# Welcome to an exciting new year

Dear Wayne State Warrior fans,  
Welcome to a new semester at Wayne State University. Our students are back on campus — or here for the first time — and they're excited about the opportunities that await them.

I know how they feel. I am just beginning my tenure as Wayne

State's 13th president, and it's already clear that this community is truly special. I can't wait to see our students take the next steps in their academic journey and deeply engage with all Wayne State has to offer.

An important part of the Wayne State experience is our athletics program, which enters a new era under the leadership of Director Erika Wallace. I know that Erika shares our commitment to excellence both on and off the field, and she will inspire our student-athletes to continue their dedication to athletic success, academic excellence and community service.

As we anticipate the start of football season, we also welcome Head Coach Tyrone Wheatley. Coach Wheatley brings to Wayne State his years of expertise

as a player and coach in college and in the NFL. I hope you'll join me to cheer on our Warriors this season at Tom Adams Field.

While on campus for a game, take the opportunity to explore Midtown. Our neighborhood continues to thrive, with several new restaurants and shops on and within walking distance of campus. It's been exciting to watch students discover our community, and I look forward to the connections they will build throughout their time at Wayne State.

Last year, Detroit's cultural scene was greatly enhanced by the opening of the long-awaited Hilberry Gateway, which offers an array of performance and production spaces. This season's lineup includes the drama *Silent Sky*, *The Rocky Horror Show* and *Murder on the Orient Express*. I hope you'll take time to enjoy a show at this premier venue.

If you've never been on our campus before or it's been a while since you've visited, I invite you to take a tour and see all we have to offer. Stay up to date with the latest Wayne State news by subscribing to the "Today@Wayne" newsletter and following us on social media.

I look forward to seeing you on campus!

Kimberly Andrews Espy, Ph.D.  
President

## PRESIDENT KIMBERLY ANDREWS ESPY

Kimberly Andrews Espy, Ph.D., became the 13th president of Wayne State University in August of 2023.

A leader with more than 25 years of experience in higher education, President Espy previously served as provost and senior vice president for academic affairs at the University of Texas at San Antonio (UTSA), where she championed social and economic opportunity by promoting affordable access to a top-quality research university education.

During her tenure, UTSA earned the distinction of an R1 classification by the Carnegie Foundation and was invited to join the Alliance of Hispanic Serving Research Universities after earning the Seal of Excelencia from Excelencia in Education for its commitment to serving Hispanic students — and, by extension, all students. UTSA also was named a 2022 Degree Completion Finalist by the Association of Public and Land-Grant Universities. Her work played an important role in making UTSA one of only five research universities nationwide to receive a \$40 million gift from Mackenzie Scott in 2021 to advance student success to those underserved by higher education.

As UTSA's provost, President Espy strived to advance social mobility through improved student learning, which she strengthened through a strong focus on the recruitment and retention of outstanding diverse faculty who are leaders in their disciplines. Working collaboratively across every corner of campus, she furthered an outstanding academic environment, including the establishment of the University of Texas School of Public Health San Antonio (in partnership with UT Health San Antonio); the merger with Southwest School of Art; and the reorganization of the College for Health,

Community and Policy and the Klesse College of Engineering and Integrated Design.

Under her tenure, UTSA strengthened its commitment to preparing students for success beyond graduation in collaboration with the city's business and community leaders. In 2020, the university established the Najim Center for Innovation and Career Advancement, which enabled systematic career preparation activities for students across the institution. President Espy also played a key role in UTSA's contributions to San Antonio's economic development. The San Pedro 1 Building, the home for UTSA's School for Data Science, opened in 2022 and was a major university investment in the city's downtown. For her commitment to the community and her work as an agent of change, she was recognized with a Women's Leadership Award from the San Antonio Business Journal.

Prior to serving as UTSA's provost, President Espy was senior vice president for research at the University of Arizona, where research and development awards increased to record levels. Focusing on strategic external partnerships, she was a member of the leadership team that established the historic academic partnership with Banner Health, and also worked with industry and government partners to stand up the Defense Security Research Institute that supported mission-focused applications. She also served as vice president for research and innovation and dean of the graduate school at the University of Oregon, where she helped secure funding from the Oregon state legislature to advance economic development and value to the state. At the University of Nebraska-Lincoln, President Espy developed collaborative interdisciplinary teams for large-scale proposals, including the ADVANCE initiative that increased the number of female and other diverse STEM faculty. She started her academic career at Southern Illinois University School of Medicine, a rural, community-oriented medical school where she taught first-year medical student neuroscience using the then-

pioneering problem-based learning curriculum, which has been widely adopted across the United States.

President Espy is an elected fellow of the American Association for the Advancement of Science. Her work has been continuously funded by the National Institutes of Health since 2002, and she has earned more than \$22 million in funding to study how young children control their attention to promote later learning, academic and health outcomes, and how such skills can be affected by medical, environmental or social factors. As both an American Psychological Association Division 40 Early Career Award winner and Elected Fellow, President Espy has chaired NIH study sections, served other review panels and actively contributes to the scientific literature in her field.

President Espy has served on numerous national and state leadership boards and committees, including the Association of Public and Land-Grant Universities, the Government-University-Industry Research Roundtable, Council on Competitiveness, Association of Universities for Research in Astronomy, Association for the Accreditation of Human Research Protection Programs, the Institute for Research on Innovation and Science, Arizona Technology Council, Governor's (OR) Regional Solutions Committee, and Shawnee Health Services.

President Espy received her undergraduate degree in psychology from Rice University and her M.A. and Ph.D. in clinical neuropsychology from the University of Houston. She also completed a clinical/pediatric psychology internship at the University of Louisville School of Medicine/Bingham Child Guidance Center and a postdoctoral fellowship at the University of Arizona College of Medicine. She is a licensed clinical psychologist, and a native of Cincinnati.

President Espy was the Wayne State Board of Governors' unanimous choice for president. She is the first woman to serve in this role in the institution's history.

## ATHLETICS DIRECTOR ERIKA WALLACE

Erika (Ryskamp) Wallace was named Director of Athletics at Wayne State University in June of 2023 after serving as the interim director for the prior six months.

Wallace originally came to WSU in July of 2019 as the Athletic Chief of Staff.

While serving as the Chief of Staff, Wallace was on the senior athletic management team advising the Athletic Director on all departmental matters. She worked closely with the AD to plan, develop, coordinate and oversee the University's 18 athletic programs and support personnel. In the fall of 2022, she added the title of Senior Woman Administrator after assuming additional responsibilities as the sport coordinator for the men's and women's basketball programs in 2021.

Wallace came to Detroit after nearly 11 years at Grand Valley State, where she most recently served as the Associate Athletic Director & Senior Woman Administrator since 2016. Her professional career began at GVSU where she spent time working in admissions and financial aid before serving as the Assistant Director of Financial Aid in 2011. Wallace was promoted to the Associate Director of Financial Aid & Scholarships in 2012, a position she held until 2016 when she moved to her role within the GVSU athletics department.

During her time in the GVSU Athletic Department, Wallace had a wide range of duties, including supervision of coaches in regards to budget, recruiting, traveling and scheduling. In addition, she was responsible for NCAA compliance, fundraising and represented GVSU on the GLIAC Management Council, NCAA committees, the Intercollegiate Athletic Advisory board and the Irwin Club Advisory Committee.

She joined the NCAA Softball Regional Advisory (Ranking) Committee (RAC) in the spring of 2021 to start a three-year term, and was named Midwest RAC Chair for women's basketball in the summer of 2022.

Wallace, who has two degrees from GVSU, a Bachelor's of Science in Exercise Physiology in 2007 and a Master's of Public Administration in 2014, is a member of the National Association of Collegiate Directors of Athletics (NACDA) and Women Leaders in College Sports, in which she is a graduate of the Institute for Advancement (2017) and Leadership Enhancement Institute (2022).

She was a four-year letterwinner (2003-07) for the GVSU women's basketball program and was inducted into Lakers Hall of Fame in 2015. Wallace was a team captain when

GVSU won a national title in 2005-06. She scored 1,409 points, which placed her in the top-five in program history when she graduated. Wallace's 223 three-pointers rank second all-time and her 39.3 three-point field goal percentage is the third-best mark in school history.

Wallace and her husband Marcus, also a former GVSU basketball letterwinner, have two children, Sydney and Marley, reside in Farmington Hills.

## HEAD COACH TYRONE WHEATLEY

Wayne State University Interim Director of Athletics Erika Wallace announced Tyrone Wheatley as the next head football coach for the Warriors on Jan. 26, 2023. Wheatley became the 20th head coach in program history, which enters its 106th year and 105th playing season (due to COVID in 2020) in the fall of 2023.

"I am beyond excited to welcome Coach Wheatley and his family to the Wayne State community," stated Wallace. "Coach Wheatley has a passion for developing the student-athlete not only on the field, but off. His ability to mentor men, develop talent, and recruit will elevate our football program. I'm looking forward to watching his leadership as he guides our Warrior student-athletes into a new era.

"First of all I would like to thank Wayne State University, President M. Roy Wilson and athletic director Erika Wallace for the opportunity to lead a great university and its football team," commented Wheatley.

"Throughout the interview process, Mrs. Wallace showed that Wayne State was well prepared and very detailed in what they wanted in the football program and the direction of the athletic department. This made me really excited about the job. I am looking forward to coming home, as they always say there is no place like home. No matter where I have been, I've always tried to recruit the state of Michigan and the city of Detroit. I am pleased, honored and blessed to be back home and to coach at Wayne State University."

