Dear Sports Fans:

As the ninth year of the Round Table culminates, it is gratifying to reflect on what was done during the year, where we are now and what the future holds.

The strength of the Round Table seems to lie in its broad based membership and active guidance by the Board of Directors which was enlarged to forty this year. The diligence of the Board is reflected in the ongoing success of the weekly press luncheons, the Sportsman of the Month Award, this annual Hall of Fame Banquet, and the Athlete of the Week Award. It has always been the Round Table's pleasure to award the Youth Football League award and the annual Basketball Tournament trophy. This year the recognition of local area service clubs who sponsor athletes or athletics has been added.

Special highlights were achieved this year with the recognition of six C.I.F. championship teams, two of which were girls' teams. At the college level, recognition of U.C.S.B.'s runner-up in N.C.A.A. wrestling brought a new height.

Featured speakers ranged from many members of our Round Table to Marv Goux, Dick Butkus, Mike O'Hara, Norm Sherry, Buddy Allin, Al Geiberger, Bill Bertka, Terry Fischer, George Haines, and Duffy Daugherty. These names impact the national sports scene daily.

The Round Table has expended thousands of dollars to help athletics. Creation of Round Table scholarships for City recreation projects will help many local children.

Our future holds more and better of all of the above plus a new feature on the sports scene this fall. A local golf tournament to be co-sponsored by the Round Table and the Summer Sports Festival. Watch for it!

We invite you to join the Athletic Round Table.

Good Sports,

*Bill Blythe*

## History - of the Santa Barbara Athletic Round Table

In the spring of 1968 two of Santa Barbara's leading sports enthusiasts, Jerry Harwin and Caesar Uyesaka, recognizing the need for an organization dedicated to the assistance and recognition of all sporting activities and athletes in the greater Santa Barbara area, decided on the formation of such an organization. During a period of just three months the *Round Table* grew to an astounding membership of over 300 citizens also dedicated to the same goals and ideas.

With funds derived from dues, contributions and fund-raising events the *Round Table* has contributed over \$14,000 to help support sports in the area. Besides its assistance to sports, athletes and athletic groups, the *Round Table* through the efforts of its second president, Bill Bertka, established the highly successful and popular weekly "Press Luncheons" that bring news media, prominent athletic personalities, coaches, athletes, and interested supporters together. These luncheons are presided over by the present president of the *Round Table*.

The *Round Table* also established the Annual Hall of Fame Banquet, honoring the outstanding athletes of the year and inducting new members into the Athletic Hall of Fame.

Today, the *Round Table* numbers nearly 300 members with yearly dues of only \$5.00 and has become the leading organization in the community for the promotion and publicity of all sporting events and assistance to all sports in general.

## City of Santa Barbara

California

On behalf of the City and Recreation Division staff, congratulations to the athletes, coaches and other individuals receiving awards at tonight's banquet. It is a distinct pleasure for the Recreation Division to be associated through cosponsorship with the Santa Barbara Athletic Round Table. Round Table programs have a tremendous impact on sports and recreation activities in the community and serve countless numbers of people throughout the year.

With summer just a few weeks away, the Recreation Division staff members are making final arrangements for a comprehensive schedule of activities and special events for a variety of interests and ages. We invite you as individuals and families to participate in some form of community recreation this summer. Summer recreation program brochures have been distributed throughout the City identifying the details of each program, including special bicentennial events.

Again, we commend all the Santa Barbara area athletes, coaches and community leaders for their fine accomplishments and wish all of you the best in your future endeavors.

Sincerely,

Richard C. Johns  
Recreation Superintendent

## SPORT - SPORT - SPORT

By George Adams

Road Runners, Cardinals, Missions, Dodgers, Dons, Warriors, Royals, Chargers, Candy Kids, Carmellos, Carpenters, Rancheros, S.B. Athletic Club, Merchants, Gauchos and others have been the names of athletic teams in the South Coast Area.

Pershing Park was the center for baseball, football and horse shows. Santa Barbara College was on the Riveria. Their field, Phelps Field was off Foothill near a present tennis club. S.B.C.C. didn't exist: Santa Barbara H.S. was between Anapamu & Victoria; Catholic H.S. at Michel-torena & Anacapa and Carpinteria H.S. on 101 south of town. S.B.C.C. still building.

W.P.A. funds constructed Laguna Ball Park, Los Ranos Del Mar Plunge and the Municipal Tennis Stadium and what was later called The Barn was the best gym in town located on De la Vina where the bowling green is now situated.

San Marcos and Dos Pueblos came along. Bishop Garcia Diego provides the Cardinals with a new home. The Carpenteria Warriors moved to

new quarters and Westmont is bursting at the seams. UCSB moved to their present location and all have contributed to the enjoyment of South Coast fans along with the upswing in sports for girls and the booming of soccer, golf, tennis and water sports.

