.20 cumulative grade-point average throughout his playing career. He played in 36 career games, making 11 starts and totaled 40 tackles (26-14), including 10 for loss (7 solo, 6 assisted). He is tied-for-ninth in school history with two blocked kicks and tied-for-26th

with four quarterback hurries.

"We're excited about the opportunity to continue our partnership with Wayne State University athletics and The Patriot Detroit," stated WDTK General Manager Chris MacCourtney. "The Wayne State Athletics commitment to excellence both on and off the field is well-documented and shows its commitment to our growing southeastern Michigan community."

ATHLETIC NICKNAMES

Wayne State University, by recommendation of a university-wide task force, adopted a new athletic identity system for the 1999-2000 academic year.

The previous name, Tartars, first appeared in 1927 after a contest held on the then, City College campus. Before the Tartars, school nicknames included the Griffins and the Munies.

The newest name, Warriors, embraced characteristics associated with the WSU student body and athletic teams - a fierce determination and an ability and willingness to compete and succeed.

GLIAC HISTORY

The Great Lakes Intercollegiate Athletic Conference (GLIAC), founded in 1972, has been a leader in the advancement and promotion of intercollegiate athletics for men and women for 50 years.

The charter members of the GLIAC (pronounced GLEE-ack) were Ferris State University, Grand Valley State University, Lake Superior State University, Northwood University (then Institute), and Saginaw Valley State University.

Expansion of the GLIAC began immediately with the addition of Oakland University in 1974. Hillsdale College, Northern Michigan University, and Wayne State University were accepted as members in 1975. In 1977, the conference lost its first member when Northern Michigan withdrew. Michigan Technological University filled the vacancy when it became a member in 1980. After the 1986-87 season, Northwood left the conference and was replaced by Northern Michigan. Northwood rejoined the conference in 1992.

After the 1989 season, the conference dropped football as a sponsored sport. The conference schools sponsoring football joined the members of the Heartland Collegiate Conference in forming the football-only Midwest Intercollegiate Football Conference (MIFC), which began play in 1990.

After nine years as one of the premier conferences in Division II football, the MIFC merged as part of GLIAC on July 1, 1999. With the merger, the University of Indianapolis became an associate member as a football-only school.

The GLIAC entered a new era in the 1995-96 school year. Prior to that time, all GLIAC member institutions were located in the state of Michigan. On Dec. 14, 1994, membership was offered to Ashland University (Ohio), and Gannon University and Mercyhurst College, both located in Erie, Pennsylvania. All three schools began their membership on July 1, 1995.

On July 1, 1997, membership was granted to The University of Findlay, located in Findlay, Ohio. UF replaced Oakland University, which withdrew from the conference after the 1996-97 season as it moved to NCAA Division I status.

The GLIAC membership changed again when Tiffin University of Ohio joined the conference in the 2008-09 academic year. Tiffin was offered membership on June 20, 2007. The addition of Tiffin left the GLIAC with 12 full-time members as Gannon and Mercyhurst moved to the Pennsylvania State Athletic Conference after the 2007-08 season.

The GLIAC began a new era during the 2009-10 academic year. Commissioner Tom Brown, who had presided over the league for 17 years, retired on June 30, 2009. The longest serving commissioner in the history of the GLIAC, Brown expanded the conference from 10 full members to 14 full members and two associate members. Also under his leadership, the conference grew to offering championships in 21 sports while rising to prominence on the national level as GLIAC teams and student-athletes achieved success both in the classroom and on the fields of play.

The Conference expanded on July 1, 2010, when Lake Erie College of Painesville, Ohio, and Ohio Dominican University, located in Columbus, joined the GLIAC. The League further expanded on July 1, 2012,

when Malone University and Walsh University, both located in the Canton, Ohio, area joined the conference. In 2017-18, the Conference welcomed Davenport University and Purdue University Northwest to the membership as the Panthers and Pride began GLIAC competition. Accordingly, Findlay, Hillsdale, Lake Erie, Ohio Dominican and Walsh withdrew from the conference at that same time. The University of Wisconsin-Parkside became a full GLIAC member in 2018-19 as Tiffin departed two years after Malone left the conference. Ashland left the GLIAC in the summer of 2021, and Northwood left in 2022.

The policy-making body of the GLIAC is the Management Council, which is comprised of three representatives from each member institution – its director of athletics, faculty athletics representative and senior woman administrator.

The presidency of the GLIAC Management Council is rotated alphabetically by school, with Keri Becker, Director of Athletics at Grand Valley State University, serving as GLIAC President in 2022-23. Philomena V. Mantella, President at Grand Valley State University, will serve as the chairperson of the GLIAC President's Council.

The GLIAC made history when it hired Dell Robinson as Commissioner. Robinson became the first ethnic minority to serve as D-II commissioner of a non-historically black college or university conference when he began his duties on July 1, 2009, and served through June 2016. Kris Dunbar, formerly director of athletics at Lake Superior State University, joined the GLIAC as its seventh commissioner in May of 2017.