Wheatley is a 16-year coaching veteran, including five years in the National Football League. He most recently served as the running backs coach for the Denver Broncos.

Prior to joining the Broncos, Wheatley served as Morgan State's head coach for three seasons from 2019-21. During his tenure, he led the program to five wins despite the Mid-Eastern Athletic Conference's cancelation of the 2020 fall football season (COVID-19).

Overseeing Jacksonville's running back room from 2017-

18, Wheatley helped orchestrate a rushing attack that averaged 124.6 rushing yards per game over his two seasons. In 2018, the Jaguars posted the NFL's best rushing attack (141.4 YPG) and tallied the second-most rushing touchdowns (18) that year.

Before Jacksonville, Wheatley spent the 2015-16 collegiate seasons coaching running backs for his alma mater, the University of Michigan. Wheatley was part of a coaching staff that guided the team to consecutive 10-3 seasons and back-to-back appearances in a bowl game.

In his first season at Michigan, the Wolverines rushing attack collected over 2,000 yards on the ground with 27 touchdowns. The following year, Michigan rushed for 212.9 yards per game and registered 304 rushes for 2,768 yards (4.8 avg.) with 41 scores.

Wheatley's first stint in the NFL came as running backs coach for Buffalo from 2013-14. In his first season with the team in 2013, the Bills produced the league's second ranked rushing attack (144.2 YPG) and had two rushers (C.J. Spiller & Fred Jackson) who each collected over 850 yards rushing while combining for 11 rushing scores.

Preceding his time in the NFL, Wheatley spent five seasons coaching running backs in the collegiate ranks. He spent the 2008 season at Ohio Northern before spending one season (2009) at Eastern Michigan and three years (2010-12) at Syracuse.

Wheatley began his coaching career at Robichaud High School where he served as head football coach for the Bulldogs in 2007. That season, Robichaud went 9-2 in the regular season and was a perfect 6-0 in league play.

He earned three consecutive All-Big Ten accolades (1992-93-94) for the Wolverines after graduating from Dearborn Heights Robichaud High School.

As a sophomore in 1992, Wheatley won the Big Ten's Offensive Player of the Year award and concluded that season with a 235-yard game in the Rose Bowl earning him the game's MVP award. He rushed for 1,357 yards and 13 touchdowns, while adding three receiving TD's and one on a kickoff return.

Wheatley would surpass the 1,000-yard rushing plateau each of his final two seasons in Ann Arbor garnering 1,129 yards and 1,144 yards, respectively. He completed his

Wolverine career with 4,187 rushing yards, 510 receiving yards and 53 total touchdowns.

In addition, he had a standout track and field career for the Maize and Blue winning three letters (1993-95). Wheatley earned an All-America citation for his eighth-place finish in the 110-meter hurdles at the 1995 NCAA Championships. He won the Big Ten's Outdoor title in the 110-meter hurdles in 1994. Wheatley still owns top-10 times in Michigan history in the 100-meter dash (8th / 10.46) and 110-meter hurdles (5th / 13.77).

He was a first round draft selection by the New York Giants in 1995 (17th overall) and concluded his 10-year professional career by spending the last six seasons with the Oakland Raiders. Between the two organizations, Wheatley rushed for 4,962 yards and 40 touchdowns, while adding 900 receiving yards and 705 kickoff return yards. He played in the 2003 Super Bowl as a member of the Oakland Raiders.

Wheatley earned his bachelor's degree in Kinesiology in 2008 from Michigan. He and his wife Kimberly have five children: Tyrone, Jr., Terius, Tyrique, Tiana and Tamari. Tyrone Jr. is currently a member of the Cleveland Browns organization as an offensive tackle, while Terius played running back at Virginia Tech in 2018 and 2019, before finishing his collegiate career in 2021 at Morgan State playing for his father.

The Inkster native was inducted into the Michigan Sports Hall of Fame in 2013. He was also selected as the top Michigan High School athlete of all-time by State Champs in 2017.

### What They Are Saying About Tyrone Wheatley

Fred Jackson (former Michigan running backs coach) – I've coached a lot of great players, the difference was Tyrone was always searching for ways to get better on the football field, and off the field as well. He didn't just want to be great. Tyrone was always chasing greatness. He was always trying to put himself in a position to be a better player. I knew he would be a fantastic coach."

Doug Marrone (former Buffalo Bills and Jacksonville Jaguars head coach) -- "Wayne State got it right with the hiring of Tyrone Wheatley as the school's head coach. He is a Michigan man through and through and he's extremely proud of his home state and that's an excellent starting point for his new endeavor. I've known Tyrone for close to 15 years and I've had the good fortune to have worked closely with him on a few different occasions. I've seen the attention to details and I've seen how he interacts with people and that's an excellent combination. Then you combine his knowledge of the game with the varied and multiple offenses that he has been a part of and implemented with great success. He's a leader of men and he's going to be a tremendous asset to Wayne State and the Detroit community."

He played both quarterback and wide receiver for the Huskies in 2018 appearing in four games (at Iowa, vs. Utah, vs. Central Michigan, and at Florida State). Hall recorded one reception vs. the

Hawkeyes. In 2019, he notched a solo tackle for NIU in a contest at Ohio University.

Following the pandemic, Hall joined William Penn University and played in nine games in 2021. He completed 24 passes for 391 yards and four touchdowns, while also rushing for 313 yards and four scores. In addition, Hall had four receptions for 129 yards including a 68-yard TD catch against Baker. He also accumulated 149 yards on seven kickoff returns (21.3 KOR).

After graduating from William Penn in May of 2022 with a bachelor's degree in Psychology, Hall spent his final season as a graduate transfer at Davenport.

He led Cass Tech to the 2016 MHSAA Division 1 state title by tossing an MHSAA Finals record-tying five touchdown passes. Hall finished his senior season by completing 142 of 238 passes for 2,535 yards and 28 touchdowns, after a junior season when he threw for 2,232 yards and 20 touchdowns and ran for 1,053 yards and 14 scores.

2019, Kelly-Powell played in three contests for the Wolverines.

He transferred to the University of Akron for the 2020 campaign, and started all five games in which he appeared for the Zips. Kelly-Powell recorded 18 tackles, including 11 solo stops, while adding a pair of pass break-ups. The following season, he started all 11 games he appeared in and ranked second on the squad in tackles (73), assisted tackles (40), interceptions (1 at Bowling Green) and fumble recoveries (1), while placing third in solo tackles (33) and sacks (1).

A MAC All-Academic selection in both 2021 and 2022, Kelly-Powell played in six games as a graduate student in 2022 recording 18 tackles (8-10), including a sack plus a quarterback hurry.

During his collegiate career, he played in 42 games and made 116 tackles (56-60).

A native of Ironton, Ohio, Young played in 10 contests in 2019 for Savannah State recording 53 tackles (37 solo, 16 assisted), seven tackles for loss (including two sacks)

along with three fumble recoveries, two forced fumbles and two pass break-ups at Clark Atlanta from his linebacker position.

## 2023 OUTLOOK

The 2023 Wayne State University football team will have a brand new look with seven new full-time coaches, including first-year head coach Tyrone Wheatley.

Of the 109 student-athletes currently listed on the roster for 2023, only 40 have earned a letter at WSU headlined by one three-year letterwinner in Noah Nicklin. There are 15 two-year letterwinners, two of which did not play last season.

Forty-five (45) of the players are either true freshmen (33) or redshirt freshmen (12), while the remaining 24 are entering at least their third year in college, but have not lettered at WSU.

Wheatley was named the 20th head football coach in program history in January of 2023.

Josh Kulka started all 10 games at quarterback last season and is the lone returnee with collegiate experience at that position. He passed for 1,544 yards and three touchdowns and also had four rushing touchdowns.

Graduate transfer Jayden Waddell was a dual threat at Davdison College in 2022, accounting for nearly 1,400 yards of total offense (889 passing and 494 rushing) and 10 touchdowns (seven passing and three rushing).

Both graduate student Eli McLean and redshirt freshman Cole Canter return for their second year in the program.

Wayne State recruited a pair of highly-talented signal callers to add to the depth and competition in Justin Cox (Akron, Ohio / Akron East Community Learning Center) and Cane Mack (Portage, Mich. / Portage Northern).

Two of last season's top three rushers return in First Team All-GLIAC selection Kendall Williams and Te'Avion Warren. Last year, Williams led the squad in rushing yards (680), receptions (34), receiving yards (410), kickoff returns (22), kickoff return yards (461), kickoff return average (21.0), and all-purpose yards (1,551). Warren will be mentioned among the receivers as a slot this year.

Competing for playing time in the backfield are sophomore D'Marco Singleton, junior Jeremiah Sterling, Jr., and redshirt freshman Brayden McKenna.

Singleton played in all 10 games in 2022 and led the squad with three special teams tackles on punt coverage (3-0). Sterling rushed 943 yards in two seasons with Olivet before redshirting at WSU a season ago. McKenna redshirted in 2022 as a true freshman after earning *Associated Press* First Team All-State honors as a senior.

Joining the returnees are freshmen Dahmir Farnum (Muskegon, Mich. / Mona Shores) and XaVior Tyus (Portage, Mich. / Portage Northern). Farnum received Division 2 First Team All-State recognition from the Michigan High School Football Coaches Association (MHSFCA) after rushing for 1,314 yards and 19 touchdowns. Tyus rushed for 1,402 yards as a senior and also had 235 receiving yards while scoring 23 touchdowns. He was selected

Kendall Williams was a First Team All-GLIAC selection a season ago.

to the *Detroit Free Press* Division 2 All-State First Team.

