

SAFESCAN 165i COUNTERFEIT DETECTOR

The Safescan 165i is your ultimate protection against counterfeit banknotes with quick, easy and comprehensive verification of several currencies. Eliminate human errors and customer confrontations with 100% accurate authentication which features six-point detection, including: watermark, infrared profile, magnetic properties, security thread, holograms, and paper size and thickness. The counterfeit detection is backed by 100% accuracy testing for GBP (www.bankofengland.co.uk/banknotes) and for EUR (www.ecb.int). Its operation is fast and simple! Insert banknotes in any direction and in less than 0,5 seconds, authenticity is checked.