The GLIAC staff consists of: Kris Dunbar, Commissioner; Cam Trudell, Associate Commissioner; Linda Bouvet, Assistant Commissioner; John Regenfuss, Assistant Commissioner; Kim Vieira, Supervisor of Soccer Officials; Jeanne Skinner, Supervisor of Volleyball Officials; Rob Doss, Supervisor of Women's Basketball Officials; Bill Ek, Supervisor of Men's Basketball Officials; MJ Evagash, Supervisor of Women's Lacrosse Officials; Bill Gomoluch Supervisor of Softball Umpires; and Bruce Doane, Jr., Supervisor of Baseball Umpires.

Luke Bevilacqua (above) being recognized at halftime of the 2020 Allstate Sugar Bowl in New Orleans as a member of the 2019 Allstate AFCA Good Works Team.

GUY NAMED TO AFCA GOOD WORKS TEAM

The two 11-man teams, a Division I-A team and a combined team from NCAA Football Championship Subdivision, Divisions II, III and the NAIA, honor players for their dedication and commitment to community service. The AFCA has been selecting the Good Works Team since 1997. From 1992-1996, the Good Works Team was chosen by the College Football Association. When the CFA disbanded in 1997, the AFCA began selecting the teams.

Alan Guy's selection in 2007 marked the first time a WSU football player had earned Good Works honors.

Trent Brodbeck was a member of the 2016 Allstate AFCA Good Works Team, while Luke Bevilacqua was named to the 2019 Allstate AFCA Good Works Team.

Current WSU senior linebacker Julius Wilkerson was a 2021 selection to the Allstate AFCA Good Works Team.

- On the sixth play of the ensuing drive, Myren Harris scored his second career rushing touchdown on a third-and-four play.

- After the Warrior defense forced a three-and-out on the opening series of the second half, the WSU offense drove 61 yards in eight plays with Nick Poterack hauling in a six-yard scoring toss from Churchill for his first touchdown of the season, and third career TD reception.
- The host Wildcats answered with a 65-yard scoring drive to cut the Warrior lead to 19-8.

The Great Lakes Intercollegiate Athletic Conference began sponsoring football as a league sport in the Fall of 1973 with three teams - Ferris State, Grand Valley State and Northwood. In 1974, Hillsdale joined the league as the fourth football team. The conference expanded again in 1975 when Saginaw Valley State started a football program and Wayne State joined the league. The number of GLIAC football teams grew to seven in 1980 when Michigan Tech was added, though the Huskies left the league after the 1985 season. In 1987, Northwood left the league and was replaced by Northern Michigan.

After the 1989 season, the GLIAC dropped football as a sponsored sport. The six conference schools sponsoring football - Ferris State, Grand Valley State, Hillsdale, Northern Michigan, Saginaw Valley State and Wayne State - joined the five members of the Heartland Collegiate Conference - Ashland, Butler, Indianapolis, St. Joseph's and Valparaiso - in forming the football-only Midwest Intercollegiate Football Conference (MIFC), which began play in 1990.

The MIFC would change again for the 1993 season as two teams would leave and two teams would join. Butler and Valparaiso left the conference, but Northwood rejoined and the College of St. Francis (Ill.) was added. The league grew to 12 teams in 1994 with the addition of Michigan Tech and stayed at 12 teams until St. Joseph's left after the 1995 season. In 1998, the league expanded to 14 teams with the additions of Findlay, Mercyhurst and Westminster, but would drop back to 13 teams with the departure of St. Francis after the season.

Westminster departed after the 1999 season, leaving 12 teams. Gannon was added before the 2004 season, giving the league a 13-team roster.

After nine years of existence as one of the premier conferences in Division II football, the MIFC merged as part of GLIAC on July 1, 1999.

The GLIAC has earned the reputation as one of the toughest and deepest conferences in Division II with a strong postseason history.

Three GLIAC teams made National Association of Intercollegiate Athletics (NAIA) playoff appearances. Grand Valley State made it to the national semifinals in 1978. Saginaw Valley State made three trips to the NAIA playoffs (1979, 1983, 1984), posting a 2-3 mark. Hillsdale earned five NAIA postseason berths as a member of the GLIAC (1981, 1982, 1985, 1986, 1988), taking home the championship in 1985.

The first team to represent the GLIAC in the Division II playoffs was Northern Michigan in 1987. The Wildcats made the D-II semifinals that season.

Grand Valley State started a three-year postseason run in 1989, though the Lakers failed to get out of the first round. Butler joined GVSU in the D-II playoffs in 1991, marking the first year the league had two teams participate in postseason play. Butler fell to the eventual national champion, Pittsburg State in the first round.

The 1992 Division II playoffs saw the first GLIAC team make it past the opening round in league history. Ferris State posted a first-round win over Edinboro before falling to New Haven in the quarterfinals. The 1992 season marked the beginning of a five-year playoff run for the Bulldogs, with their then-best performance coming in 1995 after a D-II semifinal appearance.

Grand Valley State made its fourth and fifth D-II postseason trips in 1994 and 1998, respectively. Ashland made its first appearance in the playoffs as a member of the GLIAC in 1997.

After being shut out of the playoffs in 1999, the GLIAC posted two teams in the 2000 tournament as Northwood and Saginaw Valley State each made their first D-II postseason appearances. The Timberwolves claimed a first-round victory over Indiana (Pa.) before falling to Bloomsburg in the quarterfinals.