The top two returning wideouts are redshirt sophomores Dion Brown, Jr. and Manny Harris. The duo combined for 36 catches for 356 yards a season ago.

Also returning are redshirt seniors Darrin King II and Max Nicklin. King had his first four career receptions last year, while Nicklin played in nine games in 2022, primarily on special teams.

The six newcomers at wide receiver are Jordan Bell (St. Joseph, Mich.), Marcel Boyce, Jr. (Akron, Ohio / Buchtel Community Learning Center), PJ Sorce (Grosse Pointe, Mich. / Grosse Pointe North), Tyler Swick (Grosse Ile, Mich.), Bryan Williams (Detroit, Mich. / Chandler Park Academy) and Annas Zeedan (Dearborn, Mich. / Edsel Ford).

Bell, the son of WSU Hall of Fame inductee Joique Bell, was selected to the Southwestern Michigan Athletic Conference (SMAC) Honorable Mention All-League Team as a senior. Boyce caught 49 passes for 947 yards and 11 touchdowns in 12 games as a senior.

Sorce caught 18 passes for 471 yards and six touchdowns as a senior, while Swick was named to the 2023 *Detroit Free Press* All-West First Team. Williams played for former WSU assistant coach Tony Blankenship last year at Chandler Park Academy. Zeedan missed most of his senior season with the Thunderbirds due to an injury.

WSU brought in a trio of transfers at wide receiver in Colin Gardner (Northville, Mich. / Brother Rice / Albion), Myles McKatherine (Chicago, Ill. / St. Rita of Cascia / College of DuPage) and Justyz Tuggle (Redford, Mich. / Detroit Central / Bethune-Cookman).

At the slot position, the Warriors return junior Te'Avion Warren and redshirt junior Jeff Knight. In addition, recruits Ke'Waun Farnum (Muskegon, Mich. / Mona Shores) and Dontez Hicks (Detroit, Mich. / Central) will be in the mix.

Warren had four receptions last year in limited time on offense as he also played in the secondary on defense. Knight saw action in three games a season ago, mainly on special teams. Farnum garnered Michigan High School Football Coaches Association (MHSFCA) Division 2 All-State First Team honors in 2022. Hicks was selected to the 2022 MHSFCA Division 7 All-State First Team.

Wayne State must replace Nick Poterack, who finished 33rd in career receiving yards (736) and tied-for-14th in touchdown receptions (8), but first among tight ends in both categories in school history, and was a three-time All-GLIAC performer.

The new look Warriors have incorporated the fullbacks into the tight end position.

Redshirt junior Nathaniel Eberly-Rodriguez, who played in all 10 games at tight end in 2022, starting five times, is the most experienced returnee at the position. Classmates Tommy Guajardo and Kaveon Ross have limited collegiate experience. Guajardo appeared in two contests a season ago, while Ross played in five games as a redshirt freshman in 2021.

Redshirt sophomore John Rayba earned a letter in 2022 as a fullback. He saw action in all 10 contests in 2022, including at fullback in five games.

Redshirt freshmen Gabe Mendoza and Nick Ostas both redshirted in 2022. Mendoza was voted to the All-Oakland Activities Association White Division All-League team in 2021, while Ostas earned First Team All-Lenawee County Athletic Association honors as a senior defensive end.

Jobe Benschoter (Adrian, Mich. / Tecumseh) is a true freshman, who will most likely redshirt. He was selected to the *Detroit News* All-State Second Team as a senior.

The offensive line cupboard is not bare as nine players with collegiate experience return, including six of which started at least six games a season ago. The O-line contingent is young, however, as five of the eight letterwinners from last year earned their first Warrior letter.

The lone three-year letterwinner on the entire 2023 squad is veteran Noah Nicklin. The graduate student has made 13 starts (nine at left guard and four at center), while playing in 23 career contests.

The two-year letterwinners on the offensive line are tackle Blake Bustard and guard Chrishoun Roberts. Bustard, a redshirt junior, garnered First Team All-GLIAC and Honorable Mention All-America accolades from Hansen Football last year. He started all 10 games at right tackle in 2022. Roberts, a redshirt senior, has started 17 career games (14 at right guard and three at center).

Joining Bustard as a returning tackle is redshirt junior Tyler Schomper, who started nine times at left tackle a season ago. Redshirt sophomore Adam Sarjo appeared in nine of the 10 games last year seeing action at both tackle spots. Two redshirt freshmen tackles also return in Tomi Bisiriyu and Ethan Gates. Bisiriyu was selected to the 2021 IHSFCA Honorable Mention All-State Team for Division 7A, while Gates received First Team All-State Division 2 accolades from the Michigan High School Football Coaches Association.

There will be strong competition at the guard positions with five student-athletes with collegiate experience battling for two starting spots. Joining the aforementioned Noah Nicklin and Chrishoun Roberts are redshirt sophomores Owen Salingue and Sam Waibel, along with redshirt junior Charles Wesley. Salingue appeared in the final two games of 2022, both on the PAT team. Waibel played in all 10 contests a season ago, starting the final seven games at right guard. Wesley also played in all 10 contests last year, starting seven times at left guard.

The center position has the least collegiate experience as redshirt sophomore Aidan Tweedy (Oswego, Ill.) is the only one who has played in college. A versatile performer, Tweedy saw action in eight contests last year and made his lone start at left tackle (at GVSU). He also played left guard in four consecutive games as well as seeing action at center and at right guard. Both Will Edwards and Jayden Lewin redshirted in 2022. Edwards received 2021 Second Team All-Ohio accolades, while playing for the Division 2 state champions. Meanwhile Lewin received Second Team All-Saginaw Valley League honors as a senior.

Wayne State recruited five offensive linemen to help with depth for the 2023 campaign. They are Isaac Dawkins (6-3, 280, Berkley,

Tackle Blake Bustard was an Honorable Mention All-American in 2022.

## 2023 OUTLOOK

Graduate student Drake Reid was voted to the 2022 All-GLIAC Second Team.

Mich. / Berkley), Jamire Hall (6-3, 275, Detroit, Mich. / Redford Union), Jon Haygood (6-4, 280, Warren, Mich. / Woods Tower), William O'Brien (6-3, 290, Detroit, Mich. / Cass Tech), and Noah Thomas (6-6, 290, Livonia, Mich. / Dearborn Divine Child).

The defensive line returns just one start [total] from a season ago as all four defensive line starters in 2022 have graduated (Sean Banaszak, Charles Ellington III and Jacob Mass each started all 10 games, while Damond Duncan made nine starts).

The cupboard is not bare as five returning defensive ends have seen action in college. Arnold Saidov, who was named to the 2021 All-GLIAC Honorable Mention Team, is back on the field in 2023. Saidov led all WSU defensive linemen with 30 tackles (13-17) in 2021.

Veterans Kofe Kimbrell, Jacob Edelman and Niko Mosley are starting their fifth year in the program, while Donte Reed is beginning his fourth season as a Warrior.

Kimbrell and Reed each saw action as a back-up defensive end in all 10 games in 2022. Mosley played 19 games combined as a linebacker in 2019 and 2021, while Edelman made five tackles in just two contests last fall.

Sophomore Aaron Mass along with redshirt freshmen Colby Horn and Joe Clark, Jr. will push the veterans for playing time.

Wayne State added JuCo defensive end Jaden Davis in January from Ellsworth Community College. Davis was a First Team All-Region honoree last season for the Panthers, and then added Danny Chaudhry (Macomb, Mich. / Dakota) and Messiah Williams (Newark, N.J. / Weequahic) from Morgan State and East Los Angeles College, respectively.

The two incoming freshmen are Jaiden Acker (Cedar Springs, Mich. / Kenowa Hills) and CJ Gordon (Benton Harbor, Mich. / Berrien Springs). Acker was a multi-sport athlete at KHHS, while Gordon earned First Team All-Lakeland Conference honors on both offense and defense as a senior.

Only five guys on the roster are listed as defensive tackles led by redshirt senior Kane Quinlan, who started once for Duncan in 2022. Classmates Jarrett Short and McKinley Underwood both earned their first collegiate letters last fall, as did redshirt sophomore Gus Taylor. Quinlan has appeared in 18 contests over the last two seasons, while Short saw action as a back-up defensive tackle in three contests last year. Underwood played in eight contests in 2022, while Taylor saw action as a back-up defensive tackle in the first eight games a season ago.

Ben Griskie (Macomb, Mich. / Lutheran North), the younger brother of former WSU place-kicker Jackson Griskie, joined the Warrior program in January after playing his first season at Lake Erie College. The lone recruit in the group is Jordan Hutchinson (Eastpointe, Mich. / Chandler Park Academy), who was a three-sport athlete for the Eagles.

The linebacker corps returns just one of its three starters from 2022, Honorable Mention All-GLIAC selection Matt Buschman. The Eastern Michigan transfer earned WSU's Defensive Player of the

Year award after breaking the school record and leading the country with five fumble recoveries a season ago. Besides Buschman, there are three other returnees with collegiate experience.

Darien Tipps-Clemons made four starts last year and was the WSU Defensive Player of the Week for the contest at Grand Valley State. Blake Gilliam saw action in eight contests in 2022 and has recorded 42 career tackles in 18 games.

Sophomore Justin Hart played in the final nine contests last season as a redshirt freshman mainly on special teams. Classmate Brody Dalton looks to make his collegiate debut after missing all of last season with an injury.

Madonna transfer Carl Ware totaled 67 tackles in 11 games for the Crusaders last year, while Chowan transfer Shaun'Dell Hawkins made 26 stops for the Hawks in 2022. He is the younger brother of WSU safety Shavez Hawkins, Jr.