From The Barn on De la Vina to the sparkling gyms of today; from Pershing Park as it was in "those days" to the modern complex of today; from the relays at Peabody Stadium to the Special Olympics and Masters as we know them now youngsters and adults alike have known the joys of competition and the excitement of rooting for their favorite teams.

As we move on to more sports and teams; more facilities and fans lets hope that competition for the sheer joy of competing will always be with us. That those who are responsible for administering our athletic programs will not allow us to stray too far from the spirit of the old quotation — "When the one great scorer comes to mark against our name he writes not that we won or lost but how we played the game." After all, that is what the Santa Barbara Athletic Round Table is all about.

Two Good Men Retire

Bud Revis  
S.B. City College

June '76 finds two good men who have had a tremendous influence on sports and recreation in the Santa Barbara area "Hangin' it up!" Albert "Bud" Revis of SBCC and Russ Hargreaves of City Recreation are retiring.

Prior to moving to SBCC Bud was Assistant Football and B Basketball Coach at Santa Barbara High School. He introduced football and basketball as the first two sports at SBCC and coached both. He later coached baseball and golf and saw the staff double when one more man was added. At one time he was head coach of football, basketball and baseball during the same school year. To cap off a versatile coaching career he coached womens basketball his last two years and thus rounded out 25 years at SBCC. He has seen the program grow from two sports that free-lanced to a full sports program that is a power to be reckoned with in their conference.

Russ too has been a man of great versatility. From ball fields to dance floors; from hiking clubs to movies Russ approached every phase of recreation with which he came in contact with great verve and enthusiasm. He never failed to relate well with all groups he supervised but in many instances participated right along with them. Russ' personality and zest for living rubbed off on those with whom he came in contact be they fellow staff members, participants, or visitors. After over 18 years with the City Russ is retiring but odds are he won't be slowing down.

It is safe to say that it is rare to have two such versatile men retiring the same month of the same year in the same city. It is also safe to say that their accomplishments will benefit this community for generations to come.

## Area Records: "City of Champions"

By Paul Yarbrough  
News-Press Sports Writer

Santa Barbara once again became the  
"City of Champions" during the 1975-76  
school year.

Each high school in the area had  
either a team or individual capture a CIF,  
Southern Section, championship.

Carpinteria High, led by first-year  
coach Lou Panizzon, finally got past its old  
nemesis Paso Robles and won the Class A  
football championship for the first time in the  
school's history by defeating Los Angeles  
Lutheran in the finals before an overflow  
crowd at Carpinteria's Memorial Stadium.

Only one local high school failed to  
reach the football playoffs, with Channel  
League champion San Marcos bowing in the  
second round and Santa Barbara and Bishop  
Diego suffering defeats in the opening round.

Actually, a girls' team won the area's  
first CIF title of the season when coach Linda  
Dawson's Bishop Diego High volleyball  
squad captured the Class AA crown. It was  
the third CIF championship in the school's  
history.

Mrs. Dawson's quest for a second  
championship, this time in basketball, was  
foiled when her Cardinals fell in the  
quarter-finals to Brawley, 61-60, after  
making the 385-mile trip to the desert.  
Bishop was top-seeded in the playoffs.

Santa Barbara High's soccer team was  
the only local squad heavily favored to win a  
championship and the top-ranked Dons  
didn't upset the odds. They swept through  
the playoffs with surprising ease to capture

their second straight CIF title. In four years  
as head coach at SBHS, Manual Garcia has  
posted an 85-3-4 record.

Not all champions played on a team.  
Two girls from Dos Pueblos High—B.J.  
Hinchman and Mary-Rose Dell—combined to  
take the girls' tennis title. Gary Fischer, of  
Dos Pueblos, at 106 pounds and Mike  
Gordon, of San Marcos, at 141, each took the  
title in their respective weight classifications  
at the CIF wrestling finals. Fischer then went  
on to win the state championship a week  
later.

Santa Barbara High's basketball  
squad gave local fans many thrills by  
reaching the CIF quarter-finals before falling  
to eventual Class AAAA champion Long  
Beach Poly before a jam-packed crowd at the  
SBCC Sports Pavilion. Bishop Diego was  
co-champion of the Tri-Valley League and  
was eliminated in the second round of the  
Class A playoffs, while Carpinteria lost in the  
first round.

San Marcos breezed to the Channel  
League championship and then took seventh  
place in the CIF championship swimming  
meet. Senior Paul Hartloff, also swimming  
for the Santa Barbara Swim Club, became  
regarded as one of the nation's best  
freestylers and has strong hopes of making  
the United States Olympic team.

If Hartloff makes the team and goes to  
Montreal, that would certainly be sweet  
frosting on the area's Bicentennial sports  
accomplishments.