The 2001 season was historic for the league as two teams made it through the first round of the playoffs. Grand Valley State and Saginaw Valley State each posted opening-round wins and faced each other in the national quarterfinals. The Lakers won a shoot-out, 33-30, in Allendale, and cruised to a semifinal win over Catawba. GVSU advanced to the championship game before falling to North Dakota, 17-14.

The Lakers redeemed themselves in 2002 by claiming the league's first Division II football national championship. Grand Valley State defeated Valdosta State in the finals, 31-24. GVSU would repeat as national champions in 2003. The Lakers knocked off North Dakota in that championship game, 10-3.

GLIAC co-champions Michigan Tech and Northwood, along with Grand Valley State, would earn playoff berths in 2004. GVSU fell in the regional finals to North Dakota, 19-15.

The 2005 season saw more postseason success for the GLIAC. GVSU, SVSU, and Northwood each gained postseason entrance. The Lakers and Cardinals battled for the Northwest Region title, but GVSU advanced, 24-17, and went on to defeat NW Missouri State, 21-17, in the Division II title game. In 2006 both Northwood and Grand Valley State earned postseason berths. The Lakers ran the table and met NW Missouri State in the finals, claiming a 17-14 victory and winning the leagues' fourth D-II Championship. GVSU and Ashland earned playoff berths in 2007 and 2008, while 2009 saw Grand Valley State, Hillsdale and Saginaw Valley State in the D-II postseason. GVSU made an impressive run to the final before falling to NW Missouri State.

In 2010, GVSU and Hillsdale earned D-II playoff berths with the Lakers falling in the Super Region III Semifinals. 2011 saw Wayne State and SVSU make the postseason with the Warriors making an improbable run to the D-II finals before falling to Pittsburg State, 35-21. WSU won four consecutive road playoff games as the No. 6 seed in Super Region 3 claiming victories at St. Cloud State (48-38) in a blizzard, 38-26 at Nebraska-Kearney, 31-25 at defending national champion Minnesota Duluth, followed by a 21-14 triumph at unbeaten Winston Salem State in a national semifinal game televised on ESPN.

Ashland represented the Conference in the 2012 playoffs, losing to Midwestern State in the Super Region IV semifinals, 33-28.

The GVSU Lakers once again made a deep run in the 2013 NCAA Playoffs which started with a triumph over GLIAC foe Saginaw Valley State. Ohio Dominican earned a first-round bye and made its first appearance in the tournament. The Panthers dropped a 34-27 heartbreaker in Columbus to West Texas A&M. GVSU swaggered all the way to the national semifinals after taking out CSU-Pueblo on the road 34-30 and knocking off West Texas A&M in Allendale 35-28. Northwest Missouri State used their home field advantage to defeat the Lakers by a 27-13 final score in the D-II semifinals.

After an exciting 2014 regular season, three GLIAC programs qualified for the NCAA D-II Playoffs. Ohio Dominican returned to the playoffs for the second straight season and took down Colorado Mines, 34-23, on the road in impressive fashion to start the postseason. Meanwhile, Angelo State stunned Michigan Tech 42-41 in Houghton after a wild second half comeback from ASU bounced the Huskies at home. In the regional semifinals, Ohio Dominican dissected the unbeaten Ferris State attack and advanced in the back-and-forth contest with a 46-33 victory on the road in Big Rapids. Unfortunately, the ODU run ended in the next round as the Panthers fell behind early and nearly completed a major comeback on the road before falling 31-28 to the eventual national champions, CSU-Pueblo.

Ashland and Ferris State both completed undefeated regular seasons in 2015 and joined Grand Valley State in the D2 playoffs to once again give the GLIAC three NCAA bids. Ferris State upended Texas A&M-Commerce, while Grand Valley State earned a road victory at Ashland to eliminate the Eagles in the Super Region 4 Quarterfinals. The GVSU Lakers went on to avenge a regular-season loss to Ferris State by defeating the Bulldogs 38-34 in Big Rapids. Grand Valley State then traveled to CSU-Pueblo where they earned an impressive 31-7 victory and the Super Region 4 title. However, GVSU's impressive run as the No. 6 seed ended with a 34-32 setback to Shepherd in the national semifinals.

In 2016, both FSU and GVSU qualified with the Bulldogs claiming a 47-32 triumph in Allendale in the Super Regional final. FSU lost the next week, 35-20, at Northwest Missouri State.

Ashland and Ferris State both qualified for the NCAA Tournament in 2017 with both schools posting narrow home field victories in the opening round. FSU won at Fort Hays State (31-21) in the second round, while the Eagles fell 34-24 at home to Harding. The Bulldogs were then edged 16-14 by Harding in the Regional final on a last-second 20-yard field goal.

In 2018, Ferris State advanced all the way to the national championship game, while Grand Valley State lost at home in the opening round. FSU won the first two games at home, then won two road contests before falling 49-47 to Valdosta State in the first championship game played at McKinney (TX) ISD.

After a first round bye in 2019, Ferris State won two home playoff games before falling 28-14 at home to West Florida. FSU went undefeated in 2021 (14-0) and won the national championship game.