Redshirt freshman Quincy Salter moved over to the defensive side of the ball before spring practice began.

A trio of incoming freshmen will provide depth as they get acclimated to collegiate football. The newcomers are Davon Dallas-Jackson, Armon Garfield, and Steven McCrary, Jr.

Dallas-Jackson was a three-sport athlete for the Panthers, while Garfield was as three-year letterwinner for the RRHS football team. McCrary was a *Detroit Free Press* All-Detroit honoree as a senior.

The most experienced player in the secondary group is graduate student Drake Reid, who has 97 tackles and 13 pass break-ups in two seasons. He started at both cornerback and safety last season.

Others returning with cornerback experience include sophomore Elijah Fowlkes, who garnered Honorable Mention All-GLIAC recognition as a true freshman a season ago. He played in seven games, starting five times and received GLIAC Defensive Player of the Week honors after recording two interceptions, including a 51-yard pick six against Wisconsin-La Crosse. Gamon Howard (Vallejo, Calif. / American Canyon H.S. / Lincoln, Calif.) sat out last year as a transfer, but has played three seasons collegiately.

Four true freshmen are also in the mix for playing time. This quartet includes Josiah Buford (Flint, Mich. / Swartz Creek), Jaydon Bush (Southfield, Mich. / Southfield A&T), Kejuan Houston (Belleville, Mich.) and Anthony Walk, Jr. (Detroit, Mich. / Central).

Buford was selected Genesee County Defensive Back of the Year in 2022 and was a three-sport captain, while Bush began his high school career at Sandwich Secondary School in Windsor before spending his final two seasons at Southfield A&T. Houston made three tackles in the state championship game win over Caledonia last November. Walk totaled 56 tackles as a senior along with five interceptions and 11 pass break-ups.

The safety position is loaded with experience as graduate student Shavez Hawkins, Jr. returns after receiving a medical redshirt for 2022. Hawkins has played in 13 games in his two seasons with the Green and Gold, making 10 starts.

Veteran Dalen Peeks is back on the active roster after redshirting a season ago. Peeks has appeared in 16 games in two active seasons, making 10 starts in the secondary.

Four others earned their first collegiate letter in 2022. Redshirt juniors Hayden Loya and Brayden Vredevel are joined by sophomores Chidiebere Aneale and Chris Gillam. Loya played in all 10 games a season ago, starting twice, while Vredevel played in all 10 games last year. Aneale played in the last nine games of 2022, seeing action as a back-up safety in six contests with Gillam seeing action in five contests a year ago.

Three transfers and a redshirt freshman are in the mix to push the veterans. The newcomers are graduate transfer Jace Parrish (Grand Blanc, Mich. / Grand Blanc / Northwood), Jaden Williams (St. Louis, Mo.), and Draven Wilson, along with Devon Brown, who redshirted a year ago.

Parrish appeared in 25 games for the Timberwolves and totaled 114 tackles. Williams attended Eastern Michigan last year, after running track at Western Texas Community College in 2021-22. Wilson saw action in one contest for WSU in 2022. Brown was selected WSU Scout Special Teams Player of the Week for the road Grand Valley State contest.

The three true freshmen at safety include Torrence Greene (Ypsilanti, Mich. / Ann Arbor Huron), Rashad Boyd, Jr. (Detroit,

Mich. / Hazel Park), and Derrick Wallace, Jr. (Warren, Mich. / Eastpointe).

Greene led the Washtenaw County area with 15 pass break-ups in 2022 to earn MLive Ann Arbor Area Dream Team accolades. Boyd, Jr. finished his senior season with 101 tackles and four forced fumbles, along with three interceptions. Wallace, Jr. participated in the 2023 MHSFCA East West All-Star game.

There will be competition for each spot on special teams as three veteran kickers return.

Redshirt juniors Griffin Milovanski, Jeremy Taras and Maxx Fisher each enter their fourth year in the program.

Milovanski was voted to the All-GLIAC Second Team a year ago after leading the team in scoring with 49 points (8-of-11 field goals, and 25-for-25 PATs). He became only the third kicker in the last 26 years to lead the team in scoring (Stefan Terleckyj in 2013 and Paul Graham in 2017). Milovanski tied-for-third most PATs made in a season without a miss.

Career wise, Milovanski has tallied 94 career points (15 field goals and 49 PATs) to rank 32nd in school history in scoring, but seventh among kickers. He is ranked second in field goal percentage (.789 / 15-of-19 / min. 5 attempts), sixth in PAT percentage (.942 / 49-of-52 / min. 20 attempts) [only Stefan Terleckyj and Paul Graham have made more PATs and have a higher percentage], and eighth in field goals made (15) in WSU history.

Taras appeared in two contests in 2021, while Fisher is looking to make his collegiate debut this fall. Freshman Griffin Nowak (Livonia, Mich. / Franklin) will push the returnees for a spot.

The four aforementioned kickers will also be battling for the punting duties. Taras has averaged 37.5 yards on 12 punts in 2021, while Milovanski has punted 58 times over the last two seasons with an average boot of 36.1 yards.

The competition for the long snapper position will feature true freshman Nico Davis (Brighton, Mich.) along with returnees Jacob Edelman and Tommy Guarjardo. Davis can also short snap. Both the long snapper (Jacob Mass) and short snapper (Cooper Kukal) from last season have graduated.

The holder position has incumbent Josh Kulka, plus veteran Maxx Fisher (Midland, Mich.) among others in the mix.

The top three kickoff returners from last season are back in the fold as senior Kendall Williams led the squad in kickoffs (22), return yards (461) and average (21.0), while sophomore Manny Harris averaged over 18 yards on six returns, and junior Te'Avion Warren averaged over 19 yards on five returns.

Sophomores Dion Brown, Jr. and Manny Harris both returned punts a year ago.

Matt Buschman led the country in fumble recoveries a season ago.

## BROADCAST CREWS/WDTK-WEEKLY WITH WHEATLEY

In the summer of 2022, WSU announced an extension of a radio broadcast agreement with 1400 AM and FM 101.5 The Patriot (WDTK) for football and men's basketball through the 2025-2026 school year.

The 2023 campaign will be the 22nd season WSU football and basketball games have been aired on 1400 AM and contests are also available through the Internet at patriotdetroit.com and on 101.5 FM.

Veteran Detroit sports broadcaster Sean Baligian returns for his 15th season calling Warrior football. Baligian has been on the Detroit airwaves since 1998, and was on Fox 2 from 2002-18. He has also written for *The Detroit News* and *MLive.com*. In October of 2007, Baligian was named Best Radio Sports talk Host by the *Metro Times* for the people, places and things that make metro Detroit great. He hosts shows on WJR. In addition, Baligian has worked for USA Hockey and does MHSAA hockey and football. He also served as the play-by-play announcer for a Carolina Hurricanes TV broadcast.

Former Warrior tailback and kick returner Josh Renel will again be joining Baligian in the booth. Renel provided color commentary for one game in 2012 and nearly every game for nine seasons (2013-19, 2021-22).

Renel finished his collegiate career with nearly 5,600 all-purpose yards (which ranks second in

school history behind Joique Bell) and became only the second player in NCAA Division II Championship game history to take back the opening kickoff for a touchdown.

During his 48-game career, he averaged over five yards a carry, nearly 12 yards per punt return and 25.0 yards on 64 kickoff returns. Renel, who served as a team captain on the 2011 national runner-up squad, was inducted into the Wayne State University Athletics Hall of Fame in February of 2018.

Former Warrior defensive end Brady Beedon will serve as the color analyst for nine games and also handle the Locker Room Report and Senior Spotlight features again this season for WDTK.

Beedon, who graduated from WSU in December

of 2019 with a degree in broadcast journalism, received membership into the 2020 National Football Foundation Hampshire Honor Society for maintaining over a 3.20 cumulative grade-point average throughout his playing career. He played in 36 career games, making 11 starts and totaled 40 tackles (26-14), including 10 for loss (7 solo, 6 assisted). He is tied-for-ninth in school history with two blocked kicks and tied-for-26th with four quarterback hurries.

In addition, WWJ Afternoon Anchor Tony Ortiz will serve as the sideline commentator during the six home broadcasts. Ortiz previously served as the sideline reporter for the Comcast CN900 broadcasts of WSU football from 2016 through 2022.

"Our relationship with Wayne State University Warriors is long and deep and treasured by us at Salem Media," stated WDTK General Manager Chris MacCourtney. "We look forward to cheering on the Warriors with new blood and new excitement on and off the field. Go Warriors!"

## GLIAC HISTORY

The Great Lakes Intercollegiate Athletic Conference (GLIAC), founded in 1972, has been a leader in the advancement and promotion of intercollegiate athletics for men and women for over 50 years.

The charter members of the GLIAC (pronounced GLEE-ack) were Ferris State University, Grand Valley State University, Lake Superior State University, Northwood University (then Institute), and Saginaw Valley State University.

Expansion of the GLIAC began immediately with the addition of Oakland University in 1974. Hillsdale College, Northern Michigan University, and Wayne State University were accepted as members in 1975. In 1977, the conference lost its first member when Northern Michigan withdrew. Michigan Technological University filled the vacancy when it became a member in 1980. After the 1986-87 season, Northwood left the conference and was replaced by Northern Michigan. Northwood rejoined the conference in 1992.

After the 1989 season, the conference dropped football as a sponsored sport. The conference schools sponsoring football joined the members of the Heartland Collegiate Conference in forming the football-only Midwest Intercollegiate Football Conference (MIFC), which began play in 1990.