Though many teams have made history for the GLIAC, the league can also boast upon individual accomplishments. In 2002, GVSU quarterback Curt Anes became the GLIAC's first Harlon Hill Trophy winner as the Division II Player of the Year. The GLIAC had its second Harlon Hill winner when Wayne State running back Joique Bell claimed the honor in 2009. Bell is the only person in GLIAC history with two 2,000-yard rushing seasons. In 2015 and 2016, Ferris State quarterback Jason Vander Laan took home the D-II Heisman equivalent after consecutive record-shattering years for the Bulldogs. FSU's Jayru Campbell was the 2018 recipient of the Harlon Hill Award.

After the 1989 season, the six GLIAC schools which sponsored football joined the Heartland Collegiate Conference (HCC), a football-only conference, in forming the Midwest Intercollegiate Football Conference (MIFC). The GLIAC dropped football as a sponsored sport and the HCC was disbanded. Prior to the start of the 1999 season, the MIFC merged into the GLIAC and football became a sponsored sport.

MIFC selected First Team Offense and First Team Defense plus honorable mention (denoted by *) from 1990-98.

Starting in 2010, the GLIAC recognized All-Academic Excellence (cumulative GPA 3.5+) and All-Academic (cumulative GPA 3.0-3.49). Excellence honorees are denoted by -E.

WSU had a school-record 54 football players receive GLIAC All-Academic honors for fall 2021. The Warriors have had 536 Academic All-GLIAC honorees in the last 20 years (2002-21).

SENIOR ALL-STAR GAME PARTICIPANTS

Running back Joique Bell became the first former Wayne State University player to participate in the Senior Bowl. In January of 2010, he rushed for 17 yards on eight carries, but recorded a first down on three of his rushing attempts.

Four of his carries came on the North's initial drive of the game setting up a field goal.

Left tackle Nate Theaker, the 2016 GLIAC Offensive Lineman of the Year, participated in the 2017 NFLPA Bowl, while guard Robert Kelly played in the 2016 National Bowl in Daytona Beach, Fla.

Most recently offensive lineman Landin Mitchell played in the 2021 National Bowl, while linebacker Leon Eggleston received Defensive MVP honors for the National Team, at the 2019 National Bowl held in Daytona Beach, Fla. Eggleston tied for game-high honors with 12 tackles (8 solo, 4 assisted) along with an interception in leading the National Team to a 31-29 victory over the American squad.

Cornerback James Howard participated in the 2017 National Bowl, while offensive lineman Israel Helms competed in the 2018 FCS National Bowl and the 2019 Spiral Tropical Bowl.

Four members of the class of 2014 participated in the All-American Bowl Game at AT&T Stadium in Dallas. Defensive linemen Justice Akuezue and Sam Sillmon, along with linebacker Marcell Jones and running back Jay Hayes competed with Sillmon receiving the Jim Marshall Award as the Best Defensive Lineman in the contest.

Ed Viverette and Toney Davis, both seniors in 2013, played in the National Bowl Game in Miami, Fla. Davis totaled 94 rushing yards on nine carries with a touchdown, while Viverette made numerous tackles.

In January of 2012, offensive tackle Joe Long played in the 87th East-West Shrine Game®. The Game was held at Tropicana Field in St. Petersburg, Fla. Long played offensive tackle and served as a long snapper in the contest.

In January of 2011, cornerback Stan Thornton played in the Division II Cactus Bowl. He tallied two tackles and a pass break-up as his Red Storm squad recorded a 28-6 triumph over the Blue Devils.

Thornton had a pass break-up of Hillsdale quarterback Troy Weatherhead's attempt on a third-and-two play on the game's opening drive.

Thornton's participation marked the 13th by a Wayne State player in the Division II All-Star game.

The Warriors had two seniors from the 2008 campaign participate in post-season bowl games. Both safety Dante Dunn and linebacker Tristan Black played in the East Coast Bowl, while Dunn also saw action in the 2009 Cactus Bowl.

Dunn was in on three tackles for the North, while Black made two tackles at the East Coast Bowl.

In the Cactus Bowl, Dunn led the East defense with a forced fumble and a fumble recovery along with eight tackles, including one for loss.

Running back Craig Duppong participated in the 2003 Whataburger Cactus Bowl held in Kingsville, Texas, on the campus of Texas A&M University-Kingsville.

Duppong led the East squad in rushing with 33 yards on 12 carries. On his first carry of the game, on a fourth-and-one, Duppong gained three yards. His 11-yard run on the first drive of the second half set up the East's squad first points. On a third-and-two rush in the fourth quarter, Duppong gained three yards and another first down. In overtime, he had a five-yard carry on a second-and-10 that led to an East field goal and a 27-24 lead. The West squad threw a 35-yard touchdown pass on its first play

in the extra session for a 30-27 win.

The year before, WSU senior wide receiver Pierre Brown participated in the 2002 Whataburger Cactus Bowl. Brown had four receptions for 42 yards for the East squad.

Formerly known as the Snow Bowl, the Cactus Bowl used an East/West format until the 2011 game with teams comprised of Division II Players.

Huston Julian played in the 2001 Cactus Bowl following the completion of the 2000 season.

"This was just an amazing experience," said Julian. "It was nice to put on the pads once again and play the game that I love. There was great support from the community for the game and it was an unbelievable atmosphere to be around. It was nice to be a celebrity for a week."

After the end of the 1997 campaign, Tony Hawk and Derek Lindsay both participated in the 1998 contest. The previous year Ken Johnson was selected, while Gary Ruttan played in the 1996 game. Matt Carey and Joe Gough each participated in the 1995 Snow Bowl.

The inaugural NCAA Division II All-Star game was held on January 6, 1994, at the FargoDome in Fargo, North Dakota.

Wayne State linebacker Tom Beer was one of six players selected from the MIFC to participate in the inaugural Snow Bowl.

The East Coast Bowl was an annual college All-Star football game played the Saturday following Thanksgiving at Historic Cameron Field in Petersburg, Va.

The game was cosponsored by the City of Petersburg and the National Football Foundation/College Hall of Fame and all revenue generated was used to award a scholarship for a high school senior who planned to play football on the Division I-AA, II or III level. Aside from having the opportunity to showcase their ability in front of professional scouts, players had inspirational visits to community centers, hospitals and convalescent centers.

The nomination of players for the Harlon Hill Trophy and the voting on these players is conducted by the sports information directors at the 166 NCAA Division II schools which compete in football. Schools may nominate any player who has distinguished himself as being among the best players in the NCAA Division II during the current season. To insure national representation on the voting for the Harlon Hill Trophy balloting, voting is first conducted on regional basis within the four NCAA regions. Player nominations from the Northeast, South, Midwest and West are broken down into regions and sent to the National Advisory Committee for review.

(which recognizes an individual as the absolute best in the country for his combined academic success, football performance and exemplary community leadership)

Gary Schultz was a 1971 CoSIDA Academic All-American.

The Wayne State University Department of Athletics is committed to the academic foundation of the Warrior student-athletes, their professional development and community involvement. Programs have been implemented to improve academic performance and retention in order to deliver success in the classroom. During the 2021-2022 academic calendar year 72.84% of the Wayne State student-athlete body received a 3.0+ Grade-Point Average.

The Wayne State football program eclipsed the school record with 54 student-athletes receiving GLIAC All-Academic team recognition during the 2021-22 academic year. Under the direction of head football coach Paul Winters, football student-athletes participate in a daily study table that emphasizes time management, classroom readiness, test taking strategies, tutorial assistance and study group sessions. Dr. Maria Sepulveda of the athletic department supervises the football study table sessions.

Football is prevalent in the community through involvement associated with the Student-Athlete Advisory Committee. Two members from each of the 18 Wayne State sports serve on the committee in efforts to build leadership and a strong relationship

with the surrounding community. Joining the entire student-athlete body, the football team assists with fund raising for the Make-A-Wish Foundation, generating resources through canned food and clothing drives, volunteering at local soup kitchens, and mentoring programs.

Starting with the 2006-07 academic year, 62 Wayne State University football student-athletes have been inducted into the National Football Foundation's Hampshire Honor Society. In 2007-08, WSU led the GLIAC with four honorees in Guye Goodlow, Frank Lietke, Dale Knuth and Kenny Schmidt.

For the 2008(-09) football season, Wayne State's Andrew Bates was one of two GLIAC players inducted into the Hampshire Honor Society. The following year both Joe Claiborne and Bruno Shkrelji were inducted, while Matt Faulkner received this recognition for the 2010 football campaign. In 2011-12, WSU had the most inductees of any GLIAC school and any college in the State of Michigan with six. Four members of the 2012 senior class received induction into the Hampshire Honor Society with three more from the class of 2013 being added to the list. For 2014-15, two offensive linemen in Thom Box and Ben Walker were named to the Hampshire Honor Society. Running back Rabeah Beydoun and quarterback Carl Roscoe were recognized in the spring of 2016.

WSU had seven inductees for the 2016-17 academic year, and added four more in 2017-18. In 2018-19, Wayne State had a then school-record nine inductees, which led all GLIAC schools and all institutions from the state of Michigan. WSU led all of Division 2 with a school-record 10 inductees for the 2019-20 academic year. In 2020-21, WSU's six inductees were tied for second most of any NCAA Division II school. The Warriors led the GLIAC and were fourth in the state of Michigan with seven graduating football players receiving membership into the 2021-22 National Football Foundation's Hampshire Honor Society.

In addition, WSU was recognized as one of 27 institutions for having at least one inductee each of the 16 years of the program.

Qualifications for membership in the NFF Hampshire Honor Society include:

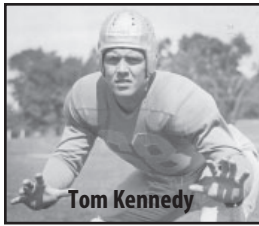

- * Being a starter or a significant contributor in one's last year of eligibility at an accredited NCAA or NAIA college or university;
- * Achieving a 3.2 cumulative grade point average throughout entire course of undergraduate study.

An elite group of 1,559 players from 313 schools qualified for membership in the Society's 16th year.

*Was drafted in 1948 (12th round/#70) by AAFC San Francisco 49ers.