After nine years as one of the premier conferences in Division II football, the MIFC merged as part of GLIAC on July 1, 1999. With the merger, the University of Indianapolis became an associate member as a football-only school.

The GLIAC entered a new era in the 1995-96 school year. Prior to that time, all GLIAC member institutions were located in the state of Michigan. On Dec. 14, 1994, membership was offered to Ashland University (Ohio), and Gannon University and Mercyhurst College, both located in Erie, Pennsylvania. All three schools began their membership on July 1, 1995.

On July 1, 1997, membership was granted to The University of Findlay, located in Findlay, Ohio. UF replaced Oakland University, which withdrew from the conference after the 1996-97 season as it moved to NCAA Division I status.

The GLIAC membership changed again when Tiffin University of Ohio joined the conference in the 2008-09 academic year. Tiffin was offered membership on June 20, 2007. The addition of Tiffin left the GLIAC with 12 full-time members as Gannon and Mercyhurst moved to the Pennsylvania State Athletic Conference after the 2007-08 season.

The GLIAC began a new era during the 2009-10 academic year. Commissioner Tom Brown, who had presided over the league for 17 years, retired on June 30, 2009. The longest serving commissioner in the history of the GLIAC, Brown expanded the conference from 10 full members to 14 full members and two associate members. Also under his leadership, the conference grew to offering championships in 21 sports while rising to prominence on the national level as GLIAC teams and student-athletes achieved success both in the classroom and on the fields of play.

The Conference expanded on July 1, 2010, when Lake Erie College of Painesville, Ohio, and Ohio Dominican University, located in Columbus, joined the GLIAC. The League further expanded on July 1, 2012,

when Malone University and Walsh University, both located in the Canton, Ohio, area joined the conference. In 2017-18, the Conference welcomed Davenport University and Purdue University Northwest to the membership as the Panthers and Pride began GLIAC competition. Accordingly, Findlay, Hillsdale, Lake Erie, Ohio Dominican and Walsh withdrew from the conference at that same time. The University of Wisconsin-Parkside became a full GLIAC member in 2018-19 as Tiffin departed two years after Malone left the conference. Ashland left the GLIAC in the summer of 2021, and Northwood left in 2022.

The policy-making body of the GLIAC is the Management Council, which is comprised of three representatives from each member institution – its director of athletics, faculty athletics representative and senior woman administrator.

The presidency of the GLIAC Management Council is rotated alphabetically by school, with Keri Becker, Director of Athletics at Grand Valley State University, serving as GLIAC President in 2023-24. Philomena V. Mantella, President at Grand Valley State University, will serve as the chairperson of the GLIAC President's Council.

The GLIAC made history when it hired Dell Robinson as Commissioner. Robinson became the first ethnic minority to serve as D-II commissioner of a non-historically black college or university conference when he began his duties on July 1, 2009, and served through June 2016. Kris Dunbar, formerly director of athletics at Lake Superior State University, joined the GLIAC as its seventh commissioner in May of 2017.

The GLIAC staff consists of: Kris Dunbar, Commissioner; Michael Pierce, Associate Commissioner; John Regenfuss, Assistant Commissioner; Josh Pickler, Assistant Director of Video Operations and Communications; Bill Carollo, Supervisor of Football Officials; Kim Vieira, Supervisor of Soccer Officials; Jeanne Skinner, Supervisor of Volleyball Officials; Rob Doss, Supervisor of Women's Basketball Officials; Bill Ek, Supervisor of Men's Basketball Officials; MJ Evagash, Supervisor of Women's Lacrosse Officials; Bill Gomoluch, Supervisor of Softball Umpires; and Bruce Doane, Jr., Supervisor of Baseball Umpires.

### AFCA GOOD WORKS TEAM

The two 11-man teams, a Division I-A team and a combined team from NCAA Football Championship Subdivision, Divisions II, III and the NAIA, honor players for their dedication and commitment to community service. The AFCA has been selecting the Good Works Team since 1997. From 1992-1996, the Good Works Team was chosen by the College Football Association. When the CFA disbanded in 1997, the AFCA began selecting the teams.

Alan Guy's selection in 2007 marked the first time a WSU football player had earned Good Works honors.

Trent Brodbeck was a member of the 2016 Allstate AFCA Good Works Team, while Luke Bevilacqua was named to the 2019 Allstate AFCA Good Works Team.

**GAME RECAP:** Wayne State had its 2022 campaign come to a close with a 40-14 setback to sixth-ranked Ferris State, who ended up winning the national championship.

#### HOW IT HAPPENED

- The Bulldogs took the opening kickoff and went 73 yards. The big play was a 69-yard pass from Carson Gulker to Tyrese Hunt-Thompson.
- The Warriors knotted the game at 7-7 on an eight-play, 69-yard drive in 3:50. Myren Harris had a 25-yard carry on fourth-and-one to extend the drive. Two plays later Dion Brown, Jr. took a lateral and threw a 20-yard touchdown pass to Kameron Ford.
- Ferris State answered with 60-yard touchdown drive.
- After a Wayne State punt, FSU had a first-and-goal but back-to-back incompletions preceded a 14-yard loss on a fumble and a fourth down incompletion.
- Each team fumbled on its next possession, with Matt Buschman recovering his national-leading fifth fumble.
- WSU's fourth down punt was blocked and went out of the end zone for a safety.
- On the first play after a Warrior punt, CJ Jefferson went 54 yards with a pass from Gulker, before Buschman forced a fumble which was recovered by Myles Harris.
- Ferris State extended its lead to 30-7 just 13 seconds before intermission on a one-yard plunge by Gulker.
- Three plays after a Wayne State punt, Buschman intercepted a Gulker pass. Josh Kulka had a 39-yard completion to Kendall Williams on the first play, then Myren Harris scored on a one-yard rush.
- Emarion Perkins forced and recovered a Bulldog fumble on the ensuing drive. After a three-and-out by the Wayne State offense, Kofe Kimbrell made a diving interception on a third down pass play by FSU.

The Wayne State University football program has had eight individuals earn a total of 10 GLIAC Commissioner's Awards since the inception of the program for the 2007-08 academic year.

The most recent honorees were offensive linemen Landin Mitchell and Lane Potter for the 2020-21 academic year.

The Commissioner's Awards are issued after the Fall, Winter and Spring seasons and highlight six female and six male athletes that excel in both the classroom and on the field of play each season.

Sixty (60) WSU student-athletes have earned this award a total of 76 times. The 16 two-time recipients are Alison Allen (softball), Cauli Bedran (men's swimming), Lyndsay Butler (softball), Luka Cvetko (men's swimming), Thomas Ducret (men's tennis), Karter Fitzpatrick (baseball), Jordan Fox (women's swimming), Grant Haefner (men's golf), Ryan Katulski (men's swimming), Catherine Leix (women's swimming), Stewart Nowinski (men's swimming), Josh Renel (football), Kayla Scott (women's swimming), Ashley St. Andrew (women's swimming), Kyle Toth (football) and Mike Wiseman (baseball).

The eight WSU student-athletes to earn the GLIAC Commissioner's Award during the 2022-23 academic year were women's swimmer Jordan Fox, women's diver Mikaela Senkus, men's swimmers Luka Cvetko and Stewart Nowinski, women's tennis player Anais Ruysen, baseball pitcher Karter Fitzpatrick, and men's tennis standout Daniel Grey.

Warrior football student-athletes to receive the Commissioner's Award include Josh Renel (2010 and 2011), Mickey Mohner (2012), Nick Thomas (2012), Chet Privett (2013), Trent Brodbeck (2016), Kyle Toth (2018 and 2019), Landin Mitchell (2020) and Lane Potter (2020).

Two-time GLIAC Commissioner Award recipient Josh Renel is pictured above scoring the first touchdown of the 2011 national semifinal win at Winston-Salem State. He would also score the first touchdown of the 2011 national championship game returning the opening kickoff 93 yards.

Two-time GLIAC Commissioner Award recipient Kyle Toth is pictured. He was voted to the CoSIDA Academic All-America First Team in both 2018 and 2019. Toth played in 41 contests, starting the last 33 games for the Green and Gold. He concluded his collegiate career with 199 career tackles (120-79).

## 2020 WSU Football GLIAC Commissioner's Award Recipients

The Great Lakes Intercollegiate Athletic Conference began sponsoring football as a league sport in the Fall of 1973 with three teams - Ferris State, Grand Valley State and Northwood. In 1974, Hillsdale joined the league as the fourth football team. The conference expanded again in 1975 when Saginaw Valley State started a football program and Wayne State joined the league. The number of GLIAC football teams grew to seven in 1980 when Michigan Tech was added, though the Huskies left the league after the 1985 season. In 1987, Northwood left the league and was replaced by Northern Michigan.

After the 1989 season, the GLIAC dropped football as a sponsored sport. The six conference schools sponsoring football - Ferris State, Grand Valley State, Hillsdale, Northern Michigan, Saginaw Valley State and Wayne State - joined the five members of the Heartland Collegiate Conference - Ashland, Butler, Indianapolis, St. Joseph's and Valparaiso - in forming the football-only Midwest Intercollegiate Football Conference (MIFC), which began play in 1990.

The MIFC would change again for the 1993 season as two teams would leave and two teams would join. Butler and Valparaiso left the conference, but Northwood rejoined and the College of St. Francis (Ill.) was added. The league grew to 12 teams in 1994 with the addition of Michigan Tech and stayed at 12 teams until St. Joseph's left after the 1995 season. In 1998, the league expanded to 14 teams with the additions of Findlay, Mercyhurst and Westminster, but would drop back to 13 teams with the departure of St. Francis after the season.