Joique Bell was originally signed as an undrafted free agent by the Buffalo Bills and spent all of the 2010 pre-season with the Bills. After spending the first two weeks of the NFL regular-season on Buffalo's practice squad, Bell was signed by the Eagles on Sept. 21 and made his NFL regular-season debut in Philadelphia's 28-3 win at Jacksonville. He played in eight NFL regular-season games in 2010 (five with Indianapolis and three with Philadelphia). Bell was signed to the active roster by the New Orleans Saints prior to their playoff game but was inactive for the loss at Seattle.

In the 2011 pre-season with the Saints, Bell had the fifth-most rushing yards of any NFL player with 182. He spent the entire regular-season except the first two weeks on the Saints practice squad before being signed by the Detroit Lions prior to the regular-season finale.

In the 2012 regular season with the Detroit Lions, Bell had 12 multi-reception games and ended the season ranked third in the NFL among running backs with 485 receiving yards and tied for fifth among running backs with 52 receptions.

The first touchdown of his career also happened to be the Lions' first of the 2012 season (against the St. Louis Rams on Sept. 9). He scored on a one-yard carry. Bell's 67-yard run in Week 13 vs. Indianapolis was the longest run of the season by a Lions rusher and the longest for a Detroit running back since 2011. He set then-career highs in Week 16 vs. Atlanta, finishing with nine receptions for 73 yards.

Bell finished the 2012 regular season with 414 yards rushing on 82 carries (5.0 yards per rush) and scored three touchdowns.

In 2013, Bell teamed with Reggie Bush to become the first running back backfield to each have over 500 rushing yards and 500 receiving yards. Bell finished the 2013 campaign with 650 rushing yards and eight touchdowns, while hauling in 53 passes for another 547 yards.

Bell made his first career start in Week 3 at Washington (9/22/13) and recorded a then-career-high 20 rushing attempts and 132 scrimmage yards (63 rush, 69 rec on four catches) while scoring one rushing touchdown. The Benton Harbor native rushed for a career-high 94 yards on 19 attempts with one touchdown and caught three passes for 34 yards in Week 13 vs. Green Bay (11/28).

Bell made six starts in 2014 while playing in 15 games. He led Detroit with 860 rushing yards and seven rushing touchdowns. Bell also recorded his first receiving touchdown and finished with 1,182 all-purpose yards.

Despite playing injured in 2015, Bell rushed for 311 yards and four touchdowns and had 286 receiving yards. Bell played with both Chicago and Detroit.

In his NFL career, Bell rushed for 2,241 yards and 22

touchdowns, while catching 162 passes for 1,638 yards.

Daunte Akra, who played in both 2008 and 2010 at WSU, was on the CFL's Montreal Alouettes practice squad in 2011 before joining the Detroit Lions for training camp. He re-joined Montreal's practice squad for the remainder of the 2011 campaign.

The Chicago Bears, who were led by former Tartar **Phil Emery** (served as general manager from 2012-14), signed safety **Jeremy Jones** to a free agent contract following the 2012 draft. Jones had an interception at Cleveland in the final pre-season game to earn a spot on the 53-man roster. Jones was inactive for the first two regular-season games of the 2012 campaign before retiring.

Joe Long inked a free agent contract with the St. Louis Rams following the 2012 NFL Draft. Long appeared in all four St. Louis pre-season games, but was cut on the day after the pre-season ended. He was signed by the Pittsburgh Steelers in November of 2012, and spent the remainder of the season on the practice squad. He was also on the Steelers practice squad for all of the 2013 regular-season, until the Bears signed him to the active roster for the final two weeks of the regular season. Long was cut by the Bears in August 2014.

Troy Burrell spent a month with the Detroit Lions during the summer of 2012. He also had two different stints on the Lions practice squad during the 2012 regular season.

Desmond Martin, who led WSU in rushing in 2014, was signed by the Detroit Lions as an undrafted free agent during the summer of 2015. He had five carries for 26 yards in the pre-season opener.

Nate Theaker, who was the 2016 GLIAC Offensive Lineman of the Year, signed as an undrafted free agent with the Dallas Cowboys. He spent time on the practice squad for both Dallas and New Orleans in 2017, and was waived by the New England Patriots with an injury settlement in August of 2018. He was signed by the Indianapolis Colts in August of 2019, but was cut after the last pre-season game.

Anthony Pittman, a two-time All-GLIAC First Team selection who finished with 181 career tackles (120-61), was signed as an undrafted free agent by the Detroit Lions in April 2019. He spent the entire 2019 season on the Lions practice squad until making his NFL debut in the regular-season finale against Green Bay where he recorded an assisted tackle. Pittman saw action on 35 plays against the Packers (17 on defense, 18 on special teams). Pittman spent the entire 2020 campaign on the Lions practice squad, but played in all 17 games for the Lions in 2021 totaling 12 tackles, plus a pass break-up.

Darece Roberson, Jr. spent the 2021 pre-season with the Seattle Seahawks and had a touchdown reception in the final pre-season game. He also saw pre-season action in 2022 with the Toronto Argonauts (CFL).

Brian VanGorder, a former Tartar player (1977-80), is a WSU Hall of Famer. He previously served as an NFL assistant coach with the Jacksonville Jaguars (2005, linebackers), Atlanta Falcons (2007-11, linebackers and defensive coordinator) and the New York Jets (2013, linebackers). He served as the defensive coordinator at Notre Dame (2014-16), a defensive analyst at Oklahoma State (2017), defensive coordinator at Louisville (2018), and defensive coordinator at Bowling Green (2019-20).

Detroit Junior College played its first football game on October 4, 1918, against Assumption, a 41-0 win at Sandwich. The next three games of the season were played at Goldberg Field.

DJC became the College of the City of Detroit (CCD) in 1923, and Wayne University in 1934 in honor of General Anthony Wayne. Wayne became Wayne State University in 1956.

Home games were played at Grindley Field in 1921, then at Roosevelt Field in 1937 before moving to Keyworth Stadium in 1938. Home games were played at the University of Detroit from 1944 until 1953 with a few home games at Keyworth Stadium in 1946, 1947 and 1949. In 1954, home games were moved to Tartar Field (Hamilton & Holden Avenues) and remained there through the 1967 season with the exception of one game in both 1955 and 1966 at UD. WSU Stadium opened in October of 1968.

WAYNE STATE FOOTBALL LOCKERS

The Wayne State Department of Athletics prides itself on offering a first-class experience to our student-athletes. Our new and renovated facilities are helping do just that.

Conceived as a way to help fund the top-notch facilities for the student-athletes of today and tomorrow, our supporters can leave their permanent mark on the Warriors' new facilities and help the department continue to offer our student-athletes the tools to make them successful in the classroom, on the field, and in the community.

With your tax-deductible gift, payable over four years, you can personalize a locker in any of our three new locker room facilities by purchasing a locker plaque. The plaque will be engraved with your chosen personalization that is then affixed to a current student-athlete's locker.

WAYNE STATE ACADEMICS

ATHLETIC ACADEMIC SERVICES

The Wayne State Athletics Department provides comprehensive academic services to its student-athletes. Student-athletes receive support throughout their time as a Warrior from their respective coaches and the Student-Athlete Support Services (SASS) staff. SASS assists them in their course studies each semester and personal development to ensure they are on path to obtain their undergraduate degree, which is the ultimate goal. Academic advising, tutoring sessions, and life skill development are a few examples of the services provided in supporting student-athletes academically.

Athletics takes pride in the graduation rate of our student-athletes, and SASS work diligently to meet and exceed that rate each academic year. Student-athlete success in the classroom is celebrated annually with the Academic Luncheon recognizing all the student-athletes who received a 3.5 GPA or higher. Each semester there is a Four Points to Perfection luncheon at the Detroit Athletic Club to honor student-athletes that earn a 4.0 GPA. Our "Wall of Fame" in the main concourse of the Matthaei Building permanently and proudly displays the names of our graduates.

SERVICES AVAILABLE TO WSU STUDENT-ATHLETES

Academic Monitoring

Twice per semester SASS staff and coaches receive progress reports from professors using Advising Works/EAB software. Professors communicate the attendance record and academic performance of the student-athletes. SASS staff and coaches follow-up with student-athletes and ensure there is an action plan in place if necessary.

Learning Specialists

SASS has several learning specialists on staff to support the overall development of the student-athlete. Learning specialists provide the tools necessary for student-athletes to succeed in and

outside the classroom using the growth mind-set approach. Time management, organizational skills, prioritizing, responsibility and accountability are some of the tools utilized for student-athletes to reach their potential. Learning specialists are critical in helping incoming student-athletes transition to college life and demands as well.

Advising & Registration

Athletics has an in-house academics advisor that oversees the class schedules, registration, degree declarations, and meting their progress toward degree requirement of all student-athletes. The athletics academic advisor works closely with university academic advisors ensuring our student-athletes are receiving the guidance and direction they need from eligibility to graduation. A benefit to our student-athletes is pre-priority registration. Student-athletes are able to register for classes before the campus student population, which is critical due to their schedule constraints with practices, strength and conditioning sessions, competition and travel.

Tutorial Services, Writing Center & Mathematics Laboratory

The university provides free tutoring services in most subject areas, including a writing center and mathematics laboratory, through the Academic Success Center located in the Undergraduate Library. If tutors for a subject area or particular class are not available or there are conflicts with the student-athlete's schedule, tutors are hired and will be provided by Athletics.

JOIQUE BELL NO. 5 JERSEY RETIREMENT

The Wayne State University Department of Athletics retired the No. 5 football jersey of Joique Bell during halftime ceremonies at the 79th annual WSU Homecoming game on Oct. 10, 2015. Making the presentation were WSU President Dr. M. Roy Wilson and WSU Director of Athletics Rob Fournier.

"He worked hard and tirelessly to accomplish his goals both academically and athletically and this jersey retirement recognizes that perseverance and determination. We can all be a little better at whatever we do ... Joique gives us an example of how that can be done."

At the time of his graduation (with a degree in criminal justice), Bell ranked fourth in NCAA Division II history (and ninth across all divisions) with 8,055 all-purpose

yards. His 576 points scored was fourth all-time in Division II and fifth in NCAA history, while his 13.1 points per game average is fourth in D-II and 10th in NCAA history. Bell rushed for 6,727 yards which was sixth in Division II history and eighth in the NCAA, while his 152.91 rushing yards per game is 11th in D-II and 25th in NCAA history.