Westminster departed after the 1999 season, leaving 12 teams. Gannon was added before the 2004 season, giving the league a 13-team roster.

After nine years of existence as one of the premier conferences in Division II football, the MIFC merged as part of GLIAC on July 1, 1999.

The GLIAC has earned the reputation as one of the toughest and deepest conferences in Division II with a strong postseason history.

Three GLIAC teams made National Association of Intercollegiate Athletics (NAIA) playoff appearances. Grand Valley State made it to the national semifinals in 1978. Saginaw Valley State made three trips to the NAIA playoffs (1979, 1983, 1984), posting a 2-3 mark. Hillsdale earned five NAIA postseason berths as a member of the GLIAC (1981, 1982, 1985, 1986, 1988), taking home the championship in 1985.

The first team to represent the GLIAC in the Division II playoffs was Northern Michigan in 1987. The Wildcats made the D-II semifinals that season.

Grand Valley State started a three-year postseason run in 1989, though the Lakers failed to get out of the first round. Butler joined GVSU in the D-II playoffs in 1991, marking the first year the league had two teams participate in postseason play. Butler fell to the eventual national champion, Pittsburg State in the first round.

The 1992 Division II playoffs saw the first GLIAC team make it past the opening round in league history. Ferris State posted a first-round win over Edinboro before falling to New Haven in the quarterfinals. The 1992 season marked the beginning of a five-year playoff run for the Bulldogs, with their then-best performance coming in 1995 after a D-II semifinal appearance.

Grand Valley State made its fourth and fifth D-II postseason trips in 1994 and 1998, respectively. Ashland made its first appearance in the playoffs as a member of the GLIAC in 1997.

After being shut out of the playoffs in 1999, the GLIAC posted two teams in the 2000 tournament as Northwood and Saginaw Valley State each made their first D-II postseason appearances. The Timberwolves claimed a first-round victory over Indiana (Pa.) before falling to Bloomsburg in the quarterfinals.

The 2001 season was historic for the league as two teams made it through the first round of the playoffs. Grand Valley State and Saginaw Valley State each posted opening-round wins and faced each other in the national quarterfinals. The Lakers won a shoot-out, 33-30, in Allendale, and cruised to a semifinal win over Catawba. GVSU advanced to the championship game before falling to North Dakota, 17-14.

The Lakers redeemed themselves in 2002 by claiming the league's first Division II football national championship. Grand Valley State defeated Valdosta State in the finals, 31-24. GVSU would repeat as national champions in 2003. The Lakers knocked off North Dakota in that championship game, 10-3.

GLIAC co-champions Michigan Tech and Northwood, along with Grand Valley State, would earn playoff berths in 2004. GVSU fell in the regional finals to North Dakota, 19-15.

The 2005 season saw more postseason success for the GLIAC. GVSU, SVSU, and Northwood each gained postseason entrance. The Lakers and Cardinals battled for the Northwest Region title, but GVSU advanced, 24-17, and went on to defeat NW Missouri State, 21-17, in the Division II title game. In 2006 both Northwood and Grand Valley State earned postseason berths. The Lakers ran the table and met NW Missouri State in the finals, claiming a 17-14 victory and winning the leagues' fourth D-II Championship. GVSU and Ashland earned playoff bids in 2007 and 2008, while 2009 saw Grand Valley State, Hillsdale and Saginaw Valley State in the D-II postseason. GVSU made an impressive run to the final before falling to NW Missouri State.

In 2010, GVSU and Hillsdale earned D-II playoff berths with the Lakers falling in the Super Region III Semifinals. 2011 saw Wayne State and SVSU make the postseason with the Warriors making an improbable run to the D-II finals before falling to Pittsburgh State, 35-21. WSU won four consecutive road playoff games as the No. 6 seed in Super Region 3 claiming victories at St. Cloud State (48-38) in a blizzard, 38-26 at Nebraska-Kearney, 31-25 at defending national champion Minnesota Duluth, followed by a 21-14 triumph at unbeaten Winston Salem State in a national semifinal game televised on ESPN.

Ashland represented the Conference in the 2012 playoffs, losing to Midwestern State in the Super Region

IV semifinals, 33-28. The GVSU Lakers once again made a deep run in the 2013 NCAA Playoffs which started with a triumph over GLIAC foe Saginaw Valley State. Ohio Dominican earned a first-round bye and made its first appearance in the tournament. The Panthers dropped a 34-27 heartbreaker in Columbus to West Texas A&M. GVSU swaggered all the way to the national semifinals after taking out CSU-Pueblo on the road 34-30 and knocking off West Texas A&M in Allendale 35-28. Northwest Missouri State used their home field advantage to defeat the Lakers by a 27-13 final score in the D-II semifinals.

After an exciting 2014 regular season, three GLIAC programs qualified for the NCAA D-II Playoffs. Ohio Dominican returned to the playoffs for the second straight season and took down Colorado Mines, 34-23, on the road in impressive fashion to start the postseason. Meanwhile, Angelo State stunned Michigan Tech 42-41 in Houghton after a wild second half comeback from ASU bounced the Huskies at home. In the regional semifinals, Ohio Dominican dissected the unbeaten Ferris State attack and advanced in the back-and-forth contest with a 46-33 victory on the road in Big Rapids. Unfortunately, the ODU run ended in the next round as the Panthers fell behind early and nearly completed a major comeback on the road before falling 31-28 to the eventual national champions, CSU-Pueblo.

Ashland and Ferris State both completed undefeated regular seasons in 2015 and joined Grand Valley State in the D2 playoffs to once again give the GLIAC three NCAA bids. Ferris State upended Texas A&M-Commerce, while Grand Valley State earned a road victory at Ashland to eliminate the Eagles in the Super Region 4 Quarterfinals. The GVSU Lakers went on to avenge a regular-season loss to Ferris State by defeating the Bulldogs 38-34 in Big Rapids. Grand Valley State then traveled to CSU-Pueblo where they earned an impressive 31-7 victory and the Super Region 4 title. However, GVSU's impressive run as the No. 6 seed ended with a 34-32 setback to Shepherd in the national semifinals.

In 2016, both FSU and GVSU qualified with the Bulldogs claiming a 47-32 triumph in Allendale in the Super Regional final. FSU lost the next week, 35-20, at Northwest Missouri State.

Ashland and Ferris State qualified for the NCAA Tournament in 2017 with both schools posting narrow home field victories in the opening round. FSU won at Fort Hays State (31-21) in the second round, while the Eagles fell 34-24 at home to Harding. The Bulldogs were then edged 16-14 by Harding in the Regional final on a last-second 20-yard field goal.

In 2018, Ferris State advanced all the way to the national championship game, while Grand Valley State lost at home in the opening round. FSU won the first two games at home, then won two road contests before falling 49-47 to Valdosta State in the first championship game played at McKinney (TX) ISD.

After a first round bye in 2019, Ferris State won two home playoff games before falling 28-14 at home to West Florida. FSU went undefeated in 2021 (14-0) and won the national championship game. Davenport, FSU and GVSU all qualified for the NCAA Playoffs in 2022 with the Bulldogs defeating the Panthers. After a bye, the Lakers defeated Northwest Missouri State at home before falling to FSU in the quarterfinals. The Bulldogs won the national title defeating Colorado Mines, 41-14.

Though many teams have made history for the GLIAC, the league can also boast upon individual accomplishments. In 2002, GVSU quarterback Curt Anes became the GLIAC's first Harlon Hill Trophy winner as the Division II Player of the Year. The GLIAC had its second Harlon Hill winner when Wayne State running back Joique Bell claimed the honor in 2009. Bell is the only person in GLIAC history with two 2,000-yard rushing seasons. In 2015 and 2016, Ferris State quarterback Jason Vander Laan took home the D-II Heisman equivalent after consecutive record-shattering years for the Bulldogs. FSU's Jayru Campbell was the 2018 recipient of the Harlon Hill Award.

## SENIOR ALL-STAR GAME PARTICIPANTS

Running back Joique Bell became the first former Wayne State University player to participate in the Senior Bowl. In January of 2010, he rushed for 17 yards on eight carries, but recorded a first down on three of his rushing attempts.

Four of his carries came on the North's initial drive of the game setting up a field goal.

Left tackle Nate Theaker, the 2016 GLIAC Offensive Lineman of the Year, participated in the 2017 NFLPA Bowl, while guard Robert Kelly played in the 2016 National Bowl in Daytona Beach, Fla.

Most recently offensive lineman Landin Mitchell played in the 2021 National Bowl, while linebacker Leon Eggleston received Defensive MVP honors for the National Team, at the 2019 National Bowl held in Daytona Beach, Fla. Eggleston tied for game-high honors with 12 tackles (8 solo, 4 assisted) along with an interception in leading the National Team to a 31-29 victory over the American squad.

Cornerback James Howard participated in the 2017 National Bowl, while offensive lineman Israel Helms competed in the 2018 FCS National Bowl and the 2019 Spiral Tropical Bowl.

Thornton's participation marked the 13th by a Wayne State player in the Division II All-Star game.

The Warriors had two seniors from the 2008 campaign participate in post-season bowl games. Both safety Dante Dunn and linebacker Tristan Black played in the East Coast Bowl, while Dunn also saw action in the 2009 Cactus Bowl.