A four-time First Team All-GLIAC selection and a three-time (2006, 2007 and 2009) Harlon Hill semifinalist (top 24 nationally), Bell scored 96 touchdowns (88 rushing, 8 receiving) in 44 games plus passed for another four scores.

Only the fourth person in GLIAC history to be a two-time conference Offensive Back of the Year award winner, he finished with 918 receiving yards and set WSU records for rushing attempts (1,181), total offense (7,008) and total plays (1,198). A two-year team captain, his 1,181 career rushing attempts ranks sixth in NCAA history (all divisions) and second in NCAA Division II history.

Bell had at least one reception in 37 games and became the fourth player in D-II history with two 2,000-yards rushing seasons.

The ceremony marked only the third time that a WSU football jersey had been retired. The previous two were the No. 29 jersey of Tom Adams (whom the field is named after) and No. 35 worn by Ron Solack.

Adams was a three-year football letterwinner (1938-39-40) and for his outstanding achievements both athletically and in business, he was named to *Sports Illustrated's* 25-year All-American team in 1965. The Wayne State University football field was renamed Tom Adams Field on October 11, 2003.

The first football number ever retired at Wayne State University was the number 35 jersey last worn by Ron Solack. Ron died of post-surgery complications in 1968, on the eve of the opening of the new Wayne State University Stadium. Ron wore his Wayne State uniform with unmatched pride and played the game with enthusiasm. He would have been a senior member of the 1969 team. An award was instituted in his name in 1969. Bell was the recipient of the 2009 Ron Solack Award.

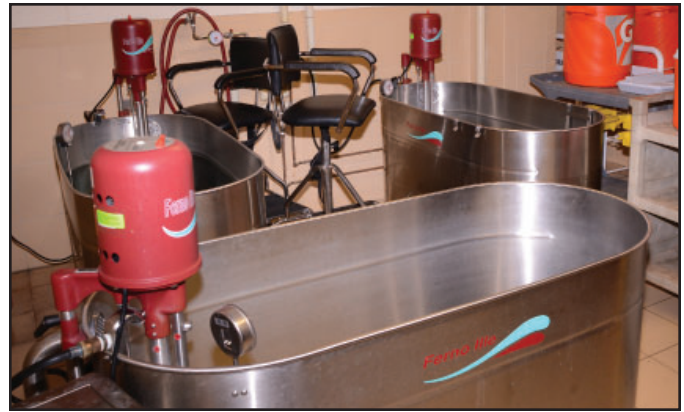

SPORTS MEDICINE & STRENGTH & CONDITIONING

The Wayne State sports medicine department is led by head athletic trainer Lisa Erickson and assistants Steve Domzalski, Taylor Cutajar, Jenna Hirsch, Don Moran and Tera Winton. All six are members of the National Athletic Trainers' Association and provide medical care to the Warrior student-athletes.

The sports medicine staff is responsible for all the medical needs of our student-athletes, including injury examination, prevention and management, treatment and rehabilitation of emergent, acute, and chronic injuries or medical conditions. Athletic trainers are present at Warrior home and away events to ensure for the health and safety of all student-athletes.

The Matthaei athletic training room has over 1,000 square feet of sports medicine space for treatment/rehabilitation and storage areas. Other special features include: a hydrotherapy area with three therapeutic whirlpools, a designated team physician examination office, and additional office space for the sports medicine staff.

The WSU Athletic Department works with many different team physicians. They include Dr. Bill Moutzourou (head team physician), Dr. Kevin Whitlow (team physician) and Dr. James Moeller (team physician), Dr. Dylan Rogers, and other physician consultants.

In June of 2017, Director of Athletics Rob Fournier and the Wayne State University Department of Athletics announced the building of a new Athletic Performance Center adjacent to the Matthaei.

The nearly 12,000 square foot, state-of-the-art Athletic Performance Center (APC) was completed and opened in May of 2018 and gives student-athletes access to 24 work stations. Those stations include eight Rogers Brute half-racks and eighth Rogers Dual racks, allowing athletes to perform various exercises. All the Dual racks are bridged together adding additional pull-up bars and TRX attachments. Benches fold up for easy storage, utilizing the space more efficiently. The space also includes a variety of 11 Pendulum plate-loaded machines by Rogers, 21,000 pounds of Iron Grip weights, dumbbells ranging

from five to 150 pounds and a cardio area featuring Woodway, Stairmaster and Star Trac equipment.

The APC also features a nutrition and hydration station, offering Gatorade products and protein recovery shakes. The spacious facility allows Wayne State student-athletes to train in a climate controlled environment featuring industrial sized fans to aid with air flow. The west and north walls feature floor to ceiling windows, allowing for natural light to flood the space. Other features include 16 inlayed and branded platforms and a filtered water bottle station.

The WSU Athletic Performance Center has two full-time strength and conditioning coaches in Ruben Mendoza and Cody Vargo, along with graduate assistants Emily Dodge and Landin Mitchell.