His 11-yard run on the first drive of the second half set up the East's squad first points. On a third-and-two rush in the fourth quarter, Duppong gained three yards and another first down. In overtime, he had a five-yard carry on a second-and-10 that led to an East field goal and a 27-24 lead. The West squad threw a 35-yard touchdown pass on its first play

Huston Julian played in the 2001 Cactus Bowl following the completion of the 2000 season.

"This was just an amazing experience," said Julian. "It was nice to put on the pads once again and play the game that I love. There was great support from the community for the game and it was an unbelievable atmosphere to be around. It was nice to be a celebrity for a week."

After the end of the 1997 campaign, Tony Hawk and Derek Lindsay both participated in the 1998 contest. The previous year Ken Johnson was selected, while Gary Ruttan played in the 1996 game. Matt Carey and Joe Gough each participated in the 1995 Snow Bowl.

The East Coast Bowl was an annual college All-Star football game played the Saturday following Thanksgiving at Historic Cameron Field in Petersburg, Va.

The game was cosponsored by the City of Petersburg and the National Football Foundation/College Hall of Fame and all revenue generated was used to award a scholarship for a high school senior who planned to play football on the Division I-AA, II or III level. Aside from having the opportunity to showcase their ability in front of professional scouts, players had inspirational visits to community centers, hospitals and convalescent centers.

Schools may nominate any player who has distinguished himself as being among the best players in the NCAA Division II during the current season. To insure national representation on the voting for the Harlon Hill Trophy balloting, voting is first conducted on regional basis within the four NCAA regions. Player nominations from the Northeast, South, Midwest and West are broken down into regions and sent to the National Advisory Committee for review.

*Gary Schultz was a 1971 CoSIDA Academic All-American.*

The Wayne State University Department of Athletics is committed to the academic foundation of the Warrior student-athletes, their professional development and community involvement. Programs have been implemented to improve academic performance and retention in order to deliver success in the classroom. During the 2022-2023 academic calendar year 73.39% of the Wayne State student-athlete body received a 3.0+ Grade-Point Average.

The Wayne State football program had 50 student-athletes receiving GLIAC All-Academic team recognition during the 2022-23 academic year.

Football is prevalent in the community through involvement associated with the Student-Athlete Advisory Committee. Two members from each of the 18 Wayne State sports serve on the committee in efforts to build leadership and a strong relationship with the surrounding community. Joining the entire student-athlete body, the football team assists with fund raising for the Make-A-Wish Foundation, generating resources through canned food and clothing drives, volunteering at local soup kitchens, and mentoring programs.

Starting with the 2006-07 academic year, 73 Wayne State University football student-athletes have been inducted into the National Football Foundation's Hampshire Honor Society. In 2007-08, WSU led the GLIAC with four honorees.

For the 2008(-09) football season, Andrew Bates was one of two GLIAC players inducted into the Hampshire Honor Society. In 2011-12, WSU had the most inductees of any GLIAC school and any college in the State of Michigan with six.

In 2018-19, Wayne State had a then school-record nine inductees, which led all GLIAC schools and all institutions from the state of Michigan. WSU led all of Division 2 with a school-record 10 inductees for the 2019-20 academic year. In 2020-21, WSU's six inductees were tied for second most of any NCAA Division II school. The Warriors led the GLIAC and were fourth in the state of Michigan with seven graduating football players receiving membership into the 2021-22 National Football Foundation's Hampshire Honor Society.

\*Was drafted in 1948 (12th round/#70) by AAFC San Francisco 49ers.

**Joique Bell** was originally signed as an undrafted free agent by the Buffalo Bills and spent all of the 2010 pre-season with the Bills. After spending the first two weeks of the NFL regular-season on Buffalo's practice squad, Bell was signed by the Eagles on Sept. 21 and made his NFL regular-season debut in Philadelphia's 28-3 win at Jacksonville. He played in eight NFL regular-season games in 2010 (five with Indianapolis and three with Philadelphia). Bell was signed to the active roster by the New Orleans Saints prior to their playoff game but was inactive for the loss at Seattle.

In the 2011 pre-season with the Saints, Bell had the fifth-most rushing yards of any NFL player with 182. He spent the entire regular-season except the first two weeks on the Saints practice squad before being signed by the Detroit Lions prior to the regular-season finale.

In the 2012 regular season with the Detroit Lions, Bell had 12 multi-reception games and ended the season ranked third in the NFL among running backs with 485 receiving yards and tied for fifth among running backs with 52 receptions.

The first touchdown of his career also happened to be the Lions' first of the 2012 season (against the St. Louis Rams on Sept. 9). He scored on a one-yard carry. Bell's 67-yard run in Week 13 vs. Indianapolis was the longest run of the season by a Lions rusher and the longest for a Detroit running back since 2011. He set then-career highs in Week 16 vs. Atlanta, finishing with nine receptions for 73 yards.

Bell finished the 2012 regular season with 414 yards rushing on 82 carries (5.0 yards per rush) and scored three touchdowns.

In 2013, Bell teamed with Reggie Bush to become the first running back backfield to each have over 500 rushing yards and 500 receiving yards. Bell finished the 2013 campaign with 650 rushing yards and eight touchdowns, while hauling in 53 passes for another 547 yards.

Bell made his first career start in Week 3 at Washington (9/22/13) and recorded a then-career-high 20 rushing attempts and 132 scrimmage yards (63 rush, 69 rec on four catches) while scoring one rushing touchdown. The Benton Harbor native rushed for a career-high 94 yards on 19 attempts with one touchdown and caught three passes for 34 yards in Week 13 vs. Green Bay (11/28).

Bell made six starts in 2014 while playing in 15 games. He led Detroit with 860 rushing yards and seven rushing touchdowns. Bell also recorded his first receiving touchdown and finished with 1,182 all-purpose yards.

Despite playing injured in 2015, Bell rushed for 311 yards and four touchdowns and had 286 receiving yards. Bell played with both Chicago and Detroit.

In his NFL career, Bell rushed for 2,241 yards and 22

touchdowns, while catching 162 passes for 1,638 yards.

**Daunte Akra**, who played in both 2008 and 2010 at WSU, was on the CFL's Montreal Alouettes practice squad in 2011 before joining the Detroit Lions for training camp. He re-joined Montreal's practice squad for the remainder of the 2011 campaign.

The Chicago Bears, who were led by former Tartar **Phil Emery** (served as general manager from 2012-14), signed safety **Jeremy Jones** to a free agent contract following the 2012 draft. Jones had an interception at Cleveland in the final pre-season game to earn a spot on the 53-man roster. Jones was inactive for the first two regular-season games of the 2012 campaign before retiring.

**Joe Long** inked a free agent contract with the St. Louis Rams following the 2012 NFL Draft. Long appeared in all four St. Louis pre-season games, but was cut on the day after the pre-season ended. He was signed by the Pittsburgh Steelers in November of 2012, and spent the remainder of the season on the practice squad. He was also on the Steelers practice squad for all of the 2013 regular-season, until the Bears signed him to the active roster for the final two weeks of the regular season. Long was cut by the Bears in August 2014.

**Troy Burrell** spent a month with the Detroit Lions during the summer of 2012. He also had two different stints on the Lions practice squad during the 2012 regular season.

**Desmond Martin**, who led WSU in rushing in 2014, was signed by the Detroit Lions as an undrafted free agent during the summer of 2015. He had five carries for 26 yards in the pre-season opener.

**Nate Theaker**, who was the 2016 GLIAC Offensive Lineman of the Year, signed as an undrafted free agent with the Dallas Cowboys. He spent time on the practice squad for both Dallas and New Orleans in 2017, and was waived by the New England Patriots with an injury settlement in August of 2018. He was signed by the Indianapolis Colts in August of 2019, but was cut after the last pre-season game.

**Anthony Pittman**, a two-time All-GLIAC First Team selection who finished with 181 career tackles (120-61), was signed as an undrafted free agent by the Detroit Lions in April 2019. He spent the entire 2019 season on the Lions practice squad until making his NFL debut in the regular-season finale against Green Bay where he recorded an assisted tackle. Pittman saw action on 35 plays against the Packers (17 on defense, 18 on special teams). Pittman spent the entire 2020 campaign on the Lions practice squad, but played in all 17 games for the Lions in both 2021 and 2022 totaling 23 tackles, plus a pass break-up and a forced fumble.

**Darece Roberson, Jr.** spent the 2021 pre-season with the Seattle Seahawks and had a touchdown reception in the final pre-season game. He also saw pre-season action in 2022 with the Toronto Argonauts (CFL).

**Brian VanGorder**, a former Tartar player (1977-80), is a WSU Hall of Famer. He previously served as an NFL assistant coach with the Jacksonville Jaguars (2005, linebackers), Atlanta Falcons (2007-11, linebackers and defensive coordinator) and the New York Jets (2013, linebackers). Detroit Junior College played its first football game on October 4, 1918, against Assumption, a 41-0 win at Sandwich. The next three games of the season were played at Goldberg Field.

DJC became the College of the City of Detroit (CCD) in 1923, and Wayne University in 1934 in honor of General Anthony Wayne. Wayne became Wayne State University in 1956.

Home games were played at Grindley Field in 1921, then at Roosevelt Field in 1937 before moving to Keyworth Stadium in 1938. Home games were played at the University of Detroit from 1944 until 1953 with a few home games at Keyworth Stadium in 1946, 1947 and 1949. In 1954, home games were moved to Tartar Field (Hamilton & Holden Avenues) and remained there through the 1967 season with the exception of one game in both 1955 and 1966 at UD. WSU Stadium opened in October of 1968.

## WAYNE STATE FOOTBALL LOCKERS

❑ Football Locker Room Project - \$2,000

The Wayne State Department of Athletics prides itself on offering a first-class experience to our student-athletes. Our new and renovated facilities are helping do just that.

Conceived as a way to help fund the top-notch facilities for the student-athletes of today and tomorrow, our supporters can leave their permanent mark on the Warriors' new facilities and help the department continue to offer our student-athletes the tools to make them successful in the classroom, on the field, and in the community.

With your tax-deductible gift, payable over four years, you can personalize a locker in any of our three new locker room facilities by purchasing a locker plaque. The plaque will be engraved with your chosen personalization that is then affixed to a current student-athlete's locker.

## ATHLETIC ACADEMIC SERVICES

The Wayne State Athletics Department provides comprehensive academic services to its student-athletes. Student-athletes receive support throughout their time as a Warrior from their respective coaches and the Student-Athlete Support Services (SASS) staff. SASS assists them in their course studies each semester and personal development to ensure they are on path to obtain their undergraduate degree, which is the ultimate goal. Academic advising, tutoring sessions, and life skill development are a few examples of the services provided in supporting student-athletes academically.

Athletics takes pride in the graduation rate of our student-athletes, and SASS work diligently to meet and exceed that rate each academic year. Student-athlete success in the classroom is celebrated annually with the Academic Luncheon recognizing all the student-athletes who received a 3.5 GPA or higher. Each semester there is a Four Points to Perfection luncheon at the Detroit Athletic Club to honor student-athletes that earn a 4.0 GPA. Our "Wall of Fame" in the main concourse of the Matthaei Building permanently and proudly displays the names of our graduates.

Thomas B. Adams, a former football and track star at Wayne State University as well as being an outstanding contributor not only to the university but to the entire city of Detroit following his graduation from Wayne in 1944, was inducted into the WSU Athletic Hall of Fame in 1979.

Adams lettered in football in 1938-39-40 and in track during the 39-40-41 seasons. He led the Wayne football team in scoring during the 1940 season. In 1939 Adams won the Canadian Indoor Sprint Championship and was a member of the 880 Relay team that won the Notre Dame Relays in 1938.

Before graduating from Wayne, Adams entered the Navy and served for four-and-a-half years. During his tour he received the Navy Cross, the distinguished Flying Cross, Air Medal, and a Presidential Citation. In 1955, Adams was named, "The Outstanding Young Advertising Man of the Year," and in 1958 was appointed President of Campbell-Ewald. Adams also served as the Chairman of the Board and Chief Executive Officer of the Campbell-Ewald Company. Adams was President of the Wayne State Alumni and served a term on the Wayne State Board of Governors.

For his outstanding achievements in both athletics and business, Adams was named to the *Sports Illustrated* 25 Year All-American team in 1965. In addition to his duties with the Campbell-Ewald Company, Adams was a member of the Board of Trustees of Children's Hospital and served as a Director of the Economic Club of Detroit.

The Wayne State University football field was renamed Tom Adams Field on October 11, 2003. An artificial playing surface was installed in the summer of 2006 following the renovating of the locker room and coaches offices in the summer of 2004. Lights were added in August 2012 with the first collegiate night game played on Sept. 14, 2013, against Ashland. A new

artificial playing surface was installed in May of 2015, while a brand new 35-foot wide video board was added in August of 2015.

The home locker room was expanded in 2016 with the addition of the DeMars Football Locker Room.

A revised Tom Adams sign was installed in the summer of 2019.

## JOIQUE BELL NO. 5 JERSEY RETIRED

The Wayne State University Department of Athletics retired the No. 5 football jersey of Joique Bell during halftime ceremonies at the 79th annual WSU Homecoming game on Oct. 10, 2015. Making the presentation were WSU President Dr. M. Roy Wilson and WSU Director of Athletics Rob Fournier.

Bell, who played at WSU from 2006-09, was the winner of the 2009 Harlon Hill Trophy awarded to the most outstanding NCAA Division II Football Player (similar to the Division I Heisman Trophy).

"We have had a number of exceptional football student-athletes in the 98-year history of WSU Athletics, but Joique epitomizes the best that each aspires toward," said Fournier. "He worked hard and tirelessly to accomplish his goals both academically and athletically and this jersey retirement recognizes that perseverance and determination. We can all be a little better at whatever we do ... Joique gives us an example of how that can be done."

At the time of his graduation (with a degree in criminal justice), Bell ranked fourth in NCAA Division II history (and ninth across all divisions) with 8,055 all-purpose

yards. His 576 points scored was fourth all-time in Division II and fifth in NCAA history, while his 13.1 points per game average is fourth in D-II and 10th in NCAA history. Bell rushed for 6,727 yards which was sixth in Division II history and eighth in the NCAA, while his 152.91 rushing yards per game is 11th in D-II and 25th in NCAA history.

A four-time First Team All-GLIAC selection and a three-time (2006, 2007 and 2009) Harlon Hill semifinalist (top 24 nationally), Bell scored 96 touchdowns (88 rushing, 8 receiving) in 44 games plus passed for another four scores.

Only the fourth person in GLIAC history to be a two-time conference Offensive Back of the Year award winner, he finished with 918 receiving yards and set WSU records for rushing attempts (1,181), total offense (7,008) and total plays (1,198). A two-year team captain, his 1,181 career rushing attempts ranks sixth in NCAA history (all divisions) and second in NCAA Division II history.

Bell had at least one reception in 37 games and became the fourth player in D-II history with two 2,000-yards rushing seasons.

The ceremony marked only the third time that a WSU football jersey had been retired. The previous two were the No. 29 jersey of Tom Adams (whom the field is named after) and No. 35 worn by Ron Solack.

Adams was a three-year football letterwinner (1938-39-40) and for his outstanding achievements both athletically and in business, he was named to *Sports Illustrated's* 25-year All-American team in 1965. The Wayne State University football field was renamed Tom Adams Field on October 11, 2003.

The first football number ever retired at Wayne State University was the number 35 jersey last worn by Ron Solack. Ron died of post-surgery complications in 1968, on the eve of the opening of the new Wayne State University Stadium. Ron wore his Wayne State uniform with unmatched pride and played the game with enthusiasm. He would have been a senior member of the 1969 team. An award was instituted in his name in 1969. Bell was the recipient of the 2009 Ron Solack Award.

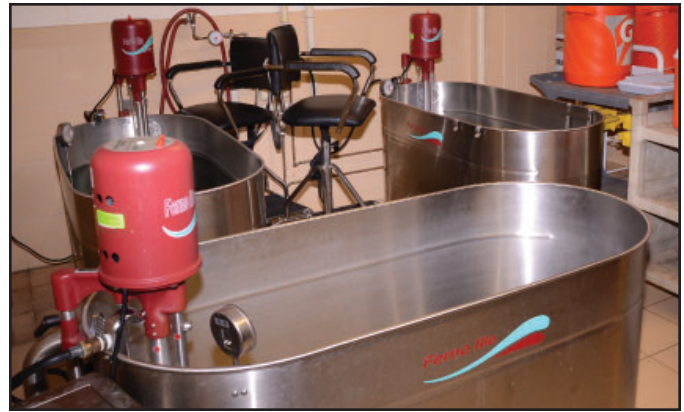

## SPORTS MEDICINE & STRENGTH & CONDITIONING

The Wayne State sports medicine department is led by head athletic trainer Lisa Erickson and assistants Taylor Cutajar, Jenna Hirsch, Don Moran and Tera Winton. All five are members of the National Athletic Trainers' Association and provide medical care to the Warrior student-athletes.

The sports medicine staff is responsible for all the medical needs of our student-athletes, including injury examination, prevention and management, treatment and rehabilitation of emergent, acute, and chronic injuries or medical conditions. Athletic trainers are present at Warrior home and away events to ensure for the health and safety of all student-athletes.

The Matthaei athletic training room has over 1,000 square feet of sports medicine space for treatment/rehabilitation and storage areas. Other special features include: a hydrotherapy area with three therapeutic whirlpools, a designated team physician examination office, and additional office space for the sports medicine staff.

The WSU Athletic Department works with many different team physicians. They include Dr. Bill Moutzouros (head team physician), Dr. Kevin Whitlow (team physician) and Dr. James Moeller (team physician), Dr. Seth Swary, and other physician consultants.

In June of 2017, the Wayne State University Department of Athletics announced the building of a new Athletic Performance Center adjacent to the Matthaei.

The nearly 12,000 square foot, state-of-the-art Athletic Performance Center (APC) was completed and opened in May of 2018 and gives student-athletes access to 24 work stations. Those stations include eight Rogers Brute half-racks and eighth Rogers Dual racks, allowing athletes to perform various exercises. All the Dual racks are bridged together adding additional pull-up bars and TRX attachments. Benches fold up for easy storage, utilizing the space more efficiently. The space also includes a variety of 11 Pendulum plate-loaded machines by Rogers, 21,000 pounds of Iron Grip weights, dumbbells ranging

from five to 150 pounds and a cardio area featuring Woodway, Stairmaster and Star Trac equipment.

The APC also features a nutrition and hydration station, offering Gatorade products and protein recovery shakes. The spacious facility allows Wayne State student-athletes to train in a climate controlled environment featuring industrial sized fans to aid with air flow. The west and north walls feature floor to ceiling windows, allowing for natural light to flood the space. Other features include 16 inlayed and branded platforms and a filtered water bottle station.

The WSU Athletic Performance Center has two full-time strength and conditioning coaches in Ruben Mendoza and Cody Vargo, along with graduate assistants Brendan Baker and Landin Mitchell.
